PORTLAND, Ore. - The Governing Board of the Oregon Department of Geology and Mineral Industries (DOGAMI) will meet on Friday, December 10 at 8:30 a.m. to 3:20 p.m. To adhere to the state's social distancing requirements and to slow the spread of COVID-19, this public meeting will be conducted as a virtual meeting. This meeting includes an executive session of the Governing Board to conduct interviews of the two finalists for the State Geologist and Executive Director of DOGAMI.

The meeting agenda is available at

The DOGAMI Governing Board sets policy and oversees general operations, and adopts a strategic plan every six years. The Board meets at least quarterly. As active members of their communities, Board members provide an important connection between Oregonians and DOGAMI's mission of providing earth science information and regulation to make Oregon safe and prosperous.
