SB 2 (2005; 71st ASSEMBLY):

- 71st Legislative Assembly recognized that public buildings are at risk from seismic events,

- In Nov 2002, the people authorized G.O. bonds for planning and implementation of seismic rehabilitation of these buildings,

- The purpose of Senate Bill 2 is to assess seismic needs,

- Dogami is directed to:
  - Develop statewide seismic needs assessment, consisting of:
    - Rapid visual screenings
    - Ranking of results in risk categories
    - Development of GIS databases of survey data
SEISMIC SAFETY SURVEYS OF:

- Buildings that have a capacity of 200 or more persons and are routinely used for student activities by kindergarten through grade 12 public schools, community colleges, and education service districts;
- Hospital buildings—acute care inpatient care facilities;
- Fire stations; and
- Police stations/9-1-1 Centers, sheriffs’ offices, and similar facilities used by state, county, district, and municipal law enforcement agencies.
