Notice of Location of Tunnel Site

Greetings,

I, Allen V. Olin, acting for and on behalf of the Quailey Elk Horn Mining Co., an incorporation under the laws of the State of Oregon, do hereby give notice that on the 15th day of November, A.D. 1890, I, said company, shall locate a tunnel site for said company under the various acts of the Congress of the United States. The said tunnel site commences at the main located Elk Horn Mining District in Township No. 1 West of the 1st Principal Meridian in Baker County, Oregon and continues in a southerly direction 2500 feet until said tunnel reaches the extreme boundary limits of the Quailey Elk Horn Mining Co. Said line of said tunnel is marked by a line of wooden stakes 250 feet apart, marked B.E.M.C. due notice is hereby given that the Quailey Elk Horn Mining Co., an incorporation, will exercise its vested rights under the notice of location and under the various acts of Congress regulating the same. To obtain and hold 600x100 feet of each and every mineral bearing vein or veins discovered exposed or intersected by this tunnel not previously located in. This notice was posted.

In witness whereof I have hereto set my hand and seal as agent of the hereinafter mentioned company.

"King Philip"

Filed for Record

Reno, County Court, June 4, 1871.

Hearing all persons by the undersigned, That I claim fifteen hundred feet along this line, or 5 per cent of the line, to a point in a northwesterly direction from this location point, and thence by sight of discovery.

Recorded

Also claim three hundred feet each side of center.

Witness

Wm. B. Mitchell

This Claim is situated south west from the well No. 5 on the Union Pacific Railroad, about one mile. It is bounded on the north by Powder River, 4.5 miles away and the river runs on the east 4.5 miles from the shaft. Precisely at point is the dividing line between the "King Philip" and the "River Queen." The King Philip joins on the River Queen's north end line. I claim the line of rise and fall of the water on the west side of the claim, and it is the only spring so far found close to the mine.

Witness

Wm. L. Hall

"River Queen"

Reno, County Court, June 4, 1871.

Filed for Record

Hearing all persons by the undersigned, That I claim fifteen hundred feet along this line, or 5 per cent of the line, to a point in a southerly direction from this shaft at 5 per cent, and location point. I also claim three hundred feet each side of center of line, with all new and existing claims, of 4.5 miles away and the river runs on the east 4.5 miles from the shaft. Precisely at point is the dividing line between the "King Philip" and the "River Queen." I also claim thirty days as at survey.

Recorded

Wm. L. Hall

Wm. B. Mitchell, Recorder.
This claim is about one mile and one quarter
south of Tunstall Fort, on the Union Pacific Railroad.
It is bounded on the north by the King Fish
River, which joins it, and on the east by Dona
River, one quarter of a mile from it. It lies on
the Kingfisher, a branch line. This claim is
now known as the "Rio Grande Mine District."
