Comencing at South center and Stake Thence running 1500 in N. 300 ft. to N. center and Stake Thence 300 ft. to N.E. cor. Stake, Thence 1500 ft. to S.E. co. Stake, Thence 300 ft. to S. center and Stake Thence 300 ft. to S.W. cor. Stake, Thence 1500 ft. to N.W. cor. Stake Thence 300 ft. to N. center and Stake this line or claim is known as the "M.C. K." is located about 1 1/2 miles north of McNamra Claim—called Virginia District.

Located Feb. 16th 1878.

"Friday, Nearsee's & Gold Bug" Proof of Labor

STATE OF OREGON
County of Klamath

March 11, 1898

Before me, the subscriber, personally appeared Michael Mahoney who, being duly sworn, lays
before me that at least one hundred dollars cash, labor and improvements not paid for or made upon each of the
following lots: Mining Claim No. 13, Nearsee's & Gold Bug, and Mining Claim No. 14, Organized Mining District, County of Klamath, State of Oregon, during the year ending December 31st, 1897, such expenditure was made by, or at the expense of,

George W. McCarty, Affidavit Mahoney, and William A. Watt owners of said claims for the purpose of holding
said claims.

Michael Mahoney

Subscribed and sworn to before me this 1st day of March, 1898.

(Official Seal)

Recorder

Friday Mine Shaft & Tunnels

In the name of the United States, having on or about March 26th, 1893, organized and commenced work upon the Friday Mine Shaft and Tunnels claiming all rights and privileges incident thereto or confirmed by the laws of the United States and said State, and by the local laws, custom, rules and regulations of said Mining District, and having continued the work upon said Shaft and Tunnel until at the date hereof the depth exceeds one hundred and fifty feet exclusive of corsets and

spreading, hereby enter, file, and record this Notice of Location. Said Shaft has the entrance upon the Friday,

Lot Mining Claim, about the center of said claim in No. Organized Mining District.
County, State of Oregon, and extends in a direct line, depth on the lip of the vein one hundred and fifty (150) feet from the bottom of which there is a depth 110 feet westerly towards the Kearsarge Lode and a drift 70 feet easterly towards the Gold Bug Lode.

said shaft was located and the work of extending the same done for the development of the following lode mining claims, viz: Friday, Kearsage and Gold Bug, and for the further purpose of prospecting for veins or lode not previously known to exist, or not appearing upon the surface and for the discovery and development of all mineral beds and veins upon the line of said tunnel, or within the ground capable of exploration by, on, said shaft and tunnels.

the work done hereof, as well in the future, upon or in and through said shaft and tunnels and the workings drifts and connections connected therewith, will be claimed as work done upon said lode or mining claims in accordance with the laws of the United States (Act of Congress of May 10, 1872, and February 11, 1876). All of said lode or mining claims are situated contiguously, forming one tract or mining claim about ten miles in an easterly direction from Baker City, Oregon, and about three hundred yards northerly from the Sheon, Doubt's Wagon way, in said mining district, county and state, and are in whole owned by the undersigned.

Dated this 1st day of March 1898.

George W. McCarty.
Abbi Maholay.
William H. Watt.
Notice is hereby given that the undersigned, having complied with Chapter 6, Title 32, of the Revised Statutes of the United States and the local customs, rules, and regulations, has discovered mining quartz in place and has located the following described mining claim, situated on McNamee gulch, in Baker County, Oregon, in an unorganized district to wit:

Commencing on the South side of McNamee gulch about 300 feet below the Little Mac quartz claim, running Thence 180 feet in a Westerly direction to a point, with 300 feet on each side thereof, for working purposes, said claim is known as the "O. S."

Location Notice dated and posted January 3rd, 1898,

Walter Hill, Locator.

J. H. Cradlebaugh

Notice is hereby given that the undersigned, having complied with Chapter 6, Title 32, of the Revised Statutes of the United States, at 9 a.m. and the local customs, rules, and regulations, has discovered mining quartz in place and has located the following mining claim, situated on McNamee gulch, in Baker County, Oregon, in an unorganized district to wit:

Commencing on the South side of McNamee gulch about 300 feet below the Little Mac quartz claim, running Thence 180 feet in a Westerly direction to a point, with 300 feet on each side thereof, for working purposes, said claim is known as the "O. S."

Location Notice dated and posted January 3rd, 1898.

J. H. Cradlebaugh, Locator.
Notice is hereby given to all whom it may concern that this
U.S. 1896
E. Ladd & C. E. Wood of Multnomah County, residents of the
United States over the age of 21 years, have relocated the Lynn
Slide Lode, Government claim, under said act, in accordance
with the Revised Statutes of the United States, Chapter Six
Title Thirty-two. Relocated 1300 linear feet with surface
ground 600 ft. in width extending N 71° E 500 ft. to post
and S 51° W 1000 ft. to post, from this Notice at the discovery
or prospect shaft which is 200 ft. from the N.E. and line
of claim. The exterior boundary of this claim being electrically
marked by reference to some natural object or permanent
monument or more particularly described as follows:

Commencing at the N.E. corner of the Beards
Lode, Government claim, Thence 28° W 400 ft. to post, Thence N 51°
E 1800 ft. to post, Thence N 28° W 600 ft. to post, Thence
N 51° E 1800 ft. to place of beginning.

This claim is located on W 7/10 Sec. 20 T. 13 R. 45
E. W. M. The original Notice being recorded in Book
3, page 130, Book of grant claims, 13th day of November
1895. Day of 7th, Oregon, and we intend to work any
claims as prescribed by local customs and rules of mining
Statutes of the United States of Oregon.

Relocated and dated on the ground the 18th day of
March 1898.

Witnesses:

C. E. L. Wood
Relocator

E. H. Wood

W. H. Wiggens
Notice is hereby given to all whom it may concern that Chas. T. Burt of Multnomah County and Joseph Thomlinson, citizens of the United States, over 21 years of age, have located the White Cliff gypsum claim under and in accordance with the mining laws of the United States. Chapter 6, Sec. 35; thirty-two 160-acre sections, located 1500 linear feet with surface ground level in width, extending 57° 15' W 1500 ft. to point from this point or the discovery shaft or prospect shaft, which is at the Easterly end line of claim. The exterior boundaries of this claim being designated marked by reference to some natural object or permanent monument, more particularly described as follows:

Commencing at a rock planted in the ground from which the N.W. corner of the Ok Point claim bears 334° E 475 ft. distant. Thence S70° W 1500 ft. to point where same line as said claim is situated on Sec. 16 + 7, T. 13, R. 45 E. The Original Notice being recorded in Book 1 page 101 Book of Survey claims on 23rd Oct 1895, Rockin City, Oregon. I respectfully wish to hold and work said claim as specified by local custom & rule of Mining Laws of the U.S. of Oregon.

Retected & dated on the ground this 18th day of March 1899.

Wm. H. Weigle

[Signature]  Joseph Thomlinson
Notice is hereby given to all whom it may concern, that C. E. Wood and Chas. E. Lord of Multnomah County, Citizens of the United States, over the age of 21 years, have relocated the "Rocky Mountain" gypsum claim under and in accordance with the revised statutes of the United States, Chapter six, Title Thirty-four, relocating 950 linear feet, with surface ground 600 feet in width extending 76° 51' 6" 950 feet to post from this Notice at the direction shaft which is at the West line of claim. The exterior boundary of this claim being distinctly marked by reference to some natural object or permanent monument, more particularly described as follows to wit:

Commencing at the N.E. corner of the Big Slide Gypsum claim, thence N 65° 51' 8" 950 feet to the S.W. corner of the Gypsum claim, thence 66° 44' W. 600 feet to rock, thence E. 65° 51' 6" 500 feet to N.W. corner of the Big Slide Gypsum claim, thence 64° E. 600 feet to place of beginning.

This claim is located in Sec. 26, T. 13 S., R. 45 E., W.M.

The original Notice being recorded in Book D page 150 of grants claims. 15th day of November 1894.

Baker City, Oregon, 15th day of November 1894.

Chas. E. Lord

Retrieved on the ground this 15th day of March 1895.

Witness

R. H. Wicks

E. E. Wood
Filed for Notice is hereby given that I, the undersigned, do
record, this 24th day of March, 1898, a Claim 1500 feet
from the Gold bearing ledge. Commencing at this notice
mark, running 1500 feet in a Southerly direction to a
44° 45' North line, said Notice also 300 feet each side of the ledge.
Recorded. This ledge shall be known as the "Claybourn" Mine,
located on the right hand fork of Mr. Cord Cutch above
of John's Hill, located this 24th day of March, 1898.
Locators: John Toy.
John Arndt.
Filed for

Notice of the location of a Mining Claim.

Notice is hereby given to all whom it may concern that George
Nevi, S. P. James and Joe Knight, citizens of the United States, now the age of 20
years and 7 months, have this day relocated the following described Mining Claim,
James Nevi, S. P. James and Joe Knight, citizens of the United States, now the age of 20
years and 7 months, have this day relocated the following described Mining Claim,

To consist of two acres of land, containing 4,800 feet, in the following manner:

Bounded as follows: Commencing at the North Center of said land, and running thence 300 feet in a northwesterly direction to the North West Corner Stake; thence 1,500 feet in a southerly direction to the South West Corner Stake; thence 300 feet in an easterly direction to the South Center and lines thence continuing in an easterly direction 300 feet to the South East Corner Stake; thence 1,500 feet in a southerly direction to the North East Corner Stake; thence 300 feet in a northerly direction to the North Center and lines the place of beginning. Situated in the Township of Evansville, in the Mining District of Banks County, State of Oregon, about a mile and a quarter in a northwesterly direction from the Union Hill School. This Claim shall be
known as the Little Devil Mining Claim. I do intend to hold and work the same accordance to the local customary rules of mining. I also hereby deposit the Mining Claim of the United States.

Dated on the ground this 15th day of January, A.D. 1898.

Alleged:

Irwin Frasier.
J. H. Hudson.

George Bomer.
Locators.
Filed for Notice is hereby given that the undersigned, a citizen of the United States, over the age of twenty-one years, on the 14th day of March, 1876, discovered a vein or body of lode or sand rock in or at Lam. Place, mining Gold, Silver and Lead, within the limits of the Claim described as follows: The said Claim is bounded by fifteen hundred feet on each side of the Center of said lode, in the Tommy Lee Mining District, County of Butte and State of Montana. The said Claim is bounded by fifteen hundred feet on each side of the Center of said lode, described as follows:

From the South to the South and

The said Claim lies about one mile from the town of Butte and about 500 feet north from the road to Granite Creek. And I intend to hold this work said above described Claim as provided by the local laws, the customs and rules of miners, and mining statutes. The laws of the United States. Located March 14th, 1876. Dated March 16th, 1876.

Signed: Geo. Neumbauer

J. R. Jones
Notice is hereby given that the undersigned, a citizen of the
State of Oregon, of the age of 21 years, on the 15th day of March 1848,
discovered a vein or body of Silver or Sand Rock in the State of
Oregon, declared under the laws of the United States, located
on the 28th day of March 1848 by the said
undersigned, at the place of the
undescribed point, in the town of
Simpson, County of Baker, State of Oregon.

G. P. Kallock
Notice is hereby given to all whom it may concern, that on June 7, 1879, at 7 P.M., the undersigned James Cummings, P.O. Symmes and R.P. Dening, citizens of the United States, over the age of 21 years, having discovered a vein of gold or rock in placer mining Gold Hill, situated within the limits of the claims hereby located, have this day recorded in accordance with the Revised Statutes of the U.S., Chapter 6, Title 32, Located 1,500 ft. of this vein or lode, or rock in place, together with surface ground 600 ft. in width situated in the Organized Mining District of Baker County, State of Oregon. The name of this claim shall be the Dening & More. It is particularly described as follows: Beginning at a point in the south end line of the Ether Allen grant, claim to center and south end of said Ether Allen grant, claim; thence 300 ft. southwesterly to our Southwesterly side line, thence 300 ft. northeasterly to a point which is the NE. corner; thence Westerly 500 ft. and along the South end line of the Ether Allen grant, claim to center and South end of same Ether Allen grant, claim; thence 1,500 ft. to SE. corner of this claim, which shall be and is the NE. corner of this claim, thence Southwesterly 1,500 ft. to SW. corner post, thence 300 ft. southwesterly to South center and post; thence 300 ft. in the same direction to SE. corner post, thence 950 ft. northeasterly to place of beginning. All parts are marked in the history of the claim as the Sherman group and the Ether Allen group claims. We intend to hold and work said claims as provided by law in placer mining law of the United States. This claim joins the Sherman group on the SE. and is about 1 mile north of the Bailey Elisham Mine and Mill. Done and dated on the 18th day of May 1879.

James Cummings
P.O. Symmes
R.P. Dening
Notice is hereby given to all whom it may concern that on June 21, 1876, the undersigned James Gunning, O.R. Symmes, and R.D. Deming, citizens of the United States and over the age of 21 years, being desirous of a vein or body of quartz or rock in place bearing gold, within the limits of this claim, hereby located here this day, and in accordance with the statutes of the United States, Chap. 6, Tit. 32, located 1500 linear feet along the rim or body of quartz or rock in place together with surface ground 600 feet in width situated in the organize Mining district County of Douglas, State of Oregon. The name of this claim shall be the Oregon. The particular description as follows: Beginning at a post or prospect where the claim is posted, running thence 100 ft. Northwesterly to center and post which center and post are also the South center and post of the Deming and Stewart claim. Thence Eastly to N.E. corner post which is on the N.W. side line of the Dolcoth Quartz claim, Thence Southerly along the N.W. line of said Dolcoth Quartz claim 1500 feet to E.E. corner post. Thence Westerly 200 feet to South center and post thence 200 feet in an easterly direction to S.W. corner post and post being on the East side line of the Island Quartz claim. Thence 1500 ft. Northerly along the East side line of said Island Quartz claim to N.E. corner post, Thence Easterly 300 ft. to N.E. corner post and post this claim is bounded on the North by the Deming and Stewart claim, on the East by the Dolcoth Quartz claim, and on the West by the Island Quartz claim. All six Eldon Mountain mine posts are Marked Osings. We intend to hold and work said claim as provided by law of United States and local custom. This claim is about 11/2 miles N.E. of the Bailey Eldon Mountain Mill shown and dated on the ground this 25th day of May, 1876.

Quier, the undersigned have this 22nd day of June 1898, located, located, and claimed, and by these presents do among locate and claim, by right of discovery and amended location, in compliance with the Mining Act of Congress approved May 10th, 1872, and all subsequent acts, and with local customs, laws and regulations, 1500.0 linear feet and horizontal measurement on the 13-1-B.75 east, west, or deposit, along the vein thereof, with all its slips, angles and variations, as allowed by law, together with 200 feet on each side of the middle of said vein at the surface, so far as can be determined by present developments, and all veins, lodes, edges or deposits and surface ground within the lines of said claim 750.0 feet running 215° 00' E. from center of discovery and 750.0 feet running 16° 15' 00' W. from center of discovery, said discovery point being situated upon said claim in unorganized Mining District County of Baker and State of Oregon, described by metes and bounds as follows. To wit: Beginning at the 16 W. corner a post from which the 4th section corner on the East side of Section 9, T. 10, S. R. 35 1/2 E. 141° 05' W. 230.0 ft. and running thence N. 57° 35' E. 612.0 ft. to a post thence S. 14° 35' E. 1563.8 ft. to a post thence B. S7° 35' W. 604.0 ft. to a post thence N. 18° 26' W. 1496.5 ft. to the place of beginning. This being the same lode originally located on the 1st day of January 1896. In Book G Page 20, in the office of the Recorder of Baker County. This further and amended certificate of location is made without wains of any previously acquired rights, but for the purpose of correcting any error in the original description or record.

B. P. Quier
Notice of Quartz Claim Location

Filed for record. Having complied with all the requirements of Chapter 26, law 1873, of the revised statutes of the United States, the undersigned has located a fifteen hundred foot line on feet of the 24th Meridian West, bearing gold 41° 12'. Commencing at this notice, Recorder, running North to the end line of the sound money Quartz claim owned by James Cummings & Co., then in a southerly direction fifteen hundred feet with 300 feet of surface good on each side, all corners marked by stakes. This mine is located about half mile North of the Elkhill Mine and adjoins the Fred Miner owned by T. Deming on the west. This is a relocation of an abandoned claim, known as the Pame Horn, now known as the Dewey. Dated on the ground 5th day of July 1898.

Witness: J. Cummings.

"Cracker Jack"

Filed for Notice is hereby given that the above undesignated Citizens of the record, United States of America, being the owners of the United States and July 9, 1897, "Oregon the claim 1500 Eimer Feet on this side by 600 Feet in 11 am. width together with all its adjacent property and to the nearest 10 Feet, the Cracker Jack Quartz Claim. It is situated in the organized Recorder mining district, Baker Co., State of Oregon. It is more fully described as follows, to wit: About a quarter of a mile North East of the Maxwell Quartz mill on the south fork of Cash Creek. Commencing at the Neick center and taking a running in a southerly direction 1000 Feet. To southwest corner stake, thence in a northwesterly direction 1500 Feet, thence in a southerly direction 500 Feet, thence in a southerly direction 1500 Feet, thence in a southerly direction 300 Feet, thence in a southerly direction 1896.

M. H. Knapp.
Notice is hereby given that the undersigned, a citizen of the United States, on the 1st day of June, 1898, discovered a vein or body of quartz or sand rock in the district of Baker County, State of Oregon, lying on the line of the claim, of a certain extent of fifteen hundred feet (1,500 ft.) in length, with a strike of east and west, situated at the 3d W. line of section 23, T. 20 N., R. 23 W., in Baker County, State of Oregon.

The boundaries of said claim are as follows:

Commencing at the 3d N. line of section 22, T. 20 N., R. 23 W., in Baker County, State of Oregon, thence northwardly 300 ft., thence eastwardly to a mound of rocks, thence northwardly 1,500 ft., thence eastwardly to a mound of rocks, thence northwardly 1,500 ft., thence eastwardly to a mound of rocks, thence northwardly 1,500 ft., thence eastwardly to the 3d N. line of section 23, T. 20 N., R. 23 W., in Baker County, State of Oregon.

Subject to the laws of Oregon and the mining laws of the United States.

Dated: June 1, 1898.

Titled "Hiro Hobson"

Notice is hereby given that the undersigned having completed with the requirements of the laws of the State of Oregon, as set forth in the statutes of the United States, and the local customs, has located 1500 linear feet on the "Hiro Hobson" Quartz Mine, situated in Clatsop County, Oregon, and the Recorder records it as follows: Beginning at the first corner or discovery shaft and extending 300 feet in a Easterly direction to a stake fixed in the ground, then extending 700 feet in a North Easterly direction to the North East corner, a stake fixed in the ground, then extending 600 feet in a Westernly direction to the North West corner, a stake fixed in the ground, then extending 1500 feet in a South Westerly direction to the South West corner, a stake fixed in the ground, then extending 800 feet in a North Easterly direction to a point 300 feet Easterly from the prospect or discovery shaft as before described.

The claim is situated on Hunt's Creek, about 3/4 of a mile in a North Easterly direction from the N. W. Corner of the S. E. of Sec. 23 T. 8 S. R. 38 E. of Willamette Meridian.

McLeod

Notary Public for Oregon.
I. J. V. Robinson, being first duly sworn, say that at the time I commenced said work, I was a citizen of the United States, over the age of twenty-one years. That I was acquainted with and known as the ‘‘Frank J. Keating’’ quartz mining claim, the same lying and being situated on Sand Creek, a tributary of Rock Creek, in the County of Baker, State of Oregon. That I was present between the first day of October, 1878, and the 24th day of November, 1878, to my personal knowledge there was honestly and fairly expended in labor and improvements. One thousand dollars worth of work was on the said quartz mining claim. The said work consisting of clearing out and lining the old tunnel on the said claim. That to my personal knowledge the said work was performed by me and others at the special instance and request of J. E. Hodgins and John Robinson, partners doing business under the firm name and style of Hodgins & Robinson. That said work, under the customs and usage of miners and in force among miners in general, and honestly worth the sum of One Thousand Dollars.

I, J. V. Robinson, do solemnly swear to the truth of this 24th day of November, 1878.

A. Jones
Notary Public for Oregon.
Appeared before me, John Richardson, and says that on
Nov. 28, 1895, and above $100.00 worth of labor and improvements has been
at 2 P.M, expended on each of the following claims, "June", "Eveline"
Mendik and Kendike, Rock Quay Claims, Situated in NE Organized
Recorded District, in the Ulm Mining District, about 2000 feet
South, Easterly from the Corn Virginin Mine, the
said work and improvements was performed in the
June Tunnel on Rock Quay all in Baker County
Oregon, and for the year 1895.

"Lelia" and "Granite" Shaft. The undersigned citizens of the United States, having complied with all the requirements of the law of the United States and the State of Oregon, relating to mining claims and tunnel locations, do with the local laws, customs, rules and regulations of the organized mining district; having on or about 20th day of July 1896, located and commenced work upon the "Lelia" and "Granite" Shaft, claiming all rights and privileges incident thereto or conferred by the laws of the United States and said State, and by the local laws, customs, rules and regulations of said Mining District, and having continued the work upon said shaft, until at the date hereof the depth of said shaft, exclusive of cross cuts and inlets, has been determined, and the notice of location, said shaft has the lathe shaft in the direction of the junction of the Lelia mining claim at about the north end line of the Lelia body and the south end of the Granite body being a combination shaft at the adjoining end of the two claims, in an organized mining district, Baker County, State of Oregon, as is laid out in a direction of depth on the two claims on the dip of the vein sixty feet at the bottom of which is a station and preparatory to drifting south on the Lelia body and north on the Granite body. Said shaft was located for the purpose of locating the shaft and development of all mines, bodies or veins upon the line of said shaft or within the ground capable of development by, in or through said shaft. The work done hereon is as follows: the final excavation of the shaft, the workings, drifts and crosscuts connected there with will be claimed as work done upon said bodies or mining claims, in accordance with the laws of the United States (Acts of Congress of May 10, 1872, and February 11, 1875). All of said bodies or mining claims are situated contiguous, from
having one tract or mining claim about one mile northwestern
from Orella saw mill which is on the road between Ape Valley
& Humboldt Basin on South River branch, in said mining
district, bounty "A" state, & are in whole owned by the un
designated. Dated this 26th day of December 1898.

Notary Public for Oregon.
Filed for record, Flagstaff shafts & Tunnels. The undersigned citizen, Dec. 17, 1878, of the United States, having complied with all the requirements of the laws of the United States & the State of Montana, relating to mining claims & tunnel locations, & recorded with the local laws, customs, rules & regulations of the organized mining district, having on or about March 15, 1879, commenced work upon the Flagstaff shaft & tunnel, claiming all rights & privileges incident thereto, & confirmed by the laws of the United States & said State, as by the local laws, customs, rules & regulations of said mining district, having continued the work upon said tunnel & shafts until at the shaft head of the length of 400 feet, exclusive of cross cuts &
raises, hereby post, file I record the notice of location.
Said shafts have the entrance upon the Flagstaff ledge mining claim about the center line of said claim, in the organized mining district, Baker County, State of Oregon. It extends in a direction north from the line of the vein, some hundred and thirty feet, where are crosscuts and drifts towards the north west.
Empire, Gertrude, Fort Grey, and Flagstaff No. 2 fractional claims. Said tunnels were located for the work of expediting the work of developing the following ledge mining claims, to wit: Flagstaff, Empire, Whitfield, Gertrude, Fort Grey, Flagstaff No. 2 & 4 fractional, and for the further purpose of prospecting for veins or bodies not previously known to exist, or not appearing upon the surface, for the discovery of development of all veins, ledges of veins before the line of said tunnel, or within the garage capable of exploration by, or through said shafts & tunnels. The work done here before, as well as in the future, upon, in & through said shafts & tunnels & the workings, drifts & crosscuts connected therewith, will be claimed as work done upon said ledges or mining claims, in accordance with the laws of the United States Acts of Congress, of May 10, 1872, & February 11, 1873. All of said ledges or mining claims are situated conjointly, forming one tract or mining claim about seven miles in a North Easterly direction from Baker City, Oregon, in said Mining District, Baker County, 2nd State, and in whole or in part owned by the undersigned.

Dated this 21st day of December, 1873.

State of Oregon

Know all men by these presents. That the

Defendants, undesignated hereinafter, on the 5th day of December 1875, located any

Recover, and by these presents do locate and claim, by

right of discovery and location, in compliance with the

Mining Act of Congress, approved May 25, 1872, and all

subsequent acts, and with local custom, have established

1500 linear feet and horizontal measurement on the Set

Marie lode, vein, ledge, or deposit, along the vein, with

all its dips, angles and variations, as allowed by

law, together with 600 feet surface ground 200 feet on either

city of the middle of said vein at the surface, so far as can

be determined from present developments, and all mines, lodes or

deposits and surface ground within the limits of said claim,

900 feet running South West from center of discovery, and

600 feet running North East from center of discovery, said

mining being situated upon said lode, mine, ledge or deposit,

and within the limits of said claim, in the Quaker Mining

District, County of Baker, and State of Oregon, described by

meridians and bounds as follows, to wit: Said claim is

situated on the West side of North Powder River and

near the head waters of said stream and claim is

about 4 miles North of Bonner, about ½ mile from east

North of Powder Creek, near Marie Quarter Main

lode, was discovered on the 5th day of December 1875.

claimed, and by these presents do locate and claim, by right
of discovery and location, in compliance with the mining
acts of Congress, approved May 10th 1872, and all subsequent
acts, and with local customs, laws and regulations fifteen
hundred linear feet and Horizontal Measurement on the
Klondyke lode, vein, ledge, or deposit, along the rim thereof,
with all its slope, angles and variance, as allowed by law
together with three hundred feet on the East and three
hundred feet on the West side of the middle of said rim at
the surface, so far as can be determined from present develop-
ments and all mines, lodes, ledges or deposits, and surface
gravel within the line of said claim. Three hundred
feet running West from center of discovery to South
West corner and three hundred feet running East from
center of discovery to North East corner, and discovery lode
situated upon said ledge, vein, ledge or deposit, and within
the line of said claim, in the Bonanza Mining District,
County of Baker, and State of Oregon, described by metes
and bounds as follows: Beginning at Conic No. 1, Thence
running fifteen hundred feet Southly to come 90° 2. Thence
six hundred feet Eastly to come 90° 3. Thence fifteen hundred
feet Northly to Stake 90° 4. Thence six hundred feet to
starting point. This claim is bounded on the South by
Blacksmith Mining Claim, one of Bonanza group on the
North by Conie King.

Said lode was discovered on the 1st day of January A.D. 1879.
Sale of Location January 1st A.D. 1879.

Notice of Forfeiture

Bates County, State of Oregon, March 5, 1873.

I hereby take this opportunity to notify you, the heirs of Fredrick H., and Fredrick H., Second, and all other heirs of the said Fredrick H., and to all whom it may concern, you are hereby notified that I have expended four hundred and fifty dollars in labor and improvements upon the following lots claimed to wet: Ratcliff Lode, Wisecup and Lode situated in Mormon Basin District, reorganized. The Ratcliff Lode being in Bates County, Oregon, and the Wisecup and Lode being in Malheur County, Oregon. All of said Lode within one mile of the Butte Lode in said District, said amount being sufficient to hold the same for the year ending December 31, 1877, and if within ninety days after the publication you fail to agree to contribute your proportion of said expenditure as owner, your interest in said claims will be the property of the subscriber, under section 2224 of the Revised Statutes of the United States.

Sherman Harrison.

State of Oregon

County of Bates

I, Wesley Andrews, being duly sworn, say that I am known of the Weekly Oregonian, a Weekly Newspaper published every Saturday at Baked City, Bates County, Oregon. That the aforesaid Notice of Forfeiture was published in said paper as follows: The first publication being on the 8th day of March, 1873, and the last publication being on the 9th day of July, 1877, covering a period of 14 full weeks 15 publications. That said Notice was published in the regular and entire edition of every number of said paper and not in a supplement thereof.

Wesley Andrews

Subscribed by sworn to before me this 4th day of January 1879.

County of Bates

J. John Ratcliff, Jr., P.I. W. Hamn
Being each first duly sworn for myself, say: That at all times hereafter stated I was and am now, a citizen of the United States, over the age of twenty-one years. That at any time since the 1st day of June, 1895, I have been and am now personally acquainted with and favor what is known, held, located and recorded as the Ratcliff, Drass Mining Claim, situated partly in Malheur and partly in Baker County, State of Oregon. That at all times since I have been and am now familiar with and all of the working, development, prospecting and operation thereof and therein. That of my own personal knowledge for the year 1897, the Sherman Harrison who came a notice of fortieth to be published in the Weekly Epigram, paid and expended $60.00 in labor and improvements upon the said Ratcliff of the Lulu and Daily Drass Claim, the said Lulu & Drass adjoining the said Ratcliff. That the said work and labor was expended for the purpose of representing the same and doing the annual assessment work on each of the said claims for the year 1897, and was necessary to hold the same and to comply with the Mining laws of the United States. That of the said work or done for the said year $60.00 thereof was done and performed upon the Ratcliff. That the said work consisted of sinking a shaft forty feet in depth on the Ratcliff vein and driving an incline for the space of eight feet. That the said work returned to the benefit of all of the said claims and was performed for the use and benefit of all of said claims.

John Ratcliff

Subscribed and sworn to before me this 11th day of February, 1899.

Filed for Notice in Hardy Town, That the undersigned citizens of the United States, over the age of Twenty-one years, have this 1st day of August, A.D. 1879, located to the claim 1500 square feet on the lead, located from a vein, bearing minerals in lodes, by 600 feet in width, the E.H. Niles and same being 300 feet on each side of the center thereof, together with all the dipping, uprising, and angles, and also all the other mines and beds on either side or portion of which lies within the said bounds and lines. This location shall be known as the Last Chance Lead Mine, is situated about one mile west of Robinsonville, running the west fork of Green Wood gulch. It is bounded on the south by the Pat Geense on the west by the Golleh Pierce on the north by the Hidden Treasure & the East by the Edsel Clark, in the organized Mining District, County of Baker, as State of Oregon, bounded as follows: commencing at this discovery stake and running 4 mining claims 1400 feet in a southerly direction on said vein or bed 640 feet in a southerly direction on said vein or bed to the said monument which forms the boundaries as required by law. Located this 7th day of August, 1879.

K. N. Holcomb, Recorder.
Notice is hereby given to all whom it may concern, that J. H. Dearmin, a citizen of the United States, over the age of twenty-one years, has complied with the laws of the Territory of the United States, by the local court at 10 a.m. on the 25th day of August, 1899, under the regulations as prescribed by the government, has located a claim of fifteen hundred feet east and west and fifteen hundred feet north and south, as follows:

Commencing in the gulch south running west north one hundred fifty feet and eighty-five feet north, thence north forty-five degrees south to a stone and stump north one hundred fifty feet, thence south forty-five degrees east one hundred fifty feet and south one mile to the place of beginning.

This claim lies on the line of the Bailey Bldg. mine about three miles, with six substantial stakes which I intend to hold said claim and work according to the local customs and laws of Oregon. Discovered August 24th, 1899.

J. H. Dearmin, Locators.

Witness: Thos. Finley.
Notice is hereby given that J. H. A., the undersigned, citizen of the United States, over the age of twenty-one years, have this the 25th day of August, 1879, located a mining claim 1500 feet south of the point of commencement of the lode or vein by a line of 200 feet in width, the same being 300 feet on each side of the point of commencement of the lode or vein, together with all the vein or lode between, and all the vein or lode within the said boundaries. This location shall be known as the Michigan Lode or mine. It is situated about one and one-half miles south southeast from the town of Browne and is a part of the Michigan Mining Claim No. 4, of the same lode or lode, in the Waine Mining District, County of Baker, State of Oregon, bounded and described as follows: Beginning at the discovery stake at 1500 feet in the same direction on said vein or lode to the stakes or monuments which form the boundary as required by law. Located this first day of August, 1879.

Filed for Notice is hereby given that I, the undersigned citizen of the United States over the age of twenty-one years, have this fifth day of August 1877, located a site claim 500 line on foot by 500 feet in 36th Meridian, the same being 300 feet on each side of center thereof. Recorded together with all slips, spurs and angles, and all the other marks or lines, the top or apex of which lies within the said bounds. This location shall be known as the No. 1 No. 2. This site is situated about five miles from the town of Bonneville in a Northerly direction and about two miles from the Mammoth mine about six hundred feet west of wagon road, leading from Bonneville to Mammoth mine in County of Baker, State of Oregon, bounded and described as follows:

Commencing at the discovery stake I notice a running corner 1500 feet in a waxerly direction on said mine or locate to the stake or monument which forms the boundaries as required by law.

Located this fifth day of August 1877.

3 A.M. Lone or vein bearing mineral in place, by 600 feet in width, the same being 300 feet on each side of the Center thereof, together with all the ditches, 'angles, or sides all the other veins or bodies the top surface of which lies within the said boundaries. This location shall be known as the "Manilla" Lode or Mine, and is situated about 7/4 miles South Westly from the Town of Sumpter, and North of the Oregon Wagon road, in the mining district, County of Baker, State of Oregon, bounded and described as follows: Beginning at the discovery stake of notice at running hence 1,500 feet in a South Westly direction on said vein or lode to the stakes or monuments which form the boundaries as required by law.

Located this 15th day of June 1899.

E. J. Steffen, Witness.

Santiago

Filed for Notice is hereby given, That I, the undersigned, citizen of the United States, over the age of Twenty-one years, have this 15th day of June 1899, located at the claim 1,500 linear feet of this lead, Lode or vein or

3 A.M. Lone or vein bearing mineral in place, by 600 feet in width, the same being 300 feet on each side of the Center thereof, together with all the ditches, 'angles, or sides all the other veins or bodies the top surface of which lies within the said boundaries. This location shall be known as the "Santiago" Lode or Mine and is situated about 3/4 miles South Westly from the Town of Sumpter, and North of the Oregon Wagon road, in the mining district, County of Baker, State of Oregon, bounded and described as follows: Beginning at the discovery stake of notice at running hence 1,500 feet in a North Westly direction on said vein or lode to the stakes or monuments which form the boundaries as required by law.

Located this 15th day of June 1899.

E. J. Steffen, Witness.
Filed for Notice is hereby given that the undersigned, having complied with the requirements of chapter 150 of Title 38, chapter 3 of the Revised Statutes of the United States of the local customs laws and farm regulations, has staked 1500 linear feet on a gold-bearing body.

J.W. Bird, situated in Aye Valley Mining District, Baker County, State of Oregon, described as follows: From bottom shaft extending 600 ft. West to East and stake at 900 ft. South to North center and stake at from same point 200 ft. East to West and stake at 400 ft. West to East 75 ft. situated between the creek and Wehbe Gulch about 200 ft. South from Aye Valley A.D. known as the Great Eastern Mining Claim. The southern boundary of the claim being marked by stake.

Located this 21st day of Sept., 1899.
Discoverer: "B. Howard."

Filed for Notice is hereby given that the undersigned, having complied with the requirements of chapter 150 of Title 38, chapter 3 of the Revised Statutes of the United States, of the local customs laws and farm regulations, have located 1500 linear feet on the Big Dipper.

J.W. Bird, situated in an organized mining district, Baker County, Oregon, State of Oregon, described as follows: Commencing at this discovery point and running 150 ft. in a South Westly direction at 750 ft. in a North Westly direction along with 300 ft. on each side. This claim lies about ½ mile from Parker's Claim and 300 ft. North of the south side of the body of water as marked by point on each corner at edges. And shall be known as the Big Dipper.

Located Aug. 26, 1899.
Discoverer: "W. G. Lawman."
Walter Parson.
Filed for Notice is here by given that T. J. Simpson, having discovered record a vein of mineral iron ore in the district 1500 feet east in length and 600 feet in width on 1877, 300 feet from discovery, situated in the unorganized mining district of the Atlos County, Oregon, is to be called The "Vollhime" Claim. The claims of the above are described as follows: Beginning, at discovery and running 1000 ft. Westward to west end center point, then 300 ft. Northward to N.W. corner post, then 1500 ft. Eastward to N.E. corner post, then 300 ft. Southward to East end center point, then 300 ft. Southward to South end center point, then 1500 ft. Westward to N.W. corner post, then 300 ft. Northward to West end center point at place of beginning. The adjoining claims are the Mineral Hill Quarterly Claim on the South.

September 13, 1879.

T. J. Simpson.

"Mammuth No. 5"

Filed for Notice is hereby given that T. J. Hills, having discovered record a vein of mineral iron ore in a direction from the discovery shall be 1877, 300 feet from discovery, situated in the unorganized mining district of the Atlos County, Oregon. The claims of the above are described as follows: Beginning at discovery and running 125 ft. Northerly to North End center post, then 300 ft. Eastward to N.E. corner post, then 1500 ft. Southerly to S.E. corner post, then 300 ft. Westward to South end center post, then 300 ft. Westward to West end center post, then 1500 ft. Northerly to N.W. corner post, then 300 ft. Southward to South end center post, then 1500 ft. Westward to North end center post at place of beginning.

Dated this 13th of Sept., 1879.

T. J. Hills.
"Emison"

Notice is hereby given to all whom it may concern that Oleo B. Backwood, as Describer of the United States, on the age of twenty-one years, having discovered a ledge of Rock in place bearing gold at 8:30 a.m., other precious minerals within the limits of this claim, have this day filed the application, in accordance with Chapter 6 of Title 32 Revised Statutes, Recorder of U.S. 1500 leagues west of this ledge, east of west, with surface ground 600 feet in width, located in the organized mining district of the State of Oregon, and described as follows: known as "Emison" County Mine. Commencing at the discovery shaft, where this notice is posted, thence North on this line 500 feet to North Center line point, being at the South Center line of the "Raymond" quartz mine, thence East 300 feet to W. Center point, thence South 1500 feet to E. Center point, thence West 300 feet to W. Center point, thence North 1500 feet to N. W. Center point, thence East 300 feet to N. Center point; thence South 500 feet to point of beginning; about 4500 feet north of Iron Point mine (postmarked). And I hereby hold out the same under the mining laws of the U.S. and of the State of Oregon located on this ground the 12th day of September, 1879.

Oleo B. Backwood, Locater.

"Morning Glory" Book N Page 395

Notice is hereby given to all whom it may concern that H. Peterson has located 1500 feet of mineral bearing quartz at other rock in place with 1000 feet in width, running 300 feet. Thence East on North line corner of the morning gold mine, thence 1200 feet, thence Easterly to a stake or post, bounded on the S.W. side by Golden Eagle quartz mine, the discovery is 150 yards from the head of Iron Barn Pipe Pitch, below the Golden Eagle Mine. It shall be known as the "Morning Glory" Mine located July 24th by H. Peterson, Locater.

This is in no mining district that is known, but the Iron Barn Pitch below the Morning Mine and the Don Mine and the Golden Eagle Mine.
“Blue Bellied Yankee”

Notice is hereby given that the undersigned, having complied with the requirements of Chapter Six of Title Thirty-two of the Revised Statutes of the United States, and the local custom, laws and regulations, have located 1,500 linear feet on the line or vein, bearing gold, silver, copper and other precious metals, with surface ground extending 200 feet on each side of the vein, as to be known as the “Blue Bellied Yankee” quartz mining claim, situated in 76th Organized Mining District, in Baker County, and described as follows: Commencing at the NE corner of the Emma sliding, Insert mined and extending North 1,000 feet. Thence West 600 feet. Thence South 1,500 feet. Thence East 600 feet to place of beginning. This is the first extension of the Emma sliding, Insert mining claim; Whitherby it is placed mined in Baker County Oregon. Located this 15th day of August, 1899, Geo. F. Frye, Locater. Witness.

Mike O’Hara

“Union Jack”

Notice is hereby given that the undersigned, agents of the United States, having complied with the requirements of Chapter Six of Title Thirty-two of the Revised Statutes of the United States, Laws of the State of Oregon, and the local custom, laws and regulations, have located 1,500 linear feet on the vein or bed of quartz or rock on place, bearing gold, silver, and other precious metals, situated in 76th Mining District Baker County Oregon, and described as follows: The boundary line commences at the location, and runs 300 feet Southwesterly to the South West corner state, Thence 1,500 feet to the Southeast corner state. Thence 600 feet to the North East corner state. Thence 1,500 feet to the Northwest corner state. Thence 300 feet Southwesterly back to the place of commencement and termination thereof. All of said described claim as located East of the Yankee Hill quartz claim and South of Lost Boom. The North side line runs through the South side of said Lost Boom, and the said
above described claim adjacent the Yankee Bill Claim on the East end and the Charley Boy on the West end.
The General course or strike of the vein or lode as near as can be approximated is running North East. The above described claim shall be known as the Nation Jack

Discovered Sept 4, 1899, C. G. Green
Located Sept 17, 1899, Wm. B. Sargent, Locators

"Hump Back"

Notice is hereby given that the undersigned citizens of the United States, having complied with the requirements of Chapter Seven of title 25, Section 14 of the Revised Statutes of the United States, have located a placer claim on the east bank of the Calvera Creek, said claim extending from the confluence of said creek and in the 7654th of the 7654th of sec 8, T. 12 South of Range 42 E. W. M. The General course or strike of the vein or lode is as near as can be approximated is running in a South East direction. The above described claim shall be known as the Hump Back placer mining claim.

Discovered May 10, 1899, C. G. Green
Located September 14, 1899, Wm. B. Sargent, Locators
Notice is hereby given that the undersigned, citizens of the United States, having complied with the requirements of Chapter Six of Title Thirty-two, of the Revised Statutes of the United States, and the local custom, laws and regulations, have located 1,600 linear feet on the vein or body of quartz or rock in place bearing gold, silver and other precious metals situated in the N3 Mining District, Butte County, Oregon, and described as follows: The boundary line commences at this location notice, and runs 200 feet Southwest to the Southwest corner stake. Thence 1,800 feet to the Southeast corner stake. Thence 200 feet to the Northeast corner stake. Thence 1,800 feet to the Northwest corner stake. Thence 200 feet Southwest back to the place of commencement and termination. The said claim is located on the South side of Lost Basin and about the mile North of Dixie Creek. The general course or strike of the vein or body as seen can be approximated as running Northwest.

The mining claim described above being known as the "Yankee Bill" District Mining Claim.

Klondike Proof of Labor.

L. Scott
Oct. 4, 1899
County of Baker

I, LEONARD W. Fante of the State of Oregon, in the County of Baker, do hereby certify
that during the year 1899, I entered upon the premises of
James R. O'Neal, and on January 10, 1899, and June 10, 1899, I superintended the doing of
the assessment work for and upon the mining claim
situated in Baker County, Oregon, on Grindel Creek, adjoin
the Evening Star patented mining claim then on the Northwest side line thereof, and
Northwest side line coinciding with the Southeast
end line of the Klondike claim, the latter being
the claim upon which this proof of labor is made truly.
That the development of the Klondike claim can be
made to the best possible advantage within the similarity
of the said Evening Star claim, and that the said develop-
ment work was done within the said sideline of the
said Evening Star claim, for the sole benefit of the said
Klondike claim, and consist in tunnelling, shoring,
crosscutting, and driving a tunnel on the said sideline of the
Klondike claim aforesaid.

That the said tunnelling was done and made upon the
said Evening Star for the benefit of said Klondike claim
within the time and date aforesaid, an hundred feet
in length, and of the full value of $35.00. That I
make this affidavit at the request of the owner of said
claim, to wit, Emma S. Fante and O. D. Ross, and in the
Matter and things herein set forth are within my
personal knowledge, and said work was so done under
my personal supervision as aforesaid.

Filed for Notice is hereby given that I, the undersigned citizen of the U.S., record, here this 11th day of September 1879, located to the claim 15th. In Oct. 11, 1879, east of the said, locate or mine bearing mineral in placer by terms 500 feet in width, the same being 300 feet on each side of the F.H. McLeod and others, together with all the clips, fissures of angles, or Recorder, also all the other claims or lodes the site or aspect of which lies within the said boundaries. This location shall be known as the Blue Jay Mine, or lode. It is situated on the ridge between Murphy Gulch & Mormon Basin, or near the boundary line between Baker & Mathias Company, or running parallel with the Mormon Blue Mine. In Mormon Basin Mining District, County of Baker & State of Oregon, is bounded as described as follows: Commencing at the northwest corner of the claim and discovering stake running 500 feet in a northwesterly direction on said mine or lode, thence 1000 feet in a northwesterly direction on said mine or lode. The claim is marked by nine substantial stakes, which form the exterior boundary line. Located this 11th day of September 1879.

John D. Jones, Locator.

Filed for Under the several acts of Congress the town lots of the State of Oregon record relating to the development of the mineral resources of the United States, the undersigned does this day locate an 1500-foot claim in placer on the said mine, bounded on the east, west, north, and south by the records of said mine or lode. This claim is situated in Baker County & State of Oregon, and shall be known as the Jake Quack Mining Claim. It is more particularly described as follows: Commencing at the state line, thence north 300 feet, thence east 1500 feet, thence north 300 feet, thence east 1500 feet, thence north 300 feet, east 1500 feet. This claim is marked by nine substantial stakes, which form the exterior boundary line. Located this 27th day of Sept. 1879.

Mr. Jones, S. P. Heriman, Locators.
Title for To Whom It May Concern, Notice is hereby given, That the undersigned, Citizen of the United States of America, Conforming to the Ordinance of 1872, Mining Law, Section 2 of the State of Oregon, and the local rules, etc., in relation to the location of claims of mining, has located a claim by this notice de designated as H. McBride's claim, known as the West Place Lot No. 1 of Mining Claim, being described

Bounded the 27th day of June 1891, a certain 15,000 hundred cubic feet of the lead, iron or tin bearing mineral in place, by 1,000 feet in length, the same being 300 feet on each side of the Center thereof, together with all slips, slopes and angles, at all other veins or bodies of rock or deposit of which it lies within said boundaries. Situated in the unorganized Mining District, County of Baker, State of Oregon, said location being described and marked on the ground as follows, to wit:

The claim is on the West side of the McBride Fork about one mile from Handy Andy Mine in a North Easterly direction.

And I intend to hold and work said claim in accordance with the local customs and rules of Miners at the Mining Laws of the United States of the State of Oregon.

Dated on ground the 27th day of June 1891.

Confirmed

Name of Locator: William Veas.
To Whom it May Concern: Notice is hereby given, that we, the undersigned, citizens of the United States of America, conforming to the Act of 24th July, 1872, and as amended thereby, do hereby establish and locate an mining claim in the

Preceding claim as the Black Hole or Mining claim being discovered the 27th day of June, 1879. We do claim 1500 square feet on the said claim, 1000 feet in length, and 100 feet in width, the same being 500 feet on each side of the Center thereof, together with all the surface, always and all other veins or bodies of the rock or ore of which the same is a part, bounded in the organized Mining District, known as the Black Hole, in the State of Oregon. Said location being described as being set on the ground as follows, to wit: About one mile from the Black Hole Mine in a North Easterly direction, and about ½ mile from the said Black Hole Mine. And I asked to hold and work said claim in accordance with the local customs and rules of Miners and the Mining Laws of the United States, and the State of Oregon.

Dated on the ground the day of 1879.

Name of Declarer: William Jones.
To whom it may concern: Notice is hereby given, that on the
9th day of October, 1893, the Mining Law of the United States of America, Conferring
the right to locate under the laws of the State of Oregon, and the regulations and customs of miners, is hereby
enacted. By this notice, A. M. Beadle does hereby locate a claim known as the “Walter” Lode or Mining Claim, said
A. M. Beadle being the discoverer of the same, on the 9th day of October, 1893, and dedicated the same to the public,
which, together with all the then existing rights, together with all the then existing rights, together with all the
then existing rights, together with all the then existing rights, together with all the then existing rights,
mounted on the north point of which the line is 3,000 feet in length, and 3,000 feet in width, the same being 300 feet on each side of the Creek
thereof, together with all steps, claims, or any other claims or marks, the top or any part of which lies within said
boundaries.

Said claim is located on the west side of the Mountain, in the vicinity of the Miller Flume, and about 1/2 mile in a southerly direction from the
Aurora Hill. And I intend to hold and work said claim in accordance with the local customs and rules of miners of the
Mining Laws of the United States of America, and of the State of Oregon,
Dated the 9th day of October, 1893.

Name of Locators: William Beadle.
Filed in Whom it May Concern: Notice is hereby given that on the record, under the signature of the United States of America, Condemning Oct. 9, 1874, to the mining laws thereof, a tract of the state of the local rule.

AAM, regulations of customs of miners, have located a tract by this notice of the McBride Creek, known as the "Ymera" lode on Mining Claim, said

Decender, lode is discovered the 27th day of June 1874, as its claim 1500 feet from this deed, lode or vein bearing minerals in place by 500 feet in width, the same being 500 feet on each side of the Creek, three feet to the left, with all dikes, sumps, or angles, of all other runs or lodes, the top or aspect of which lie within said boundaries. Situated in the organized Mining District, county of Baker, State of Oregon, said location being described as marked on the ground as follows, to wit:

This lode is on the East side of the McBride Creek, 300 feet from the Big Water, about six miles from Sumpter.

And I intend to hold and work said claim in accordance with the local customs and rules of miners and the Mining Laws of the United States a part of the State of Oregon, on ground the 27th day of June 1874.

Name of Location: William Pers.
Notice is hereby given that on the 13th day of September 1879, the citizens of the United States, over the age of twenty-one years, have discovered, on the 14th day of September 1879, a deposit of coal, located and claimed on the east side of the N. W. 1/2, Section 14, Township 2 North, Range 1 West, District 1, in the State of Oregon, bounded as follows: commencing at the south line of said section, and running thence north 1000 feet, then east 1000 feet, then south 1000 feet, then west 1000 feet to the point of beginning, containing 160 acres, more or less, which deposit of coal is within the said boundaries. This deposit shall be known as the 'Old Crow' deposit, and its side, named about one mile in a northwesterly direction from the town of Sumpter, about one mile and a half from Sumpter, County of Baker, State of Oregon, bounded and described as follows: commencing at a recording stake at the northwest corner of said 160 acres, running thence north 1600 feet on an east and west direction, so as to include the deposit of coal, which deposit of coal is within the said boundaries, as described by law.

Located the 17th day of September 1879.

Witnesses: John Jones, Dan Jones.

O. S. Ferris.
Filed for Notice is hereby given to all whom it may concern that the record of Daniel Gold Mining Co., citizens of the United States, on the 8th day of June, 1899, contain the following described mining claims, viz.: Commencing at the now existing corner of a deposit running 400 ft. North to North End South, thence 500 ft. East to North East Corner, thence 300 ft. East to South End South, thence 300 ft. West to South West Corner, thence 1500 ft. East North to North West Corner, thence 300 ft. East to North End South, situated in the Claims District, Ada County, State of Oregon, to be known as the Sally B. Mining District. And we intend to work the same in accordance with the usual methods and parts of mining in said mining district and the mining regulations of the United States. Dated the 9th day of Sept., 1899.

A. C. Delegate, Location.

Filed for Notice is hereby given that one, the undersigned, citizen of the United States, on the 24th, 1899, have this 24th day of June, 1899, filed for a claim of 1500 acres on this land, lead or mine, bearing 40 feet mineral in place, by 500 feet in width the same being 300 feet on each side. This claim is hereby located in the same manner as the other claims, subject to all the other conditions of which have within the said boundaries. This location shall be known as the Sunday Lake or Mine and is situated about a quarter mile from the head of Duvall's mine in a southwesterly direction, about six miles from the town of Mountianville mining district, owned by Duvall, State of Oregon, and described as follows: Commencing at the mouth of this mine and running thence 400 feet in a northwesterly direction on said mine on said mine, thence 400 feet in a northwesterly direction on said mine on said mine to the south boundary of the mining district which forms the boundaries as required by law.

Located the 24th day of June, 1899.

J. J. Mullette,
R. E. Dibbs.
Filed for Notice is hereby given that the undersigned, having complied with the requirements of Chapter II of Title Thirty-Five of the Revised Statutes of the United States, and the local custom, laws, and regulations, has a mining claim located 1500 linear feet on the mineral leasing side, situated in Baker County, Oregon, more particularly described as follows:

Claim: Commencing at the discovery running North 750 feet to North Center line stake, thence West to Center stake No. 1, thence 1500 feet South to Center stake No. 2, thence 500 feet East to Center stake No. 3, thence 1500 North to Center stake No. 4, thence 300 feet North and line thence 1500 feet South to place of beginning or discovery.

This claim shall be known as the Geo. F. Kroesser Claim.

J. J. McNeil, Location.

Located this 18th day of Sept. 1897.

[Signatures]

Gold City vs. Horn Blake

Filed for Notice of Oregon record. County of Baker. Before me, a Notary Public, personally appeared Oct. 27, 1897, Charles F. Ames, who being sworn, says that he, on or about 1897, spent Two Hundred Dollars, worth of labor and improvements, on the Horn Blake mining claim. The said mining claim is located in the unorganized mining district of Baker County, State of Oregon, during the year ending December 31, 1897. Expenditures were made by or at the expense of Charles F. Ames at one of the owners of said mining claim as required by the United States mining laws.

Chas. F. Ames

Subscribed and sworn to before me this 27th day of Oct. A.D. 1897.

J. J. McNeil.

[Notarial Seal]

Notary Public for Oregon.
Filed for under the several acts of Congress, and the local laws and customs of the

United States, the undersigned declare this day deposit a claim 1500

190 feet (linear) on this vein, bed or deposit of mineral-bearing rock in

P.A. McCandless, together with 300 feet on each side of the center of said

mineral-vein or bed for mining purposes. This claim is situated in Baker

County, State of Oregon, and shall be known as the "Chronicle"

Quarry Mining Claim. And is more particularly described as follows:

Commencing at the stake where this notice is posted, running 300 feet west, thence 1500 feet north, thence 500 feet east,

thence 1500 feet north, thence 300 feet west to place of beginning.

This claim lies on ridge between McCandless Creek and Silver

man Creek, and about one half mile west of the Nelson placer mine. It is bounded by the following named Quarry Mining claims, on

the east by the anchor, and on the north by the Public Land.

Declarant: Michael Madden.

The 21st day of Sept., 1879.

Witnes: A. W. Madden.
To whom it may concern, Notice is hereby given that
A. J. Trimble, a citizen of the United States, has the day
of Oct, 1899
of A.M., 1800
of 4 P.M.,

Witness

Charles Flynn

Frank J. Kennedy, Solicitor

Dan M. Gallagher
Notice is hereby given to whom it may concern: Nov. 7, 1899.

That, whereas, on the 8th day of July A.D. 1899, Mrs. at 11 A.M. Mrs. T. H. Tipton and W. W. Tipton discovered by locating the

churner described mining claim, and

Whereas, the notice of location of said churner described mining claim was recorded in the Survey Records of Baca County, Vol. No. at page 346 on the 10th day of August A.D. 1899, and whereas the said Mrs. T. H. Tipton and W. W. Tipton are descivers of said mining claim, I, therefore, the undersigned, citizens of the United States of America, have located 1,500 feet along the

line, lead, or mine in length, with surface ground

200 feet in width, and more substantially described as follows: Beginning at the discovery point, thence it is planted a copy of this Notice, and running on a northerly direction along the said line, lead or mine 750 feet to the

North center line stake; and from said discovery point 750 feet in a southerly direction to the

South center line stake; thence from said South center line stake in an easterly direction 300 feet to the southerly

corn stake of said claim; thence in a northerly direction for a distance of 1,500 feet to the

Northeast corner of said claim; thence in a westerly direction for a distance of 300 feet to the said North center line stake; thence in a westerly direction for a distance of 300 feet to the

Northwest corner stake of said claim; thence in a southerly direction for a distance of 1,500 feet to the

Southwest corner stake of said claim; thence easterly for a distance of 300 feet to said South center and

South of said claim, the place of beginning.

This claim shall be known as the "Olivea" Lead Mine or Mining Claim, the course or strike of which said

Olivea Lead Mine or Mining Claim being in a northerly and southerly direction.

And we intend to hold and work the same in

accordance with the laws, rules and regulations.
of Miners, and of the laws of the United States and of the State of Oregon.

Dated this the 4th day of November A.D. 1899.

Located on the 8th day of July A.D. 1899.

the
Petition of Henry W. Lott and J. D. Reed, citizens of the State of Texas, to the courts of record in and for the State of Texas, for the purpose of obtaining the right to locate a post office in the town of Lott, in the county of McLennan, in the State of Texas, and for the purpose of making the post office known to the public. The petitioners state that the said town is situated in the center of the county and that it is a convenient place for the location of a post office. They further state that the place is well served by railroads and that it is a thriving community. The petitioners request that the town be granted the right to establish a post office.

Dated this 20th day of June, 1877.

Nancy E. Sumner

Deputy Secretary of

Record.
Thomas Thomas being first duly sworn, states that he, and one Geo. Allen were
bound as surety about the 13th of Dec., 1877, the owner of
New claim mineral claims situated at the head
of Jordan Creek in the Sumpter District, Lake Co.
Oregon, known as the Jap. Gould, Diamond, Brigade, Bridge and Black Rock, all of said claims
are ceded and assigned me, together with all said
claims, and the amount of $150.00, that said
claims have been represented in the sum of $1,500.00
and for the year 1879, by the driving of a drift
on the ridge of the Jap. Gould claims for a distance
of 75 feet, which said drift was done between the
16th day of Oct., 1879, and the 15th day of Dec.,
1879, and that said drift was reasonably
made with the sum of $150.00, that said drift
was of the dimensions of four and a half
feet wide by seven feet high, also that an
insuran on the Jap. Gould claims for 50 feet
from the bottom level to the top said said work
being reasonable with the amount of $150.00, also the
adjoining the tunnel of the Colton claim and
making reasonable with $150.00 and that
said work was done for the first benefit of the
Jap. Gould, the Gould, Brigade, the Oregon
and the Backback claims, and was done
for the purpose of holding said claims under
the land of the U. S. of America, and that
said affidavit and the co-partners Geo. Allen
wrote about the 30th day of Dec., 1877, and said
affidavit claims to the Jap. Gould Mining Co.
who is now the owner thereof.

J. M. Jackson

Notary Public in and for the State of Oregon.
United States of Oregon

County of Baker

J. D. Jackson, being first duly

Sworn, deposes, and says, that James, a citizen of

Baker, was, on the 1st day of January, 1899, 15 years of age, residing in the City of Baker, Baker County, Oregon. That James told to the police officer of the City of Baker, Baker County, Oregon, the name of ancient Hawaii, and was residing in the place named.

The Oregon State Police received a notice of the sale of 150 acres of land, situated in Baker County, Oregon, the name having been sold by the State of Oregon to the State of Hawaii. Said land was sold on the 1st day of January, 1899.

And that the said James was not present at the time of sale.

I, J. D. Jackson, subscribing and giving full power, do hereby authorize the sale of the above-described land, and for the purpose of purchasing the same, and for the purpose of restoring the property sold, and for the purpose of regaining the same, and for the purpose of regaining the property sold, for the year 1899.

J. D. Jackson

Subscribed and sworn to before me, as a justice of the peace, in the public place, this 17th day of December, 1899.

J. D. Jackson

Justice of the Peace, Oregon.
Location Notice

Notice is hereby given that the undersigned, having complied with the requirements of the laws governing quartz claims locations, have this located 1500 feet in length by 600 feet in width on this ledge, lode or deposit, bearing 10.8% copper, silver, and other precious metals in place. The Recorder and will, claim, hold and work the same. From this discovery post and notice we claim 500 feet in a northerly direction and 750 feet in a southerly direction, and 300 feet on each side of the ledge.

This claim is situated on the head of Silver Creek in Cable Couy in Baker and Grant Counties, State of Oregon, and is marked and bounded by four corner posts and two end center posts.

The nearest known location is the Summit quartz claim in the pass between Lake and Silvies Creeks on the trail to Bally Lake.

This claim shall be known as The Alice Quartz Mining Claim.

Located this 1st day of July, 1899
