Notice of Quartz Location

Located this first day of January A.D. 1903,

Baker County, State Oregon, No Organized Mining District.

Notice is hereby given that the undersigned, a Native Born citizen of the United States, over the age of twenty-one years having complied with the requirements of Chapter six, of Title thirty-two, of the Revised Statutes of the United States, and the laws of the above State, and the local customs and regulations of said District, has located and does hereby locate fifteen hundred linear feet of the Free Claimage mineral line (or placer ground) situated in Baker County, in the above State and Mining District, and further described as follows: Commencing at a post marked NW corner of Free Claimage at the North corner, from thence three hundred feet in a north westerly direction to a center and post marked Dewey W End center, thence three hundred feet in a north westerly direction to a corner post marked Dewey NW corner, thence fifteen hundred feet in a north westerly direction to a corner post marked Dewey NE corner, thence three hundred feet in a north easterly direction to a center and post marked Dewey NE corner, thence fifteen hundred feet in a north easterly direction to a corner post marked Dewey NE corner, thence fifteen hundred feet in a north easterly direction to a place of beginning, intending to claim fifteen hundred feet in length and six hundred feet in width, for the purpose of mining the same, claiming all surface rights, privileges and minerals, and other rights granted by existing laws and customs. This claim is named DEWEY, and the strike or course thereof is southeast and westerly. This notice is placed at discovery shaft, from which the west center and is distant 100 feet, and the east center and is distant 1400 feet and which is more particularly described as being on the west side of the Free Claimage Mining Claim and running parallel to the Free Claimage Mining Claim.

Witnesses:

Theo H. Dunn; Geo Wilson

State of Oregon,

County of Baker,

I, E. F. Cannon, do solemnly swear that I am a citizen of the United States of America (or have declared my intention to become such), and that I am acquainted with the mining ground described in this notice of location, and hereunder called the Dewey ledge, ledge or claim; that the ground and claim therein described, or any part thereof, has not, to the best of my knowledge and belief, been located according to the laws of the United States, and of this State, or if so located, that the same has been abandoned and forfeited by reason of the failure of such former locators to comply in respect thereto with the requirements of said laws and (in case of quartz claims) that I have made a discovery shaft upon said claim to a depth of ten feet from the lowest part of the rim of said shaft at the surface made a cut or cross cut or tunnel which cuts the ledge at a depth of ten feet made an open cut six feet deep, four feet wide and ten feet in length along the ledge, from the point of discovery, showing a ledge or vein of mineral deposit in place.

Subscribed and sworn to before me this 2 day of January 1903

W. S. Bowes

Notary Public for Oregon

Filed for record the 15th day of January 1903, at 3 o'clock P.M.

A. C. Bell, County Clerk
Notice of Quarters Location.

Located this 19th day of January, A.D. 1908, in Baker County, State of Oregon, No. 4 Organized Mining District.

Notice is hereby given that the undersigned, a citizen of the United States, over the age of twenty-one years, having complied with the requirements of chapter 6, or title thirty-two, of the Revised Statutes of the United States, and the laws of the above State, and the local customs and regulations of said District, has located and does hereby locate fifteen hundred linear feet on the extension of the Snow Bird Lode situated in Baker County, in the above State and mining district, and further described as follows:

Commencing at a post marked N W corner of Snow Bird and the N W corner, from thence three hundred feet in a S W direction to a center and post marked Snow Bird N W, thence fifteen hundred feet in a S W direction to a corner post marked N W Free Coinage 3rd, thence three hundred feet in a Southwesterly direction to a center and post marked Free Coinage Center, thence three hundred feet in a Southwesterly direction to a corner post marked Free Coinage S E corner, thence fifteen hundred feet to a place of beginning, intending to claim fifteen hundred feet in length and six hundred feet in width, for the purpose of mining the same, claiming all surface rights, privileges and minerals, and other rights granted by existing laws and customs. This claim is named Free Coinage, and the strike or course thereof is Southwesterly and Westerly. This notice is placed at discovery shaft, from which the west center and is distant 300 feet and the east center and is distant 1200 feet, and more particularly described as being the Southwesterly Extension of the Snow Bird Mining Claim, situated 1/2 mile above Mike Lynch's cabin and on the north side of Silver creek.

Witnesses:

This I A. Dunn, Geo. Wilson

E P Jannsen, (notary)

State of Oregon,
County of Baker.

I, E P Jannsen, do solemnly swear that I am a citizen of the United States of America (or have declared my intention to become such), that I am acquainted with the mining ground described in this notice of location, and herewith called the Free Coinage Lode or claim; that the ground and claim therein described, or any part thereof, has not to the best of my knowledge and belief, been located according to the laws of the United States, and of this State, or if so located, that the same has been abandoned and forfeited by reason of the failure of such former locator to comply in respect thereto with the requirements of said law and (in case of quartz claims) that I have sunk a discovery shaft upon said claim to a depth of ten feet from the lowest part of the rim or said shaft at the surface, made a cut or cross cut or tunnel which cuts the lode at a depth of ten feet, made an open cut six feet deep, four feet wide and ten feet in length along the lode, from the point of discovery, shooting a ledge or vein or mineral deposit in place.

E P Jannsen

Notary and sworn to before me this 2 day of Jan' 1908

W S Showers
Notary Public for Oregon

Filed for record the 15th day of January, 1908, at 3 o'clock p.m.

County Clerk
State of Oregon,

County of Baker.

I, C W Hallford, being first duly sworn, depose and say that during the year 1907 I did and performed not less than One Hundred Dollars worth of labor and improvements in and upon the Denver quartz mining claim, the said mining claim being situate in the Virtue Mining District (unorganized) in Baker County, State of Oregon, and about one and one half miles southwest from the Virtue or Michael Hyde, patented, quartz mining claim.

That the said labor and improvements consisted in running a tunnel in and upon said Denver mining claim, and was done and performed for the purpose of complying with the Revised Statutes of the United States relating to the performance of annual assessment work upon unpatented mining claims.

That the said work and improvements were made and done as aforesaid at the request and expense of H J McKimmon, the owner of the said Denver mining claim, and that by reason of the above the annual assessment work for the year 1907 has been done and performed upon the said Denver mining claim.

Subscribed and sworn to before me this 30th day of January, 1908.

Joseph J Melcher
(Notarial seal)
Notary Public for Oregon

Filed for record the 30th day of January, 1908, at 2 o'clock P.M.

---6716---

I, F B Stafford, being first duly sworn, depose and says that he, in consideration of a one-third interest in the Moonlight Extension of group of copper and gold claims, situated in Chief Valley 20 miles north of Baker City on North Upper Powder River, has done location and assessment work on said claims for the year 1907.

F B Stafford

Subscribed and sworn to before me this 19th day of December, 1907.

J W Ball
(Notarial seal)
Notary Public

Filed for record the 21st day of January, 1908, at 3 o'clock P.M.

County Clerk
Notice of Location of a Quartz Claim

Notice is hereby given to all whom it may concern, that H. R. Masterson, citizen of the United States, over the age of twenty-one years, having discovered a vein or lode of quartz or rock in place, bearing mineral within the limits of the claim hereby located, and have this day under and in accordance with the Revised Statutes of the United States, Chapter Six, Title Thirty-two, located 1500 feet linear of this vein or lode, with surface ground 600 feet in width, situated in the Unorganized Mining District, County of Baker, State of Oregon, and known as the Last Chance Quartz Mining Claim, extending 1500 feet in westerly and easterly direction and 600 feet in width from this notice at the discovery or prospect shaft, which is 1100 feet west from east end line and 300 feet each side of this; the exterior boundaries of this claim being distinctly marked by reference to some natural object or permanent monument, and more particularly described as follows, to wit:

Three fourth mile west from Snake river and joins the Matchless Group on the north and about one mile south from the Iron Dyke Mining Claim, and on the north side of Holbrook creek, beginning 400 feet west from this notice at west center and stake, running thence south 300 feet to S W corner stake, thence in easterly 1500 feet to S E corner stake, thence in northerly direction 300 feet to E center and stake, thence in northerly direction 300 feet to N E corner stake, thence in westerly direction 1500 feet to N W corner stake, thence south 300 feet to place of beginning.

And I intend to work and hold said claim as provided by local customs and rules of miners and mining statutes of the United States.

Dated on the ground this 1st day of January, 1908.

H. R. Masterson, Locator

Recorded...1908. Attest:....... State of Oregon,

County of Baker.

I, J. K. Shaver, do solemnly swear that I am a citizen of the United States or America (or have declared my intention to become such) that I am acquainted with the quartz claim described in the within notice of location, called the Last Chance quartz claim. That the locator of said claim has prior to the date of this affidavit and since the date of posting or the location notice thereon, sunk a shaft ten feet in depth from the lowest part of the collar thereof, or excavated a cut, or cross-cut or tunnel which cuts the lode at a depth of ten feet, or has excavated an open cut six feet deep, four feet wide and ten feet in length along the lode.

J. K. Shaver

Subscribed and sworn to before me this 10th day of January, 1908.

(Notarial seal) E. P. Wood, Notary Public for Oregon

Filed for record the 22d day of January, 1908, at 8 o'clock A.M.

County Clerk
State of Oregon,
County of Baker.

I, W. F. Murray, being first duly sworn, say that I am now and at all
times herein mentioned have been the manager of the Cracker-Home Gold Mining
Company, a corporation, the owner of the mining claims hereinafter mentioned.

That as manager of said corporation, I did, during the year 1907, perform the
annual labor for the year 1907 required by State and Federal law, on the following
described quartz mining claims, to wit: The Black Butte, the Highland, the Millie,
the Jumbo, the Joker-Manhattan, the Bache, the May Belle, and the Blue Bell Franchise,
eight claims in all.

That said annual labor was performed as follows, to wit: On the Joker-Manhattan
quartz mining claim I caused to be run a tunnel thirty eight feet in length, and that
the value of said labor on said tunnel was and is the sum of $730.00; that said work
work tended to develop, did develop and was an actual benefit in not less than the sum
of One hundred dollars each, on the following of the above mentioned claims, to wit:
The Joker-Manhattan, the Millie, the Jumbo and the Bache.

That on the Highland I caused to be run 25 feet of tunnel, and the value of said
tunnel was and is the sum of $300.00 and said work developed and tended to develop
and was an actual benefit to each of the following claims in not less than the sum of
one hundred dollars each, to wit: The Highland, the Blue Bell Franchise and the
May Belle.

That on the Black Butte claim I ran an open cut 70 feet in length, 10 feet deep
and that the value of said work was and is the sum of One Hundred Dollars, and that
said work was a benefit to said Black Butte claim in the sum of One Hundred Dollars.

That all of said mining claims above constitute one mine known as the Cracker
Highland Mine, and all of said mining claims are the property of the Cracker-Highland Gold
Mining Company, and all of said claims are situated in what is commonly known as the
Cracker Creek unorganized mining district, near the Town of Beavine, Baker County,
State of Oregon, and all of said mining claims are within said Baker County, Oregon.

W. F. Murray

Subscribed and sworn to before me this 30th day of December, 1907.

A. B. Kern
County Clerk
Notice of Lode or Quartz Location.

To all Whom It May Concern, Notice is hereby given that we, the undersigned, citizens of the United States, over the age of twenty-one years, have on this 5th day of January, 1906, discovered a vein or lode of mineral-bearing rock in place, bearing gold, silver, and other precious and valuable metals and minerals within the limits of the claim hereby located, which we have this day and in accordance with the Revised Statutes of the United States, Chapter 6, Title 32, named the Hoodoo Quartz Mining Claim.

That the general strike or course of this vein or lode is Northerly and Southerly and that we claim 400 linear feet Northerly and 1100 linear feet Southerly of the point of discovery at which this notice is posted, together with 300 feet on each side of the center of said vein.

That said claim is located in the unorganized Mining District, in Baker County, State of Oregon, the discovery monument being placed 400 feet Southerly from North center end post and said claim is more particularly described and located by means of the natural objects and permanent monuments heretofore mentioned, and is more particularly described by boundaries as follows, to wit:

Commencing at the point of discovery, at which this notice is posted, thence 400 ft northerly to north center end post, thence 300 ft westerly to NW corner post No 1, thence 1500 ft southerly to SE corner post No 2, thence 300 ft Easterly to South center end post, thence 300 ft Easterly to SE corner post No 3, thence 1500 ft Northerly to NW corner post No 4, thence 300 ft Wtherly to north center end post. This claim is situated 1-4 mile SE of the town of Bourne, and was previously known as the Cracker Eagle.

And we intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the State of Oregon.

Dated on the 5th day of January, 1906.

TO WHOM IT MAY CONCERN:

Notice is hereby given, that Miss Alma M. Tritsch, citizen of the United States of America, conforming to the mining laws thereof, and of the State of Oregon and local rules, regulations and customs of miners, has located and by this notice does locate claim known as the Midnight Queen Lode or mining claim, said claim being discovered the 18th day of December, 1907, and does claim 1500 hundred linear feet on this lead, lode or vein bearing mineral in place, by 500 hundred feet in which, the same being 500 hundred feet on each side of the center thereof, together with all dips, spurs and angles, and all other veins or lodes the top or apex of which lie within said boundaries.

Situated in Pocahontas Mining District, County of Baker, State of Oregon, said location being described and marked on the ground as follows, to wit:

Beginning at place of discovery and running 750 ft in a northerly direction, and 750 ft in a southerly direction from discovery shaft, together with 300 ft on each side of lode or vein. The above property was formerly known as the "Gunboat" mining claim.

The above mining claim is situated in the Northwest 1/4 of Section 8, T28 N., Range 29 East W.M.

And do intend to hold and work said claim in accordance with the local customs and rules of miners and the mining laws of the United States and of the State of Oregon.

Dated on the ground this 1st day of January, 1908.

Notice of Location of a Quartz Claim.

Notice is hereby given to all whom it may concern, that Sec T Cullen, Citizens of the United States, over the age of twenty-one years, have discovered a vein or lode of quartz, or rock in place, bearing mineral within the limits of the claims hereby located, and have this day under and in accordance with the said statutes of the United States, Chapter Six, Title Thirty-two, located 1500 linear feet of this vein or lode, with surface ground 600 feet in width situated in the organisé Mining District, County of Baker, State of Oregon, and known as the Gray Horse quartz mining claim, extending 1020 feet northwesterly to NW end line and 180 feet southeasterly to the southwest corner of the quarter section 36, T 10 N, R 36 E, and line of Gray Horse C. C., the exact boundaries of this claim being distinctly marked by reference to some natural object or permanent monument, and more particularly described as follows, to wit:

Situated about 600 feet west of the White Swan Mill and bounded on the north by the White Swan No 2 on the southeast end by the Gold West quartz claim.

The general course or strike of this lode is northwesterly and southeasterly.

And I intend to work and hold said claim as provided by local customs and rules of miners and mining statutes of the United States.

Dated on the ground this 27th day of January, 1903

Sec T Cullen, Loc. Fr
Attest: S J Cullen

State of Oregon,

County of Baker.

I, Sec T Cullen, do solemnly swear that I am a citizen of the United States of America. That I am acquainted with the quartz claim described in the within notice of location called the Gray Horse quartz claim; that the locator of said claim has prior to the date of this affidavit and since the date of posting of the location notice thereto, excavated a cut, which cut the lode at a depth of ten feet, or has excavated an open cut six feet deep, four feet wide and ten feet in length along the lode.

Sec T Cullen

Notice of Quartz Location

Located this 1st day of January A D 1908

Baker County, State of Oregon, no organized Mining District.

Notice is hereby given that the undersigned, J E Davis, a citizen of the United States, over the age of twenty-one years, having discovered a vein or lode of quartz or rock in place bearing gold and silver within the limits of the claim hereby located, have this day under and in accordance with Chapter six, Title thirty-two, of the Revised Statutes of the United States, and the laws of the State, and the local customs and regulations of said District, located and hereby locate fifteen hundred linear feet on this vein or lode, with surface ground 600 feet in width, situated in Baker County, in the above State and Mining District and further described as follows: Commencing at a post marked NWC at the northeast corner, from thence 300 feet in an easterly direction to a corner post marked NE, thence 300 feet in an easterly direction to a corner post marked WSC, thence 1500 feet in a southerly direction to a corner post marked WEC, thence 300 feet in a westerly direction to a corner post marked SEC, thence 1500 feet to place of beginning, intending to claim 1500 feet in length and 600 feet in width, for the purpose of mining the same, claiming all surface rights, privileges and minerals, and other rights granted by existing laws and customs. This claim is named Iron Rocker, and the strike or course thereof is northerly and southerly. This notice is placed at discovery shaft at the north center end.

This is a re-location of the "Spotted Horse" quartz mining claim, situated about 3 miles down Powder river on the Baker County side below the railroad tunnel between North Powder and Telccaspe, and about 1 1/2 miles up said river from Tish Valley or the J M Mitchell ranch.

Witnesses: Irvin Frazier

C E Davis, Locater

State of Oregon,

County of Union.

I, Irvin Frazier, do solemnly swear that I am a citizen of the United States of America, and that I am acquainted with the mining ground described in this notice of location, and that I know all the information contained within the description of this claim, as well as any part thereof, has not, to the best of my knowledge and belief, been located according to the laws of the United States, and of this state, or as so located, that the same has been abandoned and forfeited by reason of the failure of former locators to comply in respect thereto with the requirements of said laws, and in case of quartz claims that I have made an open cut six feet deep, four feet wide, and ten feet in length along the lode, from the point of discovery, showing a lode or vein of mineral deposit in place.

County Clerk
KNOW ALL MEN BY THESE PRESENTS: That the undersigned, J. E. Miller, a citizen of the United States, and over the age of twenty-one years, under and in accordance with the laws of the United States, has located and claimed, and does hereby locate and claim a tunnel right and tunnel location, described as follows, to wit:

Commencing at the point on which this notice is posted, the same being posted upon a substantial board and monument at the face and point of commencement thereof; running thence in a southeasterly direction for a distance of 3,000 feet, as the same is staked out and bounded upon the surface by stakes and monuments placed in two parallel lines for said distance of 3,000 feet. Will be known as the Highland tunnel site.

The height of said tunnel is to be 7 feet and the width thereof is to be 1 1/2 feet.

The face and point of commencement of this tunnel is situate as follows, to wit: In Baker Co., State of Oregon, 300 ft south of the East fork of Bear creek, running south-easterly 3000 ft to a post marked southeast end line of Highland tunnel site, such post being placed 400 ft south of north end line of Snow Storm quartz claim.

We intend to hold and work this tunnel location according to law, and hereby claim the right of possession of all veins and lodes within 3,000 feet from the face of the tunnel, on the line thereof, not previously known to exist, discovered in such tunnel.

Done and dated on the ground, this 27th day of February, 1908.

Notice of Location of a Quartz Claim.

Notice is hereby given to all whom it may concern, that Nicholas B Ringelings of Philipsburg, Montana, and Alex B Ringelings of Baker County, Oregon, citizens of the United States, over the age of twenty-one years, have discovered a vein or lode of quartz, or rock in place, bearing copper and other metals within the limits of the claim hereby located, and have this day under and in accordance with the Revised Statutes of the United States, Chapter Six, Title Thirty-two, located 1500 linear feet of this vein or lode, with surface ground 500 feet in width situated in unorganized mining District, County of Baker, State of Oregon, and known as the Dewey No 2 Quartz Mining Claim, extending 750 feet northwesterly to a post and 750 feet southeasterly to a post from this notice at the discovery or prospect shaft, which is 750 feet from the East and line; the exterior boundaries of this claim being distinctly marked by reference to some natural object or permanent monument and more particularly described as follows, to wit:

Beginning at discovery shaft where this notice is posted and running thence 750 ft Easterly to a post set alongside of the Government Section corner of Secs 26-27-32 and 33, a stone with bearing trees, and running thence Northerly 300 ft to the N.E. corner a post marked N.E. Cor. of Dewey No 2; thence westerly 1500 ft to a post marked N.W. Cor. Dewey No 2; thence southerly 300 ft to a post marked West Centre post Dewey No 2; thence northerly 300 ft to a post marked S.E. Cor. Dewey No 2; thence Easterly 1500 ft to a post marked S.W. Cor. Dewey No 2; thence northerly 300 ft to the post at Sec Cor. which is the east central post of this claim.

This is a re-location of the Dewey Quartz Claim located and forfeited, and was known as the Gilbert and Shoemaker property.

And we intend to work and hold said claim as provided by local customs and rules of miners and mining statutes of the United States.

Notice of Lode of Quartz Location

To All Whom It May Concern, Notice is hereby given, that I, J N Gambles, a citizen of the United States, over the age of twenty-one years, have on this 5th day of January, 1906, discovered a vein or lode of mineral bearing rock in place bearing gold, silver, and other precious and valuable metals and minerals with the limits of the claim hereby located, which I have this day in accordance with the Red and Statutes of the United States, Chapter 6, Title 32, named the More or less quartz mining claim.

That the general strike or course of this vein or lode is northerly and southerly and that I claim 750 linear feet northerly and 750 linear feet southerly of the point of discovery at which this notice is posted, together with 300 feet on each side of the center or said vein.

That said claim is located in the unorganized Mining District, in Baker County, State of Oregon, the discovery monument being placed 750 feet north from south center and post and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinafter mentioned, and is more particularly described as follows, to wit:

Commencing at the point of discovery at which this notice is posted, thence 750 ft southerly to south center and post, thence easterly 300 ft to S E corner post No 1, thence northerly 1500 ft to N E corner post No 2, thence westerly 300 ft to north center and post, thence westerly 300 ft to N W corner post No 3, thence southerly 1500 to S W corner post No 4, thence easterly 300 ft to south center and post. This claim adjoins the Eldorado and Eldorado No 1 on their east side lines and the F & E and North Pole on their west side lines.

And I intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the State of Oregon.

Notice or Location of a Quartz Claim.

Notice is hereby given to All Whom it May Concern, That I, the undersigned, citizen of the United States, over the age of twenty-one years, having discovered a vein or lode of quartz or rock in place, bearing mineral within the limits of the claim hereby located, and have this day under and in accordance with the several statutes of the United States, Chapter Six, Title thirty-two, located 1350 linear feet of this vein or lode, with surface ground 600 feet in width, situated in Mining District, County of Baker, State of Oregon, and known as the Bullion Fraction Quartz Mining Claim, extending 1000 feet in an S W Easterly direction to S W end line and 350 feet in an N Easterly direction to N E end line from this notice at the discovery or prospect shaft, which is 200 feet from S W end line of Oregon Chief No 5; the exterior boundaries of this claim being distinctly marked by reference to some natural object or permanent monument, and more particularly described as follow, to wit:

Commencing at this notice or discovery shaft, thence 1000 S W Easterly to S W end line or center post, thence 300 feet N W to N W corner post No 1, thence 1350 N Easterly to N E corner post No 2, thence 600 S W Easterly to S E corner post No 3, thence 1350 S W Easterly to S W corner post No 4, thence 300 N W to S W corner post, thence 1000 N E to the notice or place of beginning. This claim or fraction is bounded on the N W by N W Fraction and on S E by the Bullion quartz mining claim, all situated on California Mountain.

The general course or strike of this lode is N W Easterly and S W Easterly.

And I intend to work and hold said claim as provided by local customs and rules of Miners and mining Statutes of the United States.

Dated on the ground this 25th day of Feb, 1906

Notice of Quartz Location.
Located this 1st day of February A.D. 1905
Oregon State, unorganized Mining District.

Notice is hereby given that the undersigned, a naturalized citizen of the United States, over the age of twenty-one years, having complied with the requirements of Chapter six, Title thirty-two, of the revised statutes of the United States and the laws of the above State, and the local customs and usages of said District, do hereby locate fifteen hundred linear feet on the ledge situated in Baker County, in the above State and Mining District, and further described as follows: Commencing at a post marked No. 1 at the N E corner, from thence 300 feet in a N W direction to a center and post marked No. 2, thence 300 feet in a N Easterly direction to a corner post marked N W Corner No. 3; thence 1500 feet in a S Easterly direction to a corner post marked S W corner; thence 300 feet in a S Easterly direction to a center and post marked S W center No. 4; thence 300 feet in a S Easterly direction to a corner post marked S E corner; thence 1500 feet to a place of beginning, intending to claim fifteen hundred feet in length and six hundred feet in width, for the purpose of mining the same, claiming all surface rights, privileges and minerals, and other rights granted by existing laws and customs. This claim I named the Mocking-Bird, and the strike or course thereof is North East and Southwest. This Notice is placed at discovery shaft, from which the North East center end is distant 300 feet, and the Southwest center end is distant 1200 feet, situated on Snake River at a point about 25 miles below Huntington, at lower end of Flick Bar about one half mile below mouth of Camp Creek.

Witnesses:
Grover Foster
John L. Benson, Locators
State of Oregon,
County of Baker,
I, John L. Benson, do solemnly swear that I am a citizen of the United States of America (or have declared my intention to become such), and that I am acquainted with the mining ground described in this notice of location, and herewith called the Mocking-Bird ledge, ledge or claim; that the ground and claim therein described, or any part thereof, has not to the best of my knowledge and belief, been located according to the laws of the United States of and of this state, or if so located, that the same has been abandoned and resurveyed by reason of the failure of such former locator to comply in respect thereto with the requirements of said laws and (in case of quartz claims) that I have made an open cut six feet deep, four feet wide and ten feet in length along the ledge, from the point of discovery, showing a ledge or vein or mineral deposit in place.

NOTICE OF LOCATION OF A QUARTZ CLAIM.

NOTICE IS HEREBY GIVEN TO ALL WHOM IT MAY CONCERN, that George S. Gillett, a citizen of the United States, over the age of twenty-one years, has discovered a vein or lode of quartz, or rock in place, bearing copper and gold, within the limits of the claim hereby located, and have this day under and in accordance with the Revised Statutes of the United States, Chapter 6, Title Thirty-two, located 1500 linear feet of this vein or lode, with surface ground 500 feet in width situated in no organized mining district, County of Baker, State of Oregon, and known as the Republic Quartz Mining Claim extending 1075 feet north-easterly to north center end and 425 feet south westerly to south center end and 300 feet in width on each side of the center of said lode from this notice at the discovery or prospect shaft, which is 1075 feet from the north end line of said claim, the exterior boundaries of this claim being distinctly marked by reference to some natural object or permanent monument, and more particularly described as follows, to wit:

Beginning at N.E. corner monument from which the corner of Secs 9; 10; 16 and 17, T. 6 S., R. 48 E., W.M., bears N. 61° 55' 55'' E. 2719.9 ft, thence N. 44° 42' W. 300 ft to North and center monument, thence same course 300 ft to N.W. corner monument, thence S. 45° 18' W. 1500 ft to S.W. corner monument, thence S. 44° 42' E. 300 ft to South and center monument, thence same course 300 ft to S.E. corner monument, thence N. 45° 18' W. 1500 ft to N.W. corner monument the place of beginning.

Adjoining claims are the Mammoth on south end, Lone Pine on East side, Shamrock on South end, and Aspen on west side, being a portion of Secs 8 and 17, T. 6 S., R. 48 E., W.M., claiming 425 ft S. 45° 18' W. and 1075 ft N. 45° 18' E. from center of discovery shaft.

This is intended as an amended location notice in order to more particularly describe the boundaries and location of said claim, and is not intended to waive or forfeit any of the rights or privileges had or obtained under and by virtue of the original location notice thereof which is recorded at page 269 of Volume W of the Quartz Mining Records of said Baker County, Oregon.

And I intend to work and hold said claim as provided by local customs and rules of Miners and Mining Statutes of the United States.

Geo. S. Gillett
State of Oregon, County of Baker.

I George S. Gillett do solemnly swear that I am a citizen of the United States of America. That I am acquainted with the quartz claim described in the within notice of location called the "Republic" quartz claim. That the locator of said claim has prior to the date of this affidavit and since the date of posting of the location notice thereon excavated an open cut six feet deep, four feet wide and ten feet in length along the lode.

Geo. S. Gillett
Subscribed and sworn to before me this 20th day of December, 1907.

NOTICE OF FORFEITURE.

Oswego, Kansas, September 7th, 1907.

To United Elkhorn Mines, a corporation.

You are hereby notified that I, R. O. Deming, have expended during the year A.D. 1906, the sum of Nine Hundred Dollars in labor and improvements upon the mining claims hereinafter described, in order to hold said claims under the provisions of Section 2324 of the Revised Statutes of the United States, and amendments thereto concerning annual labor upon mining claims, being the amount required to hold said claims for the year beginning January 1st, 1906, and ending December 31st, 1906.

And you, the said United Elkhorn Mines, are hereby notified that if within ninety days from the date of personal service of this notice upon you, or within ninety days from the completion of the publication of this notice, in case the same is published, you fail to contribute your proportionate share of such expenditure as a co-owner, which sum amounts to the sum of $241.66, your interest in said claims, which interest is hereinafter described, will become the property of your co-owner, the said R. O. Deming, who has expended on each one of the within named claims the sum of One Hundred Dollars and a total sum of Nine Hundred Dollars on the nine claims hereinafter described.

The "Sixteen to One" quartz mining claim according to the amended location notice thereof recorded at page 569 of Volume 29, of the public records of quartz mining claim location notices of Baker County, State of Oregon.

The "Oswego" quartz mining claim according to the amended location notice thereof recorded at page 574 of said Volume 29 of said records.

The "Bland" quartz mining claim according to the amended location notice thereof recorded at page 575 of said Volume 29 of said records.

The "Bryan" quartz mining claim according to the amended location notice thereof recorded at page 576 of said Volume 29 of said records.

The "McKinley" quartz mining claim according to the amended location notice thereof recorded at page 577 of said Volume 29 of said records.

The "Doming" quartz mining claim, according to the amended location notice thereof recorded at page 573 of said Volume 29 of said records.

The "General Sherman" quartz mining claim according to the amended location notice thereof recorded at page 572 of said Volume 29 of said records.

The "Sound Money" quartz mining claim according to the amended location notice thereof recorded at page 571 of said Volume 29 of said records.

The "Extension" quartz mining claim according to the amended location notice thereof recorded at page 570 of Volume 29 of said records.

All of the above described quartz mining claims are situated in the County of Baker, State of Oregon, in what is commonly known as the Elkhorn District, and all of said mining claims constitute one group of quartz mining claims, know as the "Sherman Group".

And, you, the said United Elkhorn Mines are hereby notified that your interest in the said "Doming" and the said "Oswego" claims is a one third interest, and your proportionate expenditure on said claims for the years 1906 is the sum of $66.66 and
that your interest in the remaining seven claims above described is a one fourth interest and your proportionate expenditure on said claims is $175.00 or a total of $241.66, for your proportion of the expenditure for said year 1906 on all of said claims.

R O Deming

State of Oregon,

County of Baker.

I, Ed Rand, Sheriff of the County of Baker, State of Oregon, do hereby certify that I served a notice of which the foregoing is a true and correct copy, on the within named United Elkhorn Mines, a corporation, on the 29th day of September, 1907, in said County of Baker, State of Oregon, by delivering said notice in person to Edward J Field, who was at said date the manager and managing agent of said United Elkhorn Mines, a corporation.

COPPER HILL TUNNEL SITE NOTICE

Notice is hereby given, that the undersigned, having complied with the requirements of Chapter Six of Title thirty-two, of the Revised Statutes of the United States, has this day located 3000 linear feet westerly in length, and 1500 feet in width from this tunnel, situated on my Lone Basin location, about 400 feet down the gulch below my house and spring, for a tunnel site, situated in Riverside unorganized Mining District, Baker County, Oregon, to be known as the "COPPER HILL TUNNEL SITE" and more fully described as follows:

Commencing at this tunnel, and running 3000 feet westerly to west center boundary stake; thence 750 feet southerly to S W C stake; thence 3000 feet easterly to S E C stake; thence 750 feet northerly to tunnel; thence on northerly 750 feet to N E C stake; thence 3000 feet westerly to S W C stake; thence southerly 750 feet to west center boundary stake.

The center line of the course of this tunnel westerly is plainly marked at this date of recording this notice, and also the outside boundaries. I have completed lots of hard drilling and blasting rock work in this tunnel, also several thousand dollars worth on the mountain in cuts, tunnels and shafts. I locate this tunnel site for the purpose of draining and cross-cutting my group of gold and copper lodes on the mountain, several hundred feet deep, and also for the purpose of holding and locating, under the United States mining laws any and all blind lodes I may cross-cut in this tunnel, within the boundaries of this Copper Hill Tunnel Site Location.

C F Hinckley, Locater
Feb 11, 1908.

State of Oregon,

COUNTY OF UNION.

I, C F Hinckley, do solemnly swear that I am a citizen of the United States of America; that I am acquainted with the tunnel site described in the within notice of location called the "Copper Hill Tunnel Site"; that the locator of said tunnel site has prior to and since posting said notice complied with all the requirements of the law as set forth in the Mining Laws.

Notice of Lode or Quartz Location

TO ALL WHOM IT MAY CONCERN: NOTICE IS HEREBY GIVEN, that I, the undersigned, being a citizen of the United States over the age of twenty-one years, have on the 8th day of April, 1908, discovered a vein or lode of mineral-bearing rock in place, bearing gold, silver and other precious and valuable metals and minerals within the limits of the claim hereby located, which I have this day and in accordance with the Revised Statutes of the United States, Chapter 6, Title 32, named The B C quartz mining claim.

That the general strike or course of this vein or lode is north-northwest course and southerly and that I claim 1500 linear feet in length and 600 feet in width, together with 300 feet on each side of the center of said vein.

That said claim is located in the no mining district, in Baker County, State of Oregon, the discovery monument being placed 300 feet from north end line and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinafter mentioned, and is more particularly described by boundaries as follows, to wit:

Commencing at the north center and posted No 1; thence 300 feet in a northerly course to NW corner post No 2; thence 1500 feet in a southerly course to SW corner post No 3; thence 300 feet in a westerly course to S center and post No 4; thence 300 feet same course to SE corner post No 5; thence 1500 feet northerly to place of beginning; joins the Mountain Lion and Short Stop mineral claims on the west.

And intend to hold and work said claim in accordance with the local laws and customs of miners and mining laws of the United States and of the State of Oregon. 4 miles northerly from Sumpter.

Dated on the ground this 8th day of April, 1908

E. O Harra
Locator

County of Baker.

I, E. O Harra, being first duly sworn, say that I am the original locator of the mining claim described in the within notice of the B C quartz mining claim, and that the foregoing is a full, true and correct copy of the original notice of location posted on said claim. That I did between the 8th day of April, 1908, and the 21st day of April, 1908 perform the discovery or location work required by the statutes of the State of Oregon on said claim by running open cut 12 ft long, 3 ft wide, 5 ft deep, and that said work was done on said claim within sixty days from the date of discovery thereof, and by said work there was disclosed a lode or vein of mineral deposit in place.

County Clerk
Notice of Lode or Quartz Location.

TO ALL WHOM IT MAY CONCERN: NOTICE IS HEREBY GIVEN, that we, the undersigned, citizens of the United States, over the age of twenty-one years, have on this 14 day of March 1908, discovered a vein or lode of mineral-bearing rock in place, bearing gold, silver and other precious and valuable metals and minerals within the limits of the claim hereby located, which we have this day in accordance with the Revised Statutes of the United States, Chapter 6, Title 32, named the Half Way Quartz Mining Claim.

That the general strike or course of this vein or lode is easterly and westerly, and that we claim 750 linear feet easterly and 750 linear feet westerly of the point at discovery at which this notice is posted, together with 300 feet on each side of the center of said vein.

That said claim is located in the unorganized Mining District, in Baker County, State of Oregon, the discovery monument being placed 750 feet easterly from westerly center and stake, and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinafter mentioned, and is more particularly described by boundaries as follows, to wit:

Commencing at the point of discovery at which this notice is posted, thence 750 feet westerly to N center and stake, thence northerly 300 feet to N W cor, thence westerly 1500 feet to S E cor, thence southerly 300 feet to S center and stake, thence 300 feet S E cor, thence 1500 feet westerly to S W cor, thence 300 feet northerly to W center and stake; said quartz claim is situated on McJuliah Fork 2 miles from the Grant wagon road.

And I, Thomas Bessler, being first duly sworn, say that I am one of the original locators of the Mining Claim described in the within notice of the Half Way Quartz Mining Claim, and that the foregoing notice is a full, true and correct copy of the original notice of location posted on said claim.

I did between the 14th day of March, 1908, and the 9th day of May, 1908, perform the discovery or location work required by the statutes of the State of Oregon on said claim by running an open cut ten feet long, four feet wide, ten feet deep and that said work was done on said claim within sixty days from the date of discovery thereof, and by said work there was disclosed a lode or vein of mineral deposit in place.

Subscribed and sworn to before me this 11th day of March, 1908.

Notice of Lode or Quartz Location.

TO ALL WHOM IT MAY CONCERN NOTICE IS HEREBY GIVEN, That I, William Boolick, a citizen of the United States, over the age of twenty-one years, have, on this 22 day of April, 1908, discovered a lode of mineral-bearing rock in place, bearing gold, silver and other precious and valuable metals and minerals with the limits of the claim hereby located, which I have this day and in accordance with the Revised Statutes of the United States, Chapter 6, Title 32, named the Indiana quartz mining claim No. 8, quartz mining claim.

That the general course of this lode is north and south and that I claim 1500 linear feet south from where the notice is posted, together with 600 feet on each side of the center of said vein.

That said claim is located in the Geiser Mining District, in Baker County, State of Oregon, the discovery work being placed 200 feet south from this notice and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinafter mentioned, and is more particularly described by boundaries as follows, to wit:

Commencing at the point at which this notice is posted, thence 300 feet west, thence 1500 feet south, thence 600 feet east, thence 1500 feet north, thence 300 feet west; said claim runs parallel with Bear Gulch and about two miles west of Geiser, adjoining Indiana Claim No. 5 on the East.

And I intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the State of Oregon.

Dated on the ground this 22 day of April, 1908.

I led for record the 6th day of July, 1908, at 8 o'clock A.M.

County clerk
Notice of Location of Quartz Claim.

NOTICE IS HEREBY GIVEN, to all whom it may concern, that H T Wiley, John Thornton, citizen of the United States, over the age of twenty-one years, have discovered a vein or lode of quartz, rock in place, bearing minerals within the limits of the claim hereby located, and has this day, under and in accordance with the revised Statutes of the United States, Chapter Six, Title Thirty-two, located fifteen hundred linear feet of his vein or lode, with surface ground six hundred feet in width, situated in the Mining District, County of Baker, State of Oregon, and known as the May Day No 2 Quartz Mining Claim, extending 300 feet easterly to east side line and 300 feet westerly to west side line from this notice at the discovery or prospect shaft, which is 150 feet from south and line and 1500 ft northerly; the exterior boundaries of this claim being distinctly marked by reference to some natural object or permanent monument, and more particularly described as follows, to wit:

Situated in Humphreys Basin on the west slope of the south peak of Pedro Mounain and adjoining the north and line of May Day No 1 and marked with corner and center stakes.

And we intend to hold and work said claim as provided by local customs and rules of miners and Mining Statutes of the United States.

Dated on the ground this 1st day of June, 1908

H T Wiley, Locator
John Thornton, Locator

Recorded on this, the ...day of ... A D 1908...

Attest: George H. Ashby

State of Oregon,
County of Baker,

I, H T Wiley, do solemnly swear that I am a citizen of the United States of America (or have declared my intention to become such); that I am acquainted with the quartz claim described in the within notice of location called the May Day No 2 quartz claim; that the locator of said claim has prior to the date of this affidavit of since the date of posting of the location notice thereof, sunk a shaft ten feet in depth from the lowest part of the collar thereof or excavated a cut, or cross-cut, or tunnel which cuts the lode at a depth of ten feet or has excavated an open cut, six feet deep, four feet wide and ten feet in length along the lode.

H T Wiley

Subscribed and sworn to before me, this, the first day of July A D 1908

Notary Public for Oregon

Filed for record the 6th day of July, 1908, at 8 o'clock A M.

County Clerk
Notice of Location of Quartz Claim.

Notice is hereby given, to all whom it may concern, that we, G W Beck and Edwin White, citizens of the United States, over the age of twenty-one years, have discovered a vein or lens of quartz, or rock in place, bearing gold within the limits of the claim hereby located, and have this day, under and in accordance with the revised statutes of the United States, chapter six, title thirty-two, located 1500 linear feet of this vein or led, with surface ground 600 feet in width, situated on Mormon Basin mining district, county of Baker, state of Oregon, and known as the Forty-niner Gold Quartz Mining Claim, extending 1500 feet north to center and stake and 500 feet south to center and stake from this notice at the discovery or prospect shaft, which is 1000 feet from north end line; the exterior boundaries of this claim being distinctly marked by reference to some natural object or permanent monument, and more particularly described as follows, to wit:

Situated in Mormon Basin one mile northerly from Rain Bow mine, its boundaries are marked by posts at each corner and end line marked by blazed sides and starting from this notice going 1000 feet north and 500 feet south to center posts, and we intend to hold and work said claim as provided by local customs and rules of miners and mining statutes of the United States.

Dated on the ground this 25th day of April, 1908

G W Beck, Locatmor
Edwin White, Locatmor

State of Oregon,
County of Baker,

I, Edwin White, do solemnly swear that I am a citizen of the United States of America; that I am acquainted with the quartz claim described in the within notice of location called the Forty-niner quartz claim; that the locators of said claim have prior to the date of this affidavit and since the date of posting of the location notice thereon, sunk a shaft ten feet in depth from the lowest part of the collar thereof.

Edwin White

Co Clerk

Filed for record the 7th day of July, 1908, at 3:25 o’clock P M.

County Clerk
Notice of Location of a Quartz Claim.

Notice is hereby given to all whom it may concern, that we, G.B. Rynal,
and E.H. Head, citizens of the United States, over the age of twenty-one years, have
discovered a vein or lode of quartz, or rock in place, bearing mineral within
the terms of the laws hereby located, and have this day under and in accordance with
the Revised Statutes of the United States, Chapter Six, Title thirty-two, located 1600
linear feet of this vein or lode, with surface ground 500 feet in width, situated in
unknown Mining District, County of Baker, State of Oregon, and known as the G.B.R. quartz
mining claim, extending 750 feet easterly to to east end and 750 feet westerly to
west end thereof, and 750 feet from this notice at the discovery or prospect shaft,
which is 750 feet from both east and west lines; the exterior boundaries of this claim being
distinctly marked by reference to some natural object or permanent monument, and more
particularly described as follows, to wit:

Said claim is situated on the head of Clarke Creek on the north side of the
wagon road and the east line runs close to the line between Baker & Malheur Counties;
boundaries are as follows: Beginning at discovery point and running easterly 750 ft.
to east end; thence 300 ft. northerly to NE cor; thence 1500 ft. westerly
to the NW cor; thence 300 ft. southerly to west end; thence 300 ft. southerly
to SW cor; thence 1500 ft. westerly to SE cor; thence 300 ft. North to East end center;
the place of beginning.

And we intend to work and hold said claim as provided by local customs and rules
of mining and mining laws of the United States.

Dated on the ground this 24th day of May, 1903

G.B. Rynal, Locatork
E.H. Head, Locatork

Attest: Simon Peters

State of Oregon,
County of Baker,

I, G.B. Rynal, do solemnly swear that I am a citizen of the United States of
America. That I am acquainted with the quartz claim described in the within notice
of location called the G.B.R. quartz claim. That the locater of said claim has prior
to the date of this affidavit and since the date of posting of the location notice
thereon, sunk a shaft ten feet in depth from the lowest part of the collar thereof

G.B. Rynal

Filed for record the 9th day of July, 1903, at 11 o'clock A.M.

County Clerk
Notice of Location of a Quartz Claim

Notice is hereby given that we, the undersigned, have the 23rd day of June, 1908, located and claim 1500 feet on this ledge or vein of quartz for mining purposes, with 300 feet on each side of the vein; commencing at this our initial notice which is written on a board and nailed to a red iron stump about 20 feet northerly of an incline shaft which is sunk on the vein 10 feet deep, thence in a northwesterly direction and joined on the Red Mountain Mine, 1500 feet to our westerly center and line. This claim shall be known as the Red Mountain Extension Mine, in Granite Mining District, Baker County, Oregon. The claim is a relocation of the "Nevada" or "Silver Bell" claims. The mine is located on Red Mountain about 3000 feet northwesterly of the forks of Pine Creek. Our corner, center and line and side line notices are all posted.

Corinne, Oregon, June 23rd, 1908

Locators: Royal W. Urle 44th
Henry Mantle 14th

We, the undersigned, S. A. Ladd and John Bryan do solemnly swear that we are citizens of the United States; that we are acquainted with the quartz claim described in the notice of location called The Red Mountain Extension Mine, that the locators of said claim have prior to the date of this affidavit and since the date of posting the location notices thereon, sunk an incline shaft 10 feet deep, 5 feet wide, and 4 feet high with a setting of timbers placed at the mouth of the shaft.

A. E. Kenealy
County Clerk
Notice of Location of a Quartz Claim

Notice is hereby given that we, the undersigned, have this 20th day of June, 1908, located and claim 1200 feet on this ledge or vein of quartz for mining purposes, with 300 feet on each side of the vein; commencing at this, our initial notice which is written on a board and nailed to a blazed stump about 30 feet southeasterly of an incline shaft which is sunk over 160 feet on the vein; thence south about 75 degrees East 750 feet to our center and line, and from said initial notice on the vein north, about 75 degrees west, 750 feet to our center and line, and this claim shall be known as the Red Mountain Mine, in Granite Mining District, Baker County, Oregon. This is a re-location of the Nyanka Mine, which was located by W. Carpenter in 1890.

The mine is located on Red Mountain about 4500 feet north westerly from the forks of the north and west branches of Pine Creek. Our corners, center and line and center side line notices are all posted.

Certificata June 10th, 1908

We, the undersigned, O. Frank Ladd & John Guyan do solemnly swear that we are citizens of the United States, that we are acquainted with the quartz claim described in the within notice of the location called the Red Mountain Mine, that the locators of said claim have, prior to the date of this affidavit and since the date of posting the location notice thereon, excavated an open cut along the vein 6 feet deep, 4 feet wide and 12 feet in length.

Notice of Quartz Location

Located this 24th day of May, AD 1908

Oregon State, Unorganized Mining District.

Notice is hereby given that the undersigned, a citizen of the United States, over the age of twenty-one years, having complied with the requirements of Chapter Six, of Title thirty-two, of the revised statutes of the United States and the laws of the above State, and the local customs and regulations of said District, has located and does hereby locate 1,500 linear feet on the lode situated in Baker County, in the above State and Mining District, and further described as follows:

Commencing at a post marked No. 1 at the South East corner, from thence 300 feet in a northerly direction to a center and post marked No. 2, thence 300 feet in a northerly direction to a center post marked No. 3, thence 1,500 feet in a westerly direction to a corner post marked No. 4, thence 300 feet in a southerly direction to a center and post marked No. 5, thence 300 feet in a southerly direction to a corner post marked No. 6, thence 1,500 feet to a place of beginning, intending to claim 1,500 feet in length and 600 feet in width, for the purpose of mining the same, claiming all surface rights, privileges and minerals, and other rights granted by existing laws and customs. This claim is named Yankee Notion No. 2, and the strike or course thereof is easterly and westerly. This notice is placed at discovery shaft, from which the easterly center end is distant 650 feet, and the westerly center end is distant 850 feet, situated on the west side of the east fork of Barney Creek, and is the extent of Yankee Notion, and about 1/2 mile above the El Dorado Ditch.

Witnesses:

K. W. Schroeder

Frank W. Lyon

State of Oregon,

County of Baker.

I, Frank W. Lyon, do solemnly swear that I am a citizen of the United States of America (or have declared my intention to become such), and that I am acquainted with the mining ground described in this notice of location, and herewith call the Yankee Notion No. 2 ledge, lode, or claim; that the ground and claim therein described, or any part thereof, has not, to the best of my knowledge and belief, been located according to the laws of the United States and of this State, or if so located that the same has been abandoned and forfeited by reason of the failure of such former locator to comply in respect thereto with the requirements of said laws and (in case of quartz claims) that I have only a discovery shaft upon said claim to a depth of ten feet from the lowest part of the rim of said shaft at the surface; and made a cut or cross cut or tunnel which cuts the lode at a depth of ten feet—ends an open cut six feet deep, four feet wide and ten feet in length along the lode, from the point of discovery, showing a lode of vein or mineral deposit in place.

Notice of Lode or Quartz Location

TO ALL WHOM IT MAY CONCERN: Notice is hereby given, that I, J.R. Nunn, being a citizen of the United States, over the age of twenty-one years, have on the 12th day of June, 1905, discovered a vein or lode of mineral-bearing rock in place, bearing gold, silver and other precious and valuable metals and minerals within the limits of the claim hereby located, which I have this day and in accordance with the Revised Statutes of the United States, Chapter 6, Title 32, named the "DENVER" quartz mining claim which lies on north side of McCullough Creek near Baldy Mountain. That the general strike or course of this vein or lode is north and south and I claim 1500 feet in length and that I claim 600 linear feet in width and...linear feet...of the point at discovery at which this notice is posted, together with...feet on each side of the center of said vein.

That said claim is located in the unorganized mining district in Baker County, State of Oregon, the discovery monument being placed 1000 feet south from north and center post and 500 feet north from south and center and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinafter mentioned, and is more particularly described by boundaries as follows, to wit:

Commencing at the point of discovery at which this notice is posted, thence this claim is represented by six substantial posts, it lies on the south side of the divide between McCullough Creek and Maddow Creek about two miles from Baldy Mountain Mine north.

And I intend to hold and work said claim in accordance with the local rules and customs of miners and mining statutes of the United States and of the State of Oregon.

Dated on the ground the 12th day of June, 1905.

J.R. Nunn
Locater

J.R. Nunn
Locater

State of Oregon,

County of Baker,

I, J.R. Nunn, being first duly sworn, say that I am the original locator of the mining claim described in the within notice of the "DENVER" quartz mining claim, and that the foregoing notice is a full, true and correct copy of the original notice of location posted on said claim.

That I did between the 12th day of June, 1905 and the 17th day of August, 1905, perform the discovery or location work required by the statutes of the State of Oregon on said claim by running an open cut ten feet wide twenty feet long, fourteen feet wide and that said work was done on said claim within sixty days from the date of discovery thereof, and by said work there was disclosed a lode or vein of mineral deposit in place.

J.R. Nunn

County Clerk
Notice of Locating Claim

To All Whom It May Concern, notice is hereby given, that we, Albert Weiss and Symbol Young, are citizens of the United States, over the age of twenty-one years, have on the 28th day of June, 1908, discovered a 1/24th interest in a lode of mineral-bearing rock in place, bearing gold, silver, and other precious and valuable metals and minerals within the limits of the claim hereby located, which we have this day and in accordance with the Revised Statutes of the United States, Chapter 5, Title 32, named the Sumpter No. 2 Quartz Mining Claim.

That the general strike or course of this vein or lode is easterly and westerly and that we claim 1500 linear feet westerly and of the point at discovery at which this notice is posted, together with 300 feet on each side of the center of said vein.

That said claim is located in the No. 15 Organized Mining District, in Baker County, State of Oregon, the discovery monument being placed on the easterly end line and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinbefore mentioned, and is more particularly described by boundaries as follows:

Commencing at the point of discovery at which this notice is posted, thence 300 ft.

Southerly to So. East corner post No. 1; thence 1500 ft to W. East corner stake No. 2; thence 300 ft north from center stake and stake No. 3; thence continuing 300 ft north to N.W. corner stake No. 4; thence 1500 ft easterly to N.E. corner stake No. 5; thence 300 ft south from center stake and stake or place of beginning. This claim is on the east side of Saboon Creek near the head and joins the Sumpter on the west.

And we intend to hold and work said claim in accordance with the local rules and customs of miners at mining laws of the United States and of the State of Oregon.

Dated on the ground the 28th day of June, 1908.

Notice of Lode or Quartz Location

To All Whom It May Concern, Notice is hereby given, that we, Albert Weiss and Symbol Young, are citizens of the United States, over the age of twenty-one years, have on this 28th day of June, 1908, discovered a vein or lode of mineral-bearing rock in place, bearing gold, silver and other precious and valuable metals and minerals within the limits of the claim hereby located, which we have this day and in accordance with the Revised Statutes of the United States, Chapter 6, Title 32, named the SUMPTER Quartz Mining Claim.

That the general strike of course of said vein or lode is easterly and westerly and that we claim 1200 linear feet easterly and of the point at discovery at which this notice is posted, together with 300 feet on each side of the center of said vein.

That said claim is located in the unorganized Mining District in Baker County, State of Oregon, the discovery monument being placed westerly and line and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinafter mentioned, and is more particularly described by boundaries as follows, to wit:

Commencing at the point of discovery at which this notice is posted, thence 300 ft. westerly to S. W. corner stake No. 1; thence 1300 ft. westerly to S. E. corner stake No. 2; thence 300 ft. northerly to east corner and stake No. 3; thence continuing 300 feet northerly to N. W. corner stake No. 4; thence 1300 ft. westerly to N. E. corner stake No. 5; thence 300 ft. northerly to west center and stake at place of beginning, said claim joins the Sumpter No. 2.

And we intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the State of Oregon.

Notice of Location of a Quartz Claim.

Notice is hereby given to all whom it may concern, that I, Geo. R. Buckeroad, of Sumpter, Oregon, citizens of the United States, over the age of twenty-one years, having discovered a vein or lode of quartz or rock in place, bearing gold within the limits of the claim hereby located, and have this day under and in accordance with the Revised Statutes of the United States, Chapter Six, Title thirty-two, located 1,500 fifteen hundred linear feet of this vein or lode, with surface ground 600 feet in width, situated in unorganized Mining district, County of Baker, State of Oregon, and known as the Comrade No 2 Quartz Mining Claim, extending 1,500 feet westerly to west center stake and 300 feet in width on each side of the location line. I have posted this notice at the discovery or prospect shaft, which is 1,000 feet from west center stake; the exterior boundary of this claim being distinctly marked by reference to some natural object or permanent monument, and more particularly described as follows, to wit: At a stake at the east end center, thence 300 ft to NE corner stake, thence 1,500 ft to NW corner stake, thence 300 ft to west and center stake, thence 300 ft to SW corner stake, thence 1,500 ft to SE corner stake, thence 300 ft to east and center stake, about 6 1/2 miles NE from Sumpter, between the west and middle fork of Deer creek, adjoining Oregon and J R C on the south and Comrade No (3) on the west.

And intend to work and hold said claim as provided by local customs and rules of Miners and Mining Statutes of the United States and State of Oregon.

A. B. Cummins

County Clerk
Amended Notice of Location of a Quartz Claim.

Notice is hereby given to all whom it may concern: That I, Katie Gross, a citizen of the United States, over the age of twenty-one years, have discovered a vein or lode of quartz or rock in place, bearing gold, silver, and copper within the limits of the claim hereby located, and have this day under and in accordance with the Revised Statutes of the United States, Chapter Six, Title Thirty-two, located 1500 linear feet of this vein or lode, with surface ground 600 feet in width situated in the organized mining district, County of Baker, State of Oregon, and known as the Jacob Thompson No 5 Paddy Creek quartz mining claim, extending 100 feet to the center and 1000 feet to South center and from this notice at the discovery or prospect shaft, which is 100 feet from the north and line; the exterior boundaries of this claim being more distinctly marked by reference to some natural object or permanent monument, and more particularly described as follows, to wit:

Commencing at this discovery cut, running thence 100 feet northwesterly to north and center stake, thence 300 feet southerly to southwest corner post which is about 1000 feet southeast from the section corner common to Sections 3, 4, 5, and 10, in Township 7 South, Range 44 East, thence 1500 feet southeasterly to southwest corner post, thence northwesterly 300 feet to south and center post, thence same direction 300 feet to southwest corner post, thence northwesterly 1500 feet to northeast corner post, thence southerly 300 feet to north and center post, the north and line of this claim being identical with the south and line of the Jacob Thompson Paddy Creek No 1 claim.

This is intended as an amended location of said claim, in order to more particularly describe the same, and is not intended to waive any rights or privileges heretofore acquired under the original location thereof; notice of which is recorded at page 486 of Vol XX of the quartz mining records of said Baker County, Oregon.

And I intend to work and hold said claim as provided by local customs and rules of Miners and Mining Statutes of the United States.

Dated on the ground this 12th day of September, 1908.

Katie Gross, locator

State of Oregon,

County of Baker.

I, John J. Vernon, do solemnly swear that I am a citizen of the United States of America. That I am acquainted with the quartz claim described in the within notice of location called the Jacob Thompson No 5 Paddy creek quartz claim. That the locator of said claim has prior to the date of this affidavit and since the date of posting of the location notice thereon, sunk a shaft ten feet in depth from the lowest part of the collar thereof, or excavated a cut, or cross cut or tunnel which cuts the lode at a depth of ten feet, or has excavated an open cut six feet deep, four feet wide, and ten feet in length along the lode.

Subscribed and sworn to before me this 12th day of September, 1908.

John J. Vernon

Amended Notice of Location of a Quartz Claim.

Notice is hereby given to all whom it may concern, that I, Katie Gross, a citizen of the United States, over the age of twenty-one years, have discovered a vein or lode of quartz, or rock in place, bearing gold, silver, and copper within the limits of the claim hereinafter described, and have this day under and in accordance with the revised statutes of the United States, Chapter Six, Title thirty-two, located 1500 linear feet of this vein or lode, with surface ground 600 feet in width situated in the municipal district, County of Baker, State of Oregon, and known as the Jacob Thompson No. 4 Paddy Creek quartz mining claim, extending 750 feet to east and center post and 750 feet to west and center post, from this notice at the discovery or prospect shaft, which is 750 feet from east and line; the exterior boundaries of this claim being distinctly marked by reference to some natural object or permanent monument, and more particularly described as follows, to wit:

Commencing at this discovery point, running thence 750 feet easterly to east and center post, thence north 300 feet to northeast corner post, thence westerly 1500 feet to northwest corner post, thence south 300 feet to west and center post, thence same direction 300 feet to southeast corner post, thence easterly 1500 feet to southeast corner post which is about twenty feet due south from the quarter post on the south side section line of Section 3 Township 7 S Range 44 E WM, thence north 300 feet to east and center post.

The west and line of this claim is identical with the east and line of Jacob Thompson No. 3 Paddy Creek Claim.

This is intended as an amended location of said claim, in order to more particularly describe the same, and is not intended to waive any of the rights or privileges heretofore acquired under the original location, notice of which is recorded at page 492 of Vol. 72 of the quartz mining records of said Baker County, Oregon,

And I intend to work and hold said claim as provided by local customs and rules of miners and mining statutes of the United States.

Dated on the ground this 12th day of September, 1908,

Katie Gross, locator

Attent: John J. Vernon

State of Oregon,

County of Baker,

I, John J. Vernon, do solemnly swear that I am a citizen of the United States of America. That I am acquainted with the quartz claim described in the writing notice of location called the Jacob Thompson No. 4 Paddy Creek Quartz Claim, that the locator of said claim has prior to the date of this affidavit and since the date of posting of the location notice thereon, sunk a shaft ten feet in depth from the lowest part of the collar thereof, or excavated a cut, or cross cut, or tunnel which cuts the lode at a depth of ten feet, or has excavated an open cut six feet deep, four feet wide and ten feet in length along the lode.

Notice of Lode or Quartz Location

To All Whom It May Concern, Notice is Hereby Given, that I, C. J. Leesberg, citizen of the United States, over the age of twenty-one years, have on this eighth day of August, 1908, discovered a vein or lode of mineral-bearing rock in place, bearing gold, silver, and other precious and valuable metals and minerals within the limits of the claim hereby located, which I have this day and in accordance with the Revised Statutes of the United States, Chapter 6, Title 32, named the MILL MAND quartz mining claim.

That the general strike or course of this vein or lode is Easterly and westerly and that I claim 400 linear feet westerly and 1100 linear feet easterly of the point of discovery at which this notice is posted, together with 300 feet on each side of the center of said vein.

That said claim is located in the unorganized Mining District, in Baker County, State of Oregon, the discovery monument being placed 300 feet southerly from Tom Allen quartz mining claim, and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinafter mentioned, and is more particularly described by boundaries as follows, to wit:

Commencing at the point of discovery at which this notice is posted, thence 600 feet westerly to west center and stake, thence 300 feet northerly to N W corner post, thence 1500 feet easterly to N E corner post, thence 300 feet southerly to east center and stake, thence 300 feet southerly to S E corner post, thence 1500 feet westerly to the S W corner post, thence 300 feet northerly to west center and post, thence 400 feet easterly to point of discovery.

And I intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the State of Oregon.

Dated on the ground the eighth day of August, 1908.

Discovered eighth day of August 1908

Located eighth day of August 1908

Witnesses:

P. F. Johnson; J. B. Martin

State of Oregon,

County of Baker.

I, C. J. Leesberg, being first duly sworn, say that I am a citizen of the U.S. and locator of the mining claim described in the within notice of the MILL MAND quartz mining claim, and that the foregoing notice is a full, true and correct copy of the original notice of location posted on said claim.

That I did between the 8th day of August, 1908, and the 14th day of Sept., 1908, perform the discovery or location work required by the statutes of the State of Oregon on said claim by driving a ten-foot cut and that said work was done on said claim within sixty days from the date of discovery thereof, and by said work there was disclosed a lode or vein of mineral deposit in place.

Notice of Quartz Location.

Located this Seventeenth day of September, A.D. 1902
State of Oregon
State, Mt. Beth Mining District

Notice is hereby given that the undersigned, Leo R. Pearson, a citizen of the United States, over the age of twenty-one years, having complied with the requirements of Chapter Six, of Title Thirty-two, of the Revised Statutes of the United States, and the laws of the above state, and the local customs and regulations of said district, has located and does hereby locate 1500 (fifteen hundred) linear feet on the Minnie Warren quartz ledge, situated in Baker County, in the above state and mining district, and further described as follows:

Commencing at a post marked No. 1 at the southwest corner, from thence 300 feet in a northerly direction to a corner post marked No. 2, thence 500 feet in a northerly direction to a corner post marked No. 3, thence 1500 feet in an easterly direction to a corner post marked No. 4, thence 300 feet in a southerly direction to a center and post marked No. 5, thence 300 feet in a southerly direction to a corner post marked No. 6, thence 1500 feet westerly to a point of beginning, intending to claim 1500 (fifteen hundred) feet in length and 600 (six hundred) feet in width, for the purpose of mining the same, claiming all surface rights, privileges and minerals, and other rights granted by existing laws and customs.

This claim is named Minnie Warren, and the strike or course thereof is easterly and westerly.

This notice is placed at discovery shaft, from which the center and is distant about 30 feet, and the east center and is distant 1479 feet from the discovery cut. This claim is bounded on the north by the Golden Charlie, on the south by the Blue Bluff, on the west by the Anna, and situated on the headwaters of the North Powder River. The discovery notice is placed in a can on a stump of a spuce-tree 8 inches in diameter, at the discovery work.

Witness:
John R. Hardin; Albert Ley

State of Oregon,
County of Malheur.

I, Edwin S. Ames, do solemnly swear that I am a citizen of the United States of America, and that I am acquainted with the mining ground described in this notice of location, and hereby claimed the Minnie Warren ledge, ledge, or claims; that the ground and claims herein described, or any part thereof, has not, in the best of my knowledge and belief, been located according to the laws of the United States, and of this state, or if so located, that the same has been abandoned and forfeited by reason of the failure of such former locators to comply in respect thereto with the requirements of said laws and (in case of quartz claims) that I have made an open cut, six feet deep, four feet wide and ten feet in length along the ledge, from the point of discovery, showing a ledge or vein of mineral deposit in place.

State of Oregon State, Mt. Ruth Mining District.

Notice is hereby given that the undersigned, John R. Hardin, a citizen of the United States, over the age of twenty-one years, having complied with the requirements of chapter six, of title thirty-two of the Revised Statutes of the United States, and the laws of the above state, and the local customs and regulations of said district, has located and does hereby locate 1500 (fifteen hundred) linear feet on the Hardin quartz lode, situated in Baker County, in the above State and Mining District, and further described as follows: Commencing at a post marked No. 1 at the southeast corner, thence 300 feet in a northerly direction to a corner and post marked No. 2, thence 300 feet in a northerly direction to a corner post marked No. 3, thence 1500 feet in a westerly direction to a corner post marked No. 4, thence 300 feet in a southerly direction to a corner and post marked No. 5, thence 300 feet in a southerly direction to a corner post marked No. 6, thence 1500 feet easterly, to a place of beginning, intending to claim 1500 (fifteen hundred) feet in length and 600 (six hundred) feet in width, for the purpose of mining the same, claiming all surface rights, privileges and minerals, and other rights granted by existing law and custom, this claim shall be known as the Hardin, and the strike or course thereof in easterly and westerly. This notice is placed at discovery shaft, from which the east center and is distant 10 feet, and the westerly center and is distant 1490 feet, from the discovery cut. This claim joins the Josie on the south, the YJ on the north, the Anne on the east, and the Grant County line on the west. This claim is on the headwaters of the North Powder River and about six hundred feet south of the base of Mt. Ruth.

Witness:

Edwin G. Anne, Albert Loy

State of Oregon

County of Multnomah

I, Edwin G. Anne, do solemnly swear that I am a citizen of the United States of America and that I am acquainted with the mining ground described in this notice of location, and herewith called the Hardin lode, claim, that the ground and claim therein described or any part thereof, has not to the best of my knowledge at balance, been located according to the laws of the United States, and of this State, or if so located, that the same has been abandoned and forfeited by reason of the failure of such former locators to comply in respect thereto with the requirements of said laws and (in case of quartz claim) that I have made an open cut, six feet deep, four feet wide and ten feet in length along the lode, from the point of discovery, showing a lode or vein of mineral deposit in place.

Edwin G. Anne

Notice of Claim Location
Located this Eighteenth day of September, A.D. 1903
State of Oregon State, Mt. Bith Mining District.

Notice is hereby given that the undersigned, Edwin G. Anne, a citizen of the United States, over the age of twenty-one years, having complied with the requirements of chapter six, or title thirty-two, of the revised statutes of the United States, under the laws of the above State, and the local customs and regulations of said district, has located and now hereby locates 1500 (fifteen hundred) linear feet on the Anne quartz ledge, situated in Baker county, in the above State and Mining District, and further described as follows:

Beginning at a post marked No. 1, at the southwest corner, thence 300 feet in a northerly direction to a center and post marked No. 2, thence 300 feet in a northerly direction to a corner post marked No. 3, thence 1500 feet in a westerly direction to a corner post marked No. 4, thence 300 feet in a southerly direction to a center and post marked No. 5, thence 300 feet in a southerly direction to a corner post No. 6, thence 1500 feet easterly to a place of beginning, intending to claim 1500 (fifteen hundred) feet in length and 600 (six hundred) feet in width, for the purpose of mining the same, claiming all surface rights, privileges and minerals, and other rights granted by existing laws and customs. This claim shall be known as the Anne, and the said location thereof is easterly and westerly. This notice is placed at discovery shaft, from which the easterly center and is distant about 40 feet, and the westerly center and is distant 1450 feet from the discovery out. This claim is bounded on the north by the Camp-Bird, on the south by the Arizona, on the east by the Minnie Warren, and on the west by the Hardin claim. The claim is situated on the headwaters of the North Powder River. The discovery notice is placed in a camp on a Spruce tree 12 inches in diameter at the discovery work.

Notice of Lode or Quartz Location

TO ALL TO WHOM IT MAY CONCERN: NOTICE IS HEREBY GIVEN, that I, the undersigned, a citizen of the United States, over the age of twenty-one years, have on this 14th day of August, 1908, discovered a vein or lode of mineral-bearing rock in place, bearing gold, silver and other precious and valuable metals and minerals within the limits of the claim hereby located, which I have this 14th day and in accordance with the revised Statutes of the United States, Chapter 6, Title 32, named the Anaconda No. 2 Quartz Mining Claim.

That the general strike or course of this vein or lode is east & west and that I claim 1500 linear feet east of the point of discovery at which this notice is posted, together with 300 feet on each side of the center of said vein.

That said claim is located in an organized mining district in Baker County, State of Oregon, the discovery monument being placed...fest...fmt... and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinbefore mentioned, and is more particularly described by boundaries as follows, to wit:

This claim is situated on the head waters of North Powder River about one and one half miles north and east from the Cracker Creek and North Powder River divide and is the west extension of the Anaconda No. 1 Quartz Claim.

And I intend to hold and work said claim in accordance with the laws and customs of miners and mining laws of the United States and of the State of Oregon.

Dated on the day of the 14th day of August, 1908.

County Clerk
Notice of Lode or Quartz Location.

To All Whom It May Concern Notice is Hereby Given, That I, J W Anderson, Jr, citizen of the United States, over the age of twenty-one years, have on this 4th day of Oct, 1908, discovered a vein or lode of mineral-bearing rock in place, bearing gold, silver and other precious and valuable metals and minerals within the limits of the claim hereby located, which I have this day and in accordance with the Revised Statutes of the United States, Chapter 6, Title 34, named the "Anderson Quartz Mining Claim.

That the general strike or course of the vein or lode is NW and SE and that I claim 1250 linear feet north and 250 linear feet south of the point of discovery at which this notice is posted, together with 300 feet on each side of the center of said vein.

That said claim is located in the "Greenhorn" Mining District, in Baker County, State of Oregon, the discovery monument being placed 50 feet east from discovery and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinafter mentioned, and is more particularly described by boundaries as follows, to wit:

Concording at the point of discovery at which this notice is posted, thence 200 ft. south to the S E corner stake; thence 500 ft. west to the S W corner; thence 1500 ft. north to the N W corner; thence 500 ft. east to the N E corner; thence 1500 ft. south to the S E corner; thence 500 ft. west to the south center and stake. This claim is situated in the No. Wokamee Slitch.

And I intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the State of Oregon.

QUARTZ LOCATION

Notice is hereby given that the undersigned, citizen of the United States (or person who declared intention to become citizen of the United States), having complied with the requirements of Chapter VI, Title 32, of the Revised Statutes of the United States, and the local laws and customs of this district, has this 29th day of October, A.D. 1908, located a mining claim upon this vein or lode or other mineral bearing rock in place, bearing gold, silver, and other valuable metals and deposits.

Said claim is hereby named the Copper King Quartz Mining Claim, and is situated in no organized mining district, Mining District, Baker County, State of Oregon.

Said location is marked and described on the ground as follows, to wit:

Commencing at the discovery cut, running thence in an easterly direction three hundred feet, to the place of beginning, and from that point, seven hundred fifty feet in a northerly direction, to corner stake No. 1; thence six hundred feet in a westerly direction, to corner stake No. 2; thence fifteen hundred feet in a southerly direction to corner stake No. 3; thence six hundred feet in an easterly direction to corner stake No. 4; thence in a northerly direction to the place of beginning, containing the number of acres allowed by the mining laws of the United States.

Discovery of this claim was made by the undersigned on the 29th day of October, A.D. 1908.

From this point of discovery, and along this ledge, the undersigned claims 750 feet in a northerly direction and 750 feet in a southerly direction, and on the west side of the middle of said ledge 300 feet, and on the east side thereof 300 feet.

The distance and direction from this discovery monument to the town of Cornwallis is two and one half miles in a northerly direction, on the main county road there, and on the west side of Pine Creek, South of the Boulder Creek Placer Mines, 1...feet in a...direction.

W. M. Munsey
Names of Locators: Thomas Butler
State of Oregon,
County of Baker.

I, Thomas Butler, do solemnly swear that I am a citizen of the United States of America (or have declared my intention to become such) and that I am acquainted with the mining ground described in this notice of location, and herewith called the Copper King Lode, lode, or claim, that the ground and claim therein described, or any part thereof, has not, to the best of my knowledge and belief, been located according to the laws of the United States and of this State, or if so located, that the same has been abandoned or forfeited by reason of the failure of such former locators to comply, in respect thereto, with the requirements as required by the laws of Idaho.

Subscribed and sworn to before me this 6th day of November, 1908.

We, Jack Martin, Dan McLaughlin, K D Breuf, and Robert Danielson being each first duly sworn, depose and say each for himself, and not one for the other, that we together with Dennis O'Neary performed at least Four hundred dollars worth of work on the following named claims situated in Malheur County, to wit: The Mayflower, the Atlantic, the Myrtle, and the Magnolia claims. Part of said Magnolia claim is situated in Baker County and part in Malheur County.

That all of said claims lie contiguous and constitute one claim or group and the work done on said claims is for the joint benefit of each of the same.

That the said work was performed by us during the year 1902 and was sufficient work done thereof to serve for and as the annual assessment work for the said claims for the said year 1902, and said work was done as and for one of the owners. A B Bagley, of said claims and paid by him.

That the said claims are not situated in any organized mining district and special reference is hereby made to the location notice on file for the said claims in the mining claim notices of said Malheur County, State of Oregon.

That the said Magnolia claim was formerly known and originally located at the Morning Star claim and the Magnolia claim was formerly known and originally located at the Hugget Round No 2. All of said claims are quartz mining claims.

Notice of Location of a Quartz Claim

Notice is hereby given to all whom it may concern, that Wm Dale, citizen of the United States, over the age of twenty-one years, having discovered a vein or lode of quartz or rock in place, bearing gold, silver and copper within the limits of the claim hereby located, and have this day under and in accordance with the Revised Statutes, Chapter Six, Title Thirty-two, located fifteen hundred linear feet of this vein or lode, with surface ground four hundred and fifty feet in width, situated in the organized Mining District, County of Baker, State of Oregon, and known as the "Western Star" Quartz Mining Claim, extending 8° 61' W 1500 feet to NW corner and line, from this notice at the discovery or prospect shaft, which is S 61° E 1500 ft from NW corner and line of this claim, the exterior boundaries of this claim being distinctly marked by reference to some natural object or permanent monument, and more particularly described as follows, to wit:

Commencing at Cor No 4 of the "Stub" quartz claim, thence N 61° W 1200 ft along the S W side line of said "Stub" quartz claim to Cor No 2, which is also Cor No 3 of the said "Stub" quartz claim and also Cor No 4 of the "Golden Star" quartz claim; thence S 29° W 450 ft to Cor No 3; thence S 61° E 1500 ft to Cor No 4, which is on the North side line of the North Star quartz claim; thence N 29° W 450 ft, along the N side line of said "North Star" quartz claim to the place of beginning and Cor No 1.

Being the same lode originally located June 15th, 1908, and recorded July 27th, 1908, in Book 31 of the Quartz Location Records of Baker County, Oregon, at page 171 thereof.

This amended certificate is filed without waiver of any previous rights, for the purpose of correcting and making more specific the boundaries and description of said lode as originally located upon the ground.

The general course or strike of this lode is Northwesterly and Southeasterly.

And I intend to work and hold said claim as provided by local customs and rules of Miners and Mining Statutes of the United States and of the State of Oregon.

Dated on the grounds this ....day of December, 1908.

Amended Notice of Location of Shamrock Quartz Mining Claim

Notice is hereby given that I, the undersigned, a citizen of the United States of America, conforming to the mining laws thereof and of the State of Oregon, have this 8th day of July, 1908, located and do claim fifteen hundred linear feet of this lead, lode or vein, bearing minerals in place, by six hundred feet in width, the same being three hundred feet on each side of the center thereof, together with all dips, spars and angles, and all other veins or lodes, the top or apex of which lie within said boundaries.

This location is named the "Shamrock" lode or mine and is situated in the unorganized mining district commonly known as the Ironclad Mining District, Baker County, State of Oregon, and lies on the northwest quarter of Section 17 in Township 6 S Range 42 E W M., and the discovery post on which this notice is posted is situated about 320 feet in a southwesterly direction from the north center end.

This lead, lode or vein extends 320 feet in a northeasterly direction and 1150 feet in a southwesterly direction from the discovery monument and the claim is bounded and described as follows:

Commencing at the north center and monument which is situated 320 feet in a northeasterly direction from the discovery monument and 25 feet southeasterly direction from the mouth of the tunnel on the Republic Claim which adjoins it and to end on the north end of claim; running thence in a southeasterly direction 300 feet to the northeast corner monument; thence in a southeasterly direction 1500 feet to the southeast corner monument; thence in a northerly direction 300 feet to the southwest center and monument; thence in a southeasterly direction 700 feet north of the 1/2 quarter post on the west side of said section 17 and about 300 feet east of said west side line; thence in a northeasterly direction 1500 feet to the northwest corner monument; thence in a southeasterly direction to said north corner and monument, the place of beginning.

This is intended as an amended location notice in order to more particularly describe and identify the boundaries of said claim, and is not intended to waive or forfeit any of the rights or privileges had or obtained under and by the original location notice thereof which is recorded at page 269 and 270 of Volume W of the Quartz Mining records of Baker County, Oregon.

And I intend to work and hold said claim as provided by local custom and rules of miners and under the mining laws of the United States and of the State of Oregon.

Dated on the 8th day of July A.D. 1908.

Location Notice of Quartz Claim.

Notice is hereby given that the undersigned, a citizen of the United States, having complied with the requirements of Chapter Six of Title Thirty-two of the Revised Statutes of the United States, and the local customs, laws, and regulations, has located 1500 linear feet of this lode or vein, bearing gold, silver, copper and other precious minerals, with surface ground extending 300 feet on each side of the vein, and to be known as the L C claim, quartz claim, situated in Weatherby Mining District, Baker County, Oregon, and described as follows:

Assessment hole about 1200 feet in a northerly direction from the N E corner of the S W 1/4 of the S W 1/4 of Section 20 Township 12 South of Range 44 and running 100 feet in a northeasterly direction and 1400 feet in a southeasterly direction from said assessment hole, and 300 feet each side of said assessment hole.

Located this 10th day of October, 1908

L Creps, Locater

State of Idaho, County of Washington,

I, L Creps, being first duly sworn, say: That I am the locator of the within named mining claim; that on the 10th day of October, 1908, I posted a notice of discovery and location of which the within is a copy, on said claim; that the within is a full, true, and correct, exact and complete copy and transcript of said original notice and the whole thereof; and that I have compared the same with the original notice; and that before the expiration of sixty days from the date of posting said notice of discovery upon said claim I performed the location work required by the laws of the State of Oregon, upon said claim; that I am a true and correct copy of said claim; that the assessment hole is 12 feet deep upon said claim, and show by such work a lode or vein of mineral deposit in place on said lode or vein.

My commission expires March 14, 1909

Filed for record the 11th day of December, 1908, at 2 o'clock P M

County Clerk
State of Oregon,
County of Baker.

I, George T. Julien, being first duly sworn deposes and says that at least $500.00 worth of labor and improvements were made, performed, and done by me upon the Independence the Boston, the Little Daisy, the Red Chief and the Standard quartz mining claims, the said mining claims constituting the Independence group of Mining Claims and being situated in what is known as the Virtue Mining District (unorganized) in Baker County, State of Oregon, during the year 1908.

That the said mining claims constitute one group and are worked, operated, and developed so as to develop all of said mining claims, and each thereof.

That the said labor and improvements consist in shaft and tunnel work and other labor and improvements done and performed upon the said mining claims in furtherance of a common system for the development of each and all of said mining claims and did tend to the benefit and development of the said mining claims and each and all thereof.

That the said work consisted in running a tunnel and sinking a shaft upon the said Independence mining claim, and doing other work and improvements thereon, and doing and perfecting other labor and improvements upon other mining claims of said group.

That such expenditure was made at the expense of Said J. Julien, the sole owner of said mining claims, for the purpose of holding each and all thereof, and for the purpose of complying with the provisions of the Revised Statutes of the United States relating to annual assessment work upon mining claims, and performing such assessment work for the year 1908.

I do further deposes and says that during the year 1908 I performed not less than $100.00 worth of labor and improvements in and upon each of the Valley View and the Bay State quartz mining claims, and the said mining claims being situated in said Virtue mining district in Baker County, State of Oregon, and that the said labor and improvements consisted in sinking a shaft and doing and performing surface work upon the said mining claims.

That such expenditure was made at the expense of Said J. Julien, the sole owner of said mining claims, for the purpose of holding the said mining claims, and for the purpose of complying with the provisions of the Revised Statutes of the United States relating to annual assessment work upon mining claims, and performing such assessment work for the year 1908.

That the annual assessment work upon each and all of said mining claims for the year 1908 has been done and performed upon each and all of said claims as described mining claims, subscribed and sworn to before me this 12th day of December, 1908.

NOTICE OF LOCATION OF CINCINNATI QUARTZ MINING CLAIM

Notice is hereby given that I, the undersigned, a citizen of the United States of America, according to the mining laws thereof and of the State of Oregon, have on the 11th day of December, A.D. 1908, located and do claim fifteen hundred linear feet on this lead, lode or vein, bearing mineral in place, by six hundred feet in width, the same being three hundred feet on each side of the center thereof, together with all dips, spurs and angles, and all other veins or lodes, the top or apex of which lie within said boundaries.

This location is named the "CINCINNATI" Lode or Mine, and is situated in the unorganized mining district commonly known as the Ironsides Mining District, Baker County, State of Oregon, and lies for the most part on the southeast quarter of Section 8, Township 6 S Range 48 E W M, and the discovery post on which this notice is posted is situated about 100 feet in a northeasterly direction from the south center line. This lead, lode or vein extends 1400 feet in a northeasterly direction and 100 feet in a southwesterly direction from the discovery, and the claim is described and bounded as follows:

Commencing at the north center and monument which is situated 1400 feet in a northeasterly direction from the discovery monument; running thence in a southeasterly direction 300 feet to the northeast corner monument; thence in a southeasterly direction 1500 feet to the southeast corner monument; thence in a northerly direction 300 feet to the south and center monument, which is situated about 500 feet in a southeasterly direction from the 1/4 post on the south line of said Section 8; thence continuing in a northerly direction 300 feet to the southwest corner monument; thence in a northwesterly direction 1500 feet to the northwest corner monument; thence in a southeasterly direction 300 feet to the said north center and monument, the place of beginning.

The Cincinnati Claim lies immediately east of the Polar Bear claim and immediately north of the Oriental Claim.

And I intend to work and hold said claim as provided by local rules and customs of miners and under the mining laws of the United States and of the State of Oregon.

Dated on the ground this 11th day of December, A.D. 1908

Attest:...

NOTICE OF LOCATION OF "ARCTIC FOX" QUARTZ MINING CLAIM.

NOTICE IS HEREBY GIVEN that I, the undersigned, a citizen of the United States of America, conforming to the mining laws thereof and of the State of Oregon, have this 4th day of December, A D 1908, located and do claim fifteen hundred linear feet on this lead, lode or vein, bearing mineral in place, by six hundred feet in width, the same being three hundred feet on each side of the center thereof, together with all dips, spurs and angles, and all other veins or lodes at the top or apex of which lies within said boundaries.

This location is named the "ARCTIC FOX" Lode or Mine, and is situated in the unorganized mining district, commonly known as the Irondequoit Mining District, Baker County, State of Oregon, and lies for the most part in the southeast quarter of Section 17 Township 6 S Range 48 E W M, and the discovery post on which this notice is posted is situated about 600 feet in a southwesterly direction from the north center end.

This lead, lode or vein extends 600 feet in a northeasterly direction and 700 feet in a southwesterly direction from the discovery, and the claim is described and bounded as follows:

Beginning at the north center and monument, which is situated 600 feet in a northeasterly direction from the discovery post; running thence in a southeasterly direction 300 feet to the northeast corner monument; thence in a southwesterly direction 1500 feet to the southeast corner monument; thence 300 feet to the south center and monument; thence continuing same direction 300 feet to the southwest corner monument; thence in a northeasterly direction 1500 feet to the northwest corner monument; thence in a southwesterly direction 300 feet to said north center and monument, the place of beginning, which is situated about 300 feet south of the center of said Section 17.

The Arctic Fox Claim is parallel to, adjacent to, and lies immediately east of the Polar Star Claim.

And I intend to work and hold said claim as provided by local custom and under the mining laws of the United States and of the State of Oregon.

Dated on the ground this 4th day of December, 1908,

Ed P. Farrell, Locater

Attest:
State of Oregon,

NOTICE OF LOCATION OF SUMMIT QUARTZ MINING CLAIM

NOTICE IS HEREBY GIVEN THAT I, the undersigned, a citizen of the United States of America, conforming to the mining laws thereof and of the State of Oregon, have this 14th day of December, A.D. 1908, located and do claim fifteen hundred linear feet on this lead, lode, or vein bearing in place, by six hundred feet in width, the same being three hundred feet on each side of the center thereof, together with all dips, spurs and angles, and all other veins or lodes, the top or apex of which lie within said boundaries.

This location is named the "SUMMIT" lode or mine, and is situated in the unorganized mining district commonly known as the Ironyke Mining District, Baker County, State of Oregon, and lies on the southeast quarter of Section 8, Township 6 S. Range 48 E., W.M., and the discovery post on which this notice is posted is situated about 250 feet in a northeasterly direction from the south center end.

This lead, lode, or vein extends 1250 feet in a northeasterly direction and 250 feet in a southwesterly direction from the discovery monument, and the claim is bounded and described as follows:

Commencing at the north center end monument, which is situated 1250 feet in a northeasterly direction from the discovery monument; running thence in a southwesterly direction three hundred feet to the northeast corner monument; thence in a southwesterly direction 1500 feet to the southwest corner monument, which lies about three hundred feet north of the quarter post on the north line of Section 8; thence in a northeasterly direction 300 feet to the south center and monument; thence continuing in a northeasterly direction 300 feet to southeast corner monument; thence in a southwesterly direction 1500 feet to northwest corner monument; thence in a southwesterly direction 300 feet to the said north center and monument, the place of beginning.

The Summit Claim lies immediately west of and adjoins the west side lines of the North End Claim and the Polar Bear Claim.

And I intend to work and hold said claim as provided by local rules and customs of miners and under the mining laws of the United States and of the State of Oregon.

Dated on the ground this 11th day of December, A.D. 1908

Attest:.....

Ed P. Farrell, Locater

State of Oregon,
County of Baker.

I, Ed P. Farrell, being first duly sworn, do solemnly swear that I am a citizen of the United States of America. That I am acquainted with the quartz claim described in the within notice of location, called the SUMMIT quartz Claim; that the location of said claim has prior to the date of this affidavit and since the date of posting of the location notice thereon, has excavated an open cut six feet deep, four feet wide and ten feet in length along the lode.

Ed P. Farrell

Subscribed and sworn to before me this 23rd day of December, 1908.

NOTICE OF LOCATION OF "NORTH END" QUARTZ MINING CLAIM.

NOTICE IS HEREBY GIVEN that I, the undersigned, a citizen of the United States of America, conforming to the mining laws thereof and of the State of Oregon, have this 11th day of December, A.D. 1908, located and do claim fifteen hundred linear feet on this lead, lode or vein bearing mineral in place, by six hundred feet in width, the same being three hundred feet on each side of the center thereof, together with all dips, spurs and angles, and all other veins or lodes, the top or apex of which lie within said boundaries.

This location is named the "NORTH END" Lode or Mine, and is situated in the unorganized mining district commonly known as the Iron Drye Mining District, Baker County, State of Oregon, and lies on the southeast quarter of Section 8, Township 6, S Range 46E W. M., and the discovery post on which this notice is posted is situated about 1050 feet in a southeasterly direction from the north center end.

This lead, lode or vein extends 1050 feet in a northeasterly direction and 450 feet in a southeasterly direction from the discovery monument, and the claim is bounded and described as follows: Commencing at the north center and monument, which is situated 1050 feet in a northeasterly direction from the discovery monument; running thence in a southeasterly direction 300 feet to the northeast corner monument; thence in a southeasterly direction 1500 feet to the southeast corner monument; thence in a northeasterly direction 300 feet to the south center and monument which is situated about 1500 feet northeast from the 1/4 post on the south line of said Section 8; thence continuing in a northeasterly direction 300 feet to the southwest corner monument; thence in a northeasterly direction 1500 feet to the northwest corner monument; thence in a southeasterly direction 300 feet to the said north center and monument, the place of beginning.

The North End Claim lies immediately northeast of the Polar Bear Claim, the south end line of the North End Claim being the north end line of the Polar Bear Claim.

And I intend to work and hold said claim as provided by local rules and customs of miners and under the mining laws of the United States and of the State of Oregon.

Dated on the ground this 11th day of December, A.D. 1908.

Attest:...

NOTICE OF LOCATION OF "POLAR BEAR" QUARTZ MINING CLAIM.

NOTICE IS HEREBY GIVEN that I, the undersigned, a citizen of the United States, conforming to the mining laws thereof and of the State of Oregon, have this 11th day of December, A.D. 1906, located and do claim fifteen hundred linear feet on this lead or vein-bearing mineral in place, by six hundred feet in width, the site being three hundred feet on each side of the center thereof, together with all dips, rises, and angles, and all other veins or lodes, the top or apex of which lie within said boundaries.

This location is named the "POLAR BEAR" Lode or Mine, and is situated in the unorganized mining district commonly known as the Ironside Mining District, Baker County, State of Oregon, and lies on the southeast quarter of Section 6, Township 6 S Range 46 E W M., and the discovery post on which this notice is posted is situated about 900 feet in a southerly direction from the north center line.

This lead, lode or vein extends in a northeasterly direction and 600 feet in a southwesterly direction from the discovery, and the claim is described and bounded as follows:

Commencing at the north center and monument, which is situated 900 feet in a northeasterly direction from the discovery monument; running the same in a southwesterly direction 300 feet to the northeast corner monument; thence in a southwesterly direction 1500 feet to the southwest corner monument; thence in a northeasterly direction 300 feet to the south center and monument, which is situated about one hundred feet southerly from the 1/4 post on the south line of Section 6, Township 6 S Range 46 E W M.; thence continuing in a northeasterly direction 300 feet to the southwest corner monument; thence in a northeasterly direction 1500 feet to the northeast corner monument; thence in a southerly direction 300 feet to said north and center monument, the place of beginning.

The POLAR BEAR Claim lies immediately north of the Republic Claim and immediately south of the North End Claim.

And I intend to work and hold said claim as provided by local rules and customs of miners and under the mining laws of the United States and of the State of Oregon.

Dated on the ground this 11th day of December, A.D. 1906.

Amended Location Certificate.

Know all Men by these Presents, That I, the undersigned citizen of the United States of over the age of twenty-one years, having complied with all the requirements of the laws of the United States and the State of Oregon, relating to mining claims, and with the local laws, customs, rules and regulations of no organized Mining District, hereby make and file this my amended location of the Papoose Lode, claiming by right of discovery, location, prismatic appropriation and possession, 1500 feet, linear and horizontal measurement, on this vein of lode of quartz, or other rock in place, bearing copper and other valuable minerals, with all dips, variations of angles, and same being 450 feet along the ledge in a northerly direction from the discovery stake, and 750 feet along the ledge in a southerly direction from the front, together with 300 feet in width on each side of the middle of said ledge, and all veins, lodes, ledges, mineral deposits, mineral and surface ground within the lines of said claim.

Situate in no organized Mining District, County of Baker, State of Oregon, and more particularly described as follows, to wit:

Commencing at the north center end stake which is situated 750 feet in a northerly direction from the discovery stake; running thence E 300 feet to the N E cor. stake, thence S 1500 feet to the S E cor. stake, thence W 500 feet to the S center end stake, continuing
W 300 feet to the S W Cor stake, thence N 1500 feet to the N W Cor stake, thence E
300 feet to the N Center end stake, the place of beginning.

THIS AMENDED LOCATION is made in conformity with the original location, made 31st
of Jan., 1906, recorded 24th day of March, 1906, in Book Vol. 8, page 603, of Plats Locations,
in the office of the Recorder of said county, and it is made for the purpose of ap-
propriating all ground within the boundaries hereinafter described and of more definitely
describing the situation and boundaries of said loco, correcting any irregularities, in-
formalities or omissions, supplying omissions and correcting any omissions which may have
existed in the original location, or the records thereof, hereby waiving no rights acquired
under and by virtue of said original location

Date of Original Discovery 31st day of January, A.D. 1906
Date of Amended Location 24th day of December, A.D. 1908

Notice of Amended Location of a Quartz Claim

Made for the purpose of more particularly describing the boundaries of this claim previously
located.

Notice is hereby given to All Whom it May Concern, That The North American Copper Com-
pany, a corporation, by D. W. O. Nelson, Secretary & Manager, citizens of the United States,
over the age of twenty years have discovered a vein or lode of quartz or rock in
place, bearing precious metals within the limits of the claim hereby located, and have this
day under and in accordance with the Revised Statutes of the United States, Chapter Six,
Title thirty-two, located 1500 linear feet of this vein or lode, with surface ground
600 feet in width situated in no organized mining district, County of Baker, State of Oregon,
and known as the Hercules Quartz Mining Claim extending 1490 feet N 37° W to N end center
and 10 feet S 37° E to south end center monument from this notice at the discovery or
pim spot shaft, which is 1490 feet from north end line; the exterior boundaries of this claim
being distinctly marked by reference to some natural object or permanent monument and more
particularly described as follows, to wit:

Beginning at S W cor post identical with N E cor of Gigantic lode, thence N 37° W 1500
ft to N W cor post, thence N 37° E 300 ft to north end center monument, thence same course
300 ft to N E cor post, thence S 37° E 1500 ft to S E cor post, thence S 37° W 300 ft to south
end center monument, thence south course 300 ft to S W cor, the place of beginning.
This is an amended location of the Hercules lode made for the purpose of giving a more
accurate description thereof and without waiver of any previously acquired rights. Original
notice which is of record in Book U page 588 quarters records of Baker County, Oregon
and it intends to work and hold said claim as provided by local customs and rules of
Miners and Mining Statutes of the United States.

Notice of Location of a Quartz Claim.

Notice is hereby given to all whom it may concern: That I, Charles H. Towl, citizens of the United States, over the age of twenty-one years, have discovered a vein or lode of quartz or rock in place bearing gold within the limits of the claim hereby located, and have this day, under and in accordance with the Revised Statutes of the United States, Chapter Six, Title thirty-two, located 1500 linear feet of this vein or lode, with surface ground 600 feet in width situated in no mining district, County of Baker, State of Oregon, and known as the Mountain Bell No 4 Quartz Mining Claim, extending 100 feet westerly to west end line and 1400 feet easterly to east end line from this notice at the discovery or prospect shaft, which is 100 feet from west end line and exterior boundaries of this claim being distinctly marked by reference to some natural object or permanent monument, and more particularly described as follows, to wit:

One hundred and fifty feet from this discovery tunnel northwesterly to the northwest corner post, thence three hundred feet southerly to west center end post, thence three hundred feet southerly to southwest corner post, thence fifteen hundred feet easterly to southwest corner post, thence three hundred feet in a northerly direction to east center end post, thence three hundred feet to northeast corner post, thence fifteen hundred feet westerly to northwest corner post, the place of beginning; this claim joins the Mountain Bell No 3 on the south side.

And I intend to work and hold said claim as provided by local customs and rules of miners and mining states of the United States.

Dated on the ground this 3rd day of November, 1908.

Notice of Quartz Location
Located this Nineteenth day of January A D 1909
Oregon State .....Mining District

Notice is hereby given that the undersigned, a citizen of the United States, over
the age of twenty-one years, having complied with the requirements of Chapter Six,
of title thirty-two, of the revised statutes of the United States, and the laws of the
above State, and the local customs and regulations of said District, has located and does
hereby locate Fifteen Hundred (1500) linear feet on the Eureka No 2 Lode (placer
ground) situated in Baker County, in the above State and Mining District, and further
described as follows: Commencing at a post marked 1 at the N W corner, from thence 300
feet in a S 30° W direction to a center and post marked 2, thence 300 feet in a S 30° W
direction to a corner post marked 3, thence 1500 feet in a S 40° W direction to a corner
post marked 4, thence 300 feet in a N 30° W direction to a center and post marked
5, thence 300 feet in a N 30° W direction to a corner post marked 6, thence N 40° E
1500 feet to a place of beginning, intending to claim fifteen hundred feet in length and
six hundred feet in width, for the purpose of mining the same, claiming all surface
rights, privileges and minerals, and other rights granted by existing laws and custom.
This claim is named Eureka No 2, and the strike or course thereof is northeast and southwest.
This notice is placed at discovery, from which the north center is distant 250 feet,
and the south center is distant 1250 feet. Post marked 1 is situated at the S W corner
of Eureka No 1

Witnesses:

Wm. Dale
Notice of Location of a Quarts Claim.

Notice is hereby given to all whom it may concern, that I, Wm. Dale, a citizen of the United
States, over the age of twenty-one years, having discovered a vein or lode of quartz or rock
in place, bearing gold etc. within the limits of the claim hereby located, and have this
day under and in accordance with the revised statutes of the United States, Chapter Six,
Title Thirty-two, located 1500 (or less) linear feet of this vein or lode, with surface
ground 500 ft. (or less) feet in width, situated in the unorganized Mining District, County of
Baker, State of Oregon, and known as the Hope Fraction Quartz Mining Claim, extending about
600 feet in an easterly direction from the east end line and 900 feet in a westerly direction
to west line from this notice at the discovery or prospecat shaft, which is about
500 ft. from the east line of this claim, the exterior boundaries of this claim being
distinctly marked by reference to some natural object or permanent monument, and more
particularly described as follows, to wit:

Commencing at the S.E. cor No 1 which is at the N.W. Cor of the "Hope placer"
claim, thence north about 150 ft. to the south lode line state of the "Mizpah" quartz claim
& cor No 7, thence N. 1/2 W 1200 ft. along the S.W. side of the Mizpah West Hope
& Star of Hope quartz claims, to Cor No 3 & S.E. Cor No 1 of Star of Hope Corp.; thence S. 75°
W 390 ft. more or less, along the side line of the Small Hope, to Cor No 4 & S.E. Cor
No 2 of Small Hope Corp.; thence S. 75° W 90 ft. more or less, to Cor No 2 of Eliza Corp.
& S.E. Cor No 5; thence S. 1/2 W along the E.S. side line of Eliza quartz claim 200 ft
more or less, to Cor No 2 at north side line of Horsemom Corp.; thence S. 65° W, east along
line of Horsemom to Cor No 2 of Horsemom & Cor No 7; thence S. 140 ft. to a corner of
Washington Union Gold Mining Co's placer & Cor No 3, thence E. 1200 ft to Cor No 1
& place of commencement, which is 660 ft. N & 1590 ft. W of the S.E. corner on the S. side of
Sec. 22 T. 9 S R. 39 E. W.M.

The general course or strike of this lode is easterly and westerly.

I, Wm. Dale, do solemnly swear that I am a citizen of the United States of
America (or have declared my intention to become such), that I am acquainted with the quartz
claim described in the within notice of location, called the Hope Fraction quartz claim,
that the locatar of said claim, has, prior to the date of this affidavit and since the date
of posting of the location notice thereon, excavated an open cut six feet deep, four feet wide
and ten feet in length along the lode.

County Clerk
Notice of Lode or Quartz Location.

TO ALL WHOM IT MAY CONCERN NOTICE IS HEREBY GIVEN, That the undersigned, a citizen of the United States, over the age of twenty-one years, has on this first day of January, 1909, discovered a vein or lode of mineral-bearing rock in place, bearing gold, silver and other precious and valuable metals and minerals within the limits of the claim hereby acknowledged, which I have this day, in accordance with the Revised Statutes of the United States, Chapter 6, Title 32, named the Midnight Quartz Claim Quartz Mining Claim.

That the general strike or course of this vein or lode is easterly and westerly, and that I claim 600 linear feet westerly and 900 linear feet easterly of the point of discovery at which this notice is posted, together with 300 feet on each side of the center of said vein.

That said claim is located in no organized Mining District, in Baker County, State of Oregon, the discovery monument being placed 600 feet easterly from west center and stake, and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinafter mentioned, and is more particularly described by boundaries as follows, to wit:

Commencing at the point of discovery at which this notice is posted, thence westerly 600 feet to west center and stake, thence 300 feet southerly to S W cor, thence easterly 1500 feet to S 8 cor, thence 300 feet northerly to S Center and stake, thence 300 feet to N 8 cor, thence westerly 1500 feet to N W cor, thence 300 feet southerly to west center and stake, said quartz claim is situated about 3 miles westerly from Ashport on McCaulley fork and is bounded on the west by the Bald Mountain Mine and formerly known as the Mid Night.

And I intend to hold and work said claim in accordance with the local rules and customs of miners and mining jurisprudence of the United States and of the State of Oregon.

County Clerk
Notice of Quartz Location

Located this 1st day of February, A.D. 1909, Oregon State,
Unorganized Mining District,

Notice is hereby given that the undersigned, a citizen of the United States, over
the age of twenty-one years, having complied with the requirements of Chapter six, of the
the revised statutes of the United States, and the laws of the above state,
and the local customs and regulations of said District, have located and do hereby locate
fifteen hundred linear feet on the Mockingbird No. 2 Lode situated in Baker County,
in the above state and Mining District, and further described as follows: Commencing at a
post marked No. 1 at the southeast corner, from thence 500 feet in a northerly direction
to a center and post marked No. 2, thence 300 feet in a northerly direction to a corner
post marked No. 3 NE Cor., thence 1500 feet in a Southwesterly direction to a corner post
marked No. 4 SW Cor., thence 300 feet in a Southwesterly direction to a center and post
marked No. 5 SW Cor., thence 300 feet in a Southwesterly direction to a corner post
marked No. 6 SW Cor., thence 1500 feet to a place of beginning, intending to claim fifteen
hundred feet in length and six hundred feet in width, for the purpose of mining the
same, claiming all surface rights, privileges and minerals, and other rights granted by
existing laws and customs. This claim is named the Mockingbird (No. 2) and the strike
or course thereof is Northeast and Southwest. This notice is placed at discovery shaft,
from which the Northeast center is 750 feet, and the SW center is distant 750 feet, situated
on Snake River down 25 miles from Blake spur on the N. W. R. Y. and is about ¾ mile
north of the NE corner of Section 36, T. 10 S., R. 46.

Witness:  W. C. Baker John L Benson
Locators

State of Oregon,
County of Baker.

I, John L Benson, do solemnly swear that I am a citizen of the United States of America,
and that I am acquainted with the mining ground described in this notice of location,
and herewith called the "Mocking Bird No. 2" ledge, lode or claim; that the ground and claim
therein described, or any part thereof, has not, to the best of my knowledge and belief
been located according to the laws of the United States and of this State, or if so located,
that the same has been abandoned and forfeited by reason of the failure of such former
locators to comply in respect thereto with the requirements of said laws and in case of
quartz claims made an open cut six feet deep, four feet wide and ten feet in length along
the lode, from the point of discovery, showing a lode or vein of mineral deposit in place.

Proof of Annual Labor.

I, James Dunphy, being duly sworn, say that I am a miner by occupation and know the value of mining work and improvements, that at the request of George Whitaker, the owner thereof, I performed and caused to be performed thirty days work in and on the Quartzburg quartz claim, situated near the Chloride mine on Rock Creek in Baker County, Oregon. That said labor was done in extending the lower tunnel on said claim a distance of seven feet through solid rock and quartz; said tunnel having a face of four feet by six feet; that in performing said work it was necessary to use and I did use therein about sixty pounds of gunpowder and caps and fuse. That said work was done and performed as and for the annual assessment work on said claim for the year ending Dec. 31, 1908; that I commenced said work on the 27th day of December, 1908, and continued the same from time to time as it was possible to work there until March 29th, 1909. That said work on labor so performed as such assessment work is worth more than the sum of One Hundred Dollars; and such work is of a character that tends to develop the said mine and is along a vein of quartz.

NOTICE OF LOSE OR QUARTZ LOCATION.

TO ALL WHOM IT MAY CONCERN, Notice is hereby given, that I, L P Ostlund, La Grande, Oregon, citizens of the United States, over the age of twenty-one years, has on this 7 day of April, 1909, discovered a vein or lode of mineral-bearing rock in place, bearing gold, silver and other precious and valuable metals and minerals within the limits of the claim hereby located, which I have this day and in accordance with the Revised Statutes of the United States, Chapter 6, Title 32, named the Carey Nation, this is abandoned Location of Meridicy Quartz Mining Claim.

That the general strike or course of this vein or lode is southwesterly and north easterly and that I claim 1500 linear feet in length and 600 linear feet in width of the point at discovery at which this notice is posted, together with 300 feet on each side of the center of said vein.

That said claim is located in the No. Mining District, in Baker County, State of Oregon, the discovery monument being placed at No. 1 East Rand Center post bounded on the west by E P Bergan quartz claim and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinafter mentioned, and is more particularly described by boundaries as follows, to wit:

Commencing at the point of discovery at which this notice is posted, thence East Rand center post No. 1 thence 300 ft. South Easterly to Corner No. 2 thence 1500 ft. South westerly to corner No. 3, thence 300 ft. North westerly to west Rand center post No. 4 thence 300 ft. North westerly to corner No. 5 thence 1500 ft. North Easterly to corner No. 6 thence 300 ft. South easterly to east Rand center No. 1, bounded on South by Haden's tracts 44 1/2 northwest of Sumpter.

And I intend to hold and said claim in accordance with the local rules and customs of mining and mining laws of the United States and of the State of Oregon.

Notice of Location of a Tunnel Claim,
Known as the Alpine Tunnel

Know all men by these presents, That the undersigned, citizens of the United States have this twenty-third day of January 1909 claimed by right of location a tunnel claim, for the purpose of discovering and working all veins, lodes or deposits on the line thereof.

Said tunnel claim is situated in the Huskey Mining District, County of Baker, State of Oregon, and the location and bounds of said tunnel are staked on the surface at the place of commencement and termination thereof, as well as along the line thereof.

Said tunnel claim is more particularly described as follows, to wit:

Beginning at the east center end post at the tunnel entrance, thence 750 feet in a northerly direction to the north east corner post, thence 3000 feet in a westerly direction to the north west corner post, thence 750 feet in a southerly direction to the west center end post; thence 750 feet in a southerly direction to the southwest corner post, thence 3000 feet in an easterly direction to the southeast corner post, thence 750 feet in a northerly direction to the east center end post or place of beginning, claiming 3000 feet in length by 1000 feet in width with all dips, angles and surface rights; said tunnel is six feet high, six feet wide at the bottom and four feet wide at the top and is located on the west side of the Powder River about three-fourths of a mile down the river from the Riverdale Mine, Mill and Tunnel.

Dated this twenty-third day of January, 1909.

Quartz Mining Location Notice.

NOTICE IS HEREBY GIVEN, that I, the undersigned, citizen of the United States of America, conforming to the mining laws thereof and of the State of Oregon, and the local rules, regulations and customs of miners, have this 7th day of April, A.D. 1909, located and do claim fifteen hundred linear feet on this lead, lode or vein bearing mineral in place, by six hundred feet in width, the same being 300 feet on each side of the center thereof, together with all dips, spurs and angles, and all other veins or lodes, the top or apex of which lie within said boundaries.

This location is named the Red Boy Lode or Mine, and is situated in the Oregonized Mining District, Baker County, State of Oregon.

This claim is situated on Sheep Mountain and the discovery monument upon which this notice is posted is situated about 1000 feet in a southerly direction from Ashby Creek and about two and one half miles north of Ballards Landing and about two and one half miles west of Snake River.

This lead, lode or vein extends 1000 feet in a N direction and 5000 feet in a S direction from the discovery monument and the claim is bounded and described as follows: Commencing at the N center end monument which is situated 1000 feet in a N direction from the discovery monument; running thence in a S direction 300 feet to N E corner monument; thence in a S direction 1500 feet to the S E corner monument; thence in a W direction 300 feet to the S center end monument; thence continuing in a W direction 300 feet to the S W corner monument; thence in a N direction 1500 feet to the N W corner monument; thence in an E direction 300 feet to the said N center end stake, the place of beginning.

The adjoining claims are Last Chance and Sambo.

All the monuments aforesaid are marked upon the side facing toward the discovery with the name of the claim and the corner or end center which each of said monuments represents, and all of said monuments are at least four inches in diameter and at least four feet high above the ground.

I, George T. Cullen, being first duly sworn, depose and say that during the year 1909, I did and performed at least one hundred dollars worth of work, labor and improvements upon each of the following quartz mining claims, to wit: The "Grand Prize" quartz mining claim and the "Hope" quartz mining claim, the said mining claims being situated in White Swan mining district, unorganized, in Baker County, State of Oregon.

That the said work, labor and improvement was done and made for the purpose of performing the annual assessment work for the year 1909 upon each of the said mining claims and by reason thereof the assessment work upon each of said mining claims has been done and performed for the year 1909.

That the said work, labor and improvement consisted in surface shaft and tunnel work.

That the said mining claims are owned in common and said work, labor and improvement was made and done in pursuance to a system for the development of each of said mining claims.

That the said work, labor and improvement was done and performed by direction of and at the sole charge and expense of H. G. Pearson, C. L. Palmer and George T. Cullen, the joint owners of said mining claims.

NOTICE OF FORFEITURE

Baker City, Oregon, October 12, 1908.

To J J Watts, F W McKircy and E COTCHING, their heirs and legal Representatives.

You are hereby notified that I, as owner, have expended one hundred dollars or more, upon the "Old Reliable" quartz mining claim, located near what is known as Bull Run, situated about 45 miles south of Baker City, Oregon, and in Baker County, as will appear in the book of records of quartz mining claims, Vol 26, page 555, in the county clerk's office of said county and state. Said work was performed during the month of October, 1907, and that your share of said work is $62.50 total.

The amount of each is as follows: J J Watts, $37.50; F W McKircy, $12.50 and E Cотching $12.50, and if within 90 days after this notice by publication, you fail or refuse to contribute your portion of said expenditures as set forth above as such co-owner in the above mentioned claim and pay the costs of this publication your interest in said claim will become the property of the subscriber under and by virtue of Senate Bill No 31 of the Oregon Legislature of 1903. This notice is published in the Redrock Democrat of Baker City, Oregon, for the reason that said co-owners cannot be found by me and I do not know their present residence.

Signed: Angus M Morrison, Owner

First publication March 12, last publication May 21.

Affidavit of Publication.

That the Notice of Forfeiture hereunto attached was published in each and every issue of said paper for 11 full weeks, making 12 publications, commencing with the issue of March 12, 1909, and ending with the issue of May 21, 1909.

That the said notice was published in the regular issues and not in any supplement thereto.

Oregon State, Buckeye Mining District.

Notice is hereby given that the undersigned, Mrs. J. H. Cole, citizen of the United States, over the age of twenty-one years, having complied with the requirements of Chapter six, Title thirty-two, of the Revised Statutes of the United States, and the laws of the above state, and the local customs and regulations of said district, has located and do hereby locate (1500 x 500) linear feet on the [Mack quartz Mining Claim] lode, situated in Baker County, in the above state and mining district, and further described as follows:

Commencing at a post marked S-W-C-post at the S-W-C-corner, from thence (200) feet in a east direction to a center end post marked S-C-E-post, thence (300) feet in a easterly direction to a center post marked S-E-C-post, thence (1500) feet in a northerly direction to a corner post marked N-E-C-post, thence (200) feet in a westerly direction to a center end post marked N-C-W-post, thence (300) feet in a westerly direction to a corner post marked N-W-C-post, thence (1500) feet to a place of beginning, intending to claim (1500) feet in length and (500) feet in width, for the purpose of mining the same, claiming all surface, rights, privileges and minerals, and other rights granted by existing laws and customs. This claim is named Mack, and the strike or chopp[e] thereof is North and South. This notice is placed at discovery shaft, from which the south center end is distant (50) feet, and the North center end is distant (1450) feet. For a permanent mark I have taken by Sections 4 & 5 T 7 R 40 E and 33 & 34 T 6 R 40 E 3,800 ft South 10° East. Witnesses:.... Mrs. J. H. Cole, Locators

State of Oregon,

County of Baker.

I, J. W. Chenault, do solemnly swear that I am a citizen of the United States of America (or have declared my intention to become such), and that I am acquainted with the mining ground described in this notice of location, and herewith called the Mack Quartz Mining Claim lode, lode or claim; that the ground and claim therein described, or any part thereof, has not, to the best of my knowledge and belief, been located according to the laws of the United States, and of this State, or if so located, that the same has been abandoned and forfeited by reason of the failure of such former locators to comply in respect thereto with the requirements of said laws and (in case of quartz claims) that I have sunk a discovery shaft upon said claim to a depth of ten feet from the surface, made a cut or stope or tunnel which cuts the lode at a depth of ten feet, made an open cut six feet deep, four feet wide and ten feet in length along the lode from the point of discovery, showing a lode or vein of mineral deposit in place.

Notice of Quartz Location

Located this 2nd day of June, A.D. 1909, Oregon State, Buckeye Mining District

Notice is hereby given that the undersigned, George H. Downs, citizen of the United States, over the age of twenty-one years, having complied with the requirements of Chapter six, title thirty-two, of the revised statutes of the United States, and the laws of the above State, and the local customs and regulations of said District, has located and do hereby locate (1500 x 600) linear feet on the Benjamin Quartz Mining Claim Lode, situated in Baker County, in the above State and Mining District, and further described as follows: Commencing at a post marked S-E-C-post at the S-W-C corner, from thence (300) feet in a East direction to a center end post marked S-C-E-post; thence (300) feet in a easterly direction to a corner post marked S-E-C-Post; thence (1500) feet in a northerly direction to a corner post marked N-E-C-post; thence (300) feet in a westerly direction to a center end post marked N-C-E-post; thence (300) feet in a westerly direction to a corner post marked N-W-C-post; thence (1500) feet to a place of beginning, intending to claim (1500) feet in length and (600) feet in width, for the purpose of mining the same, claiming all surface rights, privileges and minerals, and other rights granted by existing laws and customs. This claim is named (Benjamin), and the strike or course thereof is north and south. This notice is placed at discovery shaft, from which the south center end is distant (20) feet, and the north center end is distant (1400) feet. For a permanent mark I have taken the sections 4 & 5 T 7 R 40 E and Sections 33-32 T 7 R 40 E 2,900 ft S - 297° East.

Witnesses:...

Geo H. Downs, Locators
State of Oregon,
County of Baker.

I, J W. Chenault, do solemnly swear that I am a citizen of the United States of America (or have declared my intention to become such), and that I am acquainted with the mining ground described in this notice of location, and herewith called the Benjamin Quartz Mining Claim lode or claim; that the ground and claim therein described, or any part thereof, has not, to the best of my knowledge and belief, been located according to the laws of the United States, and of this state, or if so located, that the same has been abandoned and forfeited by reason of the failure of such former locators to comply in respect thereto with the requirements of said laws and (in the case of quartz claims) that I have sunk a discovery shaft upon said claim to a depth of ten feet from the lowest part of the rim of said shaft at the surface made a cut or cross cut or tunnel which cuts the lode at a depth of ten feet made an open cut six feet deep, four feet wide and ten feet in length along the lode, from the point of discovery, showing a lode or vein of mineral deposit in place.

Notice of Quartz Location.
Located this 4th day of June, A.D. 1909
Oregon State, Bostock Mining District.

Notice is hereby given that the undersigned, J. R. Neill, citizen of the United States, 
over the age of twenty-one years, having complied with the requirements of 
Chapter six, of Title thirty-two, of the revised statutes of the United States, and the 
laws of the above State, and the local customs and regulations of said District, has 
located and do hereby locate (1500 x 600) linear feet on the August quartz mining claim 
located, situated in Baker County, in the above State and Mining District, and further described 
as follows: Commencing at a post marked N-W-C-post at the N-W-C corner, from thence 
(300) feet in a easterly direction to a center and post marked E-C-E-post, thence 
(300) feet in a westerly direction to a corner post marked E-W-C-post, thence 
(1500) feet in a northerly direction to a corner post marked N-W-C-post, thence 
(200) feet in a westerly direction to a center post marked N-C-E-post, thence 
(300) feet in a westerly direction to a corner post marked N-W-C-post, thence 
(1500) feet in a northerly direction to a place of 
beginning, intending to claim (1500) feet in length and (600) feet in width, for the 
purpose of mining the same, claiming all surface rights, privileges and minerals, and other 
rights granted by existing laws and customs. This claim is named (August) and the strike 
or course thereof is North and South. This notice is placed at discovery shaft, from 
which the South center is distant (50) feet, and the North center is distant (1490) feet. 
I will use for a (Mark) Gentry Creek, it being about 3/4 of a mile 
northerly from said claim in a northerly direction.

Witnesses:.....

J. R. Neill, Locators

State of Oregon,

County of Baker.

I, J. W. Chenault, do solemnly swear that I am a citizen of the United States of 
America (or have declared my intention to become such), and that I am acquainted with 
the mining ground described in this notice of location, and herewith called the August 
Quartz Mining Claim ledge, lode or claim; that the ground and claim herein described, 
or any part thereof, has not, to the best of my knowledge and belief, been located according 
to the laws of the United States, and of this State, or if so located, that the 
same has been abandoned and forfeited by reason of the failure of such former locators 
to comply in respect thereto with the requirements of said laws and (in the case of quartz 
claims) that I have sunk a discovery shaft upon said claim to a depth of ten feet from 
the lowest part of the rim of said shaft at the surface made a cut or cross cut or tunnel 
which cuts the lode at a depth of ten feet, made an open cut six feet deep, four feet wide 
and ten feet in length along the lode, from the point of discovery, showing a lode or 
vein of mineral deposit in place.

Oregon State, Buckeye Mining District.

Notice is hereby given that the undersigned, a Mrs F H Neill, citizen of the United States, over the age of twenty-one years, having complied with the requirements of Chapter Six, of Title Thirty-two, of the revised statutes of the United States, and the laws of the above State, and the local customs and regulations of said District, has located and do hereby locate (1700 x 600) linear feet on the (Lange Quartz Mining Claim Lode), situated in Baker County, in the above State and Mining District, and further described as follows:

Commencing at a post marked S-W-C-post at the S-W-C corner, from thence (300) feet in a easterly direction to a center post marked S-C-E-post, thence (200) feet in a easterly direction to a corner post marked S-E-C-post, thence (1500) feet in a northerly direction to a corner post marked N-E-C-post, thence (200) feet in a westerly direction to a center and post marked N-C-E-post, thence (200) feet in a westerly direction to a corner post marked N-W-C-post, thence (1500) feet to a place of beginning, intending to claim (1500) feet in length and (600) feet in width, for the purpose of mining the same, claiming all surface rights, privileges and minerals, and other rights granted by existing laws and customs.

This claim is named (Lange), and the strike or course thereof is north and south. This notice is placed at discovery shaft, from which the South center end is distant (50) feet, and the North center end is distant (1450) feet. I will use for a mark Gentry Creek, it being about 1/2 mile in a easterly direction from said creek.

PROOF OF ANNUAL LABOR
ON THE
GOLD HILL MINE

State of Oregon,)

County of Baker,)

I, James A. Panting, being first duly sworn, depose and say that I am the President of the Conquest Gold Mining Company, a corporation, which said corporation is the owner of and operating what is commonly known as the Gold Hill Mine. That said Gold Hill Mine consists of twenty-one unpatented quartz mining claims, all of which are contiguous, are worked in common, and constitute one mine.

That between the first day of January, 1909, and the 30th day of June, 1909, I caused labor to be performed and improvements to be made in behalf of said Conquest Gold Mining Company, upon said Gold Hill Mine, which mine is situated near the town of Durkee, in Baker County, State of Oregon.

That said labor was done and improvements made for and at the cost of said owner as and for the annual expenditure on said mine for the year 1909. That the same consisted of timbering in the main tunnel, drifts, renewal of track, construction of road to the Romanza Mine, and driving tunnel sixty-five feet on the contact vein. That said work and improvements were worth and of the value of $2550, and that said claimant paid said sum therefor.

That said labor and improvements were for the benefit of each and all of the claims, constituting said Gold Mine, and was common to all thereof, and tends to improve and develop each and all of said claims.

NOTICE OF LODE OR QUARTZ LOCATION.

TO ALL WHOM IT MAY CONCERN NOTICE IS HEREBY GIVEN That we, W S Taft and J A Mikel, citizens of the United States, over the age of twenty-one years, have on this 17th day of June, 1909, discovered a vein or lode of mineral-bearing rock in place, bearing gold, silver, and other precious and valuable metals and minerals within the limits of the claim hereby located, which we have this day and in accordance with the Revised Statutes of the United States, Chapter 6, Title 32, named the Alameda Quartz Mining Claim.

That the general strike or course of this vein or lode is northeasterly and southwesterly, and that we claim 1200 linear feet southwesterly and 300 linear feet northeasterly from the point at discovery at which this notice is posted, together with 300 feet on each side of the center of said vein.

That said claim is located in the unknown Mining District, in Baker County, State of Oregon, the discovery monument being placed about 1200 feet northeasterly from the Oregon Star quartz mill on Stilet Creek and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinafter mentioned, and is more particularly described by boundaries as follows, to wit:

Commencing at the point of discovery at which this notice is posted, thence running 300 linear feet in a northeasterly direction and 1200 linear feet in a southwesterly direction, together with 300 feet on each side of the center thereof.

And we intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the State of Oregon.

TO ALL WHO MAY CONCERN NOTICE IS HEREBY GIVEN THAT we, R.O. Ingram, E. Neather, L. Dayton, E. Neather, citizens of the United States, over the age of twenty-one years, have on this 11th day of July, 1909, discovered a vein or lode of mineral-bearing rock in place, bearing gold, silver and other precious and valuable minerals within the limits of the claim hereby located, which we have this day and in accordance with the Revised Statutes of the United States, Chapter 6, Title 32, named The Gold Brick No. 3 Quartz Mining Claim.

That the general strike or course of this vein or lode is northerly and southerly and that we claim 1500 linear feet southerly... linear feet... of the point at discovery at which this notice is posted, together with 300 feet on each side of the center of said vein.

That said claim is located in the Cracker Creek Mining District, in Baker County, State of Oregon, the discovery monument being placed at north center end post and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinafter mentioned, and is more particularly described by boundaries as follows, to wit:

Commencing at the point of discovery at which this notice is posted, thence 300 feet east to post number 2, thence 1500 feet south to post No. 3, thence 300 feet west to post No. 4, thence 300 feet west to post No. 5, thence 1500 feet north to post No. 6, thence 300 feet east to post No. 1 or place of discovery.

And we intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the State of Oregon.

Dated on the ground the 11th day of July, 1909.
Discovered July 1, 1909.
Located Jul 11, 1909.

Location Certificate of Tunnel.

To All Whom These Presents May Concern:

Know ye, That I, James H Graham, a citizen of the United States, of Baker City, County of Baker, and State of Oregon, do hereby declare and publish as a legal notice to all the world that I have a valid right to the "Dequene Tunnel and Tunnel Site", located July 7th A D 1909, for the discovery of mines and the development of lodes, and situate in Mount Ratus Mining District, Baker County, State of Oregon, described as follows, to wit:

Mouth of tunnel situate on the south slope of Mount Ratus; from the mouth of the Tunnel "Iron Sides Mountain" bears east 30 degrees south.

Size of Tunnel 8 feet wide by 60 feet high in the clear.

Course of Tunnel from its mouth West 30 degrees North 3000 feet to the end of said tunnel, at which point is set a substantial stake, and between Tunnel mouth and end stake the center line of the tunnel is as marked at 100 ft., 200 ft., 300 ft., 400 ft., 500 ft., 600 ft., 700 ft., 800 ft., 900 ft., 1000 ft., 1100 ft., 1200 ft. from mouth of tunnel by substantial stakes or mounds of rock, at least three feet high, from the end stake "Pull Run Mountain" bears west 10 degrees north, from said end stake set a stake North 30 degrees east, 1500 feet, from said end stake set a stake south 30 degrees west 1500 feet, from mouth of tunnel set a stake north 30 degrees east, 1500 feet, from mouth of tunnel set a stake south 30 degrees west 1500 feet, which last four mentioned stakes are at the exterior corners of the claim of said tunnel site.

And I claim for line of tunnel 1500 feet on each side of the center of the bare or course of the tunnel, and the right to all lodes which may be discovered in due prosecution of said tunnel within 1500 feet on each side of the center line of said tunnel.

I also claim a square tract of land 125 feet on each side of the mouth of said tunnel and extending 250 feet immediately below the mouth of the tunnel as staked upon the ground, for dumping purposes.

Together with all and singular the hereditaments and appurtenances thereunto belonging or in anywise appertaining, and all rights granted to the locator as tunnel rights under the terms of section 2323 of the revised statutes of the United States.

Quartz Mining Location Notice

Notice is hereby given that we, the undersigned, citizens of the United States, of America, conforming to the mining laws thereof, and of the State of Oregon, and the local rules, regulations and customs of miners, have this 1st day of June, A D 1909, located and do claim 1500 hundred linear feet on this lead, lode or vein bearing mineral in place, by 500 hundred feet in width, the same being 300 feet on each side of the center thereof, together with all dikes, pods and angles and all other veins or lodes, the top of apex of which lie within said boundaries.

This location is known as the No 10 of Cook & Rushmore Group or Mine and is situated in unorganized Mining District, Baker County, State of Oregon.

This claim is situated on Nelson Creek about 5 mile down Snake river from town of Homestead and about one mile west from Snake river, and the discovery monument upon which this notice is posted is situated about... feet in a.... direction from....

This lead, lode or vein extends 25 feet in a westerly direction and 1475 feet in an easterly direction from the discovery monument and the claim is bounded and described as follows: Commencing at the westerly center and monument which is situated about 25 feet in a westerly direction from the discovery monument; running thence in a northerly direction 300 feet to the northwesterly corner monument; thence in an easterly direction 1500 feet to the northeasterly corner monument; thence in a southerly direction 300 feet to the Easterly center and monument; thence continuing in a southerly direction 300 feet to the southeasterly corner monument; thence in a westerly direction 1500 feet to the southwestern corner monument; thence in a northerly direction 300 feet to the said westerly center and stake, the place of beginning.

The adjoining claims are.... All the monuments aforesaid are marked upon the side facing the discovery with the name of the claim and the corner or end center which each of said monuments represents, and all of said monuments are at least four inches in diameter and at least four feet high above the ground.

Quartz Mining Location Notice.

Notice is hereby given that we, the undersigned citizens of the United States of America, conforming to the mining laws thereof and of the State of Oregon and the local rules, regulations and customs of miners, have, on this 1st day of June, A.D. 1909, located and do claim fifteen hundred feet on this lead, lode, or vein bearing mineral in place, by five hundred feet in width, the same being three hundred feet on each side of the center thereof, and all other veins or lodes, the top or apex of which lie within said boundaries.

This location is named the No. 12 of Cook & Rushmore Group or Mine, and is situated in the unorganized Mining District, Baker County, State of Oregon. This claim is situated on Nelson Creek, about one mile south of Snake river from town of Hardscrabble and about one mile west from Snake river, and the discovery monument upon which this notice is posted is situated about four feet in a direction from...

This lead, lode, or vein extends 200 feet in a southerly direction at 1000 feet in a northerly direction from the discovery monument, and the claim is bounded and described as follows: Commencing at the southerly center and monument which is situated about 200 feet in a southerly direction for the discovery monument, running thence in a westerly direction 300 feet to the southwestern corner monument; thence in a northerly direction 1500 feet to the northwest corner monument; thence in an easterly direction 300 feet to the northerly corner monument; thence continuing in an easterly direction 300 feet to the northerly corner monument; thence in a southerly direction 1500 feet to the southeastern corner monument; thence in a westerly direction 300 feet to the said southerly center and stake, the place of beginning. The adjoining claims are... All the monuments aforesaid are marked upon the said facing toward the discovery with the name of the claim and the corner or end on which each of said monuments represents, and all of said monuments are at least four inches in diameter and at least five feet high above the ground.
