Before me the subscriber personally appeared L M Baker who being duly sworn says that at least One Hundred Dollars worth of labor or improvements were performed or made upon the "Mingo Chief" Quartz Mining Claim, situate about 2 miles North of Sumpter, situate in no organized mining district, in Baker County, State of Oregon, during the year ending December 1904. Such expenditure was made by or at the expense of L M Baker owner of said claim, for the purpose of holding said claim, and as required by law, and consisted of tunnel work.

L M Baker  Signature

Subscribed and sworn to before me this 1st day of November 1904

Notarial Seal

W S Newbury, Notary Public for Oregon residing at Sumpter

Filed for record Nov 2 1904 at 9 AM

R W Henry, Recorder

J F Kendall  "White Rose"

We the undersigned citizens of the United States have discovered mineral in place and claim 600 X 1500 linear ft of this ledge as a mining claim known as the White Rose mining claim and described as follows: Running 750 ft easterly to center end stake; thence 300 ft to N E corner; thence 1500 ft to N W corner; thence southerly 300 ft to center end stake; thence 300 ft to S W corner; thence 1500 ft to S E corner and 750 ft westerly to center end stake.

Dated this 19 day of October 1904

J F Kendall  R E Johnston  Locators

State of Oregon
County of Baker

I, A Abel, being duly sworn, say that I am a native born citizen of the U S that I am acquainted with the quartz claim described in the within notice of location called the White Rose quartz claim. That the location of said claim has prior to the date of posting of the location notice thereof, sunk a shaft 12 ft by 4 ft wide by 6 feet on said claim.

A Abel

Subscribed and sworn to before me this 4th day of November 1904.

County Court Seal

A B Combs, Jr, County Clerk

Filed for record Nov 4 1904 at 11 AM

R W Henry, Recorder
NOTICE IS HEREBY GIVEN: That I, J M Doyle, a citizen of the United States, has on this 8th day of July 1902, discovered and located a vein of mineral bearing rock in place, carrying gold, silver or other metals, which vein I have named the Little Emma. That the course of this vein is North & South and that said claim is 1,000 feet long and 300 feet on each side of the discovery monument on which this notice is posted, and that said claim is 300 feet on each side of the center of the vein. That said claim is located in Cracker Creek Mining District, Baker County, Oregon, the discovery monument being placed 20 feet from this notice and is bounded and described as follows, to-wit:

Commencing at the discovery monument, thence 400 feet to south end center thence 300 feet E to S E corner No 1, thence 750 feet north to E side center No 2, thence 750 feet north to N E corner No 3, thence 600 feet W to N W corner No 4, thence 750 feet E to W side center No 5, thence 750 feet S to S W corner No 6, thence 300 feet to S end center or place of beginning. Said claim is located about 1,500 feet from the road to Sampson on the north side of Cracker Creek and joins the Morning Star on the north and the Gold Coin No 2 on the east side. Located in Cracker Creek Mining District Baker Co Ore.

Dated July 8th 1902

J M Doyle, Locater

Witness: Mrs Emma Doyle

State of Oregon
County of Baker

I, J M Doyle being first duly sworn say on oath that I am the original locater of the Little Emma quartz claim. That the location work has been fully done on said claim by mining an open cut 15 X 10 X 4 feet. That the said work is done in accordance with the laws of the United States and the State of Oregon.

J M Doyle

Subscribed and sworn to before me this 19th day of Aug 1902

F A E Starr, Notary Public for Oregon

Filed for record Nov 4 1904 at 9 AM

R W Henry, Recorder

Filed for record in Vol T Page 179 on the 21 day of August 1902 at 10 AM

R W Henry, Recorder of Conveyances
NOTICE IS HEREBY GIVEN that I, J M Doyle, a citizen of the United States, have on this 25th day of June 1902 discovered and located a vein of mineral bearing rock in place, carrying gold, silver, and other metals, which vein I have named Gold Coin No 2. That the course of this vein is North and South and that said claim is 1500 feet long and 600 feet wide on 300 feet on each side of the discovery monument on which this notice is posted, and that said claim on each side of the center of the vein.

That said claim is located in Cracker Creek Mining District, Baker County, Oregon, the discovery monument being placed 100 feet from the location notice, said claim is bounded and described as follows, to-wit:

Commencing at the discovery monument, thence 300 feet easterly to corner No 1, thence 750 feet to East Side center No 2, thence 750 feet north to NE corner No 3, thence 600 feet west to NW corner No 4, thence 750 feet west to SW corner No 5, thence 750 feet to SE corner No 6, thence 300 feet easterly to discovery monument or place of beginning. Said claim is located about 1500 feet from the road to Sumpter on the north side of Cracker Creek about 4 1/2 miles from Sumpter and is an extension of Gold Coin No 2 located about 400 feet from the road.

Dated June 25th 1902

J M Doyle  Locator

Witness: Mrs Emma Doyle

State of Oregon
County of Baker

I, J M Doyle, being first duly sworn, say on oath that I am the original locator of the Gold Coin No 2 Quartz Claim; that I have only done the location work on said claim by mining an open cut 15 X 10 X 4 feet. That said work is done in accordance with the laws of the United States and the State of Oregon.

J M Doyle

Subscribed and sworn to before me this 19th day of August 1902

R. W. Henry, Recorder of Conveyances
KNOW ALL MEN BY THESE PRESENTS, that I, Louis Anderson, County of Baker, State of Oregon, do claim by right of discovery and location 1500 feet linear and horizontal measurement, on the Wah-o-ky No II mineral lode, with the 300 ft of each side of it. And all its spurs, dips and angles and surface ground, within its boundaries. Said claim is situated in Baker County State of Oregon and is described and bounded as follows:

Discovery post stands in center of said claim Southeast Cor binding northeast Cor of Wah oo ky No 1, then running 1500 feet north 10° East to the northeast corner, then 300 ft to the north and center, then 300 ft to the northeast Cor, then 1500 ft south 10° west to the southwest Cor, then 300 ft easterly to the south and center and 300 ft to the southeast Cor post.

This discovery was made August 16th 1904 and located Oct 9th 1904.

Witnesses
Louis Anderson
August Paul
S B Neil

Labor performed on the Wah oo ky No II mineral Lode for Louis Anderson by Geo Hofer, S B Neil and August S Paul as discovery work.

Shacht 4 X 6 - 10 feet deep is made at the date of this certificate

Geo Hofer
August S Paul
S B Neil

Signed and sworn to before me this 13th day of Oct 1904

R W Henry, Recorder
TO ALL WHOM IT MAY CONCERN: Notice is hereby given that a citizen of the United States, over the age of twenty-one years, has on this 10 day of September 19
discovered a vein or body of mineral bearing rock in place, bearing gold, silver and other
precious and valuable metals and minerals within the limits of the claims hereby located,
which we have this day and in accordance with the Revised Statutes of the United States,
Chapter 6 Title 30, named the Baboon Quartz Mining Claim.

That the general strike or course of this vein or body is NE and SW and is 1500 in
length and 600 width and that we claim 1500 linear feet 500 SW and 1000 NE linear feet 600
north of the point of discovery at which this notice is posted, together with 300 feet on
each side of the center of said vein.

That said claim is located in the No Mining District, in Baker County, State of
Oregon, the discovery monument being placed at foot place from of discovery and
said claim is more particularly described and located by means of the natural objects and
permanent monuments hereinafter mentioned, and is more particularly described by boundaries
as follows, to wit:

Commencing at the point of discovery at which notice is posted, thence 500 NW and
1000 feet SE about 5 miles N of Molalla Station and 3,4 of Mile NW of the Melborn Astoria
Mine and the W Center end Stake stands by the SW corner stake of the Iron Mask, which is
E side of Lake Creek near the Lake Creek ditch.

And we intend to hold and work said claim in accordance with the local rules and
customs of miners and mining laws of the United States, and of the State of Oregon

I, W G Ballou being first duly sworn, say that I am the original locator of
the Mining Claim described in the within notice of the Baboon Quartz Mining Claim, and
that the foregoing notice is a full, true and correct copy of the original notice of location
posted on said claim.

That I did between the 10th day of September 1904 and the 7th day of November 1904
perform the discovery or location work required by the statutes of the State of Oregon on
said claim by cut 20 feet long and incline short 7 feet deep and that said work was done
on said claim within sixty days from the date of discovery thereof, and by said work there
was disclosed a lode or vein of mineral deposit in place.

County of Baker

I, James Dunphy, J. J. Grisam, I., Hugh McGregor, and I., Roy Balsey, deposes and says that at all times herein mentioned I have been and am now a citizen of the United States over the age of twenty-one years; that I am a miner by occupation and know the value of mining labor and improvements;

That on and between the first day of September 1904, and the 27th day of October 1904, Hugh McGregor, Roy Balsey, J. J. Grisaam and James Dunphy performed work and labor on the Alps, Chilcot and Snow Storm quartz mining claims, situated on the head of Rock Creek in Baker County, Oregon, to the value and amount of over three hundred dollars; that such work consisted of a tunnel over thirty feet in length on the Alps and three open cuts on said Alps; also tunnel work on the Chilcot and Snow Storm quartz claims; that all of said claims are contiguous and lie along one ledge, and that any work done on either of said claims tended to and do develop and improve each and all of said claims; that said work and labor to the amount of at least three hundred dollars tended to and do develop each of said claims to the amount thereof and was done and performed as and for the annual assessment work thereon for the year 1904.

That said work and labor was done and performed at the instance of J. K. Rossie, the owner of an undivided one-half interest therein, and James Dunphy the owner of an undivided one-half interest therein.

"Southern Girl"

TO ALL WHOM IT MAY CONCERN, Notice is hereby given that the undersigned citizens of the United States, over the age of twenty-one years, have on this 26th day of Sept 1904 discovered a vein or lode of mineral bearing rock in place, bearing gold, silver and other precious and valuable metals and minerals within the limits of the claim hereby located, which we have this day and in accordance with the Revised Statutes of the United States, Chapter 6, Title 32, named The Southern Girl Quartz Mining Claim.

That the general strike of course of this vein or lode is northerly and southerly and that we claim 500 linear feet northerly and 1000 linear feet southerly of the point at discovery at which this notice is posted, together with 300 feet on each side of the center of said vein. That said claim is located in the unknown Mining District, in Baker County, State of Oregon, the discovery monument being placed 5 feet west from discovery cut and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinafter mentioned, and more particularly described by boundaries as follows, to-wit:

Commencing at the point of discovery at which this notice is posted, thence 500 feet northerly to north end center post, thence 300 feet easterly to northeast corner post, thence 1500 feet southerly to southeast corner post, thence 300 feet westerly to south end center post, thence 300 feet westerly to south west corner post, thence 1500 feet northerly, northwest corner post, thence 300 feet easterly to north end center post place of beginning. Situate in SE 1/4 Sec 27 T 9 S R 37 E.

And we intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the State of Oregon.

State of Oregon
County of Baker

I, W S Bailey, and I, O R Symmes, being each duly sworn, say: I am acquainted with those eleven certain unpatented quartz mining claims, constituting what is known as the "Sherman" group, owned jointly by F F Hayes, R O Dening and O R Symmes, known as the Sherman, Extension, Bland, McKinley, Bryan, Sound Money, 16 to 1, Lone Star, Dening, Jay Bird and the Oswego quartz claims, said claims being situated in the neighborhood of the Baisley Elkhorn Mine, about a mile distant therefrom. That during the year 1904, and prior to this date there has been done and performed upon said eleven claims in labor and improvements and in working thereon and in development thereof more than the sum of eleven hundred dollars. That the said work and labor was done and performed upon said claims at the expense of F F Hayes, R O Dening and O R Symmes, the owners of said claims, for the purpose of complying with the laws of the United States relating to the performance of assessment work. That the said work to the extent of more than eight hundred dollars was done upon the Sherman and the Extension quartz claims for the benefit of the first above mentioned eight claims, and the work was done to the extent of more than three hundred dollars thereof upon the Oswego and Jay Bird claims for the benefit of the Dening, the Jay Bird and the Oswego claims, said work consisting of tunnel work and other improvements, which work was done at said places for the development of the entire group, and said work and development does in fact develop the entire group of eleven claims and each claim thereof, and was paid for in full compliance with the laws of the United States relating to the performance of assessment work upon unpatented quartz mining claims. That I, the said O R Symmes, am one of the owners of said property, and had charge of the performance of said work, and that I, the said, W S Bailey, was employed in the performance of said work as foreman, and have full knowledge of all the matters and things related in this affidavit.

Subscribed and sworn to before me, this 17th day of November, 1904.

W S Bailey, O R Symmes

R W Henry, Recorder
TO ALL WHOM IT MAY CONCERN: Notice is hereby given that we, W. A. Lotspeich, R. Lotspeich, and J. P. Lotspeich, citizens of the United States, over the age of twenty-one years, have this 17th day of October 1904 discovered a vein or lode of mineral bearing rock in place, bearing gold, silver, and other precious and valuable metals and minerals within the limits of the claim hereby located, which we have this day and in accordance with the Revised Statutes of the United States, Chapter 6, Title 30, named The Wish Quartz Mining Claim.

That the general strike or course of this vein or lode is easterly and westerly and that we claim 1500 linear feet and 1500 linear feet easterly of the point of discovery at which this notice is posted, together with 300 feet on each side of the center of said vein.

That said claim is located in the unorganized Mining District, in Baker County, State of Oregon, the discovery monument being placed 650 feet west from discovery shaft and said claim is more particularly described and located by means of the natural objects and permanent monuments hereafter mentioned, and is more particularly described by boundaries as follows, to-wit:

Commencing at the point of discovery at which this notice is posted; thence 300 feet westerly to the northwest corner post; thence 1500 feet easterly to the northeast corner post; thence 300 feet southerly to the east and center post; thence 300 feet southerly to the southeast corner post; thence 1500 feet westerly to the southwest corner post; thence 300 feet northerly to the west and center post place of beginning. Situated in SW 1/4 Sec. 25 T.9 N R. 37 E.

And we intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the State of Oregon.

Dated on the ground the 17th day of October 1904

TO ALL WHOM IT MAY CONCERN: Notice is hereby given, that we, W A Lotespeich, R McFinnis & J P Lotespeich, citizens of the United States, over the age of twenty-one years, have on this 15th day of October 1904 discovered a vein or lode of mineral-bearing rock in place, bearing gold, silver and other precious and valuable metals and minerals within the limits of the claim hereby located, which we have this day and in accordance with the Revised Statutes of the United States, Chapter 6, Title 32, named The Wanda Quartz Mining Claim.

That the general strike or course of this vein or lode is easterly and westerly and that we claim 1500 linear feet easterly or westerly of the point of discovery at which this notice is posted, together with 300 feet on each side of the center of said vein.

That said claim is located in the unorganized Mining District, in Baker County, State of Oregon, the discovery monument being placed 900 feet westerly from discovery cut and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinafter mentioned, and is more particularly described by boundaries as follows, to-wit:

Beginning at the point of discovery at which this notice is posted, thence 300 northerly to the northwest corner post; thence 1500 easterly to the northeast corner post; thence 300 feet southerly to the east end corner post; thence 300 feet southerly to the southeast corner post; thence 1500 feet westerly to a monument previously set; thence 300 feet northerly to the west end corner post, situated in West 1/2 Sec 25 T 9 S R 37 E.

And we intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the State of Oregon.

Dated on the ground the 15th day of October 1904

R W Henry, Recorder
NOTICE OF AMENDED LOCATION OF QUARTZ CLAIM. Notice is hereby given, to all
when it may concern, that I, John J. Kelly, a citizen of the United States, over the age
of twenty one years, having discovered a vein or lode of quartz or rock in place,
bearing valuable mineral within the limits of the claim hereby located, have this day,
in accordance with Chapter Six (6) Title thirty two (32) of the Revised Statutes of
the United States, and the Statutes of the State of Oregon, located fifteen hundred
(1500) linear feet on said vein or lode, with surface ground six hundred (600) feet in
width for said entire length, in an unorganized mining district in Baker County,
State of Oregon. Said claim is in and upon unappropriated public domain of the United
States. The name of said lode and claim is "The High Grade Quartz Mining Claim." The
name of the locator of the same is John J. Kelly. The date of the location of said
claim is this 26th day of January AD 1901. I claim three hundred (300) linear feet
west thirty (30) degrees south along said vein or lode from the point of discovery and
twelve hundred (1200) linear feet east thirty (30) degrees north of said point of
discovery along said vein or lode, and three hundred (300) feet in width on each side
of said vein or lode. The general course or strike of said vein or lode, as nearly
as I can give it, is northeast and southwest. I have designated the boundaries upon the
surface of said claim so that they may be readily traced, by the points and monuments
hereinafter described. The following is a description of said claim with reference
to natural objects and permanent monuments for the purpose of identifying the same.
It is about three (3) miles north of the Town of Sumpter, Baker County, Oregon, and
about three thousand (3000) feet west of the Cracker Creek and Bearne Wagon Road. It
is about thirty one hundred (3100) feet south, twenty (20) degrees west of the
half way house. Said house being situated on the Bearne Wagon Road about three hundred
and seventy five (375) feet below where Wind Creek empties into Cracker Creek. Said
claim is twenty eight hundred (2800) feet southwest of the Bridge over Cracker Creek
said bridge being the seventh (7) bridge over said Creek above or north of Sumpter
aforesaid. Said claim is about one half mile above the mouth of Pole Creek, and about
fourteen hundred and seventy five feet below or south of the mouth of Wind Creek.
Said claim is situated on the divide or summit at the head of the Gulch which empties
into Cracker Creek between said bridge No. 7, and the old Bisie Cabin. The discovery
shaft on said claim is on the summit at the head of the said gulch firt mentioned,
and said point of discovery is marked by a permanent monument, a sugar pine tree, saved
off, about six feet above the ground. Said tree is squared, and is about 10 inches
wide on each face, a plus sign is cut on the north side, a "T" on the east side, a
diamond on the south side and an "H" on the west side of said tree or monument. This
notice is posted on said monument, and a copy of this notice will be filed for record
in the office of the recorder of the conveyances of said Baker County. Said tree or
monument is twenty five (25) feet north 20 degrees east from the point of dis-
cover. The boundaries of said claim are as follows: - Commencing at said point of
discovery, viz the aforesaid shaft marked by the last mentioned monument, and running
thence three hundred (300) feet west thirty (30) degrees to the South Center and past
which is the point of beginning of said claim. Said post is not less than four (4) inches square in diameter, is of substantial timber, and projects not less than three (3) feet above the surface of the ground. Thence from said last mentioned post three hundred (300) feet east to a substantial post which marks the southeast corner of said claim. Said post is not less than four (4) inches square in diameter, is firmly planted in the ground, and it projects not less than three (3) feet above the surface of the ground. Thence from said last named post fifteen hundred (1500) feet north fifteen (15) degrees east to the northeast corner of said claim which corner is marked by a substantial post planted firmly in the ground. Said post is not less than four (4) inches square in diameter and it projects not less than three feet above the surface of the ground. Thence from said last named post three hundred (300) feet west, to the center of the north and line of said claim which is marked by a substantial post planted firmly in the ground. Said post is not less than four (4) inches square in diameter and it projects not less than three (3) feet above the surface of the ground; thence from said last named post three hundred (300) feet west to the northwest corner of said claim, which corner is marked by a substantial post firmly planted on the ground. Said post is not less than four (4) inches square in diameter, and it projects not less than three (3) feet above the surface of the ground; thence from said last named post fifteen hundred (1500) feet south fifteen (15) degrees west to the southwest corner of said claim, which corner is marked by a substantial post set firmly in the ground. Said post is not less than four (4) inches square in diameter and it projects not less than three (3) feet above the surface of the ground; thence from said last named post three hundred (300) feet east to the aforementioned north center and post, the place of beginning. Said monument on which this notice is posted and each and all of said corner and end posts are monuments in the boundaries of said claim and are permanent monuments by which to identify said claim. I claim all dikes, spurs and angles of said vein or lode, and I claim all other lodes or veins and their dikes, spurs and angles, lying or being within said boundaries.

Dated January 26, 1891.

NOTICE OF AMENDED LOCATION OF QUARTZ CLAIM

Notice is hereby given, to all whom it may concern, that I, Louis Beckwith, a citizen of the United States, over the age of twenty one years, having discovered a vein or lode of quartz or rock in place, bearing valuable mineral within the limits of the claim hereby located, have this day, in accordance with chapter six (6) Title Thirty two (32) of the Revised Statutes of the United States, and the statutes of the State of Oregon, located fifteen hundred (1500) linear feet on said vein or lode with surface ground six hundred (600) feet in width for said entire length, in an unappropriated public domain in Baker County State of Oregon, Said claim is in and upon unappropriated public domain of the United States. The name of said lode and claim is "The Barncs". The name of the locator
of the same is Lewis Beckwith. The date of the location of said claim is this 26th day
of January A.D. 1902. I claim one hundred (100) feet along the said vein or lode lying
northeastly from the point of discovery and fourteen hundred (1400) linear feet
along said vein or lode lying southeastly from said point of discovery, and three
hundred (300) feet in width on each side of said vein or lode. The general course of
strike of said vein or lode as nearly as I am able to give it, is northeast and southwest.
I have defined the boundaries upon the surface of said claim so that the same may be
readily traced, by the posts and monuments hereinafter described. The following is a
description of said claim with reference to natural objects and permanent monuments, for
the purpose of certifying the same. It is about three (3) miles north of the Town of
Sumpter, Baker County, Oregon, on the west side of the Cracker Creek and Bome Wagon
road. It is three hundred and thirty five (335) feet west of the Old Dean Cabin,
and one hundred and sixty five (165) feet south about twenty (20) degrees east of a
bridge over said Cracker Creek. Said bridge is the seventh (7th) bridge over said Creek
above or north of Sumpter aforesaid. Said claim is eleven hundred (1100) feet south of
the half way house, which house is on said Bome Road about three hundred and seventy
five (375) feet below the confluence of Wind Creek and said Cracker Creek, and about
two hundred and ninety (290) feet south of a group of four (4) large cliffs of rock (all
above said bridge) the first of which said cliffs is a large cone shaped rock pro-
jecting out toward said Cracker Creek about eight (8) feet. Said cliff is about twenty
(20) feet high. The next cliff, which is about twenty (20) feet above the first one is
round in shape and not as high as the first one. The third (3rd) cliff is about the
same in size and appearance as the second (2nd) cliff, and is about twenty (20) feet above
it. The fourth cliff is about forty (40) feet above the third (3rd) cliff, and is more
ragged and a little smaller in size than the second (2nd) and third cliffs. The first
mentioned cliff is the largest of the group, and they are all from forty (40) to one
hundred and twenty (120) feet above said bridge (No 7) and are all below said half way
house. The discovery open cut on said claim is marked by an artificial monument made by
sawing off a large growing fir tree about six feet above the ground. Said tree is
squared, and is about 6 inches wide on each face and "x" is cut on the north side, and
"x" on the east side, a cross on the south side a "X" on the west side or said tree or
monument. This notice is posted on said monument, and a copy of this notice will be
filed for record in the office of the recorder of the conveyances of said County. The
boundaries of said claim are as follows:— Commencing at said point of discovery, vis,
the aforesaid open cut marked by the last mentioned monument, and running thence one
hundred (100) feet northeast to the North Center end post which is the point of be-
ginning of said claim. Said post is not less than four (4) inches square in diameter,
is of substantial timber, and projects not less than three (3) feet above the surface
of the ground. Thence from said last mentioned post three hundred (300) feet east to a
substantial post which marks the northeast corner of said claim. Said post is not less
than four (4) inches square in diameter, is firmly planted in the ground, and it pro-
jects not less than three (3) feet above the surface of the ground. Thence from said last
follows: Commencing at the southerly center and monument which is situated 500 feet in a southerly direction from the discovery monument; running thence in a westerly direction 300 feet to the westerly corner monument; thence in a northerly direction 1500 feet to the northwest corner monument; thence in a westerly direction 300 feet to the north center and monument; thence continuing in a westerly direction 300 feet to the northeast corner monument; thence in a southerly direction 1500 feet to the southeast corner monument; thence in a westerly direction 300 feet to the said southerly center and stake, the place of beginning.

All the monuments aforesaid are marked upon the side facing toward the discovery with the name of the claim and the corner or end center which each of said monuments represents, and all of said monuments are at least four inches in diameter and at least four feet high above the ground.

Discovered on the 1st day of December A D 1904
Located on the 1st day of December A D 1904

John Rusk

"Porto Rico and Cuba"

State of Oregon

County of Baker

I, John Rusk, being first duly sworn, on oath deposes and says:

That I performed the annual assessment work required by the laws of the United States and State of Oregon for the year 1904, upon the Porto Rico and Cuba quartz mining claims, situate near the Midway mine, in the Cracker Creek district, Baker County, Oregon.

That said work consisted of two shafts on the Porto Rico, one about 10 feet long, twelve feet wide and eight feet deep, and one eight feet long, seven feet wide, and six feet deep.

That said work consisted of an open cut on the Cuba claim, forty-five feet long, six feet wide, and about seven feet deep, for the purpose of prospecting the vein in each instance.

That said work was done and performed between the 27th day of September 1904, and the 10th day of November 1904.

That said work was performed at the instance and request of Geiser-Hendryx Investment Company, the equitable owners of said claims under and by virtue of a lease and bond thereon from Bert Rusk and D. Grant, the owners of said claim, and was paid for by said Geiser-Hendryx Investment Company.

Michael Mahony,

State of Oregon

County of Baker

I, Michael Mahony, of lawful age and being first duly sworn, do deprecate and
say that at least $300.00 in labor and improvements were made upon the Friday, Gold Bug
and Kearns quartz claims during the year ending December 31, 1904, situated in the organized Mining District in Baker County, Oregon and about ten miles east of Baker City and
three miles north from the White Swan.

Said labor and improvements were done and made as for the annual assessment for
the year 1904 and was done for and at the expense of George McCarty, W. H. Watt and this
affiant Mike Mahony.

Said work was done in the main shaft of the Friday and was done as and for
annual assessment on each and all of said claims and such work was done for the develop-
ment and did so develop and tend to open up and explore each and all of said claims.

I, J. F. McCoy, being first duly sworn on oath say that I did the assessment
work on the Montana quartz claim for the year 1904.

That the said claim belongs to the Bourne Gold Mining Company and is situated
in the Granger Creek Mining District, in Baker County, State of Oregon.

That the said work has been fully done. That it consists of drift run on the
ledge for a distance of 13 feet and has been done in accordance with the laws of the
United States and the State of Oregon.

TO ALL TO WHOM IT MAY CONCERN: Notice is hereby given that I, James Dumphy, a citizen of the United States, over the age of twenty-one years, has on this 30th day of November 1904, discovered a vein or lode of mineral bearing rock in place bearing gold, silver and other precious and valuable metals and minerals within the limits of the claim herein located, which he has this day and in accordance with the Revised Statutes of the United States, Chapter 6, Title 32, named The Defender Quartz Mining Claim.

That the general strike of this vein or lode is northeasterly and southeasterly and that I claim Twenty-five (25) linear feet easterly and Four Hundred and Seventy-five (475) linear feet westerly of the point of discovery at which this notice is posted, together with Three Hundred (300) feet on each side of the center of said vein.

That said claim is located in the Rock Creek Mining District, in Baker County, State of Oregon, the discovery monument being placed Twenty-five (25) feet westerly from the east end center stake and Four Hundred and Seventy-five (475) feet easterly from the west end center stake, and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinafter mentioned, and is more particularly described by boundaries as follows, to wit:

Commencing at the point of discovery at which this notice is posted, the same being about Twenty-Six Hundred and Seventy-five (2675) feet in a westerly direction from the mouth of the Highland cross-cut tunnel; thence running easterly Twenty-five (25) feet to east end center stake; thence northerly three hundred (300) feet to northeast corner stake; thence westerly Fifteen Hundred (1500) feet to northwest corner stake; thence southerly Three Hundred (300) feet to west end center stake; thence southerly Three Hundred (300) feet to southwest corner stake; thence easterly Fifteen Hundred (1500) feet to southeast corner stake; thence northerly Three Hundred (300) feet to east end center stake, or place of beginning. This claim adjoins the Reliance Claim on the west.

The boundaries of this claim are identical with the boundaries of the original location of said Defender, located August 17, 1903, and recorded Book 9, pages 565-56, in Quartz Locations of said Baker County.

And I intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the State of Oregon.

Dated on the ground the 30th day of November 1904.

TO ALL WHOM IT MAY CONCERN: Notice is hereby given that J P Shelton, citizen of the United States, over the age of twenty-one years, has on this 30th day of November, 1904, discovered a vein or lode of mineral bearing rock and place bearing gold, silver and other precious and valuable metals and minerals within the limits of the claim hereby located, which has this day and in accordance with the Revised Statutes of the United States, Chapter 6, Title 32, named the Reliance Quartz Mining Claim.

That the general strike or course of this vein or lode is northeast and southwest, and that I claim Fifty (50) linear feet westerly and Fourteen Hundred and Fifty (1450) linear feet easterly of the point of discovery at which this notice is posted, together with Three Hundred (300) feet on each side of the center of said vein.

That said claim is located in the Rock Creek Mining District in Baker County, State of Oregon, the discovery monument being placed Fifty (50) feet easterly from the west end center stake and Fourteen Hundred and Fifty (1450) feet westerly from east end center stake, and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinafter mentioned, and is more particularly described by boundaries as follows, to-wit:

Commencing at the point of discovery at which this notice is posted, the same being about Twenty-six Hundred (2600) feet in a westerly direction from the mouth of the highland cross-cut tunnel; thence running westerly Fifty (50) feet to the west end center stake; thence northerly Three Hundred (300) feet to the northeast corner; thence easterly Fifteen hundred feet (1500) to the northeast corner; thence southerly Three Hundred (300) feet to the east end center stake; thence southerly Three Hundred (300) feet to the southeast corner; thence westerly Fifteen hundred (1500) feet to southwest corner; thence northerly Three Hundred (300) feet to the west end center stake, the place of beginning. This claim adjoins the Highland No 1 on the west and the Defender claim on the east.

The boundaries of this claim are identical with the boundaries of the first location of said Reliance Claim, located August 25, 1903, and recorded Book V, pages 592-3 Quartz Records of said Baker County.

And I intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the State of Oregon.

Dated on the ground the 30th day of November 1904.

NOTICE OF AMENDED LOCATION

Notice is hereby given that I, T S Kennerly, a citizen of the United States, over the age of twenty-one years, hereby make an amended location of the "Gold King" quartz claim, certifying as follows:

That a vein or lode of rock in Place bearing gold, silver and other minerals of value, was discovered within the limits of said claim, by C M Johnson on the 14th day of July 1902 (1902) and that said claim was located by said C M Johnson on the 14th day of July 1902 and a copy of said notice of location was recorded with the office of County Recorder in Baker County, Oregon, in Vol T Page of 231 Mining Records on Sept 8th 1902.

That the name given to said claim by said original location was the "Gold King" quartz claim and such is the name given to it by this amended location and there was claimed 1500 feet along the northeast side of the Zelda Quartz Claim, with surface ground 500 feet wide at the northwest end and joining in irregular shape, with the prior locations, on the northeast side and southeast side.

That there is claimed by this amended location, a fractional claim and is marked on the ground and is particularly described as follows:

Beginning at corner No 1 which is identical with the SE Cor of the Mineral Survey of the Zelda quartz Claim and running thence N 34° 39' W 1500 feet to Cor No 2 and the NE Cor of the survey of the Zelda; thence N 46° 15' E 300 feet to NW Center post and 595 feet to corner No 3; thence south 22° 33' W 846.54 ft to corner No 4; thence S 46° 15' W 223.7 ft to Cor No 5; thence S 16° 15' E 657.3 ft to Cor No 1 place of beginning.

That this amended location is made for the purpose of more particularly describing said lode claim and designating the exterior boundaries of the same, and is made without waiver of any of the rights acquired under the said original location.

Dated and posted on the ground in the unorganized Greenhorn District in Grant County, Oregon, this 1st day of January 1905.

To whom it may Concern: This is to certify that the undersigned Citizens of the United States, have discovered a vein or mineral bearing rock in place and have located 1500 ft along this lode by 600 ft in width. The name of which is the "Mammoth" mining claim and is situated in Baker County, Oregon, and extends 775 ft northerly and 725 ft southerly this Notice and Discovery. This claim joins the south end line of the Tip Top and the west side line of the "Champion" mining claims. The former locators of this ground have failed to do their assessment work for the years 1903 and 1904 and it was open for location prior to this location of the undersigned.

The boundaries of this claim are as follows: Commencing at this discovery notice and running 775 ft northerly to northerly end center stake; thence 300 ft easterly to north east corner stake; thence 1500 ft southerly to southeast corner stake; thence 300 ft westerly to southerly and center stake; thence 300 ft westerly to southwest corner stake; thence 1500 ft northerly to northwest corner stake; thence 300 ft easterly to northerly end center stake; thence to starting point. We intend to hold and work this claim according to the United States and local laws. We also claim all abandoned ground within these lines and stakes.

Located November 11th 1904

George T Simpson
H B Thomson
C E Simpson Locators:

I, C E Simpson, do solemnly swear that I am a citizen of the United States and over the age of twenty one and am one of the locators of the claim and that an open out at least ten ft long six feet deep and four feet wide has been dug on this claim at the discovery notice since the date of this location.

Before me the subscriber personally appeared W B McDougall, who being duly sworn say that at least $3500.00 worth of labor or improvements were performed or made upon the following described group of mineral claims situated in an organized mining district, Baker County, State of Oregon. Said group of claims is known and recorded as the McDougall Group of mineral claims and is particularly described as being down Snake River about 2 1/2 miles below Wallards Landing, and said group is bounded on the east by Snake River, the above group is named as follows:

Copper King, Copper King Extension, Copper Queen, Eureka, Miners Exchange, Anaconda, Proof, Union, Golden West, Golden Wedge, Harvest, Queen, Anchorage, Victoria, Portland, Alice B, Last Chance, Leonard, Duck Out, Gray Eagle, Apex, Dunbarton, Pig Tree, Clyde, Kelvin, Nancy, S Highland Lassie, Caladonia, Alta Viola, Ida Rosebud, Old Scottie, Mary A, New Era, Golden Rule, Jumper, Rawhide, making a total of 35 quartz mining locations. The above expenditure was made during the year 1904 at the expense of W B McDougall the owner for the purpose of doing the annual assessment work on said group of claims which was
done according to the laws of the United States and the State of Oregon

L J Hazelwood

"Pioneer"

To all whom it may concern notice is hereby given that the undersigned, L J Hazelwood, citizen of the United States, over the age of twenty-one years has on this 2nd day of January, 1905 discovered a vein or ledge of mineral bearing rock in place, bearing gold, silver and other precious and valuable metals and minerals within the limits of the claim hereby located, which I have this day and in accordance with the Revised Statutes of the United States, Chapter 6, Title 32, named The Pioneer Quartz Mining Claim.

That the general strike or course of this vein or ledge is easterly and westerly and that I claim 1500 linear feet westerly and 0 linear feet easterly of the point of discovery at which this notice is posted, together with 300 feet on each side of the center of said vein.

That said claim is located in no organized Mining District, in Baker County, State of Oregon, the discovery monument being placed on the east and line and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinafter mentioned, and is more particularly described by boundaries as follows, to wit:

Commencing at the point of discovery at which this notice is posted; thence 300 feet northerly to stake marked northwest corner; thence 1500 feet westerly to stake marked northwest corner; thence 300 feet southerly to stake marked west and center; thence 300 feet southerly to stake marked southwest corner; thence 1500 feet easterly to stake marked southeast corner; thence 300 feet northerly to place of beginning which is adjacent to west center of Gold Hill patent survey.

And I intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the State of Oregon.

Dated on the ground the 2nd day of January, 1905

L J Hazelwood, Locater

State of Oregon

County of Baker

L J Hazelwood being first duly sworn, say that I am the locater of the mining claim described in the within notice of the Pioneer Quartz Mining Claim, and that the foregoing notice is a full, true and correct copy of the original notice of location posted on said claim.

That I did between the 2nd day of January 1905 and the 5th day of January 1905 perform the discovery or location work required by the statutes of the State of Oregon on said claim by a cross cut which cuts the ledge at a depth of ten feet in length along the ledge and that said work was done on said claim within sixty days from the date of discovery thereof, and that said work was done with the exercise of the skill and care of a miner of experience.

Notice is hereby given that I, Peter Smith a citizen of the United States of America, have discovered a vein or lode of mineral bearing rock in place, upon which, at the point of discovery, I have posted this notice. In accordance with the laws of the United States and of the State of Oregon, I hereby claim fifteen hundred linear feet of said vein or lode, measured thereon as hereinafter set forth. The general course or strike of this vein or lode is northeast & southwest. I claim in length thereon 1500 feet and 600 feet in width from the point of discovery at which this notice is posted, and 300 feet on each side of the center of said lode or vein. Said lode or vein is situated 3/4 mile from Bourne in the next mining district, in the County of Baker, State of Oregon, and said point of discovery at which this notice is posted is about 3/4 mile northeasterly from the town of Bourne, and I have defined the boundaries of said claim so that they can be readily traced. It shall be known as the Last Chance Lode, and this claim shall be known as the Last Chance lode claim. Said discovery was made 24th day of Dec 1904. Said claim is bounded and described as follows:

Beginning at discovery; thence 750 feet to south end stake; thence 300 feet west to southwest corner; thence 1500 feet north to northwest corner; thence 750 ft east to north center stake; thence 300 feet east to northeast corner; thence 1500 feet south to southeast corner; thence 300 feet to south center stake.

TO WHOM IT MAY CONCERN: Notice is hereby given, that I, E. O'Hara, being a citizen of the United States of America, conforming to the mining laws thereof, and of the State of Oregon and the local rules, regulations and customs of miners, has located and by this notice do locate claim known as the Second National Lode or Mining Claim herein claimed to be discovered the 25th of November 1904 and do claim 1500 hundred linear feet on this lead, lode or vein bearing mineral in place, by 500 hundred feet in width, the same being 300 hundred feet on each side of the center thereof, together with all dips, spurs and angles, and all other veins or ledges the top or apex of which lie within said boundaries

Situate in cracker Mining District, County of Baker State of Oregon, said location being described and marked on the ground as follows, to wit: Beginning southwest corner post No 1; thence 300 feet in a easterly course the south center and post No 2; thence 300 feet in easterly course to southeast corner post No 3; thence 1500 feet northerly course to N E corner post No 4; thence 300 feet westerly course to N center and post No 5; thence 300 feet westerly course to W W corner post No 6; thence 1500 feet to place of beginning, and described as follows. Bounded on the west by the Blue Bird claim and on the south by the Peaks peak claim No 1 and No 2 and on the NW by the gold coin group of claims and about one mile NE of county road at mouth of Wind Creek and about 2 miles south of Bourne.

And I intend to hold and work said claim in accordance with the local customs and rules of Miners and Mining Laws of the United States and of the State of Oregon.

Dated on the ground the 25th day of November 1904

Discovered 1904, located 1904

E. O'Hara

R. W. Henry, Recorder
TO ALL WHOM IT MAY CONCERN: Notice is hereby given that I, the undersigned, being a citizen of the United States, over the age of twenty-one years, have on this 25th day of November 1904 discovered a vein or lode of mineral bearing rock in place, bearing gold, silver and other precious and valuable metals and minerals within the limits of the claim hereby located, which I have this day and in accordance with the Revised Statutes of the United States, Chapter 6, Title 25, named the Blue Bird quartz mining claim. That the general strike or course of this vein or lode is southerly and northerly and that I claim 1500 linear feet, 600 feet in width with 300 feet on each side of the center of said vein.

That said claim is located in the Cracker Mining District, in Baker County, State of Oregon, the discovery monument being placed 20 feet from discovery and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinafter mentioned, and is more particularly described by boundaries as follows, to-wit:

Commencing at the point of discovery at which this notice is posted; thence 300 feet in a westerly course to corner post No. 1; thence 1500 feet in a northerly course to corner post No. 2; thence 300 feet in a westerly course to center end post No. 5; thence 300 feet in a westerly course to corner post No. 6; thence 1500 feet southerly to corner post No. 1; thence easterly 300 feet to center end post No. 2; bounded on the east by the Pikes Peak No. 2 claim, on the north by said claim, and about 2 miles south of Boursa.

And intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the State of Oregon.

Dated on the ground the 25th day of November 1904
Located November 25, 1904

E. O'Harra, Locator

Witness:

D. A. Burkhardt

KNOW ALL MEN BY THESE PRESENTS, That the undersigned, Citizens of the United States, have this 9th day of January 1905 claimed by right of location, a tunnel for the purpose of discovering and working veins, lodes or deposits on the line thereof, cutting the Homestead Wonder, Roosevelt, Summit, and Clipper lodes, and working the Homestead Wonder, Roosevelt, Poorman, Banner, Clipper Summit, Legal Tender, New England, Rand, Union, and Snake River Monarch lodes. Said tunnel claim is situated in the Iron Dyke Mining District Baker Co. OR. Said tunnel claim has been expended by the subscribers, the sum of ($300) Three Hundred Dollars, in making three open cuts, and driving forty one feet of tunnel, 6 feet high and four feet wide. It is our intention to hold and prosecute work on said tunnel claim with reasonable diligence for the purpose herein described. And the location and bounds of said tunnel are staked on the surface at the point of commencement and termination thereof, as well as along the line thereof, and are particularly described as follows: Beginning at face of tunnel; thence going NW 600 ft to monument of stone; thence NW 600 feet to monument of stone; thence NW 600 feet to monument of stone; thence NW 600 feet to monument of stone; thence NW 600 feet to monument of stone, and terminal of tunnel, making over all 3,000 linear feet from face to terminal of tunnel. Said tunnel is situated on the east side of the first gulch, north from the town of Homestead. The face of tunnel is distant from mouth of Homestead Creek, about 1500 feet northwest and from nearest point on Snake River 800 feet west.

"Ida"

TO ALL WHOM IT MAY CONCERN: Notice is hereby given that we, the undersigned citizens of the United States, over the age of twenty-one years, have on this tenth day of January 1905 discovered a vein or lode of mineral bearing rock in place, bearing gold, silver and other precious and valuable metals and minerals within the limits of the claim hereby located, which I have this day and in accordance with the Revised Statutes of the United States, Chapter 6, Title 32, named the Ida Quartz Mining Claim.

That the general strike or course of this vein or lode is northeast and southwest, and that said claim is 500 linear feet west and 1200 linear feet east of the point at discovery at which this notice is posted, together with 300 feet on each side of the center of said vein. That said claim is located in the Grizzana Creek Mining District, in Baker County State of Oregon, the discovery monument being placed at entrance of tunnel, and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinafter mentioned, and is more particularly described by boundaries as follows, to wit:

Commencing at the point of discovery at which this notice is posted, thence running about 1200 feet in an easterly direction to the west end of the Orisana quartz claim and 300 feet in a westerly direction to the east end of the Fre Coinage quartz claim.

And we intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the State of Oregon.

Dated on the ground the tenth day of January 1905
Discovered tenth Jan 1905 Fred Knuth, Locator
Located tenth Jan 1905 U K Madras, Locator

State of Oregon

County of Baker

I, Fred Knuth, being first duly sworn, say that I am one of the locators of the mining claim described in the within notice of the "Ida" Quartz Mining Claim, and that the foregoing notice is a full, true and correct copy of the original notice of location posted on said claim.

Th I did between the 10th day of Jan 1905 and the 23rd day of Jan 1905, perform the discovery or location work required by the statutes of the State of Oregon on said claim by excavating a tunnel, a distance of seven feet in length, five feet wide and seven feet high. And that said work was done on said claim within sixty days from the date of discovery thereof, and by said work there was disclosed a lode or vein of mineral deposit in place.

R W Henry, recorder
TO ALL WHOM IT MAY CONCERN, NOTICE IS HEREBY GIVEN THAT I, John J. Stemff, citizen of the United States, over the age of twenty-one years, have on this 20th day of January 1905 discovered a vein or lode of mineral bearing rock in place, bearing gold, silver and other precious and valuable metals and minerals within the limits of the claim hereby located, which I have this day and in accordance with the Revised Statutes of the United States, Chapter 6, Title 32 named The Gold Bug quartz mining claim.

That the general strike or course of this vein or lode is easterly and westerly and that I claim 300 linear feet easterly and 1200 linear feet westerly of the point at discovery at which this notice is posted together with 300 feet on each side of the center of said vein.

That said claim is located in the unorganized mining district, in Baker County, State of Oregon, the discovery monument being placed 300 feet westerly from the east and line and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinafter mentioned, and is more particularly described by boundaries as follows, to wit:

Commencing at the point of discovery at which this notice is posted, thence 300 feet easterly to post No. 1 E; thence 300 feet south to stake No. 2 S E; thence 1500 feet west to stake No. 3 W; thence 300 feet north to stake No. 4 N E; thence 300 feet north to stake No. 5 N W; thence 1500 feet east to stake No. 6 E; thence 300 feet south to point of beginning. Said claim lies on the northwest side of Wind Creek about one and a quarter miles east of Bourne. And intersects with the Hammer claim on the West.

And I intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the State of Oregon.

Dated on the ground the 20th day of January 1905
Discovered January 20 1905
Located January 26 1905

Claim of Forfeiture

E E Hauser vs A P Jones &
John T English

State of Oregon
County of Baker

I, E E Hauser, being first duly sworn, say that I am the E E Hauser who caused to be published in the Sumpter Miner, which is a weekly newspaper published in Sumpter, Baker County, Oregon, and which is the newspaper published nearest to the mining claims hereinafter mentioned, a notice of forfeiture of the interests of A P Jones and John T English, in and to the following described quartz or lode mining claims, situated in the Cracker Creek (unorganized) mining district, in the County of Baker, State of Oregon, to wit:— The Astoria quartz mining claim, and the Bond quartz claim, said mining claims being more particularly described in the location notices thereof of record in the office of the Recorder of Conveyances of said Baker County, Oregon.

The notice of forfeiture above named was published from the 27th day of July, 1903, to the 26th day of October, 1903, both dates inclusive, in said Sumpter Miner weekly newspaper, and was published in accordance with Section 2324 of the Revised Statutes of the United States, and was a notice called upon the said A P Jones to pay to me on or before ninety days from the date of the last publication of said notice, the sum of One Hundred Dollars, as and for his, the said A P Jones' proportionate share of the assessment work or annual labor performed by me on the said Astoria quartz mining claim for the years 1900, 1901, 1902 and 1903, A D the said A P Jones than owing an undivided one fourth interest in said mining claim.

Said notice was also a notice to the said John T English to pay to me on or before the expiration of said period of ninety days, the sum of One Hundred Dollars, as and for his, the said John T English's, proportionate share of the cost of
the annual labor or assessment work on said Astoria claim for said years 1900, 1901, 1902 and 1903, the said English then owing an undivided one fourth interest in said mining claim.

Said notice was also a notice to the said John T English to pay to me on or before the expiration of said period of ninety days, the sum of One Hundred Dollars, as and for his, the said John T English's, proportionate amount of the cost of the annual labor or assessment work performed by me on the said Boni quartz mining claims for the years A D 1900, 1901, 1902, and 1903.

That more than ninety days have expired since the last newspaper publication of said notice, as shown by the affidavit of J W Cornella, publisher of said Sumpter Miner newspaper, filed for record with the Recorder of Conveyances of said Baker County, State of Oregon.

That no part of any sum demanded of either the said A P Jones or John T English in said notice, and required to be paid, in order that they or either of them might retain their respective interests in said mining claims, has been paid.

That by reason of the failure of the said A P Jones and John T English and each of them, to pay or cause to be paid, their proportionate share of the cost of the annual assessment work or labor on said Astoria and Boni Mining Claims, for said years 1900, 1901, 1902, and 1903, the entire interests of the said A P Jones and John T English in each of said mining claims has been forfeited to me and I am now the owner absolutely of both of said mining claims, subject only to the paramount title of the United States.

E E Hauser

Subscribed and sworn to before me this 6th day of February, 1905.

R W Henry, Recorder
Notice of Forfeiture.

Sumpter, Baker County, Oregon,
July 21, 1904.

To A P Jones and John T English:

You and each of you are hereby notified that I have expended during the years 1900, 1901, 1902, and 1903, the sum of Eight Hundred Dollars in labor and improvements upon the Astoria and Bond quartz mining claims, situated in what is commonly known as the Cracker Creek (unorganized) mining district in the county of Baker, State of Oregon, and being situated on Little Cracker Creek, adjoining the Sampson mine and about two and one-half miles northerly from the town of Bourne in Baker County Oregon, in order to hold said claims under the Revised Statutes of the United States, and amendments thereto concerning annual labor upon mining claims, being the amount required to hold said claims for the years ending respectively December 31st, 1900, December 31st, 1901, December 31st, 1902, and December 31st, 1903.

And you, A P Jones, are hereby notified that if within ninety days from personal service of this notice upon you, or within ninety days from the publication thereof, you fail to contribute your proportionate share of such expenditure as a co-owner, which amounts to one hundred dollars, or twenty-five dollars for each of the years 1900, 1901, 1902, and 1903 from annual labor upon the said Astoria mining claim, your interest in said claim, which is a one-fourth interest, will become the property of the undersigned, E E Hauser, your co-owner, who has expended on said Astoria claim for each of the years 1900, 1901, 1902 and 1903, the sum of one hundred dollars or a total of four hundred dollars.

And you, John T English, are hereby notified that if within ninety days from personal service of this notice upon you, or within ninety days from the publication thereof, you fail to contribute your proportionate share of such expenditure of four hundred dollars on said Astoria claim, as a co-owner, which amounts to one hundred dollars, or twenty-five dollars for each of the years 1900, 1901, 1902 and 1903, for annual labor on said Astoria claim, your interest in said claim, which amounts to a one-fourth interest, will become the property of your co-owner, the undersigned, E E Hauser, who has made said expenditure of four hundred dollars on said Astoria claim, or one hundred dollars for each of the years 1900, 1901, 1902 and 1903.

And you John T English are hereby further notified that if, within ninety days from personal service of this notice upon you, or within ninety days from the publication thereof, you fail to contribute your proportionate share of the sum of four hundred dollars expended by the said E E Hauser on said Bond claim, or one hundred dollars for each of the years 1900, 1901, 1902 and 1903, your interest in said Bond claim which amounts to a one-half interest, and which proportionate amount of said expenditure of four hundred dollars amounts to two hundred dollars, will become the property of your co-owner the said E E Hauser, who has made said expenditure of four hundred dollars on said Bond claim or one hundred dollars for each of the years 1900, 1901, 1902 and 1903, all by the terms of said statutes.

Notice of Forfeiture

Sumpter, Baker County, Ore., July 29, 1904.

To Otto Unzicker, Menno Unzicker, J B Burns, R L Coleman, R S Cates, Allisme Case, John
Arthur and J F Drisman:

You and each of you are hereby notified that I have expended during the year 1903,
the sum of one hundred dollars in labor and improvements on each of the following described
quartz mining claims situated in the Cable Cove mining district, in Grant and Baker counties,
to-wit: The Rob Roy, the Sunset, and the Snow Shoe, situated in Grant County, Oregon, and
the Black Dwarf and Midnight, situated in Baker County, Oregon, the location notice of said
Rob Roy quartz mining claim being recorded at page 183 of Volume 3 of the public records
of mining claim location notices of said Grant County, the Sunset claim location notice
being recorded at page 183 of said Volume 3 of said records, and the Snow Shoe claim loca-
tion notice being recorded at page 184 of volume 3 of said records, the location notice of said
Black Dwarf claim being recorded at page 189 of volume 3 of the public records of
quartz mining claim location notices of said Baker County, Oregon, and the location
notice of said Midnight claim being recorded at page 191 of said volume 3 of said records
of Baker County.

And you, the above named Otto Unzicker, Menno Unzicker, J B Burns, R L Coleman,
R S Cates, Allisme Case, John Arthur and J F Drisman, are hereby notified that if within
90 days from the date of the personal service of this notice upon you, or within ninety
days from the publication thereof, you fail to contribute your proportionate share of such
expenditures, which amounts to sixty-six and two-thirds dollars for each of the following
named claims, to-wit: the Sunset, the Snow Shoe, the Black Dwarf, and the Midnight,
and the sum of seventy seven and seven ninths dollars for said Rob Roy claim, your interest
in said Sunset, Snow Shoe, Black Dwarf and Midnight claims, which amounts to a two-thirds
interest in each of said claims, and your interest in said Rob Roy claim, which amounts to
a seven-ninths interest, will become the property of your co-owner, Robert O Denning, who
has made the expenditure of one hundred dollars on each of the above named five claims,
during the year, 1903, for the purpose of holding said claims for the year ending December 31, 1903, in accordance with section 2324 of the Revised Statutes of the United States.

T P Wagner et al

"Old Buck"

TO ALL WHOM IT MAY CONCERN, Notice is hereby given that we, T P Wagner, Dan Jaeg and George Hasleton citizens of the United States, over the age of twenty-one years, have on this 1st day of January 1905, discovered a vein or lode of mineral bearing rock in place bearing gold, silver and other precious and valuable metals and minerals within the limits of the claim hereby located, which has this day and in accordance with the Revised Statutes of the United States, Chapter 6, Title 32, named The Old Buck Quartz Mining Claim.

That the general strike or course of this vein or lode is northerly and southerly and that we claim 900 linear feet southerly and 600 linear feet northerly of the point of discovery at which this notice is posted, together with 300 feet on each side of the center of said vein.

That said claim is located in the no Mining District, in Baker County, State of Oregon the discovery monument being placed 22 feet N from discovery and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinafter mentioned, and in more particularly described by boundaries as follows, to-wit:

Commencing at the point of discovery at which this notice is posted, thence 600 feet...
N to W center end stake; thence E 300 ft to NE corner post; thence 1500 ft southerly to SE corner post; thence 300 ft W to S center stake; thence W 300 ft to SW corner stake; thence 1500 ft northerly to NW corner stake; thence E 300 ft to N center stake about 1 1/4 mile NE of Gold Center, north of Grant Road.

And we intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the State of Oregon.

Dated on the ground the 15th day of January 1905

"Gold Dollar"

NOTICE OF SECOND AMENDED LOCATION OF THE GOLD DOLLAR QUARTZ CLAIM.

Notice is hereby given that I, the undersigned, being the regularly appointed
attorney in fact of the EASTERN OREGON MINING COMPANY, a corporation, and acting for and in
behalf of said corporation, do herewith amend the location notice of the GOLD DOLLAR
QUARTZ CLAIM, situated in an organized mining district in Baker County, State of Oregon,
to read as follows:

Commencing at the post marked corner #1 of the Gold Dollar Quartz Claim N S
#424, which post is identical with corner #2 of the Villard Quartz Claim, M S #267:

First course running N 67° 50' W 600 feet, on and identical with the south and line
of the Villard quartz claim to a post marked corner #2 of the Gold Dollar Quartz Claim
M S #424, this post being identical with corner #3 of the Villard Quartz Claim, M S #267,

Thence second course along and identical with the west side line of the More or
Les Quantum Claim, N S #298, S 23° 50' W a distance of 1401 feet, to a post marked corner
#3A of this amended Gold Dollar Quartz Claim, which post is identical with corner #4 of the
More or Less Quartz Claim, N S #298, also identical with corner #3 of the Williams Quartz
Claim N S #182A.

Thence third course S 67° 50' E and parallel with the north end line of this
amended location of the Gold Dollar Quartz Claim, a distance of 590 feet, to the point of
intersection with the west side line of the More or Less Quartz Claim M S #298, said point
of intersection being marked corner #4A of the amended location of the Gold Dollar Quartz
Claim, from which post #4A; corner #1 of the More or Less Quartz Claim bears south 23° 50' W,
a distance of 122.2 feet.

Thence fourth course, N 25° 50' E for a distance of 1271.8 feet on and along the east side line of the More or Less Quartz Claim, M S #303, to corner #4 of the Gold Dollar Quartz Claim, M S #424, which corner is identical with corner #2 of the More or Less Quartz Claim M S #303.

Thence fifth course, N 25° 30' E 129.0 feet to the place of beginning.

That said Gold Dollar Quartz Claim, a triangular fraction lying between the north end line of M S #303 More or Less Quartz Claim, and the south end line of M S #267-Villard Quartz Claim was originally located by C E Tabler, and recorded in book of quartz locations Vol "L" page #93, and quit claim deeded to the Eastern Oregon Mining Company on Nov 23rd 1892, record of which was inscribed on page #254, book #28 of deeds of Baker County records on Dec 3rd 1892; furthermore that an amended location notice for said Gold Quartz Claim was made on May 26th 1901 for the sake of securing parallel end lines and extralateral rights within such parallel end lines, as recorded in book of quartz Vol "M" page #476, June 8th 1901, Baker County Records; that on July 6th said amended location of May 26th 1901, was surveyed for patent as mineral survey #424.

That it is the intention and purpose of this present second amended location of the Gold Dollar Quartz Claim to secure the benefit of further extralateral rights by pursuing the south end line of the second amended location of the Gold Dollar Quartz Claim 1271.8 feet farther south than in the amended location of May 26th 1901.

That under this second amended location notice the same surface ground is claimed and no more than in the original location notice of C E Tabler, and the amended location notice of Emil Melzer under date of May 26th 1901.

That under this present second amended location notice additional extralateral rights are claimed, all of which are embraced between the end lines of this second amended location of the Gold Dollar Quartz Claim, such end lines being on the north, the line identical with south end line of the Villard Quartz Claim M S #267, and on the south line parallel with the above and located through the southwest corner of the More or Less Quartz Claim M S #303.

That, furthermore, any extralateral rights, covered by this second amended location notice of the Gold Dollar Quartz Claim, as far as they conflict with the extralateral rights granted by the United States Government by and through the patent for the More or Less Quartz Claim M S #303, are hereby expressly waived and excepted.

Dated this 14th day of February 1903.

By Emil Melzer, Attorney in Fact for the Eastern Oregon Mining Company, a Corporation

County of Labette

I, R O Deming, being first duly sworn, say that I am the R O Deming who caused to be published in the Sumpter Miner, which is a weekly newspaper published in Sumpter, Baker County, Oregon, and which newspaper is the newspaper published nearest the mining claims hereinafter mentioned, a notice of forfeiture of the interests of Otto Unzicker, Hennie Unzicker, J R Burns, R L Coleman, R S Gates, Allene Case, John Arthur and J F Crisman in and to the following mentioned claims, to wit:- The Rob Roy, the Sunset, and the Snow Shoe, situated in Grant County, State of Oregon, and the Black Dwarf and Midnight, situated in Baker County, State of Oregon, all of said mining claims being situated in what is commonly known as the Cable Cove mining district and all of said claims being lode or quartz claims, and being more particularly described in said notice of forfeiture in the proof of publication thereof made by J W Connella, the publisher of said Sumpter Miner newspaper.

That the notice of forfeiture above named was a notice of forfeiture of the interests of the individuals above named by reason of their failure to pay any part of the cost of the annual labor or assessment work which was done on each of said claims by the said R O Deming, in the year A D 1903, as and for such annual labor or assessment work for said year.
That said publication was made in said newspaper for a period of ninety days, to wit, from the 3rd day of August, 1903, to the 2nd day of November 1903, both dates inclusive.

That personal service of said notice was had on the above named Otto Unmiker in Chicago, Cook County, Illinois, September 27th 1903, by the sheriff of said County and State, and on the above named Memo Unmiker, at Baker City, County of Baker, State of Oregon, on the 3rd day of November 1903, by the sheriff of Baker County, Oregon.

That more than ninety days have expired since the last publication of said notice in said newspaper, and since personal service thereof was had upon either the said Otto Unmiker or Memo Unmiker.

That no part of any sum demanded of or required to be paid by the said Otto Unmiker, Memo Unmiker, J R Burns, R L Coleman, R S Gates, Alliene Case, John Arthur or J P Grisman, or any of them, as their, or either of their proportion of the cost of said annual labor for said year 1903, on any of said claims has been paid.

That by reason of the failure of the individuals and each of them above named to pay any part of the cost of said annual labor for said year 1903, the said Otto Unmiker, Memo Unmiker, J R Burns, R L Coleman, R S Gates, Alliene Case, John Arthur and J P Grisman, and each of them, have forfeited to me, as their co-owner in each and all of the mining claims above mentioned, each and all of their right, title and interest in or to each and all of said claims, or any part thereof, and I am now the owner of the whole interest in and to each and all of said mining claims, absolutely, subject only the paramount title of the United States.

That the interest forfeited to me by the above named individuals consists of a two thirds interest in the said Show Shoe, Black Dwarf, Sunset and Midnight claims and seven ninths interest in said Rob Roy claim.

That during the year 1903, I performed not less than one hundred dollars worth of labor and improvements on each of the five mining claims above mentioned, as and for the annual assessment work thereon for said year 1903, at my own expense, the proportionate amount to be paid by the above named individuals being sixty six and two thirds dollars for each of said claims excepting for said Rob Roy claim and for said Rob claim the proportionate amount so to be paid being seventy seven and seven ninths dollars.

R O Dearing

Subscribed and sworn to before me this 11th day of February 1905.

"Lynn"

NOTICE IS HEREBY GIVEN to all whom it may concern that I the undersigned Citizen of the United States over the age of twenty one years having discovered a vein of quartz or rock in place bearing gold have this day under and in accordance with the Revised Statutes of the United States Chapter six, Title thirty two located 1500 linear feet of this vein with surface ground 300 feet in width situated about one mile southeast of Geiser, Baker County State of Oregon and known as the "Lynn" quartz mining claim extending 1700 feet from east to west and 300 feet on each side of centre line which is marked by two square posts, the exterior boundaries of this claim being distinctly marked by four square posts.

Dated on the ground this first day of January 1905.

Witness:
Louis Everettsbusch
State of Oregon
County of Baker

I, Louis Everettsbusch being first duly sworn say that I performed the discovery of location work required by the statutes of the State of Oregon on the Lynn quartz mining claim described in the within notice and by said work there was disclosed a lode or vein of mineral deposit in place.

Louis Everettsbusch

Above work made by sinking a shaft ten feet deep, six feet long and four feet wide.

Subscribed and sworn to before me this 21st day of February 1905.

Notarial Seal
Geo A Carter, Notary Public for Oregon

R W Henry, Recorder
TO ALL MEN IT MAY CONCERN notice is hereby given that I, the undersigned citizen of the United States, over the age of twenty-one years, have on this first day of January 1905 discovered a vein or lode of mineral bearing rock in place, bearing gold, silver and other precious and valuable metals and minerals within the limits of the claim hereby located, which I have this day and in accordance with the Revised Statutes of the United States, Chapter 6, Title 32, named the Red Fox III quartz mining claim.

That the general strike or course of this vein or lode is northerly and southerly and that I claim 1450 linear feet in a northerly direction of the point at discovery at which this notice is posted, together with 550 feet on east side and 50 feet on west side of the center of said vein.

That said claim is located in the Greenhorn mining district, in Baker County, State of Oregon, the discovery monument being placed 75 feet northerly from south end line about three miles southeast of Greenhorn City and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinafter mentioned, and is more particularly described by boundaries as follows to-wit:

Commencing at the point of discovery at which this notice is posted; thence 1425 feet northerly to northeast corner post; thence easterly 600 feet to northeast corner post; thence 1500 feet to S E corner post; thence westerly 600 feet to the S W corner post; thence northerly 75 feet to the place of beginning.

And I intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the State of Oregon.

Dated on the ground the first day of January 1905.

Witnesses:

Georg Marslin

State of Oregon

TO WHOM IT MAY CONCERN: Notice is hereby given that the undersigned, a
citizen of the United States of America, conforming to the mining laws thereof, and
of the State of Oregon and local rules, regulations and customs of miners, have locat-
ed and by this notice do locate claim known as the Oregon Lode or Mining Claim, said
claim being discovered the 2 day of Jan 1905 and do claim 1500 hundred linear feet on
this lead, lode or vein bearing mineral in place, by six hundred feet in width, the
same being three hundred feet on each side of the center thereof, together with all dip
dips, spurs and angles, and all other veins or lodes the top of the apex of which
lie within said boundaries.

Situate in Sparta Mining District, County of Baker, State of Oregon, said
location being described and marked on the ground as follows, to-wit:

From the discovery stake 300 ft west to the west end center stake
north 300 ft to the NW Cor stake east 1500 ft to the NE Cor stake south 300 ft to the
east end center stake south 300 ft to the SE Cor stake west 1500 ft to the SW
Cor stake north 300 ft to west end center stake.

This claim is situated about 2 1/2 miles from the town of Sparta S E joins
the claims of Ed Thompson on the east end and on the west end the Pennsylvania and
Ohio with Blue Gulch on the south side line.

And I intend to hold and work said claim in accordance with the local cus-
toms and rules of Miners and the Mining Laws of the United States and of the State
of Oregon.

Dated on the ground this 2 day of January 1905.
Discovered Jan 2 1905  Located Jan 2 1905

Wm Henry, Recorder
TO ALL WHOM IT MAY CONCERN: Notice is hereby given that P O Bucknum a citizen of the United States, over the age of twenty-one years has on this 16th day of January, 1905 discovered a vein or lode of mineral bearing rock in place, bearing gold, silver and other precious and valuable metals and minerals within the limits of the claim hereby located, which he has this day and in accordance with the revised Statutes of the United States, Chapter 6, Title 32, named The Golden Drift quartz mining claim.

That the general strike or course of this vein or lode is easterly and westerly and that he claims 400 linear feet westerly and 1000 linear feet easterly of the point of discovery at which this notice is posted, together with 300 feet on each side of the center of said vein. That said claim is located in the Mining District in Baker County, State of Oregon, the discovery monument being placed 400 feet easterly from west end center stake and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinafter mentioned, and is more particularly described by boundaries as follows, to wit:

Commencing at the point of discovery at which this notice is posted, which is 1826 feet south and 100 feet east of the section corner common to sections 27, 28, 21 and 22 in Tp 10 South Range 35 E W M, running thence 400 feet more or less, westerly to the west end center stake on the east line of the Copper Butte quartz mining claim; thence 300 feet southerly along said east line of said Copper Butte claim to the southwest corner stake; thence 1400 feet easterly to the southeast corner stake on the west line of the Copper Butte quartz mining claim; thence 300 feet northerly along said Copper Reef west line to the east end center stake; thence 500 feet northerly to the northeast corner stake; thence 1400 feet westerly to the northwest corner stake on the east line of the Copper Butte quartz mining claim; thence 300 feet southerly along said line to the west end center stake of said Golden Drift claim.

And I intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the State of Oregon. Dated on the ground the 16th day of January 1905. Discovered November 1904. Located January 16 1905.

P O Bucknum, Locater

State of Oregon

County of Baker

I, P O Bucknum being first duly sworn, say that I am the locater of the Mining Claim described in the within notice of the Golden Drift quartz Mining Claim and that the foregoing notice is a full, true and correct copy of the original notice of location posted on said claim.

That I did between the 25th day of January 1905 and the 20th day of February 1905 perform the discovery or location work required by the statutes of the State of Oregon on said claim by running an open cut on the lode on said claim which cut is ten feet long, four feet wide and six feet deep, and that said work was done on said claim within sixty days from the date of discovery thereof, and by said work there was disclosed a lode of mineral deposit in place.

P O Bucknum

R W Henry, Recorder
NOTICE IS HEREBY GIVEN, that we, J O Jacobson and Albert Loy, citizens of the United States, have on this 10 day of March 1905 discovered and located a vein of mineral bearing rock in place, carrying gold and silver which vein we have named Queen.

That the course of this vein is easterly and westerly and that we claim 1500 linear feet by 600 feet at the discovery monument on which this notice is posted, and that we claim 300 feet on each side of the center of vein.

That said claim is located in unknown Mining District, Baker County, Oregon, the discovery monument being placed 400 feet west from easterly center and stake and is bounded and described as follows, to-wit:

Commencing at the discovery monument, thence 400 ft E to center stake No 1; thence 300 ft S to corner stake No 2; thence 1500 ft W to corner stake No 3; thence 300 ft N to center stake No 4; thence 300 ft N to corner stake No 5; thence 1500 ft E to corner stake No 6; thence 300 ft S to center stake No 1, the said claim is situated at head water of North Powder about 1 mile north from Deschutes.

Dated 10 March 1905.

J O Jacobson, Locator
Albert Loy, Locator

State of Oregon
County of Baker

We, J O Jacobson and Albert Loy being first duly sworn, on oath, deposing and saying that we are the original locators of the claim described in the within notice of location of the Queen mining claim, and that said notice is a full, true and correct copy of the original notice of location posted on said claim.

That we did, between the 10th day of March 1905 and the 27th day of March 1905, perform the discovery work required by the statutes of the State of Oregon, on said claim by open cut four feet by ten feet by six feet and said work was done on said claim within sixty days from the date of location thereof, and there was thereby disclosed a lode or vein of mineral deposit in place.

J O Jacobson
Albert Loy

Subscribed and sworn to before me this 28th day of March 1905.

R W Henry, Recorder
TO ALL WHOM IT MAY CONCERN: Notice is hereby given that I, F T Gilsen, a citizen of the United States over the age of twenty-one years, on this 5th day of April, 1905, discovered a vein or lode of mineral-bearing rock in place, bearing gold, silver, and other precious and valuable metals and minerals within the limits of the claim hereby located, which I have this day and in accordance with the Revised Statutes of the United States, Chapter 6, Title 32, named the Bald Eagle Quartz Mining Claim.

That the general strike or course of this vein or lode is northeasterly and southwesterly, and that I claim 800 linear feet southwesterly of the point of discovery at which this notice is posted, together with 300 feet on each side of the center of said vein.

That said claim is located in the Cracker Creek Mining District, in Baker County, State of Oregon, the discovery monument being placed at north-east center and stake and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinafter mentioned, and is more particularly described by boundaries as follows, to wit:

Commencing at the point of discovery at which this notice is posted, thence running 800 feet in a southwesterly direction to southwest center and stake and running parallel with the south line quartz claim and situated on silver creek, about one half mile above Hanover and duly marked by posts at each corner and at center ends.

And I intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States of the State of Oregon.

Dated on the ground 5th day of April, 1905

Discovered 5th April, 1905. F T Gilsen, Locator

State of Oregon
County of Baker.

I, Fred Knuth, being first duly sworn, say that I am an agent of the locator of the mining claim described in the within notice of the said Bald Eagle Quartz Mining Claim, and that the foregoing notice is a full, true and correct copy of the original notice of location posted on said claim.

That I did between the 5th day of April, 1905, and the 30th day of April, 1905, perform the discovery work required by the statutes of the State of Oregon on said claim by running a tunnel on the ledge or vein on said mining claim which tunnel cuts said ledge or vein at a depth of fourteen feet and that said work was done on said claim within sixty days from the date of discovery thereof, and by said work there was disclosed a lode or vein of mineral deposit in place.

Huntington Ore, Jan 19, 1903.

To W J Patterson, administrator of the estate of Joseph Howard, deceased, and to all heirs of said Joseph Howard, deceased; to Martin Ryan and to all heirs of said Martin Ryan, known and unknown, and to Charles Bennett:

You and each of you are hereby notified that I have expended during the years 1899, 1900, 1901, and 1902, Four Hundred Dollars ($400.00) in labor and improvements upon each of the following quartz lode mining claims: Golden Gate, McKinley and Sound Money situate in Pedro Mountain Mining District, County of Baker, State of Oregon, the location certificates of which respective foregoing named mining claims are found of record: Golden Gate in Book K page 315; McKinley, Book K page 316; Sound Money, book K page 314, of quartz locations in the office of the Clerk and Recorder of said county in order to hold said claims under the provisions of Section 2324 of the Revised Statutes of the United States and the amendment thereto, approved January 22nd 1893, concerning annual labor upon said mining claims, being the amount required to hold said lodes for the said four years, ending on the 31st day of December, 1902; that said $400 was expended upon said claims to protect the same as aforesaid for four years; that during the year 1902 the subscriber and co-owner in and to said foregoing named mining claims expended the sum of One Hundred Dollars ($100.00) upon each of the foregoing described mining claims in work, labor and improvements thereon during said year of 1902, as the annual labor thereon as required by the foregoing numbered section of the United States Statutes and the amendment thereto, for the use and benefit and protection of the interests of all said co-owners hereof.

You and each of you will therefore take notice that within ninety days from the personal service of this notice, or within ninety days after the publication thereof, you or either of you fail or refuse to contribute your proportion of such expenditure as a co-owner, your interests in the said foregoing described claims will become the property of the subscriber, your co-owner, who has made the above and foregoing required expenditure by the terms of said section and the amendment thereto, to the United States Statutes.

T J Hilt,  
Subscriber and Co-owner

I, C A Walker, do solemnly swear that I am the foreman of the Huntington Herald, a newspaper published every Saturday at Huntington, Baker County, Oregon, and that the annexed Notice of Forfeiture was published in every issue in the regular edition, and not a supplement thereof, for a period of twelve consecutive weeks, the first publication being on the 28th day of January 1903, and the last publication on the 18th day of April, 1903.

R W Henry, Recorder
TO ALL WHOM IT MAY CONCERN Notice is hereby given that Joseph Connaughton and Otto Simons citizens of the United States, over the age of twenty-one years, have on this 9th day of March 1905 discovered a vein or lode of mineral bearing rock in place, bearing gold, silver, and other precious and valuable metals and minerals within the limits of the claim hereinafter described, which we have this day placed in accordance with the Revised Statutes of the United States, Chapter 5, Title 32, named The Colorado No 3 quartz Mining claim.

That the general strike or course of this vein or lode is northeast and southwest, and that we claim 110 linear feet N E and 700 linear feet S W of the point of discovery at this notice is posted, together with 300 feet on each side of the dam of said vein.

That said claim is located in the Cable Slope Mining District, in Baker County, State of Oregon, the discovery monument being placed 100 feet S W from N East end line, and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinafter mentioned, and is more particularly described by boundaries as follows:

Commencing at the point of discovery at which this notice is posted, thence 100 feet N East to center and stake, thence 300 feet to the N East corner of the claim, thence 300 feet to the S East corner, thence 600 feet to the S West corner, thence 300 feet to the N West corner, thence 300 feet to southwest center and stake. This claim joins the Colorado No 2 on the S East.

And we intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the State of Oregon.

Dated on the ground the 5th day of March 1905.

Discovered March 8th 1905.

Located March 8th 1905.

Otto Simons, Locater
Joseph Connaughton, Locater

State of Oregon

County of Baker

I, Otto Simons being first duly sworn say I am one of the original locators of the Mining Claim described in the within notice of the Colorado No 3 quartz Mining Claim, and that the foregoing notice is a full, true and correct copy of the original notice of location posted on said claim.

That if the said claim between the 8th day of March 1905 and the 1st day of May 1905 perform the discovery or location work required by the statutes of the State of Oregon on the said claim by running an open cut ten feet long, six feet wide cutting the ledge at a depth of fourteen feet (said open cut being the commencement of a tunnel) and that said work was done on said claim within sixty days from the date of discovery thereof, and by said work there was disclosed a lode or vein of mineral deposit in place.

Otto Simons

Subscribed and sworn to before me this 4th day of May 1905.

NOTICE HEREBY GIVEN that I, the undersigned, Florence Rezz of Bumna, Oregon citizen of the United States, have on this sixth day of March 1905 discovered and located a vein of mineral bearing rock in place, carrying gold which vein I have named the "Highland Chief No 1."

That the course of this vein is northeasterly and southwesterly and that I claim fifteen hundred feet 1200 ft northeast and 300 ft southwest of the discovery monument on which this notice is posted, and that I claim three hundred feet on each side of the center of the vein.

That said claim is located in no organized Mining District in Baker County, Oregon, the discovery monument being placed 300 three hundred feet northeast from southwest end center stake and is bounded and described as follows, to wit:

Commencing at the discovery monument thence 300 ft southeast to southwest end center stake; thence 300 ft south to southwest corner; thence 1500 ft northeast to southeast corner stake; thence 300 ft north to northeast end center stake; thence 300 ft north to northeast corner stake; thence southwest 1500 ft to northeast corner; thence 300 ft south to southwest end center stake.

This claim has been known as the Golden Rezz No 1 located by Henry Wesley of Bumna Ore and in default of the annual assessment work I have relocated it and named it the Highland Chief No 1.

Dated March sixth 1905

Florence Rezz  Locator
Fred H Link  Locator

NOTICE IS HEREBY GIVEN TO ALL WHOM IT MAY CONCERN, that Fred Caviness & James Morris, citizens of the United States, over the age of twenty-one years, having discovered a vein or lode of quartz or rock in place, bearing gold within the limits of the claim hereby located, and have this day under and in accordance with the Revised Statutes of the United States, chapter six, title thirty-two, located 1500 linear feet of this vein or lode, with surface ground 300 feet in width situated in the organized Mining District County of Baker State of Ore and known as the Pocahontas Bell No 2 Quartz Mining Claim, extending 750 ft south & 300 ft north from this notice at the discovery or prospect shaft, which is 750 ft from south and line the exterior boundaries of this claim being distinctly marked by reference to some natural object or permanent monument, and are particularly described as follows, to-wit: Commencing at the discovery shaft thence 750 ft south to south center and thence 300 ft west thence 1500 ft north thence 300 ft east to north center and thence 750 ft east thence 750 ft north to angle post thence 225 ft east thence 750 ft south thence 300 ft west to south center and.

The discovery shaft is 60 ft northwest of the southwest corner of the west 1/2 of the SE 1/4 of the SW 1/4 of Sec 5 T 9 S R 39 E W.M.

And we intend to work and hold said claim as provided by local customs and rules of Miners and Mining Statutes of the United States.

Dated on the ground this 13 day of April 1905,

Fred Caviness, locator
James Morris, locator

State of Oregon
County of Baker

I, James Morris, do solemnly swear that I am a citizen of the United States of America. That I am acquainted with the Quartz Claim described in the within notice of location called the Pocahontas Bell No 2 Quartz Claim. That the location of said claim has prior to the date of this affidavit and since the date of posting of the location notice thereon, sunk a shaft ten feet in depth from the lowest part of the collar thereof;

James Morris

Subscribed and sworn to before me this 24 day of May 1905.

R W Henry, Recorder
TO ALL WHOM IT MAY CONCERN: Notice is hereby given that I, Titus Davies, a citizen of the United States, over the age of twenty-one years, have on this 27th day of March 1905 discovered a vein of mineral bearing rock in place bearing gold, silver and other precious and valuable metals and minerals within the limits of the claim hereby located, which I have this day and in accordance with the Revised Statutes of the United States, Chapter 6, Title 32, named The Thomas Quartz Mining Claim.

That the general strike or course of this vein or lode is east and west and that I claim 750 linear feet east and 750 linear feet west of the point of discovery at which this notice is posted, together with 300 feet on each side of the center of said vein.

That said claim is located in the Baker County of Oregon, the discovery monument being placed 750 feet east from the west center and stake, and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinafter mentioned, and is more particularly described by boundaries as follows, to wit:

Commencing at the point of discovery at which this notice is posted, thence east 750 feet to east center and stake; thence south 300 ft to southeast corner stake; thence westerly 1500 feet to southwest corner; thence north 300 feet to west center and stake; thence north 300 feet to northeast corner; thence east 1500 feet to northeast corner stake; thence south 300 feet to east center and stake. This claim lies north of the McPherson quartz mining claim and is situated on the McNally's Fork of the Powder River, about 7 miles northwest of Baker, Oregon.

And I intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the State of Oregon.

Dated on the ground the 27th day of March 1905.

Discovered March 27th 1905
Located on March 27th 1905

Titus Davies, Locater

State of Oregon
County of Baker

I, Titus Davies being first duly sworn say that I am the original locator of the Mining Claim described in the within notice of the Thomas Quartz Mining Claim, and that the foregoing notice is a full, true and correct copy of the original notice of location posted on said claim.

That I did between the 27th day of March 1905 and the 21st day of May 1905 perform the discovery or location work required by the statutes of the State of Oregon on said claim by running an open cut (beginning of tunnel) on the ledge of said claim which cuts said ledge at a depth of ten feet and that said work was done on said claim within sixty days from the date of discovery thereof and by said work there was disclosed a lode or vein of mineral deposit in place.

Titus Davies

Subscribed and sworn to before me this 23rd day of May 1905.

R W Henry, Recorder
TO ALL TO WHOM IT MAY CONCERN, Notice is hereby given that I, Titus Davies, a citizen of the United States, over the age of twenty-one years, have on this 27th day of March 1905 discovered a vein or lode of mineral-bearing rock in place, bearing gold, silver and other precious and valuable metals and minerals within the limits of the claim hereby located, which I have this day and in accordance with the Revised Statutes of the United States, Chapter 6, Title 32, names the Sterling Quartz Mining Claim.

That the general strike or course of this vein or lode is east and west and that I claim 1150 linear feet easterly and 350 linear feet westerly of the point of discovery at which this notice is posted, together with 300 feet on each side of the center of said vein.

That said claim is located in no organized Mining District, in Baker County, State of Oregon, the discovery monument being placed 350 feet east from west center and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinbefore mentioned, and is more particularly described by boundaries as follows, to wit:

Commencing at the point of discovery at which this notice is posted, thence 350 westerly to west center and stake; thence 300 feet southerly to southwest corner stake; thence 1500 feet easterly to southeast corner; thence 300 feet northwesterly to east center and stake; thence 300 feet northerly to northwest corner stake; thence 1500 feet westerly to northwest corner; thence 300 feet southerly to said west end center stake.

This claim lies immediately north of the Empire Quartz mining claim, and is located about 6 or 7 miles from Sugarloaf, Oregon, on McCall's Fork of the Powder River.

And I, Titus Davies, do hereby claim and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the State of Oregon.

Dated on the 27th day of March 1905.

Discovered March 27th 1905

Commencing at this notice and stake runnning westerly 300 ft to northwest corner stake, thence southerly 1500 ft to southwest corner stake, thence 300 ft E to south center and stake, thence 300 ft east to southeast corner stake, thence 1500 ft northerly to northeast corner stake, thence 300 westerly to place of beginning, and discovery shaft. Situated on the divide between Little and Big Salmon Creek and extending across the first named the nearest mining location being the Gold Era which it adjoins on the south.

And we intend to work and hold said claim as provided by local customs and rules of the Miners and Mining Statutes of the United States.

Dated on the ground this 24th day of April 1905.

O.F. Lyon
Geo H. Foster
B. Kimansion
John G. Foster, Locators

State of Oregon
County of Baker

I, John G. Foster, do solemnly swear that I am a citizen of the United States of America (or have declared my intention to become such) that I am acquainted with the quartz claim described in the within notice of location called the Little Daisy quartz Mining Claim. That the locators or said claim has prior to the date of this affidavit and since the date of posting of the notice of location, sunk a shaft ten feet deep from the lowest part of the collar thereof, excavated a cut or cross cut or tunnel which cuts the lode at a depth of ten feet, or has excavated an open cut six feet deep four feet wide and ten feet in length along the lode.

John G. Foster

Subscribed and sworn to before me this 13th day of June 1905.

R.W. Higley, Recorder
TO ALL TO Whom IT May Concern Notice is hereby given that I, Guy Harris, a citizen of the United States, over the age of twenty-one years, have on the 12th day of April 1905 discovered a vein or lode of mineral bearing rock in place bearing gold, silver, and other precious and valuable metals and minerals within the limits of the claim hereby located, which I have this day and in accordance with the Revised Statutes of the United States, Chapter Six, Title 32, named The Columbia Quarts Mining Claim.

That the general strike or course of this vein or lode is easterly and westerly and that I claim 650 lineal feet easterly and 850 lineal feet westerly of the point of discovery at which this notice is posted, together with 300 feet on each side of the center of said vein.

That said claim is located in the non-organized mining district, in Baker County, State of Oregon, the discovery monument being placed 30 feet from this notice and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinafter mentioned, and is more particularly described by boundaries as follows, to wit:

Commencing at the point of discovery at which this notice is posted, thence 650 feet to east center end stake, thence 300 feet to southeast corner stake thence 1500 to southeast corner stake, thence 600 feet to northwest corner stake, thence 1500 feet to northeast corner stake, thence 300 feet to place of beginning.

Located at the mouth of Small Creek

And I, in order to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the State of Oregon.

Dated on the ground the 12th day of April 1905

Discovered 12th of April 1905.

Located 12 April 1905

Witness: Fred Smith

Guy Harris, Locator

State of Oregon

County of Baker

I, Guy Harris, being first duly sworn say that I am the locator of the Mining Claim described in the within notice of the Columbia Quarts Mining Claim, and that the foregoing notice is a full and correct copy of the original notice of location posted on said claim.

That I did between the 12th day of April 1905 and the 10th day of May 1905 perform the discovery or location work required by the statutes of the State of Oregon on said claim by doing the work prescribed by the Oregon statutes and that said work was done on said claim within sixty days from the date of discovery thereof, and by said work there was disclosed a lode or vein of mineral deposit in place.

Guy Harris

Subscribed and sworn to before me this 12th day of June 1905.

M Stampher

TO ALL WHOM IT MAY CONCERN, notice is hereby given that I, M Stampher citizen of the
United States over the age of twenty one years have on this 5th day of May 1905 discovered a
vein or lode of mineral bearing rock in place bearing gold silver and other precious and
valuable metals and minerals within the limits of the claim hereby located, which I have this
day and in accordance with the Revised Statutes of the United States, Chapter 6 Title 32
named The Eva Fraction quartz Mining Claim.

That the general strike or course of this vein or lode is easterly and westerly and
that I claim Twelve Hundred linear feet on this vein or lode and six hundred linear feet in
width of the point of discovery at which this notice is posted together with three hundred
feet on each side of the center of said vein.

That said claim is located in the no organized Mining District in Baker County
State of Oregon, the discovery monument being placed six hundred feet more or less westerly
from end line and six hundred feet more or less easterly from end line and said claim is now
particularly described and located by means of the natural objects and monuments heretofore mentioned, and more particularly described by boundaries as follows to wit:

Commencing at the point of discovery at which this notice is posted, thence
westerly to west center end stake; thence three hundred (300) feet northerly N W Cor; thence
twelve hundred (1200) feet easterly NE Cor; thence three hundred (300) feet southerly to east
and center stake; thence three hundred (300) feet southerly to S E Cor; thence twelve hundred
westerly to S W Cor; thence three hundred (300) feet northerly to west center and stake;
thence six hundred feet westerly to place of beginning. At the head of Rock Creek about half
mile of Sorne group of claims on west end of Johnson Group.

And I intend to hold and work said claim in accordance with the local rules and
customs of miners and mining laws of the United States and of the State of Oregon.

Emmanuel Hocking  Atlantic

TO ALL WHOM IT MAY CONCERN Notice is hereby given that I, Emmanuel Hocking
citizen of the United States, over the age of twenty-one years, have on this 7th day of
June 1905 discovered a vein or lode of mineral bearing rock in place, bearing gold
silver and other precious and valuable metals and minerals within the limits of the claim
hereby located, which I have this day and in accordance with the Revised Statutes of the
United States, Chapter 6, Title 32, named The Atlantic Quartz Mining Claim.

That the general strike or course of this vein or lode is northeast and southwest and that I claim 1400 linear feet south and 100 linear feet north of the point at
discovery at which this notice is posted, together with 300 feet on each side of the center
or said vein.

That said claim is located in the Cable Cove Mining District, in Baker County
State of Oregon, the discovery monument being placed 100 feet north from the discovery and
said claim is more particularly described and located by means of the natural objects and
permanent monuments hereinafter mentioned, and is more particularly described by boundaries
as follows to wit:

Commencing at the point of discovery at which this notice is posted, thence 100
feet north thence 300 feet west then 1500 feet south; thence 500 feet east; thence
500 feet north; thence 300 feet west to north center stake; this claim joins on the
west the Colorado No 1, on the north the Gold Bug.

And I intend to hold and work said claim in accordance with the local rules and
customs of miners and mining laws of the United States and of the State of Oregon.

A L Longstreth et al

NOTICE IS HEREBY GIVEN TO ALL WHOM IT MAY CONCERN, that we the undersigned citizens of the United States, over the age of twenty-one years have discovered a vein or lode of quartz, or rock in place, bearing gold within the limits of the claim hereby located, and have this day under and in accordance with the Revised Statutes of the United States, chapter 5, title thirty-two, located 1500 linear feet of this vein or lode, with surface ground 500 feet in width situated in Mining District County of Baker State of Oregon, and known as the Grand Central Quartz Mining Claim extending 5 feet in a northerly direction on said vein and 1495 feet in a southerly direction on said vein from this notice at the discovery or prospecting, the exterior boundaries of this claim being distinctly marked by good substantial stakes so the lines may be readily traced as required by law. The said Grand Central Mine is situated between Deer Gap and Pine Creek and about 3/4 miles northerly from the Summit of Mormon Basin.

And we intend to work and hold said claim as provided by local customs and rules of Miners and Mining Statutes of the United States.

Dated on the ground this 26th day of May 1905.

A L Longstreth 1/4 Locater
John W Clark 1/4 Locater
J D Voss 1/4
Rosa Voss 1/4

State of Oregon

County of Baker

I, A L Longstreth do solemnly swear that I am a citizen of the United States of America (or have declared my intention to become such) that I am acquainted with the quartz claim described in the within notice of location called the Grand Central Quartz Claim. That the locator of said claim has prior to the date of this affidavit and since the date of posting of the location notice thereon, has excavated an open cut six feet deep four feet wide and ten feet in length along the lode.

A L Longstreth

Subscribed and sworn to before me this 11th day of July 1905.

TO ALL WHOM IT MAY CONCERN Notice is hereby given that we Gus Anderson and W. C. Correll citizens of the United States over the age of twenty-one years, have on this 10th day of June 1905 discovered a vein or lode of mineral bearing rock in place bearing gold, silver and other precious and valuable metals and minerals within the limits of the claim hereby located, which we have this day and in accordance with the Revised Statutes of the United States, Chapter 6, Title 32, named The Owl Quartz Mining Claim.

That the general strike or course of this vein or lode is northeasterly and southwesterly and that we claim 900 linear feet northeasterly and 600 linear feet southwesterly of the point of discovery at which this notice is posted, together with 300 feet on each side of the center of said vein.

This claim is located in the unorganized mining district in Baker County, State of Oregon, the discovery monument being placed 600 feet northeasterly from the boundary of the Hidden Treasure and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinbefore mentioned, and is more particularly described by boundaries as follows, to wit:

Commencing at the point of discovery at which this notice is posted, thence west to southwest center stake 200 ft, thence 300 ft S E to S E corner stake, thence 1500 ft N E to N E corner stake, thence 600 ft W to N W corner stake, thence 1500 ft S W to S W corner stake, thence 300 feet S E to S W and center stake place of beginning.

This claim being situated at the head of Sall Borden Sulfur about one mile south of Borden.

And we intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the State of Oregon.

Dated on the ground the 10th day of June 1905.

W R Folles

NOTICE IS HEREBY GIVEN TO ALL WHOM IT MAY CONCERN, That I, W R Folles, Citizen of the
United States, over the age of twenty one years, have discovered a vein or lode of quartz or rock
in place bearing gold silver & copper within the limits of the claim hereby located, and have
this day under and in accordance with the Revised Statutes of the United States, Chapter Six,
Title Thirty Two located 1500 linear feet of this vein or lode, with surface ground 500 feet in
width situated in County of Baker State of Oregon, and known as the Never Sweat No 3 Quartz
Mining Claim extending 1475 feet N 47° 40' E to S W center end and 25 feet S 47° 40' W to S W
center end from this notice at the discovery or prospect shaft, the exterior boundaries of this
claim being distinctly marked by reference to some natural object or permanent monument, and more
particularly described as follows to wit:

Beginning at the SW center end, thence W 47° 40' N 300 feet to S W corner, thence N 47°
40' E 1500 feet to N W corner, thence E 47° 40' S 300 feet to N W center end, thence E 47° 40'
S 300 feet to N E center end, thence E 47° 40' S 300 feet to N E corner, thence S 47° 40' W
1500 feet to S E corner, thence W 47° 40' N 300 feet to S W center end and the place of beginning
this boundary survey.

This claim is about 3/4 of mile S W from Ballard's Ferry and is between Ballard Creek and
Hall Creek and is bounded on the NE end by the Never Sweat No 4 and on the SE side by Never
Sweat No 1 and this notice and the location stake are 3/4 of mile NW of the mouth Hall Creek ad
and 25 feet mouth of said Creek. And I intend to work and hold said claim as provided by local
customs and rules of Miners and Mining Statutes of the United States.

Claim: all leads the top or apex of which I lie inside my line and all mineral inside
my boundaries.

Dated on the ground this 27th day of July 1905.

Geo W Henry, Recorder
KNOW ALL MEN BY THESE PRESENTS, That I, E F Ballard the undersigned citizen of the United States, over the age of twenty-one years, having complied with all the requirements of the laws of the United States and the State of Oregon relating to mining claims, and with the local laws, customs, rules and regulations hereby make and file this amended location of the Ferry Lode, claiming by right of discovery location, primal appropriation and possession 1500 feet linear and horizontal measurement, on this vein or lode of quartz or other rock in place, bearing gold, silver and copper and other valuable minerals along the course of said vein, with all dips, variations and angles, the same being 1200 feet S 50° 23' W direction from the discovery stake and 300 feet N 50° 23' E direction therefrom, together with 300 feet in width on each side of the middle of said vein at the surface, and all veins, lodes, ledges, mineral deposits, mineral and surface ground within the lines of said claim.

Situate in the County of Baker, State of Oregon and more particularly described as follows to wit: Beginning at the N E corner and thence 300 feet S 39° 37' E to No 1 corner, thence 1500 feet S 50° 23' W to No 2 corner, thence 300 feet S 39° 37' W to SW corner and thence 300 feet N 39° 37' W to No 3 corner, thence 1500 feet N 50° 23' E to the No 4 corner, thence 300 feet S 39° 37' E to the N E corner and the places beginning this boundary survey.

This claim is about 1/2 mile N W of Ballard Landing and the location notice and stake are on the side of the mountain 100 feet south of Ballard Creek and about 600 feet a little west of S from the N W corner of Ballard's Ranch and this claim is bounded on the N W side by the Ferry Companion mining claim.

This Amended Location is made in conformity with the original location made March 26th, 1899 recorded May 6th, 1899 in Book 6 Page 321 of Quota Locations in the office of the Recorder of Union County, and it is made for the purpose of appropriating all ground within the boundaries hereinbefore described, and more definitely describing the situation and boundaries of said lode, correcting any irregularities, informalities or errors, and supplying any defects which may exist in the original location or the record thereof, hereunto being no rights acquired under and by virtue of said original location, and to give the field notes of said claim according to preliminary survey.

Date of original discovery March 26th, 1899
Date of Amended Location July 29th, 1905
Attest: W. R. Pollis
E. F. Ballard

State of Oregon
County of Baker

I, E. F. Ballard do solemnly swear that I am a citizen of the United States of America (or have declared my intention to become such) and that I am acquainted with the mining ground described in this notice of location, and herewith called the Ferry Lode, lode or claim; that the ground and claim therein described or any part thereof has not to the best of my knowledge and belief been located according to the laws of the United States and of this State as mentioned in the within notice, or if so located, that the same has been abandoned or forfeited by reason of the failure of such former locators to comply in respect thereto with requirements of said laws and (in case of quartz claims) that I have opened up new ground to the extent or depth of ten feet as required by the laws of the State of Oregon.

Filed for record Aug 5, 1905 at 11:15 A.M.
Notice is hereby given that I, E. P. Ballard, the undersigned being qualified and having complied with all the laws in regard to locating mining claims, hereby make and file this amended location of the Perry Companion lode, claiming my right of discovery location, primal appropriation and possession, 1500 feet linear and horizontal measurement on this vein or lode of quartz or other rock in place bearing gold silver and copper along the course of said vein with all dips, variations and angles, the same being 1400 feet S 50° 30' W from the discovery stake and 100 feet N 50° 30' E therefrom, together with 200 feet in width on each side of the middle of said vein at the surface and all veins, lodes, ledges, mineral deposits and surface ground within the lines of said claim.

This claim is situated in the eastern part of Baker County and is on Ballard Creek about 3/8 mile from Ballards Ferry and the location stake. This notice is given by the undersigned with the intent of locating a mining claim and is about 700 feet W from the N.W. corner of Ballard's Ranch and is 600 feet N W from the mouth of No one tunnel of the Perry claim and the claim is bounded on the S.E. side by the Perry Mining Claim, and is more particularly described as follows: Beginning at the N.E. corner of the claim, thence 300 feet S 32° 50' E to corner No. one, thence 1500 feet S 50° 23' E to corner No. two, which is 10 ft. S of a big Poppy Bolder, thence N 32° 50' W to S.E. corner, thence N 32° 50' W to corner No. three, thence 1500 feet N 50° 23' E to corner No. four, thence S 32° 50' E 300 feet to their E. center and the place of beginning this boundary survey.

This amended location is made in conformity with the original location which was made on March 18, 1903, recorded April 25th, 1903, in Book V, Page 290 of the Recorder's office in the State of Oregon. It is made to give the full details of said claim according to the preliminary survey and for the purpose of appropriating all ground within the boundaries heretofore described and more definitely describing the situation and boundaries of said lode, correcting any irregularities or omissions or supplying any defects which may have existed in the original location or the record thereof hereof, hereby waiving no rights acquired under and by virtue of said original location.

Date of original location March 18th, 1903.
Date of amended location July 29th, 1905.

E. P. Ballard

Witnesses,

W. W. Moore.

Recorder
NOTICE IS HEREBY GIVEN, That J. W. Kochensparger, a citizen of the United States, has on this 3rd day of June 1905, discovered and located a vein of mineral bearing rock in place, carrying gold, silver which vein I have named the Jackass Fraction.

That the course of this vein is easterly and westerly and that I claim 300 feet westerly and one hundred feet easterly of the discovery monument on which this notice is posted, and that I claim three hundred feet on each side of the center of the vein.

That said claim is located in no organized Mining District, Baker County, Oregon, the discovery monument being placed feet from and is bounded as follows, to wit:

Comencing at the discovery monument, thence three hundred feet easterly to east center end stake, thence 300 ft northerly to northeast corner stake, thence 400 feet westerly to northwest corner stake, thence 300 ft southerly to west center end stake, thence 300 feet southerly to southwest corner stake, thence 400 ft easterly to southeast corner stake, thence 300 ft northerly to east center end stake, thence back to place of discovery.

The claim is located on the divide between Lardine Creek and Rock Creek and adjoins the Overlin to the west and the Thomas Allen to the east.

Dated June 3rd 1905.

J. W. Kochensparger, Locator

Attest: D. B. Robinson

State of Oregon
County of Baker

I, J. W. Kochensparger being first duly sworn, on oath, deposes and says, that I am the locator of the claim described in the within notice of location of the Jackass Fraction mining claim and that said notice is a full, true and correct copy of the original notice of location posted on said claim.

That I did, between the 3rd day of June 1905 and the 1st day of July 1905 perform the discovery work required by the statutes of the State of Oregon, on said claim by sinking a shaft 5 feet by 5 feet 10 feet deep and said work was done on said claim within sixty days from the date of location thereof, and there was thereby disclosed a ledge or vein of mineral deposit in place.

J. W. Kochensparger

Subscribed and sworn to before me this 31st day of July 1905.

An amended quartz claim
Notice of quartz location.
Located this 29 day of May A.D. 1905.
Oregon State, Medical Springs Mining District.

Notice is hereby given that the undersigned, a citizen of the United States, over the age of twenty-one years having complied with the requirements of Chapter six, of title thirty-two, of the revised statutes of the United States, and the laws of the above State, and the local customs and regulations of said District, have located and do hereby locate thirteen hundred and twenty linear feet on the Golden Star quartz lode situated in Baker County in the above State and Mining District, and further described as follows:

Commencing at a post marked discovery at the S W corner, thence 300 feet in a westerly direction to a center and post marked S Center and thence 300 feet in a easterly direction to a corner post marked S East Cor, thence 1320 feet in a northerly direction to a corner post marked N East corner thence 300 feet in a westerly direction to a center and post marked N Center post, thence 300 feet in a westerly direction to a corner post marked N W Corner, thence 1320 feet to a place of beginning, intending to claim thirteen hundred linear feet in length and six hundred feet in width for the purpose of mining the same, claiming all surface rights, privileges and minerals and other rights granted by existing laws and customs. This claim is named The Golden Star and the strike or course thereof is northerly and southerly direction. This notice is placed at discovery shaft from which the north or south center post center and is distant 50 feet and the north center end is distant 1270 feet. This claim is located on vacant forty which lies between P M Price's place and joins Hall's place on the south. It will be also noticed by a small bunch of brush which is about 250 feet above the location tunnel.

The Citizens Consolidated Gold Mining Co

KNOW ALL MEN BY THESE PRESENTS: That the Citizens Consolidated Gold Mining Co, a corporation existing under the laws of State of Colorado, does hereby make and file this our amended location upon the Little Emma Quartz Mining Claim situated in Cracker Creek as organized mining district Baker County Oregon, claiming three hundred feet in width on each side of center of said lode at the surface and all veins, lodes, and ledges within lines of said claim with their dips, variations, and angles, eleven hundred feet on said lode running northerly and four hundred feet running southerly from the discovery monument at which this notice is posted. Said quartz mining claim is bounded and described as follows, to wit:

Commencing at the discovery monument thence 300 feet southerly to south end center post, thence 300 feet easterly to S E corner post, thence 1500 feet northerly to N E corner post, thence 300 feet westerly to N W corner post, thence 1500 feet southerly to S W corner post, thence 300 feet easterly to south end center post or place of beginning. Said claim is located about 1500 feet from the road to Sumpter on the north side of Powder River and joins the Gold Coin No 2 quartz Mining Claim on the west and Gold Coin No 4 quartz mining claim on the east.

The general strike or course of this vein or lode is N Easterly and S Easterly.

This amended location is made in conformity with the original location made on July 8th, 1902 and recorded Aug 21st, 1902 in Book T page 179 of Quartz Mining locations in the office of the Recorder of said Baker County Oregon, being the same originally located by J M Doyle and acquired by said Citizens Consolidated Gold Mining Co by purchase, and it is made for the purpose of appropriating all ground within the boundaries herein before described and more definitely describing the situation and boundaries of said lode, correcting any irregularities or errors applying omissions and correcting any defects which may have existed in the original location, or records thereof, hereby waiving no rights acquired under or by virtue of said original location.

Date of original discovery April 1st 1902
Date of amended location Aug 11th, 1905

TO ALL WHOM IT MAY CONCERN, Notice is hereby given that C.A. McFadden Jr, citizen of the United States over the age of twenty one years, have on the 15th day of August 1905 discovered a vein or lode of mineral bearing rock in place, bearing gold silver and other precious and valuable metals and minerals within the limits of the claim hereby located, which I have this day and in accordance with the Revised Statutes of the United States, Chapter 6, Title 32, named the [name of claim].

That the general strike or course of this vein or lode is northerly and southwesterly and that I claim 100 linear feet southwesterly and 1400 linear feet northwesterly of the point at discovery at which this notice is posted, together with 300 feet on each side of the center of said vein.

That said claim is located in the unorganized Mining District in Baker County, State of Oregon, the discovery monument being placed 100 feet northwesterly from SW corner and stake and said claim is more particularly described and located by means of the natural objects; and permanent monuments hereinafter mentioned, and is more particularly described by boundaries as follows, to wit:

Beginning at the point of discovery at which this notice is posted, there 100 feet southwesterly to SW center and stake post #1, thence 300 feet southeasterly to southeast corner post #2, thence 1500 feet northeasterly to NW corner post #3, thence 300 feet northwesterly to northeast and center post #4, thence 300 feet northwesterly to post #5, thence 1500 feet southeasterly to post #6, thence 300 feet southeasterly to post #1, or place of beginning. This claim is bounded on the east by North Star claim and on the west by Hidden Treasure quartz mining claim and on the south by the Jay Bird claim.

This claim is located on the east side of Sall Borden creek about 3000 feet from its mouth.

And I intend to hold and work said claim in accordance with the local customs and rules of miners and mining laws of the United States and of the State of Oregon.

Date: on the ground the 5th day of August 1905.

Recorder
NOTICE IS HEREBY GIVEN that we Fred L Downey & Fred Link, citizens of the United States, have on the 21st day of June 1905, discovered and located a vein of mineral-bearing rock in place, carrying gold & silver which vein we have named the Treasure Box.

That the course of this vein is northeast and southwest and that we claim 1500 linear feet by 600 ft 300 ft each side of the discovery monument on which this notice is posted, and that we claim 300 ft on each side of the center of the vein.

The said claim is located in unorganized mining District Baker County, Oregon, the discovery monument being placed 100 feet from discovery cut and is bounded and described as follows, towit:

Commencing at the discovery monument, thence 300 feet S E direction to S W Cor P No 1, thence 1500 ft N W direction to S E Cor P No 2, thence 300 ft in a N W direction end center P No 3, thence 300 ft in a N W direction to N E Cor P No 4, thence 1500 ft in a S W direction to W W Cor P No 5, thence 300 ft in S E direction to west end center stake No 6, place of commencement.

Dated 21st July 1905.

Fred L Downey, Locat.
W Robinson, Locat.

State of Oregon
County of Baker

I, Fred Downey being first duly sworn, on oath depose and say that I am the locator of the claim described in the within notice of location of the "Treasure Box" mining claim and that said notice is a full, true and correct copy of the original notice of location posted on said claim.

That I did, between the 21 day of July 1905 and the 22 day of August 1905 perform the discovery work required by the statutes of the State of Oregon on said claim by open cut 10 ft X 6 ft X 4 ft, and said work was done on said claim within sixty days from the date of location thereof, and there was thereby disclosed, a lode or vein of mineral deposit in place.

Fred L Downey.

Subscribed and sworn to before me this 24th day of Aug 1905.

Recorder
To James Johnson,

You are hereby notified that I have expended during the year of 1905, three hundred dollars (300.00) in labor and improvements upon the Alpha quartz mining claim, as located and recorded in Book 8, page 596, records of Baker County, State of Oregon. The Omega as located and recorded in Book 8, page 43, records of Baker County, Oregon. The Jordan quartz mining claim, as located and recorded in Book 8, page 42, records of Baker County, Oregon, in order to hold said mining claims, under the provisions of section 2324 of the Revised Statutes of the United States, and the amendment thereto, approved January 22d 1880, and an act of the Legislative Assembly of Oregon, approved February 25th 1903, concerning annual labor upon mining claims; the said three hundred dollars being the amount required to hold said claims for the period ending December 31st 1904, and if within ninety days from the personal service of this notice, or within ninety days from the date of the last publication thereof, you fail or refuse to contribute your proportion of such expenditure as a co-owner your interest in said claims will be forfeited, to and become the property of the Wm Parker Estate.

The proportionate amount due you for said annual work and improvement on said claims is the sum of one hundred and fifty dollars (150.00) and said work and improvements was done between the 1st day of January and December 31st 1904 and was done by John and Oscar Parker at my request.

Dated at Bumpter, Oregon, May 19th 1905.

May 20 - Aug 19 .

P A Mann,
Administrator of the Estate of Wm Parker, deceased

State of Oregon

County of Baker

I, Chas Lichtenstein do solemnly swear that I am of lawful age and am the Printer of the Blue Mountain American, a weekly newspaper printed and published at Bumpter, Baker County, Oregon, and have personal knowledge of all advertisements published therein. That the notice of which the annexed printed copy was published once a week in said newspaper as follows: Containing the issue of Saturday the 20th day of May 1905, and ending with the issue of Saturday the 19th day of August 1905, in the regular and entire issues of every number of said paper in said issue, that the notice was published in the newspaper proper and not in a supplement.

Chas Lichtenstein
Subscribed and sworn to before me a Notary Public in and for said County and State on the 19th day of August A D 1905.

State of Oregon

County of Baker

I, P A Mann being duly sworn upon oath, say that I am the duly qualified and acting Administrator of the estate of William Parker, deceased that the proportional amount due to me as Administrator of the said estate for annual work done between Jan 1st and Dec 31st 1904 on the Alpha, the Omega and the Jordan quartz claims, located in Baker County, Oregon, has not been paid to me by James Johnson or by any one for him or paid at all or any sum of the $150.00 due.

P A Mann
Subscribed and sworn to before me this the 20th day of August A D 1905.

Wm Welgand Seagull

TO ALL WHOM IT MAY CONCERN, Notice is hereby given that I, William Welgand, citizen of the United States, over the age of twenty-one years, have on this 25th day of August 1905, discovered a vein or lode of mineral bearing rock in place bearing gold, silver and other precious and valuable metals and minerals within the limits of the claim hereby located, which I have this day and in accordance with the Revised Statutes of the United States, Chapter 6 Title 32 named The Seagull Quartz Mining Claim.

That the general strike or course of this vein or lode is northeasterly and southerly and that said claim 1500 linear feet northeasterly of the point of discovery at which this notice is posted, together with 300 feet on each side of the center of said vein.

That said claim is located in the no organized mining District & Baker County State of Oregon the discovery monument being placed about 300 ft southeasterly from
southeast corner of said claim and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinafter mentioned, and is more particularly described by boundaries as follows, to wit:

Commencing at the point of discovery at which this notice is posted; thence 300 feet in a southeasterly direction; thence 1500 feet in a northeasterly direction; thence 600 feet in a northwesterly direction; thence 1500 feet southwesterly; thence 300 feet southeasterly to point of beginning. The point at which this notice is placed is about 1/2 mile more or less from the Perspexin Cabin in a northerly direction. Said cabin being situated on the Perspexin Quartz Mining Claim.

And I intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the State of Oregon.

Discovered 25th Aug 1905
Located Aug 25th 1905.

Witnesses:    T J Lloyd
              Wm Higand, Locater

State of Oregon
County of Baker

I, Isaac King being first duly sworn, say that I am laborer & Wm Higand the locator of the mining claim described in the within notice of the Sea Boll Quartz Claim, Quartz Mining Claim, and that the foregoing notice is a true and correct copy of the original notice of location posted on said claim.

That I did between the 25th day of August 1905 and the 2nd day of Sept 1905 perform the discovery or location work required by the statutes of the State of Oregon on said claim by running a cut of a size of ten foot face and ten foot floor and a width of four feet and that said work was done on said claim within sixty days from the date of discovery thereof, and by said work there was disclosed a lode or vein of mineral deposit in place.

Recorder
TO ALL WHOM IT MAY CONCERN, Notice is hereby given that I, William Wiegand, citizen of the United States, over the age of twenty-one years, have on this 25th day of August 1905, discovered a vein or lode of mineral bearing rock in place, bearing gold, silver and other precious and valuable metals and minerals within the limits of the claim hereto described, which I have this day and in accordance with the Revised Statutes of the United States, Chapter 6, Title 32, named The Pelican Quartz Mining Claim.

That the general strike or course of this vein or lode is northeasterly and southeasterly and that I shall 1500 linear feet northeasterly of the point of discovery at which this notice is posted, together with 300 feet on each side of the center of said vein.

That said claim is located in the non-organized Mining District, that said claim is located in the non-organized Mining District, in Baker County, State of Oregon, the discovery moment being placed about 300 feet from said northeasterly corner of south end of said claim, and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinafter mentioned, and is more particularly described by boundaries, as follows, to wit:

Commencing at the point of discovery at which this notice is posted, thence 300 feet in a southeasterly direction to the southeast corner; thence 1500 feet in a northeasterly direction to the northeast corner; thence 600 feet northerly to the northwest corner; thence 1500 feet southwesterly to the southwest corner; thence 300 feet southerly to the point of beginning.

The discovery notice being placed about 150 feet to the southeast of the discovery work. And I intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the State of Oregon.

Dated on the ground the 25th day of August 1905.
Discovered August 25th, 1905.
Located August 25th, 1905.
Witnesses: T J Lloyd, William Wiegand, Location

I, Isaac King, being first duly sworn, say that I am a laborer and Wiegand the locator of the Mining Claim described in the within notice of the Pelican Quartz Mining Claim, and that the foregoing notice is a full true and correct copy of the original notice of location posted on said claim.

That I did between the 25th day of August 1905 and the 2nd day of Sept 1905, perform the discovery or location work required by the statutes of the State of Oregon on said claim by driving an open cut with a ten foot face and ten foot floor and a width of four feet, and that said work was done on said claim within sixty days from the date of discovery thereof, and by said work there was disclosed a lode or vein of mineral deposit in place.

Wm. Wiegand

TO ALL WHOM IT MAY CONCERN Notice is hereby given that Wm. Wiegand, citizen of the United States, over the age of twenty one years, has on this 5th day of Sept. 1905, made an amended location of the ShoeMaker quartz claim situated on Wind creek and making the same as to read:—Claim 1500 ft. long, a course of N.E. & S.W. that the discovery monument is 1300 feet from the southern end line and the claim is staked with the six posts required by law for corners and end boundaries, that said claim parallels the Elin claim on its west side line and adjoins the Fidelity claim on its southern end line, situates with 300 ft. on each side of the vein or lead and fully staked and boundaries throughout. Situate in an organized mining dist. in Baker Co. and State of Oregon. That the said old location was made May 26th 1904 and that this amendment is made on the 5th day of Sept. 1905. Old location is on record in Baker Co. ore.

And I intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the State of Oregon.

Dated on the ground the 5th day of Sept. 1905.
Discovered May 22, 1905
Located May 26, 1905.

NOTICE IS HEREBY GIVEN: That I, Marcella Martin, a citizen of the United States, hereby make an amended location of the Miner lode claim, certifying as follows:

That a vein or lode of mineral bearing rock in place, containing gold, silver and other mineral deposits of value was discovered within the limits of said claim, and said claim staked upon the ground by the original locators thereof, who thereafter and on the 17th day of July, 1893, made an amended location thereof, which amended location was filed for record on the 20th day of December, 1904, and was recorded in Vol. "M" at page 65 record of quartz claims in Baker County, Oregon.

That the original locators of said claim were Sam F Murphy and Thos W Doming, and the name given to said original and said amended location, and the name given it by this amended location is the "Miner" mining claim.

That there is claimed by this amended location 1500 feet along said vein or lode, the same being 350 feet in a southwesterly direction from the discovery point where this notice is posted, and 1150 feet in a northeasterly direction from said discovery point with 300 feet on each side of said vein or lode.

That the general course or strike of said vein is northeasterly from the south center and post on said claim, the location of which is fixed in the description of said claim as hereinafter set forth:

That said claim is situated in the County of Baker and State of Oregon, and is marked on the ground and described as follows: to wit,

Beginning at Cor No 1, common to Cor No 1, Survey No 464 Imperial lode, from whence U S Mineral Monument No 1, in T 38 S R 36 E W M bears South 20° 19' W 2100 feet; thence north 46° 58' East 1500 feet to Cor No 2, common to Cor No 2 Imperial lode, Cor No 1 Silver Star lode, and Cor No 4 of Eagle No 2 lode all of Survey No 464; thence south 50° 57' E 300 feet to North east and center; thence south 50° 57' E 300 feet to Cor No 3, identical with cor No 1 Eagle No 2 lode; and Cor No 1 Raleigh lode, both of U S 464; thence south 46° 58' W 1500 feet to Cor No 4; thence north 50° 57' West 300 feet to southwest end center, from whence the point of discovery bears north 46° 58' E 320 feet more or less, where this notice is posted; thence north 50° 57' West 300 feet to the place of beginning.

Each of said corners and the center ends being marked on the ground by posts not less than four inches square and extending three feet or more above the surface of the ground.

That the undersigned is the owner of said claim by mesne conveyance from said locators thereof, and makes this amended location notice for the purpose of more definitely and particularly describing said lode, and designating the exterior boundaries of said claim and this amended location is made without waiver of any rights acquired under said original location, or heretofore existing in favor of said locator of said company.

Dated and posted on the ground this 5th day of September 1905.

State of Oregon

County of Baker

I, Hugh McGregor, being first duly sworn, deposes and says, - That I am a citizen of the United States of America, over the age of twenty-one years, - That I am a miner by occupation, - That on and between the thirtieth day of July A.D. 1905, and the thirty-first day of August A.D. 1905, I performed over two hundred dollars worth of work on the "Brooklyn" quartz mining claim, for the use and benefit of the said "Antigonia and Wallflower" quartz mining claims, the said claims being situated on the divide between main Beck Creek and the East Fork, in Baker County, Oregon. That such work consisted of extending the cross cut tunnel on said claim 24 feet, for the use and benefit of the said Antigonia and Wallflower quartz claims, and as and for the annual assessment work on said claims for the year 1905, the said claims being situated upon the same vein or lode as the Brooklyn quartz claim, and being contiguous and adjacent thereto, and with the said Brooklyn claim constituting the Brooklyn Group.

That said work was done at the instance and request of H C Armstrong, the owner of said group of claims and at his expense as and for the assessment work for the said two unpatented claims.

Hugh McGregor

KNOW ALL MEN BY THESE PRESENTS, That we, W R Pollis and E F Ballard the undersigned, being qualified and having complied with all the mining laws in regard to locating quartz claims, have this day located 1500 feet in length by 600 feet in width the same being 300 feet on each side of the center on this the Deer Trail No 3 mine, claiming all mineral inside cut lines, and the claim is more particularly described as follows: Beginning at the discovery stake and notice and running 500 feet east and beginning again and running 1000 feet west to W center end, thence 300 feet north to N W corner, thence 1500 feet east to N E corner, thence 300 ft 4th W center end, thence 300 feet S to S E corner, thence 1500 feet W to S W corner, thence 300 feet N to W center end, to place of beginning this boundary survey.

This claim is in the eastern part of Baker Co Oregon about one mile N of Ballard's Ferry and the location stake and notice are 200 feet N of the natural rock bridge and 100 feet S of Willow Spring and near the creeks but on the W side of the creek, and the claim is bounded on the S by Deer Trail No 2 and on the E by Two Shoe No 5.

This amended location is made in conformity with the original location which was made on July 23rd 1905 and recorded in Baker City Oregon in the office of the Recorder of Baker Co and is made for the purpose of appropriating all ground within the boundaries hereinafter described and of making definite and specific describing its situation and boundaries of said claim, correcting any irregularities, informalities or errors and supplying any defects which may exist in the original location or the record thereof hereby waiving no rights acquired under and by virtue of said original location.

Date of original location June 23rd 1905.
Date of Amended Location Sept 5th 1905.

W R Pollis, and
E F Ballard, locators and owners.

State of Oregon
County of Baker

I, W R Pollis do solemnly swear that I am a citizen of the United States of America, and that I am acquainted with the mining ground described in the within notice of location and hereinafter called the Deer Trail No 3 mine, that the ground and claim therein described or any part thereof has not to the best of my knowledge and belief been located and worked according to the laws of the United States and the State of Oregon and that I have opened up new ground to the extent or depth of ten feet by a cross cut on the ledge.

W R Pollis.

County of Baker

I, Walter Teschow being first duly sworn, do depose and say that I am the lessee of the claim described in the within notice of location of the Porphyry Quartz mining claim, and that said notice is a true and correct copy of the original notice of location posted on said claim.

That I did, between the 1st day of August 1905 and the 16th day of August 1905, perform the discovery work required by the statutes of the State of Oregon, on said claim by sinking shaft 30x6 ft, and said work was done on said claim within sixty days from the date of location thereof, and there was thereby disclosed a lode or vein of mineral deposit in place.

Walter Teschow

Subscribed and sworn to before me this 13th day of September 1905.

Before me the subscriber personally appeared F F Johnson and Joe Jacobson who being duly sworn says that at least four hundred dollars worth of labor or improvements were performed or made upon the Stone wall, Tom Allen, Wade and Johnson quartz mining claims near the Mountain View mining Co's works.

Work:- On the Stone wall, Johnson and Wade claims, a 30 foot cross cut was run, and a 20 foot drift for the annual assessment work on said claims. On Tom Allen open cut sunk 6 feet
the drifted on ledge 16 feet the annual assessment work on said claim situated in no-
organized Mining District Baker County State of Oregon during the year ending December
31st 1905.

Such expenditure was made by or at the expense of P P Johnson and the Moun-
tain View Mining Co. Owners of said claim, for the purpose of holding said claim.

NOTICE IS HEREBY GIVEN TO ALL WHOM IT MAY CONCERN, that I, J J Noel, Citizen
of the United States, over the age of twenty one years, having discovered a vein or
lode of quartz or rock in place, bearing gold within the limits of the claims described in
this deed, with surface ground (600) six hundred feet in width situated in no
organized Mining District, County of Baker State of Oregon and known as the Liberty
Bell quartz Mining Claim, extending (1000) ten hundred feet W A northerly
direction and five hundred (500) ft W A southeasterly direction from this discovery
tunnel from this notice at the discovery or prospect shaft, which is (500) five hundred
ft from south center line and the exterior boundaries of this claim being disti-
inctly marked by reference to some natural object or permanent monument, and more par-
ticularly described as follows, to wit:

Beginning at this discovery tunnel and notice and running northerly
toward the Gold Coin mine ten hundred feet to the northcenter end stake, thence (300)
three hundred feet in a westerly direction to the northwest corner stake, thence (1500)
fifteen hundred ft in a southerly direction to the southwest corner stake, thence (300)
three hundred ft in an easterly direction to the south center end stake, thence (300) the
three hundred ft easterly to the southeast corner stake, thence (1500) fifteen hundred
ft northerly to the northeast corner stake, thence (300) three hundred ft westerly to
north center end stake, thence ten hundred ft to place of beginning. This claim lays
in a southeasterly direction from the Gold Coin mine about one quarter of a mile and
the south part of this claim crosses Shirt Tail gulch.

And I intend to work and hold said claim as provided by local customs and
rules of Miners and Mining Statutes of the United States.

Dated on the ground this 16th day of August 1905.

NOTICE IS HEREBY GIVEN TO ALL WHOM IT MAY CONCERN, that we the undersigned
Citizens of the United States, over the age of twenty one years, have discovered a vein
or lode of quartz or rock in place, bearing mineral within the limits of the claim hereby
located, and have this day under and in accordance with the Revised Statutes of the
United States, Chapter Six, Title Thirty-Two, located 1500 linear feet of this vein or
lode, with surface ground 600 feet in width situated in or organized Mining District,
County of Baker State of Oregon, and known as the Anacanda Quartz Mining Claim extending
120 feet south to end line and 1320 feet north to north center end stake from this no-
tice at the discovery or prospect shaft, which is 120 feet from south end line and the
exterior boundaries of this claim being distinctly marked by reference to some natural
object or permanent monument, and more particularly described as follows to wit:

Commencing at the discovery thence 120 feet south to south center end stake,
then 300 feet east to S E corner stake, thence north 1500 feet to N E corner stake,
then 300 feet west to north center end stake, thence west 300 feet to N W corner stake,
then south 1500 feet to S W corner stake, then west 300 feet to south center end
stake. This claim is bounded on the south by the Tiger quartz claim which is situated
about 1 1/4 miles N W of the Bald Mountain mine formerly known as the United Bullion
Lode. And we intend to work and hold said claim as provided by local customs and rules
of Miners and Mining Statutes of the United States.

TO ALL WHOM IT MAY CONCERN
Notice is hereby given that Otto Simons and Joseph Connahington, citizens of the United States, over the age of twenty-one years, have on this 29th day of July 1905 discovered a vein or lode of mineral bearing rock in place, bearing gold, silver and other precious and valuable metals and minerals within the limits of the claim hereby located, which we have this day and in accordance with the Revised Statutes of the United States, Chapter 6, Title 32, named The Tamarack quartz Mining Claim.

That the general strike or course of this vein or lode is northwesterly and south-easterly and that we claim 1500 linear feet south and no linear feet north of the point of discovery at which this notice is posted, together with 300 feet on each side of the center of said vein.

That said claim is located in the Cable district (unorganized Mining District), in Baker County, State of Oregon, the discovery monument being placed at the center and state of northeast line and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinafter mentioned, and is more particularly described by boundaries as follows, to wit:

Commencing at the point of discovery where this notice is posted, thence 300 feet east to the northeast corner, thence 1500 feet south to southeast corner, thence 500 feet west to southwest corner, thence 2500 feet north to northeast corner, thence 300 feet east to north-center and state, the place of beginning. This claim adjoins the Pearl quartz mining claim on the east.

And we intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the State of Oregon.

Dated on the ground the 29th day of July 1905.
Located July 29th 1905.

Otto Simons, Locatx
Joseph Connahington, Locator

State of Oregon
County of Baker
I, Otto Simons being first duly sworn, say that I am one of the locators of the Mining Claim described in the within notice of the Tamarack quartz Mining Claim, and that the foregoing notice is a full, true and correct copy of the original notice of location posted on said claim.

And I and Joseph Connahington, the other locator herein did between the 1st day of August 1905 and the 15th day of Sept 1905 perform the discovery of location work required by the statutes of the State of Oregon on said claim, (beginning of a tunnel) which cuts the lode on said claim at a depth of ten feet and that said work was done on said claim within sixty days from the date of discovery thereof, and by said work there was disclosed a lode or vein of mineral deposit in place.

Subscribed and sworn to before me this 15th day of September 1905.

NOTICE OF AMENDED LOCATION OF QUARTZ MINING CLAIM.

Notice is hereby given that Humphrey Ward and J.J. Riggs, citizens of the United States, over the age of twenty-one years, having on the 4th day of July, 1900, discovered and located a vein or lode of mineral bearing rock in place, did on said 4th day of July, 1900, locate the same as the Tom Carter quartz mining claim.

And, whereas, for the purpose of correcting any errors, if any exist in said location of July 4th, 1900, the said Humphrey Ward and J.J. Riggs, being still the owners of said Tom Carter quartz mining claim have on this 16th day of September, 1905, amended, located and claimed and by these presents do amend, locate and claim, by right of discovery and amended location, fifteen hundred linear feet by six hundred feet in width of the Tom Carter quartz mining claim or lode.

The course or strike of this vein is northwesterly and southeasterly, and we claim fifteen hundred linear feet northwesterly from the westerly end line at which this notice is posted, together with three hundred feet on each side of the center of the vein. Said claim is located in the organized mining district in Baker County, State of Oregon, the discovery monument being placed at the west end line, the exterior boundaries of this claim being distinctly marked by reference to some natural object or permanent monument, and said claim being more particularly described as follows:

Commencing at the westerly center and stake at which this notice is posted, and from thence running southerly 300 feet to southerly corner; thence 1500 feet easterly to southeast corner; thence 300 feet northerly to easterly center and stake; thence 300 feet easterly to northeasterly corner; thence 1500 feet westerly to northwesterly corner; thence three hundred feet southerly to said westerly center and stake.

This claim lies northerly of and parallel to the Ida quartz mining claim, and southerly and parallel to the Robert Law quartz mining claim and is the same claim as the Tom Carter quartz mining claim, located by the locators hereof on the 4th day of July, 1900, the location notice of said location of July 4th, 1900, being recorded at page 521 of Volume 6 of the public records of quartz mining claim location notices of said Baker County, State of Oregon.

This amended location is made without waiver of any previously acquired rights, being made for the purpose of correcting any errors, if any exist, in the former location, notice or record.

Dated this 16th day of September, 1905.

Date of Original Location July 4th, 1900.

Humphrey Ward, Locato-
J.J. Riggs, Locato-

Recorder.
Notice is hereby given that Humphrey Ward and J J Riggs, citizens of the United States, over the age of twenty one years, having on the 4th day of July, 1900, discovered and located a vein or lode of mineral bearing rock in place, did on the 4th day of July 1900, locate the same as the Robert Law quartz mining claim.

And whereas, for the purpose of correct ing any errors, if any exist, in said location of July 4th, 1900, the said Humphrey Ward and J J Riggs, being still the owners of said claim, have on this 16th day of September, 1905, amended, located, and claimed, and by these presents do amend, locate and claim, by right of discovery and amended location, fifteen hundred linear feet of the said Robert Law quartz mining claim or lode, together with three hundred feet on each side of the center of said vein.

The course or strike of this vein is northeasterly and southwesterly, and we claim 300 feet southwesterly and twelve hundred feet northeasterly from the point of discovery at which this notice is posted, together with three hundred feet on each side of the center of said vein. Said claim is located in the organized mining district, in the County of Baker and State of Oregon, the discovery monument being placed three hundred feet northeasterly of the westerly center and stake. The exterior boundaries of this claim being distinctly marked by reference to some natural object or permanent monument, and said claim being more particularly described as follows:-- Commencing at the point of discovery at which this notice is posted; thence westerly three hundred feet to westerly center and stake; thence three hundred feet southerly to southwesterly corner stake; thence fifteen hundred feet easterly to southeasterly corner; thence three hundred feet northerly to easterly center and stake; thence three hundred feet northerly to northeast corner stake, thence fifteen hundred feet westerly to northwest corner stake; thence three hundred feet southerly to westerly center and stake.

This claim lies northerly of and parallel to the Tom Carter quartz mining claim, and is the same claim as the Robert Law quartz mining claim located by the said Humphrey Ward and J J Riggs on the 4th day of July, 1900, location notice of which was duly recorded on the 26th day of July, 1900, at page 222 of Volume "A" of the public records of quartz mining claim location notices of said Baker County, State of Oregon.

This amended location is made without waiver of any previously acquired rights and for the purpose of correcting any errors, if any exist, in the former location, notice, or record.

Dated this 16th day of September, 1905.

TO ALL WHOM IT MAY CONCERN Notice is hereby given that I, L P Ostlund of the
Dallas Oregon citizen of the United States, over the age of twenty one years, being on this 24 day
of August 1905 discovered a vein or lode of mineral bearing rock in place, bearing gold, silver
and other precious and valuable metals and minerals within the limits of the claim hereby
located, which I, have this day and in accordance with the Revised Statutes of the United
States, Chapter 6 Title 32, named The Knob Hill Quartz Mining Claim.

That the general strike or course of this vein or lode is north or northwest and
that I claim 600 linear feet in width and 1500 linear feet in length of the point at dis-
covery at which this notice is posted, together with 300 feet on each side of the center of
said vein.

That said claim is located in the no mining district, in Baker County, State of
Oregon the discovery monument being placed 300 feet south from from north east end line and
said claim is more particularly described and located by means of the natural objects and permanent
monuments hereinafter mentioned, and is more particularly described by boundaries as follows
in:

Commencing at the point of discovery at which this notice is posted, thence 300 feet
northeast to corner post No 1, thence 300 feet southwesterly to post No 2, thence 300 feet southerly
to post No 3, thence 1500 feet southwest to post No 4, thence 300 feet northerly to post No 5,
thenche 300 feet northerly to post No 6, thence 1500 feet northeast to place of beginning
Bordered Big Arctic and Elbert on northeast and Black bath on south.

And I intend to hold and work said claim in accordance with the local rules and customs
of miners and mining laws of the United States and of the State of Oregon.

State of Oregon as County of Baker

I, David Buckner, being first duly sworn, do depose and say, that I am personally familiar and have personal knowledge with the following described quartz mining claims:

The American Flag, located by Roy Mineslaw and J.B. Schmitt, and E.B. Magoon, discovered October 30th, 1902, and recorded in the Book of Quartz Mining Claims of Baker County on the 22nd day of December, 1902, on page 1 & 2. Also the American Eagle Quartz Mining Claim located by said above named parties, on the date above named, and recorded in the above named County records, on pages 2 & 3.

That both of said mining claims are in Baker County Oregon, and are adjoining each other. That there has been performed at least two hundred dollars worth of labor and improvements during the year of 1905, on said above mining claims, that said work and labor was performed on the American Flag Quartz Mining Claim, and the same was done for the improvements of both of said claims, that the same was done at the request and at the expense of Louise Schmitt, the owner thereof.

Dated this 9th day of October 1905.

TO ALL TO WHOM IT MAY CONCERN: Notice is hereby given that we, M.H. Allen, S.J. Merritt, and J.J. Reilly, citizens of the United States, over the age of twenty-one years, have on the 11th day of September, 1905, discovered a vein or lode of mineral bearing rock in place, bearing gold, silver, and other precious and valuable metals and minerals within the limits of the claim hereby located, which we have this day and in accordance with the Revised Statutes of the United States, Chapter 6, Title 30, named the Sunny Brook Number One No. 1 Quartz Mining Claim.

That the general strike or course of this vein or lode is northerly and southerly, and that we claim 1000 linear feet south and 500 linear feet north of the point of discovery together with 300 feet on each side of the center of said vein.

That said claim is located in the unorganized Mining District, in Baker County, State of Oregon, the discovery monument being placed 500 feet from this notice and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinafter mentioned, and is more particularly described by boundaries as follows, to wit:

Commencing at the north center and stake the point at which this notice is posted, thence 300 ft. west to NW corner, thence 1500 ft. south to southeast corner, thence 300 ft. to south center and stake, thence 300 ft. to southeast corner 1500 ft. to northeast corner, thence 300 ft. to place of beginning. Said claim is joining Gold Nugget claim on northwest side.

It is about twelve miles from Sumpter and about two miles of Bald Mountain.

And we intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the State of Oregon.

Dated on the ground the 11th day of September, 1905.

TO ALL WHOM IT MAY CONCERN, Notice is hereby given, that we, M. H. Allen, S. J. Merritt, and H. J. Reilly, citizens of the United States, over the age of twenty-one years, have on this 11th day of September, 1905, discovered a vein or lode of mineral bearing rock in place, bearing gold, silver and other precious and valuable metals and minerals within the limits of the claim hereby located, which we have this day and in accordance with the Revised Statutes of the United States, Chapter 6, Title 30, named the Sunny Brook No. 3 Quartz Mining Claim.

That the general strike or course of this vein or lode is northerly and southerly and that we claim 1500 linear feet 300 ft. n. and 100 linear feet southerly of the point of discovery together with 300 feet on each side of the center of said vein.

That said claim is located in the unorganized Mining District, in Baker County, State of Oregon, the discovery monument being placed 100 feet from this notice and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinafter mentioned, and is more particularly described by boundaries as follows to wit:

0.000, measuring at the south center and stake identical with H center stake of Sunny Brook No. 2 at which this notice is posted, thence 300 ft. east to southeast corner, thence 1500 ft. to northeast corner, thence 300 ft. west to center end stake, thence 300 ft. to northwest corner stake, thence 1500 ft. south to southwest corner stake, thence 300 ft. east to place of beginning, said claim adjoins Sunny Brook No. 2 on the north and is of northerly extension thereof. It is about twelve miles from Sunnyside and two miles from Bald Mountains.

And we intend to hold and work said claim in accordance with the local rules and custom of miners and mining laws of the United States and of the State of Oregon.

Dated on the ground the 11th day of September 1905.

NOTICE IS HEREBY GIVEN that we, citizens of the United States and over the age of 21 years do hereby locate and claim 1500 feet in length by 600 feet in width with all dips, spurs and angles on lead ore or deposit of mineral lying south easterly by north westerly in length by north easterly and south westerly in width, the southeasterly center stake 1000 feet from location or point of discovery, and 500 feet to center stake at opposite end. This mine is to be known as the Mountain Key Gold Mine situated about one mile and a half in a southeasterly direction from Gold Coin mine in Baker Co. Oregon.

Located on the ground this 13th day of September 1905.

Witneses: T. W. Ayers
          C. W. Durkee
          Ed Murphy

State of Oregon

Umatilla County

I, T. D. Moffatt being first duly sworn say that I am one of the locators of the Mountain Key Gold Mine in Baker County Oregon, that the location notice on said claim was posted on said claim on the 13th day of September A.D. 1905, that subsequent to the filing of said location notice and prior to the 20th day of October A.D. 1905 I sunk a discovery shaft in said mining claim to a depth of ten feet below the surface, run of said shaft and also made an open cross cut nineteen feet long 5 feet wide with a face of 9 feet along said lode or vein from the discovery shaft on said Mountain Key Gold Mine.

That I superintended the execution of said work and that I make this affidavit from my own personal knowledge.

T. D. Moffatt

Subscribed and sworn to before me this 20 day of October A.D. 1905.

J A Wilson

Stampede

NOTICE IS HEREBY GIVEN TO ALL WHOM IT MAY CONCERN, That I, J A Wilson citizen of the
United States, over the age of twenty one years, having discovered a vein or lode of quartz or
rock in place, bearing mineral within the limits of the claim hereby located, and have this
day under and in accordance with the Revised Statutes of the United States, Chapter Six, Title
Thirty two, located 1300 linear feet or this vein or lode, with surface ground 500 feet in width
situated in Granite Mining District, County of Baker State of Oregon and known as the Stampede
Quartz Mining Claim, extending 800 feet north 36° east and 500 feet south 36° west, from this notice at the discovery or prospect shaft, which is 800 feet from north end line the
exterior boundaries of this claim being distinctly marked by reference to some natural object or
permanent monument, and more particularly described as follows, to wit:

Beginning at the stake at the mouth of the cross cut tunnel, known as the 200 foot level
of the Stampede Mine Co and running south 36° west, 500 feet to the south end center stake,
thence 150 feet S 36° 30' E to the S E center stake, thence 1300 feet about N 31° E along the
east side line, identical with the east side line of the Hercules quartz claim (pat. survey 369)
to the N E corner, thence 5 ft north 36° 30' W to the north end center, thence 5 ft N 36° 30'
W to the N W corner, thence 1300 ft S 44° 15' W along the west side line, identical with the
E side line of the Know Good quartz claim to the S E corner, thence 150 ft south 36° 30' E
to the south end center, thence 500 ft N 36° E to the place of beginning.

And I intend to work and hold said claim as provided by local customs and rules of
Miners and Mining Statutes of the United States.

Dated on the ground this 3rd day of September 1905.

J A Wilson, locator

Attest: Bert E Smith,
State of Oregon

County of Baker

I, John A Wilson do solemnly swear that I am a citizen of the United States of America, that I am acquainted with the quartz claim described in the within notice of location called the Stampede Quartz Claim. That the locator of said claim has prior to the date of this affidavit and since the date of filing of the location notice therein, excavated a cut or cross cut or tunnel, which cuts the lode at a depth of ten feet,

Recorder.
NOTICE IS HEREBY GIVEN, that I, the undersigned citizen of the United States of America, conforming to the mining laws thereof and of the state of Oregon and the local rules, regulations and customs of miners, have this 25 day of Sept A.D. 1905 located and do claim 1500 hundred linear feet on this lead, lode or vein bearing mineral in place, by 600 hundred feet in width on the same being 300 feet on each side from the center thereof, together with all dips, spurts and angles, and all other veins or lodes, the tops or apices of which lie within said boundaries.

This location is named the Bob Tail Lode or Mine, and is situated in no organized Mining District, Baker County, State of Oregon.

This claim is situated about two miles north of Ballards landing & about one and a half miles west of Snake River and crosses Ashby Creek, and the discovery monument upon which this notice is posted is situated about 1000 feet in a northerly direction from Ashby Creek.

This lead, lode or vein extends 500 feet in a northerly direction, and 1000 feet in a southerly direction from the discovery monument and the claim is bounded and described as follows: Commencing at the N center and monument which is situated 500 feet in a N direction from the discovery monument; running thence in a E direction 300 feet to the E E corner monument; thence in a S direction 1500 feet to the S E corner monument; thence in a W direction 300 feet to the S E center and monument; thence continuing in a W direction 300 feet to the S W corner monument; thence in a N direction 1500 feet to the N W corner monument; thence in a E direction 300 feet to the said N center and stake the place of beginning.

The adjoining claims are Colorado, Sambo, and Rattler.

All the monuments aforesaid are marked upon the side facing toward the discovery with the name of the claim and the corner or end center with each of said monuments represents, and all of said monuments are at least four inches in diameter and at least four feet above ground.

Discovered on the 25 day of Sept A.D. 1905
Located on the 25 day of Sept A.D. 1905.

Owen Hill, Locator & Claimant

State of Oregon

County of Baker

I, Owen Hill do solemnly swear that I am a citizen of the United States of America (or have declared my intention to become such) and that I am acquainted with the mining ground described in this notice of location, and herewith called the Bob Tail ledge, lode or claim; that the ground and claim therein described or any part thereof has not to the best of my knowledge and belief been located according to the laws of the United States and of this State, or if so located, that the same has been abandoned or forfeited by reason of the failure of such some location to comply in respect thereto with the requirements of said laws, and that I have opened up new ground to the extent or depth of ten feet as required by the laws of Oregon and that all stakes and monuments or trees marking boundaries of said claim are in proper place and position.

Owen Hill,

Geo T Cullen

Golden Treasure group

State of Oregon

County of Baker

I, George T Cullen, being first duly sworn, depose and say that at least two hundred dollars' worth of labor and improvements were performed and made upon the Golden Treasure group of quartz mining claims, the said group consisting of the Golden Treasure quartz mining claim and the Gold Chest quartz mining claim, the said group adjoining the White Swan mine and being situated in the Virtue mining district, unorganized, in Baker County, State of Oregon, during the year 1905.

That said labor and improvements were made and performed at the expense of Thomas Gorman, W O Reynolds, M Hoff and H C Haskell, the owners of said claim, for the purposes of holding said claim and complying with the Revised Statutes of the United States of America concerning the doing of annual assessment work upon mining claims.

That the said labor and improvements consisted in the sinking of a shaft upon the said Golden Treasure quartz mining claim, and was performed and made for the development of both of said claims and tends to that end, and was done and performed in furtherance of a common system of developing said group of claims and each thereof.

County Clerk

Filed for record Nov 29 1905 at 3 P.M.
TO ALL WHOM IT MAY CONCERN notice is hereby given that I, M H Allen, citizen of the United States, over the age of twenty one years, have on this 6th day of Nov 1905, discovered a vein or lode of mineral bearing rock in place, bearing gold, silver and other precious and valuable metals and minerals within the limits of the claim hereby located, which I have this day and in accordance with the Revised Statutes of the United States, Chapter 6 Title 32 named The Kentucky Quartz Mining Claim.

That the general strike or course of this vein or lode is northerly and southerly and that I claim 1500 linear feet from point at which this notice is posted, together with 600 feet on each side of the center of said vein.

That said claim is located in the un-organized mining district, in Baker County, State of Oregon, the discovery monument being placed about 100 feet south from discovery and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinafter mentioned, and is more particularly described by boundaries as follows, to wit:

Commencing at the point at which this notice is posted, then running 300 feet easterly to northeast corner, thence 1500 feet north to northeast corner, thence 300 feet west to north center, thence 1500 feet south to southeast corner, thence 300 feet east to place of beginning, said claim being situate in what is known as the Bald Mountain mining district, unorganized, about 9 miles N E of Sumpter.

And I intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the State of Oregon.

Dated on the ground the 6th day of November 1905.

Witnes: Frank Campbell
M H Allen, Location

State of Oregon
County of
I, M H Allen, being first duly sworn, say that I am the location of the Mining Claim described in the within notice of the Kentucky Quartz Mining Claim, and that the foregoing notice is a full, true and correct copy of the original notice of location posted on said claim.

That I caused to be performed between the 6th day of Nov 1905, and the 25th day of Nov 1905, the discovery or location work required by the statutes of the State of Oregon on said claim by an open cut ten feet deep, six feet wide and 12 feet long and that said work was done on said claim within sixty days from the date of discovery thereof, and by said work there was disclosed a lode or vein of mineral deposit in place.

M H Allen,
Subscribed and sworn to before me this 29 day of Nov 1905.

E P Bergman

Jumbo

TO ALL WHOM IT MAY CONCERN Notice is hereby given that I, E P Bergman citizen of
the United States, over the age of twenty one years, have on this 21 day of November 1905,
discovered a vein or lode of mineral bearing rock in place, bearing gold, silver and other
precious and valuable metals and mineral within the limits of the claim hereby located, which
I have this day and in accordance with the Revised Statutes of the United States, Chapter 6
Title 32 named the Jumbo Quartz Mining Claim.

That the general strike or course of this vein or lode is northerly and southerly and
that I claim 1500 linear feet northerly and southerly and 300 feet linear feet on each
side of the point of discovery at which this notice is posted, together with 300 feet on
each side of the center of said vein.

That said claim is located in the organized Mining District, in Baker County, State
of Oregon, the disc or monument being placed at the north end of the said claim and said
claim is more particularly described and located by means of the natural objects and per-
manent monuments hereinafter mentioned, and is more particularly described by boundaries as
follows, to wit:

Beginning at the point of discovery at which this notice is posted, thence running
300 feet easterly to N E corner thence 1500 southerly to S E corner, thence 300 ft westerly to
S center end, thence 300 ft westerly to S W corner, thence 1500 ft northerly to N W corner,
thence 300 ft easterly to place of beginning, this claim is located about 9 miles north-
westerly from Sumpter and is an extension of Kentucky claim on north thereof and adjoins
Mary Ann on south.
And I intend to hold and work said claim in accordance with the law rules and customs of miners and mining laws of the United States and of the State of Oregon.

Dated on the ground the 21 day of November 1905.
Discovered November 1905
Located November 1905.

Wm Prestley

Dexter

TO ALL WHOM IT MAY CONCERN, Notice is hereby given that I, Wm Prestley a citizen of the United States, over the age of twenty one years, have on this 9th day of December, 1905, discovered a vein or lode of mineral bearing rock in place, bearing gold, silver and other precious and valuable metals and mineral within the limits of the claim hereby located, which I have this day and in accordance with the Revised Statutes of the United States, Chapter 5 Title 32 named The Dexter Quartz Mining Claim.

That the general strike or course of this vein or lode is northeasterly and southwesterly and that I claim 900 linear feet northeasterly and 600 linear feet southwesterly of the point at discovery at which this notice is posted, together with 300 feet on each side of the center of said vein.

That said claim is located in no organized Mining District, in Baker County, State of Oregon, the discovery monument being placed 900 feet northeasterly from south center and stake and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinafter mentioned, and is more
particularly described by boundaries as follows, to wit:

Commencing at the point of discovery at which this notice is posted, thence southwesterly 600 feet to south center end stake; thence 300 feet southeasterly to southeast corner stake; thence 1500 feet northeasterly to northeast corner; thence 300 feet northwesterly to north center end stake; thence 300 feet northwesterly to northwest corner; thence 1500 feet southeasterly to southwest corner; thence 300 feet southeasterly to south center end stake. This claim is bounded on the south by the Evening Star Placer Mining Claim and is about 1/2 mile up Wind Creek from the Sprute Borous wagon road. This location is an amended location of the said Dexter Quartz Mining Claim, made Aug 2 1905 and is made without surrender of any previously acquired rights.

And I intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the State of Oregon.

Dated on the ground the 9th day of December 1905.

Discovered August 2nd 1905

Located August 2nd 1905, and December 9th 1905.

TO ALL WHOM IT MAY CONCERN, Notice is hereby given that I, Wm Preistley a
citizen of the United States, over the age of twenty one years, have on this 9th day of
December, 1905, discovered a vein or lode of mineral bearing rock in place, bearing gold,
silver, and other precious and valuable metals and minerals within the limits of the claim
hereby located, which I have this day and in accordance with the Revised Statutes of the
United States, Chapter 6 Title 32 named The Virginia Quartz Mining Claim.

That the general strike or course of this vein or lode is northwesterly and
southwesterly and that I claim 200 linear feet northwesterly and 700 linear feet
southwesterly of the point of discovery at which this notice is posted, together with 300 feet
on each side of the center of said vein.

That said claim is located in no organized Mining District, in Baker County,
State of Oregon, the discovery monument being placed 700 feet northwesterly from south
center em stake, and said claim is more particularly described and located by means of
the natural objects and permanent monuments hereinafter mentioned, and is more particu-
larly described by boundaries as follows, to wit:

Commencing at the point of discovery at which this notice is posted, thence
southwesterly 700 feet to south center and stake; thence 300 feet southeasterly to sou-
east corner stake; thence 1500 feet northerly to northeast corner stake; thence 200
feet northwesterly to north center and stake; thence 300 feet northeasterly to north-
west corner stake; thence 1500 feet southeasterly to southwest corner; thence 300 feet
southeasternly to said south center and stake;

This claim is situated about two miles up Wind Creek from the Angler-Bourne
wagon road, in Baker County, State of Oregon. This is an amended location of the origi-
nal location of said claim August 2nd, 1905, and is made without surrender of any pre-
viously acquired rights.

And I intend to hold and work said claim in accordance with the local rules and
customs of miners and mining laws of the United States and of the State of Oregon.

Dated on the ground the 9th day of December 1905.
Discovered August 2nd 1905
Located August 2nd 1905 and Dec 9th 1905.

Wm Preistley, Locater

State of Oregon
County of Baker

I, Wm Preistley, being first duly sworn, say that I am the original
locater of the Mining Claim described in the within notice of the Virginia Quartz Mining
Claim, and that the foregoing notice is a full, true and correct copy of the original
notice of location posted on said claim.

That I did between the 2nd day of August, 1905 and the 1st day of October
1905, perform the discovery or location work required by the statutes of the State of
Oregon on said claim by running a tunnel on said claim which tunnel cuts the vein on said
claim at a depth of ten feet, and that said work was done on said claim within sixty days
from the date of discovery thereof, and by said work there was disclosed a lode or vein
of mineral deposit in place.

TO ALL WHOM IT MAY CONCERN Notice is hereby given that I, Wm. Prestley, a citizen of the United States, over the age of twenty-one years, have on this 9th day of December, 1905, discovered a vein or lode of mineral bearing rock in place bearing gold, silver, and other precious and valuable metals and mineral within the limits of the claim hereby located, which I have this day and in accordance with the Revised Statutes of the United States, Chapter 6, Title 32, named The Black Diamond Quartz Mining Claim.

That the general strike or course of this vein or lode is northerly and southerly and that I claim 850 linear feet northwesterly and 650 linear feet southerly of the point at discovery at which this notice is posted, together with 350 feet on each side of the center of said vein.

That said claim is located in the organized Mining District, in Baker County, State of Oregon, the discovery monument being placed 650 feet northeasterly from the south center of the claim and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinafter mentioned, and is more particularly described by boundaries as follows, to wit:

Commencing at the point of discovery at which this notice is posted, then southerly to south center and east; thence southeasterly 300 feet to corner post; thence northerly 1500 feet to corner post; thence southwesterly 300 feet to north center and east; thence northerly 300 feet to corner post; thence southwesterly 1500 feet to corner post; thence 300 feet southerly to said south center and east of post.

This claim is situated on Wind Creek about two miles from the county road leading from Sumpter to Bourne in Baker County, Oregon, and is about five miles northerly from Sumpter.

This location of said Black Diamond quartz mining claim is an amended location of the original location thereof made August 27th, 1905 and is made without waiver of any previously acquired rights.

And I intend to hold and work said claim in accordance with the local rules and customs ordnance and mining laws of the United States and of the State of Oregon.

Dated on the ground the 9th day of December, 1905.

Discovered August 27th, 1905.

Located August 27th, 1905, December 9th, 1905.

Wm. Prestley, Location

County of Baker

I, Wm. Prestley, being first duly sworn, say that I am the original locator of the mining claim described in the within notice of the Black Diamond Quartz Mining Claim and that the foregoing notice is a full, true and correct copy of the original notice of location posted on said claim.

That I did between the 1st day of August, 1905 and the 1st day of October, 1905, perform the discovery or location work required by the statutes of the State of Oregon on said claim by running a tunnel on said claim which cuts the lode or vein in said claim at a depth of ten feet, and that said work was done on said claim within sixty days from the date of discovery thereof, and by said work there was disclosed a lode or vein of mineral deposit in place.

Recorder.
TO ALL TO WHOM IT MAY CONCERN. Notice is hereby given that I, Wm Prestley, a citizen of the United States, over the age of twenty one years, have on the 9th day of December, 1905, discovered a vein or lode of mineral bearing rock in place, bearing gold, silver and other precious and valuable metals and minerals within the limits of the claim hereby located, which I have this day and in accordance with the Revised Statutes of the United States, Chapter 6, Title 30, as amended, named the Leroy Quarts Mining Claim.

That the general strike or course of this vein or lode is northeasterly and southwesterly and that I claim 500 linear feet northeasterly and 1000 linear feet southwesterly of the point at discovery at which this notice is posted, together with 300 feet on each side of the center of said vein.

That said claim is located in no organized Mining District, in Baker County, State of Oregon, the discovery monument being placed 1000 feet northeasterly from south center and stake and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinafter mentioned, and is more particularly described by boundaries as follows, to wit:

Commencing at the point of discovery at which this notice is posted, thence southwesterly 1000 feet to south center and stake; thence 300 feet southeasterly to southeast corner stake; thence 1500 feet northeasterly to northeast corner stake; thence 300 feet northwesterly to north center and stake; thence 300 feet northeasterly to northwest corner; thence southwesterly 1500 feet to southwest corner; thence 300 feet southwesterly to said south center and stake.

This claim is situated about one half mile up Mini Creek from the County Road between Supton and Bourne, in Baker County, Oregon.

This location is an amended location of the original location of said Leroy quartz mining claim made August 27th 1905, and is made without waiver of any previously acquired rights.

And I protest to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the State of Oregon.

Dated on the ground the 9th day of December, 1905
Discovered Aug 27th 1905

NOTICE IS HEREBY GIVEN, That I, J R Murrin, a citizen of the United States, have on this 26th day of November 1905, discovered and staked a vein of mineral-bearing rock in place carrying gold, silver or other metals, which vein I have named the Anna quartz mining claim.

That the course of this vein is northeasterly and southwesterly and that I claim 1500 linear feet northeasterly of the discovery monument on which this notice is posted, and that I claim 300 feet in width on each side of the center of the vein.

That said claim is located in no organized Mining District Baker County, Oregon, the discovery monument being placed at north center and stake and is bounded and described as follows, to wit:

Commencing at the discovery monument, at the southwesterly center and stake, thence southeasterly 300 feet to corner; thence southwesterly 1500 feet to corner; thence northwesterly 300 feet to southeasterly center and stake; thence in the same direction to corner; thence 1500 feet northwesterly to corner; thence 300 feet southeasterly to the northerly center and stake, the place of beginning.

This claim is situated near Wind Creek, about one and one half miles southerly from the Town of Bourne, in Baker County, State of Oregon, and adjoins the Gray Eagle quartz mining claim on the southwest.

And I intend to hold and work said claim in accordance with the local rules and customs of miners and the mining laws of the United States and of the State of Oregon.

Dated Nov 26th 1905.

J R Murrin, Locator

State of Oregon

County of Baker

I, J R Murrin, being first duly sworn, on oath, depose and say, that I am the locator of the claim described in the within notice of location of the Anna quartz mining claim, and that said notice is a full, true and correct copy of the original notice of location posted on said claim.

That I did, between the 25th day of November, 1905, and the 6th day of December 1905, caused to be performed the discovery work required by the statutes of the State of Oregon, on said claim by running an open cut or tunnel on said mining claim which tunnel cuts the ledge on said claim at a depth of more than ten feet, and said work was done on said claim within sixty days from the date of location thereof, and there was thereby disclosed a ledge or vein of mineral deposit in place.

TO ALL WHOM IT MAY CONCERN, Notice is hereby given that T. E. Davies, a citizen of the United States over the age of twenty-one years, have on this 13 day of Nov 1905, discovered a vein or ledge of mineral-bearing rock in place, bearing gold, silver and other precious and valuable metals and minerals within the limits of the claim hereby located, which I have this day and in accordance with the Revised Statutes of the United States, Chapter 35, Title 32, named The Mount Auburn No 1 Quartz Mining Claim.

That the general strike or course of this vein or ledge is northerly and southerly and that I claim 400 linear feet northerly and 1100 linear feet southerly of the point at discovery at which this notice is posted, together with 300 feet on each side of the center of said vein.

That said claim is located in the unorganized Mining District, in Baker County, State of Oregon, the discovery monument being placed 400 feet south from north end line and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinafter mentioned, and is more particularly described by boundaries as follows, to wit:

Commencing at the point of discovery at which this notice is posted and running 400 ft northerly to north center end line, thence 300 ft to N S cor, thence 1500 ft to S E cor, thence 300 ft to S center end line, thence 300 ft to S W cor, thence 1500 ft to N W cor, thence 300 ft to W center end line the place of beginning, and joining on the north end of the Mount Auburn.

And I intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the State of Oregon.

Dated on the ground the 13 day of November 1905.

Located Nov 13 1905.

T. E. Davies Locator

State of Oregon

County of Baker

I, T. E. Davies, being first duly sworn, say that I am the locator of the Mining Claim described in the within notice of the Mount Auburn No 1 Quartz Mining Claim, and that the foregoing notice is a full, true and correct copy of the original notice of location posted on said claim.

That I did between the 13th day of Nov 1905 and the 20th day of November 1905, perform the discovery or location work required by the statutes of the State of Oregon on said claim by excavating an open cut 6 ft deep, 11 ft long and 5 ft wide, and that said work was done on said claim within sixty days from the date of discovery thereof, and by said work there was disclosed a lode or vein of mineral deposit in place.

T. E. Davies
