F S Shaw

State of Washington
County of King

F S Shaw, being first duly sworn on oath deposes and says: I am a
resident of the State of Washington over the age of twenty one years; that I am interested,
as one of the owners, in the following mineral claims, situate in the County of Baker, in the
State of Oregon, and the same being on or near Wind Creek in said County and State, to wit:
The Porsupine, the Bluebird, the Greenback, the Oro Fino, the Last Dollar, the
Ruby and the Elden all of which are quartz claims.

Affiant says that during the year 1905 there has been expended upon said claims
above described, and which claims are all adjoining and in one group, more than the sum of
seven hundred and fifty dollars for work and labor performed in the way of development and
cross cutting and proper work which was expended in the connection of the development work
upon said claims; and that the same is within the affiant's knowledge.

F S Shaw,
Subscribed and sworn to before me this 26th day of December 1905.

In the Matter of Annual Labor for the year 1905 upon the Free Coinage Mining Claims.

State of Oregon
Baker County

I, Thomas H Dunn, being first duly sworn deposes and says: That I am a Citizen of
the U.S. of America and of the State of Oregon and am over twenty one years of age. That I
have done and performed work and labor during the year 1905 upon that certain group of
mining claims which are known and owned by the Free Coinage Gold Mining Co and consists of
the Dewey, Free Coinage, and Cora. That said labor consists of a Tunnel being extended upon
the Dewey a distance of 20 ft. and upon the Free Coinage a Tunnel being extended a distance
of 20 ft and 5 inches, and upon the Cora a Tunnel being extended a distance of 9 ft. and
making an open cut a distance of 12 ft in length which averages about 6 feet deep and 4 ft
wide, all of which is of the reasonable value of the sum of Three hundred Dollars and which
is the contract price to be paid therefor. That said work and labor so performed was so done
at the instance and request of the owner thereof and for its benefit.

TO ALL WHOM IT MAY CONCERN, Notice is hereby given that we, Geo G Hall & Chas Starr, citizens of the United States, over the age of twenty-one years, have on this 19th day of Dec 1905, discovered a vein or lode of mineral-bearing rock in place, bearing gold, silver, and other precious and valuable metals and minerals within the limits of the claim hereby located, which we have this day and in accordance with the Revised Statutes of the United States, Chapter 6, Title 32 named the Jack Mormon Quartz Mining Claim.

That the general strike or course of this vein or lode is northeast and southwest and that we claim 400 linear feet northeast and 1100 linear feet southwest of the point of discovery at which this notice is posted, together with 300 feet on each side of the center of said vein.

That said claim is located in the Cable Dave Mining District, in Baker County, State of Oregon, the discovery monument being placed 20 feet northeast from discovery shaft and corner stakes are set and marked according to law. This claim is a parallel claim to what is known as the Oregina Group and is on the north of the Medford and about 1/2 mile from the Imperial mine, in an eastwardly direction.

And we intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the State of Oregon.

Dated on the ground the 19th day of Dec 1905.

Geo G Hall, Locality
Chas Starr, Locality

State of Oregon
County of Baker

I, Geo G Hall being first duly sworn, say that I am one of the original locators of the Mining Claim described in the within notice of the Jack Mormon Quartz Mining Claim, and that the foregoing notice is a full, true and correct copy of the original notice of location posted on said claim.

That I did between the 19th day of December 1905, and the 20th day of Dec 1905, perform the discovery or location work required by the statutes of the State of Oregon on said claim by running an open cut 12 feet X 4 1/2 feet and 9 feet deep, and that said work was done on said claim within sixty days from the date of discovery thereof, and by said work there was disclosed a lode or vein of mineral deposit in place.

TO ALL WHOM IT MAY CONCERN: Notice is hereby given that I, W.H. Priestley, citizen of the United States, over the age of twenty-one years, have on this First day of January 1905, discovered a vein of mineral bearing rock in place, bearing gold, silver and other precious and valuable metals and minerals within the limits of the claim hereby located, which I have this day and in accordance with the Revised Statutes of the United States, Chapter 6, Title 32, named The Delta Quartz Mining Claim.

That the general strike or course of this vein or lode is southwest and northeast and that I claim 100 linear feet south of and 1,400 linear feet east of the point at discovery at which this notice is posted, together with 500 feet on each side of the center of said vein.

That said claim is located in the unorganized mining district, in Baker County, State of Oregon, the discovery monument being placed 100 feet north from S E 1/4 east and said claim is one particularly described and located by means of the natural objects and permanent monuments hereinafter mentioned, and is more particularly described by boundaries as follows, viz:

Commencing at the point of discovery at which this notice is posted, thence 100 ft. S W to south end, thence 300 feet westerly to #2 post; thence 1,500 northerly to #3 post; thence 300 feet easterly to #4; thence 300 feet easterly to #5; thence 1,800 feet southerly to #6; thence 300 westerly to #7 point of beginning. This is located about 1 mile north from the town of Berna joins the Poland on southeast.

And I intend to hold and work said claim in accordance with the local rules and customs of mines and mining laws of the United States and of the State of Oregon.

Dated on the ground the First day of January 1906.

Located Jan 1st 1906.

TO ALL WHOM IT MAY CONCERN Notice is hereby given that I, John Ashby, a citizen of the United States, over the age of twenty-one years, have on this 1st day of Jan 1906, discovered a vein or lode of mineral bearing rock in place bearing gold, silver and other precious and valuable metals and minerals within the limits of the claim hereby located, which I have this day and in accordance with the Revised Statutes of the United States, Chapter 6, Title 32, named the Portland Quartz Mining Claim.

That the general strike or course of this vein or lode is north and south and that I claim 250 linear feet north and 1250 linear feet south of the point of discovery at which this notice is posted, together with 300 feet on each side of the center of said vein.

That said claim is located in the Cracker Creek Mining District, in Baker County, State of Oregon, the discovery monument being placed 250 feet south from north and center stake and said claim is more particularly described and located by means of the natural objects and permanent monuments herein after mentioned, and is more particularly described by boundaries as follows, to wit:

Commencing at the point of discovery at which this notice is posted, thence 250 north to north and center stake, thence 300 ft east to NE corner, thence 1500 ft south to SE corner, thence 600 west to SW corner, thence 1500 north to NW corner, thence 300 ft east to north and center stake, place of beginning.

And I intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the State of Oregon.

Dated on the ground the 1st day of Jan 1906.

Witnesses:

L R Harris

John Ashby
State of Oregon
County of Baker

I, John Ashby, being first duly sworn, say that I am original locator of the
Mining Claim described in the within notice of the Portland Quartz Mining Claim, and that the
foregoing notice is a full, true and correct copy of the original notice of location posted on
said claim.

That I did between the 1st day of Jan 1906 and the 8th day of Jan 1906, perform the dis-
ccovery or location work required by the statutes of the State of Oregon on said claim
a tunnel 10 ft long, 6 ft high and 4 ft wide, and that said work was done on said claim
within sixty days from the date of discovery thereof, and by said work there was disclosed
a vein or lode of mineral deposit in place.

John Ashby
Subscribed and sworn to before me this 9th day of January 1906.

Columbia

TO ALL WHOM IT MAY CONCERN Notice is hereby given that I, Geo B Harris, a citizen
of the United States, over the age of twenty-one years, has on this 1st day of Jan 1906, dis-
covered a vein or lode of mineral bearing rock in place bearing gold, silver and other pre-
cious and valuable metals and minerals within the limits of the claim hereby located, which I
have this day and in accordance with the Revised Statutes of the United States, Chapter 6 Title
32, named The Columbia Quartz Mining Claim.

That the general strike or course of this vein or lode is north and south and that I
claim 300 linear feet north and 1300 linear feet south of the point of discovery at which
this notice is posted, together with 300 feet on each side of the center of said vein.

That said claim is located in the Cracker Creek Mining District, in Baker County,
State of Oregon, the discovery monument being placed 300 feet south from north end center
stake and said claim is more particularly described and located by means of the natural objects and
permanent monuments hereinafter mentioned, and is more particularly described by boundaries as
follows:

Commencing at the point of discovery at which this notice is posted, thence 300
north to north end center stake, thence 300 ft east to N E corner, thence south 1500 to S E
corner, thence 500 ft west to S W corner, thence 1500 north to N W corner, thence 300 east to
north end center place of beginning.

And I intend to hold and work said claim in accordance with the local rules and
customs of miners and mining laws of the United States and of the State of Oregon.

Dated the 1st day of Jan 1906
Located Jan 1st 1906.

Ontario

J H Clark

Notice is hereby given, that I, John H Clark, a citizen of the United States, have on this 30th day of Sept 1901, discovered and located a vein of mineral bearing rock in place, carrying gold and silver, which vein I have named "Ontario".

That the course of this vein is northeast and southwest, and that I claim running northeast 50 feet, and running southwest 1450 feet, of the discovery monument on which this notice is posted, and that I claim 300 feet on each side of the center of the vein.

That said vein is located in Cable Cove Mining District, Baker County Oregon, The discovery monument being placed 50 feet southwest from the northeast end of the vein, and is bounded and described as follows, to wit:

Commencing at the discovery monument, thence northeast 50 feet to center stake;
thence northwest 300 feet to a stake; thence southwest 1500 feet to a stake; thence southeast 600 feet to a stake; thence northeast 1500 feet to a stake; thence northwest 300 feet to the place of beginning.

This claim is the southwest extension of the Oro Mine No 2, the same being on the divide between Fruit Creek and Silver Creek.

Dated Sept 30th 1901.

John H Clark, Locater

Witnesses.
J E Mayers
L F Harris.

State of Oregon
County of Baker

I, John H Clark, being first duly sworn on oath, depose and say, that I am the locator of the claim described in the above notice of location of the Ontario mining claim; and that said notice is a full, true and correct copy of the original notice of location posted on said claim. That I did between the 30th day of Sept 1901, and the 8th day of November, 1901, perform the discovery work required by the statutes of the State of Oregon on said claim by mining an open cut 10 feet in length, four feet in width, six feet deep at the place of beginning, and ten feet at the rear. And said work was done on said claim
within sixty days from the date of location thereof, and that there was thereby disclosed a lode or vein or mineral deposit in place. That I make this affidavit in order to correct my original notice, for the reason that although I swore to the affidavit attached to said original location, before J F Kear, a Notary Public for Oregon, on the 9th day of November 1901, I omitted to sign said affidavit; and this location notice and affidavit is made for the purpose of correcting said error and omission. That I did the discovery work as required by law upon said claim, and have done the lawful assessment work each year since its said location, and that I still own said claim, and have full right to make this corrected location in the presence of.

John R Clark.

Subscribed and sworn to before me this 15th day of January 1906.

C Strasak et al

Arizona

TO WHOM IT MAY CONCERN: Notice is hereby given, that we Chas Strasak and J E Pugh, citizens of the United States of America, conforming to the mining laws thereof, and of the State of Oregon and local rules, regulations and custom of miners, have located and by this notice do locate claim known as the Arizona Lode or Mining Claim, said claim being discovered the 1st day of Jan 1906, and do claim 1500 hundred linear feet on this lead, lode or vein bearing mineral in place, by 500 hundred feet in width, the same being 300 hundred feet on each side of the center thereof, together with all dips, spurs and angles, and all other veins or lodes to the top of the apex of which lies within said boundaries.

Situated in no organized Mining District, County of Baker, State of Oregon, said location being described and marked on the ground as follows, to wit:

Commencing at this notice 300 ft west to west center and stake, thence 300 ft to the southeast corner post, thence 1500 ft east to the northeast corner post, thence 600 ft north to the northeast corner post, thence 1500 ft west to the southwest corner post, thence 300 feet north to the center and stake to the place of beginning.

This mine is situated about two mile north east of the Kid and Tedrow mine and about one mile and half north of the Rattlesnake mine, joins on the Tuscon on the northwest end line.

And we intend to hold and work said claim in accordance with the local customs and rules of miners and the Mining laws of the United States and of the State of Oregon.

Discovered Located Jan 1 1906.

Recorder.
NOTICE IS HEREBY GIVEN that we, the undersigned, citizens of the United States and over the age of twenty-one years, having complied with all the laws and regulations of the United States and of the State of Oregon, do hereby locate and claim 1500 linear feet in length by 600 feet in width, on this lode, lead or deposit of mineral-bearing ore, with all dyes, angles or spurs, situated in no organized mining district, in the State of Oregon, County of Baker, to be known as Gold Coin Claim No 6, an area more particularly described as follows, to wit:

Beginning at point of discovery, or place of notice, and running 300 feet in a northeasterly direction, parallel with and adjoining the south end line of Gold Coin Claim No 1, to the northeast corner stake; thence 1500 feet in a southeasterly direction to the southeast corner stake; thence 600 feet in a westerly direction to the southwest corner stake; thence 1500 feet in a northerly direction to the northwest corner stake; thence 600 feet in an easterly direction to the northeast corner stake.

Located on ground, this 18th day of November 1905.

T H White.
T W Ayers.

State of Oregon
County of Matilla

I, T H White, being first duly sworn, depose and say: That we the above signed have fully complied with the Statutes of the United States and with the Laws of the State of Oregon, as set forth in Section 3977 of Bellingham's Code, and have done and performed all work required by the provisions thereof upon said Gold Coin Claim No 6, above described.

Subscribed and sworn to before me this 17th day of January 1906.

T H White.
Notarial Seal
Annie W Markham,
Notary Public for Oregon.

State of Oregon
County of Baker

I, T H White, being first duly sworn, say, I am one of the locators of the above quartz claim, and that said locators have sunk a discovery shaft upon the above claim, hereby located, to a depth of at least ten feet from the lowest part of the site of such shaft, at the surface, which said shaft shows a ledge or vein of mineral deposit in place, and that said locators have in all things complied with the Laws of the State of Oregon, relating to the location work upon quartz claims, and that I have personal knowledge of the facts.

T H White.

Subscribed and sworn to before me, this 18th day of January, 1906.

Notarial Seal,

John B Sand,
Notary Public for Oregon.

Recorder.
TO ALL WHOM IT MAY CONCERN, Notice is hereby given that we citizens of the United States, over the age of twenty-one years, have on this 26 day of November, 1906, discovered a vein or lode of mineral bearing rock in place, bearing gold, silver and other precious and valuable metals and minerals within the limits of the claim hereby located, which we have this day and in accordance with the Revised Statutes of the United States, Chapter 6, Title 32, named The Angeles Quartz Mining Claim.

That the general strike or course of this vein or lode is northerly and southerly and that we claim 1400 linear feet southerly and 20 linear feet northerly of the point of discovery at which this notice is posted, together with 300 feet on each side of the center of said vein.

That said claim is located in no organized Mining District, in Baker County, State of Oregon, the discovery monument being placed 20 feet south from north center and stake and said claim is more particularly described by boundaries as follows, to wit:

Commencing at the point of discovery at which this notice is posted, thence 20 ft northerly to north center and stake; thence 300 ft easterly to N E corner stake; thence 1500 ft southerly to S E corner stake; thence 300 ft westerly to south center and stake; thence westerly 300 ft to S W corner stake; thence northerly 1500 ft to N W corner stake; thence easterly 300 ft to north center and stake. Said claim is located about 1 mile N westerly from Bald Mountain Mine.

And we intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the State of Oregon.

Dated on the ground the 26 day of November, 1906.

Witnesses:
Thos. Bessler
I. P. Bessler, Locators

State of Oregon
County of Baker

I, Thos. Bessler, being first duly sworn, say that I performed the location assessment work for A M & I P Bessler, the locators of the Mining Claim described in the within notice of the Angeles Quartz Mining Claim, and that the foregoing notice is a full, true and correct copy of the original notice of location posted on said claim.

That I did between the 1st day of Jan 1906, and the 17 day of Jan 1906, perform the discovery or location work required by the statutes of the State of Oregon on said claim by sinking a shaft 10 ft deep by 4 ft x 5 ft, and that said work was done on said claim within sixty days from the date of discovery thereof, and by said work there was disclosed a lode or vein of mineral deposit in place.

Thos. Bessler,
Subscribed and sworn to before me this 12 day of Jan 1906.

Quartz Mining Claim extending 1500 feet east 4/8 west and 1200 feet from this notice
at the discovery or prospect shaft, which is the exterior boundary of this claim being distinctly marked by reference to some natural object or permanent monu-
ment, and more particularly described as follows, to wit:

Commencing at SW corner stake No 1 and running 300 feet north to center end and stake
then 300 feet north to N W corner stake No 2; then 1200 feet east to nor'wester corner stake No 3; then south 300 feet to corner stake No 4; then south 300 feet to S E corner stake No 5; then south 300 feet to south to S E corner stake No 6, then west 1500 feet along
the north side line of the Gallagher and Sunshine to the place of commencing. This claim
situated about 1200 feet north of Main Manning's Creek and north of the Gallagher and Sunshine
quartz Mining claim and known as the Ida quartz mining.

And I intend to work and hold said claim as provided by local custom and rules of
Miners and Mining States of the United States, and of the State of Oregon.

Dated on the ground this 16 day of January 1906.

James Gallagher, Locator
Attest: James A Peterson

State of Oregon

County of Baker

I, James Gallagher, do solemnly swear that I am a citizen of the United States
of America, that I am acquainted with the quartz claim described in the within notice of location,
called the Ida Quartz Claim. That the locator of said claim has prior to the date of
this affidavit and since the date of posting of the location notice thereon, has excavated
an open cut six feet deep, four feet wide and ten feet in length along the lode.

James Gallagher

Subscribed and sworn to before me this 2nd day of Feby 1906.

Before me, the subscriber personally appeared J.R. Hardman and W.J. Payton, who being duly sworn says that at least One Hundred ($100.00) dollars worth of labor or improvements were performed or made upon that certain lode claim, known as the Orion No. 1, situated in an unorganized mining district, in Baker County, State of Oregon and was particularly described as follows, to wit: Said claim is located in Bear Gulch about 200 yards in an easterly direction from Amelia Creek, and about 80 rods southeast of the crossing of Amelia Creek by the El Dorado Ditch. Said claim lies southwest of Unity Ore, about 5 miles, situated in Mining District, Baker County, State of Oregon, for the year ending December 31st, 1905. Such expenditure was made by or at the expense of W. Lovejoy, owner of said claim, for the purpose of holding said claim.

J.R. Hardman
W.J. Payton

Subscribed to in my presence and sworn to before me this 27th day of January

Alaska

TO ALL WHOM IT MAY CONCERN Notice is hereby given that I, the undersigned, a citizen of the United States, over the age of twenty-one years, have on this first day of January 1906, discovered a vein or lode of mineral-bearing rock in place, bearing gold, silver and other precious and valuable metals and mineral within the limits of the claim hereinafter described, which I have this day and in accordance with the Revised Statutes of the United States, Chapter 6, Title 32, named the Alaska Quartz Mining Claim.

That the general strike or course of this vein or lode is northeast and southwest, and that I claim 700 linear feet easterly and 500 linear feet westerly of the point at discovery at which this notice is posted, together with 300 feet on each side of the center of said vein.

That said claim is located in the Cracker Creek Mining District, in Baker County, State of Oregon, the discovery monument being placed 700 feet from east and line and said claim is more particularly described and located by means of the natural objects and permanent monuments heretofore mentioned, and is more particularly described by boundaries as follows, to wit:

Beginning at the point of discovery at which this notice is posted, thence 800 ft, westerly to W center line stake, thence north 300 ft to N.W. corner, thence easterly 1500 ft to N.E. corner, thence S 300 ft to east center and stake, thence continuing 300 ft to S.E. corner, thence 1500 ft westerly to S.W. corner, thence 300 ft northerly to west center and
This claim lay west of and joining the Mountain Loin quartz chain. This claim was known, prior to, as the Astoria claim.

And I intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the State of Oregon.

Dated on the ground the 1st day of January 1906,

Discovered 1st January 1906.

Located 1st January 1906.

Witnesses: William Neil Albert Weiss, Locator

State of Oregon
County of Baker

I, W. F. Murphy, being first duly sworn, say that I am the agent of W. G. Perkins, locator of the mining claim described in the within notice of the Highland quartz mining claim, and that the foregoing notice is a true, correct, and full copy of the original notice of location posted on said claim.

That I did, between the 1st day of January 1906, and the 10th day of February 1906, perform the discovery or location work required by the statutes of the State of Oregon on said claim by drifting on the vein or lode opened up on said claim under an old location thereof, distance of thirty six feet, and that said work was done on said claim within sixty days from the date of discovery thereof, and by said work there was disclosed a vein or lode of mineral deposit in place.

W. F. Murphy
Subscribed and sworn to before me this 12th day of February 1906.

Notarial Seal
J. H. Chance, Notary Public for Oregon.

Recorder.
Notice is hereby given to all whom it may concern, that I, W G Perkins, a citizen of the United States and over the age of 21 years, has discovered a vein or lode of quartz or rock in place gold bearing, within the limits of the claim hereby located and has this day under and in accordance with the Revised Statutes of the United States, located 1500 linear feet of this vein or lode, with surface ground 500 feet in width, situated in Cracker Creek Mining District, County of Baker and State of Oregon, and known as the Millie mining claim and extending: Bounded on W W by the Highland Quartz Mine, the exterior boundaries of this claim being distinctly marked by reference to some natural object or permanent monument, and more particularly described as follows: Beginning on the south line at center post, running 300 ft S W by W to corner 1, thence N E by N 1500 ft to corner 2, thence S E by S 300 ft to center post on N line, thence 300 ft S E by S to corner 3, thence N W by W 1500 ft to corner 4, thence N W by W 300 ft on E line to center post.

I intend to hold and work the said claim as provided by the local custom and rules of miners and the mining statutes of the United States and the State of Oregon.

That the said mine hereinabove referred to is a mine which is abandoned, and the location has been abandoned by the people formerly at the said mine, but that there has been sunk upon this property a prospect and discovery shall sufficient to develop the fact that there is gold in the said mine.

The name of this claim is as follows: Millie.
The name of the location is as follows: W G Perkins.
The date of the location is as follows: January 1st, 1906.
The number of linear feet claimed along the vein or lode each way from the point of discovery within a width on each side of said vein or lode is as follows: 100 ft northeast 1400 ft southwest, 300 ft on each side of vein.

The general course or strike of the vein with reference to certain natural or permanent monuments is as follows and the boundaries are as follows: General strike north-easterly, situated about 1/2 mile S E of the Town of Burns.

In the presence of us as witnesses.

W G Perkins
Herbert L Davies

Dated on the ground the 1st day of January, 1906.
Discovered the 1st day of January 1906
Located the 1st day of January 1906.

TO WHOM IT MAY CONCERN: This is to certify that the undersigned, have discovered a vein of mineral bearing rock in place and have located 1500 ft along this lode by 600 ft in width of which is the "Gates of Gold" and is situated in Baker County, Oregon, on the west side of Marley Hill.

This claim has been amended for the purpose of extending the claim further in a northerly direction the lode having been revealed on the surface further in that direction. The direction and description of the claim as amended is as follows: Commencing at this discovery and running 900 ft northerly to northerly end center stake, thence 300 ft easterly to northeast corner stake, thence 1500 ft southerly to southeast corner stake and rock mound, thence 300 ft westerly to southerly end center stake, thence 300 ft westerly to southeast corner stake, thence 1500 ft northerly to northwest corner stake, thence 300 ft easterly to northerly end center stake, thence to starting point.

Amended this 24 day of December 1905.

R.W. Dickson

NOTICE TO HENRY GIVEN, That a vein of mineral bearing rock has been discovered and taken up, in accordance with the laws of Oregon, by R.W. Dickson, locator this 13th day of January 1906 claiming 1500 linear feet in length and 600 linear feet in width along the vein or lode from the point of discovery and 300 feet wide on each side of said vein or lode, the general course or strike of which is, as near as can be determined, bounded as follows:

Beginning at location hole where notice is posted, thence 600 feet southwest to S.W. center end, thence 300 feet to southwest corner, thence 1500 feet to northwest corner, thence 300 to northeast corner or ad line, thence 300 feet to northeast corner, thence 1500 feet to southeast corner, thence 300 feet to southeast center end line, thence 600 feet back to place of beginning and where notice is posted the strike of vein is about northeasterly and southeasterly in Baker County, State of Oregon, and shall be known as the Edith Mine. This is a location of the Line Hill Mine on the southwest fork of Spring Creek and about one mile from Snake River and about two miles below Ballard's Landing and is bounded on the west end by the Hazel Mine.

R.W. Dickson, Locator.

State of Oregon
County of Baker

I, R.W. Dickson, being duly sworn, do solemnly swear that I am personally acquainted with the Edith D. Mining Claim in the unorganized Mining District, County and State aforesaid, that said claim was located by R.W. Dickson and a Notice of Location posted up thereon January 13th, 1906, a copy of which notice is hereto annexed, and that I have done the work upon said claim, as required by law, to wit: Showing a lode or vein of mineral deposit in place.

R. Dickson

NOTICE IS HEREBY GIVEN TO ALL WHOM IT MAY CONCERN, that E. Lawson, citizen of the United States, over the age of twenty-one years, have discovered a vein or lode of quartz or rock in place, bearing gold and silver within the limits of the claim hereby located, and have this day under and in accordance with the Revised Statutes of the United States, Chapter Six, Title Thirty-Two, located 1500 linear feet of this vein or lode, with surface ground 600 feet being 300 feet each side of vein in width situated in no mining district, county of Baker, State of Oregon, and known as the Only Hope Quartz Mining Claim extending 800 feet west to west end line and 700 feet east to east end line from this notice at the discovery or prospect shaft, which is 700 feet from east and line and 800 ft from west and line the exterior boundaries of this claim being distinctly marked by reference to some natural object or permanent monument, as more particularly described as follows, to wit:

From this location shaft which is about 100 ft north of the county road the center line runs across Paddy Creek right at wagon bridge on what is known as the Ox Bow.

This claim is about 1000 ft north and up the Creek from the old Whitaker Auranja.

And I intend to work and hold said claim as provided by local customs and rules of Miners and Mining Statutes of the United States.

Dated on the ground this 1 day of January 1906.

E. Lawson, Locator

Attest: E. L. Whitaker,
Manie Chambers

State of Oregon as
County of Baker

I, E. L. Whitaker, do solemnly swear that I am a citizen of the United States of America, that I am acquainted with the quartz claim described in the within notice of location and said the Only Hope Quartz Claim. That the locator of said claim has prior to the date of this affidavit and since the date of posting of the location notice thereon, has excavated an open cut six feet deep, four feet wide and 13 feet in length along the lode. That I did work upon the said mining claim and have actual knowledge of the facts of said work.

E. L. Whitaker,

Subscribed and sworn to before me this 2 day of March 1906.

State of Oregon

Before me the subscriber personally appeared Ed Butz Jr., who being duly sworn says that at least $400,000 (Four Hundred Dollars) worth of labor and improvements were performed or made upon the Knob Hill group of four claims, better known and described as follows:

The Knob Hill recorded on page 490, Book X Baker County Book of Quartz; The Short Stop claim, recorded on page 495, Book X Baker County Book of Quartz; The Black Eagle Claim, recorded on page 501, Book X Baker County Book of Quartz; Tha Dauntless Claim, recorded on page 500, Book X Baker County Book of Quartz. All situate in Baker County, in the Seven Devils Mining District, and all being contiguous and forming a group.

That said work and improvements were performed between the first day of January 1905, and the 31st day of December 1905. Such expenditure was made by or at the expense of the Consolidated Copper Company, the owners of said claims, for the purpose of holding said claims.

Subscribed and sworn to before me this 6th day of March 1906.

C. H. Brooks
Baldy.

To all whom it may concern: Notice is hereby given that the undersigned citizen of the United States, over the age of twenty-one years, has, on this 14 day of February 1906 discovered a vein or lode of mineral bearing rock in place, bearing gold, silver and other precious and valuable metals and minerals within the limits of the claim hereby located, which I have this day and in accordance with the Revised Statutes of the United States, Chapter 6, Title 32, named the Baldy Quartz Mining Claim.

That the general strike or course of this vein or lode is Northerly and Southerly and that I claim 20 linear feet Northerly and 480 linear feet Southerly of the point of discovery at which this notice is posted, together with 300 feet on each side of the center of said vein that said claim is located in no organized mining district, in Baker County, State of Oregon, the discovery monument being placed 20 feet Southerly from North center and stake and said claim is more particularly described and located by means of thenatural objects and permanent monuments hereinafter mentioned, and is more particularly described by boundaries as follows, to-wit:

Commencing at the point of discovery at which this notice is posted, thence 20 feet Northerly to North center and stake thence Westerly 300 feet to N.W. corner stake, thence Southerly 1500 feet to S.W. corner stake thence Easterly 300 feet to S. Center and stake thence 300 feet to S.E. corner stake, thence Northerly 1500 feet to N.E. corner stake, thence Westerly 300 feet to North center and stake. This claim is bounded on the North by the Big 4 quartz claim, and on the East by the same stake quartz claim.

And I intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the State of Oregon.

Dated on the ground the 14th day of February, 1906.

Witness: Thos. Hasser

C. H. Brooks, Locater.
State of Oregon

County of Baker

I, C.H. Brooks, being first duly sworn, say that I am the locator of the mining claim described in the within notice of the Baldy quartz mining claim, and that the foregoing notice is a full, true and correct copy of the original notice of location posted on said claim. That I did between the 14th day of Feb. 1906 and the 9th day of March 1906, perform the discovery or location work required by the statutes of the State of Oregon on said claim by sinking a shaft on the vein of said claim 10 ft. deep by 4 ft. X 6 ft. and that said work was done on said claim within sixty days from the date of discovery thereof, and by said work there was disclosed a ledge or vein of mineral deposit in place.

C. H. Brooks.

NOTICE IS HEREBY GIVEN TO ALL WHOM IT MAY CONCERN, THAT J P Cooper, citizen of
the United States, over the age of twenty one years, has relocated a vein or orebody of quartz,
or rock in place, bearing gold within the limits of the claim hereby located, and have
this day under and in accordance with the Revised Statutes of the United States, Chapter
Six, Title Thirty-Two, located 1500 linear feet of this vein or orebody, with surface ground
600 feet in width situated in Sutton Creek Mining District, County of Baker State of Oregon,
and known as the New York Quartz Mining Claim extending feet to and feet
from this notice at the discovery or prospect shaft, which is 750 feet from and lines
the exterior boundaries of this claim being distinctly marked by reference to some natural
object or permanent monument, and more particularly described as follows, to wit:

Beginning at discovery shaft running 750 feet in a easterly direction to a
tree and stake plainly blazed and marked east center and stake, thence 300 feet in a northerly direction to a tree marked northeast corner, thence 1500 feet in a westerly direction
to a tree and stake marked northwest corner, thence 300 feet in a southerly direction
to a tree and stake marked west center and thence 300 feet in a southerly direction
to a tree and stake marked southwest corner, thence 1500 feet in a easterly direction to a
tree marked southeast corner, thence 300 feet in a northerly direction to east center and
stakes all trees and stakes are plainly blazed and marked. This claim is situated between
the middle and west fork of Sutton Creek and is bounded on the north by the Minnesota and is
About 1 1/2 miles north of Mcdade's Sawmill.

This is a relocation of the New York later called the Gold Bug.

And I intend to work and hold said claim as provided by local customs and rules
of Mining and Mineral Statutes of the United States.

Dated on the ground this first day of January 1906.

KNOW ALL MEN BY THESE PRESENTS, that I, W. R. Follis, the undersigned citizen of
the United States, over the age of twenty-one years, having complied with all the require-
ments of the laws of the United States and the State of Oregon, relating to mining claims,
and with the local laws, customs, rules and regulations, hereby make and file this amended
location of the Tillamook lode, claiming by right of discovery, location, prior appropriation
and possession 1500 feet, linear and horizontal measurement, on this vein or lode of quartz, or
other rock in place, bearing gold silver and copper and other valuable minerals, with all dips,
variations and angles, the same being 1450 feet along the ledge in a N Easterly direction
from the discovery stake, and 50 feet along the ledge in a S Westerly direction thencefrom,
together with 300 feet in width on each side of the middle of said ledge, and all veins, lodes,
ledges, mineral deposits, mineral and surface ground within the lines of said claim.

Situate in the County of Baker, State of Oregon and more particularly described as
follows, to wit:

Beginning at this location stake and notice and running N 23° 45' E 1450 feet and be-
ginning again at this stake and notice and running S 23° 45' W 50 feet to the S W center end
stake, thence N 66° 15' W 1500 feet to S W cor stake, thence N 23° 45' E 1500 feet to the N W
cor stake, thence S 66° 15' E 300 feet to N E center end stake, thence S 66° 15' E 300 feet to
N E cor stake, thence S 23° 45' W to S E cor stake, thence N 66° 15' W to S W center end and
the place of beginning this boundary survey. This claim is in the eastern part of Baker Co Ore
and on Iron Dyke mountain and about one mile west from J. N. Pearson's store in Homestead, and
the N E cor is 175 feet 23° 45' E from cor No 4 Shartner claim, one of the Iron Dyke group,
Patent No 466 and is bounded on the E by the Kentucky mining claim.

THIS AMENDED LOCATION is made in conformity with the original location, made
Jany 5th 1902, recorded March 3rd 1906, in Book R page 612 of quartz locations, in the offi-
cine of the Recorder of said county and it is made for the purpose of appropriating all
ground within the boundaries hereinafter described, except at the N E cor where it laps onto
the Shartner claim and of more definitely describing the situation and boundaries of said
lode, correcting any irregularities, informalities or errors, supplying omissions and
correcting any defects which may have existed in the original location, or the records hereof,
hereby waiving no rights acquired under and by virtue of said original location.

Date of Original Discovery Jany 5th A.D. 1902
Date of Amended Location March 5th A.D. 1906.

Recorder.
KNOW ALL MEN BY THESE PRESENTS: That I, Frank E. Pearce, Agent for Frederick Brevellier, lawful owner of the above named mining claim, being a citizen of the United States, and over 21 years of age, having complied with all the Mining Laws in regard to locating mining claims; hereby make and file this amended location of the lookout lode, claiming by right of discovery, location, prior appropriation and possession, 150 feet, linear and horizontal measurement on this vein or mineral bearing rock in place, bearing gold, silver and copper along the course of said vein. Being 1400 feet N 21° 18' E from this discovery stake and notice, and 20 feet S 21° 18' W from said discovery stake, together with 300 feet on each side of the center at the surface, and all veins, lodes, mineral deposits and surface ground within the lines of said claim, and more particularly described as follows, to wit:

Beginning at this location notice and stake and running 20 feet S 21° 18' W to center and stake; thence 300 feet S 77° 15' E to S E corner stake; thence 150 feet N 21° 18' E to N E corner stake; thence 300 feet N 77° 15' W to center and stake; thence 300 feet N 77° 15' W to N W corner stake; thence 1500 feet S 21° 18' W to S W corner stake; thence 300 feet S 77° 15' E to center and stake, the place of beginning, this boundary survey.

This claim is situated in the eastern part of Baker County, Oregon, on Iron Dyke hill or mountain, and the N E corner is 412 feet S 30° 57' W from corner No. 5 of the Shafter lode, one of the Iron Dyke group of patented claims, survey No. 466.

This claim is bounded on the north by the Keystone Fraction, on the west by the Kentucky, on the south by the Lida and on the east by the Apex Fraction.

This amended location is made in conformity with the original location which was made May 22nd 1899, and was recorded on June 13th 1899 in book 8 on page 367 of quartz locations in Union County, Oregon, and is made for the purpose of appropriating all the ground within the boundaries herein before mentioned, and of more definitely describing the situation and boundaries of said claim. Correcting any irregularities, informalities, or errors, and supplying any defects which may exist in the former location, or the records, hereby waiving no rights acquired under and by virtue of said former location.

Filed this 9th day of March 1906.

Frederick Brevellier,
By Frank E. Pearce, his Agent.

TO ALL WHOM IT MAY CONCERN: Notice is hereby given that I, C A McPadden, a citizen of the United States, over the age of twenty-one years, on this 8th day of Feb 1906 discovered a vein or lode of mineral bearing rock in place, bearing gold, silver and other precious and valuable metals and mineral within the limits of the claim hereby located, which I have this day and in accordance with the Revised Statutes of the United States, Chapter Six Title 32 named The Mt Belle Quartz Mining Claim.

That the general strike or course of this vein or lode is northeast and southwest and that I claim 1350 linear feet south and 150 linear feet northeast of the point of discovery at which this notice is posted, together with 300 feet on each side of the center of said vein.

That said claim is located in the unorganized Mining District, in Baker County, State of Oregon, the discovery monument being placed 150 feet S W from N E end center and said claim is more particularly described and located by means of the natural objects and permanent monuments herein referred to and mentioned, and is more particularly described by boundaries as follows, to wit:

Commencing at the point of discovery at which this notice is posted, thence 150 N E end center post No 1, thence 300 ft S E to P No 2, thence 1500 ft S W to P No 3, thence 300 ft N W to S W end center P No 4, thence 300 ft N W to P No 5, thence 1500 ft N E to P No 6, thence 300 ft S E to P No 1 or place of beginning, being the N E and WNW 1500 ft from County road on Powder River, five miles from Sumpter, joining the said claim.

And I intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the State of Oregon.

Dated on the ground the 8th day of Feb 1906.

Discovered 1906
Located Feb 8, 1906.

State of Oregon
County of Baker

I, Arthur Oliver, do solemnly swear that I am a citizen of the United States of America. That I am acquainted with the quartz claim described in the within notice of location called the "Midnight" quartz Claim. That the locators of said claim has prior to the date of this affidavit and since the date of posting of the location notice thereof, sunk a shaft ten feet in depth from the lowest part of the collar thereof.

A. Oliver,

Subscribed and sworn to before me this 18th day of April 1906.

Piled for record April 10 1906 at 3 PM

Recorder.
NOTICE IS HEREBY GIVEN, That I, the undersigned citizen of the United States of America, conforming to the mining laws thereof and of the State of Oregon and the local rules, regulations and customs of miners, have this 4th day of March A.D. 1906, located and do claim 1500 linear feet on this lead, lode or vein bearing mineral in place, by 500 feet in width, the same being 300 feet on each side of the center thereof, together with all dips, spurs and angles and all other veins or lodes; the tops or spkes of which lie within said boundaries.

This location is named the Never Sweat No 6 Lode or Mine, and is situated in Baker County, State of Oregon.

This claim is situated on the south side of Hall Creek about 3/4 mile from where it flows into the Snake River and extends south from Hall Creek to the divide between Hall Creek and Herman Creek and is bounded on the S. by Mineral Wonder, on the E. by the Never Sweat No 2, and on the N. by Never Sweat No 3 and the discovery monument upon which this notice is posted is situated about one mile in a westerly direction from Ballards Ferry and on Hall Creek.

This lead, lode or vein extends 25 feet in a N. westerly direction, and 1475 feet in a S. westerly direction from the discovery monument, and the claim is bounded and described as follows: Commencing at the S. West center and monument which is situated 1475 feet in a S. westerly direction from the discovery monument, running thence in a N. westerly direction 300 feet to the southwest corner monument; thence in a N. easterly direction 1500 feet to the N. west corner monument; thence in a S. easterly direction 300 feet to the N. east corner monument; thence continuing in a S. easterly direction 300 feet to the S. E. corner monument; thence in a S. westerly direction 1500 feet to the S. E. corner monument; thence in a N. westerly direction 300 feet to the said southwest center and stake the place of beginning.

All the monuments aforesaid are marked upon the side facing toward the discovery with the name of the claim and corner or end center which each of said monuments represents, and all of said monuments are at least four inches in diameter and at least four feet high above ground.

Located on the 4th day of March A.D. 1906.

W. R. Pollis, locator and claimant.

State of Oregon

County of Baker

I, W. R. Pollis, do solemnly swear that I am a citizen of the United States of America, and that I am acquainted with the mining ground described in this notice of location, and herewith called the Never Sweat No 6 lode or claim; that the ground and claim therein described or any part thereof has not to the best of my knowledge and belief been located according to the laws of the United States and of this State, or if so located that the same has not been abandoned or forfeited by reason of the failure of such former locators to comply in respect thereto with requirements of said laws, and that I have opened up new ground to the extent or depth of ten feet as required by the laws of Oregon and that all stakes and monuments or trees marking boundaries of said claim are in proper place and positions.

W. R. Pollis,

Subscribed and sworn to before me this 11th day of March A.D. 1906.

E. P. Hoxley, Notary Public for Oregon.

Notarial Seal

Filed for record April 14, 1906 at 8 A.M.

Recorder.
TO ALL TO WHOM IT MAY CONCERN, Notice is hereby given that I, W.H. Priestley, a citizen of the United States, over the age of twenty-one years, have on this 20th day of Feb. 1906, discovered a vein or lode of mineral bearing rock in place, bearing gold, silver and other precious and valuable metals and mineral within the limits of the claim hereby located, which I have this day and in accordance with the Revised Statutes of the United States, Chapter 6, Title 32, named The Annie Conie Extension Quartz Mining Claim.

That the general strike or course of this vein or lode is northeast and southwest and that I claim 300 linear feet northeast and 200 linear feet southwest of the point at discovery at which this notice is posted, together with 300 feet on each side of the center of said vein.

That said claim is located in the unorganized Mining District, in Baker County, State of Oregon, the discovery monument being placed 200 feet northeast from S.W. corner post and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinafter mentioned, and is more particularly described by boundaries as follows, to wit:

Commencing at the point of discovery at which this notice is posted, thence 200 ft S.W. to S.W. corner P.N. 1, thence 300 ft S.E. to post No. 2, thence 1500 ft N.E. to post No. 3; thence 300 ft N.W. to P.N. 4 northwest end center; thence 300 ft N.W. to P. No. 5; thence 1500 ft S.W. to P. No. 6; thence 300 ft S.E. to P. No. 1 place of beginning, laying in the N.E. end of the Ann Conie, 300 ft from Bourne & Sumpter wagon road on the N.E. side of and about five miles from Sumpter.

And I intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the State of Oregon.

Dated on the ground the 20th day of Feb. 1906.
Located Feb. 20, 1906.

Witnesses:
Martha Priestley

W. H. Priestley, Locator

State of Oregon

County of Baker

I, W.H. Priestley, being first duly sworn, say that I am the locator of the Mining Claim described in the within notice of the Ann Conie Quartz Mining Claim, and that the foregoing notice is a full, true and correct copy of the original notice of location posted on said claim.

That I did between the 20th day of Feb. 1906 and the 15th day of April 1906 perform the discovery or location work required by the statutes of the State of Oregon on said claim by running an open cut and by removing therefrom at least 240 cu. ft. of earth and rock and by exposing the vein in place therein, and that said work was done on said claim within sixty days from the date of discovery thereof, and by said work there was disclosed a lode or vein of mineral deposit in place.

Subscribed and sworn to before me this 15th day of April 1906.

W.H. Priestley,

KNOW ALL MEN BY THESE PRESENTS, THAT I, E.A. Burns, of the County of Baker, State of Oregon, do hereby make and file this, my amended certificate of location upon the Last Chance Lode Mining Claim, situated in the Iron Dyke Mining District, County of Baker, State of Oregon, claiming three hundred feet in width on each side of the center of said lode at the surface, and all veins, lodes and ledges within the lines of said claim, with their dips, variations and angles, 670 ft. on said lode running northerly from center of discovery, and 30 ft. running southerly from center of discovery.

Said lode claim is bounded and described as follows, to wit: Beginning at the southern center end, from which the discovery bears N 44° E 30 ft.; thence S 77° 03' W 377.7 ft. on line 1 & 4 Madie lode to cor No 2 Schley lode (survey) thence N 54° 20' E 572.4 ft., on line 2 & 3 Schley lode to cor No 3, Schley lode (survey) thence S 77° 03' W 80 ft. on line 3 & 4 Schley lode to cor No 3 Shley lode (surveyed) thence N 44° 20' E 360 ft. on line 3 & 4 Shley lode to cor No 4 Shley lode (survey) thence S 77° 03' E 52.5 ft. to north end center Last Chance lode, 52.5 ft. to northeast corner Last Chance lode, thence S 23° E 688 ft. to southeastern corner Last Chance lode, thence S 77° 03' W 300 ft. to intersect line 3 & 4 Madie lode, thence N 4° 42' W on line 3 & 4 Madie, 30 ft. to cor No 4 Madie lode, thence S 77° 03' W 70 ft. on line 1 & 4 Madie lode to the place of beginning.

This is the same lode of which the original location certificate made by S.E. Hunter and E.A. Burns is filed in book 77 page 66 in the office of the clerk and recorder of said Baker County.

This amended certificate is filed without waiver of any previous rights, for the purpose of correcting and making more specific the boundaries and description of said lode as originally located upon the ground. Date of original location, April 28, 1902. Date of certificate, April 9th 1906.

certifying as follows:

That on the day of a vein or lode of rock in place bearing gold and silver
and other deposits of value was discovered within the limits of said claim by William Wylie,
who thereafter located said claim, and marked the same upon the ground, and posted thereon a
location notice, a copy of which was filed for record in the office of the Recorder of Con-

That the name given said claim in said original location and the name given it by
this amended location is the "Yellow Jacket" quartz mining claim.

That there is claimed by this amended location 1540.50 feet along said vein or
lode the same being 1497.30 feet in a westerly direction from the discovery point where this
notice is posted and 1497.30 feet in a westerly direction from said discovery with varying width
on each side of said vein or lode.

That the general course or strike of said vein is westerly from the east center
and post on said claim, the location of which is fixed in the description of said claim as
hereinafter set forth.

That said claim is situated in the County of Baker and State of Oregon, and is mar-
ked on the ground and described as follows, to wit:

Beginning at Cor No. 1, thence the quarter corner in the north boundary of Sec. 1,
T 9 S R 36 E W M. E. 45° 10' E 5380.90 ft., thence S 72° 16' W, 1497.30 ft to Cor No. 2,
thence S 17° 42' E 260.53 ft; to the east center, thence the discovery cut bears N 72° 16'
W 1497.30 feet, thence S 17° 42' E 300 feet to Cor No. 3; thence N 72° 16' W 1497.30 ft to
Cor No. 4, thence N 17° 42' W 300 ft to said center, thence the discovery bears S 72° 16'
E 10 feet, thence N 17° 42' W 260.53 feet to Cor No. 1, the place of beginning.

Each of said corners and the center ends of said claim being marked on the ground
by posts not less than four inches square and extending three feet or more above the ground.

That I am the owner of said claim by means conveyance from the original locator
thereof, and make this amended location for the purpose of more definitely and accurately
describing said lode, and designating the exterior boundaries thereof, without waiver of any
rights acquired under said original location, or heretofore existing in favor of said locator
or his grantees.

Dated and posted on the ground this 27th day of April, 1906.

Recorder.
NOTICE IS HEREBY GIVEN: That I, N C Richards, a citizen of the United States, over the age of twenty one years, hereby make an amended location of the Montezuma quartz claim, certifying as follows:

That on the day of a vein or lode of rock in place bearing gold and silver and other deposits of value was discovered within the limits of said claim by William Wylie, who thereupon located said claim, and marked the same upon the ground, and posted them on a location notice, a copy of which was filed for record in the office of the Recorder of Conveyances of Baker County, Oregon, in Vol "N" of quartz mining records at page 49 thereof.

That the same given said claim in said original location and the same given it by the amended location is the Montezuma quartz mining claim.

That the general course or strike of said vein is easterly feet from the west center end post on said claim, the location of which is fixed in the description of said claim as hereinafter set forth.

That said claim is situated in the County of Baker and State of Oregon, and is marked on the ground and described as follows, to wit:

Beginning at Cor No 1, whence the quarter corner on the north boundary of Sec 1, T 9 S R 36 E W bears N 35° 14' E 4347.00 feet; thence S 1° 06' E 300 feet to the east end center, whence discovery bears N 72° 16' W 1399.30 feet; thence S 1° 06' E 300 feet to Cor No 2, and thence W 1° 06' W 300 feet to Cor No 3, thence N 1° 06' W 300 feet to the W end center, whence discovery bears S 72° 16' E 100.70 feet, thence N 1° 06' W 300 feet to Cor No 4, thence S 72° 16' E 1500 to cor No 1, the place of beginning, lode.

Each of said corners and the center ends of said claim being marked on the ground by posts not less than four inches square, and extending three feet or more above the ground.

That I am the owner of said claim by means conveyances from the original locators thereof, and make this amended location for the purpose of more definitely and accurately describing said lode, and designating the exterior boundaries thereof, without waiver of any rights acquired under said original location, or hereinafter existing in favor of said locator or his grantees.

Dated and posted on the ground this 27th day of April 1906.

NOTICE TO HEARING GIVER: That I, N C Richards, a citizen of the United States, over the age of twenty-one years, hereby make an amended location of the "Chrysolite" quartz claim, certifying as follows:

That on the day of a vein or lode of rock in place bearing gold and silver and other deposits of value was discovered within the limits of said claim by W T Kane, and William Wylie, who thereupon located said claim, and marked the same upon the ground, and posted thereon a location notice, a copy of which was filed for record in the office of the Recorder of Conveyances of Baker County, Oregon, in Vol N record of quartz locations at page 297.

That the name given said claim in said original location and the name given it by this amended location is the Chrysolite quartz mining claim.

That there is claimed by this amended location 1500 feet along said vein or lode with 300 feet of surface ground on each side thereof, the same extending 555 feet in an N Ely direction from the discovery point where this notice is posted, and 145 feet in a S Wly direction from said discovery with

That the general course of strike of said vein is southwesterly from the S E center end post on said claim, the location of which is fixed in the description of said claim as hereinafter set forth.

That said claim is situated in the County of Baker and State of Oregon, and is marked on the ground and described as follows, to wit:

Beginning at Cor No 1, whence the quarters section corner on the E boundary of Sec 4, T 9 S R 36 E W M bears N 39° 7' 30" E 211.48 feet; thence N 45° 13' E 1500 feet to Cor No 2; thence S 60° 31' E 300 feet to N E end center, whence the discovery bears S 60° 31' W 555 feet; thence S 60° 31' E 300 feet to Cor No 3, thence S 45° 13' W 1500 feet to Cor No 4; thence N 60° 31' E 300 feet to S W end center, whence the discovery bears N 45° 13' W 945 feet; thence N 60° 31' E 300 feet to cor No 1, the place of beginning.

Each of said corners and center ends of said claim being marked on the ground by posts not less than four inches square and extending three feet or more above the ground.

That I am the owner of said claim by mesne conveyance from the original locator thereof, and make this amended location for the purpose of more definitely and accurately describing said lode, and designating the exterior boundaries thereof, without waiver of any rights acquired under said original location, or heretofore existing in favor of said locators or his grantees.

Dated and posted on the ground this 27th day of April 1906.

I, N E Inhaus, being first duly sworn say that I am the agent and attorney in fact for the New French Flagstaff Gold Mining Company, that to the best of my knowledge and belief, three hundred dollars worth of work, labor and improvement was done performed and made in January and February 1906 on the Flagstaff Group of claims near Baker City, Oregon, for the benefit of the Fractional, Flagstaff No 2, and Martha Washington quartz mining claims, that said work was the continuation and completion of the assessment he work performed in the year 1905 for said group of mines, as stated in the proof of labor filed December 30th 1905; that said work was for the benefit of the Flagstaff Group and consisted in digging tunnels, drifts and upraises, and was all done in and upon said group, for the benefit of said group and by or at the expense of the New French Flagstaff Gold Mining Company, owners of said claims, for the purpose of complying with the law and holding said claims, for 1905.

That more than one hundred and fifty dollars worth of work and labor was performed in March 1906, in and upon said mine for the purpose of holding the Montreal quartz mining claim, one of said group for 1905.

That each and every of the said claims above mentioned and the Flagstaff Group of quartz mining claims, situated in Baker County, State of Oregon, are now in the peaceful quiet and uninterrupted possession of the New French Flagstaff Gold Mining Company, and there is no pending litigation affecting the title to said claims.

N E Inhaus,

Subscribed and sworn to before me this the 27th day of April 1906.

NOTICE IS HEREBY GIVEN TO ALL WHOM IT MAY CONCERN, that Commercial Mining Co., a
corporation, by W E King, Manager, citizens of the United States, over the age of twenty-one
years, have discovered a vein or lode of quartz or rock in place, bearing gold and silver with
the limits of the claim hereby located, and have this day under and in accordance with the
Revised Statutes of the United States, chapter 6, Title Thirty-Two, located 1500 linear feet
of this vein or lode, with surface ground 600 feet in width situated in no organized Mining
District, County of Baker State of Oregon, and known as the Crow Quartz Mining Claim ex-
tending 1200 feet N 67° 59' E, to east end center post and S 67° 59' W 300 feet to west end
center post from this notice at the discovery or prospect shaft, which is 300 feet from west
end line the exterior boundaries of this claim being distinctly marked by reference to some
natural object or permanent monument, and more particularly described as follows, to wit:

Beginning at the southwest corner post, thence the quarter section corner of the
south side of Sec 22 T 13 S R 42 E W M bears S 18° 56' W 5731.5 ft thence S 21° 20' W 600
ft to northwest corner post; thence N 67° 59' E 1500 ft to north east corner post, thence
S 21° 20' E 600 ft to southeast corner post; thence S 67° 59' W 1500 ft to the place of be-

beginning.

This is an amended location of the

Crow Lode claim, the original location of which was made by M S Brad et al on the 30 day
of Sept 1903 and recorded in Vol U page 343 of quartz locations, of Baker County Oregon, made
for the purpose of taking an additional ground and giving a more accurate description of said
claim and without waiver of any previously acquired rights, adjoining claims are the Rainbow
and Baticke Lode claims on the west.

And it intends to work and hold said claim as provided by local customs and rules
of Miners and Mining, Statistics of the United States.

NOTICE OF QUARTZ LOCATION. Located this 26th day of April, A.D. 1906.

Oregon State, Mining District.

Notice is hereby given that the undersigned, a citizen of the United States, over the age of twenty-one years, having complied with the requirements of Chapter six, of title thirty-two, of the revised statutes of the United States, and the laws of the above State, and the local customs and regulations of said District, has located and does hereby locate 1500 linear feet on the lode, situated in Baker County, in the above State and Mining District, and further described as follows: Commencing at a post marked No. 1, at the S.W. corner, from thence 300 feet in a N. by E. direction to a center and post marked No. 2, thence 300 feet in a N. by W. direction to a center and post marked No. 3, thence 1500 feet in a S. by E. direction to a corner post and post marked No. 4, thence 300 feet in a S. by E. direction to a center and post marked No. 5, thence 300 feet in a S. by W. direction to a center post and post marked No. 6, thence 1500 feet to a place of beginning, intending to claim 1500 feet in length and 500 feet in width, for the purpose of mining the same, claiming all surface rights, privileges and minerals, and other rights granted by existing laws and customs. This claim is named Portland Copper, and the strike or course thereof is northeast and southwest. This notice is placed at discovery shaft, from which the southeast center end is distant 100 feet, and the N. E. center end is distant 1400 feet.

This claim is situated on Timber Mt about 1 1/2 mile from Weatherby, and joins the Copper Oregon claim on the S.W.

Witnesses:

C. A. McKee, Clara R. Thompson, Locator.

State of Oregon

County of Baker

I, R. W. Pitney, do solemnly swear that I am a citizen of the United States of America, (or have declared my intention to become such), and that I am acquainted with the mining ground described in this notice of location, and that I claim the Portland Copper ledge, lode or claim, that the ground and claim therein described, or any past thereof, has not, to the best of my knowledge and belief, been located according to the laws of the United States and of this State, or if so located, that the same has been abandoned and forfeited by reason of the failure of such former locators to comply in respect thereto with the requirements of said laws and (in the case of quartz claims) that I have made an open cut six feet deep, four feet wide and ten feet in length along the lode, from the point of discovery, showing a lode or vein of mineral deposit in place.

R. W. Pitney,

F T Sutherland, Locators

State of Oregon
County of Baker
I, R W Pitney, do solemnly swear that I am a citizen of the United States of
America, (or have declared my intention to become such), and that I am acquainted with the
mining ground described in this notice of location, and hereby called the Copper Oregon
ledge, lode or claim; that the ground and claim therein described, or any part thereof, has
not, to the best of my knowledge and belief, been located according to the laws of the Un-
ited States and of this State, or if so located, that the same has been abandoned and forfeited
by reason of the failure of such former locators to comply in respect thereto with the
requirements of said laws and (in the case of quartz claim) that I know and have helped make
an open cut six feet deep, four feet wide and ten feet in length along the lode, from the
point of discovery, showing a lode or vein of mineral deposit in place.

R W Pitney,

NOTICE OF QUANTUM LOCATION. Located this 5th day of April, A.D. 1906, in the County of Baker, State of Oregon.

Notice is hereby given that the undersigned, citizens of the United States over the age of twenty-one years having complied with the requirements of Chapter six, of Title thirty-two, of the Revised Statutes of the United States, and the laws of the above State, and the local customs and regulations of said District, have located and do hereby locate 1500 linear feet on the Lots situated in Baker County, in the above State and Mining District, and further described as follows: Comencing at a post marked No. 1 at the SE corner, from thence 300 feet in a NW direction to a center post marked No. 2, thence 300 feet in a NW direction to a corner post marked No. 3, thence 1500 feet in a SW direction to a corner post marked No. 4, thence 300 feet in a SE direction to a center post marked No. 5, thence 300 feet in a SE direction to a corner post marked No. 6, thence 1500 feet to a place of beginning, intending to claim 1500 feet in length and 600 feet in width, for the purpose of mining the same, claiming all surface rights, privileges and minerals, and other rights granted by existing laws and customs. This claim is known as Copper Queen and the strike or course thereof is northeast and southwest. This notice is placed at Discovery shaft, from which the SW center is distant 1500 feet, and the NE center is distant at the notice.

This claim is situated on Timber Mt about one mile south of A.B. Cooma Ranch, and is joined on the NE end by the Copper Oregon M claim.

Witnesses:
R.W. Pitney
C.W. Thompson,
F.T. Sutherland, Locators.

State of Oregon
County of Baker

I, R.W. Pitney, do solemnly swear that I am a citizen of the United States of America, (or have declared my intention to become such), and that I am acquainted with the mining ground described in this notice of location, and herewith called the Copper Queen Lode, and I claim, that the ground and claim therein described, or any part thereof, has not, to the best of my knowledge and belief, been located according to the laws of the United States and of this State, or if so located, that the same has been abandoned and forfeited by reason of the failure of such former locators to comply in respect thereto with the requirements of said laws and (in the case of quartz claims) that I know and have helped make an open cut six feet deep, four feet wide and ten feet in length along the lode, from the point of discovery, showing a lode or vein of mineral deposit in place.

Recorder.
NOTICE IS HEREBY GIVEN TO ALL WHOM IT MAY CONCERN, that I, Geo H. Downs, a citizen of the United States, over the age of twenty-one years, have discovered a vein or lode of quartz or rock in place, bearing gold, silver & copper within the limits of the claim hereby located, and have this day under and in accordance with the Revised Statutes of the United States, Chapter Six, Title Thirty-Two, located the claim hereby referred to, 1500 linear feet of this vein or lode, with surface ground 600 feet in width situated in Buckeye Mining District, County of Baker State of Oregon, and known as the Pittsburg Quartz Mining Claim extending 1500 feet southerly to south and line and 300 feet east and west to side lines (or). From this notice at the discovery, or prospect shaft, which is about 20 feet from north end line the exterior boundaries of this claim being distinctly marked by reference to some natural object or permanent monument, and more particularly described as follows, to wit:

Starting at the northwest corner post, thence 1500 ft in a southerly direction to the southwest corner post, thence 300 ft in a westerly direction to the south center post, thence 1500 ft in an easterly direction to the northeast corner post, thence 300 ft in a westerly direction to the southeast corner post, thence 1500 ft in a northerly direction to the northwest corner post, thence 300 ft in a westerly direction to the north center post, thence 1500 ft in a northerly direction to the northwest corner post or place of beginning claiming 1500 X 600 ft with all dips, angles, and surface rights.

This property is located on what is known to as the Lookout Mountain on the east slope, and a short distance from the Riverdale Mine on the Powder River and about (4) miles from the Town of North Powder.

And I intend to work and hold said claim as provided by local customs and rules of Miners and Mining Statutes of the United States.

Dated on the ground this 30th day of March 1906.

Geo H. Downs, Locater

State of Oregon
County of

I, H T Slater, do solemnly swear that I am a citizen of the United States of America, (or have declared my intention to become such.) That I am acquainted with the quartz claim described in the notice of location called the Pittsburg Quartz Claim. That the locator of said claim has prior to the date of this affidavit and since the date of posting of the location notice thereon, sunk a shaft ten feet in depth from the lowest part of the collar thereof, or excavated a cut, or cross-cut, or tunnel which cuts the lode at a depth of ten feet, or has excavated an open cut six feet deep four feet wide and ten feet in length along the lode.

H T Slater,

Subscribed and sworn to before me this 12 day of May 1906.

Mari Hill
Nine of Diamonds

NOTICE IS HEREBY GIVEN That I, the undersigned citizen of the United States of America, conforming to the mining laws thereof and of the State of Oregon, and the local rules, regulations and customs of miners, have this 25th day of March A.D. 1906 located and de claim fifteen hundred linear feet on this lead, lode or vein bearing mineral in place, by six hundred feet in width, the same being three hundred feet on each side of the center thereof, together with all dips, spur and angles, and all other veins or lodes, the top or apex of which lie within said boundaries.

This location is named the Nine of Diamonds lode or mine, and is situated in unorganized Mining District Baker County, State of Oregon.

This claim is situated in miles north of the Iron Dyke Mine and about one fourth of a mile south of McDougalls residence, and the discovery monument upon which this notice is posted is situated about 1500 feet in a westerly direction from Snake River.

This lead, lode or vein extends 750 feet in a westerly direction and 750 feet in an easterly direction from the discovery monument and the claim is bounded and described as follows: Commencing at the E center and monument which is situated 750 feet in a E direction from the discovery monument; running thence in a S direction 300 feet to the SE corner monument; thence in a W direction 1500 feet to the SW corner monument; thence in a N direction 300 feet to the NW corner monument; thence continuing in a N direction 300 feet to the NE corner monument; thence in a E direction 1500 feet to the NE corner monument;
thence in a S direction 300 feet to the said E center and stake, the place of beginning.

The adjoining claims are the Jack and Queen of Diamonds & the McDougall Group.

All the monuments aforesaid are marked upon the side facing toward the discovery with the name of the claim and the corner or end center which each of said monuments represents, and all of said monuments are at least four inches in diameter and at least four feet high above the ground.

Discovered on the 25th day of March A.D. 1906.
Located on the 25th day of March A.D. 1906

of mineral bearing rock in place and has located 1500 ft along this lode, by 600 ft in width
the name of which is the Western Queen and is situated in Baker County Oregon 1/2 mile
westerly from the Maple George mining claim and about 4 miles westerly from North Powder
and lies between the Pick Point and Blue Bird claims, the boundaries are as follows:

Beginning at this discovery and running 600 ft northerly to northerly end corner,
thence 300 ft westerly to N end corner stake, thence 1500 ft southerly to S east corner stake,
thence 300 ft westerly to S east corner stake, thence 1500 ft northerly to northwest corner
stake, thence 300 ft easterly to northernly end stake, thence to starting point. We do not claim
under this location any ground owned by the Blue Bird or Pick Point.

Located Feb 16th 1906.

Henry King
Locators
J E Simpson
George T Simpson

State of Oregon

County of Baker

I, Henry King, do solemnly swear that I am a citizen of the United States of
America, and that I am acquainted with the Mining ground described in this Notice of location,
and herewith called the Western Queen quartz lode or claim, that the ground and claim the
reminiscent, or any part thereof, has not, to the best of my knowledge and belief, been located
according to the laws of the United States and of this State, or if so located, that the same
has been abandoned and forfeited by reason of the failure of such former locators to
comply in respect thereto with the requirements of said laws and that I have sunk a discovery
shaft upon said claim to a depth of ten feet from the lowest part of the rim of said shaft at
the surface being four feet by five feet, showing a lode or vein of mineral deposit in place.

Henry King,

Subscribed and sworn to before me this 18th day of May, 1906.

A B Comb, Jr., County Clerk.

I, the undersigned, having declared my intention of becoming a citizen of the United States and having complied with the United States Mining laws and the local customs and regulations, hereby make the following amended location of the "Said Side Issue Quartz Claim", located by me on October 25th 1902 and recorded in Baker County Records, Book of Quartz locations, Vol. T page 517, on Nov. 26th 1902, in order to amend a certain deficiency in the description of the boundaries of "Said Side Issue Quartz Claim" and particularly the last course of the description of said claim, the description to read as follows:

"Commencing at a post about 120 feet westerly from Corner No. 1 of the Bismark Quartz Claim, Min Sur No. 471, thence in a direction about South 34 1/2 degrees, west a distance of about 450 feet to northwest center end post, thence in the same direction of about south 34 1/2 degrees, west about 400 feet to corner No. 2, situated on the line of the Central Placer Claim, Min Sur No. 256, thence following the line of the Central Placer Claim in a direction south 14 degrees, 32 minutes, west for a distance of 1500 feet to corner No. 3, being also corner No. 5 of the Central Placer claim, thence along the west side line of the Bading Paland quartz claim, Min Sur No. 262, on a course given as north 34 1/2 degrees, east for about 450 feet to the southeast center end post of the "Side Issue Quartz Claim", thence in the same direction about 360 feet to corner No. 4 of the "Side Issue Quartz Claim", being situated on the south and line of the Bismark quartz claim, thence back to corner No. 1, of the "Side Issue Quartz Claim", the place of beginning."

This amended location is made with the view of supplying any omissions and correcting any defects, which may have existed in the original location, or the records thereof, hereby giving no rights acquired under the original location.

The said "Side Issue Quartz Claim" is situated in Baker County, Oregon.

Dated on the ground, May 15th 1906.

TO ALL WHOM IT MAY CONCERN, Notice is hereby given that I, F.M. Sexton, a citizen of the United States, over the age of twenty one years, have on this 26th day of April, 1906, discovered a vein or lode of mineral bearing rock in place, bearing gold, silver and other precious and valuable metals and mineral within the limits of the claim hereby located, which I have today and in accordance with the Revised Statutes of the United States, Chapter 6 Title 32 named The Nearne Quartz Mining Claim.

That the general strike or course of this vein or lode is northeasterly and southwesterly, and that I claim 750 linear feet northeasterly and 750 linear feet southwesterly of the point at discovery at which this notice is posted, together with 300 feet on each side of the center of said vein.

That said claim is located in the Cracker Creek Mining District, in Baker County, State of Oregon, the discovery monument being placed 750 feet southwesterly from north center end stake, and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinafter mentioned, and is more particularly described by boundaries as follows, to wit:

Commencing at the southwest corner end post No 1; thence 200 feet northwesterly to corner post No 2; thence 1300 feet in a northeasterly course to post No 3; thence 300 feet southwesterly to northerly center end post No 4; thence in the same direction 300 feet to corner post No 5; thence 1300 feet southwesterly to corner post No 6; thence 300 feet northwesterly to post No 1, the place of beginning. This claim joins the Second National claim on the southeast and is about 3000 feet from the Porcupine cabin on Wind Creek, about 4 miles east of the Halfway house on the Sumpier Bourne road.

And I intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the State of Oregon.

Dated on the ground the 26th day of April 1906.

Located April 26 1906.

F.M. Sexton, Locator

State of Oregon

County of Baker

I, J.R. Murin, being first duly sworn, say that I am the agent of the locator of the mining claim described in the within notice of the Nearne Quartz Mining Claim, and that the foregoing notice is a full, true and correct copy of the original notice of location posted on said claim.

That I did between the 26th day of April 1906, and the 26th day of May 1906, perform the discovery or location work required by the statutes of the State of Oregon on said claim by running a tunnel on the ledge which cut the ledge at a depth of ten feet, and that said work was done on said claim within sixty days from the date of discovery thereof, and by said work there was disclosed a lode or vein of mineral deposit in place.

J.R. Murin,

Superintendent and sworn to before me this 25th day of May 1906.

O.M. Chance,

Notary Public for Oregon.

NOTICE IS HEREBY GIVEN TO ALL WHOM IT MAY CONCERN, That I, Wm Ulrich, Citizen of the United States, over the age of twenty one years have discovered a vein of ore within the limits of the claim hereby located, and have this day under and in accordance with the Revised Statutes of the United States, Chapter Six, Title Thirty Two, located 1500 linear feet of this vein or lode, with surface ground 600 feet in width situated in Huntington Mining District, County of Baker, State of Oregon, and known as the Sun set No 1 Quartz Mining Claim extending 750 feet southeast to southwest cor E A, and 1500 feet northwest to northeast cor St C, thence 600 NE to NE cor St E, thence 1500 ft SE to SE cor St B, thence 600 ft SW to point of beginning, from this notice at the discovery or prospect shaft which is 750 feet from southeast end line from shaft the exterior boundaries of this claim being distinctly marked by reference to some natural object or permanent monument, and more particularly described as follows, to wit:

Beginning at southwest cor stake A, thence 750 feet northwest to southwest side center St B, thence 750 feet northwest to northwest cor St C, thence 300 feet northeast to northeast side end line center St D, thence 300 feet northeast to northeast side center Stake E, thence 750 feet southeast to northeast side cor St F, thence 750 feet southeast to southeast cor A G, thence 300 feet southwest to south east side end line center at H, thence 300 feet southeast to point of beginning, Sunset No 1 Quartz Mining Claim is tied as follows, About miles north W of Huntington and about 1 1/2 miles east of Lamesiding Mountain.

Date of location 24 day of April 1906.

And I intend to work and hold said claim as provided by local customs and rules of Miners and Mining Statutes of the United States.

Dated on the ground this 24 day of April 1906.

Wm Ulrich, Locator

State of Oregon

County of Umatilla

I, Wm Ulrich do solemnly swear that I am a citizen of the United States of America, (or have declared my intention to become such) That I am acquainted with the quartz claim described in the within notice of location called the Sunset No 1 Quartz Claim. That the locator of said claim has prior to the date of this affidavit and since the date of posting of the location notice the room, sunk a shaft ten feet in depth from the lowest part of the collar thereof; or excavated a cut, or cross cut, or tunnel which cuts the lode at a depth of ten feet, or has excavated an open cut six feet deep, four feet wide and ten feet in length along the lode.

Wm Ulrich,

Subscribed and sworn to before me this 19th day of May 1906.

Topsey

NOTICE IS HEREBY GIVEN, That I, the undersigned citizen of the United States of

America, conforming to the mining laws thereof and of the State of Oregon, and the local rules,

regulations and customs of miners, has this 4th day of May A D 1906, located and do claim

ten hundred linear feet on this lead, or vein bearing mineral in place, by six hundred feet

in width, the same being 300 feet on each side of the center thereof, together with all
dips, spurs and angles, and all other veins or lodes, the top or apex of which lie within

said boundaries.

This location is named the Topsey Lode or Mine, and is situated in Baker County,

unorganized, Mining District Baker County, State of Oregon.

This claim is situated on one mile west from Snake River, and on south side of

Mcbean Creek and north of Nelson Creek about 1500 feet and on west side of Superior Quartz

Mining Claim, and the discovery monument upon which this notice is posted is situated at the

feet south center and stake direction from

This lead, lode or vein extends 1000 feet in a northerly and southerly direction

and 300 feet in a westerly direction from the discovery monument and the claim is bounded

and described as follows: Commencing at the south center and monument, running 30 feet in a

westerly direction from the discovery monument; running thence in a northerly direction
1000 feet to the NW corner monument; thence in a easterly direction 300 feet to the north center monument; thence in a easterly direction 300 feet to the NE corner monument; thence continuing in a southerly direction 1000 feet to the southeast corner monument; thence in a westerly direction 300 feet to the south center and, the place of beginning.

The adjoining claim is on east the Superior.

All the monuments aforesaid are marked upon the side facing toward the discovery with the name of the claim and the corner or end center which each of said monuments represents, and all of said monuments are at least four inches in diameter and at least four feet high above the ground.

Discovered on the 4th day of May A.D. 1906.

Located on the 4th day of May A.D. 1906.

L Gray, Locators and Claimants.

State of Oregon
as
County of Baker.

I, L Gray, do solemnly swear that I am a citizen of the United States of America (or have declared my intention to become such) and that I am acquainted with the mining ground described in this notice of location and herein called the Topsey mining ledge, lode or claim; that the ground and claim therein described or any part thereof has not to the best of my knowledge and belief been located according the laws of the United States and of this State, or if so located that the same has been abandoned or forfeited by reason of the failure of such former locators to comply in respect thereto with the requirements of said laws, and that I have opened up new ground to the extent or depth of ten feet as required by the laws of Oregon and that all stakes and monuments or trees marking boundaries of said claim are in proper place and position.

NOTICE IS HEREBY GIVEN, That I, W J Evans, as a Naturalized citizen of the United States, have on this 20th day of April 1906, discovered and located a vein of mineral bearing rock in place, carrying gold, silver, copper, lead etc., which vein I have named Little Giant quartz mining claim.

That the course of this vein is easterly and westerly and that I claim 1000 feet westerly and 500 feet easterly of the discovery monument on which this notice is posted, and that I claim 300 feet northerly and 300 feet southerly on each side of the center of the vein.

That said claim is located in an organized, but known as Jake Cove, Mining District, Baker County, Oregon, the discovery monument being placed 1000 feet westerly from west end line and 500 feet from east end line, and is bounded and described as follows:

Commencing at the discovery monument, thence running easterly 500 feet to east end center stake; then 300 feet southerly to southeast corner stake; thence 1500 feet westerly to southwest corner stake; then 300 feet northerly to west end center stake; then 300 feet southerly to northeast corner stake; thence 1500 feet easterly to northeast corner stake; then 300 feet southerly to east end center stake and 500 feet westerly to place of beginning.

This claim is a parallel claim to the Ora Pino Mining Claim, running parallel with the south side line of the Ora Pino and is about 800 feet westerly from the head waters of Fruit Creek.

Dated 20th day of April 1906.

Witness,
John Congrove,

W J Evans, Locator

State of Oregon
County of Baker

I, W J Evans, being first duly sworn, on oath, deposes and says, that I am the locator of the claim described in the within notice of location of the Little Giant mining claim, and that said notice is a full, true and correct copy of the original notice of location posted on said claim.

That I did, between the 20th day of May 1906 and the 20th day of June 1906, perform the discovery work required by the statutes of the State of Oregon, on said claim by sinking a shaft ten feet deep and four feet across, and said work was done on said claim within sixty days from the date of location thereof, and there was thereby disclosed a lode or vein of mineral deposit in place.

Quartz Mining Location Notice.

Notice is hereby given that I, the undersigned citizen of the United States of America, conforming to the mining laws thereof and of the State of Oregon, and the local rules, regulations and customs of miners, have this 9 day of June A.D. 1906, located and do claim 1500 hundred linear feet on this lead, lode or vein bearing mineral in place, by 500 hundred feet in width, the same being 300 feet on each side of the center thereof, together with all dips, spurs and angles, and all other veins or lodes, the top or apex of which lie within said boundaries.

This location is named the BUSTER Lode or Mine, and is situated in no organized Mining District Baker County, State of Oregon.

This claim is situated on the divide on both sides of the West fork of Hermann Cr. and about 3000 feet west from their confluence, and about 1 1/4 miles west from the confluence of Hermann Cr. with Snake river. And the discovery monument upon which this notice is posted is situated about 50 feet in a W. Easterly direction from the West fork of Hermann Creek.

This lead, lode or vein extends 200 feet in a W. Easterly direction and 1300 feet in a S. West direction from the discovery monument and the claim is bounded and described as follows: Commencing at the N.W. corner monument which is situated 200 feet in a W. Easterly direction from the discovery monument; running thence in a S. Easterly direction 300 feet to the S. E. corner monument; thence in a S. Easterly direction 1500 feet to the S. W. corner monument; thence in a N. Easterly direction 300 feet to the S. W. corner monument; thence continuing in a N. W. direction 300 feet to the N.W. corner monument; thence in a N. Easterly direction 1500 feet to the N. East corner monument; thence in S. Easterly direction 300 feet to the said N. E. corner and stake, the place of beginning.

The adjoining claims are the Whale-back on the N. E.

All the monuments aforesaid are marked upon the side facing toward the discovery
with the name of the claim and the corner or end center which each of said monuments represents, and all of said monuments are at least four inches in diameter and at least four feet high above the ground.

Discovered on the ...... day of ...... A D 1901.
Located on the 5th day of June A D 1906.

NOTICE
OF LOCUS OR QUARTZ CLAIM

To All Whom It May Concern, Notice is hereby given, that we, John W. LaBau and M. F. Munsey, citizens of the United States, over the age of twenty-one years, have on this 13th day of July, 1906, discovered a vein or lode of mineral bearing rock in place, bearing gold, silver and other precious and valuable metals and mineral within the limits of the claim hereby located, which we have this day and in accordance with the Revised Statutes of the United States, Chapter 6 Title 32 named the Iron Dyke Fraction Quartz Mining Claim.

That the general strike or course of this vein or lode is northerly and southerly and that the claim is 1200 linear feet northerly and 100 linear feet southerly of the point of discovery at which this notice is posted, together with 300 feet on each side of the center of said vein.

That said claim is located in the McNamee Mining District, in Baker County, State of Oregon, the discovery monument being placed 100 feet northerly from south and center stake, and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinafter mentioned, and is more particularly described by boundaries as follows, to wit:

Commencing at the point of discovery at which this notice is posted, thence southerly 100 feet to center and stake; thence easterly about 20 feet to southwest corner stake; thence northerly 1500 feet to northeast corner stake; thence easterly 20 feet to north center and stake; thence in the same direction 200 feet to northwest corner; thence southerly 1500 feet to southwest corner stake; thence easterly 200 feet to said south center and stake.

This claim is situated in the McNamee (unorganized) mining district and adjoins the Copper King quartz mining claim on the north.

And we intend to hold and work said claim in accordance with the local rule and customs of miners and mining laws of the United States and of the State of Oregon.

Dated on the ground the 13th day of July, 1906.

Discovered May 17th, 1906.

Located July 13th, 1906.

Notice of Lode or Quartz Location

To All Whom It May Concern, Notice is Hereby Given, That we, John W. LaBau and M. F. Munxy, citizens of the United States, over the age of twenty-one years, have on this 13th day of July, 1906, discovered a vein or lode of mineral-bearing rock in place, bearing gold, silver and other precious and valuable metals and minerals within the limits of the claim hereby located, which day and in accordance with the Revised Statutes of the United States, Chapter 6 Title 32 named The Copper Queen No. 2 Quartz Mining Claim.

That the general strike or course of this vein or lode is easterly and westerly and that the claim 300 linear feet easterly and 1200 linear feet westerly of the point at discovery at which this notice is posted, together with 300 feet on each side of the center of said vein.

That said claim is located in the McNames Mining District, in Baker County, State of Oregon, the discovery monument being placed 300 feet westerly from east quarter and stake, and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinafter mentioned, and is more particularly described by boundaries as follows, to wit:

Commencing at the point of discovery at which this notice is posted, thence easterly 300 feet to east quarter and stake; thence 300 feet northerly to northeast corner stake; thence 1500 feet westerly to northwest corner stake; thence 300 feet southerly to west quarter and stake; thence 300 feet in the same direction to southwest corner stake; thence 1500 feet easterly to southeast corner stake; thence northerly 300 feet to said east corner and stake.

This claim lies north of the Copper Queen No. _ quartz mining claim in the McNames (unorganized) mining district, in the county of Baker, State of Oregon.

And we intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the State of Oregon.

Dated on the ground the 13th day of July 1906.

County Clerk
Notice of Lode or Quartz Location.

To All Whom It May Concern, Notice is hereby given, that we, J. E. Murrin, Wm. H. Hearne, H. E. Whitaker, citizens of the United States over the age of twenty-one years, have on this 25th day of June, 1906, discovered a vein or lode of mineral bearing rock in place, bearing gold, silver and other precious and valuable metals and minerals within the limits of the claim hereby located, which we have this day in accordance with the Revised Statutes of the United States, Chapter 5 Title 32, named the Wheeling Quartz Mining Claim.

That the general strike or course of this vein or lode is North Easterly and South Westerly, and that we claim 1500 linear feet in length and 600 linear feet in width of the point of discovery at which this notice is posted, together with 300 feet on each side of the center of said vein.

That said claim is located in the no Mining District, in Baker County, State of Oregon, the discovery monument being placed 100 feet from south west end and said claim is more particularly described and located by means of the natural objects and permanent monuments heretofore mentioned, and is more particularly described by boundaries as follows, to wit:

Commencing at the point of discovery at which this notice is posted, thence 300 feet north westerly to post No. 2; thence 1500 feet north easterly to post No. 3; thence 300 feet to center and post No. 4; thence 300 feet south easterly to south east end post; thence 1500 feet south westerly to post No. 5; thence 300 feet to monument, about 2 miles from the town of Horse, joining the Trade Dollar on the East and

And we intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the State of Oregon.

Dated on the ground the 25th day of June, 1906.

Notice of Mining Location.
Oregon State
Baker County
No Mining District

Notice is hereby given that the undersigned, having complied with the requirements of Chapter Six of Title Thirty-two, of the Revised Statutes of the United States, and the laws of the above state, and the local customs and regulations of said district, has located and hereby locate 1500 linear feet in length, and 600 feet in width on the Blue Bird lode, vein, ledge or deposit (quartz ground) situated in the above state, county and mining district, and further described as follows:

Commencing at a post marked No. 1 at the discovery, from thence 600 feet in a southeasterly direction to a center and post marked No. 2; thence 300 feet in a N. westerly direction to a corner post marked No. 3; thence 1500 feet in a northeasterly direction to a corner post marked No. 4; thence 300 feet in a S. Easterly direction to a center and post marked No. 5; thence 300 feet in a southeasterly direction to a corner post marked No. 6; thence 1500 feet in a S. westerly direction to a corner post marked No. 7; thence 300 feet in a N. Easterly direction to place of beginning; hereby locating and intending to claim 600 feet in northwesterly direction from discovery to the southeasterly line, and 900 feet in the opposite direction from discovery to the N. East and line, and 500 feet on each side of the middle of said lode or ledge, for the purpose of mining the same and claiming all surface rights, privileges, and minerals, with all dips, spurs, angles and variations, and other rights granted by existing laws and customs. This claim is further described as follows:

This claim is situated on the left hand fork of Humen creek, and about 1 1/2 miles westerly from Snake river, and joins the Red Bird mining claim on the west side and joins the Nell Storm m. c. on the east side.

This notice is placed at discovery; posts are placed at each corner and center ends, and are at least 4 inches square and not less than three feet above ground.

Located this 27th day of May A.D. 1906.

Homestake.

Notice of Location Quartz Claim—

Notice is hereby given, that I, A. E. Maiden, citizens of the United States, over
the age of 21 years, have discovered a vein or lode of quartz, or rock in place, bearing
gold and copper within the limits of the claim hereby located, and have this day under
and in accordance with the Revised Statutes of the United States, Chapter Six, Title
Thirty-two, located 1500 linear feet of this vein or lode, with surface ground 600 feet
in width, situated in Pecosantes Mining District, County of Baker, State of Oregon,
and known as the Homestake quartz mining claim, beginning 750 feet southeasterly from
where this notice is posted at the southerly end of the claim from this notice
at the discovery or prospect shaft, which is 750 feet from .... end line....; the exterior
boundaries of this claim being distinctly marked by reference to some natural object or
permanent monument, and more particularly described as follows, to-wit: Thence running
300 ft. westerly to S. E. corner stake; thence 1500 ft. northerly to N.W. corner stake;
thence 300 ft. easterly to N. End center stake; thence 3000 ft. easterly to N. E. corner
stake; thence southerly 1500 ft. to S.E. corner stake; thence westerly 300 ft. to place
of beginning; this claim lies about ten miles west from Baker City, on the Medford
gulch, and reaches to Wood canyon, bounded on the south by the Mountain Key mine, on the west
by the Terrible, on the east by the West Paul mine.

And I intend to work and hold said claim as provided by local customs and rules
of miners and Mining Laws of the United States.

Dated on the ground this 16th day of July, 1906.

A. E. Maiden, Locater.

State of Oregon,)  
County of Baker.)

I, A. E. Maiden, do solemnly swear that I am a citizen of the United States
of America (or have declared my intention to become such); that I am acquainted with
the quartz claim described in the notice of location called the Home Stake quartz claim.
That the owner of the claim has prior to the date of this affidavit and since the
date of posting of the notice location of the lode, excavated an open cut six feet deep, four feet
wide and ten feet in length along the lode.

Charles Guest & Geo. Wagner

The Bullion

QUARTZ LOCATION.

Notice is hereby given, That we, Charles Guest and George Wagner, citizens of
the United States, have on this 16th day of June, 1906, discovered and located a vein
of mineral bearing rock in place, carrying gold, which vein we have named The Bullion.

That the course of this vein is North West and South East, and that this claim
is 1400 ft. North West and 100 ft. South East of the discovery monument on which this
notice is posted, and that is claim 300 ft. on each side of the center of vein.

That said claim is located in Not Organized Mining District, Baker County, Oregon,
the discovery monument being placed 600 ft. S. East from surface workings and is bounded
and described as follows, to-wit:

Comencing at the discovery monument, thence 1400 ft. North West to North West
center and point; thence 300 ft. North East to North corner post; thence 1500 ft. South
East to East corner post; thence 300 ft. S. West to South East center and post; thence
300 ft. S. West to South corner post; thence 1500 ft. North West to West corner post;
thence 300 ft. North East to North West center and post, joining South West end lines
of Oregon Chief No. 1 & Oregon Chief No. 4 mining claims, on California mountain.

Dated June 16th, 1906.

Charles Guest, Locator
George Wagner, Locator

State of Oregon,

County of Baker.

I, Charles Guest, being first duly sworn, on oath, depose and say, that
I am a citizen of the United States and locator of the claim described in the within notice
of location of the Bullion mining claim, and that said notice is a full, true and correct
copy of the original notice of location posted on said claim.

That I did, between the 16th day of June, 1906, and the 4th day of August, 1906,
perform the discovery work required by the statutes of the state of Oregon, on said
claim by tunnel and approach 23 ft. in length 5 ft. wide, and said work was done on
said claim within 60 days from the date of location thereof, and there was thereby dis-
closed a lode or vein of mineral deposit in place.

SAILOR JACK (Amended).

Know All Men by these Presents, That I, Frank E. Pearce, of Homestead, Oregon, have located and claim 1500 linear feet of the Sailor Jack lode or vein bearing gold and other precious metals, with surface ground as heretofore set out.

Said claim is situated near the Grey Eagle Consolidated (patented) quartz claim near Homestead in Baker County, Oregon, and described as follows, to-wit:

Commencing at the SW Corner of the Dolly Gray lode, Mineral Survey No. 543, thence south along the east end line of the Jack Pot Fraction No. 2 lode, 400 feet more or less to the north line of the Dixie, unsurveyed, lode, thence east along the north side line of the said Dixie lode, 1500 feet to the S.E. corner, thence north 250 feet more or less to the S.E. corner of the said Dolly Gray, N.S. 543, thence west along the south line of the said Dolly Gray, 1500 feet more or less to the point of commencement.

And I intend to hold and work said claim as provided by the laws of the State of Oregon and the United States.

This is an amended notice of location of said Sailor Jack lode claim, and is made for the purpose of more definitely defining the boundaries thereof, and amends the former location made April 11th, 1897, by A. M. Gillett and Geo. S. Gillett, and recorded in Book 8, page 329 of the Quarters Records of Union Co., Oregon, and transcribed into the records of Baker Co., Oregon, in Book 27, pages 592 and 593 of the quarts records.

And I hereby waive no rights that may have been gained by and through said former location and the possession and working of said claim under said former location.

Dated this July 14th, 1906.

Frank E. Pearce.

Filed for record the 9th day of August, 1906, at 2:36 o'clock P.M.

A. B. Keener, County Clerk.
NOTICE IS HEREBY GIVEN, that we, the undersigned, citizens of the United States, have on the 27th day of July, 1906, discovered and located a vein of mineral-bearing rock in place, carrying gold and other metals, which vein we have named the Dora Mine.

That the course of this vein is N. E. & S. W., and that we claim 1200 feet in length, we claim 600 ft. N. E., and 900 ft. South West of the discovery monument on which this notice is posted, and that we claim 600 ft. in width, with 300 feet on each side of the center of the vein.

That said claim is located in an unorganized Mining District, Baker County, Oregon, the discovery monument being placed 600 feet East from place of development and is bounded and described as follows, to-wit:

Commencing at the discovery monument, thence 600 ft. N. E. to N.E. corner post; thence 300 ft. North to N. E. corner post; thence 1500 ft. South West to North West corner post; thence 300 ft. South to South West corner post; thence 300 ft. East to South West corner post; thence 1500 ft. North to South East corner post; thence 300 ft. North to place of beginning. This claim parallels and laps the Independence mine on south side line of Dora joins the Bullion on its west and paralleling the Bull Frog and Lone Pine mining claims on the south and lines, on California Mountain.

Notice of Location of a Quartz Claim.

Notice is hereby given to all whom it may concern that T.H. Elliott and J.O. Elliott, citizens of the United States, over the age of twenty-one years, have discovered a vein or lode of quartz, or rock in place, bearing gold within the limits of the claim hereby located, and have this day under and in accordance with the Revised Statutes of the United States, Chapter Six, Title Thirty-Two, located 1500 linear feet of this vein or lode, with surface ground 600 feet in width situated in Auburn Mining District, County of Baker Co., State of Oregon, and known as the Columbia Quartz Mining Claim, extending 200 feet S Westerly to S West center post, and 700 feet N Easterly to N East center post from this notice at the discovery or prospect shaft, which is 800 feet from S West end line....; the exterior boundaries of this claim being distinctly marked by reference to some natural object or permanent monument, and more particularly described as follows, to-wit:

Commencing at discovery shaft and running 200 feet S Westerly to S West center post; thence 300 ft. S Easterly to the S East corner; thence 1500 ft. N Easterly to the East corner; thence 300 ft. N Easterly to N East corner; thence 300 ft. N Easterly to the North corner; thence 1500 ft. S Westerly to West corner; thence 300 ft. S Easterly to S West center; thence 600 ft. N Easterly to discovery shaft, the place of beginning. This claim is situated about 5/8 of a mile S West of the old town of Auburn, lying between Blue Canyon and Poker creek. We have located this claim with good faith.

And intend to work and hold said claim as provided by local customs and rules of Miners and Mining Statutes of the United States.

Dated on the ground this 11th day of August, 1906.

J O Elliott, Locators
T H Elliott, Locators

State of Oregon,

County of Baker.

I, T H Elliott, do solemnly swear that I am a citizen of the United States of America (or have declared my intention to become such). That I am acquainted with the quartz claim described in the within notice or location called the COLUMBIA Quartz Claim, that the location of said claim is prior to the date of this affidavit and since the date of posting of the location notice thereon, sunk a shaft ten feet in depth from the lowest part of the collar thereof, or excavated a cut, or cross-cut, or tunnel which cuts the lode at a depth of ten feet, or has excavated an open cut six feet deep, four feet wide, and ten feet in length along the lode.

T H Elliott.

Notice of Lode or Quartz Location.

To all Whom it May Concern: Notice is hereby given, that I, Anthony Mohr, a citizen of the United States, over the age of twenty-one years, having on this 25th day of June, 1906, discovered a vein or lode of mineral-bearing rock in place, bearing gold, silver and other precious and valuable metals and minerals within the limits of the claim hereby located, which I have this day and in accordance with the Revised Statutes of the United States, Chapter 6, Title 32 named the Crossms Quartz Mining Claim.

That the general strike or course of said vein or lode is Easterly and Westerly, and that I claim 1150 linear feet Easterly and 300 linear feet Wasterly of the point of discovery at which this notice is posted, together with 300 feet on each side of the center of said vein.

That said claim is located in the unorganized Mining District, in Baker County, State of Oregon, the discovery monument being placed 10 feet North-westerly from West and said claim is more particularly described and located by means of the natural objects and permanent monuments heretofore mentioned, and is more particularly described by boundaries as follows, to wit:

Commencing at the point of discovery at which this notice is posted, thence 1150 feet Easterly to East center and stake No. 1, thence 300 feet North-erly to N E corner stake No. 2, thence 1500 feet Wasterly to NW corner stake; thence 300 feet South-erly to W center and stake No. 4, thence 300 feet South-erly to W. W. corner No. 5, thence 1500 feet Wasterly to S W corner No. 6, thence 300 feet North-erly to East center and stake. This claim is situated about 1 1/2 miles east of Sump and about 3000 feet Easterly of Bear creek.

And I intend to hold and work said claim in accordance with the laws and customs of miners and mining laws of the United States and of the State of Oregon.

Dated on the ground the 25th day of June, 1906.

QUARTZ LOCATION.

NOTICE TO BERRY DIXON, that M. F. Blodgett and J. M. Jones, of Coospter, Baker County, Oregon, Citizens of the United States, have upon the 7th day of August, 1906, discovered and located a vein of mineral bearing rock in place, carrying gold, silver or other metals, which vein we have named the Gold Hill Number Two (2).

That the course of this vein is North Easterly and South Westerly, and that we claim eleven hundred feet South Westerly, and four hundred... North Easterly of the discovery monument on which this notice is posted, and that we claim three hundred feet on each side of the center of the vein.

That said claim is located in no organized Mining District, Baker County, Oregon, the discovery monument being placed four hundred feet South Easterly from the North East corner stake, and is bounded and described as follows, to wit:

Beginning at the discovery monument, thence North Easterly four hundred feet to the North East corner stake, thence running North Westerly 300 feet to the center and stake on the North Easterly end line of said claim, thence running in the same direction 300 feet to the North West corner stake. Thence running in a South Westerly course 1500 feet to the South West corner post of said claim. Thence running South Easterly 300 feet to the South Easterly end center stake, thence running in the same direction 300 feet to the South East corner stake of said claim. Thence running 1100 feet North Easterly to the place of beginning, being the discovery stake.

Dated August 7th 1906.

TO ALL WHO MAY CONCERN NOTICE IS HEREBY GIVEN, that we, Robert Long, John J. Loy, Albert Loy, citizens of the United States, over the age of twenty-one years, on this 20th day of June, 1905, discovered a vein or lode of mineral-bearing rock in place bearing gold, silver and other precious and valuable metals and minerals within the limits of the claim hereby located, which we have this day and in accordance with the Revised Statutes of the United States, Chapter 6, Title 32, named the "Cincinnati" mining claim, quartz mining claim is the Cincinnati mining claim.

(That the general strike or course of this vein or lode is running easterly and westerly and 600 feet in width, and that we claim 1500 linear feet by 600 ... in width, 1500 linear feet 350 ... of the point of discovery at which this notice is posted, together with 300 feet on each side of the center of said vein.)

That said claim is located in the unknown Mining District, in Baker County, State of Oregon, the Discovery monument being placed 350 feet to west and center stake, situated on the headwaters of North Powder river and is about 2500 feet south and east Mount Eagle and joins the Philadelphia on the west, and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinafter mentioned, and is more particularly described by boundaries as follows, to-wit:

Commencing at the point of discovery at which this notice is posted, thence 300 feet westerly to west end center stake, thence 300 feet south to S W Co. stake, thence 1500 linear feet easterly to S E Co. stake, thence 300 ... north to east end center stake, thence 300 feet north to N E Co. stake, thence westerly 1500 linear feet to N W Co. stake.

And that we intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the State of Oregon.

Dated on the ground the 20th day of June, 1905.

Discovered June 20, 1905.

Located June 20, 1905.

QUARTZ LOCATOR.

NOTICE IS HEREBY GIVEN, that I, J.W. Dobbs, a citizen of the United States, have on this 20th day of July, 1906, discovered and located a vein of mineral bearing rock in place, carrying Gold and Silver, which vein I have named the Montana No. 2.

That the course of this vein is East and West, and that I claim 1500 linear feet along the trend of this vein, 400 ft. west & 1100 ft. east of the discovery monument on which this notice is posted, and that I claim 300 feet on each side of the center of the vein for the full 1500 feet thereof.

That said claim is located in Cable Cove Mining District, Baker County, Oregon, and is bounded and described as follows, to-wit:

This claim is situated on the head waters of North Powder River, about one and one half miles north and east from the North Powder River and Cracker Creek divide, and is an extension of the Montana No. 1, joining said claim on the west, this claim lies parallel with the Tennessee quartz claim, joining the same on the South for the full 1500 feet.

Dated July 20th, 1906.

J.W. Dobbs, Locator

State of Oregon,
County of Baker.

I, B.F. Colley, being first duly sworn, on oath, depose and say, that I am acquainted with the locator of the claim described in the within notice of location of the Montana No. 2 mining claim, and that said notice is a full, true and correct copy of the original notice of location posted on said claim.

That I did, between the 20th day of July, 1906 and the 10th day of August, 1906, perform the discovery work required by the statutes of the State of Oregon, on said claim by digging an open cut on the vein six feet deep, four feet wide & ten feet long.

And said work was done on said claim within sixty days from the date of location thereof, and there was thereby disclosed a lode or vein of mineral deposit in place.

QUARTZ LOCALIZATION.

Notice is hereby given, that I, J. W. Dobbins, a citizen of the United States, have on this 20th day of July, 1906, discovered and located a vein of mineral bearing rock in place, carrying gold and silver, which vein I have named the Montana No. 1.

That the course of this vein is East and West, and that I claim 1500 linear feet along the trend of this vein 450 ft. West & 1050 ft. East of the discovery monument on which this notice is posted, and that I claim 300 feet on each side of the center of the vein for the full 1500 ft. thereof.

That said claim is located in Cable Cove Mining District, Baker County, Oregon, and is bounded and described as follows, to wit:

This claim is situated on the head waters of North Powder river about one and one half miles north & east from the North Powder & Cracker Creek divide, and is a parallel of the Nashville quartz mining claim, joining said claim on the south for the full 1500 feet.

Dated July 20th, 1906.

J. W. Dobbins, Locatur.

State of Oregon,
County of Baker.

I, E. A. Colley, being first duly sworn, on oath, depose and say, that I am acquainted with the locution of the claim described in the within notice of location of the Montana No. 1 mining claim, and that said notice is a true, full and correct copy of the original notice of location posted on said claim.

That I did, between the 20th day of July 1906, and the 15th day of August, 1906, perform the discovery work required by the statutes of the State of Oregon, on said claim by digging an open cut on the vein six feet deep, four feet wide & ten feet long.

And said work was done on said claim within sixty days from the date of location thereof, and there was thereby disclosed a lose of vein of mineral deposit in place.

Baker City, Or., Aug. 2, 1906.

Know all Men by these Presents:

That the undersigned owner of the Eclipse, White Horse, Tom Boy, Anchor, and Anchor Fraction Quartz Claims, situated on Elkhorn Mountain, Baker County, Oregon, has this day consolidated the above named claims into one group, known as the ANCHOR GROUP of QUARTZ CLAIMS, for the purpose of performing all labor and developing the entire group through a drift and cross-cut tunnel, situated upon the Anchor Quartz Claim of this group, a copy of this notice being posted at the tunnel where the work is being performed as required by law.

Signed, P.W. Bishop.

Filed for record the 23d day of August, 1906, at 10 o'clock A.M.

County Clerk.
NOTICE OF LOCATION OF QUARTZ LOCATION.

TO ALL Whom It May Concern: Notice is hereby given that I, E. hooking, a citizen of the United States, over the age of twenty-one years, have on this 30th day of July, 1906, discovered a vein or lode of mineral-bearing rock in place, bearing gold, silver and other precious and valuable metals and mineral within the limits of the claim hereby located, which I have this day and in accordance with the Revised Statutes of the United States, Chapter 6, Title 32, named the Lucky Strike Quartz Mining Claim.

That the general strike or course of this vein or lode is northerly and southwesterly, and that I claim 750 linear feet northerly and 750 linear feet southwesterly of the point of discovery at which this notice is posted, together with 300 feet on each side of the center of said vein.

That said claim is located in the Cable Cove Mining District, in Baker County, State of Oregon, the discovery monument being placed 750 feet northerly from south center and stake, and said claim is more particularly described by means of natural objects and permanent monuments hereinafter mentioned, and is more particularly described by boundaries as follows, to wit:

Commencing at the point of discovery at which this notice is posted, thence southwesterly 750 feet to south center and stake; thence southeasterly 300 feet to corner No. 1; thence northerly 1500 feet to center and stake; thence northerly 300 feet to north center and stake; thence northwesterly 300 feet to corner No. 3; thence 1500 feet southeasterly to corner No. 4; thence 300 feet southeasterly to south center and stake.

This claim joins the claims of the Overland Mines on the north, and is about half a mile from the California Mines.

This is an amended location of the Lucky Strike, the original location of which was made by me in the year 1905, and this amended location is made without waiver of any previously acquired rights.

And I intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the State of Oregon.

Dated on the ground the 30th day of July, 1906.

Discovered...... 190...
Located...... 190...

State of Oregon,
County of Baker.

E. Hooking, being first duly sworn, say that I am the original locator of the Mining Claim described in the within notice of the Lucky Strike Quartz Mining Claim, and that the foregoing notice is a full, true and correct copy of the original notice of location posted on said claim.

That I did between the 30th day of July, 1906, and the 21st day of August, 1906, perform the discovery or location work required by the statutes of the State of Oregon, on said claim by running an open cut on the edge of said claim, which cut is twenty feet long, forty feet wide and six feet deep.

And that said work was done on said claim within sixty days from the date of discovery thereof, and by said work there was disclosed a lode or vein of mineral deposit in place.

Subscribed and sworn to before me this 22nd day of August, 1906.

Notary Public for Oregon

Filing for record the 26th day of August, 1906.

A. B. Hooking, County Clerk.
Notice of Lode Location.

The undersigned, citizen of the U. S., has this day in compliance with Chapter 6 Title 35, Revised Statutes of the U.S. and the laws of the State of Oregon, located a mining claim on a lode to be designated as the Red Bullion Lode, said claim extends in a North Easterly and South Westerly direction with 300 ft. of surface ground on each side from center of discovery, and described thus: Beginning at this discovery mound, thence going 400 ft. in a North Easterly direction to North East center end, thence 300 ft. in a South Easterly direction to North East corner, thence 1500 ft. South Westerly to South East corner, thence 300 ft. to South West center end, thence 300 ft. to South West corner, thence 1500 ft. North Easterly to North West corner, thence 300 ft. South East to place of beginning, North East center and corners marked by stakes and monuments of stone, said claim is located in Iron Dyke Mining District about two miles and a half from Homestead, and about two miles from Snake river, on the right hand fork of Wiman creek, bounded on the west by the last James Mine, on the South by the Summit mine.

Located this 27th day of May, 1906.

B F Lurchin, Locator.

State of Oregon
County of Baker.

I hereby certify that the lawful amount of location work has been done on the within named "Red Bullion Lode" mining claim.

Amended Location Certificate

W J Bryan Mine.

Know all Men by these Presents, That I, the undersigned, being qualified and having complied with all the mining laws have this day posted this the second Amended Location on the W J Bryan Mine, claiming 1000 feet in length along the ledge N. Easterly and South westerly by 600 feet in width, as follows, to wit:

Beginning at this location stake and notice and running 600 feet N. Easterly and beginning again at this notice and running 300 feet S. Easterly to S W Center End stake; thence 300 feet N. W. to N. W. Cor. stake; thence 1500 feet N. E. to S. E. Cor. stake; thence 300 feet S. E. to S. E. center end; thence 300 feet S. W. to S. W. Cor. stake; thence 1500 feet S. W. Easterly to S. W. Cor. stake; thence 300 feet N. W. to S. W. center end, the place of beginning this survey.

This claim is situated in the Eastern part of Baker Co., Ore., about one mile W. of the mouth of Pine creek, and the S. E. Cor. runs to Snake river, and the location stake and this notice are 500 feet N. of Rattle Snake Spring in Section 5 T. 37 N. 65 W. E. W.

This Amended Location is made in conformity with the original location made March 22nd, 1899, and recorded in Union, Ore., and the First Amended Location made Dec. 20th, 1900, and recorded in Union, Ore., Dec. 26th, 1900, in Book N on page 474, Records Quarts Claims, and is made for the purpose of appropriating all ground within the boundaries hereinbefore described, and of more definitely describing the situation and boundaries of said claim, correcting any irregularities, informalities or errors and supplying any defects which may exist in the original locations or the record thereof, hereby waiving no right to acquire under and by virtue of said original and first Amended Locations.

Witness: J R Blankenship

Amended Location Certificate

"Red Fox" Mine.

Know all Men by these Presents, That A. J. Cole, the undersigned, being qualified and having complied with all the mining laws, have this day posted this the Second Amended Location on the "Red Fox" mine, claiming 1500 feet in length along the ledge, running S. westerly and W. S. westerly by 600 feet in width, as follows, to wit:

Beginning at this notice and stake and running 450 feet S. W. westerly, and beginning at this notice again and running 1050 feet N. E. westerly to N. E. center end; thence 300 feet S. westerly to S. E. cor. stake; thence 1500 feet S. westerly to E. W. cor. stake; thence 300 feet N. westerly to S. W. center and stake; thence 300 feet N. westerly to N. W. center and stake; thence 1500 feet N. E. westerly to N. E. cor. stake; thence 300 feet S. westerly to S. W. center end, the place of beginning this boundary survey.

This claim is situated in the eastern part of Baker County, Oregon, about 1 1/2 miles S. of the Iron Dyke mine on the S. slope of the mountain between Bob creek and Holbrook creek, and the E. end of the claim is about 2500 feet W. of Scott river at Burn Plat, and the notice and stake are 15 ft. N. W. from the cor. between Secs. 29, 30, 31 and 32, and the claim is partly in Sec. 28 and partly in Sec. 29 and 30, T. 5 S. R. 48 E. W. M.

This Amended Location is made in conformity with the original location made April 7th, 1899, and recorded May 3rd, 1899, in Book 6 on page 399, Records for Quarts Claims in Union Co., Oreg., and with the First Amended Location posted Nov. 20th, 1903, and recorded Dec. 3rd, 1903, in Book X on page 105 and 106, Records for Quarts Claims in Baker Co., Oreg., and is made for the purpose of appropriating all ground within the boundaries heretofore described, except about one acre out of the N. W. cor. of Sec. 32 where this claim crosses said Sec., which is patented ground and is hereby excluded from this claim, and of more definitely describing the situation and boundaries of said claim, correcting any irregularities, informalities or errors and supplying any defects which may exist in the former locations or records thereof, hereby waiving no rights acquired under and by virtue of said original and First Amended Locations.

Location Notice Quartz Claim.

Notice is hereby given, that I, the undersigned, being qualified and having complied with the mining laws, have this day located for mining purposes this Jack Pot Fracton No. 2, amended, claiming 1500 feet in length through the center easterly and westerly, as follows:

Beginning at this location notice and stake, and running W. 1304 feet to west end stake, and beginning again at this notice and running E. 136 feet to east center end, identical with Doolis Gray S.W. Cor. patented claim; thence, from east end center, N. 9° 23' R. 248 feet along west end of said Doolis Gray to S.W. Cor.; thence S. 62° 00' W., along S. line of the Centipede 1900 feet to the S.E. Cor. of this claim, identical with the S.W. Cor. of the Centipede claim; thence S. 9° 25' W. 40 feet, more or less, to S.W. Cor. of this claim on N. end line of the Apex Fracton; thence N. 67° 00' E. 760 feet, more or less, to N. E. Cor. of the Ruby Fracton claim; thence S. 57° 30' E. 540 feet to the S.E. Cor.; thence N. 9° 23' W. 248 feet to the E. end center, the place of beginning this survey.

This amended location is made in conformity with the original location made December 11, 1905, and recorded December 20, 1905, in Vol. 29 at page 12 of Quartz Locations in the office of the Recorder of Baker County, Oregon, and is made for the purpose of appropriating all ground within the boundaries hereinbefore described, and for more definitely describing the situation and boundaries of said lands, correcting any irregularities, informalities or errors, supplying omissions and correcting any defects which may have existed in the original location or the records hereof, hereby waiving no rights acquired under and by virtue of said original location.

Date of original discovery April 4, 1902, and said claim has been possessed and worked continuously by me since said date.

Date of Amended Location March 8 A D 1906

Tillamook (Amended)

KNOW ALL MEN BY THESE PRESENTS, that I, W.R. Polis, the undersigned citizen of the United States, over the age of twenty-one years, having complied with all the requirements of the laws of the United States and the State of Oregon, relating to Mining Claims, and with the local laws, customs, rules and regulations, hereby make and file this amended location of the Tillamook lode, claiming by right of discovery, location, prior appropriation and possession; 1500 feet linear and horizontal measurement, on this vein or lode of quartz, or other rock in place, bearing gold, silver and copper and other valuable minerals, with all dips, variations and angles, the same being 1450 feet along the ledge in a northerly direction from the discovery stake, and 50 feet along the ledge in a southwesterly direction therefrom, together with 300 feet in width on each side of the middle of said ledge, and all veins, lodes, ledges, mineral deposits, mineral and surface ground within the lines of said claim.

Situate in the County of Baker, State of Oregon, and more particularly described as follows, to-wit:

Beginning at this location stake and notice and running N. 23°45' E, 1450 feet, and beginning again at this stake and notice and running S 23°45' W, 30 feet to the S.W. center and stake; thence N. 66°15' W, 300 feet to the S.W. Cor. stake; thence N. 23°45' E, 1500 feet to the N.W. Cor. stake; thence N. 66°15' E, 300 feet to the N.E. center and stake; thence S. 66°15' E, 300 feet to the N.E. Cor. stake; thence S. 23°45' W, 1500 feet to the S.E. Cor. stake; thence S. 66°15' W, 300 feet to the S.W. center and stake, the place of beginning this boundary survey.

This claim is in the eastern part of Baker County, Oregon, and on the Iron Dyke Mountain, and about 1 mile west of J.H. Pearson's store in Homestead, Oregon, and the N.E. Cor. is 175 feet N. 23°45' E. from Cor. No. 4, Shafter claim, one of the Iron Dyke Group, No. 5, No. 456, and is bounded on the east by the Kentucky mining claim.

This amended location is made in conformity with the original location, made January 5, 1902, and recorded March 3, 1902, in Book "R" at page 656 of Quartz Locations, in the office of the Recorder of said County, and it is made for the purpose of appropriating all ground within the boundaries hereinbefore described, except at the N.E. Cor., where it laps onto the Shafter claim, and of more definitively describing the situation and boundaries of said lode, correcting any irregularities, informalities or errors, supplying omissions and correcting any defects which may have existed in the original location, or the records hereof, hereby waiving no rights acquired under and by virtue of said original location.

Date of original discovery January 5, A.D., 1902.

Date of amended location March 3, A.D., 1906.

Amended Location Certificate,
Deer Trail Fraction.

Know all Men by these Presents, that W. F. Pallas and A. J. Cole, the
undersigned, being qualified and having complied with all the mining laws,
have on this day posted this Amended Location on the "Never Sweat" Fraction, and
more fully described as follows:

Beginning at the location stake and notice and running 300 feet S to
S. E. Cor. stake; thence 300 feet N W to S W Cor. stake; thence 1500 feet
N. Easterly to N W Cor. stake; thence 1200 feet S. to first angle Cor.; thence
240 feet W. to second angle Cor., identical with N W Cor. Ballard's range;
thence S. Easterly 400 feet to the S. E. Cor., the place of beginning this boundary
survey, situated in the eastern part of Baker Co., Ore., about 5.8 mile from
Ballard's Ferry and is bounded on the E by Deer Trail Blk 1 and No. 2, and Ball-
ard's range, and on the S. by Ferry Companion claim.

This amended location is made in conformity with the original location
which was made Aug. 27th, 1905, and recorded September 14th, 1905, in Vol. 28,
on page 469, Records for quartz claims for Baker Co., Oregon, and is made for
the purpose of appropriating all the ground within the boundaries hereinafter
described, and of more definitely describing the situation and boundaries of said
claim, correcting any irregularities, informalities or errors, and supplying
any defects which may exist in the original location or the record thereof,
and to change the name of the claim from the "Never Sweat" Fraction to the
Deer Trail Fraction, hereby waiving no rights acquired under and by virtue of said
original location.

Date of original location Aug. 27th, 1905.

Date of Amended Location Aug. 20th, 1906.

Notice of Location of a Quartz Claim.

Notice is hereby given to all whom it may concern, that we, the undersigned, being citizens of the United States, over the age of twenty-one years, have discovered a vein or lode of quartz, or rock in place, bearing copper and silver within the limits of the claim hereby located, and have this day under and in accordance with the Revised Statutes of the United States, Chapter Six, Title Thirty-Five, located 1500 linear feet of this vein or lode, with surface ground 600 feet in width, situated in no organized Mining District, County of Baker, State of Oregon, and known as the Venus quartz mining claim, extending 200 feet S. W. to S. center end and 1300 feet N. E. to N. Center end, from this notice at the discovery or prospect shaft, which is 200 feet from S. Center end line; the exterior boundaries of this claim being distinctly marked by reference to some natural object or permanent monument, and more particularly described as follows, to wit:

Commencing at this notice at discovery shaft, and running 200 feet southerly to S. Center end and stake and monument; thence 300 ft. easterly to S. E. Cor. stake and monument; thence 1500 ft. N. E. to N. E. Cor. stake and monument; thence N. W. 300 ft. to N. Center end and stake and monument; thence 300 ft. W. W. to N. W. Cor. stake and monument; thence S. W. 300 ft. to S. Center end and stake and monument; thence 200 ft. N. W. to place of beginning. Above described claim is situated on north side of Main Powder... about 3.4 mile below Hule Shoo bend.

And... intend to work and hold said claim as provided by local custom and rules of Miners and Mining Statutes of the United States.

Dated on the ground this 27th day of June, 1906.

Notice of a Quartz Location  (Amended)

Know all men by these presents, that we, the undersigned, citizens of the United States of America, and over the age of twenty-one years, and having complied with all the mining laws have this day posted this the amended location of the Flagstaff quartz mining claim, claiming 1500 feet in length along the ledge easterly and westerly, by 600 feet in width, as follows, to wit:

Beginning at this notice and running 1000 feet westerly into Grant County, Oregon, and 500 feet easterly into Baker County, Oregon, from this notice to the discovery shaft, by 600 feet in width, located on John Day and North Powder rivers divide, and is about 200 feet north of Cracker creek summit.

This amended location is made in conformity with the original location made July 6, 1900, and recorded in Baker County, Oregon, in Vol. "D", page 514, of Quartz Records of said county, and is made for the purpose of appropriating all ground within the boundaries herebefore described, and of more definitely describing the situation and boundaries of said claim, correcting any irregularities, informalities or errors, and supplying any defects which may exist in the original location, or the record thereof, and we hereby waive no rights acquired under and by virtue of said original location.

Date of the original location, July 6, 1900.
Date of Amended location, August 31, 1906.

Witnesses:
Albert Loy
John Loy, Locater.

Samuel William Loy, Locater

State of Oregon,
County of Baker.

I hereby certify that the lawful amount of location work has been done on the within named Flagstaff claim.

John Loy.

Notice of a Quartz Location (Amended)

Know All men by these presents, that we, the undersigned, citizens of the United States of America, over the age of twenty-one years, and having complied with all the mining laws have this day posted this amended location of the Copper Bottom quartz mining claim, claiming 1500 feet in length along the ledge easterly and westerly, by 600 feet in width, as follows, to wit:

Beginning at the notice and running 600 feet westerly, 400 feet of which running into Grant County, and running easterly 900 feet, being 1100 feet in Baker County, Oregon, from this notice at the discovery mark, by 600 feet in width. Said claim joins the Valley View on the north side line, and about 1200 feet from Cracker creek, north.

This amended location is made in conformity with the original location made August 23, 1901, and recorded in Baker County, Oregon, in Vol. "N", page 385 of Quartz Location Records of said county, and is made for the purpose of appropriating all ground within the boundaries heretofore described, and for more definitely describing the situation and boundaries of said claim, correcting any irregularities, informalities, or errors, and supplying any defects which may exist in the original location or the record thereof. And we hereby waive no rights acquired under and by virtue of said original location.

Date of original location August 23, 1901.
Date of amended location, August 31, 1906.

Jack Pot Fraction No. 2 (Amended)

Location Notice Quartz Claim.

Notice is hereby given, that I, the undersigned, being qualified and having complied with the Mining Laws, have this day located for mining purposes the Jack Pot Fraction No. 2, 1500 feet in length, through the center easterly and westerly as follows:

Beginning at this location notice and stake and running S 77° 30' W 1304 ft to west and

stake, and beginning again at this notice and running N 77° 30' E 196 feet to east center

and; thence, from east and center N 9° 23' E 300 feet along west and end of the Dollie Grey

claim to N E Cor.; thence S 87° 00' W along the S line of the Semipada claim 1500 feet

to the N W Cor. of this claim, identical with the S W Cor. of the Semipada claim; thence

S 9° 23' W 40 feet, more or less, to the S W Cor. of this claim on and line of the Apex

Fraction; thence N 87° 01' E 760 feet, more or less, to the N E Cor. of the Ruby Fraction

Claim; thence S 87° 30' E 540 feet to the S E Cor.; thence N 9° 23' E 300 feet to the

east and center, the place of beginning this survey.

This amended location is made in conformity with the original location made December
11, 1905, and recorded December 20, 1905, in Vol. 28, page 12, of Quartz Locations, in the
office of the Recorder of Baker County, Oregon, and is made for the purpose of appropriating
all ground within the boundaries hereinbefore described, and of more definitely describing
the situation and boundaries of said lode, correcting any irregularities, informalities
or errors, supplying any omissions and correcting any defects which may have existed in the
original location, or the records thereof; hereby waiving no rights acquired under and
by virtue of said original location.

Date of original discovery April 4, 1902, and said claim has been possessed and worked
continuously, by me, since said date.

Date of amended location March 3, A D 1906.

Notice of Location Quartz Claim.

Notice is hereby given, that I, William Boolick, a citizen of the United States, over the age of 21 years, have discovered a vein or lode of quartz, or rock in place, bearing gold within the limits of the claim hereby located, and have this day under and in accordance with the Revised Statutes of the United States, Chapter Six, Title Thirty-Two, located 1500 linear feet of this vein or lode, with surface ground 600 feet in width, situated in no organized Mining District, County of Baker, State of Oregon, and known as the Indiana Quartz Mining Claim No. 4, extending 1000 feet south to center and post, and 500 feet north to center and post, and 300 feet on each side from the notice at the discovery or prospect claim, which is 500 feet south from north end line; the exterior boundaries of this claim being distinctly marked by reference to some natural object or permanent monument, and more particularly described as follows, to-wit: Said Indiana Quartz Mining Claim No. 4 being about two miles west of Geiser running parallel with Bear Gulch and adjoining claims No. 1 and 3 on the East.

And I intend to work and hold said claims as provided by local customs and rules of Miners and Mining Laws of the United States.

Dated on the ground this 19 day of July, 1906.

William Boolick, Locater

State of Oregon, )
County of Baker.)

I, William Boolick, do solemnly swear that I am a citizen of the United States of America (or have declared my intention to become such) that I am acquainted with the quartz claim described in the notice of location called the Indiana Quartz Mining Claim No. 4; that the locater of said claim has prior to the date of this affidavit and since the date of posting of the location notice thereof, sunk a shaft ten feet in depth from the lowest part of the collar thereof, or excavated a cut, or cross-cut or tunnel which cuts the lode at a depth of ten feet, or has excavated an open cut six feet deep four feet wide and ten feet in length along the lode.

William Boolick.

NOTICE

Of Lode or Quartz Location.

To All Whom It May Concern, Notice is hereby given, that J. E. Crockett, a citizen of the United States, over the age of twenty-one years, has on this 25th day of July, 1906, discovered a vein or lode of mineral-bearing rock in place, bearing gold, silver and other precious and valuable metals and mineral within the limits of the claim hereby located, which I have this day and in accordance with the Revised Statutes of the United States, Chapter 6, Title 32, named the name of claim J. E. Crockett Mining Claim.

That the general strike or course of this vein of lode is easterly and westerly, and that I claim fifteen hundred linear feet in length and six hundred linear feet in width of the point of discovery at which this notice is posted, together with 300 feet on each side of the center of said vein.

That said claim is located in the Baker Mining District, in Baker County, State of Oregon, the discovery monument being placed 1200 feet from west end and 300... from east end of claim, and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinafter mentioned, and is more particularly described by boundaries as follows, to wit:

... Commencing at the point of discovery at which this notice is posted, thence 1200 .... W and 300 E adjoining the Crockett on the E, located between Deer creek and Lake creek or the creek E of Deer creek and about five miles W E from Santper. The boundaries of this claim are marked by 4 cor. posts, one discovery post and two end center posts.

And I intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and the State of Oregon.

Dated on the ground the 25th day of July, 1906.
Discovered July 16th, 1906.
Located July 25th, 1906.
Witnesses:
J. E. Crockett
C. E. Crockett, Locator.

State of Oregon, ss
County of Baker.

I, J. E. Crockett, being first duly sworn, say that I am the original locator of the mining claim described in the within notice of the J. E. Crockett Mining Claim, and that the foregoing notice is a full, true and correct copy of the original notice of location posted on said claim.

That I did between the 15th day of August, 1906, and the 3rd day of September, 1906, perform the discovery or location work required by the statutes of the State of Oregon, on said claim by digging an open cut twenty-five (25) feet long, seven feet in depth and five feet wide, also such a shaft fourteen (14) feet in depth, five feet by five feet in size, and that said work was done on said claim within sixty days from the date of discovery thereof, and by said work there was disclosed a lode or vein of mineral deposit in place.

Subscribed and sworn to before me this 5th day of September, 1906.

NOTICE

OF LODE OR QUARTZ LOCATION

This is hereby given, to all whom it may concern, that I, E. C. Crockett, a citizen of the United States, over the age of twenty-one years, has on the 25th day of July, 1906, discovered a vein or lode of mineral bearing rock in place, bearing gold, silver and other precious and valuable metals and minerals within the limits of the claim hereby located, which I have this day and in accordance with the acts and statutes of the United States, Chapter 6 Title 32, named The E C Quartz Mining Claim.

That the general strike or course of this vein or lode is Easterly and Westerly, and that I claim 1500 linear feet in length and 300 linear feet in width at the point of discovery, which this notice is posted, together with 300 feet on each side of the center of said vein.

That said claim is located in the Baker Mining District, in Baker County, State of Oregon, the discovery post being placed 100 feet from E end stake, and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinafter mentioned, and is more particularly described by boundaries as follows, to wit:

Commencing at the point of discovery at which this notice is posted, thence on the left bank of Lake Creek going up stream adjoining the J N C on the east, located between Deer Creek and the next creek east, about 5 miles N E from Sumpter, the boundaries of this claim are marked by 4 corner stakes and 2 center and stakes.

And I intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the State of Oregon.

Dated on the ground the 25th day of July, 1906.

Located July 25th, 1906.

Witnesses:

J H Crockett

E C Crockett, Locator.

State of Oregon, ss

County of Baker.

I, E. C. Crockett, being first duly sworn, say that I am the original locator of the mining claim described in the within notice of the "E C" quartz mining claim, and that the foregoing notice is a full, true and correct copy of the original notice of location posted on said claim.

That I did between the 27th day of July, 1906, and the 12th day of August, 1906, perform the discovery or location work required by the statutes of the State of Oregon, on said claim by one open cut twelve feet in length seven feet deep and five feet wide, also by another open cut ten feet in length, ten feet deep and five feet in width. And that said work was done on said claim within sixty days from the date of discovery thereof, and by said work there was disclosed a lode or vein of mineral deposit in place.

Subscribed and sworn to before me this 6th day of September, 1906.

NOTICE
OF LODE OR QUARTZ LOCATION

TO ALL WHOM IT MAY CONCERN NOTICE IS HEREBY GIVEN, that I, John W. LaBau, a citizen of the United States, over the age of twenty-one years, have on this 27th day of July, 1906, discovered a vein or lode of mineral-bearing rock in place, bearing gold, silver and other precious and valuable metals and mineral within the limits of the claim hereby located, which I have this day and in accordance with the Revised Statutes of the United States, Chapter 6 Title 32, named The Manhattan Quartz Mining Claim.

That the general strike or course of this vein or lode is northerly and southerly and that I claim 750 linear feet northerly and 750 linear feet southerly of the point of discovery at which this notice is posted, together with 300 feet on each side of the center of said vein.

That said claim is located in the Cracker Creek (unorganized) Mining District, in Baker County, State of Oregon, the discovery monument being placed 750 feet northerly from south center and stake, and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinafter mentioned, and is more particularly described by boundaries as follows, to wit:

Commencing at the point of discovery at which this notice is posted, thence southerly 750 feet to south center and stake; thence westerly 300 feet to southwesterly corner stake; thence 1500 feet northerly to northwest corner stake; thence 300 feet westerly to north center and stake; thence in the same direction 300 feet to northeast corner stake; thence southerly 1500 feet to southeast corner stake; thence 300 feet westerly to said south center and stake. This claim lies East of the Jumbo quartz mining claim belonging to the Cracker-Highland Gold Mining Company, and adjoins the High Ball quartz mining claim on the south.

And I intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the State of Oregon.

Located July 27th, 1906.

Witnesses:

John W. LaBau, Locater

State of Oregon, 1

County of Baker, 1

I, John W. LaBau, being first duly sworn, say that I am the original locater of the mining claim described in the within notice of the Manhattan Quartz Mining Claim, and that the foregoing notice is a full, true and correct copy of the original notice of location posted upon said claim. That I did between the 27th day of July, 1906, and the 10th day of September, 1906, perform the discovery or location work required by the statutes of the State of Oregon, on said claim, by running a tunnel on said claim, which tunnel cuts the ledge, vein or lode on said claim at a depth of ten feet and over, and that said work was done on said claim within sixty days from the date of discovery thereof, and by said work there was disclosed a lode or vein of mineral deposit in place.

John W. LaBau

Subscribed and sworn to before me this 10th day of September, 1906.

NOTICE
OF QUARTZ MINING LOCATION.

TO ALL WHOM IT MAY CONCERN: NOTICE IS HEREBY GIVEN, that I, W. G. Perkins, a citizen of the United States, over the age of twenty-one years, have on the 27th day of July, 1906, discovered a vein or lode of mineral-bearing rock in place, bearing gold, silver and other precious and valuable metals and mineral within the limits of the claim hereby located, which I have this day and in accordance with the Revised Statutes of the United States, Chapter 5, Title 32, named the High Ball Quartz Mining Claim.

That the general strike or course of this vein or lode is northerly and southerly, and that I claim 1000 linear feet northerly and 500 linear feet southerly of the point of discovery at which this notice is posted, together with 300 feet on each side of the center of said vein.

That said claim is located in the Cracker Creek Mining District, in Baker County, State of Oregon, the discovery monument being placed 500 feet northerly from south center and stake and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinafter mentioned, and is more particularly described by boundaries as follows, to wit: Commencing at the point of discovery at which this notice is posted, thence southerly 1000 feet to south center and stake; thence westerly 300 feet to southwest corner stake; thence northerly 1500 feet to northwest corner stake; thence easterly 300 feet to north center and stake; thence in the same direction 300 feet to northeast corner stake; thence southerly 1500 feet to southeast corner stake; thence 300 feet westerly to said south center and stake. This claim adjoins the Manhattan quartz mining claim on the north.

And I intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the State of Oregon.

Dated on the ground the 27th day of July, 1906.

Discoveries: July 27th, 1906

W. G. Perkins, Locatort

Witnesses:

..........................................................

State of Oregon,

County of Baker,

I, John W. Lauter, being first duly sworn, say that I am the agent of W. G. Perkins, locatort of the mining claim described in the within notice of the High Ball Quartz Mining Claim, and that the foregoing notice is a full, true and correct copy of the original notice of location posted on said claim.

That I did between the 27th day of July, 1906, and the 10th day of September, 1906, perform the discovery or location work required by the statutes of the State of Oregon, on said claim by running an open cut on the ledge, vein or lode on said claim, which open cut is 24 feet long, five feet wide and 11 feet deep, and said open cut cuts the ledge on said claim at a depth of 11 feet, and that said work was done on said claim within sixty days from the date of discovery thereof, and by said work there was disclosed a ledge or vein of mineral deposit in place.

Subscribed and sworn to before me this 27th day of July, 1906.

Notice of Location of a Quartz Claim.

Notice is hereby given to All Whom It May Concern, That I, J. G. Green, a citizen of the United States, over the age of twenty-one years, have discovered a vein or lode of quartz, or rock in place, bearing gold, silver and other valuable minerals within the limits of the claim hereby located, and have this day under and in accordance with the Revised Statutes of the United States, Chapter Six, Title Thirty-Two, located 1900 linear feet of this vein or lode, with surface ground 300 feet in width situated in the Mining District, County of Baker, State of Oregon, and known as the Blue Bell Quartz Mining Claim, extending 300 feet Eastward to the East end line and 1200 feet Westward to the West end line, and the east end line adjoins the Golden Horse Shoe owned by the Oregon Free Gold Mining Company, from the notice at the discovery or prospect, which is 300 feet from the East end line center post No. 1, the exterior boundaries of this claim being distinctly marked by reference to some natural object or permanent monument, and more particularly described as follows, to wit: The boundary line commences at the east and line center post No. 1, and runs 300 feet northward to the N.E. corner post No. 2; thence 1500 feet Westward to the North West corner post No. 3; thence 700 feet Southward to the West end line center post No. 4; thence 300 feet Southward to the S.E. corner post No. 5; thence 1500 feet to the S.E. corner post No. 6; thence westward 700 feet back to the place of commencement and termination thereof, and the general course and strike of this load or vein is S.W. and N.E., and I claim by right of discovery and location 1900 feet linear and horizontal measurement on the Blue Bell lode along the vein thereof, with all its dips, variations and angles, together with 300 feet in width on each side of the middle of said vein at the surface and all veins, lodes, ledges, deposits and surface ground within the lines of said claim.

And I intend to work and hold said claim as provided by local customs and rules of Mines and Mining Statutes of the United States, and the aforesaid described claim is located in Lost Basin.

Dated on the ground this 18th day of July, 1906.

J. G. Green, Locator

Attest: J. D. Hughes

State of Oregon,

County of Baker.

I, J. D. Hughes, do solemnly swear that I am a citizen of the United States of America; that I am acquainted with the quartz claim described in the within notice of location called the Blue Bell Quartz Claim; that the locator of said claim has prior to the date of this affidavit and since the date of posting of the location notice thereof, excavated a cut or cross cut, or tunnel which cuts the lode at a depth of ten feet, or has excavated an open cut six feet deep, four feet wide and ten feet in length along the lode.

J. D. Hughes,
Subscribed and sworn to before me this 6th day of Sept., 1906.

J. B. Corrall,
Justice of Peace.

Filed for record the 29th day of September, 1906, at 8 o'clock A.M.

County Clerk.
Quartz Location

NOTICE IS HEREBY GIVEN, that we, Chas Guest and Geo Wagner, citizens of the United States, have on the 27th day of July, 1906, discovered and located a vein of mineral bearing rock in place, carrying gold and other minerals, which vein we have named East End (Fraction).

That the course of this vein is Northerly and Southerly and that this claim is 800 feet Northerly and 100 feet Southerly of the discovery monument on which this notice is posted, and that this claim is 300 ft on each side of the center of the vein.

That said claim is located in the unorganized Mining District, Baker County, Oregon, the discovery monument being placed 330 feet South from surface workings and is bounded and described as follows, to wit:

Commencing at the discovery monument, thence 100 ft Southerly to South Center Post; thence 300 ft West to S W Corner post; thence 300 ft Northwesterly to North W corner post; thence 300 ft East to North Center and post; thence 300 ft Easterly to N East Corner post; thence 300 ft Southerly to S East corner post; thence 300 ft Westerly to South Center and post, joining North East and line Oregon Chief No 3, and North West and line Oregon Chief No 2 on California Mountain.

Dated July 27, 1906.

Chas Guest, Locater
George Wagner, Locater

State of Oregon,
County of Baker.

I, Chas Guest, being first duly sworn, on oath, depose and say, that I am a citizen of the U S of America over the age of 21 years and one of the locaters of the claim described in the within notice of location of the East End Fraction mining claim, and that said notice is a full, true and correct copy of the original notice of location posted on said claim.

That I did, between the 27 day of July, 1906, and the 15 day of Sept., 1906, perform the discovery work required by the statutes of the State of Oregon, on said claim by (here state what work was done) Open out 15 ft. in length 4 ft wide 10 ft face, and said work was done on said claim within sixty days from the date of location thereof, and there was thereby disclosed a lode or vein of mineral deposit in place.

Chas Guest

Notice of Location of a Quartz Claim.

Notice is hereby given to all concerned, that Jesse B Snow, citizen of the United States, over the age of twenty-one years have discovered a vein or lode of quartz, or rock in place, bearing minerals within the limits of the claim hereby located, and have this day under and in accordance with the Revised Statutes of the United States, Chapter Six, Title Thirty-Two, located 1500 linear feet of this vein or lode, with surface ground 600 feet in width situated in the unorganized Mining District, County of Baker, State of Oregon, and known as the Wood Chuck Quartz Mining Claim, extending .... feet .... to .... and .... I set ... to .... from this notice at the discovery or prospect shaft, which is .... feet from .... end line; the exterior boundaries of this claim being distinctly marked by reference to some natural object or permanent monument, and more particularly described as follows, to wit:

Commencing at a blazed tree marked South West corner; thence 1500 feet north to a blazed tree marked North West corner; thence 600 feet East to a blazed tree marked North East corner; thence 1500 feet south to a blazed tree marked South East corner; thence 600 feet to the place of beginning. Notice being at discovery shaft center of south end line, said quartz claim being situated on the ridge between Salmon and Marble creeks, on the head of Quartz Gulch.

And I intend to work and hold said claim as provided by local customs and rules of miners and mining statutes of the United States.

Dated on the ground this 10th day of September, 1906.

Jesse B Snow, Locator

Attest: Chas. E. Gray

State of Oregon,
County of Baker;

I, Chas. E. Gray, do solemnly swear that I am a citizen of the United States of America. That I am acquainted with the quartz claim described in the within notice of location called the Wood Chuck Quartz Claim. That the locator of said claim has prior to the date of this affidavit and since the date of posting of the location notice thereof, sunk a shaft ten feet in depth from the lowest part of the collar thereof which cuts the lode at a depth of ten feet.

Chas. E. Gray

Subscribed and sworn to before me this 5th day of October, 1906.

Chas. E. Baird,
Notary Public for Oregon.

Filed for record the 5th day of October, 1906, at 4:30 o'clock P.M.

County Clerk.
State of Oregon,
County of Baker.

I, Tom J Gray, being first duly sworn, depose and say: That between the 15th day of August, 1906, and the 5th day of October, 1906, I performed not less than $500.00 worth of work and labor on the Ida Group of Quartz Mining Claims, situated in the Cracker Creek, unorganized Mining District, in Baker county, State of Oregon, as and for the annual assessment work on said group of claims for the calendar year of 1906. That said Ida Group of Quartz Mining Claims is composed of the Ida Quartz Mining Claim, the Robert Lax Quartz Mining Claim, and the Tom Carter Quartz Mining Claim, and all of said mining claims form a compact group and constitute one nine.

That said work consisted of the construction of 1100 feet of wagon road, the actual cost of which was and is $475.00 besides $25.00 expended in extending open cuts on each of the mining claims above described on the veins on said claims.

That said work was performed for the owner of said claims Tom J Gray, Trustee.

Tom J Gray.

Subscribed and sworn to before me this 5th day of October, 1906.

Amended Location for
Ashland Group Fraction Lode Claim.

Know all Men by these Presents, that the Ancora-Ashland Mining & Milling Co.,

by Charles H. McIlloch, attorney-in-fact, of Baker County, State of Oregon, does hereby
make and file this amended location certificate upon the Ashland Group Fraction Lode
Claim, situated in the organized Mining District, Baker County, Oregon, in T. 9 S., R. 37 E.
(not subdivided) W. M., claiming varying widths on each side of the center of said lode
at the surface, and all veins, ledges and ledges within the lines of said claim, with their
dips, variations and angles;

Eleven hundred seventy eight (178) ft. running N. 54° 52' W, from center of discovery cut,
and three hundred and twenty-two (222) ft. running S. 54° 52' W, from center of discovery cut.

Said lode claim is bounded and described as follows, to wit: Beginning at Cor. No. 1,
thence S. 25° 11' E 294.2 ft to Cor. No. 2, thence S. 54° 52' W 1930 ft to Cor. No. 3,
thence N. 25° 11' W 394 ft. to Cor. No. 4, thence N. 59° 35' E 700.40 ft. to Cor. No. 5,
thence N. 56° E 795 ft. to Cor. No. 1, the place of beginning.

All corners are marked by substantial posts, properly scribed and set in the ground with
mound of earth or stone. This claim is bounded on the N. E. by the Ancora lode claim, on
the S. by the First Chance lode claim and on the N. W. by the Ashlandite lode claim, and is the same
claim as located by J. A. Burchart on June 30th, 1904, and recorded Aug. 30th, 1904. This Amended
Certificate is filed without waiver of any previous rights, for the purpose of correcting
and making more specific the boundaries and description of said lode as originally laid
out upon the ground.

Date of Amended Certificate, Oct. 10th, 1906.

Notice of Location Quartz Claim

NOTICE IS HEREBY GIVEN THAT, Frank M Dimond, a citizen of the United States, over the age of 21 years, have discovered a vein or lode of quartz, or rock in place, bearing gold, silver and other metals, within the limits of the claim hereby located, and have this day under and in accordance with the revised statutes of the United States, Chapter Six, Title Thirty-Two, located 1500 linear feet on this vein or lode, with surface ground 600 feet in width, situated in no organized Mining District, County of Baker, State of Oregon, and known as the Maud S Quartz Mining Claim, the direction of said strike or vein being little north of west & little south of east, and extending north 300 ft & south 300 ft and east 900 ft from this notice at the discovery or prospect shaft, which is 600 feet from west center end line post; the exterior boundaries of this claim being distinctly marked by reference to a natural object or permanent monument, particularly described as follows, to wit:

Beginning at the west center end post on opposite side of Powder river from Golden Eagle, which is 600 feet west from discovery shaft; thence North 300 ft to North West corner post; thence East 1500 ft to North East corner post; thence South 300 ft to East center and post; thence South 300 ft to South East corner post; thence West 1500 ft to South West corner post; thence North 300 feet to West center end post, or place of beginning.

And I intend to work and hold said claim as provided by local customs and rules of Miners and Mining Laws of the United States.

Located and dated on the ground this 1 day of Oct., 1906

Frank M Dimond, Locator

Attest: Ella S Dimond.

State of Oregon,

County of Baker.

I, Frank M Dimond, do solemnly swear that I am a citizen of the United States of America (or have declared my intentions to become such); that I am acquainted with the Quartz Claim described in the within notice of location, called the Maud S Quartz Claim. That the locator of said claim has prior to the date of this affidavit and since the date of posting of the location notice thereof, sunk a shaft ten feet in depth from the lowest part of the collar thereof, or excavated a cut, or cross cut or tunnel which cuts the lode at a depth of ten feet, or has excavated an open cut six feet deep, four feet wide and ten feet in length along the lode.

Notice of Lode or Quartz Location

To All Whom It May Concern: Notice is Hereby Given, That I, D R Wells, a Citizen of the United States, over the age of twenty-one years, have on this 24th day of September, 1906, discovered a vein or lode of mineral-bearing rock in place, bearing gold, silver and other precious and valuable metals and minerals within the limits of the claim hereby located, which I have this day and in accordance with the Revised Statutes of the United States, Chapter 5, Title 32, named the "Acquilla" Quartz Mining Claim.

That the general strike or course of this vein or lode is northwesterly and southeasterly and that I claim 1500 linear feet northwesterly and no linear feet southeasterly of the point at discovery at which this notice is posted, together with 300 feet on each side of the center of said vein.

That said claim is located in an unorganized Mining District, in Baker County, State of Oregon, the discovery monument being placed on the center and line of the south end and said claim is more particularly described and located by means of natural objects and permanent monuments hereinafter mentioned, and is more particularly described by boundaries as follows, to wit:

Commencing at the point of discovery, at which this notice is posted, thence three hundred (300) feet westerly to the southeast corner, thence fifteen hundred (1500) feet northerly to the north east corner, thence six hundred (600) feet westerly to the northwest corner, thence fifteen hundred (1500) feet southerly to the southwest corner, thence three hundred (300) feet westerly to the discovery monument, place of beginning. This claim is bounded on the south by the "Belmont", on the east by the "Trade Dollar" quartz claims, situated at the head of Mindi creek, extending on each side of said creek.

And I intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the State of Oregon.

Dated on the ground the 24th day of September, 1906.

Notice of Lode or Quartz Location

TO ALL WHOM IT MAY CONCERN: Notice is hereby given, That I, William Wiegand, citizens of the United States, over the age of twenty-one years, have on this 7th day of September, 1906, discovered a vein or lode of mineral-bearing rock in place, bearing gold, silver and valuable and other precious metals and minerals within the limits of the claim hereby located, which I have this day and in accordance with the Revised Statutes of the United States, Chapter 6, Title 32, named the "Albatross" Quartz Mining Claim.

That the general strike or course of this vein or lode is northeasterly and southeasterly and that I claim 1500 linear feet northeasterly of the point of discovery at which this notice is posted, together with 500 feet on each side of the center of said vein.

That said claim is located in the no organized Mining District, in Baker County, State of Oregon, the discovery monument being placed as feet from the southeast and line and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinafter mentioned and is more particularly described by boundaries as follows, to wit:

Commencing at the point of discovery, at which this notice is posted, thence three hundred (300) feet easterly to the southeast corner of said claim, thence fifteen hundred (1500) feet northerly to the northeast corner of said claim, thence six hundred (600) feet westerly to the northwest corner of said claim, thence fifteen hundred (1500) feet southerly to the southwest corner of said claim, thence three hundred (300) feet easterly to the discovery monument, place of beginning. This claim joins the northeast end of the Petrel Quartz Claim.

And I intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the State of Oregon.

Dated on the ground the 7 day of September, 1906

County of Baker, as

I, L. A. Kippee, and J. James Harman, being first duly sworn, say, each for myself, that I have examined the quartz claims known and recorded as the Standard No. 1, Standard No. 2, and Standard No. 3, said claims are located in Granite Mining District, Baker County, Oregon, and I hereby certify that one hundred dollars worth of labor has been performed on each of said claims as assessment work for the year ending Dec. 31st, 1906, that said labor was performed at the expense of John Freeman, and that I am in no wise interested in said claim.

L. A. Kippee (seal)  
Jas. Harman (seal)

Sworn to before me this 25th day of Oct., 1906.

(Notarial seal) S. A. Herbert, Notary Public

Filed for record the 31st day of October, 1906, at 1 o'clock P.M.

County Clerk.
AMENDED LOCATION CERTIFICATE OF LODE CLAIM.

KNOW ALL MEN BY THESE PRESENTS, that R. O. Deming, a citizen of the United States, and
United Elk Horn Mines, a citizen of the United States, and a corporation, have on this 18th
day of October, 1906, amended, located and claimed, and by these presents do amend, locate
and claim, by right of discovery, purchase and amended location, in compliance with the laws
of the United States and of the State of Oregon, and all local laws, custom, rules and regu-
lations, fifteen hundred linear feet of this vein or lode, which is known as the "Sixteen to
One" lode or quartz mining claim, together with three hundred feet in width on each side
of the center of said vein.

The general course or strike of this vein is northerly and southwesterly and
claimants claim seven hundred and fifty feet in a northerly and seven hundred
and fifty feet in a southwesterly direction from the point of discovery at which this notice
is posted.

This lode or quartz mining claim is situated in the Elk Horn (unorganized) Mining
District, in the County of Baker, State of Oregon, and said claim is more particularly
described by means of the natural objects and permanent monuments hereinbefore mentioned
and is more particularly described by boundaries as follows, to wit:

Beginning at the southeast corner post, magnetic variation 20 degrees east, from which
the corner common to sections 16, 17, 20 and 21, in R & S E & W, bear south 30
degrees 30 minutes west 1365 feet; thence north 53 degrees 30 minutes west 200 feet to south
center and stake; thence in the same direction 300 feet to southwest corner post; thence
north 39 degrees 45 minutes east 1500 feet to the northwest corner post; thence south 53
degrees 30 minutes east 300 feet to north center and stake; thence in the same direction
300 feet to the northeast corner post; thence south 39 degrees 45 minutes west 1500 feet to the
place of beginning.

The interest of said R. O. Deming in said mining claim is an undivided three fourths int-
erest and that of said United Elk Horn Mines an undivided one fourth interest.

This location of said Sixteen to One lode or quartz mining claim is an amended lo-
cation of the said Sixteen to One lode or quartz mining claim as made on Sept. 12th, 1896,
by J. A. Wilson, as recorded at page 305 of Volume "K" of the public records of quartz
mining claim location notices of said Baker County, Oregon.

Claimants herein have succeeded to the interest of the said J. A. Wilson in said
claim and are the owners thereof, and this amended location of said claim is made for the
purpose of correcting any errors in the original location, description or record, and
is made without waiver of any previously acquired rights.

Date of Original Location Sept. 12th, 1896
Date of Amended Location October 12th, 1906

R. O. Deming,

A. B. Elmsley, County Clerk.
AMENDED LOCATION CERTIFICATE OF LODE CLAIM.

KNOW ALL MEN BY THESE PRESENTS, that R O Denig, a citizen of the United States, and United Elkhorn Mines, a corporation, a citizen of the United States, have on the 15th day of October, 1906, amended, located and claimed, and by these presents do amend, locate and claim, by right of discovery, purchase and amended location, in compliance with the mining laws of the United States and the State of Oregon, and all local laws, customs, rules and regulations, 1150 feet of this lode or vein, which is known as the "EXTENSION" lode or quartz mining claim, together with three hundred feet in width on each side of the center of said vein.

The general course of strike of this vein is northeasterly and southwesterly, and claimants claim 400 linear feet in a northeasterly direction and 750 feet in a southwesterly direction from the discovery point where this notice is posted.

This lode or quartz mining claim is situated in the Elkhorn (unorganized) mining district, in the County of Baker, State of Oregon, and said claim is more particularly described by means of the natural objects and permanent monuments hereinafter mentioned and is more particularly described by boundaries as follows, to wit:

Beginning at the southwest corner post, from which the corner common to sections 16, 17, 20 and 21, Tp 8 S R 32 EWM, magnetic variation 20 degrees east, bears south 32 degrees 55 minutes west 1225 feet; thence north 29 degrees 45 minutes east 1100 feet to the northwest corner post; thence south 63 degrees 30 minutes east 500 feet to the north center and stake; thence in the same direction 300 feet to the northeast corner stake; thence south 39 degrees 25 minutes west 1150 feet to the southeast corner post; thence north 63 degrees 30 minutes west 300 feet to the south center and stake, thence north 54 degrees west 300 feet to the place of beginning.

The interest of the said R O Denig in said mining claim is an undivided one-fourth interest and that of the said United Elkhorn Mines is an undivided one-fourth interest.

This location of said Extension lode or quartz mining claim is an amended location of the Extension lode or quartz mining claim as located by James Cummings, Mame Mahan, R O Denig, and O R Symes on the 6th day of February, 1900, and as recorded at page 92 of Volume "O" of the public records of quartz mining claim location notices of Baker County, State of Oregon.

Claimants hereinafter have succeeded to the interest of said locators in said claim, and are now the owners thereof, and this amended location of said Extension quartz mining claim or lode is made for the purpose of correcting any and all errors in the former location, notice thereof, and is made without waiver of any previously acquired rights.

Date of Original Location Feb 6th, 1900
Date of Amended Location, October 15th, 1906.

AMENDED LOCATION CERTIFICATE OF LODE CLAIM

KNOW ALL MEN BY THESE PRESENTS, That R. O. Deming, a citizen of the United States, and United Elkhorn Mines, a corporation, a citizen of the United States, have on this 18th day of October, 1906, amended, located and claimed, and by these presents do amend, locate and claim, by right of discovery, purchase and amended location, in compliance with the mining laws of the United States, and the laws of the State of Oregon, and all local laws, customs, rules and regulations, fifteen hundred linear feet of this lode or vein, which is known as the "SOUND MONEY" lode or quartz mining claim, together with three hundred feet in width on each side of the center of said vein.

The general course or strike of this vein is northwesterly and southeasterly and we claim 1250 feet in a northeasterly direction and 250 feet in a southwesterly direction from this notice, which is placed at the point of discovery.

This lode or quartz mining claim is situated in the Elkhorn (unorganized) mining district, in the County of Baker, State of Oregon, and said claim is more particularly described by means of the natural objects and permanent monuments hereinbefore mentioned and is more particularly described by boundaries as follows, to wit:

Beginning at the southeast corner post, magnetic variation 20 degrees east, from which the section corner common to sections 16, 17, 20 and 21 T6 S 8 R 33 E1W, bears south 71 degrees east 350 feet; thence north 53 degrees 30 minutes west 250 feet to the south center and post; thence in the same direction 215 feet to southwest corner post; thence north 30 degrees 45 minutes east 1500 feet to the northwest corner post; thence south 53 degrees 30 minutes east 300 feet to north center and stake, thence in the same direction 300 feet to the northwest corner post; thence south 52 degrees 35 minutes west 750 feet to the northwest corner post of the Neatley quartz mining claim; thence south about 35 minutes west to the place of beginning.

The interest of said R. O. Deming in said mining claims is an undivided three fourths interest, and that of the United Elkhorn Mines an undivided one fourth interest.

The location of said Sound Money lode or quartz mining claim is an amended location of the said Sound Money lode or quartz mining claim, made by James Cummings on the 12th day of September, 1896, a copy of the original notice of location thereof being recorded by the said James Cummings at page 503 of Volume "J" of the public records of quartz mining claim location notices of said Baker County, State of Oregon.

Claimants herein have succeeded to the interest of the said James Cummings in said Sound Money lode or quartz mining claim, and are now the owners of said claims, and this amended location of said claim is made for the purpose of correcting any and all errors in the original location, description of record and is made without waiver of any previously acquired rights.

AMENDED LOCATION CERTIFICATE OF LODGE CLAIM

KNOW ALL MEN BY THESE PRESENTS, that R G Deming, a citizen of the United States, over the age of 21 years, and United Elkhorn Mines, a corporation, a citizen of the United States, have on this 10th day of October, 1906, amended, located and claimed, and by these presents do amend, locate and claim, by right of discovery, purchase and amended location, fifteen hundred linear feet of this lode or vein, which is known as the "GENERAL SHAW" lode or quartz mining claim, together with three hundred feet in width on each side of the center of said vein.

The general course or strike of this vein is northeasterly and southwesterly and claimants claim 700 feet in a northeasterly direction and 500 feet in a southwesterly direction from the point of discovery at which this notice is posted.

This lode or quartz mining claim is situated in the Elkhorn (unorganized) mining district, in the County of Baker, State of Oregon, and said claim is more particularly described by means of the natural objects and permanent monuments heretofore mentioned, and is more particularly described as follows, to wit:

Beginning at the southwest corner post, magnetic variation 20 degrees east, from which the section corner common to sections 16, 17, 20 and 21, T 8 S R 36 E W M, bears south 51 degrees 25 minutes west 450 feet; thence north 39 degrees 10 minutes east 210 feet to northeast corner of the McKinley quartz mining claim; thence north 37 degrees 45 minutes east 170 feet to the northeast corner of said General Sherman claim; thence south 63 degrees 30 minutes east 50 feet to north center end stake; thence in the same direction 300 feet to the northeast corner post; thence south 35 degrees 10 minutes west 1300 feet to the southeast corner post; thence north 63 degrees 30 minutes west 215 feet to south center and stake; thence in the same direction 180 feet to the place of beginning.

This location of said General Sherman lode or quartz mining claim is an amended location of the General Sherman lode or quartz mining claim as located Sept. 26th, 1896, by T E Mahan, James Cummings, and O R Symmes, and as recorded at page 521 of Volume "J" of the public records of quartz mining claim location notices of said Baker County, Oregon.

Claimants herein have succeeded to the interest of said locators in said claim and are now the owners thereof, and this amended location of said claim is made for the purpose of correcting any and all errors in any former location, description, notice or record and without waiver of any previously acquired rights.

The interest of the said O R Deming in said mining claim is an undivided three fourths interest, and the interest of said United Elkhorn Mines therein is an undivided one-fourth interest.

Date of Original Location Sept. 26th, 1896.
Date of Amended Location October 10th, 1906.

Amended Location Certificate of Lode Claim.

KNOW ALL MEN BY THESE PRESENTS, That R.O. Deming, a citizen of the United States, over the age of 21 years, and United Elkhorn Mines, a corporation, a citizen of the United States, have on this 18th day of October, 1906, amended, located and claimed, and by these presents do amend, locate and claim, by right of discovery, purchase and amended location, fifteen hundred linear feet of this lode or vein, known as the R.O. Deming lode or quartz mining claim, together with three hundred feet in width on each side of the center of said vein.

The general course or strike of this vein is northeasterly and southwesterly and claimant's claim 750 feet northeasterly and 750 feet southwesterly from the point of discovery at which this notice is posted.

This lode or quartz mining claim is situated in the Elkhorn (unorganized) mining district, in the County of Baker, and State of Oregon, and said claim is more particularly described by means of the natural objects and permanent monuments hereinafter mentioned, and is more particularly described by boundaries as follows, to wit:

Beginning at the southwest corner post, magnetic variation 20 degrees east, from which the section corner common to sections 16, 17, 20 and 21, by S & R 36 E.W. N., bears south 81 degrees 29 minutes west, 499 feet; thence north 35 degrees 10 minutes west, 1500 feet to the northwest corner stake; thence south 74 degrees 25 minutes east 300 feet to north center end stake; thence in the same direction 300 feet to the northeast corner; thence south 39 degrees 40 minutes west, 1500 feet to the southeast corner post; thence north 74 degrees 25 minutes west 300 feet to south center and stake; thence in the same direction 235 feet to the place of beginning.

This location of said Deming lode or quartz mining claim is an amended location of the Deming lode or quartz mining claim as made by James Cummings, R.O. Deming, and R.O. Deming, on the 25th day of May, 1906, location notice of which is recorded at page 52 of Volume "M" of the public records of quartz mining claim location notices of said Baker County, Oregon, and claimants herein have succeeded to the interest of said locators in said mining claim and are now the owners thereof, and this amended location of said claim is made for the purpose of correcting any and all errors in the original location, description or record and without waiver of any previously acquired rights.

AMENDED LOCATION CERTIFICATE OF LODE CLAIM

KNOW ALL MEN BY THESE PRESENTS, that R. O. Deming, a citizen of the United States, over the age of 33 years, and United Elkhorn Mines, a corporation, a citizen of the United States, have on this 19th day of October, 1906, amended, located and claimed, and by these presents do amend, locate and claim, by right of discovery, amended location and purchase, fifteen hundred linear feet of this lode or vein, known as the Oswego lode or quartz mining claim, together with three hundred feet in width on each side of the center of said vein.

The general course or strike of this vein is northwesterly and southwesterly and claimants claim 1450 feet in a southwesterly direction and 50 feet in a northerly direction from the point of discovery at which this notice is posted.

This lode or quartz mining claim is located in the Elkhorn (unorganized) mining district, in the County of Baker, State of Oregon, and said claim is more particularly described by means of the natural objects and permanent monuments hereinafter mentioned, and is more particularly described by boundaries as follows, to wit:

Beginning at the southwest corner post, from which the section corner common to sections 16, 17, 20 and 21 Tp 8 S R 33 R.W.M., bears North 1 degree 30 minutes east, magnetic variation 20 degrees east, 825 feet; thence North 37 degrees 35 minutes east, 1200 feet to northwest corner post; thence south 74 degrees 25 minutes east 225 feet to the north center and stake; thence south 74 degrees 25 minutes east 250 feet to northeast corner post; thence south 43 degrees 40 minutes west 1270 feet to the southeast corner post; thence north 74 degrees 25 minutes west 175 feet to south center and stake; thence in the same direction 125 feet to the place of beginning.

This location of said Oswego lode or quartz mining claim is an amended location of the Oswego lode or quartz mining claim as located on the 25th day of May, 1906, by James O'Neill, R. O. Deming and O. R. Symmes, location notice of which is recorded at page 53 of Volume "M" of the public records of quartz mining claim location notices of said Baker County, Oregon.

Claimants herein have succeeded to the interest of said locators of said claim and are now the owners thereof, and this amended location of said claim is made for the purpose of correcting any errors in the former location, description or record, and is made without waiver of any previously acquired rights.

The interest of the said R. O. Deming in said mining claim is an undivided two thirds interest, and the interest of said United Elkhorn Mines therein is an undivided one third interest.

AMENDED LOCATION CERTIFICATE OF LODE CLAIM

KNOW ALL MEN BY THESE PRESENTS, That R. O. Deming, a citizen of the United States, over the age of 21 years, and United Elkhorn Mines, a corporation, a citizen of the United States, have on this 19th day of October, 1906, amended, located and claimed, and by these presents do amend, locate and claim, by right of discovery, purchase and location and amended location, fifteen hundred feet of this lode or vein, which is known as the "BLAND" lode or quartz mining claim, together with three hundred feet in width on each side of the center of said vein.

The general course or strike of this vein is northwesterly and southwesterly and claimants claim 1500 feet in a southwesterly direction and ten feet in a northeasterly direction from the point of discovery at which this notice is posted.

This lode or quartz mining claim is situated in the Elkhorn (unorganized) mining district, in the County of Baker and State of Oregon, and said claim is more particularly described by means of the natural objects and permanent monuments hereinafter mentioned and is more particularly described by boundaries as follows, to wit:

Beginning at the southeast corner post of said claim from which the section corner common to sections 16, 17, 20 and 21, Tp 23 R 33 E W M, magnetic variation 20 degrees east, bears north 1 degree 30 minutes east 225 feet; thence north 63 degrees 30 minutes west 215 feet to the south center and stake; thence in the same direction 200 feet to the southwest corner post; thence north 30 degrees 10 minutes east 1200 feet to the northwest corner post; thence south 63 degrees 30 minutes east 200 feet to north center and stake; thence in the same direction 215 feet to the northeast corner post; thence south 37 degrees 35 minutes west 1200 feet to the place of beginning.

This location of said Blant lode or quartz mining claim is an amended location of the Blant lode or quartz mining claim as made on Sept. 26th, 1895, by T. E. Mahan, James Cunningham and O. R. Symes, location notice of which is recorded at page 522 of Volume "J" of the public records of quartz mining claim location notices of said Baker County, Oregon.

Claimants heretofore have succeeded to the interest of said locators in said mining claim and are now the owners thereof, and this amended location of said claim is made without waiver of any previously acquired rights, and is made for the purpose of correcting any and all errors in the original location, description, notice or record.

The interest of said R. O. Deming in said mining claim is an undivided three fourths interest and that of the United Elkhorn Mines is an undivided one fourth interest.

Date of Original Location, Sept. 26th, 1895.
Date of Amended Location, October 19th, 1906.

AMENDED LOCATION CERTIFICATE OF LODE CLAIM

KNOW ALL MEN BY THESE PRESENTS, that R. O. Deming, a citizen of the United States, over the age of 21 years, and United Elkhorn Mines, a corporation, and a citizen of the United States, have, on this 1st day of October, 1906, amended, located and claimed, and by these presents do amend, locate and claim, by right of discovery, purchase and amended location, in compliance with the laws of the United States and of the State of Oregon, and all local laws, customs, rules, and regulations, fourteen hundred and ten feet of this lode or vein, which is known as the 'McKinley' lode or quartz mining claim, together with three hundred feet in width on each side of the center of said vein.

The general course or strike of this vein is northeasterly and southwesterly, and claimants claim 310 feet in a northeasterly direction and 900 feet in a southwesterly direction from the point of discovery, at which this notice is posted.

This lode or quartz mining claim is situated in the Elkhorn (unorganized) mining district, in the County of Baker, State of Oregon, and said claim is more particularly described by means of the natural objects and permanent monuments hereinafter mentioned and is more particularly described by boundaries as follows, to wit:

Beginning at the southeast corner post, magnetic variation 20 degrees east, from which the section corner common to sections 16, 17, 20 and 21, in S E 3 W E W, bears North 31 degrees 50 minutes east 760 feet; thence north 54 degrees west 225 feet to the south center stake; thence in the same direction 225 feet to the southwest corner stake; thence north 38 degrees east 1410 feet to the northwest corner stake; thence south 54 degrees east 300 feet to north center stake; thence south 54 degrees east 275 feet to the northeast corner post; thence south 39 degrees 10 minutes west 1410 feet to the place of beginning.

The interest of the said R. O. Deming in said mining claim is an undivided three-fourths interest, and that of the said United Elkhorn Mines is an undivided one-fourth interest.

This location of said McKinley lode or quartz mining claim is an amended location of said McKinley lode or quartz mining claim as made on September 26th, 1896, by F. X. Mahan, and James Cunningham, as recorded at page 520 of Volume "J" of the public records of quartz mining claim location notices of said Baker County, Oregon.

Claimants herein have succeeded to the interest of the said locators of said claim and are now the owners thereof, and this amended location is made for the purpose of correcting any and all errors in the original location, notice or record and is made without waiver of any previously acquired rights.

Date of original Location, September 26th, 1896.

Proof of Labor

State of Oregon, )
County of Baker. )

We, Geo W Bea and Geo W McCoy, being first duly sworn, say: That during the months of September, and October, 1906, we have performed the annual work of labor for the year 1906, required by State and Federal laws, on the Sherman group of quartz mining claims situated in the Elkhorn (unorganized) mining district, in the County of Baker, State of Oregon, said group of mining claims consisting of the following described quartz mining claims, to wit:

The Sound Money quartz mining claim, the Sixteen to One quartz mining claim, the McKinley quartz mining claim, the Bryan quartz mining claim, the Bland quartz mining claim, the General Sherman quartz mining claim, the Extension quartz mining claim, the Oswego quartz mining claim, and the Deming quartz mining claim, all of said mining claims being owned by R O Deming and United Elkhorn Mines, a corporation, and all of said work was performed for the said owners of said claims.

Said work consisted of tunnel work on the Sherman claim of said group, and said work on said Sherman claim was an actual benefit to all of the claims of said group, except said Oswego and Deming claims; also tunnel work on the said Oswego claim and said tunnel work on said claim last mentioned was an actual benefit to said Oswego claim and said Deming claim. In addition to said tunnel work on said two claims, there was performed by us, labor in running open cuts, sinking shafts and running tunnels on all of said claims, saving only said Extension quartz mining claim.

That the value of all of said work was and is the sum of Nine Hundred Dollars, and all of the work performed by us on said claims was an actual benefit to said claims.

That payment of said work has been made by R O Deming, one of the owners of said claims.

Proof of Labor

State of Oregon, 

County of Baker.

I, Otto L Simons, being first duly sworn, say that between the 1st day of August, and the 31st day of October, 1906, I, together with J J Connaughton, Wm. Connaughton and Peter Welch, performed the annual work for the calendar year 1906, required by State and Federal law on the following described quartz mining claims, situated in the Cable Cove (unorganized) mining district, in the county of Baker, State of Oregon, to wit: The St Louis, the California, the Chicago, the Milwaukee, the Christmas, the Coronation, the Colorado, and the Alaska, by performing on each of said claims not less than twenty feet of tunnel work. That on the following described quartz mining claims during said period of time, I and said persons above named also performed said annual labor for said year 1906, to wit: The Blue Jay and the Anaconda quartz mining claims; that said work consisted of tunnel work on said Anaconda claim, to the amount of twenty feet. That all of the above described quartz mining claims constitute one group of mining claims or mine, known as the California Mine, and the work done on each of said claims was a benefit to each and all of the claims constituting said group.

That during said period of time, I, with said persons above named, also performed the annual labor for said year 1906, on the Nevada and Mabel Frazier quartz mining claims, situated in the above district and near the claims above described, all in Baker County, State of Oregon. That said work on said Nevada and Mabel Frazier quartz mining claims consisted of twenty feet of tunnel, run on the said Nevada claim, and said work was an actual benefit to both said Nevada and said Mabel Frazier claims.

That the value of the work done upon the first ten claims above named was and is the sum of One Thousand Dollars, and the value of the work done upon said Nevada and Mabel Frazier quartz mining claims was and is the sum of Two Hundred Dollars. That all of said work was done at the request of and for the benefit of the owner of said mining claims, the Tarnaguirn Arm Gold Mining Company, a corporation, and said work was prosecuted continuously through the months of August, September, and October, 1906

Otto L Simons.

QUARTZ LOCATION

Notice is hereby given, that L.O. Hoffman and R.W. Neer, citizens of the United States, has on this 6 day of Oct., 1906, discovered and located a vein of mineral bearing rock in place, carrying gold, which vein we have named Stormy Petral. That the course of this vein is North West and South East and that we claim 1500 ft. North Westerly of the discovery monument on which this notice is posted, and that we claim 300 feet on each side of the center of the vein.

That said claim is located in no organized Mining District, Baker County, Oregon, the discovery monument being placed 6 feet north from the discovery and is bounded and described as follows, to-wit:

Commencing at the discovery monument, thence 300 ft North Westerly, thence 1500 ft North Westerly, thence 600 ft South Westerly, thence 1500 ft South Easterly, thence 300 ft North Easterly to place of discovery.

This claim is about 1/2 mile North of Kane Farm.

Dated Oct. 6, 1906.

L.O. Hoffman, Locater

R.W. Neer, Locater

State of Oregon,

County of Baker.

I, L.O. Hoffman, being first duly sworn, on oath depose and say, that I am a native born citizen of the U.S. and one of the locaters of the claim described in the notice of location of the Stormy Petral mining claim, and that said notice is a full, true and correct copy of the original notice of location posted on said claim.

That I did, between the 6th day of Oct., 1906, and the 3rd day of Dec., 1906, perform the discovery work required by the statutes of the State of Oregon, on said claim, by (here state what work was done) such a shaft 10' x 1' x 6 feet, and said work was done on said claim within sixty days from the date of location thereof, and there was thereby disclosed a lode or vein of mineral deposit in place.

L.O. Hoffman

County Clerk.
State of Oregon,\nCount of Baker.\n
I, John W. Loveau, being first duly sworn, depose and say: That between the 12th day of July, 1906, and the 18th day of July, 1906, both dates inclusive, and between the 26th day of October, 1906, and the 2nd day of December, 1906, both dates inclusive, there was performed on the group of mining claims, known as the Little Lake Group, and belonging to the Little Lake Gold Mining Company, said claims being more particularly described hereinafter, Four Hundred Dollars worth of work and labor, for the annual work and labor for the calendar year 1906, required by State and Federal law to be performed on said claims for said calendar year.

That said work consisted of running a trench on the Sentinel mining claim of said group, which trench was sixty feet long and ten feet deep, and which work was performed between the 12th day of July, 1906, and the 18th day of July, 1906, by one M. P. Muzzy and myself; also fifteen feet of shaft on the Iron Duke claim of said group, which latter work was performed by myself and W. A. Johnson between the 26th day of October, 1906, and the 2nd day of December, 1906, and the value of the whole of said work was and is Four Hundred Dollars.

That all of said work was done on said Sentinel and said Iron Duke claims was an actual benefit to all of the claims composing said group; that said group known as the Little Lake group of mining claims or mine, consists of the Iron Duke quartz mining claim, the Copper Duke quartz mining claim, the Copper Butte quartz mining claim, and the Sentinel quartz mining claim.

A. C. Lessig [Signature]
County Clerk.

State of Oregon,
County of Baker.

I, George T. Cullen, being first duly sworn, depose and say that at least $500.00 worth of labor and improvements were performed and made by me upon the Independence, Boston, Little Daisy, Red Chief, and Standard quartz mining claims, the said mining claims constituting the Independence group of mining claims, situate in what is commonly known as the Virtue Mining District (unorganized) in Baker County, State of Oregon, during the year 1906.

That the said labor and improvements consist in tunnel work and other labor and improvements done and performed upon the said mining claims in furtherance of a common system for the development of each and all of said mining claims and did tend to the benefit and development of the said mining claims and each and all thereof.

That the said work consisted in running a tunnel in and upon the said Independence mining claim and doing and performing other labor upon other said claims.

That such expenditure was made at the expense of said J. Cullen, the owner of said mining claims, for the purpose of holding each and all thereof, and for the purpose of complying with the provisions of the revised statutes of the United States relating to annual assessment work upon mining claims.

County Clerk.
State of Oregon,
County of Baker.

I, W F Hunzy, being first duly sworn, deposes and says: That I am Superintendent and Manager of the properties of the Cracker-Highland Gold Mining Company, situated in the Cracker Creek (unorganized) mining district, in the County of Baker, State of Oregon.

That during the year 1905, there was performed on the May Belle quartz mining claim and the Blue Bell Fraction quartz mining claim, of said properties, said two claims constituting a group, the annual labor for the year 1905, required by the laws of the United States and of the State of Oregon. That said labor consisted of running a tunnel on said claims, of 115 feet in length, said tunnel commencing on the Blue Bell Fraction quartz mining claim and running from thence into the said May Belle claim, and said work was an actual benefit to both of said claims, and tended to develop both of said claims.

That on said claims for the year 1906, there was performed the annual labor for said year 1906, by continuing said tunnel a further length of fifteen feet, and by also running an open cut on said May Belle claim, which open cut is forty feet in length and has a depth at the deepest point of twenty feet; that all of said work was an actual benefit to both May Belle claim and said Blue Bell Fraction claim. That said work was performed by me and others, for the benefit of the owners of said claims, said Cracker-Highland Gold Mining Company, a corporation incorporated under the laws of the State of Oregon. Said work for said year 1906, was performed in January, 1906, and July, 1906.
