Notice of Abandonment

Is hereby given that the undersigned, having satisfied all the requirements of Section 6 of Title 40, of the Revised Statutes of the United States and of the Laws of Oregon relating to the location of Mining Claims and all Localistani Laws and Regulations thereto, have

E. H. #1. Being located on the abandoned Mining Claim, called the

Clark "Bay Horse", as the same was moved out of the south westerly corner of the

Bay Horse Mining Claim, 200 feet to the

Blue Dick Mining Claim and moved there said line 750 feet in the Blue Dick Mining Claim and moved the southerly corner 750 feet in the Blue Dick Mining Claim and failed to Post a location Notice on the so-called "Bay Horse" and failed to have it recorded.

We have located 1350 linear feet along this line

400 feet south westerly corner of the

100 feet making 1000 feet in width. This

Claim is located on the northly named "Bay Horse" and is situated in a pre-organized Mining District, Baker County, State of Oregon and is described as follows:

Commencing at this stake and marker, which is situated about 600 feet from stake, and thence 1000 feet south westerly and 1000 feet easterly and thence about 1000 feet along the northerly side line of Mr. Green's Mining Claim called the "Ragged" and thence about 2000 feet along the northerly...
side line of the Blue Bird Mining Claim.

**The Summit Mining Claim**

**Location Notice**

Notice is hereby given that I, a Citizen of the United States over the age of Twenty one years having discovered a vein or Lode of Quary or Rock in place bearing Gold and Silver within the limits of the Claim hereby located, have this day under and in accordance with the Revised Statutes of the United States Chapter six Title Thirty two located Fifteen hundred lineal feet of this vein or lode with surface Channel. This hundred feet is width situated in what is known as the Virginias Mining District County of |
miles west of Burnt Ruin and about 300 yds. from the head of McNamee placer claims. The
outside boundaries of these claims being distinctly
marked by reference to some natural object or
permanent monuments and were particularly
described as follows: south four corner stakes
and two end corner stakes. And I intend to
hold and work said claims as provided by
the Local custom and rules of miners and the
Mining Statutes of the United States.
Dated on the ground, this 15th day June, 1888.

such similar bearing gold, and after careful
examination, claimed the mining claim hereby
named, called the Union Mining Camp, or District in Union County, Oregon,
and the mining claims being known as the
Robert M. Colby mining claims, is definitely marked upon report.
The ground was staked with reference to permanent objects as follows:

Commencing at a stake about four miles in diameter and about five feet high with a mound of rock surrounding it. Proceeding to the nearest point of said claim which was about eight hundred feet from the magnetic declination on the Hurricane Mining Claim. Staking from said forty-four feet in a southerly direction a distance of 1,500 feet to a stake corresponding with the final designation of the N.E. corner of said claim. From there at a right angle north by east a distance of 600 feet to a stake designated the S.E. corner of said claim. From there at a right angle in a southerly direction the distance of 1,500 feet to a stake. From there at a west corner thence at a right angle in a southerly direction a distance of 900 feet at a right angle in a northerly direction a distance of 600 feet to the place of beginning, said claim being situated within said boundaries with the rear or low boundary situated laterally through the center of said claim 1,500 feet in length. Location satisfied pursuant to the ground. July 28th, 1884.

The boundaries defined the lines shown in this larger length of scale.

Notice of Location of Quantity Ledge

Notice is hereby given that we the undersigned having complied with the laws
of the United States and local laws

This day Oct. 3rd 1855 located 1100 feet
on a south westly and 600 feet in a
north eastly direction from this Notice.

By J.H. North eastly direction from this Notice.

This ledge is estimated on Silver Creek
running District on the divide between
Silver and Panic Creek, bounded on the
West by Tally Allen and on the East side
by the White Tiger Ledge. Baker County, Oregon
The Raging Roland

Pursuant to the location of a Mining Claim

Notice is hereby given to all whom it may concern

That I, Enid Leigh, a citizen of the United States
over the age of twenty-one years, having discovered
a vein or bed ofQuartz, or Rock in place mining
for
Mineral within the limits of the claim hereby located
have this day under and in accordance with the
Second Section of the United States Chap. 6, Tit. 32.
and located 1500 feet of this vein or lode, with surface
at
Huntington ground 600 feet in width estimated in the
organized Mining District County of Bannock
State of Idaho and known as the Raging
Roland Mining Claim and extending from N.W.
side line of W.S. Claim to N.E.
side line of the The Knowles S.W. 1500 feet
from this notice at the discovery or perfect
chaps, the exterior boundaries of this claim
being distinctly marked by reference to some
natural object or permanent monument
and more particularly described as follows:
Commencing at the corner No. 1 of
the Knowles Place Claim, thence following
the N.S. line 600 feet to S.W. corner, thence
N. 35° E. 1500 feet to W.S. line of the Dale
Claim; thence S. 35° E. to corner of Excelsior
Claim; thence following the W.S. line of the
Excelsior mine back to place of beginning.
And I intend to hold and work said
Claims as provided by the local customs and rules of miners and the mining statutes of the United States.
