Notice is hereby given that the undersigned
Chloride Mining and Milling Company, a corporation
whose office is located at 181 Third Street, Portland,
Oregon, owner of the Chloride Mine, the Iron City
Washing and the Ketchum Mine and the Chloride
Mill Site which claims are located in Rockvitu,
Weber County, Utah, and are more particularly
described in the survey made by order of the U.S.
Surveyor General for Utah as Mineral Survey No.
Lot No. 63 Township No. 6 South Range 27 W. M.
intend to hold and work the said claims in accordance
with the United States mining laws.

This notice is executed and accepted for the
purpose of acquiring the benefit of the Act passed
by the Fifty-Third Congress in extraordinary session
which suspends the annual assessment work
for the year 1873.

Lathrae, Oregon, December 22, 1873.

By, J.K. Romney
Manager.
Notice is hereby given that the undersigned Maxwell Consolidated Gold and Silver Mining Company, a corporation, with office located at 131 Third Street, Portland, Oregon, owner of the Mountain Belle Consolidated Quarters claims, which is designated in official survey as No. 264 Lot No. 41 and includes the Mountain Belle and the Sweepstakes Quarters claims; also the Mountain View Quarters claim, designated in official survey as No. 265 Lot No. 41; also the Summit Quarters claim, located by J. B. Baerly October 18, 1872 and recorded October 18, 1872 in Book G. Record of Quarters, locations in Baker County, Oregon, all of said locations being in Township 3 South, Range 23 East W.M. in Baker County, Oregon.

That it is intended to hold and work said claims in accordance with the United States Mining Laws, this notice being executed and recorded for the purpose of perfecting the benefit of the Act passed by the Fifty-Third Congress in extraordinary session, which provides the Annual Assessment Provision of the Mining Law for the year 1873.

La Grande, Oregon Dec. 1st, 1873
Maxwell Consolidated Gold and Silver Mining Company
by J.R. Krog, Manager
Chief of Hill Quantity Claim

Notice is hereby given that the undersigned, having complied with the requirements of Chapter six, Title Thirty-two of the Revised Statutes of the United States, and local customs, laws and regulations, have located 1500 linear feet on the Chief of Hill vein or ledge, with surface ground 600 feet in width, situated in the organized mining district, Baker county, State of Oregon and described as follows:

Commencing at this monument and running North East 750 feet and South West 750 feet, and we claim all parallel runs and all dips,spurs and stringers contained inside of this boundary. We claim 600 feet on each side of this vein. The location is about 400 feet North of the Firest Mine and running parallel and facing on the John Mine. This claim shall be known as Chief of Hill.

Abed, Tom Moran
Fina, Moran

The Columbia Quartz Claim

Notice is hereby given that the undersigned, having complied with the requirements of Chapter six, Title Thirty-two of the Revised Statutes of the United States, and local customs, laws and regulations, have located 1600 linear feet on the Columbia vein or ledge, with surface ground 600 feet in width, situated in the organized mining district, Baker county, State of Oregon and described as follows: This claim is situated on the West side of Marble Creek and joins the Poorman on the South side of the Poorman on the North side.

Commencing at the marker posted on a tree, running 500 feet Southly, and 1200 feet Northly, with 300 feet on each side of center of vein. Water on the ground this 6th of November 1873.

Frank Drisko.

Locater.
Notice is hereby given that the undersigned, James Anderson, citizen of the United States of America, having located the above described claims, due west of the line of the McEwen Ranch, Washington County, Oregon, and having due to the State of Oregon, and due to the local rules and regulations, and customs of miners, have this 9th day of November, 1893, located and do claim, 1500 square feet of land, east of the stream bearing mineral, in place, by 600 feet each side, the boundary line being on each side of the center thereof, together with all steps, spurs, and angles, and all other parts of land, the tops or apices of which lies within said boundaries.

This location is hereby named the "Blanchie County Mine".

Located about two miles east of the McEwen Ranch, and about 3/4 miles from the stage road, in the town of Portland, Washington County, Oregon, and bounded as follows: Commencing at the point, and running thence on a land and water line, due north, and thence due north, and thence due south, and thence due south, and thence due west to the beginning.

Discovery Monument and location Notice have been posted on the ground.

Located this 9th day of November, 1893.

A. G. Shull

Locator.
Hugget Hill Quartz Mining Claim

This is to certify that I, the undersigned, do, for this day locate and claim 1800 linear feet on this mineral bearing ledge, together with the legitimate amount of surface ground for working purposes.

This claim will be known as the Hugget Hill No. 3 and is situated about 1/2 mile east of the Bridge or Powder River, near the McCarthy Ranch and about 6 miles southeast of the town of Kalico.

This claim is also a north continuation of "Hugget Hill" claim No. 1, the north end being 100 yards south of Spring Ridge.

November 18, 1873

Robert Balentine

The "Humberdite" Quartz Lode - Leclu

Notice is hereby given that I, the undersigned, do, on this day locate and claim 1500 linear feet on this mineral bearing ledge, beginning at a stake at this notice and extending 1500 feet as a north course.

This claim is on what is known as the Humberdite ledge and will be known as the Leclu and is situated 5 miles north east of the town of Leclu and 1/2 miles east of a bridge on Powder River near the McCarthy Ranch.

The north end of this is about 200 yards south of Spring Ridge.

This lode is very wide and shows large cropping on the brow of low hills.

Dec. 7, 1873

C. A. Stephens
### The Nugget Hill, Quarters Lot

This is to certify that I, the undersigned do, on this day locate and claim 1,000 linear feet on the mineral bearing lead, beginning at this Notice and extending 1,000 feet in a north direction.

This claim will be known as the Nugget Hill, and is situated about 5 miles north-east of the town of Rains and 1½ miles east of a bridge on Bower River near the McCarthy Ranch and ¾ mile south of Spring Creek.

November 9, 1893

Thomas Finucane

### The Nugget Hill, No. 2 Quarters Lot

Notice is hereby given that I, the undersigned do, on this day locate and claim 1,000 linear feet on this mineral bearing lead, beginning at this Notice and running south 1,000 feet.

This claim is situated about 5 miles north-east of the town of Rains and 1½ miles east of a wagon bridge on Bower River near the McCarthy Ranch, and will be known as the Nugget Hill No. 2.

November 9, 1893

E.A. Stephens

### The Bunchholide Lot

Notice is hereby given that I, the undersigned do, on December 6, 1893 at 1 P.M., locate and claim 1,000 linear feet on this mineral bearing lead, beginning at this Notice and extending 1,000 feet due south.

This claim is a continuation of claims Nos. 1 and 2, on what is known as the Bunchholide lot, and is situated 5 miles north-east of the town of Rains and 1½ miles south-east of a wagon bridge on Bower River near the McCarthy Ranch.

November 16, 1893

Robert Valentine
Notice is hereby given that I, the undersigned, as of this day locate and claim 1870 linear feet on the mineral-bearing ledge, beginning at this notch and extending 1600 feet in a South course. This claim will be known as the "Humblot," and is situated 16 miles North East of the town of Waiman and 1 1/2 miles east of a bridge on Powder River near the W. W. Rothe Ranch and 14 miles South of Spring Gulch.

This ledge is very wide and prominent cropping and extends along the brow of low hill.

Nov. 7, 1893

Rubicon

Intention - Ramarak Quartz Mine

Notice is hereby given that we, E. C. Johnson, J. P. Kegelwood and D. A. Stangle, citizens of the United States, being the present owners of the quartz mining claim known as Rubicon, situated in Ramarak Gulch about one mile from Mammoth Mine, in the County of Baker, State of Oregon, formerly known as the Ramarak Mine, the same being recorded upon the mining records of Baker County, Oregon Book 41, Page 210.

In good faith, intent to hold and work said claim as provided by local customs, statutes of miners and mining statute of the United States, taking advantage of the amendment to section 2389 of RS, relating to mining claims, by an act passed for the year 1893, the operation of the statute for annual assessment work on unpatented mining claims.

Dated Dec. 24, 1893

Emma J. Pratt
Intentions—The Evening Star Quarter mining claim,

Notice is hereby given that James P. Paff, administrator of the estate of James P. Paff, being the present owner of the Evening Star mining claim known as the Evening Star quarter mining claim, having recorded the mining records of Baker County, Oregon, Book E, Page 409 in good faith to hold and work said claim, as provided by local customs and rules of miners and mining statutes of the United States, taking advantage of the amendment to Section 2344 RS relating to mining claims, applying for the year 1899 the operation of the statute requiring the annual assessment work or expectation of mining claims.

James P. Paff

Intentions—Extension of Wesley Mine

To permit it to remain open for the undersigned intending to work and hold the mine as described:

Situated between the headwaters of Green and Buck and from black in Baker County, State of Oregon—Mine known as the extension to the Wesley Mine. Reclaimed from C. B. Williams, Located Jan. 1893. Reclaime from C. B. Williams

Intentions—Baker City Antimony Quarterly mine

Notice is hereby given that the undersigned owners of the Baker City Antimony Quarterly mining claim, situated in the organized mining district, Baker County, Oregon, as the same appears of record in the Recorder’s Office of Baker County, State of Oregon, being owners of taking the benefit of the Act of Congress entitled, An act to amend Sec. 2344 of the mining laws of the United States relating to mining claims, approved November 1898, hereby declared that we pay good faith intend to hold and work said claim.

Witness on hand the 21st day of December, 1898.

James P. Penrith

W. B. Bowron

Elvira M. Reynolds
State of Oregon
County of Baker

Before me, a Notary Public personally appeared Edgar Phillips, who, being duly sworn, said for himself that at least $400.00 worth of labor and improvements were expended and made upon the Phillips Antonio quarter claim and $100.00 worth of work was done on the White Arrow quarter claim, both of said claims being about 6 miles N.E. of Baker City, Oregon, situated in the organized Mining District, Baker County, State of Oregon, during the year ending December 31, 1893.

Such expenditures were made by, or at the expense of myself, the owner of said mining claims, for the sum of $50,000 dollars, and the said quarter claims are the subject of this affidavit.

Subscribed and sworn to before me this 31st day of December, 1893.

Notice is hereby given that I, O. J. Arthur, a citizen of the United States of America, over twenty-one years of age, having the present name of said claim, known as 'The White Wing Quartz Mining Claim,' consisting of fifteen acres of land, lying west along the base line of said claim and thence running east on each side of said base line for said length of land, is known as 'Baker Creek Mining District,' in Baker County, State of Oregon, said claim being marked by a permanent monument thereon from which the bounds can be readily traced, said claim having been surveyed by me on the 1st day of October, 1892.

Located on the 20th day of October, 1892, a notice containing a description of the same having been posted on said claim on the 20th day of October, 1892, and said notice having been filed on the 26th day of October, 1892 at 10 o'clock in the morning of said day, and said notice containing said description of said claim, its location and bounds, and still remaining recorded upon the mining records of said Baker County, State of Oregon, at Page 31, Book C, of Records, Quartz Locations of said Baker County, State of Oregon.

And I, the said O. J. Arthur, do further solemnly swear that I have worked and caused to be worked the said claim to the amount of one thousand dollars for each year that said claim has been worked, and that I intend in good faith to hold and work said claim as provided by local customs and statutes of the United States taking advantage of the amendment to the above-mentioned statutes relating to mining claims, suspending for the year 1892 the operation of the statutes requiring $100 worth of annual assessment work on unpatented claims.

Recorder
Relocation of the Belle Mining Claim

Notice is hereby given that the undersigned citizens of the United States, on the 1st day of January 1874, do reserve a site of land of sixty or one hundred acres, lying, being, and continuing within the limits of the claim herein located, and have this 1st day of January 1874, under and in accordance with the Revised Statutes of the United States, located fifteen hundred linear feet of the line or ridge in length, with an area of ground thereon, six hundred feet in width, on each side of the point of said ridge, situated in the Organized Mining District County of Butte, and State of Oregon, and known as the Belle Mining Claim, and extending fifteen hundred feet to and from this notice at the discovery or shaft of the claim, being the exterior boundaries of this claim being designated by reference to natural objects or permanent monuments, and more particularly described as follows:

Commencing at this notice and shaft and running in a northwesterly direction seven hundred and fifty feet more in a southeasterly direction four hundred and fifty feet.

This is an amended notice to an attempted relocation made by me on May 12, 1873, and which was found to be improper as the original locators claim was not proper up to this time.

This claim was formerly known as the John 'L' and that we intend to hold and work said claim as provided by the local laws and the custom and rules of miners and mining statutes and laws of the United States determined on the ground the first day of January, 1874.

Located January 1, 1874.

Signed:

James [Signature]
Notice is hereby given that the same are designated as a Mining Claim of the United States of America, conforming to the Mining Laws of the United States and of the State of Oregon, and to all rules, regulations, and customs of miners. From the 1st day of January 1874, to retain any and all claims fifteen feet and but on each side of the center thereof, together with all skips, slides, and angling, and all other miner's or miner's tools, or areas of which lies within said boundaries.

This location is named the "Sheep Shearer's" and is situated in the Oregon District, Baker County, Oregon, and is described as follows:

Commencing at the northeast corner and running thence 750 feet in a northwesterly direction on said line and 750 feet in a southeasterly direction from thereon.

This is an amended notice to an attempted location made by us May 12, 1873, which was found to be erroneous as the original location claim did not suffice up to this time.

This claim was formerly known as the "Hilarki".

Dated the 1st day of January 1874.

John P. Dorsey
James Taylor
Notice is hereby given that the undersigned, Ellen P. Doerr, owner of the Consolidated Quartz Mining Claim, situated in the Mining District, Baker County, Oregon, being heirs of taking the benefit of the Act of Congress entitled "An act to amend §324 of the Revised Statutes of the United States relating to mining claims," approved November 1873, hereby declare that I, in good faith, intend to hold and work said claim.

Witness my hand this 30th day of December 1893.

Ellen P. Doerr
Matter is hereby given to all whom it may concern that A.D. Hooper, a citizen of the United States, having the age of twenty-one years, having as a second a vein or lode of Quartz or rock, in place, claiming Mineral within the limits of the claim hereby located, and have this day under and in accordance with the Revised Statutes of the United States, Chapter 42, Title Thirty-Second, located 1500 linear feet on the West line, with surface ground 500 feet on west, situated in Virtue Mining District, county of Baker, State of Oregon, and known as the 'Juliet-Quary mining claim.'

And extending 1200 feet S.E. to end line from this notice at the discovery or prospect shaft which is 500 feet from S. W. end line of the Rome mine. The exterior boundaries of this claim being distinctly marked by reference to some natural object or permanent monument and more particularly described as follows to wit:

The Juliet mine is situated at the head of Rockey Gulch, 1 mile south of the Virtue Mine and known as the S. E. extension of the Rome Mine and running S.E. and N.W. and running 1200 feet S.E. to end line and 300 feet to N.W. end line and joining on to the S.E. end of the Rome Mine, with 500 feet of surface ground on each side of location.

And I intend to hold and work said claim as provided by local customs and rules of miners and the mining statute of the United States.

Date on the ground this third day of January 1874.

A.D. Hooper
Locater.
Notice is hereby given to all whom it may concern that

Henry Kwonaldt
Notice is hereby given that R. T. Taylor, Joseph McRae, J. M. Wherry, W. L. Olmsted, H. B. Bullybirt, and R. L. Morton, at this time being the owners of all three certain Quarter Mining Clains situated in Baker County, Oregon, and particularly known as the Yellow Chief, the Premier, the Oregonian, the Ore King and Yellow Boy, all situated on what is known as Cottonwood Creek, Baker County, State of Oregon, and known as the Cottonwood group of quartz mining claims, the same being recorded in the mining records of Baker County, Oregon, in Book 6 of records of mining claims.

The Yellow Chief on page 176, the Premier on page 292, the Oregonian on page 291, and the Oregonian on page 174 of paid mining records; and the Yellow Boy, Book 6 page 291; also all those certain other mining claims situated in said county, and state known as the Summit River group of quartz mining claims and particularly as the Gold Queen quartz mining claim, and the Amboy quartz mining claim, and the Dee chief; the same being recorded in Book 6 of record of quartz mining claims at page thereof, and the Gold Queen at page thereof, and the Amboy at page 175 of said mining record: Also all those certain other quartz mining claims known as the Summit Sulfide group, and particularly described as the hood quartz claim, and the saxon quartz claims; the said being recorded in Book 2 of quartz mining claims at page 173 thereof, and the saxon in said book of mining claims at page 173 thereof, each of said claims consisting of 1500 linear feet by 300 feet on each side of vein or lode, and being distinctly marked by posts and stakes on the rear face of each claim as that each claim can be readily traced.

And any and all persons are hereby notified that we, the undersigned, are now the owners thereof, and in good faith intend to hold and work said claims and each thereof as
provided for by local custom, rules and regulations 
and under and by virtue of the mining statutes of 
the United States, and that we hereby take advan-
tage of, and claim all rights provided for in the amend-
ment to Sec. 2824 of the Revised Statutes of the 
United States relating to mining claims, which ap-
curred for the year 1893 the operation of the United 
States statute requiring $100.00 annual assessment 
work to be performed and and expended on unpatent-
ed mining claims.

Dated this 12th day of December 1893.

Notary Public
Intention - The Mystic County Mining Claim

Notice is hereby given that the undersigned, Joseph Manandas and J. L. Rand, citizens of the United States, and over the age of twenty-one years, intend to hold and work the Mystic Mining Claim, situated in Barboras Mining District, Baker County, State of Oregon, which said claim was located on the 15th day of February, 1892, by Joseph Manandas and Emil Prout, and was recorded in the records of Baker County, Oregon, in Volume D, Page 274 of Book of Quants, on the 25th day of February, 1892, and that we intend to hold and work said claim under the late Act of Congress relating to mining claims, and providing that if the assessment work of the year 1892 is not performed, notice being given the owners, such claim shall not be forgotten.

Dated at Baker City, Oregon, the 30th day of December, A.D. 1892.

Joseph Manandas
J. L. Rand

Intention - The Old Dime Court Mining Claim

Notice is hereby given that the undersigned, Joseph Manandas, one of the original locators of the Old Dime Mining Claim, located on the 17th day of February, 1892, and recorded on the 25th day of February, 1892, in Book of Quants, Volume D, Page 272, in Baker County, together with J. L. Rand, are the owners of said claim, and intend to hold said mining claim under the late Act of Congress relating to mining claims, and providing that upon giving this notice, the owners shall be exempted from performing the annual assessment work on such claim for the year 1892.

Notice is therefore given that the undersigned, being citizens of the United States and over the age of twenty-one years, intend to hold and work said claim under the laws of the United States.

Dated at Baker City, Oregon, this 30th day of Dec. 1892

Joseph Manandas
J. L. Rand
Notice is hereby given that W. M. Palmer, J. E. Brown, and W. A. C. Welker, being the present owners of the Palmon County mining claim, known as the Palmon \textit{Lake} and \textit{Quarry}, mining claim, situated in Baker County, State of Oregon, the same being recorded in the mining records of Baker County, Oregon, Book D., Page 114, in good faith intend to hold and work said claim as provided by local custom and rules of mines and mining statutes of the United States, hereby claiming the right and privilege of taking advantage of the amendment to Section 2824 of R.S. relating to mining claims, and pending for the year 1893. The operation of the statutes requiring $100 annual assessment work on unpatented mining claims.

And we hereby take advantage of the said act of Congress amendending said section of the law to allow the owner of the said mining claim to lay over the said Quarry, mining claim, for the year 1893 and out pending thereon the said $100.00 costs of annual assessment work for the said year 1893 and that it is our bona fide intention to expend upon the said mining claim in the year 1894 the full of $100.00 in work and labor in developing and improving said mining claim and look to the bona fide intention of holding the same against any and all persons whomsoever and will in good faith intend to pay the said mining claim and in obtaining a United States Mining Patent therefor under the Mining Laws of the United States.

For a more particular description of the said mining claim reference is made to page 114, Book D., of the County Mining records of Baker County, State of Oregon, now on file in the office of County Recorder of the said county and state, at Baker City, Baker County, Oregon, said claim being situated in the organized
Mining District, but lying adjacent to what is known as the Union Quartz Claim and here before patented by Mike Kyea, and it is the said Palmer Quartz Mining Claim being 3000 linear feet in length along the line of said vein or lode with surface ground 50 feet on each side of the said vein or lode and 500 feet of surface ground on the other sides of said lode or vein.

The said surface ground being distinctly marked upon the surface by 5 foot at each corner thereof with mounds of earth and rock around the same so that the boundary lines of the said claim can be readily traced.

Notice is hereby given that of O.S. Kelty, being the present owner of the Blue Bell County Mining Claim, situated on Rocky Creek, near the village of Pendarvis, Clackama County, Oregon, the same being recorded among the mining plats of Clackama County, Oregon Book N, in good faith intend to hold and work said claim, as provided by local enactments and rules of mines and mining statutes of the United States, taking advantage of the amendment to section 2324 of R.S., relating to mining claims, pursuant to the year 1872, the operation of the statutes requiring one hundred dollars assessment work on unsatisfied mining claims.

Dec. 27, 1873.
O.S. Kelty

Labor Proof of the Mining Claim

State of Oregon
County of Clackama

This day, I, Mr. Kelty, personally appeared before Mr. W. Boening, who, being duly sworn, saith that at least 100 dollars worth of labor and improvements were expended and made upon the Blue Bell County Mining Claim, as from of record at page 10th, situated in the Pendarvis Mining District, Clackama County, State of Oregon, during the year ending December 31, 1873. Such expenditures were made by or at the expense of myself, one of the owners of said mining claim, for the purpose of holding said mining claims as required by the United States Mining Laws.

W. N. Boening
Notary Public for Oregon

Subscribed and sworn to before me this 30th day of Dec. 1873.
Notice is hereby given to all whom it may concern that H. L. Murphy and Thos. M. Downing of Baker County, Oregon, citizens of the United States, over the age of twenty one years, having discovered a lode or vein of quartz in place, bearing gold within the limits of the claim hereby located, have this day made and in accordance with the Revised Statutes of the United States, entered by Thos. M. Downing, located fifteen hundred linear feet of the vein or lode, with surface ground six hundred feet in width, situated in the organized Mining District, County of Baker, State of Oregon, also known as the Minor Quartz Mining claim, and extending by 45° 1° W. 1500 feet to Post from this notice at the end line of claim, the exterior boundaries of this claim being distinctly marked by reference to some natural object or permanent monument, and more particularly described as follows to wit:

Commencing at a post and ground of rocks from which the S.W. corner of J. H. Youngs dwelling house in Live Oak in Sec. 8, T. 36 S., in Baker County, Oregon, bears N. 28° 55' W., 0.87 chains distant, Thence N. 44° 30' W. 600 feet to Post, Thence S. 46° 15' W. 1500 feet to Post and ground of rocks, Thence S. 44° 30' W. 600 feet to Post. Thence N. 45° 30' W. 1500 feet to place of beginning.

This claim is bounded on the N. E. by the Gray Eagle claim and on the S. W. by the Fractional Quary claim.

This is a re-location of the Minor Quary claim made to more definitely define the boundaries thereof.

And we intend to hold and work said claim as provided by local customs and rules of Mines and the Mining Statutes of the United States and of the State of Oregon.

H. L. Murphy
Thos. M. Downing

Date on the ground this 17th day of July 1878.

Notice is hereby given that I, Samuel B. Taylor, of Baker City, Oregon, being the present owner of a certain and valuable mining claim known as the Gold Bug and Yellow-Bell mining claim, situated on the east bank of Goose Creek in the organized mining district in Baker County, State of Oregon, the same being recorded upon the mining records of Baker County, Oregon in Book 39, page 87, in good faith and intent to hold and work said claim as provided by said laws and rules of mines and mining statutes of the United States, taking advantage of the amendment to the 23rd of July 1873, which amendment includes 10 acres of land in connection with the mining claim, according for the year 1873 the operation of the law requiring $50.00 annual assessment work on all unpatented mining claims, dated Baker City, Oregon, Dec 30th, 1873.

Samuel B. Taylor
Notice is hereby given that the undersigned is the claimant and owner of a one third interest in the Brown Point Gold mining claim situated in Baker County, Oregon. Said mine is on the ridge between the head of Cobb Creek and the head of Cobb Brook. The trail from the Re-Bellese to Cobb Creek said mine on the ridge. The same is located and marked on the ground by Corn and Emily Storer, by two parallel and open-cut roads clearly marked in the Recorder's Office of Baker County, Oregon. And that I intend to hold said interest in the same and work the same in good faith. Said notice is given to secure the benefit of an Act of Congress allowing said persons from the provisions of Section 7333 of the Revised Statutes of the United States requiring assessment work to be done. Said Act suspending assessment work for 1892 was passed in 1891.

Washington, D.C., this 26th day of December, 1892.

A.B. Taylor

Intention - The Brown Mine

Notice is hereby given that the undersigned is the claimant and owner of a one third interest in the mining claim situated in Baker County, Oregon and known as the Brown Mine. Said mine is on the ridge betweenable Creek and South Creek about 1000 feet below the head of Cobb Creek. Said mine is on the highest rocky summit between north of the trail from Cobb Creek to Re-Bellese. The same is located and well marked on the ground by Corn and Emily Storer. Said mining claim is recorded in the County Recorder's Office of Baker, County, Oregon. And that I intend to hold and work the same in good faith. Said notice is given to secure the benefit of an Act of Congress allowing said persons from the provisions of Section 7333 of the Revised Statutes of the United States requiring assessment work, but where no such work was done in 1892, was passed in 1891. Washington, D.C., this 26th day of December, 1892.

A.B. Taylor
Intention: "The King Solomon"

Notices to hereby given that the undersigned is the owner of that certain late mining claim situated at Bunion Baker County Oregon, and known as the "King Solomon" mine. Said mine is on the South side of the hill parallel with the Hanging Mine and about a mile of a mile south of the Bunion Hill. The same is located and well marked on the ground by center and corner stations, and record being made in the County Recorder's Office of Baker County Oregon and that I intend to hold and work said claims in good faith. Said notice is given to secure the benefit of an act of Congress relating to mining claims from the provisions of Sec. 2381 of the Revised Statutes requiring assessment work to be done, but that suspending assessment work for 1873 was passed in 1873. Witness my hand this 36th day of December 1873.

A. B. Taylor

Notices to hereby given that the undersigned is the owner of one-sixth undivided interest in that certain late mining claim situated in Cascade district Baker County Oregon, and known as the "Red Chief" Mine. Said mine is about 1/2 mile east of Hanging Mine, near the road and about 1/2 mile north of the Hanging Mine and across the ridge near Silver Creek and the head of John Day River. The same is located and well marked on the ground by center and corner stations, and by shaft and miscellaneous cuts, and record being made in the County Recorder's Office in Baker County Oregon. All that I and the other owners of said mine intend to work and hold the same in good faith. Said notice is given to secure the benefit of an act of Congress relating to mining claims from the provisions of Section 2381 of the Revised Statutes requiring assessment work to be done. Said act suspending assessment work for 1873 was passed in 1873.

Witness my hand this 36th day of December 1873.

A. B. Taylor.
Notice is hereby given that the undersigned, the
claimant and owner of a one-half undivided
interest in the certain exchange mining claim
situated in Baker County, Oregon, shall known as
the Ohio Mine, said mine is about 13 miles East
of Silver Creek near the head and about 1/2 a
mile south of the Grey Eagle Mine. The same is
well worked on the ground by certain and good
men by a shaft, tunnel, and main shaft. Record
thereof having been made in the County Records of
Baker County, Oregon. And that I and the
other owners of said claim, Frank Gibson and
E. J. McAndrews, intend to hold and work the same
in good faith. Said notice is given to receive the benefit
of an act of Congress relieving said claim from the
provisions of section 2. 3 3/4 of the Revised mining
assessment work to be done. Said act requiring
assessment work for 1873, was passed in 1873.
Witness my hands this 9th day of December 1873.

E. B. Harmon.
Notice is hereby given that Walter Moore & A. Fleming, John Brumfield and Wm. Caldwell, being the present owners of the Wally mining claims and interest in the Rock Creek, the said claims being recorded upon the mining records of Butte County, Oregon Book — page — in good faith intend to hold and assert said claims in accordance with the provisions of the laws of Oregon and mining statutes of the United States, taking advantage of the amendment to Section 234 of V. S. relating to mining claims, together with the land of the State of Oregon, and the annual assessment work on said mining claims.

Dated Dec. 27, 1873,

Walter Moore
A. Fleming
Joh Brumfield
Wm. Caldwell,

The above is "Affidavit".

STATE OF OREGON

COUNTY OF BURT[?]

2. I, Mr. Slocum, being present duly sworn, day & time, as president of the Redwood Democrat, a weekly newspaper, published at Burt City, Butte County, Oregon, and of general circulation, that the Notice of Forfeiture was published in each and every issue of said paper for 10 full weeks, commencing with the regular issue and that in a supplement issued 20th December, 1873, and ending with the issue of September 4, 1873.

That the said Notice of Forfeiture was published in the regular issues and not in a supplement.

Subscribed and sworn to before me this 13th day of July, 1873.

Joseph W. Ayres

By J.P. Cushing, Deputy.

Notice of Forfeiture.

Burt County, State of Oregon.

To Fred Jones,

Your ore is hereby notified that I have expended $100 in labor and improvements upon the said ore, as the same is devoted to mining at this point.
and running 1000 feet in a South westly direction and 978 feet in a North westerly direction and situated about one mile north west from the Bailey-Elkem mine. Publication Notice having been recorded on the 20th day of Nov., 1873 at page 315 of the Records of the County of Oregon, as and upon improvements will appear by certificate filed with the Recorder said County June 10th, 1873, in order to hold the said premises under the provisions of Section 7294 Revised Statutes of the United States, being the amount required to hold the same for the year ending Dec. 31st, 1873. And if within sixty days after the notice by publication you fail or refuse to contribute your proportion of such expenditure as a co-owner your interest in said claim will become the property of the subscriber named said Dec 23d, 1873.

First Publication June 12, 1873

Notice of Location of Mining Claim

Notice is hereby given to all whom it may concern that for the undersigned citizens of the United States over the age of twenty-one years having discovered a vein or body of quartz or other mineral in place therein, in the limits of the claim hereto described and located, and have this day recorded, in accordance with the laws of the State of Oregon, Chapter 214, Title thirty, section thirty-five, hundred and one thousand dollars, free of this vein or body with surface ground and one hundred feet.
The Karios Quwuyt Cluau

For all which, we do hereby declare, in an organized mining district, to be the County of Karios, State of Oregon, with a town known as Karios, County, mining claim and extending 400 feet from the westerly line of the town of Karios, and 600 feet north from the northerly line thereof.

This claim being distinctly marked by reference to some natural object or permanent monument, as an old sandy wash, and more particularly described as follows:

Beginning at the point on the line and running 600 feet to the east end; thence easterly 600 feet to the north corner; thence northeasterly 600 feet to the south corner; thence southerly 600 feet to the west corner; thence westerly 600 feet to the north corner; thence northerly 600 feet to the south corner; thence southerly 600 feet to the point of beginning.

This claim is subject to the rights of the United States and Oregon.

Ratified at the Grand Reunion of January 25, 1894.

Recorded Jan. 25, 1894

Geo. H. Hudson, Record

Of the Mud to Karios, Record.
Notice is hereby given that for the undiscovered city or town of the United States of America, conforming to the laws of the United States of America, and the local rules, regulations, and customs of this state, that this 2nd day of January 1874, located and to claim fifteen hundred acres, linear feet on the lead, lode or vein, bearing mineral in place, by 600 feet in width, the same being then measured both on each side of the center thereof; together with all dips, spurs, and angles, and all other parts or bodies the top or apex of which lies within said boundaries.

This location is named the Forest Queen Lode or Mine and is situated in Baker County, Oregon, in the Fortine Mining District, one mile and a half from Fortine Mine, Northwest of joining the Boring Mine on the Northwest, in the Fortine Mining District, Baker County, Oregon, and is bounded and described as follows: 1/2 mile from stage road:

Commencing at this notice and running thence 1200 feet in a northward direction on said line and 600 feet in a southward direction thence (due East) 1200 feet, in a northward direction in said line and meeting 1200 feet in a southward direction thence by due north line, being 612 feet in width, 0.5 miles East of Baker City.

Located this 2nd day of January 1874.

The Delcoast Quarterly Code

Notice is hereby given to all whom it may concern, that I, Charles W. Junkley, citizen of the United States over the age of twenty-one years, having discovered a vein or body of quartz, or rock, in place, bearing minerals within the limits of the claim hereinafter set out, have this day, under, and in accordance with the Revised Statutes of the United States, chapter 62, section thirty-two, located 1,000 linear feet of this vein or body, with surface ground 400 feet in width, with all lodes and minerals contained therein, situated in the mining district, county of Baker, state of Oregon, and known as the Delcoast Claim. Mining Claim and extending 3,000 feet north-east to north-east line and 1,000 feet south-west to south-west line, with all depth, area and angles from this notice at the aditway, or front feet shaft, the exterior boundaries of this claim being distinctly marked by reference to some natural objects or permanent monuments and more particularly described as follows, to wit: Commencing at the north-east and stake out, and running 1,000 feet west to the north corner stake, thence 1,000 feet south-west to the north stake, thence east 200 feet to south south west stake, thence south 200 feet to south south west stake, thence north 200 feet to south south west stake, thence west 200 feet to place of commencement.

The location notice is on the cropping and shaft 500 feet south-west of the north centre and stake. The White Rose shaft and shaft house, formerly the Delcoast shaft and house, is situated about 500 feet east of this ledge and location notice.

The above Delcoast ledge intersects the Dunks or White Rose ledge, underground 500 or 600 feet north-west of the location notice on ledge. The north-east corner boundaries of the Delcoast ground, lie onto the north-west corner boundaries of the Dunks or White Rose ground, and I intend to file and work said claim as provided by local customs and rules of miners and Mining Statutes of the United States.
This claim is in Baker County. About one mile west of this ledge, across Rabbit River, over in Union County, is Daniel No. 6 on the U.P.R.R.

Wm. Director

Record

Notice is hereby given to all whom it may concern that Jay Thompson, a citizen of the United
States over the age of 21 years, having answered a

WHEREACTIONS OF IDENTITY, and being within the limits of the claim hereby located, have
this day under and by accordance with the Mining
Acts of the United States, Chapter 34 of the
First Hundred Days, located 1300 linear feet of the
northeast quarter of the southeast quarter of the

southeast quarter of the northeast quarter of the

said quarter, being on the mining district of Baker, State
of Oregon, whose location is the "Spirit of Furniture" Mining
Claim, and extending from 300 feet south to 1200 feet
north from this portion at the discovery with cross ties at
point of discovery or prospect shaft up to 300
feet from south and line of said claim the exterior
boundaries of this claim being distinctly marked by refer-
ences to some natural object or permanent monument
and more particularly described as follows to wit:

Beginning at a stake marked S.E. about 300 feet south
of this point of discovery, thence Easterly 300 feet to a stake,
mark S.E. thence Northwesterly 1500 feet to a stake mark,
mark N.W. thence Easterly 600 feet to a stake mark N.W., thence
Northerly 300 feet to a stake mark N.W., thence Easterly
600 feet to a stake mark N.E., thence Easterly,
300 feet to stake mark N.E., place of beginning.

Such claim being located in a gulch facing South West
and about 1 3/4 miles north of U.P. Round House at Huntington
and about 1/4 mile east of the U.P.R.R. Bridge 364, second
Crossing of Round River West of Huntington.

And I intend to hold and work said claim as provided
by local customs and rules of Miners and Mining Districts
of the United States.

Jay Thompson

Receipt on the ground this Seventh

Day of February 1874

Located 10th December 1874

Attch. J.R. Scott
Notice is hereby given to all whom it may concern that
we, J. S. Wyman and Lorenzo Detwiler, Citizens of the United
State, at the age of twenty-one years, having discovered a
mine or lode of quartz, or rock in place, bearing gold, within
the limits of the claim hereby located, and have this day
under and in accordance with the Mining Laws of the
United States, hereinafter called the "Black Swan" Quartz Mining
Claim, extending 750 feet for forty years to a stake and 750 feet to the eastward to
a stake along the vein from the point at the discovery or prospect shaft, which is 750 feet from said line. The
outer boundary of this claim being actually marked by reference to some natural object or permanent monument,
and more particularly described as follows, to wit:

Situated on First branch in Baker County, Oregon, about 3½ miles in a northerly direction from the White Swan
Mine, and the intent to hold and work said claim as
provided by local customs and rules of Miners and
Mining Statutes of the United States.

Dated on the ground this first day of March 1874.

J. S. Wyman
Lorenzo Detwiler
Locators.
Notice is hereby given that the undersigned citizens of the United States have this day located a Millsite of 5 acres as follows:

Commencing at the point where this notice is posted, which is posted on a juniper tree on Manning Creek about 1 1/2 miles above Bear Reeves Ranch on Essex Precinct, Baker County, State of Oregon.

Thence 466 feet Eastly to blazed tree.

Thence 466 feet Southly to blazed tree.

Thence 466 feet Westly to blazed tree.

Thence 466 feet Northly to place of beginning, which is the N.W. corner of said Millsite and containing 5 acres more or less.

Annex claims all timber thereon for mining and building purposes.

Dated this 3rd day of March 1874.

Locators.
Notice is hereby given to all whom it may concern that we, D. W. Kelley and John Monahan, citizens of the United States, over the age of 21 years, having discovered a vein or body of quartz or rock in place, lying flat and level within the limits of the claim hereby locating and have this day, under and in accordance with the Revenue Statutes of the United States, a quarter section of land, located fifteen hundred linear feet of this vein or body, with surface ground, and a hundred feet in width, situated in the organized Mining Districts county of Baker, state of Oregon, and known as the Maremark quartz mining claim and extending 750 feet north and south from this notice at the discretion of prospect shaft which is 750 feet from north and line -- the nearer boundaries of this claim being distinctly marked by reference to some natural object or permanent monument and more particularly described as follows, to wit:

The same being 750 feet from this stake northeasterly to due west, and 750 feet southerly to Nelson claim and said claim being marked with a corner stake on the ground, and two half center stakes and the same being situated about 5 miles north-east from Baker City, the place county, and state, and six hundred feet in width and three hundred feet on each side of this notice.

And we intend to hold and work said claim as provided by local laws and rules of miners and the mining laws of the United States, together with all ledge or part of ledge therein.

Notice is hereby given this 21st day of March 1874. Recorded and to take effect March 31 1874.

D. W. Kelley
John Monahan
Notice is hereby given to all whom it may concern that we, citizens of the United States, over the age of 21 years, having discovered a body of quartz ore, situated within the limits of the Claim hereby located, and have this day, under our own assessment, with the Secretary of the United States, by the aid of the True North, located in the vicinity of the place, bounded together with 500 hundred feet in width with all the other ground, situated in the Scofield Mining District, County of Butte, State of Montana, and known as the George Washington Quartz Claim and extending 500 hundred feet to a post from this at the discovery or prospect shaft, commencing at the point and running in a Northerly direction 300 feet to post No. 1, thence in a W. N. W. direction 450 feet to post No. 2, thence W. N. W. direction 300 feet to post No. 3, thence 300 feet to center post No. 4, thence South by East 450 feet to S. E. corner post No. 5, thence Easterly 750 feet to post No. 6, thence Easterly 750 feet to S. E. corner post No. 7, thence North, thence Easterly 750 feet, and at a place of beginning.

And said claim is more fully described as follows: situated about 2 miles in a S. W. direction from McPherson Mine and about 8 miles East from the Melville Mine and 1 mile from the first claimer's, and are intended to hold and work said Claim as an ordinary by custom and rules of miners and the Mining Statutes of the United States.

Noted on the ground February 26th, 1894.

The North Star Quartz Mining Claim

Notice is hereby given to all whom it may concern

That Ben Marchal, the undersigned citizen of the State of Ohio, in the age of 21 years, having discovered a vein or ledge of Quartz, or rock in place, bearing mineral within the limits of the claim hereby located, do hereby on this day, under and in accordance with the laws of the United States, Chapter Six Hundred Twenty of the Act of Congress authorizing the locating of Mining Claims, do locate 1500 hundred square feet of this vein or ledge, with surface ground 600 feet to the north line situated on the Inyo Mining District and County of Nevada, State of Oregon, and known as the North Star Mining Claim, and more particularly described as follows, to wit:

Subject to 1 mile S. E. of Hanley Bridge and about 1 mile S. E. from Hanley Bridge and adjoining the East Adobe Claim by N. B., and described as follows: Running 1600 feet in a N. W. W. direction to NW Center Stake, thence 300 feet north east corner stake, thence 1500 feet to south east corner stake, thence 600 feet to S. W. corner stake, thence 1500 feet to W. S. W. corner stake, thence 600 feet to S. N. Center stake, thence 1500 feet to place of commencement.

And I intend to hold and convey Claim as provided by local custom and rules of miners and the Mining statutes of the United States.

Dated on the ground this 19th day of April 1894.

Discovery located April 19 1894.

Ben Marchal

Located

L. W. Scott

Allottee
Notice is hereby given that on the twenty-fifth day of April, 1894, the citizens of the United States of America, conforming to the mining laws thereof and as of the State of Oregon, and the local rules, regulations and customs of miners, have this day, the twenty-fifth day of April, 1894, located and to claim fifteen hundred (1500) linear feet in this lease, one acre bearing mineral in place, fifty six hundred (560) feet in width, the same being three hundred (300) feet on each side of the center thereof, together with all appurtenances and adjacent, and all other veins or bodies the top or apex of which lies within said boundaries.

This location is named the "Drummer" Lode or Mine, and is situated at Willows Creek adjoining the Carson Mine, in Auburn Mining District, Baker County, Oregon, and is bounded and described as follows:

Commencing at this Notice and running thence fifteen hundred (1500) feet in a north-westerly direction on said lode.

Located this the twenty-fifth day of April, 1894.

Amine Allen
Mary A. Miles
The "Ophir" Lode or Mine

Notice is hereby given that I, the undersigned, citizen of the United States of America, conforming to the mining laws thereof and the State of Oregon, and the local rules, regulations and customs of mines have this Twenty-fifth day of April 1874, located and do claim eighteen hundred (1800) linear feet in this lead, lode or vein, bearing mineral in place, by six hundred (600) feet in width, the same being eighteen hundred (1800) feet on each side of the center thereof; together with all dips, spurs and apex, and all other beins or lodes the left or apex of which lies within said boundaries.

This location is known as the "Ophir" Lode or Mine and is situated at Willow Creek, being an extension of the "Diamond" Mine, and is bounded on the west by stakes, in Auburn Mining District, Baker County, Oregon, and is bounded and described as follows: Commencing at this notice and running thence eighteen hundred feet in a South Easterly direction on said lode.

Located this Twenty-fifth day of April 1874.

John James Johnson
Notice is hereby given that the undersigned, citizens of the United States, and over the age of twenty-one years, have on this 20th day of April, 1894, located and claimed fifteen hundred and fifty feet of the mineral bearing land, said or not, together with 300 feet on each side of the center of said league of surface ground. Said lead-bearing gold, silver and the precious metals, and the boundaries of this claim being more particularly described as follows, viz:

Commencing at a stake on which this notice is posted, said stake being at the discovery point, and in the socket of rock, running thence North-east, along the center of said strike, to a monument of rock; running thence South-east, 300 feet to a monument of rock; running thence South, running 1500 feet to a monument of rock; running thence North-west, by 300 feet to a monument of rock; at the South-west corner, running thence North-west, 300 feet to a monument of rock; running thence North-east, 1500 feet to a monument of rock, running thence South-east, 300 feet to said monument of rock; at the North-east corner.

This claim is located at the head of Rock Shoaler Gulch, on the dividing ridge between Rock Shoaler and Miller Gulch, and in Section 22, in Township 12, South Range 11, East in the organized Mining District in Baker County, State of Oregon.

And the notice of location and discovery point is about half a mile South-west of the old Cline Reservoir, and we intend to hold and work the above described mining claim under and in accordance with the mining laws of the United States.

This claim shall be known as the "Edith" Mining Claim.

Locators.
Notice is hereby given to all whom it may concern that we, W.S. Myers and A. W. Allen, citizens of the United States, over the age of 21 years, having discovered a vein or body of quartz, or other ore, payable, containing minerals, gold within the limits of the claim hereby located, and have this day, under and in accordance with the Revised Statutes of the United States, chapter 64, 26th page, located 1500 feet, hundred and one thousand feet of this vein or body of surface ground 400 feet in width, situated in Frog Back Mining District, County of Baker, State of Oregon, and known as the Ore Quartz Mining Claim, and extending 750 feet easterly and 750 feet westerly from this notice, at the discovery or prospect shaft which is 4 feet high, and more particularly as described as follows, to wit:

By 1 stake 4 feet high and will square 400 feet, on plot at discovery and three stakes at the East end and three stakes at the West end, the discovery shaft being in the center of claims. The claim is one hundred and sixty feet on each side of discovery stake and 750 feet easterly and 750 feet westerly. This mine is about one mile South of the Bonanza Mine on Frog Back Creek.

And we intend to hold and work said claim as provided by local partings and rules of Mining and the Mining District of the United States.

Dated on the ground this 21st day of April 1894.

The "Black Prince" Quartz Mining Claim

Notice is hereby given to whom it may concern that
the citizens of the United States, over the age of twenty
years, having discovered a vein or body of Quartz, or vein
in place, bearing mineral within the limits of the
claim hereby located, have this day, under oath and in
accordance with the Revised Statutes of the United States,
located a shaft, a distance twelve feet, located fifteen hundred
linear feet in length of this vein or body with surface
ground six hundred feet in width, with all sides, angles
and apses within said limits of the claim,
situated in Baker County and State of Oregon and from
as the "Black Prince" Mining Claim and extending
fifteen hundred feet in an easterly direction from the
discovery shaft and Notice, the exterior boundaries of the
claim are marked as follows, to wit:

Commencing at discovery shaft and running
south five hundred feet to stake marked S.W. corner, thence East
six hundred feet to stake marked E.S. corner, thence North five
hundred feet to stake marked East center stake, thence North
five hundred feet to stake marked N.E. corner, thence West five
hundred feet to stake marked N.W. corner, thence South five
hundred feet to place of beginning, and I intend to hold and
work said claim as provided by the Mining Statutes
of the United States.

Filed on the ground this the 2nd day of May, 1894.

The Heiskelry Quartz Mining Claim

Notice is hereby given to all whom it may concern that it is hereby
officially recorded that the above-named claim to the quartz
minerals located at the point specified in the field notes attached
hereto, is hereby declared as a mining claim in accordance with
the provisions of the Mining Act of the United States. The said
mineral deposits are situated in the vicinity of the Heiskelry
Locality, in the State of Oregon, and are known as the Heiskelry
Quartz Mining Claim.

The mineral rights under the said claim extend 1,500 feet
southwest from the point of entry, and 300 feet east of the
center of the deposit, with all legal and natural boundaries
thereof.

Commencing at the locality point, proceed southerly 1,500
feet, thence southwest 300 feet, thence northeasterly 300
feet, and thence southeasterly 1,500 feet to the point of
commencement. The北 extremity of the claim is
formulated by the northern boundary of the district, the
southwestern boundary of the claim being
formulated by the southwesterly line of the district, and the
eastern boundary of the claim being formulated by the eastern
boundary of the district.

The Heiskelry Quartz Mining Claim is hereby declared as a
valid and legal mining claim in accordance with the provisions
of the Mining Act of the United States, and the said claim is
located in the vicinity of Heiskelry, in the State of Oregon.

Signed:

The "Leonard" Quartz Mining Claim

Notice is hereby given to all whom it may concern that J. J. Caradon and Leonard Cole, citizens of the United States, over the age of twenty-one years, having discovered a vein or bed of quartz ore rock in placer-bearing gold (Mineral) within the limits of the claim hereby located, and have this day, under and in accordance with the Revised Statutes of the United States, Chapter 38, title thirty-five, located a fifteen hundred-lineal-foot vein or bed, and purport ground six-hundred feet in width, situated in the Organized Mining District, County of Baker, State of Oregon, and known as the Leonard Quartz Mining Claim, extending 200 feet Easterly to End Line and 1300 feet Westerly to North West End Line from the North at the Assay Office or prospect shaft, which is 200 feet from the East, and line, the exterior boundaries of this claim being distinctly marked by reference to some natural object or permanent monument, and more particularly described as follows, to wit:

About half mile West of Leonard's ranch North of Caradon Creek along side the line of Bluff, and extend to hold and work said claim as provided by local customs and rules of Mines and Mining Statutes of the United States.

Date on the ground this 14th day of May 1894.

Dissent March 1, 1894.

Leonard Cole

Location.
Notice is hereby given that the undersigned citizens of the United States of America, conforming to the Mining Laws thereof, and of the State of Oregon, and the local laws, regulations and sections of Mines, have on the 24th day of May, 1894, located and staked off five hundred square feet of land, with such and other mineral deposits, thereby setting forth the same to be one hundred feet from each side of the center line, together with all the surface and adjoining and through the lot or sites, each of which line is herein and bounded.

This location is known as the "Etna" Lode or Mine, and is situated about a mile in a southwesterly direction from the McCarty ranch on Powder River and in the northwestern quarter of the Darby Hill and about six miles in a southerly direction from the Break-eyes Mine, in the organized Mining District of Baker County, Oregon, and is bounded and described as follows:

Commencing at this point and running:

Hence eleven hundred feet in a N.W. direction to a point one thousand feet west and four hundred feet in a southwesterly direction therefrom, beginning at discovery and running two hundred feet to a S.E. direction to S.E. corner State;

Hence three feet in a S.W. direction to S.W. corner State;

Hence twelve feet in a W.N. direction to W.N. corner State;

Hence two hundred feet in a N.E. direction to N.E. corner State;

Hence two hundred feet in a S.W. direction to S.W. corner State;

Hence five hundred feet in a S.W. direction to S.W. corner State.

Hence two hundred feet in a N.W. direction to place of beginning.

Located this 24th day of May, 1894.

W. Brown
Recorder

Notice is hereby given to all whom it may concern that
the undersigned, citizens of the United States, over
the age of twenty-one years, having discovered a vein
or lode of quartz, or such similar placer, bearing mineral
within the limits of the claim hereby stated, and have
the day hereon and the same as with the said State of
the United States, have in due form, for the length of
7500 linear feet of this vein or lode, with surface ground
600 feet in width, situated in the organized Mining
District, County of Baker, State of Oregon, and known as
the Kentucky Quartz Mining Claim, extending 750 feet
in a S. Easterly direction and 800 feet in a W. Easterly
direction, and more particularly described as follows:

Beginning at surveying and running for 750 feet in a
S. Easterly direction to S. 40° E. 800 feet, thence
800 feet in a S. Easterly direction to S. 80° E. 800 feet,
thence 800 feet in a N. Easterly direction to N. 80° E.
800 feet, thence 800 feet in a N. Easterly direction
to S. 40° E. 800 feet, thence 800 feet in a N. Easterly
direction to S. 80° E. 800 feet, thence 750 feet in a W.
Easterly direction to place of beginning.

This claim is situated about 1/4 of a mile in
a N. Easterly direction from the M. E. Ranch and is
intended to stake and work said claim as provided by
state laws and rules of miners and Mining

States of the United States.

This claim is adjoining the land site on the
N. West.

Dated on the ground this 16th day of June 1879

Notice is hereby given to all whom it may concern:

That we, J. A. Biggs and Frank Macri, citizens of the United States, over the age of twenty-one years, having discovered a vein or body of quartz, or rock in place, bearing gold within the limits of the claim hereby located, do, from this day, under and in accordance with the Revised Statutes of the United States, Chapter 49, Date 30th thirty days, located 1500 linear feet of this vein or body, with surface ground less but in width, situated in the organized Mining District, County of Baker, State of Oregon, and known as the Denver Quartz Mining Claim, extending 500 feet, W. 8 to N.E. and E. 8 to W. 8 and 1500 feet S. 8 to N. 8 and 1500 feet E. 8 to S. 8, and center from this notice, at this location discovery or prospect shaft, the exterior boundary of this claim being distinctly marked by reference to some natural object or permanent monument, and more particularly described as follows, to wit:

Situated one mile or more West of Gold Hill and one mile or more North of Penny River Bridge on the Rye Valley Road, and we intend to hold and work said claim as provided by local customs and rules of Mining and Mining Statutes of the United States.

Frank Macri
J. A. Biggs

Date on the ground
this 30th day of June 1874
Placer is hereby given to whom it may concern that the undersigned, a citizen of the United States, over the age of twenty-one years, has this 21st day of July, 1874, staked 160 square feet on the course of the ledge of gold-bearing rock, running from N to S as follows, to wit:

100 feet North W. and 100 feet South E., as indicated by staking and exposure at discovery works. Also 100 feet at square angle, our face ground on each side of above described line, together with all angles, dips and spurs, running from said ledge, also whatever deposits from decay or crumbling of said ledge, angles and spurs, on whatever form or shape they may happen to be or to lay within the boundary lines of this claim.

Said placer to be known as Independent Mine, at section six, quarter section 27, a jury of Big Break, East of County, North from Baker to Upper Burns River, Baker County, Oregon.

A duplicate of this notice has been posted on a live pine tree in a square frame cut into the back of said pine and chiseled at upper and lower end, broad pine tree staked immediately south East in front of discovery work and is the proper point of location.

I intend working the above claim according to general rules of miners and in conformity with the mining laws of the United States.

J. E. Mange
Notice is hereby given to all whom it may concern that L. G. Wueker and J. S. Wallace, citizens of the United States, over the age of twenty-one years, having discovered a vein or lode of Quartz in rock in placer bearing gold within the limits of the claim hereby located, and have this day, under and in accordance with the Revived Statutes of the United States, Chapter Sixty-eight Thirty-two, located 750 feet each way from this section of this vein or lode, with surface ground 200 feet in width, situated in Vulture Mining District, County of Baker, State of Oregon, and known as the "Hurry Up" Quartz Mining Claim, the exterior boundaries of this claim being suitably marked by reference to some natural object or permanent monument, and more particularly described as follows:

Lies South and parallel with the railroad about 400 feet from Bradburys Cabin, South, and about 6 miles East of the Baker City, Oregon. And we intend to hold and work said claim as provided by local custom and rules of miners and the Mining Statutes of the United States.

Date on the ground this 1st day of August, 1894.

I certify the White Swan, White Cloud and Rapid

Notice is hereby given that the undersigned owners of the White Swan, White Cloud and Rapid Lake mining claims, situated in what was formerly known as the mining district of the County of Oregon, erected in good faith to work said mining claims and to avoid any of the benefits of the act of Congress approved the 15th day of July 1872, which is as follows:

An act to amend sections numbered twenty-three hundred and twenty-four of the Revised Statutes of the United States relating to mining claims.

To wit: enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

Be it enacted by the Senate and House of Representatives of the United States of America, in Congress assembled,

That the provisions of section 2325 of the Revised Statutes of the United States, which require that each claimant, after the 10th day of May 1872 and until patent, be evidenced by evidence of improvements made in each year, be suspended for the year 1894, so that no mining claims which have been regularly located and recorded, as required by the local laws and mining regulations, shall be subject to forfeiture for non-performance of the annual assessment work for the year 1894. Provided, that the claimant or claimant in any mining location in order to secure the benefits of this act shall cause to be recorded in the office where the location notice is certified or filed, on or before the 31st day of May 1894, a notice that he or they intend to hold and work said claim, provided further, that the provisions of this act shall not apply to the State of South Dakota.

Section 2. That this act shall take effect from the date of its passage.

Approved July 18, 1894.

said title and mining claim are more particularly described as follows:

"The White Cloud"

Known as the White Cloud, and situated in what was formerly known as the same, Creek, mining district, Baker County, Oregon. Commence at this notice bounding line a southerly direction 1400 feet in a northerly
direction 10 feet from this point, measuring 160 feet in length by 200 feet on each side, making 2,000 feet in width. The said mine is joining the CK mine on the north, and joining the Emmestine mine on the North and about 1,000 feet west of Snake River in what was formerly known as Beaver-Lake District located this 1st day of January 1888. 

For the said location witnesses: A. C. Bellows, O. O. Martin

The White Deer Mining Claim for Brooks County, Oregon.

Known as the White Deer mine in Beaver Creek precinct, Baker County, State of Oregon is described as follows: Commencing at the stake or notice which is situated about 34° 46' 30" W. of the first point mentioned and one thousand feet southward of the Blue Ridge, from this notice and running thence along the vein or ledge 700 feet in a southwesterly direction, said distance and thence North eastly 75 feet to the center and divide of this claim, being 150 feet along the center line and project one hundred, making 2,000 feet in width. Located and staked Dec. 2nd, 1883 and recorded in said recorder's office Dec. 17th, 1883.

O. C. Bellows, C. Green, F. Walker, witnesses.

Recorded in the records of said County in Book D, page 84.

The Rapid: Said lode mining claims is more particularly described as follows: Commencing at a notice stake about 378 feet from Western Bank of Snake River, thence in a westerly direction one thousand, four hundred feet to a stake; thence in a southeasterly direction 300 feet to a stake; thence North eastly fifteen hundred feet, parallel with said course, thence westly one hundred feet, parallel with southeasterly line, thence to a stake; thence westly one thousand, two hundred feet parallel with easterly line, thence southeasterly 200 feet to intersection.
said line and state mentioned herein as being 200 feet south westly from the stated state hereby. Said Rapid mining or lots being 15 72 feet in length by 200 feet in width being the same located by Charles Lee of Boise City Idaho and recorded in County Banks of said State formerly as the Rapid i.e. Richard and 2 regularly located and recorded in Boise County Oregon.

And the undersigned claims the benefit of said act of Congress of the 18th day of July 1872 for and during the said year 1872 for which said year the undersigned the owner of the said Rapid mining or lots 2000 acres of Rapid mining claims has not performed all the labor required by the act of Congress before the 10 day of May 1872. Revised Statutes section number 2398 signed at Geo. These Nebraska this 8th day of December 1874.

On Proceeding:

D. M. Strickler
C. O. Derry

Registration: The Middleman

Notice is hereby given that the undersigned owners of the Middleman mining claim located July 4th 1872 situated in no organized Mining District being 2000 acres in the County Oregon being owners of filing the benefit of the act of Congress entitled an act to amend Sec. 2398 of the Revised Statutes of the United States relating to mining claims approved July 18 1872 hereby declare that they do make and intend to hold and work said claim. Notice is hereby given to all whom it may concern that the undersigned, John J. Kennedy, citizen of the United States, county of Multnomah, State of Oregon, over whose land, within twenty years, having discovered a vein or body of gold or other precious metal within the limits of the Claim hereinafter described, and in accordance with the Revised Statutes of the United States, chapter 64, file fifty-two, located 1800 feet west of the main or body of surface ground, is within the city of Vernon, in the organized mining district of the county of Multnomah, State of Oregon, and known as the Sacramento Claim No. 7.

The premises consist of a body of gold-bearing ground, said body of ground being divided into 400 feet in a north and south direction and 750 feet in a west and east direction, from the northwestern corner thereof, which is 1000 feet from the south end of said body of ground, and the boundaries of said claim being described as follows: situated about one mile south-east of the Wagon road, about four miles in an easterly direction from the Knutsen Mine, the nearest known claim being the California Gold Mine. And I intend to hold and work said claim as provided by local customs and rules of miners and mining statutes of the United States, and the ordinary laws, custom, and regulations of the said county and the State of Oregon.

Dated on the ground this 12th day of December, 1874,

J. F. Kennedy, Co-Owner.
To Whom it May Concern:

I, [Name], being the undersigned, for myself and on behalf of the heirs and assigns of the undersigned, for myself and on behalf of the other owners of the following described property, in order to secure the benefits of the Act of Congress entitled "An act to amend section 2374 of the Revised Statutes of the United States approved July 18, 1894, relating to mining claims; hereby give notice that we, in good faith, intend to hold and work the following described mining claim: The "Appomattox," situated in the county of [County], state of [State], which said claim has been legally located and recorded as required by laws of the state of [State] and in compliance with the Mining Acts of Congress approved May 11, 1872, and all subsequent acts and with locations and regulations and the location certificate of which is recorded in the office of the county clerk and recorder of the county of [County], state of [State].

I, [Name], being a commissioner of [State], and county of [County], do hereby acknowledge the recording of the above-described mining claim, and do hereby certify that my commission expires [Expiration Date].

Intention The Silver Crown Mine.

Notice is hereby given that the undersigned owners of the Silver Crown Quartz mining claim situated on extreme head of Rock Creek, Baker Co. State of Oregon, being desirous of taking the benefit of the Act of Congress, entitled "An Act to amend section 2324 of the Revised Statutes of the United States, Relating to mining claims," approved July 18th, 1894, hereby declare that we, in good faith intend to hold and work said claim.

Witness our hands this 15th day of December, 1894.

Sam. Jeff
D. M. Kelly
J. C. Brown

Notice is hereby given that the undesignated owner of the June Bag & Washington Leases, mining claims situated in the extreme head of Rock Creek, Baker Co., State of Oregon, being desirous of taking the benefit of the Act of Congress entitled an Act to amend section 2324 of the Revised Statutes of the United States relating to mining claims approved July 19th, 1894, hereby declare that he in good faith intends to hold and work said claim as provided by local customs and rules of miners and mining statutes of the United States, taking advantage of the amendment to Section 2324 of Revised Statutes relating to mining claims, suspending for the year 1895 the operation of the statute requiring the annual assessment work on unpatented mining claims.

D.M. Kelley
Sauce Post.

Intention. The Tillard and Family State Mines.

Notice is hereby given that W.M. Tabler and P. Basche, being the present owners of the Tillard and the Family State mines, claims in both of R. Ves 61 of Mining records of Baker Co., Oregon, in good faith intend to hold and work said claims as provided by local customs and rules of miners and mining statutes of the United States, taking advantage of the amendment to section 2324 of Revised Statutes relating to mining claims, suspending for the year 1895 the operation of the statute requiring the annual assessment work on unpatented mining claims.

W.M. Tabler
P. Basche

Intention. Matilin, Scotia, Calif, and Bellmore Prop.

Notice is hereby given that P. Basche, being the present owner of the group of mining claims known as Matilin, Scotia, Calif, and Bellmore situated in the Rock Creek district, in good faith intend to hold and work said claim as provided by local customs and rules of miners and mining statutes of the United States, taking advantage of the amendment to Section 2324 of Revised Statutes relating to mining claims suspending for the year 1895 the operation of the statute requiring the annual assessment work on unpatented mining claims.

P. Basche
Notice is hereby given that Emma S. Faulk and P. Basche, being the present owners of the Consolidated group of mining claims known as Midwood, Saturn and Evening Star, the same in good faith, intend to hold and work said claims as provided by local customs and rules of miners and mining statutes of the United States, taking advantage of the amendment to Section 232 of P.L. 72, 1884, suspending for the year 1894 the operation of the statutes requiring a $100 annual assessment work on unpatented mining claims.

P. Basche
Emma S. Faulk

Intention The Denny group of mines

Notice is hereby given that the undersigned owners of the certain mining claims known as the Golden Eagle quartz claim, the Missouri quartz claim, the Miners Hope, the Captain Jack and the Bonanza Queen quartz claims, situated on Elk Horn Mountain, Baker Lake, Oregon, near to and above the Basche Elk Horn Mine and commonly called the Denny group of mines, do intend to hold and work said claims as provided by law. This notice is given in compliance with the provisions of the Act of Congress suspending for the year 1894 so much of the mining Act of May 10th, 1872, as requires the expiration of one hundred dollars annually upon each unpatented mining location. Said owners hereby give notice that they propose to hold the above claims.

In witness whereof we have hereunto set our names and seals.

This 10th day of December, 1894.

Notice is hereby given that the undersigned joint owners and holders of all the following mining claims situated in Baker Co., Oregon, in the organized mining districts or districts, do hereby avail ourselves of the provisions of the Act of Congress providing for the laying over of mining claims for the year 1894, without performing the annual work, as follows:

1. The Cottonwood, Fourth Sulphur Bend River Group.

Each of said mining claims consists of fifteen hundred linear feet along the strike, with three hundred feet in width on each side of the vein or lode, in each mining claim respectively, and each location made and duly recorded in the Baker Co. mining records of quartz mining claims under the names as above set forth. It is our sincere intention to hold and work said mining claims and each thereof in good faith as by law required, by the mining laws of the United States and of the State of Oregon.

Date: this 21st day of December, 1894.

Intention. The Cape Cod Mine.

Notice is hereby given that the undersigned owners do intend to hold and work according to law the quartz mining claims known as the Cape Cod Mine, situated in no mining district, Baker Co., State of Oregon, and recorded on Vol. 8, p. 63 of Records of Mines in the Recorder's office at Baker City, Oregon for the year 1894.

L. F. Jennings.

Intention, The Denver of the North West.

We the undersigned do intend to hold and work according to law, the Denver of the North West quartz mining claim, situated in no organized mining district, Baker Co., Oregon, and recorded on Vol. 8, 1894, p. 340 Records of Mineral claims in the Recorder's office at Baker City, Oregon for the year 1894.

Notice is hereby given to all whom it may concern, that the
respective citizens of the United States over the age of twenty-one
years, having discovered a vein or lode of quartz or rock in place
bearing minerals within the limits of the claim hereby located,
and have this day ended and in accordance with the Revised
Statutes of the United States, Chapter Six, Title Thirty-two, located
1500 linear feet of this junior lode, with surface ground 600
feet in width, situated in an organized mining district in the
State of Oregon, and known as the Monitor junior mining claim,
and extending 800 feet in a N.W. direction from this notice at the
discovery or prospect shaft which is 100 feet in a S.E. direction.
The exterior boundaries of this claim being distinctly marked by
references to some natural object or permanent monument, and
more particularly described as follows, to wit: beginning at the
and running 800 feet in a N.W. direction to N.W. center stake, then
353 feet in a N.E. direction to N.E. center stake, then 1500 feet in a
S.E. direction to S.E. center stake, then 600 feet in a S.W. direction
to S.W. center stake, then 1500 feet in a W.N. direction to W.N. corner
stake, then 353 feet in a W.E. direction to W.E. corner stake, then
800 feet in a S.E. direction to place of beginning, said claim is about three
miles in an eastward direction from North Prides, and 1/2 mile in
eastward direction from Jenny Rock Springs. And we intend to
hold and work said claim as provided by local customs and
rules of mines and the mining laws of the United States.
Dated on the ground this 17th day of December 1894.
