NOTICE OF LOCATION OF A QUARTZ CLAIM.

NOTICE IS HEREBY GIVEN to all whom it may concern, that I have relocated the ground known as the Whiskey Dine.

citizen of the United States, over the age of 21 years, having discovered a vein or lode of quartz, or rock in place, bearing gold, within the limits of the claim hereby located, and have this day, under and in accordance with the Revised Statutes of the United States, Chapter Six, Title Thirty-two, located a rectangular tract of land in the line of this vein or lode, with surface ground 100 feet in width, situated in the

Mining District,
County of \[Redacted\], State of [Redacted], and known as the [Redacted] Quartz Mining Claim, and extending 1800 feet, as follows:

1. North by true north 1000 feet, from this notice at the discovery or prospect shaft, which is 200 feet from the end line.

The exterior boundaries of this claim being distinctly marked by reference to some natural object or permanent monument, and more particularly described as follows, to wit:

Said claim is located on north side of [Redacted] Creek and on south end of [Redacted] claims and about 5000 feet east of the Criterion Mine on north slope of [Redacted] Mountain and about 4000 feet west of the [Redacted] claim. Commencing at the north end of [Redacted] Mine, thence north 300 feet, to a monument at the center of the claim; thence west 4000 feet, to a monument at the north end of the claim; thence south 1500 feet, to the northwest corner of the claim; thence east 2000 feet to the west end of the claim; thence north 1500 feet, to the northwest corner of the claim; thence west 4000 feet, to the north end of the claim.

And I intend to hold and work said claim as provided by local customs and rules of miners and the Mining Statutes of the United States.

Dated on the ground, this 2nd day of September, 1900.

NOTICE OF LOCATION OF A QUARTZ CLAIM.

NOTICE IS HEREBY GIVEN to all whom it may concern, that:

Dr. E. W. Barnes and J. E. Barnes

are citizens of the United States, over the age of 21 years, having discovered a vein or lode of quartz, or rock in place, bearing minerals, within the limits of the claim hereby located, and have this day, under and in accordance with the Revised Statutes of the United States, Chapter Six, Title Thirty-two, located a linear feet of this vein or lode, with surface ground: 6000 feet in width, situated in:

County of __________ State of ________ known as the: ____________

Quartz Mining Claim, and extending __________ feet north, __________ feet east, __________ feet south, __________ feet west, from the东北 corner of the section, __________ feet from the east line of said section, __________ feet from the north line of said section, __________ feet from the south line of said section, __________ feet from the west line of said section, __________ feet from the line of __________, the exterior boundaries of this claim being distinctly marked by reference to some natural object or permanent monument, and more particularly described as follows, to wit:

The claim lies about one-eighth of a mile eastly from the present main shaft on the Buckeye mine; the prospect or discovery hole being approximately 850 feet a little north of the SW corner of Section 5, T. 10 S. and R. 10 E. WM., about four miles south of the town of North Powder, Oregon. This is intended as and is a subdivision of the "Comet" quartz claim first filed for made by J. W. Barnes and recorded in Vol. ____, No. ____, County Locations for Baker County, Oregon, at page ____, and is made for the purpose of more fully defining and describing said "Comet" claims and without reserving any rights acquired under said original location.

And...I.,...intend to hold and work said claim as provided by local customs and rules of miners and the Mining Statutes of the United States.

Dated on the ground this ______ day of __________, 1904.

[Signatures of Claimants]

Recorded __________, 1904.

Filed and recorded March __________, 1904, at 1:00 P.M.
