Field: Recorder

June 7th, 1888

State of Oregon

at Tolton, County of Baker, this day

PM

Know all men by these Presents that I, the undersigned, have, this 11th day of June, 1888, claimed by right of discovery and location 1,000 feet Linear and Horizontal Measurement, viz., lengthwise and 600 feet wide, on the Monarch Mine, along the line 1,000 feet, the foot of said claim, lying and being toward and 900 feet North of the discovery point Three, with all slips, curves, variations and angles, said claim being more particularly described as follows:

In the District Court, Baker County, Oregon, at about 50 feet more or less, from the head of Medal Creek. This claim is located on the Ridge Trail.
West of N.W. 1/4 SW. 1/4 SW. 1/4 SW. 1/4 SW. 1/4 and extend 1880 feet from the South and line of the Miners Mine. Boundaries marked by posts planted at the corners and at center side points the elevated boundaries of the claim are distinctly marked by posts and colored trees.

Surveyor

Louis Roll

Locater

"The Augusta Mine"

Notice of Location of Dairy Claim.

I, Louis Roll, of the United States, with the assent of the owner of Dairy twenty-one years having discovered a vein or body of Dairy, at Black Mountain, Nevada, within the limits of this claim, hereby locate the same under the provisions of the Revised Statutes of the United States, and the same is described.

The August 18th 1850, s.w. 1/4, n.w. 1/4, e.w. 1/4, n.e. 1/4, containing 1880 feet, or 0.36 acres, with surface ground 600 feet, northeast, situated in Silver Mountain Mining District, County of Park, State of Oregon, and known as the Augusta (formerly known as Long View) Dairy Mining Claim, and extending the feet, South 200 feet, and North 1880 feet, and extending the width, South 100 feet, and North 1880 feet, from the point of discovery at the discovery of the vein, and on the boundaries of this claim having distinctly marked, by reference to some natural object, the

...
permanently remaining and must particularly be described as follows: This claim is located on the south side of the Ridge on the southwest side of Meadow Creek, at a point about 1000 feet more or less south of the Broad Mine, beginning at the south end line of the Oregon-Oregon Claim, Mine, formerly called the Virginia Mine, and extending 1000 feet to the north end line of the same Mine, formerly called the JavaScript. I also claim a strip on each side of the same Mine. The four corners are distinctly marked by posts and intend to hold and maintain the same claim as provided by the local customs and rules of miners and the mining Statutes of the United States.

Dated on the ground this 11th day of December 1887.

Received June 19th, 1886. By

Re-located December 11th, 1887.

Louis Roll, Locator

"The Aerial Mine"

Nature of Location

This is hereby given that the undersigned having complied with the requirements of Chapter 6, Title 30, and the local customs and rules of miners and the mining Statutes of the United States, have located fifteen hundred iders feet on the gold and silver bearing district to be known as the Aerial situated in Clive Mining District, Potter County, State of Oregon, and described as follows:

To the west of the Aerial District and about six miles above junction with the South Fork of the Aerial. Running fifteen hundred feet

...
1500 feet from this Notice in a Southeasterly direction with 300 feet on each side of the center of the Lead.

dated this the 2nd day of January 1885.

Locator: C.W. Berry

"The Phoenix Mine"

Notice is hereby given that the undersigned being a Citizen of the United States and having complied with the requirements of the United States and local statutes, laws and regulations, has this day located Fifteen hundred linear feet 1500 feet of said Lead on ledge and to be known as the Phoenix Mine and described as follows:

Commencing at this Notice which is posted on the ledge at the Discovery shaft and running fifteen hundred feet in a Northwesterly direction to a stake marked X together with all the dips apertures and others.

Files Claim 30.7. Three hundred feet of surface ground on each side of the center of said Lead or Ledge for Mining purposes. This Ledge being known by some natural object or stretch a hundred feet North of a certain hill of rock on the dividing Ridge between Greenhorn and Greenwood and about three hundred feet South of a certain claim on Greenwood Dutch up the head of what is known as Old Saw flood.
Said running to Peters Mill and about one mile South east of the town of Robinsville in the County of Baker County Ohio. Located January 2nd, 1888 by L.L. Collier. Recovered December 30, 1887 by W. B. Morgan.

Notice of Location of Pre-emption Claim:

Notice is hereby given to all persons in the State of Ohio, and all persons who have a claim or interest in the land described in this claim, that the same is hereby located by L.L. Collier, this day, in accordance with the provisions of the Pre-emption Act of the United States, as amended.

The claim is located on the south line of the United States Railroad, as described in the claims located by L.L. Collier, and is situated in Baker County, Ohio, and is known as the 'McClure Claim.' The claim is bounded on the north by the railroad, on the east by a line running due east from the north line of the Railroad, on the west by a line running due west from the south line of the Railroad, and on the south by a line running due south from the east line of the Railroad.

The claim is described as follows:

Begin at a stone monument at the northwest corner of the claim, thence north 1500 feet to a stone monument, thence east 1500 feet to a stone monument, thence south 1500 feet to a stone monument, thence west 1500 feet to the beginning.

At the request of the claimant, the claim is located on the 2nd day of January, A.D. 1888.

John Collier, Surveyor.

L.L. Collier, Claimant.
Notice of Location of a Claim

Mine: Lady-Bug

Notice is hereby given to all persons that the following limits of the 0.4 acre claim, to wit: one or more of twenty feet of quartz or rocks in place bearing gold, is herein described in the limits of the above claim located on the clay walls, in accordance with the laws and statutes of the U.S. Chapter 6, Title 32, located 1500 linear feet of the vein or body in the surface ground 600 feet south, the elevation is 1000 feet. The point of the beginning is on the south end of the Summit of Black Butte.

Commencing at a point on the east line, and proceeding to the west line, thence westward to the point of the beginning.

has located the following land in the

State of Oregon,

County of Baker,

in section 18, Township 13 North, Range 3 East,

W2 of the 2nd Meridian, in the

United States of America.

The location consists of

160 acres

of land, more or less, as described below:

Beginning at the southeast corner of the

quarter section

in Township 13 North, Range 3 East,

in the

State of Oregon,

County of Baker,

and running

as follows:

1. From the southeast corner of the

quarter section

in Township 13 North, Range 3 East,

in the

State of Oregon,

County of Baker,

for a distance of 700 feet

in a

northeast direction.

2. From the point described in 1

for a distance of 700 feet

in a
direction northeasterly.

3. From the point described in 2

for a distance of 1500 feet

in a direction westerly.

4. From the point described in 3

for a distance of 800 feet

in a direction southerly.

5. From the point described in 4

for a distance of 2000 feet

in a direction southeasterly.

The point marked is situated about

3/4 mile

southwest of the

junction of House Road and

Duck Hill Road.

Located this first day of January

1888.

Notice is hereby given that written hereon, we
Citizens of the United States, over the age of 21 years,
have this day located fifteen (1000) claims, put
in length by 14,600 feet in sections situated
on lots of mineral bluing district for mining
purposes commencing at discovery shaft,
surmounting 750 feet, in a southerly direction
750 feet in a northerly direction. This
mine is one mile north from the town of
Harrison in a southerly direction, on the
East side of Beaver Creek Silver Mining District.
Bureau County, Oregon, this mine being known as
Harrison,
Dated the 1st day of October 1885.

Thomas E. Allison,

Locator.
Notice of Location

Notice is hereby given that I, the undersigned,

have on this day located this lead or ledge

with the rest of the public in place on the

south part of the same, about forty

acres in extent, pursuant to the

laws of the United States, and to be known

as the "Last Reliance".

J. W. Jones

Oct. 12, 1886

Notice is hereby given that the undersigned

having complied with the requirements of law,

under the 30th of the Revised Statutes of the

United States, and the local customs laws and

regulations, has located 1500 linear feet by 100

feet in width on this ledge or lode for the

gold ore or other valuable metal therein con-

tained, commencing at this notice and run-

ning northwesterly 150 feet to a tree thence 300

feet southwesterly to a point blazed on two sides

thence 100 feet northwesterly to a point blazed on two sides

thence 1500 feet northerly to a point blazed on two sides

thence 300 feet southwesterly to a point blazed on two sides

thence 1500 feet southeasterly to a point blazed on two sides

thence 1000 feet southerly to a point blazed on two sides

This ledge is on 130 acres, County of A.
Oregon, situated on the west side of Salmon Creek and one of the tributaries of said creek
and about 300 yards above Alsea Flat.
This ledge is known as the Cleveland.

Notice of Location of a Mining Claim

Filed for

Friedrich Weber is hereby granted to all whom it may concern

that on the 29th of July, 1886, W. J. Weber of Deseret County, State of

Utah, has discovered a Claim in the United States

suffixes the age of twenty-one years, having discovered

to locate and stake out a Claim on lands of the United States

office of the claimant. He located it on the 29th of July in place

of the claimant, as the limits of the claim are

as follows:

Comprised of the exact location in the following manner:

in the district of the State of Deseret, and office of

of the Southwestern Mining District, extending 1,500

of the surface of the earth, containing 10 acres, and forming the

part of the claim herein described, to part and 600 feet

from the center of said ledge.

July 29, 1886

Claimant

Also, the monument of the recorders, monuments, and more

particularly described as follows:

beginning

from a point on the edge of the mountain

a point and 600 feet

at the head of Greenhouse Creek and at the

head of what is known as Mormon Claim,

and Point A, to point B, and from point B, and

point C, to point A, embracing 10 acres, and described

the true course and direction of the mining claim.

Recorded

January 29, 1881

Notice is hereby given to all whom it may concern that William H. Mills, by virtue of a patent granted under the laws of the United States to him for the Drill mining located fifteen thousand linear feet of the unoccupied mining district in the County of Grant and Baker, State of Oregon, and known as the Drill Extension West of the Norley Quartz Claim, and extending thence 1,500 ft. to a mound of rocks and thence 200 ft. to another mound, from the notice at the junction of the State High which is 200 ft. from east and line of claim - the exterior boundaries of this claim being designated by reference to the natural object or permanent monument and more particularly described as follows: starting from a mound of rocks which is the South NW Corner of the Norley Quartz Claim on the Norley Fault (the Norley Claim being located at the foot of Greenhorn Mountains and known as 'Rocky Bluff'), thence westly 1,500 ft. to a mound of rocks which is the SW Corner of this claim; thence westerly 1,500 ft. to mound of rocks which is the NW corner of this claim; thence westerly 1,500 ft. to mound of rocks which is the NE corner of this claim; thence northerly 1,500 ft. to mound of rocks which is the NE corner of this claim; thence northerly 1,500 ft. to mound of rocks which is the NE corner of this claim; thence northerly 1,500 ft. to mound of rocks which is the SE corner of this claim; thence southerly 1,500 ft. to mound of rocks which is the NW corner of this claim; thence westerly 1,500 ft. to mound of rocks which is the SW corner of this claim.
Nord lode, the NW corner of the NW
Morley claim. Thence south, exactly along the
Northeast of the NW Morley claim two feet
to place of beginning. This line is a
relocation of the First Section line on the NW
Morley Lode and is made for the purpose
of more definitely describing the boundaries
of the claim and is intended to hold and mark
the claim as provided by the local custom
and rules of mining and the mining statutes
of the United States and of the State of Oregon.
