NOTICE OF LOCATION OF A QUARTZ CLAIM.

NOTICE IS HEREBY GIVEN to all whom it may concern, that Sarah J. Vandiver, Claimant,
 ascendant of Earl Faw,
citizen of the United States, over the age of 31 years, having discovered a vein or lode of quartz, or rock
in place, bearing Gold and Silver, within the limits of the claim hereby located, and have this day,
under and in accordance with the Revised Statutes of the United States, Chapter Six, Title Thirty-two,
located 120 linear feet of this vein or lode, with surface ground 600 feet in width,
situated in No Organized Mining District, County of Baker, State
of Oregon, and known as the Willamette Quartz Mining Claim, and
extending 1/4 of a mile Eastly to the said quarter corner and 100 feet Westly to
Willamette Range, from this notice at the discovery or prospect shaft, which is 100 feet
from the South end of the exterior boundaries of this claim being distinctly
marked by reference to some natural object or permanent monument, and more particularly described
as follows, to-wit: By six stakes set in the ground on said claim
one on each corner of said claim, and one, set at the center
of each end line of the claim, each of said stakes having marks
with the letter W.D. and stake designating each corner and end line marked situated on the South side of Elk horn
Mountain in Baker County, being a location
of the Elk horn Bonanza Deposit Claim.

And we intend to hold and work said Claim as provided by local customs and rules of Miners and
the Mining Statutes of the United States.

Dated on the ground, this 3rd day of January 1897.
