Notice of Location of a Quartz Claim.

NOTICE IS HEREBY GIVEN to all whom it may concern, that:

Val C. Johnson and F. G. Furr

Citizen of the United States, over the age of 21 years, having discovered a vein or body of quartz or rock in place, bearing gold and silver, within the limits of the claim hereby located, and have this day, under and in accordance with the Revised Statutes of the United States, Chapter Six, Title Thirty-two, located 1,500 linear feet of this vein or body, with surface ground 600 feet in width, situated in the named Mining District, County of Baker, State of Oregon, and known as the Emma Quartz Mining Claim, and extending:

To the west a distance of 50 feet from the northerly line of said claim, or the exterior boundaries of this claim being distinctly marked by reference to some natural object or permanent monument, and more particularly described as follows, to-wit:

One quarter of a mile West of Emma,
Beginning at N.E. corner of said quarter, thence 300 feet W. to common point
Thence 1500 feet S. to S. corner point
Thence 300 feet to E. W. corner point and thence
Thence 300 ft. to W. common point, thence 1500 feet to westerly point, thence 300 feet to N.E. corner and back to place of beginning.

This claim being the north extension of the Pauline Quartz Mining Claim.

And we intend to hold and work said claim as provided by local customs and rules of miners and the Mining Statutes of the United States.

Dated on the ground, this 10th day of Sept., 1877.

Notice of Location of a Quartz Claim.

NOTICE IS HEREBY GIVEN to all whom it may concern, that

We, citizens of the United States, over the age of 21 years, having discovered a vein or lode of quartz, or rock in place, bearing minerals within the limits of the claim hereby located, and have this day, under and in accordance with the Revised Statutes of the United States, Chapter Six, Title Thirty-two, located 1500 linear feet of this vein or lode, with surface ground 600 feet in width, situated in the Aggie mining District, County of Baker, State of Oregon, and known as the L. P. Jones Quartz Mining Claim, and extending 750 feet below the surface, to commence at a stake and 750 feet directly opposite from this notice of the discovery or prospect shaft, which is 100 feet from the southwesterly line of the described boundaries of this claim being distinctly marked by reference to some natural object or permanent monument, and more particularly described as follows, to wit, north westerly, 1000 feet, and thence south westerly, 1000 feet, and thence south easterly, 1000 feet, and thence north easterly, 1000 feet, all to the beginning.

Situated about 1 1/2 miles southwest of Brownie Hill Mine, and about 5 miles north east of the town of Bumpass, and about 1 1/2 miles west of the Columbus Mine.

And we, the undersigned, intend to hold and work said claim as provided by local customs and rules of miners and the Mining Statutes of the United States.

Dated on the ground, this 3rd day of September 1899.

Notice of Location of a Quartz Claim.

NOTICE IS HEREBY GIVEN to all whom it may concern, that

I, the undersigned

citizen of the United States, over the age of 21 years, having discovered a vein or lode of quartz, or rock, in place, bearing precious metals within the limits of the claim hereby located, and have this day, under and in accordance with the Revised Statutes of the United States, Chapter Six, Title Thirty-two, located 1500 linear feet of this vein or lode, with surface ground 600 feet in width, situated in the Mining District of Baker County, State of Oregon, and known as the Antelope Quartz Mining Claim, and extending 300 feet to east and 1200 feet to west, from this notice at the discovery of prospect shaft, which is 300 feet from S. B. end line of the exterior boundaries of this claim being distinctly marked by reference to some natural object or permanent monument, and more particularly described as follows, to wit:

Situated about 3 1/2 miles S. W. from Little Marine Creek, and the north line the Independence Township, 3rd range, 6th section, 1846, and on the north line of Claims Grant, 1846, being the location of my Brand mining claim, hence surveyed and patented to myself dated for the year of 1897.

And I intend to hold and work said claim as provided by local customs and rules of miners and the Mining Statutes of the United States.

Dated on the ground, this 12th day of January 1898.

Notice of Location of a Quartz Claim.

NOTICE IS HEREBY GIVEN to all whom it may concern, that

The undersigned, A. C. Hunter, C. E. Maybourn, and G. R. Gray, who are citizens of the United States, over the age of 21 years, having discovered a vein or bed of quartz, or rock in place, bearing gold, silver, &c., within the limits of the claim hereby located, and have this day, under and in accordance with the Revised Statutes of the United States, Chapter Six, Title Thirty-two, located a linear feet of this vein or bed, with surface ground feet in width, situated in Mining District,

County of Baker State of Oregon and known as the Quartz Mining Claim, and extending feet Northwardly from this notice at the discovery or prospect shaft, which is feet from Westwardly end line of the exterior boundaries of this claim being distinctly marked by reference to some natural object or permanent monument, and more particularly described as follows, to wit:

Starting at discovery point running 300 feet Westwardly to N. and stake No. 1; thence 350 feet Southwardly to S.E. corner stake No. 2; thence 1600 feet Eastwardly to S.E. corner stake No. 3; thence 300 feet Northwardly to E. and stake No. 4; thence 800 feet Southwardly to N. E. corner stake No. 5; thence 1600 feet Westwardly to N.W. corner stake No. 6; thence 300 feet Southwardly to W. and stake No. 7; thence 1600 feet Eastwardly to W. E. corner stake No. 8; thence 2000 feet Westwardly and stake No. 1, the starting point.

This claim lies about 1 mile north of Burnt Creek, 3.5 miles east of Crooked Creek and joins the Mag on the east.

And we intend to hold and work said claim as provided by local customs and rules of miners and the Mining Statutes of the United States.

Notice of Location of a Quartz Claim.

NOTICE IS HEREBY GIVEN to all whom it may concern, that I, Charles Schaefer, citizen of the United States, over the age of 21 years, having discovered a vein or lode of quartz, or rock in place, bearing minerals within the limits of the claim hereby located, and have this day, under and in accordance with the Revised Statutes of the United States, Chapter Six, Title Thirty-two, located a linear lot of this vein or lode, with surface ground 600 feet in width, situated in the Mining District, County of Pierce, State of Washington, and known as the "South Pacific Quartz Mining Claim," and extending 1110 feet to and from this notice at the discovery or prospect shaft, which is 400 feet from the east end line of the exterior boundaries of this claim being distinctly marked by reference to some natural object or permanent monument, and more particularly described as follows, to wit: Commencing at north east post running 1500 feet east at a right angle, and from said post, running 500 feet north, thence to the beginning. Thence 1500 feet west and running 500 feet south, thence 200 feet north, thence 1500 feet east, thence 300 feet south, thence 200 feet north, thence 1500 feet east to point of beginning. This claim is one mouth of great depth that doesn't change the claim, the width of said mine being about 1500 feet east of said mine.

And I, Charles Schaefer, do intend to hold and work said claim as provided by local customs and rules of miners and the Mining Statutes of the United States.
