Telephone
503-378-2911
This is your Emergency Go-Kit Passport which contains your emergency information. Take the time to work through this passport and create a valuable family emergency action plan.

How to use this Emergency Go-Kit Passport

Take the time with family members to fill this passport with the information you will need in an emergency.

Use this passport to create a record of your important information. Keep current medical and communication information in one easy-to-find location.

Put this passport with your emergency medications in your refrigerator or in your go-kit. Put a copy in your child’s backpack. Keep a copy at work.

Seven Step Emergency Action Plan

1. Identify Hazards in or around your home
2. Create a Disaster Action Plan
3. Prepare Emergency Go-Kits
4. Identify weaknesses
5. Protect yourself during a disaster
6. Evacuate, if necessary
7. Follow your plan

Mark two escape routes from each room.

Text messages can often get through when telephone calls won’t.

Emergency Go-Kit Passport

Family Emergency Plan

Draw or paste a floor plan of your house on this page.

Where is the gas shut-off valve?
Where is the water shut-off valve?
Where are the oxygen tanks stored?
Oregon Emergency Management

Draw a map or paste a **map of your neighborhood** on this page. Show evacuation routes, assembly areas, etc.

Know what kind of natural hazards are in your area and how to get alerts on a weather alert radio. Tornado? Flood? Earthquake? Wildfire? Tsunami? Hurricane?

Draw a map or paste a map of your work or school on this page. Show evacuation routes, assembly areas, etc.

Don't assume that you have no natural hazards in your area just because there hasn't been a disaster in recent memory. Knowledge and preparation can mean the difference between life and death.
