Transfer Notice

Telephone Notice is hereby given that on the 16th day of January, 1882, I, W. T. Foster, being a miner, having complied with the requirements of Chapter 6 of the Revised Statutes of the United States and the local laws of the State of Oregon, do hereby give public notice that I am setting up and distilling a gillotine mill on the mouth waters of Budd River in Baker County, Oregon. The gillotine is described as follows: 

The gillotine is a structure, in the form of a rectangular box, erected on the mouth waters of said river, and setting up a current of water which is directed at the mouth of said river. The gillotine is constructed of wood and is anchored to the bottom of said river by means of iron bars or chains. The gillotine is 12 feet long, 10 feet wide, and 8 feet high.

The purpose of this gillotine is to furnish power to perform the purposes of the miners in the vicinity, and to provide a means of transportation for the miners and their supplies.

W. T. Foster

Miner.
Western Willow Mine

Notice of Location

This undersigned citizen of the United States do, this day, locate and claim the mineral bearing, quartz ledge, or beds, herein specified, within Sec. 6, T. 37 N., R. 37 W., of the Second Range, of the Second Principal Meridian, of the State of Oregon, I claim 1500 feet circular, put on said ledge, described as follows: commencing at the northwest corner of said claim, the north line running 1000 feet in a southerly direction, the first hundred feet on a northwesterly direction 100 feet due north, and then continuing a west southerly direction a like extent. Also 700 feet measured put on each side of the other of this ledge, together with all stopes, pipes, and other accessions thereto, and a half mile west southwesterly from the western boundary hill.

Willie Bankin, Location Officer, Oregon, claims ledge shall be known as the Western Willow Mine.

Located this 20th day of January, 1889.

Deane Williams
Locator.
Clamshell

Notice is hereby given that the undersigned having complied with the requirements of Chapter 32 of Title Thirty-two of the Revised Statutes of the United States and the local customs laws of regulations has located a Claim called Clamshell in the Mining District Baker County Oregon and recorded as follows:

E. Cable
Notice of Location

Notice is hereby given that the undersigned, having complied with the requirements of chapter six, title thirty-two of the Revised Statutes of the United States and the local customs, laws, and regulations, have located 4000 linear feet on this lode, situated in no organized Mining District in Baker County, Oregon, and described as follows: The center stake with stone mounds and marked with pencil. This is the North and South End center stake of the North Star lode, each corner is marked with trees blazed on three sides, and no fence. This is the North, East, South, East, North West and South West corner stake of the North Star lode. This lode is situated on the South side of Summit Creek running through the Blue Bucket Placer Mine on said Creek.

Commencing from this Notice which is posted on the ledge at mouth of a tunnel, running 1440 feet in a southerly direction from Notice and 500 feet in a northerly direction from said notice, with 300 feet on each side of center of lode. This lode will be known by the Name of North Star.

J. H. Mack
Wm. Jordan.
Notice of Location

Notice is hereby given that the undersigned having complied with the requirements of chapter 6 title 32 of the Rev. Stat. of the United States and the local customs, laws and requirement has located 1500 feet in length by 600 feet in width upon his lode bearing Gold, tin, or other precious metals situated near the head of what is known as the Town, Toddville, lode, and also one half mile above the Bonanza Quarry Mill, Deseret County, Oregon, adjoining the Bonanza Mine at its Western end. Commencing at this notice which is posted in the shaft house, thence running along the course of said ledge 315 feet in an Easterly direction to a post marking the East Center Chief marked "Haggard center post East." From this notice along the course of said ledge 1285 feet to a post marking the West end Chief marked "Haggard center post West." The surface of this ground is plainly marked by posts planted at each of the four corners, marked respecting N.E., S.E., N.W., S.W. corners of Haggard mine. The object of this relocate is to more certainly define said location and keep the defect of the original record having been destroyed.

Clamant
Record of the Passmark Mining Claim

The undersigned qualified persons, to wit:

May 17, 1887

[County] County, State of Oregon

I have fully complied with the Revised Statutes of
the United States respecting Mining Claims, and
also with the laws of the State of Oregon as well
as with the local laws, rules and regulations.

Thus records the Passmark Mining
Claim as follows:

From the northeast corner of the north
east quarter of the north
quarter of Section 26, T. 27 N., R. 6 E.,

Commencing at the north
east corner of the north
quarter of the north
quarter of Section 26, T. 27 N., R. 6 E.,

and running north
northwest
1500 feet to the monument, thence
westerly
1600 feet to another monument, thence
southeast
1600 feet to the south
east corner of the north
quarter of the north
quarter of Section 26, T. 27 N., R. 6 E.,

and thence westerly
1600 feet to the beginning.

And the aforesaid Mining Claim being
situated near the mouth of Griggs' Gulch about
2½ miles from Passen Lake.

And Mining Claim being situated in the area
governed by regulation, and distinctly
marked upon the surface by prominent
monuments, being within the limits of Baker District of
Oregon.

Preliminary notice posted on the
ground on the 29th day of May, 1887, and bound
lines defined on the 29th day of May, 1889.

Acting as Attorney in fact for J.P. Mullarkay, Al.
Ex'm

Robert Fischbach, deposes and says, that J.P. Mul-
larkey expended at least $96.00 in labor and im-
provements for the year ending December 1888
on the Farest City Mining Claims, as shown by
accompanying affidavit. Said Farest City Lodge
Claim is in Baker County, Oregon, situated on
North Bank of Rock Creek in said County, about
miles from the mouth of the Canyon on which
same is. Said work was done to hold the same
under the laws of the United States and of his
State of Oregon. That the notice thereof was
duly published in the Baker Democrat, a
weekly newspaper published in Baker City in
Baker County, Oregon, as appears from the affi-
avit of the publishers thereof, and that J.P.
Mullarkay one of the co-owners has failed to con-
tribute his share of said expenditure within the time
required by law.

Record County of Baker 20

I. H. O. Smell being duly sworn, deposes and says on oath that James E. Smell, County Clerk of the county and county of the county of Baker and county of the county of the State of Oregon, is the publisher of a newspaper of general circulation, published at Baker City, Baker County, Oregon. That the notice of forfeiture was published in said paper for a term of 30 days, and that said notice did not appear in any supplement thereof. The first publication appeared in the issue of January 1st, 1889, and the last publication on April 16th, 1889.

I. H. O. Smell

Subscribed and sworn to before me this 20th day of April 1889.

C. W. Maxwell
Notary Public
for Oregon.

Notice of Forfeiture.

Present on January 1st, 1889.

To the County:

You are hereby notified that I have expended $584.40 in labor and improvements upon the Farmers City Mining Claim, situated in Baker County, Baker County, Oregon, and will appear by certificate filed December 31st, 1888, in the office of the Recorder of said County in order to hold said premises under the provisions of Section 2021 Revised Statutes of the United States, being the amount required to hold the same for the year ending December 31st, 1889. And if within ninety days after this
Notice by Publication you fail or refuse to contribute your proportion of such expenditure as a co-owner, your interest in said claims will become the property of the subscriber unless said Section 2024.

H. M. Mulenkey
By Albert Schumback.
230 1st North, Portland, Oregon
His attorney in fact.

Affidavit of H. M. Mulenkey

Affidavit.

State of Oregon

City of Multnomah County

I, H. M. Mulenkey being duly sworn, say, I have this day received from A. Schumback One Dollar, and other valuable considerations for the sugar claims listed below, and have an interest therein.

That I obtained the same from him on the premises hereinafter named, and such premises are real estate, and I know what I am herein swearing to.

That A. Schumback has an undivided one quarter interest in the Forrest City District Mining Claims, and an undivided one quarter interest in the Forrest City Mill Site, the same being located in no organized Mining District, Multnomah County, State of Oregon, and on the North Bank of Rock Creek, and about seven miles from the mouth of the Canyon. That I did the first work on...
the said Claims, and caused it to be done, and
individually paid therefor.
That said Weber, though often more or
less willing to do so, has failed to pay his part of
the expenses so incurred, and money so paid on
work which amount to. That his said Weber
there amounts to $46.00 which he is bound to
pay. That unless said Weber pays said incurred
work which he owes me before January 1st.
1889, I have and possess the right interest to
advertise him and, whereupon his said interest
will then be owned by me and I will then
and there convey to said Schenback for said
consideration and $46.00 the interest property
I shall be apportioned acquire.
That said work was done and
said indebtedness to me incurred before I
conveyed any interest in said mine, and
Mill Site to Henry A. Berger, George Rock, and
Frank Keller, who together have an individual
3/4ths interest in such mine, and Mill Site.
That said Schenback pays with said consi-
derations exclusively on this.

Proof of Labor

Portland Oregon
August 19th 1889

The undersigned being duly sworn deposes and says.

County Clerk that J. P. Mullerkey expended at least $337.50 in labor and
by improvements for the year ending December 1888 on
Hock Creek the Forest City Mining Claim as shown by affidavit
hereinnow on record. Said Forest City Lots Claim is an
Wasco County Oregon, situate on the North Bank of
Hock Creek in said County about 6 miles from the
mouth of the Canyon on which same is. This
work was done to hold the same under the Laws of
the United States and of the State of Oregon, that
due notice thereof was duly published in the Prineville
Democrat a weekly news paper published in Prineville,
Wasco County Oregon as appears from the Affidavit of
the Publisher thereof on record, and that A.
W. Miller one of the Co owners has failed to contribute
his share of said expenditures, within the time required
by law

Ex'd. A. C. C. Clerk,
By S. W. Gray,
Deputy,
Notice is hereby given to all whom it may concern that, Thomas J. Kelly, of Baker County, State of Oregon, a citizen of the United States, over the age of 21 years, having discovered a vein or body of quartz or ore in place, bearing Gold and Silver within the limits of the claim hereby located, has this day marked and in accordance with the Revised Statutes of the United States, chap. 6, title 32, located 1207 linear feet of the vein or body with surface ground 270 feet in width, being 180 feet in the Southeast side of the vein and 120 feet in the North West side of the vein, situated in the unorganized mining district of Baker County of Baker, State of Oregon, and known as the "Golden Eagle Quartz Mining Claim," and extending N. 40° E. 1207 feet from this notice which is at the South West end line of the claim.

The exterior boundaries of this claim being distinctly marked with reference to some natural object or permanent monument and more particularly described as follows:

Commencing at a post and mound of rocks, from which post the South West corner of the Elkhow Quartz Claim, owned by D. A. B. Bailey and officially surveyed and numbered by the Surveyor General for Oregon as claim No. 167, bears N. 30° E. 2670 feet; thence W. 40° E. 1207 feet to post and mound of rocks on the North side line of the Missouri Quartz Claim; thence North 50° W. 270 feet to post and mound of rocks; thence South 40° West 1207 feet to post and mound of rocks; thence S. 50° E. 270 feet to the place of beginning.

And I intend to hold and work the same as provided by the local customs and rules of miners and the Mining Statutes of the United States.
of the State of Oregon.

This is a relocation of the Golden Eagle Claims
and is made for the purpose of more definitely locating
the boundaries of the claims.

This claim was originally located by Thomas
J. Denny on the 1st day of January 1889 and called
the Denny Quartz claims.

Dated on the ground
this 29th day of Aug. 1884.

Thomas J. Denny
Locator.

Mine's Hope.

Notice is hereby given that Thomas J. Denny, of Baker
County, State of Oregon, a citizen of the United States,
over the age of Twenty-One years, having discovered
a vein or lode of Quartz or Rock in place bearing
Gold and Silver within the limits of the claim hereby
located, has this day made and in accordance with the
various Statutes of the U.O. Chap. 6, Title 30, located 1800
linear feet of this vein or lode with surface ground 426
feet in width 1 being 175 feet on the South East side of the
vein and 250 feet on the North West side of the vein
situated in an organized Mining District, County of
Baker, State of Oregon, and known as the Mine's Hope
Quartz Claim, and extending N, 40° E 1800 feet
from the notice at the South West end line of Claim.

The exterior boundaries of this claim being
marked with reference to some natural object or
permanent monument and more particularly
described as follows to wit,

Commencing at a Post and Marker of rock
which is the S.W. Corner of the Captain Jack
Quartz claim, from which post the South West
Corner of the Old Hope Quartz Claim owned by
Paul B. Bailey and officially surveyed and
numbered by the Surveyor General for Oregon as Claim
No. 107, bearing S. 89° 16' E., distant 1380 feet.

Hence N 40° E along the N. W. side line of
the Captain Jack Survey, Claim 1000 feet to Post
and mound of rocks.

Hence N 50° W, 425 feet (being 175 feet on the
South East side of Reiv and 250 feet on the North
west side of Reiv.

Hence S 40° W, 1500 feet to Post and mound
of rocks.

Hence S 50° E, 425 feet to place of beginning.
And I intend to hold and work said claim as
provided by the local customs and rules of mine,
and the mining statutes of the United States and
of the State of Oregon.

This is a relocation made to more clearly
define the boundaries of the claim.

The original location was made by
Thomas J. Denney on Nov. 15th, 1883.

I. Know all men by these presents, that the undersigned

L. C. C. D.

By this 28th day of September 1887 claimed by right of

Discovery and location 1500 feet Lucas felt and

Tremont. Horizontal measurement in length, and 600 feet in

width on the High point Quary Lode along the line

thereof, 500 feet of said Claim lying and being true

east of the Discovery shaft and 750 feet Northeast

of Discovery shaft, and with all its proper variations

and angles, said Claim being more particularly

described as follows:

Located on the North face of Rock Creek Peak,

County State of Oregon in no regular organized

Mining District, and described as follows to wit:

Commence at the Discovery Shaft where the Tree

is posted on the high point Claim; thence Southwesterly 300 feet

to a point 500 feet from N. west corner of High

point Quary Lode marked by a mound of slate

rock, thence commenced and run Northwesterly 300 feet to

Southwest center of the high point Claim 300 feet Northwesterly to a

mound marked Northwest Corner of the high point

Ledge, thence 1500 feet Eastward to Northeast Corner marked

by a mound of Southwesterly thence Southwesterly 300 to Southeast

Center a mound and marked Southeast center of the

High point Quary Lode thence Southeast to Southeast Cor-

ner marked by a mound thence marked Southeast

corner of the High Point thence 1500 feet Southernly to

place of beginning. Boundaries marked by posts planted

at the corners, and at center side points lying about

of a mile N.W. of the Fruit City Mining Claim.

John Crumpler

"Mining Location Notice."

I, hereby give notice that we, the undersigned citizens

of the United States of America, conforming to the

Mineral Mining Laws thereof, and of the State of Oregon, and

County of the local rules, regulations and customs of miners

by virtue of the 21st day of August 1859, located and do

claim 600 square feet on this site or vein bearing

mineral found in place by 600 feet in width, the

same being three hundred feet on each side of

the center thereof, together with all dips upon the

angles, and other veins or ledges the top or

edge of which lie within said boundaries.

This location is named the Dominion Mine, and is situated on the South side of

Greenhorn Gulch, and adjoining the South limit and boundaries of the Worley Mine, as surveyed and

situated in Baker County, State of Oregon, and is bounded and described as follows:

Commencing at this point and notice and running

thence 400 feet in a Southwesterly direction to a post

marked center-post of the Worley Mine, thence in

a Westerly direction 300 feet to a stone monument

marked No. 1, thence in a Northwesterly direction

150 feet to the corner-post marked No. 2 on the

South limit of the Worley Mine, thence along said

line in an Easterly direction 600 feet to a post marked

No. 3, thence 1000 feet in a Southwesternly direction
to corner-post marked No. 4, thence in a Westerly

direction 300 feet to the center post.

Located this the 21st day of August 1859.

Hunt all men by these presents,
that we, the undersigned, have this first day of
January 1890, claimed by right of discovery
and location, 1,000 feet linear and horizontal
measurement in length, and 600 feet in width
on the "Nevada" Mine along the ledge or vein
thereof, 1,500 feet of said claim lying and
being in Silver Creek Mining district, with
all dips, spurs, variations and angles,
said claims being more particularly described
as follows.

Situated on the head waters of Cracker
Lick about 1/2 mile from dividing ridge
between North Powell river and Cracker
Lick. Southwest end of claims being about
100 yds. south of county line between Baker
and Grant counties.

Said claims being in the County of
Baker, State of Oregon, and running in a
direction 1,500 feet from the
Boundaries marked by posts planted at the
corners and at center side points.

Heard for Notice is hereby given to all whom it may concern

that I, the undersigned, a citizen of the United States

over the age of 21 years, having discovered a vein or body

of quantity or rock in place bearing mineral, gold and

silver and all metals, within the limits of the claim hereby

located, have this day made and do hereby make

in accordance with

the Revised Statutes of the United States, 1872, 6, Title 32,

located 1,000 linear feet of this vein or body with surface

ground 600 feet or less, or all ground between the Columbia

and Van Ness mines, situated in the organized mining

district, County of Baker, State of Oregon, and known as

the "Miner", commencing at this notice at the South

East end of the claim thence 1,000 feet linear feet to a

post in North East end of claim thence 500 feet to North East

corner of the Columbia Mine, thence 600 feet more or

direction to North East corner, thence 1,000 feet South East

to the South East corner, thence 300 feet North West to the

place of beginning.

This ground was once located by J. E. Cable

and J. E. Mooney in June the 27th 1878 and called

"Blondie's" and as said Cable & Mooney failed

to comply with the requirements of the Mining laws

of the United States, I, the undersigned, have made

location and I, intend to hold and work said claim

as provided by the local customs and rules of miners

and the mining statutes of the United State and of

the State of Oregon.

In fruit here, Baker county, State of Oregon.

Dated on the ground this 1st day of January 1890.

Location by:

Marion Cable.

J. E. Cable.
Notice is hereby given that on the undersigned record five hundred this day located and do hereby claim 800
lineal feet on this quarter lot, commencing E.N.E. line of this notice and running 800 feet in a south
bear. E.D. Jacobs, on the east side of the center thereof.

To be known as the "Mint" Mining Claim.

This claim is a relocation of the Little Mogul mining claims and is situated on the south-west side of Fruit Creek and adjoins the
"Ohio" mining claims on the south-west and the "Chief of the West" Mining Claims on the North
East and is about one mile westerly from the town of Cracker in Baker county, Oregon.

Dated on the ground this first day of

January 1890.
