The "Cold Bug" Quarry Mine

Filed for Record June 11th 1872 at 10 A.M.

Joseph Maloney
Registrar of Conveyances
Deputy

Notice is hereby given, that the undersigned having complied with the requirements of Chapter 82 of the Revised Statutes of the United States, and the local customs, laws, and regulations, has located fifteen hundred linear feet on his claim in the Echo Creek or Lodge, situated in the organized Mining District, Baker County, State of Oregon, and described as follows:

Lying in Tamarack Creek and the eye of the mine known as the "Cold Bug" Mine. Commencing at the site of this Notice, thence running seven hundred and fifty feet in a northwesterly direction to a tree beam on 4 sides marked NE center end State and seven hundred and fifty feet in a southerly direction from Notice to a tree beam on 4 sides marked SW center end State.

Located June 7th 1872

Frank Hillam, Locator

The "Silver Bug" Quarry Mine

Filed for Record June 11th 1872 at 10 A.M.

Joseph Maloney
Registrar of Conveyances
Deputy

Notice is hereby given, that the undersigned having complied with the requirements of Chapter 82 of the Revised Statutes of the United States, and the local customs, laws, and regulations, has located fifteen hundred linear feet on his claim in the Echo Creek or Lodge, situated in the organized Mining District, Baker County, State of Oregon, and described as follows:

Commencing at this Notice at the southwest end of the "Cold Bug" Mine and known as the "Silver Bug" Mine, thence running fifteen hundred 1800 feet in a southeasterly direction to a tree beam on 4 sides marked SW center end State.

Located June 11th 1872

N. Brule

Frank Hillam, Locator

The "Comet" Quarry Mine

Filed for Record June 11th 1872 at 10 A.M.

Joseph Maloney
Registrar of Conveyances
Deputy

Notice is hereby given, that the undersigned having complied with the requirements of Chapter 82 of the Revised Statutes of the United States, has located fifteen hundred linear feet on his claim in the Echo Creek or Lodge, situated in the organized Mining District, Baker County, State of Oregon, and described as follows:

Commencing at this Notice, thence running nine hundred feet in a southwesterly direction to a tree beam on 4 sides marked SW center State.

Located June 11th 1872

Frank Hillam, Locator
Notice is hereby given to all whom it may concern, C.P. Bowen, a citizen of the United States, over the age of twenty-one years, having discovered a vein or body of ore in place bearing Gold and Silver, within the limits of the claim hereby located, have this day under and in accordance with the Revised Statutes of the United States, Chapter 16, Title thirty-two, located 1500 linear feet of the vein or body, with surface ground 500 feet in width, situated in the organized Mining District of County of Baca, and known as the "Aspen" Quartz Mining Claim, and extending 1500 feet to the South East and 1500 feet to the North West from the Northern corner of the discovery or prospect shaft, which is 1400 feet from North West and four thousand linear boundaries of the claim being distinctly marked by reference to some natural object or permanent monument, and more particularly described as follows, commencing at corner Post No. 1, Marked Corner No. 1, "Aspen" Claim, which Post is located about 450 ft. North-Eastly from Slaughter House, on east bank of Main Colter Creek, about 25 ft. from Creek there; Easterly 500 ft. to Post marked to Post marked No. 2, "Aspen" Claim, thence South-Eastly 1500 ft. to Post marked Cor. 3, "Aspen" Claim, thence Easterly 500 ft. to Post marked Cor. 4, "Aspen" Claim, thence North-Eastly 1500 ft. to Cor. No. 1 and place of beginning, and I intend to hold and work said claim as provided by the local Customs and rules of Miners and Mining Statutes of the United States.

Dated on the ground the 4th June 1872.

Discovered June 4th 1872.

C.P. Bowen

Located June 4th 1872.
Filed for
Record June 13th 1872 at 4 OC AM

Registrar
Registrar of District

Notice is hereby given that the undersigned citizen of the United States over the age of twenty-one years, on the 1st day of June 1872, discovered a vein or lode of quartz or hard rock in place bearing gold, silver and lead, within the limits of the claim hereby located, and has this 4th day of June 1872 consecrated in accordance with the revised statutes of the United States located fifteen hundred (1500) linear feet of the vein or lode in length with surface ground, three hundred (300) feet in width on each side of the center of said lode situated in the organized Mining District, County of Baker and State of Oregon, and known as the Aspen Extension Mining Claim and containing fifteen thousand (15000) feet and from this point the exterior boundaries of this claim being distinctly marked by preference to natural objects or permanent monuments and more particularly described as follows to-wit: Commencing at Co. 3 Aspen Claim (SW Cor)

Thence Southeasterly 1500 feet to Post Marked Co. 4 Aspen Extension, thence Easterly 500 feet to Post Marked Co. 3 Aspen Extension, thence Southerly 1500 feet to Post Marked Co. 4 Aspen Extension (identical with Co. 4 Aspen Claim) thence following South end line Aspen Claim 600 ft to Cor.

and place of beginning

Notice is posted on tree about 150 feet

I, Easterly from West Center line Post, and I intend to hold and work said above described Claim as provided by local laws and the customs and rules of Miners and Mining Statutes and laws of the United States.

Located June 4th 1872

Signed 4th. Nill

Dated June 4th 1872

Witnesses

E. P. Brown

Emil Fritsch
Notice is hereby given that the undersigned, having complied with the requirements of Sec. 3324 of the Revised Statutes of the United States and all local laws, customs, and regulations of this District, has located an area 1500 feet in length by 500 feet in width on the "Rising Sun" Mine, being a deposit-bearing gold, silver, and other precious metals, situated in the Oregon Mining District, Baker County, State of Oregon, the location being marked and described on the ground as follows:

From discovery stake 1300 feet in an easterly direction
150      a westerly
250      a southerly
350      a westerly

And running parallel with the California Mine.

The mining claim described above being known as the "Rising Sun" Mine, located on the 15th day of May 1892.

Wm. Sears
J. H. Black
J. H. Cookes, Locators

Notice is hereby given that the undersigned, a Citizen of the United States over the age of 21 years, having complied with the laws of the State of Oregon and of the United States, hereby locates a claim 1500 feet of this lode or vein bearing mineral together with surface ground, and bounded as follows:

Commencing at the edge of Baker River, at a stake and monument and running 500 feet in a southerly direction to a monument built of rock
300 ft. each side from said beam in the mining district, and about one mile above Baker River on Baker River, in T. 9 Range 46 E
3/4 M., in Baker County, and shall be known as the "Rising Sun" Mine, located the 15th day of May 1892.

State of Oregon

County of Baker

I, Wm. Garnet, of Baker County, Oregon, being first duly sworn, say that at the request of L. L. Tompkins, I did perform work and labor upon a certain quantity of land known as the "Montana" sitting on Rock Creek and as the same appears recorded in the Office of the County Clerk of Baker County, Oregon, as follows: Between the 9th day of July, 1892, and the 4th day of August, 1892, I made a 50-foot tunnel upon the above-named site and said labor was done and performed by myself and my son W. E. Garnet.

Wm. Garnet.

Subscribed and sworn to before me this 14th day of August, 1892.

F. W. Reynolds

County Clerk

The "Mary" Claim.

The above is hereby given that the individual hereinafter named, having complied with the requirements of Sec. 232 of the Revised Statutes of the United States and the local laws, customs, and regulations of said district, has by his labor and expense, and by the use of tools, instruments, and other necessary utensils, located in the Old Mining District of Baker County, Oregon, the claim being described and located as follows:

The claim is situated on the south side of Round Rock Creek, about one mile west of what is called Dakota Mountain, on the first ridge east of the ridge where the old mining or creek road goes down to Round Rock Creek. All mail and other deliveries reach this point by states. Started the course of the ridge in a southwesterly direction, and North, running due north from said point, 700 feet east of the said line. The claims described as the same known as the "Mary" have been located on the 16th day of Sept, 1892.

N. R. Elwood
R. Seabrook

Noted on the ground this 24th day of Oct. 1870

N. R. Elwood
W. H. Dodge, Notary
Notice is hereby given to all whom it may concern that we, Citizens of the United States over the age of twenty-one years, having discovered a vein or body of quartz rock in place, bearing gold and silver, within the limits of the Claim hereby located, and have this day made and set in accordance with the Revised Statutes of the United States, Chapter XII, Title Thirty-two, located 1500 feet east of the point of the vein or body, with surface ground, 400 feet in width, situated in the organized Mining District, County of Baker, State of Oregon, and known as the Bobbie Bums No. 7, County of Baker, Oregon, Claiming 10 feet northwesterly to a stake and 1490 feet southeasterly to a stake from the corner at the base of a prospect shaft, which is 10 feet from northwesterly and southeasterly.

The exterior boundaries of this claim being distinctly marked by reference to some natural object or permanent monument, and more particularly described as follows:

Commencing at the above-mentioned corner, running in a northwesterly direction 10 feet to a stake marked N. H. C. East, thence southeasterly 1800 feet to a stake marked S. E. C. East stake, with 30 feet on each side, marked plainly by stakes for the corners, this Claim joins the Bobbie on the west, adjacent to Lawrence Creek, Baker Co., State of Oregon, and we intend to hold and work said Claim as provided by local customs and rules of miners and mining statutes of the United States.

Notice is hereby given on the 26th day of Oct 1897, discovered Oct 26 1897, J. R. Evans, discoverer, located Oct 26 1897, H. N. Dodge, locator.

Albert: J. R. Evans.

James Maloney.
Notice is hereby given to all whom it may concern that J. K. Ebett, citizen of the United States, on the 24th day of October, 1897, having discovered a vein or lode of gold or precious metals, thirty feet in length, within the limits of the claim as described, and have the same marked and in accordance with the Revised Statutes of the United States, Chapter 22, title thirty-two, section fifteen hundred, hundred feet in width, situated in the organized mining district of the County of Butte, State of Montana, and known as the Broughton County Mining Claim, consisting of one hundred and sixty acres, to wit: commencing on the northeast corner of the said claim, being designated by reference to some natural object or permanent monument, and more particularly described as follows to wit: Beginning at the northeast corner, and thence due east three hundred feet to a point; thence southwest four hundred feet to a point; thence south three hundred feet to a point; thence west three hundred feet to a point; thence north three hundred feet to a point; thence east three hundred feet to a point; thence south three hundred feet to a point; thence west three hundred feet to a point; thence north three hundred feet to a point; thence east three hundred feet to a point; thence south three hundred feet to a point; thence west three hundred feet to a point; thence north three hundred feet to a point; thence east three hundred feet to a point; thence south three hundred feet to a point; thence west three hundred feet to a point; thence north three hundred feet to a point; thence east three hundred feet to a point; thence south three hundred feet to a point; thence west three hundred feet to a point; thence north three hundred feet to a point; thence east three hundred feet to a point; thence south three hundred feet to a point; thence west three hundred feet to a point; thence north three hundred feet to a point; thence east three hundred feet to a point; thence south three hundred feet to a point; thence west three hundred feet to a point; thence north three hundred feet to a point; thence east three hundred feet to a point; thence south three hundred feet to a point; thence west three hundred feet to a point; and thence north three hundred feet to a point; all being located in the north half of the north half of section twenty-three, east of the first principal meridian, in the second township, north of the forty-first parallel of north latitude, and one mile west of the north line of snow creek, the claim is described as the Broughton County Mining Claim, and intended to hold and work said claim as provided by the laws of Montana and the mining laws of the United States. Dated on the ground this 20th day of October, 1897.

C. H. W. Perry.
Filed for Record Notice is hereby given to all whom it may concern
Oct 27th 1897
That I, Charles J. Alkins, Citizen of the United
State over the age of twenty one years, having
discovered a vein or bed of quartz located
in place bearing quartz within the limits
of the claim here to locate, and have this day
under and in accordance with the Revised
Statutes of the United States, Chapter 297, title thirty
two, located fifteen hundred linear feet of the
min or bed with one face from one hundred
feet in width, situated in Conner Creek Mining
District, County and known as the White King
Quartz Mining Claim, extending fourteen hundred
feet South of this notice to a point and one hundred
feet North of the notice to a point from this notice
at the discovery or prospect shaft, which is one hundred
feet from North End line, the exterior boundary of
this claim being distinctly marked by reference to some
natural object or permanent monument and runs northerly
described as follows to wit: Jomand on the North
by the Jerome Queen Mining Claim on the West side of
Conner Creek and about one half mile South of Conner
Creek Post Office. Said claim has now a tunnel on
it sixty feet.
And I intend to hold and work said claim
as provided by state customs and rules of Miners and
Mining Statutes of the United States.
Dated and signed this 27th day of October 1897.
Received Oct. 27th 1897, Charles J. Alkins.
Located October 27th 1897.
Notice is hereby given to all whom it may concern that I, Dennis McCarthy, citizen of the United States, on the 25th day of October, 1892, at 10 A.M., filed the following claim, to wit: A tract of land containing a certain deposit of quartz ore, said deposit lying within the limits of the Miami mining district, and having two hundred and sixty feet of width, situated in the Miami mining district, between the lines of the Miami mining district, and having two hundred feet of length. The tract of land is described as follows: (description of the tract).

I, Dennis McCarthy, do hereby claim the above-described tract of land, containing the deposit of quartz ore, and do hereby declare my intention to hold and work the same as provided by the said mining laws of the United States.

Dated this 25th day of October, 1892.

Dennis McCarthy

Notice is hereby given to all persons at any concern that
Alfred Scharbrook & Robert Lanyon citizens of the
United States over the age of twenty one years
having discovered a vein or body of quartzock
in place, being gold and silver within the limits
of the claim hereby locate, and have this day under
and in accordance with the Revised Statute of
the United States, Chapter 25, title thirty two, located 1500
acres in feet on the vein or body with 100-foot ground
less feet in width, situated in the mining district
County of Burt and known as the Constant Queen
Mining Claim. The exterior boundaries of this claim
being distinctly marked by reference to some natural
object or permanent improvement and were previously
described as follows:

Commencing at the Notice of Discovery
in an Easterly direction 100 feet and 140 feet
in a northerly direction, with 800 feet on each
side of the center and vein on the South side of
Lawrence Creek about 1/4 mile South West from the
Bobbie Bonds Mine.

And we intend to hold and work said Claim
as provided by local custom and rules of mining
and mining statutes of the United States.

Dated at the ground this 29th day of October 1895

The "Diamond" Quarterly Mining

October 28, 1897

Notice is hereby given that we, the undersigned citizens of the United States, have this day located fifteen hundred feet of this ledge in length and six hundred feet in width, commencing at the prospect hole and running in a N.W. direction to South end line of 140 acres. Thence due South in a Southwesterly direction from prospect hole, whose marks and bounds are marked by monuments. This claim shall be known as the Diamond Claim, situated 26 miles above the Elk Horn Dam, at a point one mile east of the survey line, Dallas County, Oregon.

(Signed) P. J. Doe

The Grand View Quarterly Claim

Notice of Location of Quarterly Claim.

Take notice, that we the undersigned citizens of the U.S. over the age of 21 years, have located 1500 linear feet on this ledge, under a claim of priority on which this notice is posted, having discovered gold in the same on claim 300 feet on each side of said vein. The claim, all steps, the form and angles, commencing at this notice, and running 700 feet along the ledge to a blazed tree from thence 350 feet in a W. direction to a blazed tree, from thence in a Southwesterly direction 1500 feet to a monument of stone. From thence 600 feet east to a blazed tree, from thence 150 feet north to a stake, from thence 300 feet back to center line and blazed tree. This claim shall be known as the Grand View in Dallas County, Oregon. One mile south of the Rodney Elk Horn Mining District, located by F. J. Doe, Oct 29th, 1897.
The "Light House" Mine

OCT 26, 1892, Oniler County, Oregon.

Notice of Location.

Notice is hereby given that the undersigned having
complied with the requirements of Chapter 15, title
twenty, of the Revised Statutes of the State of Idaho,
and the local customs, laws and regulations, has located
fifteen hundred linear feet and two hundred feet wide on this
min. or ledge of quartz.

Described and located on the ground as follows:

Commencing at the monument and running
1000 feet south by west in a southerly direction to the
North line of the Navajo and running [1000] one hundred
feet in a southerly direction from the monument, and by
a line of 1000 feet west along said ledge. About one mile
West of North from the Bonanza Colburn, this mine shall
be known as the "Light House" Mine.

Notice of Location of Claim

Notice is hereby given to all persons interested that John Nagel, citizen of the United States, over the age of twenty-one years, having discovered a certain body of gold-bearing rock in the limits of the United States, and locating the same, hereby sets forth the following:

The said claim is situated in the county of Oregon, State of Oregon, and is known as the "Monte Cristo Quartz Claim." The said claim is located on the 18th degree of north latitude and the 122nd degree of west longitude. The bounding lines of the claim are as follows:

The north line is a line running from the northeast corner of the quarter-section, extending 600 feet due north. The south line is a line running from the northeast corner of the quarter-section, extending 600 feet due south. The east line is a line running from the northeast corner of the quarter-section, extending 600 feet due east. The west line is a line running from the northeast corner of the quarter-section, extending 600 feet due west.

The said claim is bounded on the north by a line running from the northeast corner of the quarter-section, extending 600 feet due north, and on the south by a line running from the northeast corner of the quarter-section, extending 600 feet due south.

This claim is hereby located on the 18th day of October, 1872, by John Nagel, as follows:

The Cleveland Quartz Claim

Wm. H. Brown, Recorder.
Filed for Record

J. W. John Helman, citizen of the United States, now residing at 1. 9. 22.

Nov 16 1872: Notice is hereby given to all persons or parties concerned that I

at 11 a.m. on February 17, 1873, I have located a mining claim, known as the "Sunrise" mining claim, containing 200 acres, being located in the town of Sunrise, Nevada, and being described as follows:

The claims are located on a ridge extending 750 feet north and 750 feet east, and are bounded by the following described points:

A point on the north line of the town of Sunrise, 300 feet west of the east line of the town, and

A point on the south line of the town of Sunrise, 300 feet east of the west line of the town.

The said claim is subject to all restrictions and claims of prior location.

This claim is subject to all restrictions and claims of prior location.

Witness:

The Popele County Claim.

This recorder is hereby given to call witness that Lewis Wilson, citizen of the United States over the age of thirty-one years, of the town of Baker, county of Baker, state of Oregon, in the镊子 of the claims hereinafter set forth, and in accordance with the laws of the United States, has discovered a valuable deposit of gold on the mining claim, which is located within the limits of the claim hereinafter set forth and recorded, and in the manner required by the laws of the United States, and as prescribed by the laws of the state of Oregon, for the discovery of valuable deposits of gold.

The claim is described as follows:

1. The east line of the claim is a line running due north from the point where the Frances County line intersects the north line of the town of Baker, to the point where the Frances County line intersects the south line of the town of Baker.

2. The west line of the claim is a line running due south from the point where the Frances County line intersects the south line of the town of Baker, to the point where the Frances County line intersects the north line of the town of Baker.

3. The north line of the claim is a line running due east from the point where the Frances County line intersects the west line of the claim, to the point where the Frances County line intersects the east line of the claim.

4. The south line of the claim is a line running due west from the point where the Frances County line intersects the north line of the claim, to the point where the Frances County line intersects the south line of the claim.

The claim is located one mile and one-fifth of a mile south and one-fifth of a mile east of the Frances County line.

Name and Signature: Lewis Wilson, Locator.

The claim is hereby recorded.

Frances County Claim.

This recorder is hereby given to call witness that the undersigned, having complied with the requirements of Dec. 22, 1874, of the United States and of the state of Oregon, and of the laws and regulations of the district, have discovered a mineral deposit of gold on the Frances County claim, and that the deposit is located on the west side of the Frances County line, and is bounded as follows:

1. The north line of the claim is a line running due east from the point where the Frances County line intersects the north line of the town of Baker, to the point where the Frances County line intersects the south line of the town of Baker.

2. The south line of the claim is a line running due west from the point where the Frances County line intersects the south line of the town of Baker, to the point where the Frances County line intersects the north line of the town of Baker.

3. The east line of the claim is a line running due north from the point where the Frances County line intersects the west line of the town of Baker, to the point where the Frances County line intersects the north line of the town of Baker.

4. The west line of the claim is a line running due south from the point where the Frances County line intersects the south line of the town of Baker, to the point where the Frances County line intersects the south line of the town of Baker.

The claim is located one mile and one-fifth of a mile south and one-fifth of a mile east of the Frances County line.

Name and Signature: John Boyle, Locator.

Justice is hereby given to all citizens as may concern that James Bailey, citizen of the United States over the age of twenty-one years having described a certain lot of ground, a part of the Last Chance mining claim, the same being situated in the county of Brevard, state of North Carolina, and being a part of the Last Chance mining claim, the eastern boundary of the same being described by a hedge, and the western boundary of the same being described in accordance with a boundary description, as follows:

1. Situated at the head of Olive Creek, or any point commencing at the line of the lot described and running 750 feet in an easterly direction with 300 feet on each side of center of creek and are intended to hold and work said claim as provided by local custom and order of line and boundary description of the United States, affected on the ground the 21st day of January 1873.

Noted:
L.C. Bailey, Treasurer.
Filed for Record
Date: Jan 24th 1893

The claim hereby given to all persons is to certain valuable mineral deposits of gold and silver located in the vicinity of Francis County, State of South Dakota, in the United States of America, and described as follows:

The claim is situated about 3 miles southeast of White River, and is bounded on the north by a line drawn due south from one mile west of the claim; on the east by a line drawn due east from the same point; on the south by a line drawn due west from one mile south of the claim; and on the west by a line drawn due north from the same point. All the corners and the center of the claim are marked and located.

The claim is located by reference to the Public Survey of the United States, and is subject to all the provisions of the Mining Law of 1872.

The following is hereby given as all information concerning the Silver Bell quarries.

Tracy Carpenter of the United States is of the age of twenty-fours years
having discovered certain ore beds of quartz ore in the placer mining
district located within the limits of the claim hereby located hereunder and
in accordance with the Mineral Statutes of the United States. On the 10th
the thirtieth, located 1,000 linear feet of the placer ore with surface
around 600 feet in width, all ledges and ore beds contained therein
located in the placer district, county of Baker, State of Oregon, and known
as the Silver Bell Claim herein described, extending 40 feet north of the
boundary to north and line a 300 feet each side of center ledge with
all dairy age and upper from their center at the claiming or perfect
sheets, the eponymous boundary of the claim being distinctly marked by
reference to some natural objects or permanent surroundings and more particularly
described as follows, bound: Commencing at the North center and take
and running 300 feet E. to the S.W. corner; take there 600 feet S. to the
next corner; take there 300 feet S. to the 1st center and take between
300 feet to the N.E. corner; take there 300 feet S.

"Black Maria" Livery Claim.

Filed for Record
Jan 23rd 1883
W. B. Brown.

Notice is hereby given to all whom it may concern that I, Chauncey F. Kinney, citizen of the United States, on the 23rd day of January, 1883, having discovered a tin or lead deposit or ore within the limits of the claim herein described, hereby give notice that the boundaries of the claim are described as follows: The western boundary of the claim is described as follows: Commencing at the location of a shaft on lodge and recording 300 feet E. to the N.W. corner, thence northward along the west side of the claim 300 feet to the S.W. corner, thence southward along the east side of the claim 300 feet to the S.E. corner, thence eastward along the north side of the claim 300 feet to the N.E. corner, thence northward along the east side of the claim 300 feet to the location of the shaft. The claim is a location of the Black Maria claim, located and recorded at Baker City about ten years ago by Horace Draper & Turner or by one of the members of the company. This claim gave up to the Railroad and South End Line, and are settled to build and work said claim as filed by the said company in order of service and the mining statutes of the United States.

Dated on the ground hereon 22nd day of January 1883.

Received Aug. 27th 1892 and recorded Jan. 22nd 1893.

Notice is hereby given to all whom it may concern, that I, Lorenzo Frasier, citizen of the United States, over the age of twenty-one years, having discovered a vein or body of quartz or ore in place, bearing minerals within the limits of the claim hereby located, have this day under and in accordance with the Revised Statutes of the United States, Chapter six, Title thirty-two, located 600 feet west of this main hole on surface and 600 feet in line, with all veins and minerals contained within situated in Swan mining district, County of Baker, State of Oregon and known as the Red Cloud Quarterly mining claim, consisting 1,500 feet north to the surface line and 3,000 feet south to the top of the ledge from this point at the driving of a prospect shaft. The exterior boundary of this claim, being a curve, described by reference to some natural object, or permanent monument, and more particularly described in the following manner: Commencing at the location of the claim as described, every 300 feet east to the S.E. corner, take thence 1,300 feet, N.W. corner, take thence 1,300 feet, N.E. corner, take thence 300 feet to the S.W. corner, thence 1,300 feet to the N.W. corner, take thence on 1,300 feet south to the S.W. corner, take thence 1,300 feet to the place of commencement. This claim joins on to the South end line of the Black Bear mining claim. This claim is a relocation of the Little Well located and recorded at Baker-City by Wallace C. Hinckley on the 27th day of October, 1891, for O. B. Bremer recorder. I hereby claim and relocate the Little Well claim and this relocation thereof, said claim as authorized by the local custom and ordnance of mines and the mining statutes of the United States, executed on the ground this 2nd day of January, 1892.

Homestead entry.

B. W. Hendricks, Entries No. 711, 712, and 713.

Entries No. 711 and 712:

On the 2nd day of January, 1893, I, W. A. Hendricks, being lawful entries of the United States as the age of twenty-one years, having discovered a vein of copper ore, and also a vein of iron ore, within the limits of the claim heretofore located on this land under and in accordance with the mineral statutes of the United States, did cause said vein to be located on the 15th day of November, 1892, at 10 A.M., and in accordance with said mineral statutes, I, W. A. Hendricks, did cause said vein to be entered upon the said land, with all adjacent and contiguous territory, estimated in an area of 40 acres, as the Homestead Entry No. 711, located on the 2nd day of January, 1893, at 10 A.M., and said entry is more particularly described as follows:

Commencing at the center of the said entry, and running 300 feet to the S.E. corner, thence 300 feet to the E. 300 feet to the E. S.W. corner, thence 300 feet to the N. 300 feet to the S. 300 feet to the S. S.W. corner, thence 300 feet to the N. 300 feet to the N. S.W. corner, thence 300 feet to the S. S.W. corner, thence 300 feet to the S. S.W. corner, and so on, in a straight line, estimated in an area of 40 acres, and in accordance with the mineral statutes of the United States.

This claim is located on the 2nd day of January, 1893, at 10 A.M., and is more particularly described as follows:

Commencing at the center of the said entry, and running 300 feet to the S.E. corner, thence 300 feet to the E. 300 feet to the E. S.W. corner, thence 300 feet to the N. 300 feet to the S. 300 feet to the S. S.W. corner, thence 300 feet to the N. 300 feet to the N. S.W. corner, thence 300 feet to the S. S.W. corner, thence 300 feet to the S. S.W. corner, and so on, in a straight line, estimated in an area of 40 acres, and in accordance with the mineral statutes of the United States.

This claim is located on the 2nd day of January, 1893, at 10 A.M., and is more particularly described as follows:

Commencing at the center of the said entry, and running 300 feet to the S.E. corner, thence 300 feet to the E. 300 feet to the E. S.W. corner, thence 300 feet to the N. 300 feet to the S. 300 feet to the S. S.W. corner, thence 300 feet to the N. 300 feet to the N. S.W. corner, thence 300 feet to the S. S.W. corner, thence 300 feet to the S. S.W. corner, and so on, in a straight line, estimated in an area of 40 acres, and in accordance with the mineral statutes of the United States.
Skyline Lady, by

Notice is hereby given to all whom it may concern that I, Henry J. Hinkley, citizen of the United States, over three of twenty-one years of age, being duly sworn, do deputize a certain tract of land, located in the State of Nebraska, in the township of...
Justice is hereby given to all whom it may concern, that W. O. Elmer, citizen of the United States, over the age of twenty-one years, having discovered a vein or lode of quartz or rock in place bearing lead and silver within the limits of the claim hereby located, and have this day made and, in accordance with the Revised Statutes of the United States, Chapter six, Title Twenty-five, located a certain mining claim, the same described as follows, to wit: The Red Cloud Mining District, County of Butte and knew as the Red Cloud County Mining Claim extending 200 feet to the west, center and stake No. 300 feet, S.E. center and strike from this point of the discover or prospect, eastward in 200 feet, south, and have the exterior boundary of this claim being distinctly marked by a fence, or any natural object or manner or manner, as the same particularly described, viz., the center line of the claim is its center line, S.E. center and stake of the "White Swan" Char., and has for its center and stake, the S.E. center corner stake of the "White Swan" Char., running thence S.E. center and stake of No. 1, 1500 feet to stake marked S.E. center and stake of Red Cloud Char., and limited by said and one and one-half claim so bounded by said exterior, and all of the mining and entering lines of the United States, situated on the ground the 12th day of January, 1873.

Locatoor

Recorded Feb 25, 1873
Notice is hereby given that the undersigned, being duly
achieved with the requirements of Chap. six of Act Thirty Two of the
Revised Statutes of the United States, and such additional laws,
and regulations, have located fifteen hundred feet on the
Barber mine or shaft with upper ground and hundred
feet in width, situated in Whatcom County, Washington District, Barber Mining District, Whatcom County, State of Washington, and bounded as follows:

Commencing at the S.E. corner, State No. 1, thence West one thousand feet to S.W. corner, State No. 2, thence North one and one half feet to the West end of Center State, thence North one
and one half feet to the North-West corner, and thence East one and one
half feet to the North-East corner, State No. 4, thence South one
and one half feet to the East end of Center State, thence South one
and one half feet to the South-East corner, State No. 1, and place of
beginning.

This Claim runs one thousand feet in a westward direction
and one thousand feet in a westward line from the actual
prospect shaft. This claim joins the same mineral on the
South and running one thousand feet parallel on the North side
line of the same miner and is situated on Grant Lake.

This is a relocation of the Barber mine located by
Charles Robinson, J. W. Scott, and Will H. Staff.

Platted on the ground this 21st day of July 1893

in the mining district located in the town of
Baker County, Oregon,
in the town of
Baker County, Oregon,
Resident of the town of
Baker County, Oregon,
These 15,240 feet of the vein or bed, with surface ground 600 feet in width, situated in an organized mining district
County of Baker, State of Oregon and called the
"Sleeping Beauty" Mining Claim and situated
S 31° 15' 15" W 18° 10' 30"
part of a tract from the north west 1/4 corner of the
exterior boundaries of this claim being distinctly
marked by reference to some natural object or permanent
monument and was particularly described as follows:
Commencing at a point which is the south
boundary line of the Black Swan Mining Claim, thence
S 31° 15' 15" W 18° 10' 30" to a point, thence N 45° 30' 00" W 600 feet to point,
and thence E 90° 00" N 600 feet along the south line of the Black Swan
Mining Claim, subject to place of beginning.
And we intend to hold and retain said claim subject to
by said custom and usage or custom and the winning statutes
of the United States and of the State of Oregon.
Dated on the ground this 14th day of April 1893.

Wm. S. Hunter

Clerk
Notice is hereby given to all whom it may concern that
Henry Nowell of Baker County, Oregon a citizen of the
United States over the age of twenty-one years, having
surveyed a vein or lode of quartz or coarsely platy
gold of silver within the limits of the claim hereinafter
marked and hereinafter in accordance with the
planned Stature of the United States, take the Six of the
thirty-first, located W. N. E. one thousand six hundred
feet on the vein or lode with surface ground 600 feet in width
situated in the organized receiving district County of
Baker, State of Oregon, and known as the
"Consolidation" vein by Winning Claim and extending
7500 to 7500 feet east and 7500 to 7500 feet west from
two points on the northeast line of the claim, the points
being distinctly marked by reference to
some natural object or permanent boundary therein
particularly described as follows:

Commencery at the
North East corner of the Black Swan claim; thence
7500 to 7500 feet east; thence north 45° and east 7500 feet
thence north 45° and east 7500 feet to point thence north
45° and east 7500 feet along East line of Sleeping Beauty claim to place of beginning.

And I intend to hold and work said claim by
surveyed and mile of distance and the receiving Stature of the
United States and of the State of Oregon,

N oted on the ground this 14th day of April, 1888,

Henry Nowell, Esq.外
Notice is hereby given that on the 19th day of April, 1895, Bead Kneisel & Paul Heimmer of Butte County, Oregon, citizens of the United States and over the age of twenty-one years, having discovered a vein or body of gold or silver or both within the limits of the claim hereinafter described, and having this day marked and in accordance with the Revised Statutes of the United States, moved the following boundaries:

Commencing at the NE corner of Block 1, Section 9, T. 7 N., R. 11 W., placer, thence N. 8° W. 200 feet, thence W. 8° E. 200 feet to point, thence S. 8° W. 200 feet to NE corner, thence N. 8° W. along the west half line of the placer, to the place of beginning.

We intend to hold and work said placer as provided by the Revised Statutes of the United States and by the State of Oregon.

Dated on the ground this 18th day of April, 1895.

Notice is hereby given that the undersigned, having complied with the requirements of Chapter 6 of Title 30 of the Revised Statutes of the United States, and local custom, laws and regulations, has located 1500 linear feet on the South side of a lake with surface ground 600 feet in width situated in Forest County, County of Oregon, as follows:

Situated at the head of Port Roy, Caledon, Weatherly, Oregon, Commencing at a point 10 feet on the North line and running in a Northwesterly direction 750 feet to a point on said line and in a Southwesterly direction 750 feet to a point on said line and 300 feet on an arc of a circle of the Center of said 'Star' into making 1500 feet in length by 600 feet in width.

Lat. 44° 17' 47" N. 44° 17' 47" W.

John L. Allen

The "Golden West" End

Notice is hereby given that the undersigned has complied with the requirements of Chapter 6 of Title 30 of the Revised Statutes of the United States and local custom, laws and regulations, has located fifteen hundred linear feet on the Golden West, Oregon, a lake with surface ground 600 feet in width situated in No organized mining district, Baker County, State of Oregon, and described as follows:

Situated at the extreme end of what is known as Golden West, and formerly known as the old Espay mine, this being a 1:1 Location. It is situated about six miles from the station, Commencing at the old foreset shaft and running 750 feet in each direction on a line with the lake.

Ralled on the ground this 13th day of April 1893 located April 12, 1893.

C. L. Banks

Sec. 10
The Fast Chance.

Notice is hereby given that the undersigned having coupled with the United States mining known as the Fast-Chance Commencing at the prospect shaft, running the hundred feet (5000 sq. of this vein known as the Fast-Chance) in a westerly direction from the hundred feet (300) in a westerly direction from the last-named...
Notice is hereby given that the undersigned, having complied with the requirements of Section 33 words.

The Revised Statutes of the United States and the local laws, customs and regulations of this district have been to set fifteen hundred feet in length by two hundred feet in width on the Keystone 5200 claim or deposit bearing gold and other precious metals situated on the hill one and a half miles east of Harms. Mining District Baker & State of Oregon. The location being described as the ground as follows:

West: One mile east of John Christianson house and one and a half miles S. of the town of Harms and bounded as follows. Commencing at a stake east of the south group of hole (300) three hundred feet, hence north to a stake (300) fifteen hundred feet. Hence west (600) six hundred feet to a stake. Hence north (100) three hundred feet to beginning, claiming all helps contained in said boundary. The above described mining

Claim 10 as known as the "Conner Point" and worked and in more part. J. S. Hall has this day of March 2nd 1890 relocated the same and is known as the "Keystone" 5200.

J. S. Hall
 Locator.
Notice is hereby given that the undersigned having complied with the requirements of Chapter II of 4th Act of 1877, the Revised Statutes of the United States and the local custom, laws and regulations, has located for mining purposes, Bannock City at the confluence of the North Fork and Middle Fork in a southeasterly direction fifty hundred feet, and one hundred (100) feet on either side of the line.

The particulars described are as follows:

Commencing at the south end culvert line of the William Jewel Mining Claim and running in a southeasterly direction three hundred (300) feet to a blazed tree marked E & X. Hence fifteen hundred (1500) feet in a southeasterly direction to a blazed tree marked E & X on the "Red Chief" Mining Claim with side line. Hence northwesterly one thousand (1000) feet to a blazed tree marked E & X. Hence fifteen hundred (1500) feet in a northwesterly direction to a blazed tree on the north east corner of the William Jewel Mining Claim marked E & X. Hence one thousand (1000) feet in a southeasterly direction to the place of beginning. Said Claim to be known as the "E. K. Iron King" and located on Cox Creek in the organized mining district in Baker County, Ore.

Date filed of March 21st, 1893.  O. C. Shelby, Solicitor

Located March 27th, 1893.

Recorded April 20th, 1893.
Notice is hereby given, that we the undersigned citizens of the United States, complying with the provisions of the Act of Congress entitled "An Act to locate and patent lands, &c." entitled "An Act to locate and patent lands by the use of the meridian system of survey and the act of Congress entitled "An Act to locate and patent lands, &c."

We have this 23rd day of April 1873, formed and located the claim at Claim 18, 000 square feet and more of lands and boundaries. The same being 300 feet on each side of the center line of said claim together with all rights, privileges, and easements and all other interests or rights to the use of which lie within said boundary.

This location is named the Columbus District, and is situated one mile south of the White Swan County line, in the organized mining district of Baker County, State of Oregon, and is bounded as follows:

Commencing at the northerly corner and running thence 200 feet in a N. 60° W. direction, or said back to said center line, thence 300 feet in a S. 80° W. direction, thence from 100 feet South and 1000 feet West, said point, North and center state, 300 feet to North and center state, 1500 feet to South and center state, 300 feet to find center state, located this 23rd day of April 1873.

Notice is hereby given that the undersigned having complied with the requirements of Chapter 62 of Title 25 of the Revised Statutes of the United States and the local laws and regulations of the county has to deduct 1,500 linear feet on this lead with a vein containing gold and other minerals, also by 200 linear feet in a northly direction from the said lead bed, a vein. The aforesaid location is situated in the upper receiving district Klickitat County State of Oregon and described as particularly as follows: S.E. 1/4 S.E. 1/4, 5th. Claim to extend 800 linear feet in a northly direction from the said lead and discovery site by 300 linear feet on each side. This location is an abandoned, claim and is located about 10 miles west of the Winter Line and discovery site is about 800 feet south of old wagon road leading to winter camp. Before me this undersigned appeared J. H. Alexonin who being duly sworn, says that at least $1000 worth of work and labor was performed or made upon the North Fork County Claim in the area now situated about 1/2 mile north east of the Buxley Lickham and about a quarter of a mile east of the Buxley Claim right above the Buxley Claim being 1500 feet long by 50 feet in width and situated in Bull County State of Oregon and the said work and improvements being done for the year ending May 1st 1874, said expenditures were made by said work and improvements being done by J. H. Alexonin one of the owners of said claim, for the purpose of holding the same.

J. H. Alexonin

Signed, sealed and delivered before me the 18th day of June 1874.
Notice is hereby given that I, the undersigned, citizen of the United States of America, conforming to the mining laws thereof and of the State of Oregon, and the local rules, regulations and customs of miners, have this fifteenth day of May 1893 located and claimed (1300) fifteen hundred and fifty feet on this bed of ore vein being received in placer, by 600.57 hundred feet in width, the same being 1800. Three hundred feet on each side of the center thereof, together with all dips and spurs, angles and all other parts or locks in the top or apex of which lies within said boundary.

This location is named the Harmony Gold and is situated on north ridge of dry Gulch between railroad & Willits Ranch and about one mile and one half south-east of Buhler Ranch, in Sutton creek mining district, Deschutes County, Oregon and is bounded and described as follows: 

Bounded on the north and running thereon seven hundred and fifty feet in a north-west direction on said bed and seven hundred fifty feet in a south-easterly direction thence from to a stake erected & to the left thereof 300 feet south to come 1 1/4 stake wanted. Thence 750 feet north-west to state wanted. Thence 750 feet north west to stake wanted. Thence 200 feet north to state wanted. Thence 200 feet north to come state wanted. Thence 750 feet south east to stake wanted. Thence 750 feet south east to state wanted. Thence 200 feet south to state wanted. Thence 200 feet south to state wanted. 

Certified this fifteenth day of May 1893,

A. Neiber
The "Gem"

February 6th

I, W.S. Bone, Recorder.

Notice is hereby given that the undersigned having complied with the requirements of Act No. 237 of the Revised Statutes of the United States and the local custom laws and regulations of this district, has located 1500 feet in length by 600 feet in width, on the Skamania vein, formed deposit bearing gold and other precious metals situated in Wagon Wheel Mining District, Skamania County, State of Oregon, the location being marked and described in the ground as follows: unit.

Beginning at a mound of rocks near Bishop's Place on Powder River, running 1000 feet south-west on ledge to a mound of rocks, by 600 feet wide with all its dips, angles, and strike to west, according to the laws of the United States and the state of Oregon.

The mining claim described above being known as the "Gem" mine, located on the 6th day of May, 1893.

J. C. Abend

P. P. Bishop

Recorder

June 6th, 1893. This is to certify that the undersigned do hereby locate and claim 1500 linear feet of the mentioned mining lead, together with the legitimate amount of surface ground for working purposes. Beginning at the section extending 1400 feet in a direct direction and 100 feet in a westly direction, this claim shall be known as the "Little Widge" and is a section east of the said and is situated about 500 yards north and near the mouth of Rain creek. This notice is placed near the mouth of an old abandoned tunnel on this lead.

J. Harvey O'Bryan
Notice of Location. This is to certify that I, the undersigned, do, on the day of the 5th day of June 1893, have filed the following claim of mining in a certain location, known as the "Horse Claim," of the amount of 1,800 acres, being a lead vein, running east and west, as indicated by the map, and being a part of the 1872 Mounting District, in the County of Oregon.

This claim will be known as the "Horse Claim," and is situated immediately to the north and east of the Mounting District, being 1,800 acres, as described in the deeds and records of said district.

W. N. Brown
Recorder

Notice is hereby given that the undersigned has caused the said mining claim to be located in the District of Mounting District, in the County of Oregon, and that the same is assessed and recorded as follows:

About 1/4 mile west from the Bay
Also 1/4 mile east of the 1/4 mile from the Bay

At this point, the said claim, running in a northwesterly direction 750 feet, and in a northwesterly direction 75 feet, with 300 feet on each side of the center of said claim, is hereby assessed and recorded.

W. N. Brown
Locator

Filed on the 7th day of June 1893.
The "Yellow Daisy"

Notice is hereby given that the undersigned citizen of the United States of America, conforming to the mining laws, is the holder of certain claims in the State of Oregon, and the local rules, regulations and customs of miners have this fourteenth day of May, 1873, located and descripted a certain hundred acres, part in this tract, locate or main bearing mineral in place, by six hundred feet in width, the same being three hundred feet on each side of the center, together with all slopes, tunnels and other veins or lodes of the top or agency of which lies within said boundaries.

This location is named the "Yellow Daisy" and is situated about one mile south east from the White River Mine, near the mouth of Quartz Gulch, and is bounded by the Arrowhead Mine and west in the mining district, County of Baker, State of Oregon, and is bounded as described as follows: Commencing at this notice and running thence north one hundred feet to center direction, one mile, beginning at the west end center post, run north 300 feet to the pile and post records N.W. corner of 40 acres. Thence north 180 feet to stone pile and post recorded N.E. corner of 40 acres. Thence south to center post, thence south to center point, thence west to center point recorded S.W. corner of 40 acres. Thence west 100 feet to stone pile and post recorded N. W. corner of 40 acres. Thence west 100 feet to stone pile and post recorded S.W. corner of 40 acres.

Notice is hereby given, that we, the undersigned citizens of the United States of America, now residing in the State of Oregon, and the local laws and regulations of said State, do hereby establish the following claim and locate the same on the 2nd day of June, 1893, on the north half of the northeast quarter of Section 4, Township 8 North, Range 13 West of the 6th Principal Meridian, in the State of Oregon. Said claim is bounded on the north by the line of the main road; on the south by a line 500 feet west of said road; on the east by a line 500 feet north of said road; and on the west by a line 500 feet south of said road. All other lines of said claim are 100 feet south of said lines, and the same are surrounded by a fence of rail. The location is known as the "Delight" mining claim and is situated on high ground near the mouth of the East Fork of Cotton Creek. The proposed mining district is called the "Center Hill" mining district. The beginning of the said mining claim is 1000 feet north of the said road in a south and southwesterly direction from the beginning. Hence 1000 feet in a north and northwesterly direction to the place of beginning. Signed and sealed at Woodside, 9th day of June, 1893.

Notice is hereby given that the undersigned, having complied with the requirements of Chapter 7, Title 14, of the Revised Statutes of the United States and the local customs, laws and regulations, has located in the Field Claim of the "Whipple" Gold Mining Claim, a site with surface ground less feet in width situated in the organized mining district of Baker County, Oregon, and described as follows:

Situated in what is known as the County seat between Baker City and upper burned River and being 150 feet in length by 600 feet in width, Commenced at this notice, the north boundary running 1500 feet south halfway, said 1500 feet on each side of the center of said

Dated the 10th day of July 1873.

John Alcock, Recorder.

A. H. Patton, Secretary.

The S. J. Stewart.

Notice is hereby given to whom it may concern that Charles Stuyvesant, being a citizen of the United States, over the age of twenty-one years, having discovered a vein of lode gold and in place being gold, there within the limits of the claim hereby located, and has this day made and in accordance with the revised statutes of the United States, filed by this thirty-two, located 1500 feet on a line in the surface ground, less feet in width situated in a vein of lode with surface ground less feet in width said the north boundary running 1500 feet south halfway, said 1500 feet on each side of the center of said claim.

The claim being described by reference to some natural object or permanent monument and was particularly described as follows:

Dated this 10th day of January 1873.

And I, the said Charles Stuyvesant, claim as provided by the local customs and laws of the United States and the State of Oregon, under Act of Congress approved on the 3d day of July 1872.
Notice is hereby given to all whom it may concern that.

J. Sheedy, being a citizen of the United States, over the age of

twenty-one years, having discovered a valuable lode of gold ore,
in placer mining, gold and silver within the limits of the town

locally located and known as "Jugger," and in accordance with

the Revised Statutes of the United States, chapter 6,

section 327, is called 15700 linear feet of this vein

locally, with surface ground 200 feet in width, situated

in the organized mining district of Butte County, State of

Oregon, and known as the Jugger mining claim, extending

560 feet N.E. from shaft to a monument and 500 feet from

the south to a monument, which is 560 feet from the

northern boundary of the claim. The 500 feet boundary of the

claim being distinctly marked by reference to some definite

objects permanently as monuments, and more particularly described

as follows: Being situated in T. 10, S. R. 11 W., and

about 750 feet northwesterly from the mouth of Allen's

Creek and on the main ridge east of Allen's Creek,

and intended to hold and work said claim as provided by

the Revised Statutes of the State of Oregon,

dated on the ground this 17th day of June 1893.

Attorney: David W. W. Day

J. Sheedy, locator.
Statement is hereby given to all persons it may concern that David J. Welsby, being a citizen of the United States over the age of twenty-one years, having discovered a vein or body, quarry or rock in placer bearing gold ore, within the limits of the claim hereby located, and have this deposited and in accordance with the Revised Statutes of the United States Chapter 6, Title Thirty-two, located and the claim 1800 linear feet of this vein or lode with one face ground less than 5 feet in width, situated in the following District Bull County, Oregon, and known as the Red Rock Creek mining claim and attaining 16 feet North East to monument and 1800 feet South West to St. Lawrence Creek, from the point at the discovery or prospect, said claim being more than 3,000 feet from north and lies by St. Lawrence Creek. The Southern boundary of this claim was distinctly marked by presence to some natural object or permanent and was particularly described as follows: west, said claim is in 260 S. 18. 1/2° and runs south west and South West and is bounded on the West by the Jigger and runs South by the St. Lawrence claims.

The central to Odd and West 1/4 and claim is protected by local customs and rules of miners and mining statute of the United States.

Dated on this 17th day of June, 1872

David J. Welsby, locator

Chas. W. Kennedy, att.
Notice by record being in county records of the location of what is known as the Tennis County mining claim situated in the organized mining district and being situated in Pitts-Parrott, Butte County, State of Oregon, and said claim being fifteen hundred feet in length along the main line and with the hundred feet in width of surface ground lying between what is known as Snake Creek and Snaky Gulch and on the south side of the Bogueit mountain range.

Said Tennis mining claim being de facto and actually located and on the surface by government reconnaissance, as that the boundaries can be readily traced thereon. Commencing at a point on said.

Square point planted in the ground with a round of earth and rock around the same, said point being from feet high above the ground and planted at the northwesterly end of said claim and on the line of the main or road and about one hundred feet from the south line of the old base bench planted in a straight line direction. Therefrom, extending thence westerly, said hundred feet to a point firmly planted in the ground with round of earth at the base having said stake or post being from inches square and about four feet high above the ground and being the Northwest corner of this the said claim number. Extending from there in a southwesterly direction fifteen hundred feet to the southwesterly corner plant, which corner is marked and designated by a post planted in the ground with round of rock around the same, said stake being about four feet high and about four inches square, there in an easterly direction fifteen hundred feet to a post like description as the last and with a round of earth around its base and post being on the main or road at the southwest corner. Therefrom extending in a southeasterly direction fifteen hundred feet to the southeasterly corner, which corner is marked with post and round of earth, this kind and character as the last: then in a northwesterly direction fifteen hundred feet to the Northwesterly corner said corner being marked and designated with post and round of rock and in an easterly of this kind and character as the other corner. There is a nearly horizontal fault bisecting the same, said fault or road having been discovered on the 23rd day of June 1873 by J. W. Johnson and W. L. Church, and are now the owners thereof and in possession thereof. Commencing at the point where the survey has been marked on the main or road, extending the same in the direction of the north end.
The Eagle.

Notice is hereby given that the undersigned having complied with the requirements of chapter six of title thirty-two of the Revised Statutes of the United States and the local custom laws and regulations hereinafter 1500 linear feet on the Eagle vein or body with opposite ground 200 feet in width situated in no organized mining district Baker County State of Oregon and described as follows.

On Greenhorn Mountain, NE.

And lines of this claim adjoin the west side lines of the above broken claim, which said broken claim was located by R. W. Barnett. Commencing at corner and running North Eastly 900 feet to west side line of said broken claim, claim and 200 feet due to south line, with 300 feet on each side of center of body.

Witnessest sworn this 1st day of July 1893.

Albert H. W. Barnett.  
D. L. Cheeth  
Esq.
Notice by record is hereby given of the location of the Bungett No. 2, situated in the organized mining district
in Klamath County, State of Oregon. Said Mining Claim
lying SE 1/4 SW 1/4 and being fifteen hundred feet
north by east part in width of surface ground and being marked
with permanent monuments so that the boundaries thereof can be
readily traced. Said claim and the boundaries thereof being described
and marked as follows: Commencing on the west side
and at the edge of the County road leading from Klamath
City to Eagle City in Klamath County in Oregon and at a point
about four miles south and about four feet high all
points in the ground within a mile of rock and earth around
the same which part is at the north east end of the
road to East Extending thence northwesterly for part of the southeastern
corner of this claim, said corner being defined by a post and
measuring one thousand feet and south of the same one hundred
and ten feet in the ground. Extending thence in a northwesterly
direction 1/200 part to past the NE corner of the claim
therein in a northwest direction 200 part to the corner
of the vein or lode described by post and measured in the ground
in the same general direction a distance of three hundred feet.
A post and measured in the ground the NW corner of the
claim therein in a northwesterly direction 1/200 part to a post and
measured 200 foot by the owner on the 10th of May, 1870,
the same being the NE corner thereof. Thence in a northwesterly
direction to place of beginning. All said parts being about
from where described in the ground and about five feet
in height. Said Mining Claim known as the Bungett No. 2.
and described by the undersigned James W. Geary on the 10th of May, 1870. He
is now the owner thereof, and in the possession of said
claim is herein hereby sold for the sum of $1,500 on the 12th of May, 1870.

Nature is hereby given that we, the undersigned citizens of the United States of America, conforming to the mining laws thereof and the State of Oregon, and the local rules, regulations, and customs of mine, do hereby be the 27th day of June, 1893, locate and claim 1500 square feet on the lead deposit herein bearing mineral in place, by 500 feet in width, the same being 300 feet from each side of the center thereof, together with all dikes, fissures, and angles, and all other veins or leads, the top or apex of which lies within said boundaries.

This location is named the Keystone Lode or Mine, and is situated near the head of Desert Creek about 1 1/2 miles S. of the Homestead, near the unorganized Mining District of Baker County, State of Oregon, and is herein described as follows:

Commencing at this Notice and running thence one hundred feet in a North Easterly direction on said Lode, and fourteen hundred feet in a South Westerly direction therefrom, formerly known as the Red Jacket Mine.

Located this 27th day of June, 1893.

Charles Hamlin
L. G. Smith
R. K. Kennedy

All of Baker City, Ore.
Notice is hereby given to all whom it may concern, that Luther Mehan, a native born citizen of the United States, over the age of twenty-one years, having discovered a vein of quartz or rock in placer-bearing gold and silver, within the limits of the claim hereby located, and have this day made and in accordance with the Revised Statutes of the United States, Chapter Sixty-Digit Thirty-Six, located fifteen hundred linear feet of the vein or body, with an area of ground 600 feet in width, situated in the organized Mining District, Count of Baker, State of Oregon, and known as the Kingsberry Claim, and bounded by line 41° E. 72° 54' from the point of discovery, thence north 11° W. 246 feet to point from which the notice is given of placer shaft which is 246 feet from west end line of claim, the exterior boundaries of this claim being accurately marked by reference to some natural object or permanent monument, and more particularly described as follows: to wit.

Commencing at the S.W. cor. of Sec. 30, T. 17 S., R. 71 W., thence N. 81° 51' 25" W. 921.52 acres to S.W. cor. of claim; thence N. 17° E. 600 feet, thence N. 71° W. 1500 feet, thence S. 19° W. 600 feet, thence S. 71° E. 1600 feet to place of beginning.

This is a location of the Kingsberry made for the purpose of more definitely defining the bounds of this claim. And I intend to hold and work said claim as provided by local customs and rules of mining and the mining statutes of the State of Oregon.

Dated on the ground this 29th day of May 1893.

L. Mehan, locator.
Notice is hereby given that the undersigned, having complied with the requirements of Chapter 72, Title 32, of the Revised Statutes of the United States and the local customs, laws and regulations, has located fifteen hundred linear feet on the Dixon vein or lode, with its face ground, six hundred feet in width, situated in the unorganized Mining District, Baker County, State of Oregon, and described as follows:

Commencing at the discovery or prospect shaft, thence running North 1500 feet to N. center due stake; thence East 600 feet to stake; thence South 1500 feet to stake; thence West 600 feet to stake; thence North 1500 feet to stake; thence East 600 feet to N. and Center stake; thence South 1500 feet to the place of beginning.

Dated on the ground this 29th day of June 1878

Notice by record is hereby given that the nonresident citizens of the United States of America and each above the age of twenty one years having locate and reserved a vein of Quartz on both in place bearing gold and other valuable minerals as the same lying upon the public mineral lands of the United States, are subject to location and appropriation, and the said citizens, having in all respect complied with the local laws, rules and regulations, and with the laws of the United States, have located and appropriated fifteen hundred feet of the said vein or lode named and known as the Jo Meek Quartz Mine, together with six hundred feet in width of surface ground along the same, said mining claim being particularly described as follows:

Beginning at a stake and mound of rock situated on the northwest side line of the Perham quartz claim at a point where the Perham and Jerey quartz mining claims join, extending thence northeast west three thousand feet to a point and mound of rock, then thence to the north west end of the vein or lode, thence three hundred feet south and east a point and mound of rock, the same being the north east corner of this claim and the north west corner of the Barber quartz claim, extending from thence south and east, fifteen hundred feet to the south east corner of this claim which corner is marked and designated by a post with of earth and rock around the same, from thence extending south and east three hundred feet to a stake and mound of rock, the south east end of the said vein or lode, thence three hundred feet in a south eastern direction to a post and mound of rock, the same being the south east corner of this
Claim, extending from there in a north-western direction fifteen hundred feet to the place of beginning, which said point is the south-east corner of the Jersey quartz claim, the north-west corner of the Ruckham quartz claim, the south-east corner of the Barlow quartz claim and the north-east corner of the Jo Mill claim, all of which are in the organized Mining District, Baker County, Oregon. The said Jo Mill claim or body having been discovered June fifteenth 1872, and preliminary discovery notice posted thereon on said day claim lying fifteen thousand linear feet of the said vein north, with six hundred feet in width of said vein; all of which is now in the actual possession of and under the possession of the said Jo Mill claim. The paid date of discovery and upon which the said claim has been paid is continuously working and developing the same vein since said paid date of discovery, and of which it is our intention jointly to hold, work and develop under the mining laws of the United States.

Petition.
Gray King

We, the undersigned, who are citizens of the United States, hereby declare and give notice to all persons concerned that we have discovered a vein or lode within the limits of the claim hereby located and are hereby located and claim under and by virtue of the laws of the State of Oregon a mineral claim upon said vein or lode 150 feet in an east and west direction and 750 feet in a north and south direction from the center of discovery shaft, at which shaft the notice and statement is posted and 300 feet on each side from the middle of said lode or vein at the surface: Comprising in all 1500 feet in length along said vein or lode and 25 feet in width, with all the rights and privileges as to surface ground and lode vein or lodes within the boundaries of said claim which are given or allowed by the laws of the United States and of the State of Oregon. This location is distinctly described on its ground so that its boundaries can readily be located by a stake set at discovery shaft where this notice and statement is posted the 16th day of August 1893, and by substantially posted at each corner of claim. The mining claim hereby located is situated in the organizing and mining district Walker County, State of Oregon. The adjoining claim is the East Chance claim on the east and adjoining north. This claim is located on its south side of a gulch about 10 miles NE from Baker City. Dated the 16th day of August 1893 and signed Stephen Beagle, Noah Perry, W. T. Johnson, W. J. Stott, W. E. Stock.
The "Blue"

Notice is hereby given to all whom it may concern that the undersigned citizen of the United States, over the age of twenty-one years, having discovered a vein or body of gold in rock in place being located within the limits of the Claim hereby located, and here this day, and in accordance with the Revised Statutes of the United States, Chapter Six, Title Thirty-six, has located 15,000 linear feet of this vein or body, with surface ground 200 feet in width, situated in an unorganized receiving district in Baker County, State of Oregon and known as the "Blue" copper receiving Claim and extending southerly 1000 feet to E. E. and westerly 200 feet south to South East Corner from this point at the discovery stop, to the westward of 1000 feet from North East Red Line, the area extending of this claim being distinctly marked by reference to some natural object or permanent improvements, and was particularly described as follows: situated about 5 miles east of Hutt's Line and about 14 miles south of Hutt's Road,

I intend to hold and work the said claim as provided by local customs and rules of practice and the mining statutes of the United States.

Dated on the ground this 15th day of August, 1878

John German Rodgers
The "Portland"

Notice is hereby given that the undersigned, having complied with the requirements of chapter six of title thirty-four of the Revised Statutes of the United States and local mining laws and regulations, have located 1500 feet in length on the Portland vein or lode with surface ground 600 feet in width situated in an organized mining district and described as follows:

Commencing at the discovery stoping shaft lines running 1000 feet in a north-west direction and 500 feet in a south-east line from said discovery shaft together with 20 feet on each side of the center of the vein situated in the divide between the back and Mount Pisgah about 1/2 mile S.E. from Mill Hill and dated the 18th day of August 1893.

J. A. Beggs
Registrar

The "Stony"

Notice is hereby given that the undersigned, having complied with chapter six of title thirty-four of the Revised Statutes of the United States and local mining laws and regulations, have located 1500 feet in length on the Stony vein or lode with surface ground 600 feet in width situated in an organized mining district of Walla Walla County, State of Oregon and described as follows:

About 1/4 mile S.E. from Mount Valley Station. Commencing at this point which is posted on a pile of rocks and running south-west 500 feet and north-east 1000 feet and 300 feet on each side of the center lode.

Dated on the ground this 25th day of August 1893.

Patrick M. Kerney
Registrar
The "Salt Chance"

Notice is hereby given that the undersigned, having complied with the requirements of Chapter 6 of the Revised Statutes of the United States and the local laws and regulations, have located 1/40 acre on the face of the Iverness Bluff body with upper ground 90 feet in width situated in an organized mining district. The claim is located 1/40 acre and described as follows:

Commencing at discovery and running in a westerly direction 100 feet to the recorded West end of the "Salt Chance" road. This claim is the west quarter of the NE 1/4 NE 1/4 of Section 15, T5N R5E, in the Slocum and Bunn claim and about 10 miles East from White River and to be known as the "Salt Chance".

Dated on the ground this 26th day of August 1873.

Notarized August 26th 1873.

J.H. McAllister, Notary Public.

John B. Bunn, Recorder.

The "Summit" S.E. 1/4

Notice is hereby given that the undersigned, having complied with the requirements of Chapter 6 of the Revised Statutes of the United States and the local laws and regulations, have located 1/40 acre on the "Summit" road with upper ground 90 feet in width situated in an organized mining district. The claim is about 10 miles Southeast from the White River Mine and shall be known as the "Summit" road. Dated on the ground this 2nd day of October 1873.

Notarized August 26th 1873.

J.H. McAllister, Notary Public.

E.B. Slocum, Recorder.
Notice is hereby given that the undersigned have camp
located in accordance with the requirements of Chapter 25 of the Thirty
Account of the Revised Statutes of the United States, and the Local
Commons and Regulations have located 1,000 acres
and the same have been surveyed into 200 acres with the above referred
This land shall be known as the Last Chance described
as follows: commencing at a point at the mouth of New York
run, and running 800 feet in a southerly direction and
in a southerly direction. This line extends to
the land of the claimant and also to the land of the claimant 800 feet on each
side at said point with all stops, spurs and angles located
this the 19th day of August 1893, in the county of Oregon and
lying on the same

State of Oregon,

Before me, a Notary Public personally appeared C. E. Pace who being duly sworn says for himself that at least 100 dollars worth of labor and improvements were expended and made upon the Pacer's Mill located in Baker County, Oregon, during the year ending the 31st of December 1873, and that he believes the value of said improvements on the 1st day of September 1873 to be at the expense of C. E. Pace, the owner of said improvements, and that C. E. Pace is the true owner of said improvements as required by the United States mining statutes.

C. E. Pace

Subscribed and sworn to before me this 15th day of September 1873.

Witness: Joe McMurray

Edna Hanek

Notary Public for Oregon
STATE OF OREGON SS.
COUNTY OF BAKER.

BEFORE me, a notary public, personally appeared W. L. Bowers, who being duly sworn, says he is the owner of the following described mining claim, viz: the "Viola," a quartz receiving claim as the same is recorded at page 153, Volume 1 of Quat. Records for Baker County Oreg., located by Frank Miller, situated in the organized mining district of Baker County State of Oregon. During the year ending December 31, 1871, such improvements were made by me, at the expense of Frank Miller, the owner of said mining claim, for the purpose of holding said mining claim as required by the United States mining statutes.

L. E. Poor.

Subscribed and sworn to before me this 15 day of Sept 1872.

W. L. Bowers. Notary Public for Oregon.

The Viola.

Above is hereby given that the above-named W. L. Bowers, has complied with the requirements of Chapter 45, 1st Section, Title 44, of the Revised Statutes of the United States and local custom, laws and regulations, has located and staked a certain mining claim, viz: on the Viola Mine in Baker County State of Oregon, and described as follows:

On the north line of the Gilliam Claim which is on the south end of the said Gilliam Claim, and running northly 1500 feet with the east line of the said Gilliam Claim, and thence east for 1600 feet, at right angles with the north line of the said Gilliam Claim, and thence south 1500 feet, at right angles with the east line of the said Gilliam Claim, and thence west with the south line of the said Gilliam Claim, to the place of beginning, containing 160 acres. Being given to W. L. Bowers.

This claim was located on the 17th day of January, 1872, and recorded on the 19th day of August, 1872.

W. L. Bowers.

Recorded Aug 19, 1872.

Forest Aug 19, 1872.

A. C. L. Bowers.

Certified.
This is to certify that at the undersigned claim on the day, located
and claim fifteen hundred linear feet on the record, being
the legitimate amount of surface ground, beginning
at this notice and extending 1873 feet east of the
west line of the claim, to wit: 1873 feet east of the
Washington Gulch and about two hundred fifty
east of the north line of a house occupied by the
Washington Gulch Mining Company. This claim is very
large and the owners thereof,

Notice is hereby given to all whom it may concern, that P. S. Barkhead and J. H. Ballard of Baker County, Oregon, citizens of the United States over the age of 21 years, having discovered a new mining claim comprised of a certain piece of ground, situated within the limits of the claim hereby located and shown on the map, with due notice and in accordance with the several statutes of the United States, do hereby locate the same and do hereby locate a certain mining claim comprised of a certain piece of ground, situated in Baker County, Oregon, and north of the wedge county, containing 5 acres and extending northly 1,800 feet to a point and southerly 720 feet from this point, with the discovery or prospect that which is 4,800 feet from the north and line of claim. The extent, boundaries, and the claims being the subject thereof being described by reference to the original survey of the land or monument thereof and more particularly described as follows, to-wit:

Commencing at a point on the east line of the Empire County Claim, where the west and line of the Empire County Claim crosses said east line of the Empire County Claim, thence north southerly along the west and line of the Empire County Claim 1,500 feet northwesterly to the north line of the Orange County Claim, thence westerly along the north line of the Orange County claim 50 feet westerly to the west corner of the Orange County claim, thence southerly 76 degrees west and along west and line of the Orange County claim 1,201 feet to point. Thence 141° 7' 40' west 1,800 feet north to the north boundary, common part of the Empire County Claim. Thence south southerly along the east side and line of the Empire County 1,800 feet to point. Therein is S. W. 1/4 SE. 1/4 East 10th, and we intend to hold and work said claim as provided by local custom and rules of practice and the existing statutes of the United States, and of Oregon, based on the ground this 18th day of September, 1873.

P. S. Barkhead

John W. Ballard

Witness
Notice is hereby given to all whom it may concern, that N. W. Norwood, of Baker County, Oregon, a citizen of the United States over the age of 21 years, having discovered a vein or body of quartz or rock in place bearing gold within the limits of the claim hereby located and hereon this day recorded, in accordance with the Revised Statutes of the United States, Chapter 24, Title 34. The said location has been located at the hundredth degree of east, feet of this range with surface ground (80 feet in width) situated in the organized mining district, County of Baker, State of Oregon, and known as the Empire staking claim, containing 10 acres, described as the Empire claim, being bounded, and clearly described, the exterior boundaries of the claim being definitely marked, by reference to certain natural object or permanent monument and now fictitiously described as follows, to wit:

Commencing at a point from which the 1/4 section corner on the west side of section 21, Township 9, Range 11 East, bears N. 49° 31' E. 350 feet distant, thence N. 49° 31' E. 1800 feet to point, thence S. 49° 31' W. 1800 feet to point, thence N. 49° 31' E. 1800 feet to point, thence N. 49° 31' W. 1800 feet to place of beginning. This is a relocation of the Empire claim, made for the purpose of more definitely defining the bounds of the claim, claim originally located Oct. 2, 1871, and I intend to hold said work and claim as provided by local custom and rules of Union and the mining statutes of the United States.

Dated this 19th day of September, 1873.

N. W. Norwood.

[Signature]
Notice is hereby given to all whom it may concern that No. 20, New York & Bath County, Oregon, is a claim of the United States over the age of 21 years, having discovered a vein or body of quartz or other valuable mineral substance within the limits of the State of Oregon, located and situated in the United States of America, and subject to the location laws of the United States of America, and extending 120 acres, or 1/2 mile square, from the actual center of said claim, and being situated and described as follows:

1. The south line of said claim is a line parallel to the north line of the claim of Joseph Davis, the same being the south line of the original claim of said Davis, as recorded in the office of the Register of Deeds in Baker County, Oregon, and being 5 miles south of the same.

2. The west line of said claim is a line parallel to the west line of the claim of William Johnson, the same being the west line of the original claim of said Johnson, as recorded in the office of the Register of Deeds in Baker County, Oregon, and being 5 miles west of the same.

3. The north line of said claim is a line parallel to the north line of the claim of John White, the same being the north line of the original claim of said White, as recorded in the office of the Register of Deeds in Baker County, Oregon, and being 5 miles north of the same.

4. The east line of said claim is a line parallel to the east line of the claim of John Smith, the same being the east line of the original claim of said Smith, as recorded in the office of the Register of Deeds in Baker County, Oregon, and being 5 miles east of the same.

The description of the location of said claim is as follows:

1. From the south line of said claim, a line parallel to the north line of the claim of Joseph Davis, 1/2 mile.
2. From the west line of said claim, a line parallel to the west line of the claim of William Johnson, 1/2 mile.
3. From the north line of said claim, a line parallel to the north line of the claim of John White, 1/2 mile.
4. From the east line of said claim, a line parallel to the east line of the claim of John Smith, 1/2 mile.

The boundaries of said claim are described as follows:

1. From the south line, a line parallel to the north line of the claim of Joseph Davis, 1/2 mile.
2. From the west line, a line parallel to the west line of the claim of William Johnson, 1/2 mile.
3. From the north line, a line parallel to the north line of the claim of John White, 1/2 mile.
4. From the east line, a line parallel to the east line of the claim of John Smith, 1/2 mile.

Dated this 19th day of September, 1893.

W. W. Norwood,
Register.
The "Amador"

Notice is hereby given to all whom it may concern, that W. Norwood, of Butte County, Oregon, a citizen of the United States, over the age of 21 years, having discovered a vein or body of quartz or rock in place, bearing gold within the limits of the "Amador" lode, located and hereby set down, and in accordance with the laws of the State of Oregon, designated by the United States, Chapter 21, Section 11, of the Public Land Laws, and the limits of the lode, situate in Butte County, Oregon, and known as the "Amador" lode, or the "Amador" Mining Claim, and extending 718 of a mile, or 3100 feet, to the north, and 833.56 of a mile, or 3071 feet, to the east, from the起点 of the north line of a quarter section of land, which is 300 feet from the north line of said quarter section, and on the line of the described lode, the exterior boundaries of this claim being distinctly marked by reference to some natural object of permanent monument and such parts described as follows to wit:

Commencing at a point which is the south-west corner of the Virtue Mining Claim, which claim is known as the Virtue Mining Claim, in Section 21, Township 9 S.R. 4th East, Range 9 E., 1860 feet to the north, thence N 81.51° E 3111 feet to a post on the north side of the Angelina Claim, thence S 81.51° W 1860 feet to a point on the south side of the Angelina Claim, thence W 47° 10' along the east line of the Virtue Claim 3111 feet to the place of beginning. This is an amended location of the "Amador" Quarterly Claim, made for the purpose of more definitely defining the boundaries of the claim.

Wm. Norwood

N. Norwood

Locators
The May Flower

Notice is hereby given to all whom it may concern that C. J. Norwood of Wapato county, Oregon, citizen of the United States, over the age of 21 years, having discovered a vein or lode of gold at the

northeast corner of the town of Wapato, on the

Pike River, and in addition to the surface rights

of the above named town, has located a certain

mining claim on a part of said ground

situated in the vicinity of the town of Wapato, in said county, and

known as the May Flower mining claim,

and extending to the west and north from the

northeast corner of the town of Wapato, being

boundaries of said claim being

described as follows:

Commencing at a point from which

the 1/4 section corner on the east side of the town

of Wapato, and

Thence S 81° 30' E 348 feet

Thence S 81° 30' W 180 feet

Thence S 81° 30' W 660 feet

Thence N 81° 30' W 660 feet

Thence N 81° 30' W 180 feet to point,

Hence S 81° 30' W 660 feet to point,

Hence N 81° 30' E 348 feet to point,

Hence N 81° 30' E 180 feet to point,

Hence N 81° 30' E 660 feet to point,

Hence S 81° 30' E 660 feet

Then return to the beginning.

This is a location of the May Flower mining claim made for the purpose of

applying for and

said claim

determined at the ground the 19th day of September, 1893.

C. J. Norwood

for owner.
The Snow Lake

This is to certify that E. S. Newcomb, of Baker County, Oregon, a citizen of the United States, over the age of 21 years, having discovered a vein or body of quartz or rock in place bearing gold within the limits of the claim hereby located and have, this day, under and in accordance with the Revised Statutes of the United States, Chapter 26, title 25, has located a claim for a hundred feet of this vein or body, with surface ground 100 feet in width, situated in an organized mining district, County of Baker, State of Oregon and known as the Snow Lake Quartz Mining Claim and extending 21 1/4

w 15 11 feet to point which is at the 2110th east line of claim. The exterior boundaries of this claim being distinctly marked by pegs driven the natural objects or permanent monuments and more particularly described as follows:

Commencing at a point which is the 1/4 East line of the Empire quartz mine and from which the 1/4 section corner at the West side of section 21 in Township 9, S.R. 41 East bear N 87° 16' E 581 feet distant hence N 31° 40' W along the 2110th east line of the Empire Claim 18,000 feet to point whence N 65° 30' E 3,600
feet to point whence S 11° 30' E 1800 feet to point whence S 65° 30' W 6000 feet to place of beginning, this is an amended location of the Snow Lake quartz mining claim for the purpose of more definitely defining the boundaries thereof. Claim originally located December 20, 1891.

And I, E. S. Newcomb, do hereby claim as provided by local custom and rules of miners and the mining statutes of the United States and of Oregon.

Dated on the ground this 19th day of September, 1893.

E. S. Newcomb

Scraper.
The "Lily"

Notice is hereby given to all whom it may concern that
G. S. Horwood of Multnomah County, Oregon, Citizens of the United
States of America, of the age of 21 years, having discovered a cin
or other body of quartz or rock in place bearing lead within
the limits of the claim hereby located and have this day
marked and inclosed in accordance with the United States
The United States Chapter 6th with thirty-two
located 360 acres, part of the said land with proper
granted 500 feet in width situated in the county of
Yukon, and the County of Seattle, District of Washington State, and named
the "Lily" Quartz-Mining Claim, and
extended N 49° 49' 30" feet to past from the center of the
mined, and a prospect of drift which is 170 feet from
northly and line of claim, the exterior boundary of this
claim being distinctly marked by reference to some
natural object or prominent and are particularly describes
as follows:北
Commencing at a point which
stands N 47° 30' distant from the north-west corner
of the United States Park and Claimed by S. S. Hoyn, No. 1, 30' feet

The Kaly

Notice is hereby given to all whom it may concern that we, Dennis McCarthy and John Oates, citizens of the United States over the age of 21 years, owning a vein or body of quartz or copper in place lying and running within the limits of the claim body located and having the said mine and in accordance with the Revised Statutes of the United States, Chapter 24, title sixty-two located fourteen hundred and twenty feet on the vein or body with a surface ground of four hundred feet in width, situated on Comstock Creek running west of the line of Baker and known as the Kaly Quartz Mining Claim, extending seven hundred and fifty feet north east of the center to a monument and seven hundred and fifty feet south west to a monument on the western limit not quite at the said center of prospect shaft which is 300 feet from each side line. The western boundary of this claim being described by reference to some natural object or permanent monument and more particularly described as follows: This claim is about 1/2 mile from Comstock Creek Post Office in a South West direct line and about 3 miles from Dorr School in a North East direct line. And we intend to hold and work said claim as provided by local custom and rules of miners and the Mining Statutes of the United States.

Referred on the ground this 24th day of July, 1892, discovered July 24th, 1892, located July 24th, 1892.

Dennis McCarthy

John Oates

Attest: Oliver Alliston,

P. J. McCarthy.
Notice is hereby given, that the undersigned having complied with the requirements of Sec. 2344 of the Revised Statutes of the United States and the local laws, rules, customs and regulations of this district has located 18,000 feet in length by 500 feet in width on the Buell Oak location vein of deposit bearing gold above the other precious metals estimated in the organized Mining District of Butte County, State of Oregon, the location being marked and described as follows:

Commencing at this notice, and running 18,000 feet in a South Eastly direction and 500 feet on each side, including all stopes, levels and extent running north and south across said claim and is situated about 4 miles N.E. of the nearest mine and on the west slope of Black Butte, and 10 miles across the North end of the Kibbler Mine. The Mining Claim described above being known as the Buell Oak located on the 21st day of August 1893.

W. H. Hornbeck,
Geo. D. Ginley, Secretary.

The Black Prince

Notice is hereby given, that the undersigned having complied with the requirements of Chap. 6 of the Revised Statutes of the United States and local customs and regulations has located 18,000 linear feet on the Black Prince vein or body with copper ground 500 feet in width situated in the organized Mining District of Butte County, State of Oregon and described as follows:

Commencing at this notice and running 5,000 feet in a North Westly direction and 10,000 feet in a South Eastly direction and 500 feet on each side, together with all stopes, levels and angles, so situated about 1 mile S.E. from Kibbler Mine, and on the S. E. 1/4 of Sec. 18

Dated on the ground this 21st day of August 1893.

W. H. Hornbeck,
Geo. D. Ginley.
D. C. & Co. being first duly sworn on my oath say, that more than $4,000 worth of work, labor, and improvements were performed and made by us upon the following mining claims to-wit. The Rand, Asbestos, mining claim, the Phelps Ash, Iron mining claim, the Stutter Ash, Iron mining claim, for the year and during the year 1893. Said claims being situated in section 13, Township 10, north of Range 6, E. W. meridian, in the junction of Sumpter and Greene townships, Baker County, Oregon. Said improvements for work, labor, and improvements were made at the expense of the Rand, Stutter, and Black Ash claims. On the sworn testimony of said claimants, we do certify that the work was done in the necessary and beneficial development of all said claims, and was all done upon one of said claims, as reassessment work on all of said claims for the year 1893.

D. C. & Co.

Subscribed as sworn to before me this 11th day of September, 1893.

between the 10th day of September and the 10th day of October, 1893.

Subscribed and sworn to before me the 2nd day of October, 1893

Edward W. Bogerd
Notary Public for Oregon.
October 1873.

To the people of the United States:

We, the undersigned citizens of the United States, do hereby certify that we have discovered a vein or deposit of quartz or ore on the boundaries of the claims hereby recorded, and have this day marked and ranged the line, in accordance with the laws of the United States, Chapter Six, Title Thirty-two, located 1500 feet west of the said vein on the line with Oregon grants, and 1000 feet in width, situated in the organized mining district of the County of Klamath, in the State of Oregon, and known as the Paragon Claim, by marking the boundary lines and stakes, and marked and located as follows:

The said Claim is about one mile west of Paragon Hill, about one mile south of the town of Brookings, and extends a mile and a half north of the town of Gold Beach, and is marked by stakes and other natural objects.

We, the undersigned, do hereby certify that said Claim is within the limits of the United States and is located as above stated.

Dated this 2nd day of October 1873.

Notice of Location of Quartz Claim.

Notice is hereby given to all people having claim to land that I, A. F. Meyer, being a citizen of the United States over 21 years of age, have discovered a gravel or bed of Quartz ore on the place lying and being known as the "Barker Quartz," in the County of Baker, State of Oregon, and have this day under and in accordance with the Revised Statutes of the United States, Chapter 62, Title 30, located a certain 1500 foot area of land, known as the "Barker Quartz" Mining Claim, and called "Barker Quartz," in the County of Baker, State of Oregon, and known as the "Barker Quartz," Mining Claim, and extend due south 1500 feet to the west and mine organized.

Mining District, County of Baker, State of Oregon.

This Claim being distinctly marked by reference to the natural object of permanent monument and more particularly described as follows: being situated about two miles south of Baker Creek, the divide between right hand from Washington Creek and Elk Creek, running from the divide directly to a point about 1000 feet from the right hand fork of Elk Creek, Claim being named Elk Creek, at center ends and four corners, and intended to be held and worked said Claim as provided by local customs and usage of miners and under the mining statutes of the United States.

Witness the premises this 23rd day of September, 1873.

A. F. Meyer

Locators.
Notice is hereby given to all whom it may concern that Lawrence Street, being a citizen of the United States, doth hereby apply for and grant in the name of the said Lawrence Street, located and situated in the State of Nevada, the following described mineral location:

Located and situated fifteen hundred feet on the summit of a ridge in the mountains, nineteen miles from the town of Virginia City, in the county of Storey, in the State of Nevada, and being a location described as follows:

Commenced at the place where the said Lawrence Street first entered the mountains, and extending fifteen hundred feet, to an east and west line.

From thence to the discovery or prospect shaft, which is

At the east end of the line of the exterior boundary of the claims, being distinctly marked by reference to three natural objects or permanent monuments—said boundary being situated about seven miles from Reno, Nevada, in the county of Storey, in the State of Nevada.

The said Lawrence Street, being the discoverer and owner of the aforesaid location, and the said Lawrence Street, being the owner of the aforesaid location, do hereby declare that the said location is situated in the mountains, and is marked by reference to three natural objects or permanent monuments—said boundary being situated about seven miles from Reno, Nevada, in the county of Storey, in the State of Nevada.

Witness my hand and seal, the day of September, 1873.

October 15, 1895

Notice is hereby given that the undersigned, W. L. Smith, having complied with the requirements of Chapter 69 of Title 30 U.S.C. and the Mineral Law of the United States and local customs and laws of the regulations, has located (an unknown number of) acres of land, on the "Doubtful" vein or bed, on a course of a modem 1500 feet in width situated in the organized mining district of Baker County, State of Oregon, and described as follows: Commencing at the north end of the Doubtful vein, and extending 1500 feet northward, and 1000 feet eastward, and then 1500 feet northward, and 1000 feet eastward, and then 1500 feet northward, and 1000 feet eastward, and then 1500 feet northward, and 1000 feet eastward, the said mine is located on the highest peak of the mountain, and one mile south west of Huffman's Ranch, dat

Oated Oct. 3, 1895.

m. 13. 5

Location:

Complied with the United States and local laws, by W. L. Smith of the United States, and also with the laws of the State of Oregon, and adhered to.
Notice is hereby given to all persons interested that on the 2nd day of October, 1893, W. J. Brown, having discovered a mining location on the property known as the Boliva mining claim and extending 300 feet south from the northern boundary of the property, which is a straight line from the north end of the claim, and being the boundary of the claim being distinctly marked by stakes, a wood, and a fence, and further described as follows:

Beginning at State No. 1, being the south end of the claim and running south 1800 feet to State No. 3, thence 1800 feet west to State No. 4, thence 300 feet south to State No. 6, thence 750 feet east to place of beginning. This claim lies to the south side of Salmon Creek and about 2 miles above Nelson Mine, and about 1 mile west of Baker City, Oregon.

And are entitled to work and claim as provided by local customs and rules of miners and the mining statute of the United States, dated on the 12th day of October, 1872, renewed Oct 19, 1893.

The 'Lemora' 

The following notice is hereby given to whom it may concern that we, the undersigned citizens of the United States, on the 5th day of September, 1893, have been located a vein and body of gold bearing ore within the limits of the claim hereby located, and have this day filed and recorded in the course of locating and mapping the same, in accordance with the mining laws of the United States. The vein is located 150 feet due north from the surface ground and is 600 feet in length and 20 feet in width, and extends north and south. The vein is estimated to contain 100 tons of ore, which is 50 feet in its new and line of claim. The extent of bounding the claim being distinctly marked by reference to some natural object or permanent landmark and were particularly described as follows, that is:

This claim joins the 'Dawson's' claim on the southeast, about 1500 feet from the mouth of the river, and about two miles northwest from the Marshall claim, and was located and recorded on the 5th day of September, 1893, in the name of W. J. Dawson.
The Decribable

Dated Nov 1893

W. Bragg

Notice is hereby given to all Persons: It may concern that J. R. Parkerby, S. Whittle and A. E. Marshall, Citizens of the United States over the age of 21 years, having discovered a vein in the said Quarter section bearing Gold and Silver within the limits of the Claim not yet located, and have this day marked in accordance with the several statutes of the United States, Chapter 6, Title 50, Section two, located three hundred feet of the vein to the lake, with an area of six hundred feet in width situated in the mining District of the State of California, known as the Decribable Grant, containing said Claim and extending in a W direction from this notice at the deserting prospect shot which is 120 feet from South West end line, the eastern boundary lines of this Claim being distinctly marked by pegs at some natural object or permanent mark, particularly described as follows:

This claim joins the Southerly Vein on the South East about 1200 feet from the point that is 2 miles Northwest of Mule Springs and about 3 miles East of the Victor mining, and we intend to hold said Vein and claim as provided by law, custom and rules of miners and of the several statutes of the United States.

Dated on the ground the 6th day of Oct. 1893.

Signed Oct 6, 1893.

Geo. Schneider.
notice is hereby given that the undersigned have
complied with the requirements of Chapter Six of the
Thirtieth Two of the Revised Statutes of the United
States, and the local laws, laws and
regulations, have located 18.00 acres, feet on the
Barrie Bell to the side line of the Drainage
main at point the first foot with to a point, 18.00 east in
length by 200 feet in width. Name of hill
Barrie Bell, Descended Oct 26, 1893.
R. C. Reid
W. W. Osborne Smith.
Notice is hereby given, that John Boyce, and J. B. C. a citizen of the United States, on the 21st day of May, 1874, having discovered a mining claim described as follow:

Gold and Silver within the limits of the claims hereby located, and have taken steps to locate and perfect the same, pursuant to the provisions of the United States Act of 1872, entitled 'An Act to locate mining claims, and for other purposes.'

The claim was located on land situated in the Ophir District, at the point of land described as follows:

Beginning at a point on the south side of the road to the East of the Ophir post office, and running thence north 84 degrees east 400 feet, thence east 180 degrees north 400 feet, thence north 180 degrees east 400 feet, thence west 84 degrees north 400 feet to the place of beginning.

The boundaries of this claim being distinctly described by reference to some natural object or prominent measurement and more particularly described by plat, situated in the north side of Greenwood Creek, one half mile south of Robinsonville and running across County road and east of Executive Ophir Claim.

And we intend to hold and set said claim as provided by local custom and rules of usage and mining statutes of the United States, discovered Sept. 22, 1873.

Located Nov. 22, 1873.

John Boyce
A. Stein, Claimant.
Notices to heirs given that the undersigned having complied with the requirements of Chapters six and twelve Thirty Two of the Mining Laws of the United States and the local mining laws and regulations has located 1800.00 feet from the Quartz-Creek situated in an organized mining district Baker County, Oregon and described as follows:

Commencing at the mouth of Quartz Creek and running 1800.00 feet in a Westerly course to a monument built of rock. This claim shall be known as the "Thirty two mile" claim, about one and a half miles up Quartz Creek, from the mouth of Quartz Creek, and thirty two miles below the junction of Quartz Creek and Baker County, Oregon.

Rescinded Nov 9th 1893.

Signed Nov 9th, 1893

Notice is hereby given to all whom it may concern that
J. D. Danielby of Baker County, Oregon, citizen of the
United States, on the day of 1870, having discovered
a vein of talc to occur in place known as the
within the limits of the claim hereby located and have
this day recorded and in accordance with the said
Statutes of the United States, on the 1st day of July
two, located 1870 linear feet of the said
lode with surface ground 20 feet in width
situated in his organized mining district Baker
County, State of Oregon, and known as the
A. C. A. A. A. Claim, containing 1870 square feet,
and extending 1870 feet to post from this point
which is at the North east end line of claim. The
time of discovery of this claim being distinctly marked by
reference to some natural object or permanent landmark
and more particularly described as follows:

Commencing at a post and bearing a run
from which a 1/2 by cabin, known as the Lewis cabin
bear a 45° 23' 2.50 chain distant, this cabin is
situated about one mile South Westly from the
head of the cabin in Cable town, in Camp 8, R. 26 E in
Baker County, Oregon. Thence N. W. 1/4, 1000 feet to post. Thence N. 1/4, 1000
feet to post. Thence N. 1/4, 1000 feet to post. Thence N. 1/4, 1000
feet to post. Thence N. 1/4, 1000, and 1000
feet to post. Thence W. 1/4, 1000, and 1000
feet to post. Thence S. 1/4, 1000, and 1000
feet to place of beginning. This is a descrip-
tion of the claim and the mining claim made to be
so designated. Define the boundaries thereof, and I intend
to hold and work said claim as provided for by the
statutes of the United States and of the State of Oregon,
dated on this day of July, 1871.

J. D. Danielby, owner.

Attest: John Shenton.

Thomas Shenton.
Oregon Chief

Notice is hereby given to all whom it may concern that Thomas Thornton of Baker County, Oregon, citizen of the United States, for the age of 21 years, having discovered a vein or ledge of quartz rock in place being sold within the limits of the claim hereby located, and have the day and year in accordance with the Revised Statutes of the United States, chapter 85, title 25, section 1, located 1800 linear feet of this vein or ledge with surface ground less 20 feet in width situated in the organized mining district known as the Baker Basin, State of Oregon, and known on the Oregon Chief Quary Mining Claim and by locating 1 8/36 W 15 03' feet from this point at the North Easterly and line of claim the following, known lines of claim being distinctly recorded by reference to some natural object or permanent monument and more particularly described as follows:

Commencing at a point on the principal open cut and shaft on the North East end of the claim bound 1/42 to 57 line's distant. Thence N 71/2 W along South west line of the area as the Chief Quartz Claim 99 feet to point. Thence 5 1/8 W 107 feet to point. Thence S 71/2 E 100 feet to point. Thence N 1 1/8 E 100 feet to point. Thence S 71/2 W 100 feet to point. Thence N 1 1/8 E 100 feet to point. Thence S 71/2 W 100 feet to the place of beginning. This claim is bounded on the N.W. by the Alphonse Quartz Claim.

This is a re-location of the Oregon Chief Quartz Claim made to more definitely define the boundaries thereof, and I intend to hold and work said claim as provided by local custom and rules of miners and the mining statutes of the United States and of the State of Oregon. Dated on the ground this 11 day of July 1873.

P. Basche

Notice is hereby given that P. Basche, being the present owner of the Quartz mining claim known as the Bellum Quartz Mining Claim, the same being recorded upon the mining records of Baker County, Oregon, Book 3, Page 671, doth, in good faith, intend to hold and work the same as provided by local customs and rules of miners and mining statutes of the United States, taking advantage of the amendment to Section 2334 of R.S., relating to mining claims suspending for the year 1893. The operation of the statute requiring $100 annual assessment work on unpatented mining claims.

Dec. 20, 1893

P. Basche
Intention - The North Star Quartz Mining Claim

Notice is hereby given that P. Basche, being the present owner of the North Star Quartz Mining Claim, the same being recorded upon the mining records of Baker County, Oregon, Book - Page, in good faith intends to hold and work said claim as provided by local customs and rules of miners and mining statute of the United States, taking advantage of the amendment to Section 2324 of S.C. relating to mining claims suspending for the year 1893 the operation of the statute requiring $100 annual assessment work on unpatented mining claims.

Dec 20 1893  P. Basche

Intention - Eldorado Quartz Mining Claim

Notice is hereby given that P. Basche, being the present owner of the Quartz Mining Claim known as the Eldorado Quartz Mining Claim, the same being recorded upon the mining records of Baker County, Oregon, Book - Page, in good faith intends to hold and work said claim as provided by local customs and rules of miners and mining statute of the United States, taking advantage of the amendment to Section 2324 of S.C. relating to mining claims suspending for the year 1893 the operation of the statute requiring $100 annual assessment work on unpatented mining claims.

Dec 20 1893  P. Basche
To whom it may concern:

I, the undersigned, for myself and on behalf of the other owners of the following property, in order to secure the benefits of the Act of Congress entitled an Act to Amend Section 224 of the Revised Statutes of the United States, approved November 3, 1893, relating to mining claims, hereby give notice that I/we intend to erect and work the following described mining claim:

The Affirmation Claim, located on Drift Creek in Baker County, Oregon. This claim has been regularly located and recorded as required by the laws of the State of Oregon and in compliance with the mining acts of Congress approved May 10, 1872, and all subsequent acts, and with local customs, laws, and regulations and the location certificate of which is recorded in the Office of the County Clerk and Recorder of the County of Baker, State of Oregon, on the day of

AD 18 in Book No. Page No. of Records of Baker County

Florence S. Bowen

State of Missouri

County of Jackson

This Notice was acknowledged before me by Florence S. Bowen this 18th day of December AD 1893.

I certify that my Commission expired September 5, 1896.

Robert S. Rodgers

in and for Jackson County

Missouri
Notice is hereby given that for the undersigned, being the present owners of the Carbon mining claim, known as the Carbon mining claim, the same being recorded upon the mining records of Baker County, Oregon, Bank Page in good faith intend to hold and work said claim as provided by the local customs and rules of miners and miners' statutes of the United States, taking advantage of the amendment to section 2554 of P.L. relating to mining claims, suspending for the year 1893 the operation of the statute requiring 400 annual assessment work or unpatented mining claims.

Date Dec. 22, 1893

W. E. Wood
E. Eastabrook

River View ninety Mine

Notice is hereby given that the undersigned, having complied with the requirements of chapter 15 of P.L. intoning two of the Revised Statutes of the United States, and local customs, laws, and regulations, have located a 1500 linear feet on the River View run or lode, with surface ground, 600 feet in width situated in the organized mining district Baker County, State of Oregon, and described as follows:

Commencing at discovery where this notice is posted, running thence 300 feet W. N. W. to 300 feet S. E. with 300 feet on each side of center of vein, also from all water and timber on claim; about 300 feet W. of the new bridge near Mr. Rice's on Provine River. Dated on the ground the 16th day Nov. 1893

Pat Long
Walter is hereby given to all whom it may concern, that
for the undesignated being citizens of the United States, over
the age of twenty one years, having discovered a vein or bed of
ore, or rock in place bearing ores within the limits of the
plain hereby located, and have this day, under and in accordance
with the Revenue Statutes of the United States, filed Title
therein, the same hundred linear feet of the said or bed, with
surrounding ground six thousand feet in width, situated in the Gold
Mining District, County of Baker, State of Oregon, and known as the
First National Copper Mining Claim, extending thereon and east from
four thousand feet to a line, and 1200 feet south to South Center and Stake, which is 1200 feet from this notice
at the discovery of a prospect, which is 800 feet from North end line; the exterior boundaries of this claim being distinctly
marked by reference to some natural object or permanent monument;
and more particularly described as follows:—

Beginning at the prospect, and running 800 feet to
North End Center Stake; thence 800 feet to W. E. Corner; thence
1500 feet to N.W. Corner; thence 800 feet to South End Center;
thence 800 feet to S. E. corner; thence 1500 feet to S. S. Corner;
thence 800 feet to N. Center and Stake; thence 300 feet to
prospect shaft. Said claim is located on each side of
second break about three hundred feet south of the Etonia
claim and about 400 feet east of the Here mine, and are
intended to hold and work said claim as provided by local
customs and rules of Miners and Mining Statutes of the
United States; and I claim all dips, opens and angles
on said claim.

Dated on the ground this 20th day of November 1875
Wm. Vernon
