November 1, 1900

At 8 A.M.

J. W. Jamieson

R. R. McDaniel

Filed pursuant to the petition of W. H. Johnson, of the city of Baker, County of Baker, State of Oregon, and known as the 'Jack Record' mining claim, extending 150 feet east and west of a stake and 140 Weekly to a stake and 100 feet each side of the center of this mining claim from this notice at the discovery shaft, which is 100 feet from the Creek and line of this claim.

The exterior boundaries of this claim being distinctly marked by reference to some natural object or prominent monument and more particularly described as follows:

The claim is situated on the Creek Fork of Limiter Creek, near the head of said Creek, and runs in an Eastward and Weekly direction, the East and line of this claim joins the Western line of the Monument District claim, and runs 1500 feet in a Weekly direction, and extending to north and south said claim as provided by local custom and rules of mines and mining statutes of the United States and State of Oregon.

Dated on the ground this 9th day of October, 1900.

Located October 9, 1900

Jno. L. Abrams, Locator
Filed for record November 12, 1900.

8 A.M. CM. James Reeder.

Notice is hereby given that the undersigned, having complied with the requirements of Chapter 6 of Title 43 of the Revised Statutes of the United States, and the local custom, laws and regulations, have located 1500 linear feet on one side of the mine, bearing gold, silver, copper and other precious minerals, with surface ground extending 500 feet on each side of the mine and to be known as the Big Porphyry quartz claim, situated in no mining district, Baker County, Oregon, and described as follows: Commencing at stake and notes on south side of creek about three hundred yards below fork of Creek; thence North across creek along Porphyry Ridge to face feet shaft and stake on ridge. Said ridge being West of Springer Dutch, subsidiary of Gold Fork of Manning Creek.

H. J. Cooper. Locators.

Located this 20th day of August, 1900.

Witness: Frank Fellure.

Charles Coleman.

"Gold Fork"

Filed for record November 9, 1900.

CM. James Reeder.

Notice is hereby given that the undersigned, having complied with the requirements of Chapter 6 of Title 43 of the Revised Statutes of the United States, and the local custom, laws and regulations, have located 1500 linear feet on one side of the mine, bearing gold, silver, copper and other precious minerals, with surface ground extending 500 feet on each side of the mine and to be known as the Gold Fork quartz claim, situated in no mining district, Baker County, Oregon, and described as follows: Commencing at stake and notes on South side of Creek about three hundred yards below fork of Creek; thence North across creek along Porphyry Ridge to face feet shaft and stake on ridge. Said ridge being West of Springer Dutch, subsidiary of Gold Fork of Manning Creek.

Recorder.

State of Oregon. I have
County of Baker.

On this 26th day of October, A.D. 1900, came before me, a Notary Public, and for the said County and State, Ted Raiven and J. H. Atkin, to me personally known, who deposes and says each for himself and not for the other that there has been 150000 dollars worth of labor performed upon the "Winning Hand" quartz mining claim, situated in Cable Cor, unorganized mining district, part Southwark extension of the California Mining, Baker County, Oregon, for the year ending December 31, 1900, said labor was performed for D. J. Rees and Thomas McEwan for the purpose of holding said claim.

Ted Raiven
J. H. Atkin

Subscribed and sworn to before me this 26th day of October A.D. 1900.
C. R. Kerr.

Notary Public for Oregon.
"Merry Maid"

Filed for such Notice is hereby given that the undersigned citizen of the U.S. of November 13, 1900, at the age of 21 years, having complied with the requirements of CHAPTER SIX OF TITLE THIRTY of the Revised Statutes of the United States, and the local laws, custom, laws and regulations, have located 1500 linear feet on the vein or lode, within two feet in width, situated in an organized mining district, Baker County, State of Oregon. The claim commences from the "Merry Maid," and is known as the "Merry Maid." It runs 1500 feet North of the "Merry Maid," to center stake and notice and is located on the Mountain side of North and South Elk Creek.

Located the 12th day of October, 1900.

C. W. Bagnall, Locater

"Black Eagle"

Notice is hereby given that the undersigned citizen of the United States on the age of twenty-one years, having complied with the requirements of CHAPTER SIX OF TITLE THIRTY of the Revised Statutes of the United States, and the local laws, custom, laws and regulations, have located 1500 linear feet on the vein or lode, and is 1200 feet wide, situated in an organized mining district, Baker County, State of Oregon, and described as follows: The claim commences from the "Black Eagle," and is known as the "Black Eagle," and the claim runs in a southerly direction and is located on South Elk Mountains. The lode carries gold.

Located the 12th day of October, 1900.

Lorenzo Krenn, Locater

"Majestic No. 1"

Notice is hereby given that the undersigned citizen of the United States on the age of twenty-one years, having complied with the requirements of CHAPTER SIX OF TITLE THIRTY of the Revised Statutes of the United States, and the local laws, custom, laws and regulations, have located 1500 linear feet on the vein or lode, and is 1200 feet wide, situated in an organized mining district, Baker County, State of Oregon, and described as follows: The claim commences from the "Black Eagle," and is known as the "Majestic No. 1," and the claim runs in a southerly direction and is located on the Autumn Mountain in the Spring Valley side: the lode carries gold.

Located the 12th day of October, 1900.

August Majer, Locater
Majestic, No. 2

Note: Hereby given that the undersigned citizen of the United States, over the age of twenty-one years, having complied with the requirements of chapter 242 of title 30, United States Code, and the laws of the State of Nevada, have located 1500 acres of land, in the manner required, and described as follows: The claims commence from Majestic, No. 1 and is known as Majestic, No. 2. The claims run in a southerly direction from this notice. This is located on the Empire Valley side of Autumn Mountain and the land carries gold.

Located this 17th day of October, 1900.

John Bagnall, Locater

Merry Maiden, No. 2

Note: Hereby given that the undersigned citizen of the United States, over the age of twenty-one years, having complied with the requirements of chapter 242 of title 30, United States Code, and the laws of the State of Nevada, have located 1500 acres of land, in the manner required, and described as follows: This claim commences from the Merry Maiden, No. 2 and is known as Merry Maiden, No. 2 and is located on North and South Elk Mountain, the land carries gold. The claim runs in a southerly direction from this notice.

Located this 17th day of October, 1900.

Tom Bagnall, Locater

Merry Maiden, No. 3

Note: Hereby given that the undersigned citizen of the United States, over the age of twenty-one years, having complied with the requirements of chapter 242 of title 30, United States Code, and the laws of the State of Nevada, have located 1500 acres of land, in the manner required, and described as follows: This claim commences from the Merry Maiden, No. 3 and is known as the Merry Maiden, No. 3 and is located on North and South Elk Mountain, the land carries gold. The claim runs in a southerly direction.

Located this 12th day of October, 1900.

W.A. Bagnall, Locater
Not for read. Notice is hereby given that the undersigned, having complied with the requirements of Chapter II of Title Thirty of the Revised Statutes of the United States, and the local customs, laws, and regulations, O.W. James have located 1500 acres on the Juliette quarter lot, situated in Raya Valley on the same mining district, Oregon, described as follows: Two miles west of Raya Valley Post Office on South side Creek, commencing at discovery site a Northeastly direction 50 feet from Southern direction 1150 feet to end corner, thence 300 feet East, thence 150 to North Creek corner stake, thence West 1000 to North West corner stake, thence South 1150 feet to South West corner stake, thence East 300 feet to enter stake, to be known as "The Juliette" to contain gold and silver.

Located the 10th day of October, 1900.

E. W. James, President

Location of Mill site:

Notice is hereby given that the undersigned, The Gold Field ground Creek Company, or Oregon Corporation, has located and claims November 17th, one thousand nine feet along the West bank of Nanetting. 9:00 A.M. from point of first rocky point below the Oregon short line bridge.

W. J. James, President.

November 17, 1900.
To whom it may concern: Notice is hereby given that the proper amount of labor has been done on the "Gold King" quartz claim for the year of one thousand 1900. "Gold King" quartz claim is situated on South East side of Gold Hill 33/100 miles from Dutch Hill, Oregon, Baker County. Located October 24, 1900 by A. J. Nickum, Commercial Mining Company. W. E. Knig, Act. President

A. R. Myer

Proof of Labor "Tiger and Buck".

Filed for record to whom it may concern. The undersigned have performed on the Tiger and Buck claim located by A. J. Nickum and C. W. James situated in the middle fork of Swamp Buck, Baker County, Oregon for the year 1100.

Commercial Mining Company
W. E. Knig, Act. President
A. R. Myer

Proof of Labor "Tiger".

To whom it may concern: Notice is hereby given that I claim filed for record five acres for a millsite, beginning at N. E. corner of "Tiger" November 24, 1900, quartz claim for the N. W. corner of "Tiger" Millsite. Thence PA. 90 feet to stone with x on top for N. E. corner thence C. W. James South by SW. 332 feet to stake for S. E. corner, thence Nor'westerly 620 feet to "Tiger" quartz claim back line, a stake for N. W. corner, thence North by SW. 332 feet to place of beginning.

Located 10th day of November, 1900.

W. E. Knig, Locator

W. J. Knig.

D. J. Hoffman.
Filed for

Notice is hereby given that the undersigned, having complied with the requirements of the Revised Statutes of the United States, has this day located and claimed fifteen hundred and thirty-nine feet along the course of this lead, locate or vein of mineral-bearing quartz, and three hundred feet broader in width on each side of the middle of said lead, locate or vein, with all mineral deposits contained therein, and all timber growing within the limits of said claim and all water and water privileges thereon or appurtenant thereto, situate in the Vortex Mining District, County of Baker, State of Oregon, and more particularly described as follows:

Commencing at this notice and running in a westerly direction seven hundred and fifty feet and in an easterly direction seven hundred and fifty feet, together with three hundred feet on each side of the center line, and is situated about four miles east from the city of Baker and one mile east from Signal Peak, all in Baker County, State of Oregon, and shall be known as the "Wild Cat" mine.

C.W. James
Recorder

State of Oregon
County of Baker
Before me the subscriber personally appeared John W. Braun, who being duly sworn says that at least $320.00 worth of labor and improvements were performed and made upon the Home Lake and Golden Alps quartz mining claims situated in an organized mining district, about one half mile south of the Beaver mine on Truck creek in Baker County, State of Oregon during the year ending December 21st, 1900. Such expenses were made at the expense of A.E. Dagany and A.C. James owners of said claims, for the purpose of holding said claims, and all said work was performed and improvements made upon the Home Lake and Golden Alps claims by John W. Braun.

Before me Charles S. Warren, Jr. being duly sworn says that the annual assessment totaling $125 is an expenditure of one hundred dollars has been performed for the year 1900 on the Crown Point mining claim Baker County, Oregon, which said claim is recorded on page 459 in Vol "M" of county mining claims, and also that the annual assessment work amounting to an expenditure of one hundred dollars has been performed for the year 1900 on the Danger mining claim, Baker County, Oregon, which said claim is recorded on page 461 in Vol "M" of quartz mining claims.

Subscribed and sworn to before me this 24th day of December 1900

J.W. Mcadden
Notary Public for Oregon
I, William Haskell, being first duly sworn, say that I am well acquainted with the properties known as the Sammack, Minnepapa, Humbold and Summit Sue Brand mining claims, said claims, except about one half of the surface levels of said Summit Sue Brand claim, which lies in Baker County, lying and lying in the county of Baker and State of Oregon, and claims lying near the summit of the Blue mountain, nor on the dividing line between said Baker and said Deschutes counties, State of Oregon, and lying near the wagon road from Lumberly, in said Baker County, to Blairs, in said Deschutes County, and lying also near Fall Blue Creek in said Baker County and being owned by George Haskell, and other said claims constitutes a group, and the work heretofore mentioned as having been done and performed on the Sammack claim, one of said claims, was done for the benefit of all of said claims. That the work done on said Sammack claim consists of a one hundred and forty foot tunnel, another fifty foot tunnel and a fifty foot cross cut. That I know of my own knowledge that between January, 1899, and October, 1900, George Haskell performed at least nine months work on said claims in running said tunnels and cross cut. That this work was performed not less than four months work in running said tunnels and cross cut. That George Schuck also performed work in running said tunnels and cross cut for the days between said dates. That I know of my own knowledge that the value of said work so done on said Sammack Claim is more than One Thousand Dollars, and I further know that said work could not have been performed at a less expense than One Thousand Dollars.

Statement

Respectfully submitted,

City of Washington

County of Spotswood

Walter B. Leight, being first duly sworn, deposes and says that he is Vice President and acting General Manager of

The John Gould Gold Mining Company corporation, that said corporation

and said has been during the year 1900 the owner of the certain groups of Granny Mining Claims lying in the County

of Baker, State of Oregon, on what is commonly known as

Pinecrest creek, consisting of the John Gould, the United

Prospect, the Oregon, and the Blackhorse, that all of said

claims lie adjoining and contiguous to each other, and

that the annual assessment work for the year 1900 has

been done upon the said group of claims by working on

the Oregon Claim, for the benefit of all of said groups

that said work consists of extending the Oregon tunnel

from the 224 foot point to the 276 foot point, and laying

through a new track for the purpose of running

cars in and out of said tunnel, that said work was done

between the 22nd day of June, 1900, and the first day

do of July 1900, and the same is reasonably worth $700

and was done for the purpose of holding the said group of

said claims i.e. John Gould, United Prospect Oregon,

and Blackhorse mining claims for the John Gould

Gold Mining Company corporation.

The Gay Claims

Nature of Location of Two Equity Claims

Filed for our needs.

C. W. James

Notices hereby given to all whom it may concern. That we, the undersigned citizens of the United States, over the age of twenty-one years, having discovered a vein or lode of quartz or rock in place bearing gold and minerals within the limits of the claims hereby located, and have this day under and in accordance with the United States of the United States, Chapter 3, Title Thirty-two, Section 2000 linear feet of this vein or lode with all its slips and cross veins, with surface ground 200 feet on each side of said lode, or 200 feet in width situated in an organized mining district, County of Baker, State of Oregon, and known as the Gay quartz claims. Description of location as follows:

1. Extent from this notice on said lode or vein, running northeasterly 200 feet to a stake, thence south easterly 200 feet to a stake, thence south westerly 200 feet to a stake on said lode or vein, thence 200 feet southerly to a stake, thence 2000 feet west westerly to a stake, thence 300 feet north easterly to a stake, place of beginning on said lode or place of notice. Containing two full quartz claims less 200 feet by 3000 feet long on said lode or vein, or 30 acres of ground surface. These quartz claims are known as the Gayon quartz claims and the Clayborn quartz claims. Said quartz claims are located in about two miles in a northerly direction from Wrennby station on the B. & M. R. R. in Baker County, State of Oregon.

2. The north end of the above said quartz claim is about 500 feet southerly from McCord Ditch, where it forks with a little dry gully. And we intend to hold and work said quartz claims as provided by local customs and rules of miners and mining statutes of the United States. Dated on the ground this first day of January 1901, at 12:05 o'clock AM.

To the person to whom it may concern:

Notice is hereby given that I, the undersigned citizen of the United States of America, over the age of twenty-one years, having complied with the requirements of Chapter six of Title sixteen of the Revised Statutes of the United States, and of all other mining laws thereof, and of the State of Oregon, and of the local customs, laws, rules and regulations of miners, did on the first day of January, A.D. 1901, locate, and by this notice do hereby locate a quarter claim known as the "Pheasant" lode or mining claim, said claim having been discovered the 22nd day of November, 1899, and do claim, fifteen hundred linear feet on this lead, lode or vein bearing mineral in place, by six hundred feet in width, the same being three hundred feet on each side of the center thereof, together with all dips, spurs and angles and all other veins or lodges, the top or apex of which is within said boundaries, situated in Portland Hill Mining District, County of Baker, State of Oregon, said location being described and distinctly marked by reference to natural objects or permanent monuments, and more particularly described as follows: from stake on which this notice is posted, 300 ft northwesterly to marked stake, 500 ft northwesterly to marked stake, 750 ft westerly to marked stake, 750 ft westerly to marked stake. This claim is situated about five-1/2 miles south westerly from Darke's Station on the C.B. & M. R.R. and was formerly known as the "Blue Bluff" claim and was forfeited by failure to do the assessment work, on it for the year A.D. Nineteen hundred (1900). And I intend to hold and work said claim in accordance with the customs and rules of miners and the mining laws of the United States and of the State of Oregon.

Dated the 1st day of January, 1901.

C. W. James
Recorder

N. J. Chester, of Baker County, State of Oregon, and am well acquainted with the Crown Point group of mining claims, said group comprising the Crown Point claim, Mountain Slope, and Iron crown mining claim in what is known as the Cave Ton mining district, in said County of Baker, State of Oregon. That said claims are contiguous and the work heretofore mentioned as being done on the Mountain Slope claim was done for the benefit of said three claims, and was to the benefit of all of said three claims named to wit: the Crown Point, Iron Crown, and Mountain Slope. That from January 1, 1910, to Oct. 31, 1911, a tunnel was run on the Mountain Slope claim for 280 feet in the direction of the ledge running through said gash, and that the cost of construction of said 280 feet of tunnel was about three thousand dollars; that during the year 1910 an average of three men were constantly employed on said tunnel work. That in addition to said tunnel work on said Mountain Slope claim, about fourteen thousand dollars worth of machinery were placed on said claim, said machinery consisting of a hoist and Bloom drill and appliances on
said machinery is now being used in processing said work.

That I make this affidavit for the purpose of showing that at least three hundred dollars worth of work was performed during the year 1900, for the benefit of said three claims above named.

**Jack of Diamonds**

Notice is hereby given that J. George Day, a citizen of the United States, has on the first day of January, 1900, discovered and located a mine of mineral bearing rock in place, containing gold, which vein I have named the Jack of Diamonds.

That the course of the vein is North-East and South-West and that I claim 150 feet South-West and 750 feet North-East of the discovering monument on which this notice is posted, and that I claim 200 feet on each side of the center of the vein. This claim is located in the organized mining district of Baker County, Oregon, the discovering monument being placed 750 feet West from East end of the center of the vein. This claim is bounded on the North by the boundary of the mining district, and on the South by the boundary of the mining district, as follows:

Commencing at the discovering monument, thence 200 feet East to the center and east stake; thence North 200 feet to North-East corner stake, thence 1500 feet West to North-West corner stake; thence 300 feet South to South-East corner stake; thence 200 feet East to South-East corner stake; thence 1500 feet East to South-East corner stake. This claim joins the Red Ball on the South, and was located by A.B. Warren, Jr., Nov. 1, 1897, and he has failed to file the assessment report for 1900.

Dated Jan. 1, 1901.

George Day, Location.
Proof of Labor: "Del Norte"

State of Oregon, in
County of Baker.

Before the subscriber, personally appearing, as George W. McCay, who having duly sworn, says that the labor
and improvements were performed or made upon the Del Norte Mining Claim, situated in Baker Mining District,
Baker County, State of Oregon, during the year ending Dec. 31, 1900. Such expenditure was made by or at the expense
of Joseph Cummings, et al., owners of said claim, for the purpose of holding said claim.

Subscribed and sworn to before me the 7th day of Jan., 1901.

"Remington"

Notice is hereby given, that J. C. Reed, citizen of the United States, late on the 14th day of January, 1911, discovered and located a vein of mineral bearing rock in place, carrying gold, silver, and other metals, which vein I have named "Remington." The source of the vein is South and North and that I claim 300 ft. North and 300 ft. South of the discovery monument on which this notice is posted, and that I claim 300 ft. on each side of the center of the vein. The claim is located in a large mining district in Washoe County, Nevada. The discovery monument being placed 300 ft. South from North and Center and is described as follows: The claim was formerly known as the Gold Ridge and the Remington has the same boundary and is marked as the Gold Ridge and was at a depth of about 300 ft. from which the Manganese deposit of the 300 ft. by the mining claim. Deed January 17, 1911.

Wm. J. C. Peck

J. C. Reed. Landor
This is the legal record of the Champion mining claim.

The Champion mining claim is located in the Champion mining district, Baker County, Oregon. It was located on the north and east of the Champion mining claim. The boundaries are as follows:

- Commenced at the discovery and running
  - 400 feet southly, then 800 feet southly and 800 feet eastly to the junction of the Champion and Champion mining claims.
  - 1830 feet northerly to the North West corner, thence 200 feet eastly to the North West corner, thence 200 feet northwesterly to the West North West corner, thence 1500 feet southerly to the West South West corner, thence 200 feet southwesterly to the South South West corner, thence 800 feet southerly to the South South corner, thence 800 feet southwesterly to the South West corner, thence 400 feet westly to the South South West corner.

This claim has been described as follows:
- 400 feet southly, then 800 feet southly and 800 feet eastly to the junction of the Champion and Champion mining claims.
- 1830 feet northerly to the North West corner, thence 200 feet eastly to the North West corner, thence 200 feet northwesterly to the West North West corner, thence 1500 feet southerly to the West South West corner, thence 200 feet southwesterly to the South South West corner, thence 800 feet southerly to the South South corner, thence 800 feet southwesterly to the South West corner, thence 400 feet westly to the South South West corner.

Hawkeye

Notice is hereby given that the undersigned, hereby
in accordance with the requirements of Chapter 6 of the
June 15, 1881, Thirty-two of the Revised Statutes of the United States
11, 1862 and the local customs, laws and regulations, has
located and staked 1,000 acres of land in the Hawkeye, situated in
Rider, as organized, Mining District, Baker County, State
of Oregon and described as follows: Commencing at
a large yellow pine tree about 150 feet north of the
place of discovery and running 1,500 feet south and
almost to Salmon Creek, together with 1,000 feet on
each side of said land and run. This claim was for
merely known as the "Hawkeye." This mining claim shall
be known as the "Hawkeye."

Ed. Barker, Locator

Located this 1st day of January, 1901

Avalon

This is to certify that the undersigned has discovered
within a vein of mineral in place and having complied with
the United States and local mining laws, has located
1,000 ft along this body by 600 ft in width, the name
of this body is the "Avalon" and so situated in an un
organized mining district, Baker County, Oregon
fourth mile east of the Gold King and Top Of
mining shafts, and forms the south side line of
the Valley or claim. It is 4 miles southeast of
North Ranger, and was an abandoned claim.

The boundaries of this claim are as follows:
Commencing at the discovery and running
1,000 ft easterly to easterly end center stake, thence
1,000 ft southerly to south end center stake, thence
1,000 ft westerly to west center stake, thence
1,000 ft northerly to north center stake and

North claim of North

Notice is hereby given that the undersigned, having completed the requirements of Chapter Six of the Mining Laws of the United States and the local customs and regulations, have located 1000 linear feet on the Gold Branch of the mining district of the Baker County, Oregon, and described as follows: Beginning at the southern end of the location and running for one hundred feet in a South Easterly direction, thence 200 feet in a Easterly direction, thence 1000 feet in a North Westerly direction, thence 300 feet in a South Easterly direction, thence 1000 feet in a North Westerly direction, thence 300 feet in a South Easterly direction, and thence 1000 feet in a North Westerly direction.

The claim joins the "Yellow Jacket" North West corner and is about 14 miles in a South Easterly direction from the "Buckeye" claim on Dollar Mountain.

Dated the 24th day of Jan., 1901.

Wm. W. Wilson
Louise M. J. Goldthwaite
Locators.

General Notice

There is hereby notified that the undersigned has discovered a mineral-bearing rock in place and having completed the United States and local mining laws, has located 1000 feet along this line by 600 feet width, the name of which is the "Gold Branch" and is situated in an unorganized mining district of Baker County, Oregon, and joins the North side line of the "Volunteer", the West side line of the "Yellow Jacket", and the East side line of the "Dapper" claims. The boundaries are described as follows: commencing at this location and running 400 ft. Easterly to Easterly and center stakes, thence 300 ft. South Easterly to South Easterly corner stake, thence 500 ft. Westerly to South Westerly corner stake and back toward, thence 300 ft. Easterly to Easterly corner stake, and back southward, thence 300 ft. Easterly to North Easterly corner stake, thence 300 ft. Easterly to Easterly and center stake, and back northward, thence 300 ft. Westerly to Easterly corner stake, thence 1000 ft. Easterly to North Easterly corner stake, and back southward, thence 300 ft. Easterly to Easterly and center stake, and back northward, thence 300 ft. Westerly to Easterly corner stake, thence 1000 ft. Easterly to North Easterly corner stake, and back southward, thence 300 ft. Eastward to Easterly corner stake, and back northward, thence 300 ft. Westerly to Easterly corner stake.

Dated the 24th day of Jan., 1901.
Filed for record, on the 28th day of January, 1900, discovered and located a mining
record, bearing rock in place, carrying gold and silver, to which claim we have named "New York."

That the course of this vein is northeast and southwest and that this claim is 1500 linear feet
and 500 feet wide, 750 feet northeast and 750 feet south of the discovery monument on which this note

Filed for the State of Oregon, County of Baker. Before me, a Notary Public, in and for the State of Oregon, personally appeared Eugene Shively, the Secretary of the Keystone Belle & Gold Boy Consolidated Mining Company; and being duly sworn says that he is the Secretary of the Keystone Belle & Gold Boy Consolidated Mining Company, and that the said Company are the owners of the Keystone Belle claims and have under bond and are operating the Gold Boy, Blackhawk, Orange, Eclipser and Lucky Boy claims known as the Gold Boy group, all situated near the town of Baker and being an eastern extension of the property of the Orange Consolidated Gold Mining Company, and all being adjoining claims.

He further says upon oath that it is the intention of the Keystone Belle & Gold Boy Consolidated Mining Company, to operate all of the above mentioned claims as a group and that the tunnel started on the Keystone claims and running into the Blackhawk is to be extended across the entire group and will develop all of the claims of the said group and will be the working tunnel for taking the ore from any of the said claims.

He further swears that more than three thousand dollars was spent upon the said tunnel in the year 1907, and that the said amount was more than sufficient to pay the annual assessment required by law to be paid on the above mentioned claims and all of them.

Eugene Shively, Secretary

Subscribed and sworn to before me, this 28th day of January 1908.

James Clark

Notary Public for Oregon
Notice is hereby given, that I Archie Scott, a citizen of the United States, has on this 1st day of Jan., 1901, discovered and located a vein of mineral bearing rock in place, carrying gold and silver which I have named the [illegible]

That the course of this vein is north-north-west and south-south-east and that this claim has 1500 feet linear of the side and 600 feet in width on claim of the discovery monument on which this notice is posted, and that I claim all the ground as described on each side of the center of the vein.

That the said claim is located in the unorganized mining district, Baker County, Oregon, the discovery monument being placed 1000 feet west from center end point and 400 feet east line and is bounded and described as follows, to wit:

Commencing at the discovery monument thence 1000 feet east to center end point, 600 feet west to center end point. The claim is situated about one and a half miles from the Summit & Senator wagon road and west of the old Mammoth road, lying between the Spokane quartz claim on the south and the Banner quartz claims on the north and the Crugs on the west, and I intend to work and hold the same

Notice. Read the location of any claim. "The Burn." January 24, 1874, by James Beckwith, a citizen of the United States, over the age of twenty-one years, having discovered a vein or body of gold in certain place, bearing valuable mineral within the limits of the claim hereby located, have this day in accordance with the laws enacted by the United States of the United States and the laws of the State of Oregon, located thereon fifteen hundred linear feet in said vein or bed, with surface ground to the distance of six hundred feet or thereabout, and so extended in an irregular mining district in Baker County, State of Oregon. Said claim is on and upon the public domain of the United States. The name of said claim is "The Burn." The name of the location of the site of said claim is James Beckwith. The date of the location of said claim is the 24th day of January, 1874. The claim is one hundred (100) feet along said vein or body lying North from the point of discovery and fourteen hundred (1400) feet along said vein or body lying South from the point of discovery, and three hundred (300) feet on each side of said vein or bed. The general course or strike of said vein or body, as nearly as I can judge, is South East and South West. I have defined the boundaries from the surface of said claim so that the same may be readily traced by the party and monuments hereinafter described. The following is a description of said claim with reference to natural objects and permanent monuments for the purpose of identifying the same. It is a point three (3) miles North of the town of Union, Baker County, Oregon, on the west side of the Cracker Creek and above wagon road three hundred and thirty-three feet (333.37) feet West of the Old Times cabin and one hundred and sixty feet (160) feet South along twenty (20) degrees East of a bridge over said Cracker Creek said bridge is the Summit (71) bridge over said creek above as North of Gunflat above said claim is eleven hundred (1100) feet South of the half way house on said Gunflat road above said hundred and seventy-five (175) feet below the confluence of Wind Creek and said Cracker Creek, about four hundred and ninety (490) feet South of a group of four (4) large chippens of rocks and above said bridge. The first of which said...
cliffs is a large cone shaped rock projecting out toward said Ranch
about eight 180 feet. Said cliff is about twenty 200 feet high.
The next cliff which is about twenty 200 feet above the first
one is round in shape and not as high as the first one. The
third (3rd) cliff is about the same size and appearance as the
second (2nd) cliff and is about twenty 200 feet above the
fourth cliff is about forty 400 feet above the third (3rd) cliff
and it is more ragged and a little smaller in size than the
second 2nd and third cliffs. The first mentioned cliff is the
largest of the group and they are all from forty 400 to one
hundred and twenty 1200 feet above said bridge No. 7 and are
all detectable from way down. The discovery of said rock
on said cliff is marked by an artificial monument made by sewing
off a large mound of rock about six feet above the ground.
Said mound is square and is about 0.75 inch wide on each face.
X is cut in the North side, and X on the East side, a
crease on the South side and a T on the West side of said
mound or monument. This notice is posted on said monument,
and a copy of this notice will be filed for record in the
office of the Recorder of Conveyances of said County.
The boundaries of the claim are as follows: Commencing at said
point of discovery my, s a forward 0.75 inch cut marked by head
mentioned monument, and running thence one hundred
1000 feet North East to the North corner and point which
is the point of beginning of said claim. Said point is not
less than four 44 inches square in diameter, is a
substantial pillar and projects not less than three 3 feet
above the surface of the ground. Thence from said head marking
point three hundred 300 feet East to a
substantial post which marks the North East corner of
said claim. Said post is not less than four 44 inches
square in diameter, is firmly planted in the ground, and
projects not less than three 3 feet above the surface of the
ground. Thence from said East named post five hundred
500 feet South West to the South back corner
of said claim which corner is marked by a substantial post
firmly planted in the ground. Said post is not less
than four 44 inches square in diameter and it projects not
less than three 3 feet above the surface of the ground.
Thence from said back named post three hundred 300 feet
West to the corner of the South and long of said claim.
which is marked by a substantial post planted firmly in the ground. Said post is not less than four inches in diameter and 11 feet above the surface of the ground. Hence from each last named post three hundred (300) feet West to the South West corner of said claim, which corner is marked by a substantial post firmly planted in the ground. Said post is not less than four (4) inches in diameter and 11 feet above the surface of the ground. Hence from said last named post fifteen hundred (1500) feet North East to the North West corner of said claim, which corner is marked by a substantial post firmly planted in the ground. Said post is not less than four (4) inches in diameter and 11 feet above the surface of the ground. Hence from said last named post three hundred (300) feet East to the place mentioned North Center and post the place of beginning. Said monument in which this section is located and each and all of said corners and said posts are monuments on the boundaries of said claim and are permanent monuments by which to identify said claim. I claim all depts, squares and angles of said run or ledge, and I claim all other lands or veins and their depts. squares and angles lying and being upon said boundaries.

Dated January 26th, A.D. 1901.

Louis Berkovich, Location

Witness O.P. McLeod.
No claim is hereby given to all whom it may concern, that I, J. N. Reilly, a citizen of the United States over the age of twenty-one years, having discovered a vein of quartz or rock in place, bearing valuable mineral within the limits of the claim hereby located, have this day in accordance with Chapter six of the title, title 25, of the Revised Statutes of the United States, and the statutes of the State of Oregon, located fifteen hundred (1500) feet on the line or line, with the surface ground six hundred (600) feet, and width for said entire length, in an unappropriated mining district in Baker County, State of Oregon, said claim is in and upon a portion of the public domain of the United States. Name of said lake and claim is the "High Grade" gold mining claim, the name of the locators, John R. Reilly. The date of the location of said claim is the 26th day of January, A.D. 1876. I claim three hundred (300) acres of land, bounded N 40° 12' 30" West, thence 1200 feet South, thence 1200 feet East, thence South, back to point of beginning. The general course of said line or line is, as nearly as I can judge, north and south. It is about three and one-half miles north of the town of Sumpter, Baker County, Oregon, and about three thousand (3000) feet west of the Baker Creek and Bauman wagon road. It is about thirty thousand (3000) feet south, twenty (20) degrees west of the half way house said house being situated on the Bauman wagon road, about three hundred and seventy-five (375) feet below the line Wind Creek and nine miles from Baker Creek. Said claim is twenty-eight hundred (2800) feet south of the Bridge over Baker Creek, said bridge being the second (2) bridge on said Creek, also on the north of Sumpter, Oregon. Said claim is about one half mile above the mouth of the Creek and about fifteen hundred and seventy-five (175) feet below or south of the mouth of Wind Creek. Said claim is situated on the divide or summit of the
head of the ditch, which empties into Branch Creek, below said bridge No. 7, and the old race cabin. The ditch was shaft 1.854, and the said claim is 1.25 surveyed on the surface of the head of the said ditch. The shaft is marked, and said point of discovery is marked by a substantial post, a sugar tree, five inches south of a fort, five feet above the ground. Said post is 1.25, and is about six inches wide on each face. A blue sign is cut on the north side, a T on the east side, a diamond on the south side, and an O on the west side, of each four or more. The notice is posted on said monument, and a copy of the notice will be filed for one month in the office of the Recorder of Deeds of said Beaver County. Said three 1.25, and is twenty-five feet above, is 17 degrees east of North. Twenty-five degrees east from the point of discovery. The boundaries of said claim are as follows: Commencing at said point of discovery, my said express shaft marked by the back monument, and running north three hundred 1.257 feet, then 17 degrees north. Twenty-five degrees east to the south corner, and post which is the point of beginning of said claim. Said post is not less than four 1.257 inches square in diameter, is of substantial wood and projects not less than thirty 1.257 feet above the surface of the ground. Thence from said last mentioned post three hundred 1.257 feet, east to a substantial post which marks the south east corner of said claim. Said post is not less than four 1.257 inches square in diameter, is firmly planted in the ground and projects not less than thirty 1.257 feet above the surface of the ground. Thence from said last mentioned post three hundred 1.257 feet, west to the center of the north and line of said claim, which is marked by a substantial post, planted firmly in the ground, said post is not less than four 1.257 inches square in diameter, and projects not less than thirty 1.257 feet above the surface of the ground. Thence from said last mentioned point three hundred 1.257 feet, west to the north west corner of said claim, which corner is marked by a substantial post.
Points plotted on the ground said point is not less than four feet in diameter and 50 feet not less than 15 feet (2) feet above the surface of the ground. Thence from said last named point, proceed south fifteen (15) degrees west to the south west corner of said claim, which corner is marked by a substantial post set firmly in the ground. Said post is not less than four (4) feet in diameter and 50 feet not less than 15 feet above the surface of the ground. Thence from said last named point, 50 feet (hundred) feet east to the aforementioned south corner and post, the place of beginning. Said monument on which the notice is posted and each and all of said corner and end posts are monuments in the boundary of said claim and are permanent monuments by which to identify said claim, claim all describe squares and angles of said run or bed, and I claim all other lots or parts and their depa, squares and angles, lying and being within said boundaries.

Agent
Oreg. S.W. No organized mining district

The following is hereby given that the undersigned, having complied
with the requirements of Chapter 1 of Title 30 of the Revised
Statutes of the United States, and the laws of the
above State and local customs, and regulations of each
district, have located and do hereby locate fifteen hundred
linear feet on "Big But" lode, situated in Baker County, in the
above State and mining district, and further described as follows:

Commencing at a post marked由此可见 from x hence
300 feet on a N.20°W. direction to a center and post marked North and center
hence 300 feet in a N.20°E. direction to a center and post marked N. & E. corner x hence
300 feet in a S.20°E. direction to a corner post marked S. & E. corner x hence
300 feet on a S.20°W. direction to a center and post marked South and center
hence 300 feet in a W.20°W. direction to a corner post marked W. & W. corner x hence
the place of beginning, including the claim 15000 feet on the hundred
linear feet in length and 100000 feet in width for
the purpose of mining the same, claiming all surface rights
submerged and invisible and other rights granted by existing
law and custom. The claim is further described as follows:

Commencing at the same point marked由此可见 from x hence
300 feet in a N.20°W. direction to a center and post, hence 300 feet
in a S.20°W. direction to a South and center post, hence 300 feet
in a W.20°E. direction to a North and center post, hence 300 feet
in a N.20°E. direction to a North and center post, hence 300 feet
in an Earthly direction to a North and center post, the
place of beginning. The claim was located and also done by
W. W. Allen under the name of "Mammy II" and is tributary
about one mile E. of McCarty Bridge. The North end line is
represented by the North and line of the "Old Lodge," N.20°W. line
by the East line of the "Little Red" post, and mining claims
posts are placed at each corner and both ends of center line.

The record is placed as desiring

"BYRON" AND "HOMER" (AMENDED DESCRIPTIONS)

Amended Description of the Byron and Homer Quartz Claims, Located and recorded in Baker County, Oregon.

TO WHOM IT MAY CONCERN.

Notice is hereby given by the undersigned, that the following is an amended description of the posts placed at each corner and both ends of the center line to mark the exterior boundaries of the "Byron" and "Homer" quartz locations, situated on the dividing ridge between Snow Creek and Greenhorn Gulch, on the East slope of Greenhorn Mountain, County of Baker and State of Oregon. These two claims were both located by the undersigned 12 May, 1900, and both duly recorded 28 May, 1900, in Baker County Records, Book of Quartz Vol. "C", pages 355 and 356, respectively.

Amended description of the Byron quartz location: Commencing at a post marked No. 1, at the northerly westerly corner, thence 300 feet in a southerly direction to a center and post marked No. 2; thence 300 feet in a southerly direction to a corner post marked No. 3; thence 1500 in an easterly direction to a corner post marked No. 4; thence 300 feet in a northerly direction to a center and post marked No. 5; thence 300 feet in a northerly direction to a post marked No. 6; thence 1500 feet in a westerly direction to place of beginning. This claim is further described as follows: The westerly end line adjoins the easterly end line of the New Era quartz Claim, and the southerly side line adjoins the northerly side line of the "Homer" quartz claim.

Amended description of the Homer quartz location: Commencing at a post marked No. 1 at the northerly and westerly corner, thence 300 feet in a southerly direction to a center and post marked No. 2; thence 300 feet in a southerly direction to a post marked No. 3; thence 1500 feet in an easterly direction to a corner post marked No. 4; thence 300 feet in a northerly direction to a center and post marked No. 5; thence 300 feet in a northerly direction to a corner post marked No. 6; thence 1500 feet in a westerly
direction to place of beginning. This claim is further described as follows:
The westerly end line adjoins the easterly end line of the Rockefeller quartz location,
and the northerly side line adjoins the southerly side line of the "Byron" quartz location and apart of the southerly side line, for a short distance, adjoins
a part of the northerly side line of the "Hannett No.4" quartz location.

"From Hundred"

Notice is hereby given that I, A. H. Barnard, a citizen of the
United States, have on the 12th day of February, 1901, discovered
a vein of mineral bearing rock in place, carrying Gold
and Silver, which vein I have named "The Three Hundred"

Recorded that the course of the vein is W. 1/2 E. 1/2 N. 1/2 E.
And that I claim 25 feet of W. 1/2 E. 1/2 N. 1/2 E. of the discovery monument
in which this notice is posted, that I claim Three Hundred feet
on each side of the center of the vein. That said claim is located
in the unorganized Mining District, Baker County, Oregon, the discovery
monument being placed 25 feet W. 1/2 E. from W. 1/2 E. 1/2 N. 1/2 E. and Center.
It is bounded on the north about 1000 feet to North Corner stake marked No. 1, thence 1000 feet E. to North Corner stake marked No. 2, thence 1000 feet N. to East Corner stake marked No. 3, thence 1000 feet N. to North Corner stake marked No. 4, thence 200 to W. 1/2 E. 1/2 E. of beginning. This claim is about 3/5 miles North of "Cripple" and is
the north extension of the "Hill Hill" Quarter Claim.

Dated February 12th, 1901,

A. H. Barnard, Locators.
Notice is hereby given that M. L. Keigwur, have this 18th day of February, 1911, located 1,800 linear feet with side spread 1,500 feet in width, on a line or body of land, the general course of which is approximately north east.

Located 1,500 feet N. E. to south east. The 'Cocktail' quarter claim, which is situated in St. John's Hill, Baker County, State of Oregon, is bounded as follows: beginning at N. E. and center stake, near quarter section corner, on south side of south branch of creek in Bear can branch of Blue River, 1,300 feet.

Place from the notice of the channel on the ridge, thence 370 feet N. E. to north east corner stake at N. W. corner of the alkaline hill, thence 1,500 feet N. W. on side line of alkaline hill to south east corner stake on top of ridge about 1,400 feet of limestone cliffs, thence 370 feet N. W. to south west, and center stake, thence continuing 300 feet N. W. to South west coner stake, thence 1,500 feet N. E. to north west corner stake, thence 300 feet N. E. to east end center stake at place of beginning. All corners marked in conformity with act passed at special session of 1907.

M. L. Keigwur, Locators.
February 26, 1901

Notice is hereby given that the undersigned in compliance with the requirements of the Revised Statutes of the United States, has this day located and claimed fifteen hundred ten-acre feet, along the course of the lead lake or vein of mineral-bearing quartz, and three thousand feet in width on each side of the middle of said lead lake, lake or vein, with all mineral deposits connected therewith, and all timber growing within the limits of said claim and all water and water privileges thereto or appurtenant thereto, situated in the Umatilla Mining District, County of Baker, State of Oregon, and more particularly described as follows: Thence commencing at the West end of the "Mayflower" mine on the Township line and near the center of Section Twenty-Five, Range Forty-East and about three miles East from Baker City, Baker County, and State of Oregon, and shall be known as the "Manfield No. 2." Filed For

Notice is hereby given, that the undersigned filed
in the United States of America, in conformity with the
law
and custom of mines, the 10th day of January, A.D. 1891, the following claims: 150 hundred
acres, in the following manner:

1. A direct line, 600 feet in length, 500 feet in width, the same being 300 hundred
acres, and 300 feet on each side of the center thereof, together with all
lands, water, and timber,

This location is named the "Minnehaha" and is situated in the unorganized Granite
Mining District, Baker County, State of Oregon. This
claim is situated on a ridge between the north and south
side of Belle creek about 1/2 mile west of Smoke Bar, and
the discovery monument on which this notice is posted
is situated about 100 feet in a northwesterly direction from
the Drago canoe. Said canoe is on the northwesterly end of
the claim.

This lead, lodge or vein extends 500 feet in a northwesterly direction and 1,200 feet in a northerly direction
from the discovery stake and monument and the claim
is bounded and described as follows:
Commencing at the northerly corner and stake which is situated
1,200 feet in a northerly direction from the discovery mobi-
ment and stake, running thence westerly direction 500 feet
in a northerly direction from the discovery monument and stake, thence in a southerly
direction 1,200 feet to the southwesterly corner stake, thence in a northerly direction 500 feet to the northwesterly corner stake, thence in a southerly
direction 200 feet to the easterly center and stake; thence continuing in a westerly direction 200 feet
to the southwesterly corner stake, thence in a northerly direction 500 feet to the northwesterly corner stake, thence in a southerly
direction 200 feet to the easterly center and stake, thence continuing in

The adjoining claims are: The "Minnehaha" on the west
and the "Perseverance" on the east. All the monuments are
marked with the word, "north," and are described in the corners and center.

Notice is hereby given that we the undernamed, citizens of the United States of America, conforming to the mining laws thereof and of the State of Oregon, and the local rules, regulations and customs of miners, have this 11th day of Feb. 1901, located and do claim fifty-three hundred acres lying and being situated in the vicinity of the place hereunto described, containing the minerals hereinafter named, to wit, gold, silver and copper, the same being...
Filed for

Notice is hereby given, that we, the undersigned citizens of the United States of America, conforming to the mining laws, regulations and custom of mines, have this 11 day of June, 1890, located and do claim a certain parcel or surface of land, known as the Independence lode or mine, and is situated two miles southwest of Bridgeport on what is known as the east fork of Eagle Slough in an unorganized mining district, Baker County, Oregon, and is bounded and described as follows. Commencing at this notice and running thence 750 feet in a northwesterly direction on said lode, and 750 feet in a northwesterly direction thencefrom, and we intend to work and hold the said claim as provided by local custom and rules of mining and mining statute of the United States. Dated this 11th day of June 1890. Chas. Wedd.

Witnesses: Frank Elliott

Harry Wedd

L. Gordon
Notice is hereby given that the undersigned, having complied with the requirements of Chapter 8 of Title 3 of the Revised Statutes of the United States, and the local customs, laws and regulations, has located 1,500 acres of the Copper Queen lode, situated in no organized mining district, Baker County, State of Oregon, and described as follows:

Beginning at cemetery east, running thence 1,200 ft easterly to north end center post; thence northerly 200 ft to N.E. cor. post No. 1; thence 1,500 ft westerly to N.W. cor. post No. 2; thence southerly 300 ft to south end center post; thence 300 ft in the direction to N.W. cor. post No. 3; thence 1,500 ft easterly to S.E. cor. post No. 4; thence 300 ft northerly to north end center post; thence 1,200 ft westerly to place of beginning. Said claim is situated on the west bank of Little Salmon Creek and is between the Annie E. and super Boy claims.

William J. Sherwood

Located this 2nd day of March, 1901.

Said claim is hereby recorded.

Witness: James O'Connell
Notice is hereby given that I, the undersigned citizen of the United States of America, conforming to the mining laws thereof and of the State of Oregon, and the local rules, regulations, and customs of miners here, have the following mineral site in the 6th range 18th of July, A.D. 1901, located and do claim 1000 acres and lines, just on this lead, loco or same being mineral in place, by two hundred feet in width, the same being two hundred feet on each side of the center points, and gathered with all dips, spurs and angles, all other nobs or lodges, the tops or offshoot of which lie within said bounds and all water and timber. This location is named the Emerald lead or mine, and is situated in the unorganized Crook mining district, Crook County, State of Oregon. This claim is situated upon and across the divide between Falls Creek and Nelson Creek and is about 3/4 of a mile west of Yellow pine and the discovery stakes and monument upon which this notice is posted is situated about 600 feet in a south direction from the discovery of the inferior Lead mine on the south breack of Nelson guch. The lead mine extends 1000 feet in a southly direction from the discovery monument and the claim is bounded and described as follows: Bounding of the northly center and monument which is situated 1000 feet in a southly direction from the discovery monument, running thence in a southly direction 300 feet to the south east corner monument, thence in a westerly direction 1500 feet to the north east corner monument, thence in a westerly direction 300 feet to the westly center monument, thence continuing in a westerly direction 450 feet to the northwesterly corner monument, thence in a northerly direction 1500 feet to the southwesterly corner monument, thence in a northerly direction 300 feet to the south westerly center and monument, thence continuing in a northerly direction 450 feet to the northeasterly corner and monument, thence in a northerly direction 1500 feet to the south easterly corner monument, thence in a southerly direction 300 feet to the south southerly center and monument, thence the place of beginning. The adjoining claims are The Crooks Creek line in the north and Falls in the east, the Red Butte line in the south. All the monuments or stakes are marked with the name of the claim and the corner or end center which each of said monuments represents, and all of said monuments or stakes are at least four inches in diameter and at least four feet high above the ground.

S. N. Clark's Lead Claimed

Located on the 10th day of July, A.D. 1901. Resolved by J. Brebner, Agent.

Located by the 15th day of July, A.D. 1901.
Notice to hereby give that I, the undersigned citizen of the United States of America, conferring to the mining laws thereof and of the State of Oregon, and the local rules, regulations and customs of miners here this 16th day of July A.D. 1901, located and do claim 1,000 hundred linear feet on this lead, looks or vein bearing mineral in place by 500 hundred feet in width, the same being 500 hundred feet on each side of the center thereof, together with all dips, everts, and angles, and all other veins or bodies, the tops or apices of which lie within said boundaries and all water and timber.

This location is named the Crooked Creek lead mine, and is situated in the unorganized Granite mining district, Baker County, State of Oregon. This claim is situated in and crosses Nelson Gulch about 1/4 of a mile west of Nelson Creek, at Hells Half Acre, and is on south slope of said gulch. This lead, looks or vein extends 1500 feet in a northwesterly direction from the discovery monument, and the claim is bounded and described as follows: Commencing at the northwesterly corner and stake and monument which is situated 1500 feet in a northwesterly direction from the discovery monument, running thence in a northerly direction 500 feet to the north east corner monument, thence in a northwesterly direction 1000 feet to the northeast corner monument, thence in a northerly direction 500 feet to the center and monument, thence continuing in a northerly direction 500 feet to the southwest corner stake, thence in a northerly direction 1000 feet to the northwesterly corner monument, thence in a northerly direction 500 feet to the said northwesterly center and stake the place of beginning. The adjoining claims are the Nile and the Red Tom on the south, and the Red Tom on the north. The Adjoining claims are on the south, and the Red Tom on the north. All the monuments and corners are marked with the name of said claim, and the corner and center which each of said monuments represents, and all of said monuments are at least four inches in diameter, and at least four feet above the ground. J. C. Stetson, late miner, located on the 15th day of February A.D. 1901, assisted by J. Green, located on the 15th day of February A.D. 1901.
Red Rat Fraction

seller

Nature is hereby given that we, the undersigned citizens of the United States of America, conforming to the mining laws thereof and of the State of Oregon, and the local rules and regulations of custom of miners, have the 15th day of Feb., 1891, located and claimed 1500 feet (or less) on the lead, bedrock or deposit, bearing mineral in place, by 600 feet wide (or less), together with all dikes, spurs and angles, and all other veins, ledges or deposits, the top or apex of which lie within the said boundaries. This location is named the Red Rat Fraction lode mine, situated in the unorganized Burns Mining District, State of Oregon. The location covers all veins of mineral land lying between the White Bird in the southeast, and the Alice 6 in the southwest and the Red Bird. The Burned and the Parallel Fraction lode claims in the north and south bounds and described as follows: Commencing at this discovery and stake where the notice is posted and running in a southwesterly direction 70 feet to stake No. 1 on the southeast line; thence 700 feet northwesterly to the north east corner stake No. 2, which is on the northwesterly center and stake of the Red Bird and the northwestern comer of the White Bird; thence westerly 1400 feet to the northwesterly corner and stake No. 3, which is on the northwesterly center and stake of the Red Bird and the northeastern corner of the White Bird; thence southwesterly 1400 feet to the southwesterly corner and stake No. 4; which is on the southeastern center and southwesterly corner of the White Bird; thence 500 feet southwesterly to stake No. 5 and place of beginning. The adjoining claims are the "White Bird" and the "Alice 6" on the south end and the "Red Bird" and the "Emerald" and the "Parallel Fraction" lode claims on the north, and situated on back four miles north and south of Falls Creek, and about a ½ mile west of Ravada, augur on Snake River and about ½ mile north and below Ballards Landing.

March 15, 1901

Notice is hereby given to whom it may concern that on March 15, 1901, John Nelson and C. A. Mosley, subjects of the United States, over the age of twenty-one years, having discovered a vein or bed of quartz or rock in place, bearing mangan, within the limits of the claim hereby located, having this day under and in accordance with the laws of the State of Oregon and known as the South extension of the Copper Button, do hereby locate a mining claim, running in a northerly direction 300 feet with line to the east of the line of the Copper Button mining claim, running in a southerly direction 500 feet with line to the west of the line of the Copper Button mining claim, running in a southerly direction 1000 feet with line to the west of the line of the Copper Button mining claim, thence north of 500 feet, thence a northerly direction 500 feet, hence to the place of beginning. And the said claim is held to be a mining claim together with all the appurtenances and improvements, according to the provisions of the laws of the United States and of the State of Oregon.

Filed on the ground this 15th day of February, 1901
John Nelson
C. A. Mosley
a Nort'westerly direction 1900 feet to Stake marked N.E. corner Stake of South Eastern of Copper Butte mining claim. Thence in a Wsby direction 600 feet to place of beginning. Said claim is situated in Union County, State of Oregon, and was sold to and worked and held under mining claim together with all appurtenances and appendages, according to the mining laws of the United States and of the State of Oregon.

Dated the 23rd day of January, 1901.

John Nelson
C. O. Moore

Proof of Labor

Filed for the State of Oregon.

[Proof of Labor: morning glory, etc.]

Before me the subscriber personally appeared Daniel E. Entzmiller, who being duly sworn says that at least one hundred and one (101) dollars' worth of labor or improvements were performed on the following claims, as described below:

The Morning Glory No. 1 Quarter Section
The Morning Glory No. 2 Quarter Section
The Morning Glory No. 3 Quarter Section

Situated in an unorganized mining district, Baker County, State of Oregon, during the year ending Dec. 31, 1900. Each expenditure was made by or at the expense of the said Daniel Entzmiller, owner of said claims, for the purpose of holding said claims according to law.

D. Entzmiller

Subscribed and sworn to before me this 14th day of March 1901.

L. H. Foster

Notary Public for Oregon
Notice is hereby given, that the undersigned, having complied with the requirements of Section 321 of the Revised Statutes of the United States, and the local laws, customs and regulations of this District, have located fifteen hundred feet in length by six hundred feet in width, on this the 'Ulcid' mining claim, late, once or superior, bearing gold, silver and other precious metals, situated in the vicinity of Huntington Mining District, Baker County, State of Oregon, the location being described and marked on the ground as follows, to wit: The mining claim is on the west side of the mountain in a new line shot from the bend of the wagon road, and about one and a quarter miles east of the city of Huntington, down Burnt river. This mining claim commences at the center stake about one hundred feet westwardly from the discovery stake and runs fifteen hundred feet in a southwesterly direction to the S.E. end stake and monument, thence to corners southwesterly corner stake, thence northwardly thence north and b. thence south & c. back to S.E. center stake. The mining claim above described shall be known as the 'Ulcid' mining claim.

Located this 13th day of March, 1891.

Names of Locators

W.S. Newton  John Newton
Notice is hereby given that we, the undersigned citizens of the United States of America, conforming to the mining laws thereof and of the State of Oregon, and the local rules, regulations and custom of miners have on the 15th day of Feb. A.D. 1901 located and do claim 1600 hundred linear feet on this lead, one or more bearing mineral in places, by 500 hundred feet in width, the same being 500 hundred feet on each side of the center thereof, together with all ditches, spurs, and angles and all other veins or ledges, the top or opus of which lie within said bounds and also the waters and timber. This location is named the "Barge" lead or mine, and is situated in the unorganized Grants mining district, Baker County, State of Oregon. This claim is situated in and across Nelson Gulch and across Nelson Creek. The east side line passes through Belle Acre east and below the falls about 1 mile west of Anderson at Nelson's cabin, and the discovery monument upon which the notice is posted is situated about 4000 feet in a south direction from the discovery of the "Barge" lead mine and is on east slope of ridge south of Nelson creek. This lead mine extends 500 feet in a northerly direction and 500 feet in a southerly direction from the discovery monument and the claim is bounded and described as follows: Commencing at the northerly center and monument which is situated 700 feet in a southerly direction from the discovery monument, running thence in a southerly direction 200 feet to the south east corner monument; thence in a northerly 1500 feet to the north east corner post monument, thence in a westerly direction 200 feet to the northerly center and monument; thence continuing in a westerly direction 200 feet to the north west corner monument; thence continuing in a southerly direction 500 feet to the southwest corner monument; thence in a westerly direction 500 feet to the said northerly center and stake the place of beginning. The adjoining claims are the "Farrell" Fraction, and the "Loghnd's" on the south, and the "Crooked Creek" on the east. All the monuments aforementioned are marked upon the side facing toward the discovery with the name of the claim and the corner or end center which each of said monuments represents, and all of said monuments are at least four inches in diameter and at least four feet high above the ground. Earth mounds +
Said for

Notice is hereby given that the undersigned citizens of the United States of America, conforming to the mining laws thereof and of the State of Oregon, and the local rules, regulations, and customs of miners have this 16th day of Feb. 19, 1901, located and do claim 1570 hundred square feet on the

locus, located, lode or vein bearing mineral in place, by 600 hundred feet in length, the same being 200 hundred feet on each side of the center thereof, together with all lodes, spurs and angles, and all other veins or lodes, the top or apex of which lie within said boundaries, also the waters and timber. This location is named the "Semimove," and is situated in the unorganized Granite mining district, Baker County, State of Oregon. This claim is situated in and crosses Nelson's Gulch and crosses Nelson's Creek about 1/2 mile east of Snake Run at Nelson's Cabin and about 1200 feet east and below Upper Trail to McCrane Creek, and the discovery monument upon which this notice is posted is situated about 2650 feet in a southerly direction from the discovery of the Superior lode, mine or ridge south of Nelson's gulch. This lode, lode or vein extends 1000 feet in a northerly direction and 500 feet in a southerly direction from the discovery monument and the claims is bounded and described as follows: Commencing at the southerly center end monument which is described 1000 feet in a southerly direction from the discovery monument, thence thence in a southerly direction 200 feet to the south east corner monument; thence in a northerly direction 500 feet to the northeast corner monument; thence in a westerly direction 200 feet to the northerly center end monument; thence continuing in a westerly...
direction 200 feet to the northwest corner monument, thence in a southerly direction 1000 feet to the southwest corner monument, thence in a southerly direction 200 feet to the said southeasterly corner and stake the place of beginning. The adjoining claims are "Jumbo" and "New Era" on the south and "Grange" on the east. All the monuments previously laid out are marked upon the said fence toward the discovery with the name of the claim and the corner or said corner which each of said monuments represents, and all of said monuments are at least four inches in diameter and at least four feet high above the ground. Each mound on the south end discovered on the 10th day of July A.D. 1901. Located on the 10th day of July A.D. 1901

Sunnyside

Notice is hereby given that the undersigned citizens of the United States of America, conforming to the mining laws thereof and of the State of Oregon and the local rules, regulations, and customs of miners, have discovered this 10th day of July A.D. 1901, located and do claim the

1500 hundred dollars first on the lead, lead, or any
bearing mineral in place, by 1200 hundred feet in width, the same being 1500 hundred feet on each side of the center line, together with all patrons, pools and angles, and all other veins or beds, the top or extent of which is within said boundaries and all water and timber. This location is named the Sunny Side, lead, or mine, and is situated in the unorganized Basin mining district, Baker County, State of Oregon. This claim is situated in and across Nelson Creek about 14 miles west of

Nelson Creek. This lead, lead, or vein extends 1000 feet in a southerly direction from the discovery of the Superior lead, mine and on the ridge south of Nelson Creek. This lead, lead, or vein extends 1000 feet in a southerly direction, 325 feet in a southerly direction from the discovery monument, and the claim is bounded
and described as follows: Commencing at the southerly center end monument which is situated 525 feet on a southerly direction from the discovery monument; thence in a southerly direction 300 feet to the southeast corner monument; thence in a northerly direction 1800 feet to the northwest corner monument; thence in a northerly direction 500 feet to the northeasterly center end monument; thence continuing in a northerly direction 300 feet to the northwesterly corner monument; thence in a southerly direction 1800 feet to the southwest corner monument; thence in a southerly direction 500 feet to the said southerly center end stake the third beginning. The adjoining claims are the New Era & Golden Rule on the south and the Eosphora on the east. All the monuments referred to above are marked upon the side facing toward the discovery with the name of the claim and the corner or end center which each of said monuments represents, and all of said monuments are at least four inches in diameter and at least four feet high above the ground. Both monuments south end.

Westside of Snake River and about three miles of a

mile above the mouth of the Black Creek and is one half mile

of the North end of the claim bordering Snake

River at the West.

Discovered March 11, 1906. Located the 12th day of March, 1901.

W. J. Borg

W. J. Thompson
Notice is hereby given, that on the underwritten, the 11th day of March, 1906, W. J. James, and L. W. James, residents of the State of Oregon and the United States of America, having the necessary consents of the said State of Oregon and the United States of America, do hereby make and file with the proper officer, as claimants of the said James and James, a certain mining claim, located and described as follows:

The claim is described as follows: commencing at the southeast corner, thence south 150 feet, thence east 150 feet, thence north 150 feet, thence west 150 feet to the southwest corner, containing 2 acres. The boundaries are as follows:

1. From the southeast corner, south 150 feet.
2. From the southwest corner, east 150 feet.
3. From the southeast corner, north 150 feet.
4. From the southwest corner, west 150 feet.

The claim is located in the Snake River District, in the County of Baker, State of Oregon. The claim is situated on the north side of the Snake River, about one mile below the mouth of Clear Creek, and at the entrance of the Clear Creek Canyon, where it enters the Snake River. The claim is bounded on the north by Clear Creek, and on the south by the Snake River.

Dated this 11th day of March, 1906.

C. W. James, Recorder

Pursuant to Section 232 of the Revised Statutes of the United States, the undersigned, J. L. Mohler, who being duly sworn says that at least $300.00 dollars, worth of labor or improvements were performed on and made upon the North part of claim No. 7, 7-1-2-3, on date between the C. G. Elk Creek District, Baker County, State of Oregon, during the year ending Dec. 31, 1900, to which time the claim was made up as to the expenses of J. L. Mohler and Jas. Johnson, owners of said claim, for the purposes of holding said claims.

J. L. Mohler

Subscribed and sworn to before me this 15th day of April, 1901.

C. W. James
Notary Public, State of Oregon
Filed for State of Oregon.
Recorded County of Baker 1895.
I, A. W. Higgins, being first duly sworn, April 20, 1891, before myself, notary public for Baker County, Oregon, do depose and say: That I am an officer of the Interstate Gold Mining Company, a corporation, that the tunnel site known as the James No. 1 claim is located on page 131 of Volume A, Quarzita Records, Baker County, Oregon, was located for the use and benefit of said certain group of mining claims owned and being operated and developed by said company in Baker County, Oregon; that it is the intention of said company to prosecute work upon said tunnel and the properties for the benefit of which said tunnel was located, that the amount of work done at this time upon said tunnel claims consists of an open cut thirty-five feet long, and an under ground tunnel thirty-five feet in length, the said tunnel being four and one-half feet wide by seven feet in height. A. W. Higgins, Vice President.

Subscribed and sworn to before me this 20th day of April 1891.

Notary Public for Oregon.
This is hereby given that the undersigned, in conformity with the requirements of the Revised Statutes of the United States, have this day located and claimed above nine hundred and sixty-four thousand feet along the course of this lead, bore or vein of mineral-bearing quartz, and three hundred feet in width on each side of the middle of said lead, bore or vein, with all mineral deposits contained therein, and all timber growing within the limits of said claim and all water and water privileges thereto appurtenant thereto, in the unorganized mining district, County of Baker, State of Oregon, and more particularly described as follows:

Commencing at the prospect shaft and extending south about 920 feet to south end center stake, thence N.E. 300 feet to SW corner stake, thence north 920 feet to NW corner, thence south 920 feet to center, and thence southwesterly 120 feet to SE corner, thence south 920 feet to SE corner, thence N.E. 300 feet to south center stake, and thence 120 feet to prospect shaft, place of beginning.

This claim is situated about four and a half miles S.E. from the town of Baker and about three fourths of a mile easterly on west side of the shaft, which is being sunk on the Carlysle quartz mine. This Triumph quartz mining claim is situated in Sec. 5, T. 7 N., R. 7 E., Baker County, Oregon. And it shall be known as the Triumph quartz mine. Located March 10, 1901.

L. W. Barnes
Attorney, L. Barnes

State of Oregon
I, L. W. Barnes, being first duly sworn, do

sworn to above, and do hereby declare the location of said mining claim, that I have digged and excavated the prospect shaft in said mining claim 4 ft. 6 in. x 4 ft. 6 in. x 12 ft. deep at the bottom and completely in the location of said mining claim.

L. W. Barnes.

Subscribed and sworn to before me this 20th day of April 1901.

J. J. Keitso, being first duly sworn, do

Swear and say: That an open cut six feet deep, four feet wide, and ten feet long as required by law.

Dated May 14th, 1901.

J. J. Keitso,

Subscribed and sworn to before me this 14th day of

May, 1901.

W. James,

Notary Public for Oregon.
Notice is hereby given that I, the undersigned citizen of the United States of America, conforming to the mining laws of the State of Oregon, and the local rules, regulations, and customs of miners, do hereby, on the 15th day of March, 1901, locate and do claim 10,000 linear feet on the lead, lode or vein bearing mineral in place, by 100 feet north, the same being 200 feet on each side of the center thereof; together with limbs, slips and angles, and all other veins or lodes, the top or apex of which lie within said boundaries.

This location is named the "Golden Leaf" Lode or Mine, and is situated in (not named) Mining District, Baker County, State of Oregon, and is bounded and described as follows:

Commencing at this stake and notice and running there 200 feet in a southerly direction to the south and center stake; thence, running 300 feet easterly to the south and center stake; thence, running 1000 feet northwesterly to the north and center stake; thence, running 200 feet westerly to the north and center stake; thence, running 200 feet southerly to the south and center stake; thence, running 1500 feet southerly to the south and center stake, as aforesaid. This discovery stake and notice stand on the north side of Alder Creek, about 200 feet from the creek, and is situated near the center of Section No. 32, T. 10, S. of R., E. 1/2 M., and is about 500 feet down the gulch from the point on said creek owned by the Union of the Gold Bar Mining Company. This discovery and notice is situated about 2400 feet in a westerly direction from the N.E. corner of S.E. 1/4 of said Section No. 32.

Discovered on the 15th day of March, 1901, located on the 16th day of March, 1901.

John H. Lane - Locator Claimed

State of Oregon,
County of Baker.

I, John H. Lane, do solemnly swear that I am a citizen of the U.S. of America, and that I am acquainted with the mining ground described in this notice of location and herein called the "Golden Leaf" lode or claim, that the ground and claim herein described or any part thereof has not to the best of my knowledge, belief, been located according to the laws of the U.S. of this state, or if so located, that the same has been abandoned in respect thereto, with the requirements of said law, and that I have cleared up the claims or deposits of the same, as required by the laws of Oregon, and erected no monuments of these mining boundaries or other place or points.

John H. Lane.

Subscribed and sworn to before me this 15th day of May, 1901.

H. W. Word, Justice of the Peace.
Notice is hereby given to all whom it may concern that I, E. P. Bowran, citizen of the United States, over the age of twenty-one years, having discovered a vein or body of quartz or rock in place, bearing mineral within the limits of the claim hereby located and have this day under and in accordance with the Revised Statutes of the U. S. chapter 99, title thirty-two, located 1500 linear feet of this vein or body, with surface ground located north-westly, situated in unorganized Mining district, county of Baker, state of Oregon, and known as the Mamie claim, restricting 1400 feet easterly to east center post and 100 feet westerly to west center post, from this notice at the discovery or prospect shaft, which is feet from - - - - - - the exterior boundaries of this claim being distinctly marked by reference to some natural object or permanent monument, and more particularly described as follows: Situated on Alder Creek, and joins on to the Markkasena on the north, and runs parallel with the same, and the corners are marked by stakes as required by law. And I intend to work and hold said claim as provided by local customs and rules of Miners and Mining Statutes of the U. S. and State of Oregon.

Dated on the ground this 14th day of March, 1901.

E. P. Bowran,

Located Mar. 19, 1901.
State of Oregon J. J.
County of Baker.

Personally appeared before me a Notary Public in and for said county and state, E. P. Bowran, who being duly sworn by me, says that he is the locator of the Mamie Mining claim named Mamie, that he has done the amount of location work on said claim as prescribed by law, viz., a shaft to the depth of ten feet or more, and that he has mineral bearing quartz in place on said location, and in the shaft sunk. In testimony whereof he hereto sets his hand and seal this 17th day of May, 1901.

E. P. Bowran,

Subscribed and sworn to, before me this 17th day of May, 1901.

Notary Public for Oregon.
State of Oregon, ss.
County of Baker.

Personally appeared before me, a Notary Public in and for said County and State, Robert F. Evans, who, upon being duly sworn, says that he is acquainted with the locator of the Quinta Mining Claim named "Mannie" and that he has visited the aforesaid claim, and that there has been work done on the said claim to the amount of One Hundred Dollars, or more, and that there is a shaft sunk on the property to the depth of ten feet or more, and that the work was done by the aforesaid locator.

In testimony whereof, he herewith signs his name to affix his seal this 17th day of May, 1901.

R. F. Evans,
Subscribed and sworn to before me this 17th day of May, 1901.

W. N. Felix,
Notary Public for Oregon.

"Mack Hanna"

Notice is hereby given to all whom it may concern, that I, C. O. Hanna, citizen of the U.S., over the age of twenty-one years, having discovered a minor ore body of quantity or rock in place, bearing mineral within the limits of the claim hereby located, and have this day entered and in accordance with the Revised Statutes of the United States, chapter 64, title 13, section 15, a linear foot of this vein of ore, with surface ground 500 feet with, situated in an organized Mining District, County of Baker, State of Oregon, and known as the "Mack Hanna" Quinta Mining Claim, extending 1400 feet easterly to eastermost point and 100 feet westerly to westermost point, from this notice at the discovery or prospect shaft, which is feet from — end line — the exterior boundary of this claim, being distinctly marked by reference to some natural object or permanent monument, and more particularly described as follows: Situated on the creek, about one and one-quarter miles north of the Hoosick Gold Mining Company's property, join the Big Oregon
Mining Claim, and the corners are marked by stones as required by law.

And I intend to work and hold said claim as provided by local customs and Rules of Mining and Mining Laws of the United States and State of Oregon.

Dated on the ground this 14th day of March, 1901.

Located March 18, 1901.

E. E. Royce, Location.

State of Oregon.

County of Baker.

Personally appeared before me a Notary Public named E. E. Royce, Location, and the undersigned, R. C. Royce, who, being duly sworn by me, says that he is the locator of the quartz mining claim named "Mark Hanna," and that he has done the above-described location work on said claim as prescribed by law; viz: he has sunk a shaft to the depth sufficient for work, and that he has mined a quantity of place on said location, and in the shaft sunk. In testimony whereof, he hereunto sets his hand and seal this 17th day of May, 1901.

E. E. Royce, Location.

Subscribed and sworn to before me this 17th day of May, 1901.

State of Oregon.

Notary Public for Oregon.

County of Baker.

Personally appeared before me a Notary Public in and for said county and State, R. C. Royce, who, upon being duly sworn, says that he is acquainted with the location of the quartz mining claim named "Mark Hanna," and that he has visited the above-described claim, and that there has been worked on the said claim to the amount of One Hundred Dollars or more, and that there is a shaft sunk in the property to the depth of ten feet or more, and that the work was done by the said locator.

In testimony whereof, he herewith signs his name and affixes his seal this 17th day of May, 1901.

R. C. Royce, Notary Public for Oregon.
Notice is hereby given that J. M. Stanley, who are citizens of the United States, have on this 7th day of May, 1901, discovered and located a vein of auriferous bearing rock in place containing gold, silver, copper, which vein I have named Gold Eagle. That the course of the vein is westerly and easterly, and that I claim 200 feet westerly and 300 feet easterly of the discovery monument on which this notice is posted, and that I claim 300 feet on each side of the center of the vein; that the said claim is located on an organized mining district, Baker County, Oregon. The discovery monument consists of a post placed — feet from — and is bounded and described as follows, tow'd: — Commencing at the discovery monument, thence 1,000 feet in a westerly direction to the west center and stake; thence 300 feet northerly to north-west corner (No. 1); thence 1,500 feet easterly to north-east corner (No. 2); thence 300 feet southerly to east center; thence 300 feet southerly to south-east corner (No. 3); thence 1,500 feet westerly to south-west corner (No. 4); thence 300 feet northerly to west center and back to the place of beginning.

May 7, 1901.
J. M. Stanley.

Before me the subscriber, personally appeared J. B. Perkins of Baker City, Baker County, State of Oregon, who, being duly sworn, says that at least 100 feet of drift work, with labor or improvements were performed or made upon Gold Eagle County claim, situated in organized mining district, Baker County, State of Oregon, during the year ending 1901. Such expenditure was made, to the best of my knowledge of the expenses of J. M. Stanley of La Grande, Union Co., Oregon, owner of said claim, for the purpose of holding said claim.

J. B. Perkins.

Subscribed and sworn to before me this 11th day of May, 1901.

M. B. Hughes
Notary Public for Oregon.
Notice is hereby given that J. E. P. Cowan, citizen of the U. S., have on the 18th day of March, 1901, discovered and located a vein of mineral-bearing rock in place, carrying mineral, which vein I have named "No. 2." That the course of this vein is northerly and southerly, and that I claim 1,000 feet northerly and 1,000 feet southerly of the discovery monument on which this notice is posted, and that I claim 300 feet on each side of the vein. That said claim is located in the organized mining district Bureau County, Oregon, the discovery monument being placed 1,000 feet from and is bounded and described as follows:

Estimated to Abide forever, about one quarter of a mile north of the Wisconsin Gold Mining Company's property, and lies between the First Chance Duty Mining Claim and the Big Oregon Mining Claim, and the corners are marked by stakes, as required by law.

Dated May 11, 1901.

J. E. P. Cowan, Locatee.

1st: J. E. P. Cowan.

2nd: J. E. Rayner.

Personally appeared before me, a Notary Public in and for said county and State, J. E. P. Cowan, who being duly sworn, says that he is the locater of the quarter-mine claim named No. 2, that he has done the amount of location work on said claim as prescribed by law, viz—driving a shaft to the depth of ten feet or more, and that he has mined mineral-bearing quartz in place on said location and in the shaft itself.

In testimony whereof, he hereunto sets his hand and seals this 17th day of May, 1901.

J. E. P. Cowan.

Subscribed and sworn to before me this 17th day of May, 1901.

Notary Public for Union County.

Personally appeared before me, a Notary Public in and for said county and State, J. E. P. Cowan, who, upon being duly sworn, says that he is acquainted with the locater of the quarter-mine claim.
named "No. 2", and that he has visited the aforesaid claim, and that there has been work done on the said claim to the amount of One Thousand Dollars or more, and that a shaft sunk on the property to the depth of ten feet or more, and that the work was done by the aforesaid locator.

In testimony whereof, he hereunto signs his name and affixes his seal this 17th day of May, 1901.

R. J. Bowers.

Notary Public for Oregon.

Filed for record, May 19, 1901, at 16:30 A.M.

R. E. Meill, Recorder.

Notice is hereby given that G. John Fogarty and R. E. Meill, citizens of the U.S., have on this 18th day of March, 1901, discovered and located a vein of mineral bearing rock in place, carrying mineral, which vein has been named "Mother Lode", that the course of this vein is S.E. and N.W., and that we claim 1350 feet south-easterly and 150 feet north-westerly of the discovery monument, on which this notice is posted, and that we claim 500 feet on each side of the vein. That said claim is located in an organized mining district of Benton County, Oregon, the discovery monument being placed — feet from — and is bounded and described as follows:

Commencing at the discovery monument, thence running north-westerly 1500 feet and 1350 feet south-easterly. Commencing at the south-west corner, No. 1, thence 600 feet north-north east, corner post, No. 2, thence 1500 feet to the north-east corner post, No. 3; thence 600 feet to south-west corner post, No. 4; thence 1500 feet to the south-east corner post, No. 1, the point of starting, aforesaid mile from Menloville, on the east fork of Menlo Creek.

Dated 13 March 1901.

John Fogarty, Locator.

R. E. Meill, Locator.
State of Oregon. 18.
County of Baker.

Personally appeared before me a Notary Public in and for said county and State, R. H. McCall, one of the locators of the quarter claim named "Mother Rock", who, being duly sworn, says that he has done the necessary work on the aforementioned claim as provided by the laws of the United States and the State of Oregon, and that he found mineral in place on the aforementioned claim.

In testimony whereof, he hereunto sets his hand and seal this 17th day of May, 1901.

R. H. McCall, Seal.

Subscribed and sworn to before me on this 17th day of May, 1901.

Chief of Location
State of Oregon
County of Baker

Before me, the subscriber personally
appeared George Pahlacs, who being duly sworn says that
the location work required by law has been done on the following
claim, located May 17, 1901, by A.T. Huntington, Frank Giddies,
James Chord, George Pahlacs, and A.B. Hooper, and known as
the "Huntington" mine mining claim situated about one half
mile westly from the White Swan Mine and bounded on
the south by the American Butte and the "Heston" quartz claim,
in Baker County, Oregon, consisting of the following
wedges, an open cut 450 feet long, six feet deep and 4 feet wide.

Subscribed and sworn to before me this 25th day of
May, 1901.

C.W. James
Notary Public for Oregon

[Signature]
Notice is hereby given that I, Jeff Terreille, citizen of the United States, have on the 22nd day of May, 1901, discovered and located a vein of mineral bearing rock in place, carrying gold, silver, and other metals, which vein I have named the "Chris" lode. The course of the vein is Easterly and Westerly, and said claim extends 1000 feet Westward and 500 feet Eastward of the discovery monument on which this notice is posted, and said claim is staked by government posts on each side of the center of the vein. The said claim is located on in Section 14, T6 N., R23 E., Baker County, Oregon, the discovery monument being placed 500 feet, distance from Easterly end of said monument and is bounded and described as follows, that:

Commencing at the discovery monument, thence 500 ft. East, thence 300 ft. to NE. corner post, thence 500 ft. to SE. corner post, thence 300 ft. to SW. corner post, thence 500 ft. to NW. corner post, thence 300 ft. to NE. corner post, thence 500 ft. to SW. corner post, thence 300 ft. to NE. corner post.

Dated May 25th, 1901

Jeff Terreille, Locateur.

R. Regis Ford, Ward.

Witness.

Notice of amended location has been filed for record.

May 28, 1901, with the Recorder, Baker County, Oregon, for the claim known as the "Chris" lode, and is described as follows:

Commencing at the discovery monument, thence 500 feet East, thence 300 feet to NE. corner post, thence 500 feet to NW. corner post, thence 300 feet to SW. corner post, thence 500 feet to SE. corner post, thence 300 feet to NE. corner post, thence 500 feet to SW. corner post, thence 300 feet to NE. corner post, and is described as follows:

Commencing at the discovery monument, and in what is commonly called the District district, Baker County, State of Oregon, and lying about a mile and a half on a South Easterly direction from the district mine (so called) and is described as follows:

Commencing at the discovery shaft, thence 750 feet in a South Easterly direction and from the discovery shaft, and thence 1500 feet, one hundred and fifty feet on a North Western direction and being 100 feet long and 500 feet wide, the corners being marked by stakes and sand mound.

A false or fraudulent claim on the Northwest end and the Golden Dream or the South East end, G. Crawford's claim on the East side and the "Redman" quartz' claim on the West side. The strike or trend course of the quartz lode, of which there was rumored to be more on an Easterly and Western direction than was known.
THe location was first made and set out upon through this
claim, namely, northeast. All the quartz lode-bearing
and lying on this claim and all lodes ranging gold and other
precious minerals which may be partly or wholly, in such
other mineral at such an angle. They may go through this
claim or any part of it, or all which may range in such
mineral on the Twenty-fifth line, Baker County, 4th Meridian West, Baker
County, State of Oregon. May 17, 1891.

R. W. Taylor.

TO:

Notice is hereby given that the undersigned, in compliance
with the requirements of the Revised Statutes of the United
States, May 1, 1891, this day located and claimed fifteen
11 acres, 1600 acres, bearing quartz, and was
were, with all mineral deposits contained therein,
and all timber growing within the limits of said
claim and all water and water privilege thereon
in and appurtenant thereto situate in the north Powder
Mining District, County of Baker, and more particularly
described as follows, to wit:

Commencing at this notice and running 1000 feet
in a southerly direction to the south end center, thence
300 feet eastward, thence 1500 feet westerly, thence 600
feet southerly, thence 1500 feet to the southwest corner
thence 300 back to the south end center. This claim
is situated about one and a half miles east from the
Barlow & Burns property, and about 3 1/2 miles south
from the Buckeye mine and about four miles east
from Kansas, Oregon, and shall be known as the
Town mine.
Located May 15th, 1891.

J. Richardson.

Thomas Barlow, State of Oregon, J. J. Richardson, being first duly sworn
County of Baker, 85.
say. That I am a miner by occupation, that between the 1st day of May, 1891, and the 31st day of May, 1901, the location work required by the laws of Oregon, was done and approved performed on the within named quarter mining claim called the "Em-" mining claim. That such work consists of an oven but 20 feet long, 3 feet deep, and 2 feet wide excavating the vein, and that such work was made and done for and at the expense of J. Richardson, the owner of said claim, for the purpose of complying with the laws and holding said claim, in addition, I have signed and sworn to before me this 31st day of May, 1901.

[Notarial Seal]

Judicial Record

Amended notice of quartz claim

May 31, 1901,

Notice is hereby given that I, W. White, a citizen of the United States, have on the 28th day of May, 1901, discovered and located a vein of mineral bearing rock in placer, containing gold, silver, or other metals, which vein I have named the "Lucky Boy.

That the course of said vein is Easterly, and what I claim of said vein, fourteen hundred linear feet of the vein in line of the discovery monument, on which a stake was placed, and what I claim six hundred feet of surface ground on each side of the center of said vein. That said claim is located in the organized mining district of Baker County, Oregon, the discovery monument being placed East end of Black Creek, and is bounded and described as follows, to-wit:

Commencing at the discovery monument, thence running fifteen hundred feet South Easterly direction to East end and side, thence three hundred feet North Easterly direction to corner stake No. 1, thence fifteen hundred feet North Westerly direction to corner stake No. 2, thence six hundred feet North Easterly direction to corner stake No. 3, thence fifteen hundred feet South Westerly direction to corner stake No. 4, thence three hundred feet North Easterly to center and stake of said claim. This amended location does not interfere with or take away any of the rights and privileges acquired or claimed by the original location in said claim, my said, and known.
as the "Lucky Boy" and located January 5, 1899.
P.W. Rose, Location Officer.

Date: May 25, 1901.

Walter: M. A. Leavell.

"Miners' Notice" 
Notice is hereby given that the undersigned, in compliance with the requirements of the Revised Statutes of the United States, May 15, 1901, the day located and claimed 500 hundred acres.

May 31, 1901, the line described along the course of this head, 400 feet on each side of the middle of said lead, on each mine, with all mineral deposits.

Records contain herein and all timber growing within the limits of said claims and all water and water privileges thereto or appointment thereof, subject to the Revised Statutes of the Revised Statutes of the County of Baker, and more particularly described as follows: that on the northerly boundary, thence 400 feet on a northwesterly direction, thence 400 feet on a northwesterly direction, thence 400 feet on a northwesterly direction, thence 400 feet on a northwesterly direction, thence back to the point.

N.S. Clark and others, about 23 miles south from the Buckeye mine and about 3 miles west from Burns, Oregon, and shall be known as the "Miners'" mine.

Located May 31, 1901.

S. Richardson.

Thomas Burke

State of Oregon, County of Baker.

I, S. Richardson, being first duly sworn, say that

Petitioner, by reclamation, that between the 15th day of May, 1901, and the 11th day of May, 1901, the location work required by the laws of Oregon, was done and performed on the miner's named prospecting claim called the "Miners'" mining claim. That such work consists of an open cut across the vein 40 feet long, 40 feet wide and 10 feet deep, and such work was done for and at the expense of S. Richardson, the owner of said claim, for the purpose of complying with the law and holding said claim.

Sworn to and subscribed to before me this
31st day of May, 1901.

G. W. James
Recorder

Notice is hereby given that—The undersigned citizens of the United States of America, conforming to the mining laws thereof and of the State of Oregon, and the local rules, regulations and customs, have the 24th day of April 1921, located and do claim 1800 hundred acres each on this lead, which are herein bearing mineral rights in a hundred feet in width, the same being 1800 hundred feet on each side of the center thereof together with all rises, falls and angles and all other veins or bodies of ore of which the mining said boundaries.

This location is named the "Hidden Treasure" lead veins and is situated in the un-named mining district, Baker County, State of Oregon and is bounded and described as follows:

Commencing at the said and noted point and running thence due east an exact line direction to the East and center line, thence running northwesterly 100 feet to the Northeast corner state. Thence running southeasterly 100 feet to the Northwest corner state. Thence running southerly 100 feet to the West end of the state. Thence running northwesterly 100 feet to the Southwest corner state. Thence running easterly 100 feet to the South east corner state. Thence running northwesterly 100 feet to the East center and state aforesaid. This discovery stake and notation is located about 100 feet in a Southwesterly direction from the Northeast corner of Section 23 T. 12 N. R. 7 W. in Township No. 11 South of Range No. 24 East of the Willamette Meridian.

Discovered on the 24th day of April, A.D. 1921.
Located on the 27th day of April, A.D. 1921.

J. W. Lane, Recorder and Claimants.

City of Oregon, for
County of Baker

I, James Grant do solemnly swear that I am a citizen of the United States of America and have declared my intention to become such, and that I am acquainted with the mining ground described in the notice of location and herein called the "Hidden Treasure" lead or claim, that the ground and claim herein described may be thereon. That we do the belief of my knowledge and belief have located according to the laws of the United States and of this State, or if so located the claim has been abandoned or forfeited by reason of the failure to comply with respect thereto with the requirements
of said laws, and that I have offered clear and certain description of the spot as required by the laws of Oregon, and all statutory requirements or instruments marking boundaries of said claims as in proper place and position.

\[ \text{\textbf{Idaho}} \]

\[ \text{\textbf{Declaration}} \]

Notice is hereby given to whom it may concern, that the undersigned, Charles T. Kurckby, citizen of the United States, over the age of twenty-one years, having discovered a vein or body of greater or rock in place, bearing minerals within the lands of the claim hereby located, have this day, under and in accordance with the laws of the District of the United States, located 1500 linear feet of the vein or body, within surface ground 100 feet in width, situated in Baker County, State of Oregon, and known as the Idaho, hereby mining claim, and more particularly described as follows:

Commencing at the location notice on cut on said body and running 100 feet westly to W. C. state, which is foot No. 5, thence Northerly 100 feet to N. W. C. state, which is foot No. 4, thence Easterly 100 feet to E. C. state, which is foot No. 3, thence Southerly 100 feet to S. E. C. state, which is foot No. 2, thence Westerly 100 feet to W. E. C. state, which is foot No. 1, thence Easterly 200 feet to W. C. state, which is foot No. 1, Aligned portion of the Northerly side line of the Idaho claim runs on a large portion of the Oregon claim. The Idaho claim is a re-location of the Wallisville Kurckby Mohawk lode. The Reindale quarter mine is down the hill Northerly from the location notice on one body or cut, about 1000 feet, and intends to hold and work said claim according to the mining laws of the United States and of the State of Oregon. Dated this 20th day of April, 1894.

Charles T. Kurckby, Notary.
State of Oregon, Jean
County of Union

I, Charles F. Henchly, being first duly
sworn, say that I have fully complied with the law governing
representation of this claim. The within described claim, as
provided by an Act of the Legislative Assembly of the State of
Oregon approved February 22, 1901.

W. G. Townley
County Recorder

W. G. Townley, being duly sworn, says that he is the agent
of the Union Investment Company, a corporation organized
and existing under the laws of the State of Wisconsin and
having its principal office in the City of Milwaukee,
State of Wisconsin and which is engaged in the business
of mining and of milling property and is the owner of certain
mining property at or near Ranger in the State of Oregon,
and that the said Union Investment Company has
expended labor, material and improvements, at least one
hundred dollars upon each of the following property mining
claims situated in the so-called "Henri", mining district, Baker
County, Oregon, viz., "Augusta No. 1", "Augusta No. 1.5", "Rob Roy",
"Amelia", and "Imogen". The said expenditures were
made under the direction of the Ranger Development Company
the lessee of the above mentioned mining property, by
underground work for the purpose of working the said
mines in said property mining claims above mentioned.

And that said expenditures were made as and for
the annual assessment made for the year ending Dec 31, 1900,
as by law required.

-Gold Dollar Fraction-

Amended location of the "Gold Dollar Fractional" quartz claim, Bovensine, Baker County, Oregon, May 26, 1901.

The undersigned hereby states the location of the "Gold Dollar" quartz claim, originally located by B. N. Taylor and recorded in the Book of quartz locations, Volume I, page 79 of the records of Baker County, as described "Gold Dollar" quartz claim, lying at present a triangular piece of ground, wedged in between the north line of the Vellard & claim, patented, and the east line of the same claim patented—amends the location of this "Gold Dollar" claim in such a way as to make the south line parallel by retaining as nearly as can be, the boundary the north and east line of the Vellard "quartz" claim, and by extending the present south boundary of the "Gold Dollar" claim nor being the north and line of the "More or Less," and running N. 83° 30' W. from the south east corner of the "Gold Dollar" claim, which also runs the north corner of the "More or Less," until said south and line of the "Gold Dollar" claim becomes parallel with the north and line of "Gold Dollar" and as nearly as identical with the north and line of the Vellard, which runs N. 83° W.

By the amended location the "Gold Dollar" claim will overlap the "More or Less" claim, showing the property of the undersigned. The amended location of the "Gold Dollar Fraction" will then read as follows:

Commencing at the N.W. corner of the "Gold Dollar," at the same line corner N. 2° 59' 50" W., and running along the north and line of the Vellard, quarter E. N.E. for 500 feet to the N.E. corner, then in the same direction for another 500 feet to the N.W. corner of the "Gold Dollar," also being the e.w. line of the Vellard and co. N. 2° 59' 50" W., thence for a distance of about...

Subscribed and sworn to before me this 22nd day of June, 1901.

Allen R. Atlee

Notary Public (Notarial Seal)
Filed forwark, State of Oregon,  
County of Baker, T.  George H. Luck, being first duly sworn, says that between the first day of June, 1901, and the 25th day of June, 1901, he, together with W. A. Stute, and W. B. Buckland, Joseph Wheatcroft, did the work upon the mining claims hereinafter described as the annual assessment work for the year 1901, required by law to be done upon the following described ghost mining claims, to wit: The "Blue Bucket," "The Katy," the joint, the "Saratoga," and the "Buck" ghost mining claims, all of said claims being situated in Baker County, State of Oregon, and about one mile west of the Town of Baker. The same on the surface the "Mariner's Dream" mine, all lying in said Baker County, State of Oregon.

That the said mining claims above described, together constitute a group of mining claims, known as the "Crescent" group, and each of said claims designated by the name and the work theretofore mentioned as being done upon the "Katy" mining claim was done for the benefit of and for the use of George L. Stute, and developed and opened into all of said mining claims.

That the work done on said mining claims is as follows:
168 feet of tunnel driven by George L. Stute, and the buildings above named in the "Katy" mining claim in the direction of the joint, "Saratoga," and "Buck" mining claims, and the said tunnel driven entirely completed well drilled all five of the mining claims above described, that the cost of said work was $41.00. That said work was done and performed by myself and said persons above named for John H. Luck, who is the owner of said claims by donation and conveyance to himself, and all of said claims were located during the year 1900, and about the middle of June in the year 1900, as will more fully appear by reference to the record of said mining claims of Baker County, State of Oregon.

That said work was done as the annual work for the year 1901.

George H. Luck,

Subscribed and sworn to this true copy this 26th day of June, 1901.

Filed for record Notice is hereby given that I, W. W. McNeill, citizen of the United States. filed on the 15th day of May, A.D. 1901, described and located a vein of mineral bearing rock in placer mining gulch, which was here named the "London." That the source of this vein is NE. and SW. and that I claim all surface grounds of the discovery monument on which this notice is posted, and that I claim it 100 ft. N.E. from this notice and 300 ft. on each side of the center of the vein. That said claim is located in Lumpke mining district, Baker County, Oregon, the discovery monument being placed adjoining the No. 4 claims and is bounded on the south by NE. and SW. of NW. and SE. of NE.

Commenced at the discovery monument, thence 300 ft. to NE. corner. thence 1500 ft. to NW. corner. thence 300 ft. to NE. corner. thence 1500 ft. to SE. corner. thence 1500 ft. to SW. corner. thence 300 ft. to S.W. corner at place of beginning.

Date: May 25, 1901

J. W. McNeill, Recorder

State of Oregon

County of Baker

On this 25th day of June, 1901, appeared before me, Notary Public in and for the above named County and State, James Rumpke who being first duly sworn deposes and says that the amount of work required by law has been performed upon the unlocated quarterly mining claim. That said work was performed by him for J. W. McNeill, for the purpose of holding said claim.

Jas. Rumpke,

Subscribed and sworn to before me the day of year.

Notary Public for Oregon

[Handwritten notarization]
Notice is hereby given that I, J.C. Raleigh, citizen of the
United States, on this day of April 20, 1910, discovered and
located a vein of mineral-bearing rock in place, carrying gold
and silver, which I call the New Heaven.

That the source of this vein is N.E. and S.W. and that it runs
150 feet W.E. from the discovery monument on which the
source is located, and that I claim all drift and surface gold
500 feet on each side of the center of the vein. That said claim is
located in Bumgarner mining district, Baker County, Oregon. The
discovery monument being placed 300 feet from said claim, adjacent
to the "Monte Carlo" claim, and it bounded and described as follows:

Commencing at the discovery monument, thence 300 feet N.E.
and 50 feet S.W. thence from noted 300 feet to S.B. corner, thence 150 feet
W.E. corner. Thence 300 feet to N.B. and thence, thence 300 feet to E.N.B.
corner stake, thence 150 feet to W.N.B. corner stake, thence 300 feet
S.W. and thence on site of discovery. I claim all surface gold
and silver and angles. I have executed this plan and intend
to hold said ground under the United States mining laws.

Dated April 20, 1910.

J. C. Raleigh, located.

Witness: J. C. Bumgarner.

State of Oregon
County of Baker

On this 26th day of June, 1910, appeared before
me a Notary Public in and for the County of Baker,
and I, James Bumgarner, who being herein duly
sworn deposes and says that the amount of work required
by law has been performed upon the vein in mineral
gold-producing claim; that said work was performed by
the same for J.C. Raleigh, for the purpose of holding
said claim.

Jas. Bumgarner.

Subscribed, sworn to before me the day and

J. C. Bumgarner, Notary Public for Oregon.
Plat for Emu Mine

Notice is hereby given that I, Thos. T. Terence, citizen of the United States, from this day of May 18, 1914, discovered and located a vein of mineral bearing rock in place carrying gold, 900 feet, whereon I have named the Enterprise. That the strike of this vein is N. 40° and E. by N. and that I claim all surface ground of the discovery monument on which this vein is located and that I claim 1000 ft. N. E. and 500 ft. on each side of the center of the vein. That said claim is located in the mining district, Baker County, Oregon. The discovery monument being about a mile southeast from Bowers, intersects the "Dolc King" claim and is bounded S. 40° E. as follows:

Commencing at the discovery monument, thence south 90° to NE corner, thence east 1000 ft. to SE corner, thence 1000 ft. to NW corner, thence 500 ft. to SW corner, thence 500 ft. to S. W. corner, thence 900 ft. to SW corner, thence 900 ft. to S. E. corner, thence 900 ft. to N. E. corner.

Dated May 18, 1914.

Thos. T. Terence, Locat

State of Oregon

County of Baker

On this 25th day of June, 1914, appearing before me, a Notary Public in and for the above-named county and state, James Runge, who being first duly sworn deposed and says that the amount of work required by the law has been performed upon the within named mineral mining claim, that said work was performed by him for Thos. T. Terence for the purpose of holding said claim.

James Runge

Subscribed to before me the day 25th year just above written.

C. J. Reed,

Notary Public for Oregon
Notice is hereby given that Robert Blei, citizen of the United States, has on the day of May 25, 1901, discovered and staked a vein of mineral bearing rock in place carrying gold, which vein he has named the "Gold King." That the course of the vein runs W. 1/4 N.E. and shall be drawn 1500 on the mine. I claim 80 ft. 2 W. 1/8th 3 N.E. of the discovery monument and shape this notice as posted, and shall claim 300 ft. on each side of the center of the vein. That said claim is located in the Sheep Creek mining district, Baker County, Oregon, the discovery monument being placed 300 feet from a northeast Monte Carlo claim described and located as follows: from the discovery monument, N.E. from discovery monument 300 ft. S.W. and center 300 ft. S.E. corner, thence 1500 feet to N.E. corner, thence 300 ft. N.W. 1/4 corner, thence 300 ft. S.W. 1/4 corner, thence 1500 ft. E. corner, thence 300 ft. S.W. 1/4 corner, thence 300 ft. S.W. 1/4 corner, thence 300 ft. S.W. 1/4 corner. This claim is located with Monte Carlo claim on N. 80 ft. and.

Dated May 26, 1901.

Robert Blei, Locater
Jos. Augurin, Recorder

State of Oregon, County of Baker.

On the 26th day of June, 1901, appeared before me, a Notary Public in and for the above named County of State, James Augurin, who being duly sworn, deposes and says that the amount of work required below has been performed upon the aforesaid quartz mining claim, that said work was performed by the said Robert Blei for the purpose of holding said claim.

James Augurin,
Notary Public in and for Oregon.

I, O.M. Kerr, Notary Public, do hereby certify the foregoing to be a true and correct copy of the same record and proceeding, and do hereby swear that no fraud or error has been committed therein.

O.M. Kerr, Notary Public.
Held pursuant Notice is hereby given that I, Blanch Smith, citizen of the United States, have on the day of April 26, 1911, discovered and located a vein of mineral-bearing rock in place, extending with which vein I have named the "Mounts Creed."

That the course of this vein is North East 45° West and that it claims 1800 ft. 300 ft. of notice of the discovery made on which this notice is posted and what I claim all the area and surface ground and 400 ft. on each side of the center line, which said claim is located in the Blethamining District, Baker County, Oregon. The discovery monument being placed far from adjoining the United States claims, and is bounded and described as follows:

Beginning at the discovery monument, thence 1500 ft. 50 ft. to the east of center, thence 500 ft. 200 ft. to the center, thence 500 ft. 200 ft. to the center, and then 500 ft. 200 ft. to the discovery and is bounded on the Southwest and of the Mounts Creed. Dated April 15, 1911.

Alleged

Blanch Smith

I, A. B. Dickey, of the County of Baker, as a Notary Public am authorized to take the above-named Blanch Smith's affirmation,

before me, of the above-named Blanch Smith and James Bingham, who having first duly sworn before me, says that the amount of work required by law has been performed upon the within named quartz mining claim, that said work was performed by him for Blanch Smith for the purpose of holding said claim.

I, A. B. Dickey, as a Notary Public, for Oregon,

Affirmed this 25th day of June, 1911.

C. F. Kear

Notary Public for Oregon.

Proof of Labor, 'Dampier'.

State of Oregon, 1901
County of Baker.

July 3, 1901.
12 o'clock.

Before me, State of Oregon, I, Lawrence Reves, being first duly sworn,
swear to say that I am the owner of an undivided one-sixth interest
of the 'Dampier' quartz mining claim, situated in the
organized mining district, Baker County, Ore., described more
particularly of Section 13, T. 36 N., R. 8 E., Baker
County, Oreg., as shown on the map...
Notice is hereby given, that P. W. Ettie and H. A. Ettie, citizens of the United States, have on the 1st day of July, 1901, discovered and located a vein of mineral bearing rock in placer, carrying gold and silver, which vein we have now entered upon for our own use and claim. The course of this vein is southwesternly and northwesterly, and that we claim 1,000 ft. thereof, or horizontal measurement, 500 ft. southwesterly and 500 ft. northeasterly from the discovery monument on which the notice is posted, and that we claim 3,000 ft. surface thereof on N.W. side of said vein or lode and 300 ft. on the North side of the center of the creek. That the said claim is located in the organized mining district, Baker County, Oregon, discovery monument being placed 1,000 ft. southwesterly from the junction of Windy Creek, and its bounded and described as follows, to wit:

Commencing at the discovery monument, thence 300 ft. northwesterly to the southwest corner and point No. 1; thence 300 ft. northeasterly to the southeast corner and point No. 2; thence 300 ft. northeasterly to the northeast corner and point No. 3; thence 300 ft. northwesterly to the northwest corner and point No. 4; thence 1,000 ft. southwesterly to the southwest corner and point No. 5; thence 1,000 ft. southwesterly to the southwest corner and point No. 6; thence 1,000 ft. southwesterly to the southwest corner and No. 7. This claim is 1 mile from Lumpkin and 1 1/2 miles from Ettie.

Said June 1st, 1901.

P. W. Ettie, Progres. 
H. A. Ettie, Locater.

State of Oregon 1901.

P. W. Ettie and H. A. Ettie, being first duly sworn, say that I am a citizen of the United States over the age of twenty-one years, that within sixty days subsequent to the posting of the notice of location upon the notice board, granted claim I did and caused to be done on said claim, and upon the land, lode and vein of mineral rock in placer, therein an open cut therein at least four feet wide, showing a vein upon said lode at least eleven feet in length, and in so doing did find a ledge of mineral bearing rock in placer carrying gold and silver and other precious metals in payable quantities.

P. W. Ettie

Inscribed and sworn to before me this 3rd day of July, 1901.

J. E. Shelton, Notary Public of said Oregon.
Notice is hereby given, that the undersigned, a citizen of the United States, have on this 24th day of June, 1901, discovered July 2, 1901, and located a vein of mineral bearing rock in place, carrying gold which vein I have named the "Monarch" quartz mine. That the course of the vein is northeasterly and southeasterly, and that said claims is running 750 ft. northeasterly and 750 ft. southeasterly of the discovery monument on which this notice is posted, and that said claims is running 300 ft. on each side of the center of the vein, that the said claim is located in Auburn mining district, Baker County, Oregon, the discovery monument being placed 750 ft. from each center end side and is bounded and described as follows, that is: Commencing at the discovery monument, thence running 750 ft. in a northeasterly direction to the N.E. center end point, thence running 300 ft. in a easterly direction to the N.E. corner post, thence running 750 ft. in a southerly direction to the S.E. corner post, thence running 300 ft. in a westerly direction to the S.W. center end point, thence 300 ft. southwesterly direction to the S.W. corner post, thence running 750 ft. in a northerly direction N.W. corner post, thence running 300 ft. in easterly directions to the N.E. center end point.

Dated this 24th day of June, 1901
A. Abel Locator

County of Baker, Oregon

James Abel, being first duly sworn, do say that a vein has been located on the section named "Monarch" quartz claim, as required by law, said vein having been run a distance of six hundred feet on the vein of no.

We, John O. Rector and Henry C. Ward, being first duly
sworn on oath, do hereby say that we did, between the first day of
May, 1901, and the 18th day of July, 1901, perform the annual a-
sement work required by the statutes of the state of Oregon
on two quarter mining claims, situated one mile east of Lampite
Rider County, Oregon, and named Mystery No. 1 and Mystery No. 2
respectively, by sinking one shaft twenty-five feet deep on the
Mystery No. 1 claim and making two open surface cuts thirty
feet in length, four feet wide and four feet deep on the
mine on the Mystery quarter claim, and by driving one tunnel
on the mine ten feet in length; said work was done on said
Mystery No. 1 quarter mining claim and was done as the
assessment work on both the Mystery Quarter Mining Claim
No. 1 and the Mystery Quarter Mining Claim No. 2 for the year
1901.

From all men by these presents, that M.L. Dobins, the undersigned, has this 19th day of June, 1901, located and claimed and by these presents does locate and claim, by right of discovery and location, in accordance with the mining Acts of Congress approved May 10, 1872, and all subsequent acts, and with the local customs, laws and regulations, 1607 horizontal feet and horizontal measurements on the Buckeye section, clear, level or deposit along the vein thereof, with all its outcrops and variations as allowed by law, together with 169 feet on the northwesterly side and 169 feet on the southerly side of the middle of said vein at the surface, as far as can be determined from present developments, and all veins, lodes, ledges, or deposits and surface ground within the limits of said claim, 1607 feet running northwesterly from center of discovery and 1607 feet running southerly from center of discovery, shaft, said discovery shaft being situated upon said lode, vein, ledge, or deposit, and within the lines of said claims, in no organized mining district, County of Baker, and State of Oregon, described by metes and bounds as follows, to wit: Beginning at Corner No. 1, identical with Co. No. 2 of the validated estabishing date of the survey No. 07/030: Thence W. 71° 32' N. 154.55 ft to Co. No. 2; Thence E. 68° 59' W. 166.7 ft to Co. No. 3, identical with the N.E. Co. of the Buckeye Lode; Thence N. 2° 23' E. 33.6 ft to Co. No. 4, the place of beginning. The Buckeye Gold Mining Co. had no work done on the location 19th day of June, 1901, by M.L. Dobins, [Leased]

Date of Location: June 19th, 1901

Date of Certificate: June 19th, 1901

Leased by M.L. Dobins to the Buckeye Gold Mining Co.

Subscribed and sworn to before me this 15th day of July, 1901.

Notary Public.

Eugene Spring, Notary Public for Oregon.
Notice is hereby given, that J. D. B. Caine, a citizen of the United States, has on the 22nd day of June, 1901, discovered and located a vein of metal bearing rock in place, carrying gold, silver and other metals which vein I have named the White Bear. That the course of this vein is northeast and southwest and that I claim 1,000 linear ft in length and 200 ft in width, with surface ground rights of the discovery monument on which this notice is posted, and that claim 300 ft on each side of the center of the vein. That said claim is located in 16 miles west of Sumpter on the Grantes wagon road mining district, Baker County, Oregon. The discovery monument being placed 40 feet north from the Grantes road and is bounded and described as follows:

Commencing at the discovery monument, thence 200 ft to south center and stake, thence 300 ft west to NW 1/4, thence 1500 ft north W 1/2, thence 200 ft to north center and stake, thence 300 ft to northeast corner and stake, thence 1500 ft in southerly direction to southwest corner and stake, thence 200 ft to south center and stake being place of beginning.

Dated June 22, 1901.

J. D. B. Caine, Location.

Attest: J. O. Bircham.
JOHN DOBINS
NOTICE OF TUNNEL CLAIM

State of Oregon, Baker City Mining District.

Know all men by these presents that the undersigned citizen of the United States have this 9th day of July 1901, claimed by right of location a Tunnel Claim

For the purpose of discovering and working veins, lodes or deposits on the line thereof and for a further purpose of developing and working the Nashville mining claim, as herein described, which tunnel is named the John Dobins Mining Tunnel and is to be seven feet in height and five feet in width and the claim hereby located extends three thousand feet in a westerly direction from the place of the tunnel where this notice is posted, and the said tunnel claim is further described as being situated in the Baker City Mining District, County of Baker, State of Oregon;

And the location bounds of said tunnel are staked on the surface at the place of commencement and termination thereof, as well as along the line thereof and also at the four corners of said tunnel claim. Said claim is more particularly described as follows:

Commencing at a post placed at the face or mouth of said tunnel and marked face of John Dobins Tunnel Claim.

Said post being situated about 400 feet in a westerly direction from the North Powder River; thence from said post 1000 feet in a westerly direction to a post marked post No. 2 John Dobins Tunnel Claim; thence 500 feet in a westerly direction to a post marked post No. 3 center post John Dobins Tunnel; thence 500 feet in a westerly direction to a post marked post No. 4 John Dobins tunnel; thence in a westerly direction 1000 feet to a post marked East and corner stake of the Nashville Quartz Claim and further marked termination of John Dobins Tunnel Claim.

The undersigned intend to prosecute the construction of said tunnel with due diligence and to claim and locate all veins, lodes and valuable mineral deposits discovered in said tunnel along the line thereof, to the extent of fifteen hundred feet in length along such veins or lodes and three hundred in width on each side thereof. Dump 250 feet square as staked.

Located this ___ day of July 1901.

John Dobins, Locatcr.

Witness, E.W. Colley.

County of Spokane.

John Dobins, being first duly sworn says that he is the locatcr and claimant and named in the foregoing notice of tunnel location; that said location was made in good faith for the purposes thereof stated; that said claimant has expended already on said tunnel the sum of $100.00 and has extended the same the distance of ten feet, and it is his bona fide intention to prosecute the work on said tunnel with all reasonable diligence for the discovery and development of veins and lodes therein; that affiant has read and knows the contents of the foregoing notice and that the same are true of his own knowledge.

Subscribed and sworn to before me this 13th day of July 1901.

John Dobins.

I, P. C. Wood, do hereby certify that at the time of filing the original application, the name of the claimant was P. C. Wood, and the place of residence was Baker County, Oregon. I also certify that the said claim is situated in the district of the United States, the county of Baker, and the state of Oregon.

I, P. C. Wood, do hereby certify that the claim is located and marked off in the following manner:

From the north boundary of the claim, measured along the north line of section 12, T. 23 N., R. 17 W., 400 feet, to the east boundary of the claim, measured along the east line of said section, 400 feet; thence south along the south line of said section, 400 feet; thence west along the west line of said section, 400 feet, and thence north along the north line of said section, 400 feet to the place of beginning, containing an area of 40 acres, more or less.

I, P. C. Wood, do hereby certify that the said claim is situated in the district of the United States, the county of Baker, and the state of Oregon.
the lines of said claims, in the organized mining district of Baker, and State of Oregon, described by lines and bounds as follows, to wit:

Beginning at Sec. No. 1, thence the 3d Section Corner, thence Sections 13 & 14, Thornhill; thence N 90° 09', E 362.74 feet; thence S 80° 57' Min E 362.74 feet to Cor. No. 1, identified with corners No. 1 of Jack Pot 1st Choice Lots; thence N 7° 59', W 680 feet to Cor. No. 2, identified with Cor. No. 4, Jack Pot 1st Choice Lots; thence N 57° 59', W 680 feet to Cor. No. 1, the place of beginning. This being the same Lots originally located on the 17th day of June, 1889, and recorded in Book W page 374, in the office of the Recorder of Baker County, State of Oregon, on the 21st day of July. This location is made without waiver of any previously acquired rights, but for the purpose of correcting any errors in the original location, description, or record made by W. A. Bredlau, the original locator of said mining claims and grantees of said Lots for Gold mining company.

By Little Deer Creek Mining Co.

Said Lots was discovered on the 17th day of June 1889.

B Phillips

Dated on the ground this 3d of July, 1901.

I. B. Phillips, being first duly sworn, deposes and says that a cut has been driven for ore in the
mines named "Chine Bell" quartz lode, 15 feet long, 4 feet
wide and 9 feet deep, as required by law, dated this 27th
day of July, 1901.

B. Phillips

Notary Public for Augus
NOTICE IS HEREBY GIVEN, That I, Frank Worth, citizen of the United States, has
on this 27th day of June, 1901, discovered and located a vein of mineral bearing
rock in place, carrying gold and silver, which vein have named the "SEGULL". Th
That the course of this vein is S. W. and N. E. and that I claim all dips and angle
and surface ground of the discovery monument on which this notice is posted, and
that I claim 1500 feet S. W. from notice and 300 ft on each side of the center
of the vein. That said claim is located in Sumpter Mining District, Baker County,
Oregon, the discovery monument being placed N. E. end from and is bounded and describ-
ed as follows, to-wit: Commencing at the discovery monument, thence 300 ft to
W. corner; thence 1500 ft to S. W. corner; thence 300 ft to S. W. center post; post
thence 300 ft to S. E. corner post; thence 1500 ft to E. E. corner post; thence 300
ft to N. E. corner or the place of beginning of notice. This claim is one mile S.W.
of the town of Bourne. Dated June 27th, 1901, FRANK WORTH, Locator.
Attest: W. J. E. BRUSHARD.

State of Oregon,
County of Baker. SS. I, J. E. Bungardner, being first duly sworn, on oath devo,
and say, that I am acquainted with Frank Worth, locator of the claim described in the
original notice of location of the SEGULL mining claim, and that said notice is a full,
true and correct copy of the original notice of location posted on said claim.
That I did between the 27th day of July, 1901, and the 24th day of July, 1901, per-
form the discovery work required by the statutes of the State of Oregon, on said claim, by running an open cut 4X8 feet and 10 feet long, and said work was done on said claim within sixty days from the date of location thereof, and there
was thereby disclosed a lode or vein of mineral deposit in place.

JAMES BUNGARDNER

Thomas D. Denny

Notice of location of mining claim.

August 6, 1900

Notice is hereby given that we, M. V. Bingle, Leonard, and Jan. O. Mayhew, citizens of the United States of America, have discovered a vein or bed of mineral deposit rock in placer, upon which at the point of discovery, we have posted this notice, in accordance with the laws of the United States. A. of the State of Oregon. We hereby claim forty-four hundred linear feet of said vein or bed, measured thence as hereinafter set forth.

The general course or strike of the vein is north and south. We claim in length thirteen thousand five hundred and fifty feet, north and south and four hundred and fifty feet north from the point of discovery. Thence the course is north and west one thousand and five hundred and fifty feet, thence west one thousand five hundred and fifty feet, thence south one thousand five hundred and fifty feet, thence west one thousand five hundred and fifty feet, thence south one thousand five hundred and fifty feet, thence east one thousand five hundred and fifty feet, thence north one thousand five hundred and fifty feet, thence south one thousand five hundred and fifty feet, thence north one thousand five hundred and fifty feet, thence south one thousand five hundred and fifty feet, thence west one thousand five hundred and fifty feet, thence north one thousand five hundred and fifty feet, thence west one thousand five hundred and fifty feet, thence north one thousand five hundred and fifty feet, thence south one thousand five hundred and fifty feet, thence east one thousand five hundred and fifty feet, thence north one thousand five hundred and fifty feet.

We claim the entire area so described. The location is made June 13, 1901. Said claims are bounded and described as follows:

Commencing at the discovery site, thence due west one thousand feet, thence due south one thousand feet, thence due east one thousand feet, thence due north one thousand feet, thence due west one thousand feet, thence due north one thousand feet, thence due east one thousand feet, thence due south one thousand feet, thence due west one thousand feet, thence due south one thousand feet, thence due east one thousand feet, thence due north one thousand feet.

I, M. F. Blodgett, being first duly sworn, on
and before Lewis E. Ten Eyck one of the clerks of the county court
of the said county do depose and say that I am the owner of the
above described tract of land being a portion of the 'Fisk's
grantory' s.p.a. claim filed in the U.S. Land office.

That I did, between the 18th day of June, 1905, and the 1st day of
August, 1905, perform the surveying work required by the statutes
of the State of Oregon on said claim, by running an open run
on the hill on which the lake was located, running said
line. Describing the same, said run being twenty feet long by
one foot wide, and said work was done on
said claim and the sixty days from the date of location thereof
and there was duly identified a lake as means of mineral deposit
in place.

M. F. Blodgett

Subscribed, sworn to before me the 12th day of August, 1905.

L. N. Tilton,
Notary Public for Oregon.
Notice is hereby given that D. L. Cheek, a citizen of the State of Oregon, has on the 15th day of June, 1901, discovered and located a vein of mineral bearing rock in placer, containing gold, silver or other metals which mine I have named the "Pinnacles".

The course of this vein is North West by South East, and that I claim 1200 feet North and 2200 feet West from the discovery monument on which this notice is posted, and that I claim 500 feet on the North side of the line of 1200 feet and 700 feet on the South side of the center of the vein. This said claim is located in the organized mining district of Baker County, Oregon, the discovery monument being placed 2200 feet NW from the S. E. corner of the race. This monument is described as follows: the

Corner of the discovery monument is about 220 feet to the S. E. corner and N. S. 90 feet on a N. E. direction to the S. E. corner, then 1050 feet in a N. W. direction to the N. W. corner and N. 90 feet on a S. E. direction to the S. E. corner, then 1050 feet in a S. E. direction to the N. W. corner. The claim is bounded on the North by the Boundary of the State of Oregon, on the South by North creek, on the West by the Cheek manufacturing claim, and on the East by the Pinnacles.

Dated 16th June, 1901. D. L. Cheek, recorder.

Witnesses:

[Signatures]

I, D. L. Cheek, being fully sworn, do solemnly swear that I have performed the work required for location.

D. L. Cheek.

Subscribed to and sworn to before me, the 16th day of August, 1901. I. E. Walker.
NOTICE IS HEREBY GIVEN that the undersigned, in compliance with the requirements of the Revised statutes of the United States this day located and claim fifty linear feet along the course of this said line, and that said claim contains ten hundred feet along the course of this said line, being deposited with the assessor of the county of Baker, and all timber growing within the limits of said claim, and all water privileges thereon or appurtenant thereto situate in the non-organized mining district, County of Baker, are more particularly described as follows:

To wit: Commencing at the S. E. Corner of the Yellow Jacket quartz claim, and running South 1500 feet to S. W. Corner; thence 600 feet east to S. E. Corner; thence 1500 feet north to N. E. Corner; thence 600 feet west to N. W. Corner, to point of beginning. The center line of the claim begins at a point 300 feet westerly from the S. E. Corner of the quartz claim known as the Yellow Jacket and about 2000 feet S. E. of the main shaft on the Buckeye quartz mining claim, and runs from the said point in a southerly direction 700 feet to the prospect shaft and from thence in a direct line in a southerly direction 800 feet to the south corner stake, which is situated near the northwest corner of what is known as the Tempest quartz claim in Baker County, Oregon. This claim is supposed to be situated in Sec. 7, T. 7, R. 40 N., and shall be known as the Buffalo Quartz Mine.

Located June 15th, 1901.

G. L. ROGERS, Locator

Witnesses: A. L. BEASLY

E. W. BARNES, Locator.

To, Shaw.

State of Oregon,

County of Baker,

I, E. W. Barnes, being first duly sworn, say: That I am one of the locators and owners of the within described Buffalo quartz mining claim, that I and G. L. Rogers as owners of said claim have set up stakes on same and have sunk and excavated a shaft on same 10 feet deep by 6 feet long and four feet wide and in all particulars complied with the laws regulating the location of quartz claims.

E. W. BARNES,

Subscribed and sworn to before me this 14th day of August, 1901.

Filed for Record, August 16th, 1901, at S. A. M.

C. W. James, Recorder.
NOTICE IS HEREBY GIVEN that I, Joseph Henry Macallum, a citizen of the United States, have on this 15th day of June, 1901, discovered and located a vein of mineral bearing rock in place, carrying gold and other minerals, which vein I have named Mac's Hopes Number One. That the course of this vein is about 300 feet from the West center and stake, and that I claim three hundred feet on each side of the center of the vein; that the surface said claim is located in an unorganized mining district Baker county, Oregon, the discovery monument being placed seventy feet more or less East from the West center and stake, and is bounded and described as follows, to-wit:

Commencing at the discovery monument, thence West seventy feet more or less to West center and stake of said claim; thence northwesterly three hundred feet to N.W. corner stake; thence in an easterly direction fifteen hundred feet to N.E. corner stake, then south three hundred feet to east and center stake; thence southeasterly further south three hundred feet to S.E. corner stake; thence westerly fifteen hundred feet to S.W. corner stake; thence northerly three hundred feet to said west center and stake; this claim joins or shifts to the West Fork of Bear Creek. Arrows on all stakes denote direction and distance to next stake. This claim adjoins on the west the Moonlight No. 1 and on the north the Bugaboo No. 1. Trees at different points are marked as natural monuments.

Dated 1901, J. H. MACALLUM, Locater.

State of Oregon,
County of Baker, SS

I, Joseph Henry Macallum, being first duly sworn, on oath deposes and says that I am the locator of the claim described in the within notice of location of the Mac's Hopes No. One mining claim, and that said notice is a full, true and correct copy of the original notice of location posted on said claim. That I did, between the 15th day of June, 1901, and the 15th day of August, 1901, perform the discovery work required by the statutes of the state of Oregon on said claim, by running an open cut about eighteen feet long averaging fully four and one-half feet in width and from six inches to ten feet in depth, ten feet of said cut being at least six feet deep, and said work was done on said claim within sixty days from the date of location thereof, and there was thereby disclosed a lens or vein of mineral deposit in place.

J. H. Macallum.

Subscribed and sworn to before me this 14th day of August, 1901.

I, Samuel May, hereby give notice of the location of the within mentioned quartz mining claim with the following description and particulars, to wit: I being a citizen of the United States and of legal age. The name of the claim is "D E Y E Y" quartz mining claim. The said claim was discovered on this 8th day of Nov., 1899, I have discovered a vein of mineral within the limits of said claim, and at the point of discovery in a conspicuous place a discovery monument is erected and a duplicate of this notice is posted thereon this 6th day of Nov., 1899. The said quartz claim is situated in the no mining district, township Range Meridian of the County of Baker, State of Oregon. The description of the claim is as follows: Feet fraction from said monument, a discovery shaft has been sunk. This being an amended location taking and claiming all of the vacant or fractional part of the 1500 feet of ground on the vein from the Lost Lode mining claim, northeasterly to the Gironias west side line, situated in the mouth of Swell Hollow and one mile from Hanover. The general course of the vein is southeast and northeasterly in length thereon from said discovery monument, and also (300) three hundred feet on each side of the center of the vein. The number of linear feet claimed in length of said vein is fractional feet or 288 feet on vein. That all water and timber upon and appurtenant thereto are hereby claimed. The adjoining claims are, to wit: Lost Load. That this claim is held under and in accordance with the provisions of the laws of the United States and of the State of Oregon, and with the local rules and regulations of the aforesaid mining district.

Dated August 15th, 1901.

STATE OF OREGON,
COUNTY OF BAKER, SS.

KNOW ALL MEN BY THESE PRESENTS: That The Buckeye Gold Mining Co.,
W. C. Koester, Louis Koester and M. L. Lohmire, the undersigned have this 26th day of
June, 1901, located and claimed, and by these presents does locate and claim, by right
of discovery, and location, in compliance with the mining acts of Congress, approved May
10th, 1872, and all subsequent acts, and with local customs, laws, and regulations, 1500
linear feet and horizontal measurement, on the Buckeye No. 2 Lode, vein, ledge, or de-
posit, along the vein thereof, with all its dips, angles and variations as allowed by
law, together with 1500 feet on the northerly side and 500 feet on the southerly side
of the middle of said vein at the surface, so far as can be determined from present de-
velopments.

And all veins, lodes, ledges or deposits and surface ground within the
lines of said claim, 25 feet running in a westerly direction from center of discovery
shaft; and 1400 feet running in an easterly direction from center of discovery shaft;
said discovery shaft being situated upon said lode, vein, ledge or deposit, and within
the lines of said claim, in no organized mining district, County of Baker, and state of
Oregon, described by metes and bounds as follows, to wit: Beginning at corner No. 1,
identical with the northeast corner of the Buckeye lode, whence, the 1/2 section corner
on the north boundary of Sec. 6., T. 7. S. R. 40 E., bears N. 18° 01' E. 1488.8 feet;
the nee in a southwesterly direction, along the easterly side line of the Buckeye lode,
600 feet to Cor. 2, thence in a south-easterly direction 1500 feet to cor. No. 3, thence
in a northeasterly direction 500 feet to cor. No. 4, identical with southeast corner of
the Virginia lode, thence in a northwesterly direction along the southerly side line of
saud Virginia lode, 1500 feet to Cor. No. 1, the place of beginning. This claim lies
parallel with and adjoining the Virginia lode on the south, and joins the Buckeye lode on
the east, the westerly and line of the Buckeye No. 2 lode, being identical with the east-
erly side line of the Buckeye lode.

Said lode was discovered on the 26th day
of June, 1901.

Attest: A. E. Ringeling.

Date of Location June 26, 1901.

Date of Certificate June 25th, 1901.

C. W. JAMES, Recorder.
NOTICE IS HEREBY GIVEN, that I, Mrs. Maggie J. Williams, citizen of the United States, conforming to the mining laws thereof, and of the state of Oregon, and local rules, regulations and customs of miners, have located and do hereby locate 1500 fifteen hundred 1/2 linear feet on the vein or lode or calmin bearing mineral in place, by 500 feet in width

the same being 300 feet on each side of the center thereof. Said claim is situated in a non-organized mining district, Baker County, State of Oregon, and further described as follows: Commencing at a post marked N., N.E. at the northeast corner; thence 300 feet in a southerly direction to a center and post marked east end of center; thence 300 feet in a southerly direction to a center and post marked east end of center; thence 300 feet in a northerly direction to a center and post marked west end of center; thence 300 feet in a northerly direction to a center and post marked west end of center; thence 1500 feet to the place of beginning. The course of the vein is north easterly and south westerly. The claim is further described as follows: Laying across the head of the South Fork of Quartz Gulch, and bounded on the west end by the claim known as the Anna quartz claim, which is about 2 miles S. W. of the Virtue Mine and about one mile north of the Carrie S. This claim is known as the "Little Carrie." And I intend to hold and work said claim in accordance with local customs and rules of miners and the mining laws of the United States and of the State of Oregon.

Mrs. Maggie J. Williams, Locato[er]

O.P. Terrier

Subscribed and sworn to before me this 28th day of August 1901.

L.R. Porter
Notary Public for Oregon
Notice of Location of quartz claim.

To, Henry Cable, Johanna and Bessie Cabell, citizens of the United States, over the age of 21 years, hereby certify and give notice that there has heretofore been discovered within the limits of the claim, hereinafter described, a vein or lode of rock in place, bearing gold and other valuable minerals; That the name of said claim and lode is the "California" quartz Mining claim, and the name of the original locator thereof is Henry Cable; That said claim was originally located in 1877 and any amended location thereof made by us on the 21st day of August, 1901;

That there is claimed by virtue of such location fifteen hundred feet in a north easterly direction from point of discovery, where this notice is posted, and there is also claimed three hundred feet of surface ground on each side of said vein or lode; that the general course or strike of said vein is north 37 degrees and 15 minutes East, from the northerly center and post of the Winning Hand quartz mining claim;

That said claim as marked on the ground is bounded and described as follows:

Commencing at post, from which the northeast corner of the Oregon quartz claim bears south 9 degrees and 30 minutes West, one hundred and thirty and one-half feet distant; said Oregon claim being connected with the United States Mineral Monument situated on the Hercules Patented quartz claim, in Cable Cove, Baker County, Oregon, running thence from said point of commencement, North 37 degrees and 15 minutes East, fifteen hundred feet to post; thence North 52 degrees and 45 minutes West, six hundred feet to post; thence south 52 degrees and 45 minutes West, six hundred feet to post; thence South 37 degrees and 15 minutes West, fifteen hundred feet to post.

That said claim was originally located by Henry Cable and that Johanna Cabell and Bessie Cabell have acquired an interest therein by purchase; that this is an amended location of said California quartz claim, made to more definitely define the boundaries thereof; Dated this 21st day of August, 1901.

20 years, hereby testify and give notice, that there has been no
prejudice discovered within the limits of the claim here

inferred described, a vein or lode of rock in place containing

gold and other minerals. That the in one or said claim

and lode to the Winning Hand quartz mining claim and

the name of the original location

that said claim was originally located — and an amended location

thereof made before the 1st day of August, 1901.

That there is claimed by virtue of such location from

hundred and eighty feet along the vein or lode in a North

southeast direction from the point of discovery, where the

vein or lode is joined and ten hundred and twenty feet in a

Southwest direction from each point, where there is

also claimed three hundred feet of surface ground on each

side of said vein or lode, that the total area is nine and

sixty-six feet of surface ground on each

side of said vein or lode.

Beginning at the point which marks the

Northeast corner of the Oregon quartz mining claim, which

claim is connected with the United States Mineral Monuments,

situate on the boundary patent granted quartz claim, in Battle Cor

Baker County, Oregon, running from said point of corner

north by north forty-eight degrees East one hundred and seventy-

six feet to a point; thence North fifty-two degrees and forty-five minutes West, along

the boundary line of the California claim, six hundred feet to a point; thence South ninety-two degrees West one hundred and seventy-six feet to a point; thence South fifty-two degrees and forty-five minutes East, six hundred feet to a point; thence North fifty-two degrees and forty-five minutes East, along

the West side line of the Oregon quartz mining claim, six hundred and eighty-four feet to the place of

beginning.

That I acquired the above described claim

by purchase, and this is an amended location of

said Winning Hand quartz mining claim made to more

definitely define the boundaries thereof.

We have this day located and do claim 1500 feet in length by 600 feet in width on the vein of gold bearing ore, commencing at this notice and running 1500 feet in an easterly direction with 300 feet on each side, to be known as the "Percy" Mine, situated on Bull Run Creek, Bull Run Mountain, and bounded on the south by the north side line of the Champion Mine, and on the west end line by the east end line of the True Blue Mine, about 3½ miles above the Boswell Placer Mine, Baker County, Oregon, July 22, 1901.

James W. Smith
Robert Preston, Jr. Locators

Proof of Labor:

State of Utah, I.B.
County of Salt Lake.

Before me, the subscriber, personally appeared James W. Smith who being duly sworn, says that an open cut tunnel (12) feet long, ten (10) feet high and four (4) feet wide was made on the Percy Mining claim, situated on Bull Run Creek mining district, Baker County, State of Oregon, during the year 1901. Such expenditure was made by him at the expense of James W. Smith, owner of said claim, for the purpose of holding said claim.

James W. Smith

Subscribed and sworn to before me this fifth day of September, 1901.

Frank Brookes
Notary Public

Filed for record Sept. 7, 1901. 4:59 A.M.

W. James
Recorder
Notice is hereby given, that P. J. Wells, miner, Oregon, citizen of the United States, has on this 15 day of July, 1901, discovered and located a vein of mineral bearing rock in place, carrying gold, silver which vein I have named Grandma Kruger.

That the course of this vein is east of north and west of south, and that I claim 1,500 feet in length, 1,000 feet north and 500 feet north of the discovery monument on which this notice is posted, and that I claim 300 feet on each side and 1,500 feet in length on each side of the center of the vein.

That said claim is located in Baker County, mining district, more, Baker Co. County, Oregon; the discovery monument being placed 20 feet from prospect shaft, 150 feet from tunnel, and is bounded and described as follows, to wit:

Commencing the discovery monument, thence 500 feet N0. of east; then 300 west; then 1,500 south-west; then 500 to a blazed tree; then 1,500 north-east; then 500 to center end stake; then 500 south to the place of beginning.

Dated, July 15, 1901.

P. J. Wells, Locator.

State of Oregon:
County of Baker:

I, P. J. Wells, being first duly sworn, on oath, do depose and say, that I am P. J. Wells, locator of the claim described in the written notice of location of Grandma Kruger mining claim, and that said notice is a full, true and correct copy of the original notice of location posted on said claim. That I did between the 15 day of July, 1901, and the 1 day of September, 1901, perform the discovery work required by the statute of the State of Oregon, on said claim by making a crosscut 13 feet in width, then a tunnel or open cut 20 feet with a breast 14 foot showing the ledge, and said work was done on said claim within sixty days from the date of location thereof, and there was thereby disclosed a lode vein of mineral deposit in place.

P. J. Wells.

Subscribed and sworn to before me this 9th day of Sept., 1901.

Frank Bedens,
County Clerk, Baker County.
Notice is hereby given that P. D. Wells, Bumpner, Oregon, citizen of the United States, has on this 25th day of July, 1901, discovered and located a vein of mineral-bearing rock in place, containing gold and silver, which vein I have named Oman Paul.

That the source of the vein is east of north and south of west, and that I claim 1,500 feet, all dip and strike, 1,400 No. of feet, discovery monument on which this notice is posted, and that I claim 1,500 feet in length and 300 each side of the center of the vein. That said claim is located in the No. Deer Creek Mining District, Baker County, Oregon, the discovery monument being placed 100 feet from south line of claim, and is bounded and described as follows, to wit:

Commencing at discovery monument, thence 100 feet to the creek, then 200 feet east, then 1,500 east of north to the N.E. corner, then 600 west, then 1,500 feet south, then 300 east to center line, then 100 feet north to place of beginning.

Ratified July 27, 1901.

P. D. Wells, locator.

State of Oregon I SS.

Baker County.

I, P. D. Wells, being first duly sworn, do say that I am P. D. Wells, the locator described in the within notice of location of the Oman Paul mining claim, and that said notice is a full, true and correct copy of the original notice of location posted on said claim. That I did between the 25th day of July, 1901, and the 1st day of September, 1901, perform the discovery work required by the statutes of the State of Oregon, on said claim, by adit or tunnel, 12 feet long with a breast of 3 feet, showing quartz at the bottom of tunnel, and said work was done on said claim within 60 days from the date of location thereon, and thereby disclosed a lode or vein of mineral deposit in place.

P. D. Wells

Subscribed and sworn to before me this 9th day of Sept., 1901.

Travis Riddles.

County Clerk, Baker County.

Filed for record, September 9, 1901, at 1 A.M.

G. W. James, Recorder.
State of Oregon.
County of Baker.

Before the undersigned, Notary Public in and for said county and state, appeared J. H. Eaton and B. J. Wells, who, being by me duly sworn, say, each for himself and not one for another, that he is a citizen of the U.S. and a resident of the State of Oregon; that more than four hundred dollars worth of work and labor has been expended by us upon the "Money Maker," "Financial," "Upsamite," and "Gerousie" quartz claims, situate in Baker County, State of Oregon, in no organized mining district, during the year 1901, and ending January 14, 1902; said expenditures were made by us wholly upon the "Financial" quartz claims for the benefit and advantage of all of said above named quartz claims and for the purpose of grouping all of said mining claims in one group, and such expenditure was made at the expense of the Bumteel Gold Mining Company of Portland, Oregon, a corporation existing under and by virtue of the laws of the State of Oregon, which said corporation is the owner of all of said four quartz claims above described. That I have no interest therein, or in either or any of said quartz claims. That said expenditures to the extent of over four hundred dollars was so made upon said claims as aforesaid during the year 1901, and for said year 1901, as required by law and for the benefit of said group of claims. That said claims are all adjoining each other, and are so grouped for convenience in working, and for the benefit of all of said properties.

J. H. Eaton.
B. J. Wells.

Subscribed and sworn to by J. H. Eaton and B. J. Wells (each for himself), before me the 28th day of September, A.D. 1901.

Recorder.
Notice is hereby given. That I, a citizen of the United States, have this day of May, 1901, discovered and located a vein of mineral bearing rock in place, carrying gold and silver, which vein I have named The Decoration Quartz Claim. That the course of this vein is easterly and westerly and that I claim 1,500 ft. of the discovery monument on which this notice is posted, and that I claim 300 ft. on each side of the center of the vein. That said claim is located in no organized mining district, Baker County, Oregon, the discovery monument being placed 300 feet easterly from the N. center stake, on 20 feet level, and is bounded and described as follows, to-wit:

Commencing at the discovery monument, thence 1,200 ft. E. to E. center stake No.1; thence N. 300 ft. to N. & E. center stake No.2; thence 1,800 ft. westerly to N.W. corner stake No.3; thence 300 ft. E. to E. center stake No.4; thence 300 ft. S. to S.W. corner stake No.5; thence 1,500 ft. westerly to S.E. corner stake No.6; thence No. 300 ft. E. to E. center stake No.7; thence 1,200 westerly to place of beginning.

Dated May 15, 1901.

P.M. Shannon, Notary.

State of Oregon
County of Baker

I, P.M. Shannon, being first duly sworn, on oath do say, that I am original locator of the claim described in the within notice of location of the 'Decoration' mining claim, and that said notice is a full, true and correct copy of the original notice of location posted on said claim. That I did, between the 15th day of May, 1901, and the 15th day of July, 1901, perform the discovery work required by the statutes of the State of Oregon on said claim, by running a cut 14 ft. wide, 16 ft. deep & 10 ft. in length, and said work was done on said claim within sixty days from the date of location thereof, and that I thereby disclosed a body or vein of mineral deposit in place.

P.M. Shannon.

Subscribed and sworn to before me this 10th day of Sept., 1901.

James Kersh, Notary Public for Oregon.
Notice is hereby given, that I, a citizen of the United States, have on the 15th day of May, 1901, discovered and located a vein of mineral bearing rock in place, carrying gold, silver and other minerals, which vein I have named Black Bear. That the course of this vein is easterly and westerly, and that I claim 1,200 feet easterly and 300 feet westerly of the discovery monument on which this notice is posted, and that I claim 300 ft. on each side of the center of the vein. That said claim is located in no organized mining district. Baker County, Oregon, the discovery monument being placed 300 feet easterly from the west center stake on Deer Creek, and is bounded and described as follows, to-wit:— Commencing at discovery monument, thence 1,200 feet to E. center stake No. 1, thence N. 300 ft. to N. E. corner stake No. 2, thence 1,500 ft. westerly to N. E. corner stake No. 3, thence S. 300 ft. to W. center stake No. 4, thence S. 300 ft. to S. W. corner stake No. 5, thence 1,500 ft. easterly to S. E. corner stake, No. 6, thence 300 ft. N. to E. center stake No. 1; thence 1,200 ft. westerly to place of beginning. Dated May 15, 1901.

W. E. Kahler, Loc. Agent.

State of Oregon,
County of Baker,

J. B. M. Shannon, being first duly sworn, on oath depose and say, that I am the original locator of the claim described in the within notice of location of the "Black Bear" mining claim, and that said notice is a full, true and correct copy of the original notice of location posted on said claim.

That I did, between the 15th day of May, 1901, and the 15th day of July, 1901, perform the discovery work required by the statute of the State of Oregon, on said claim, by running an open cut twelve feet wide; and said work was done on said claim within sixty days from the date of location thereof, and that there was thereby disclosed a lode or vein of mineral deposit in place.

J. B. M. Shannon.

Subscribed and sworn to before me this 10th day of Sept., 1901.

James Shord,

Notary Public for Oregon.
Notice is hereby given that we, W. E. Kahler and D. M. Shannon, citizens of the United States, have on the 15th day of May, 1901, discovered and located a vein of mineral bearing rock, filled with gold, silver, and other minerals, which vein we have named "Dub." That the course of this vein is easterly and westerly, and that we claim 1,500 ft. of the discovery monument on which this notice is posted, and that we claim 300 feet on each side of the center of the vein. That said claim is located in the organized mining district, Baker County, Oregon, the discovery monument being placed 500 feet easterly from west center stake on Bear Creek, and is bounded and described as follows, to wit:

Commencing at discovery monument thence 1,000 ft. easterly to east center stake No. 1; thence, N. 300 ft. to N.E. corner stake No. 2; thence, 1,500 ft. westerly to N.W. corner stake No. 3; thence, 300 ft. W. to C. center stake No. 4; thence, S. 300 ft. to S.W. corner stake No. 5; thence, 1,500 ft. easterly to S.E. corner stake No. 6; thence N. 300 feet to east center stake No. 1; thence 1,000 ft. W. To place of beginning.

Rated May 10, 1901.

W. E. Kahler, Recorder.

D. M. Shannon, Recorder.

D. M. Shannon, being first duly sworn, on oath, say that we are the original locators of the claim described in the within notice of location of the "Dub" mining claim, and that said notice is a full, true and correct copy of the original notice of location posted on said claim. That we did, between the 15th day of May, 1901, and the 15th day of July, 1901, perform the discovery work required by the statutes of the State of Oregon, on said claim, by a cut and tunnel, twenty feet long, and said work was done on said claim within sixty days from the date of location thereof, and there was thereby disclosed a lode or vein of mineral deposit in place.

D. M. Shannon.

Subscribed and sworn to before me the 10th day of Sept., 1901.

Notary Public for Oregon.
Notice is hereby given, that Christ Schneider, a citizen of the United States, has on the 25th day of June, 1901, discovered and located a vein of mineral-bearing rock in place, bearing gold and silver, which vein I have named "Horse Shoe." That the course of this vein is N.E. and S.W., and that I claim 600 feet N. to N. center stake; thence East 300 feet to N.E. corner stake; thence South 1500 feet to S.E. corner stake; thence West 200 feet to S. center stake; thence West 300 feet to South west corner stake; thence North 1500 feet to N.W. corner stake; thence East 300 feet to place of beginning. Said claim is located in Granite Mining District in Baker County, Oregon, and is about two miles east of Borneopia, and is joined on the west by the Boshley Quarters claim.

State of Oregon
County of Baker

I, Christ Schneider, being first duly sworn, on oath depose and say, that I am a citizen of the United States and the locator of the claim described in the within notice of location of the "Horse Shoe" mining claim, and that said notice is a full, true and correct copy of the original notice of location posted on said claim.

That I did between the 25th day of July, 1901, and the 10th day of August, 1901, perform the discovery work required by the statutes of the State of Oregon, on said claim, by sinking an opening of 15 feet on the ledge in said cut and on said claim, and said work was done on said claim within sixty days from the date of location thereof, and there was thereby disclosed a lode or vein of mineral deposit in place.

Subscribed and sworn to before me this 28th day of Sept, 1901.

Justice of the Peace, Borneopia &c.
Notice is hereby given, that I, Christ Schneider, a citizen of the United States, have on the 13 day of April, 1901, discovered and located a vein of mineral bearing rock in place, bearing gold and silver, which vein I have named "Sultan", and that the course of this vein is north west and south east, and that I claim 300 feet to south center stake, thence east 300 feet to south east corner stake, thence north 1500 feet to northwest corner stake, thence west 300 feet to NW corner stake.

That said claim is located in Granite Mining District, Baker County, Oregon, and is bounded as follows: One the south by the Minnie J. Quarter claim, owned by B. H. Perkins, and on the east by the Mackay Quarter claim, owned by James Mackay, and about 1/4 miles from Corinne.

I, Christ Schneider, Locatur.

State of Oregon
County of Baker

I, Christ Schneider, being first duly sworn, on oath depose and say, that I am a citizen of the United States and the locator of the claim described in the within notice of location of the "Sultan" Quarter Mining Claim, and that said notice is a full, true and correct copy of the original notice of location posted on said claim.

That I did, between the first day of January, 1901, and the 15th day of July, 1901, perform the discovery work required by the statutes of the State of Oregon, on said claim, by running an incline shaft and an open cut to the extent of fifteen feet, and said work was done on said claim within sixty days from the date of location thereof, and there was thereby disclosed a body or vein of mineral deposit in place.

I, Christ Schneider, Locatur

Subscribed and sworn to before me this 7th day of Sept. 1901.

Geo. H. Herbst
Justice of the Peace

Comptob5
Notice is hereby given, that Chris Schneider, a citizen of the United States, has on the 20th day of May, 1901, discovered and located a vein of mineral bearing rock in place, bearing gold and silver, which vein I have named "Schley".

That the course of this vein is south-east and north-west, and that I claim 300 feet N. to the N. center stake; thence east 300 feet; thence south 1,500 feet to E. corner stake; thence west 300 feet to S. center stake; thence east 300 feet to south west corner stake; thence N. 1,500 feet to N.W. corner stake; thence E. 300 feet to place of beginning.

That said claim is located in Granite Mining District, Baker County, Oregon, and is located as follows: 1 1/2 miles east from Lomostan, joined on the east by the "Horse Shoe" Quartz Mining claim, owned by Chris Schneider.

Dated July 25th, 1901.

Ch. Schneider, Locator.

State of Oregon
County of Baker

I, Chris Schneider, being first duly sworn, on oath, depose and say, that I am a citizen of the United States, and the locator of the claim, described in the within notice of location of the "Schley" Quartz mining claim, hereafter called the "Schley" mining claim, and that said notice is a full, true and correct copy of the original notice of location posted on said claim.

That I did, between the 14th day of July, 1901, and the 25th day of July, 1901, perform the discovery work required by the statutes of the State of Oregon on said claim, by running 20 feet on the ledge and placing thereon four sets of timbers; and said work was done on said claim within sixty days from the date of location thereof, and there was thereby disclosed a lode or vein of mineral deposit in place.

Ch. Schneider.

"Gilroy"

Quartry Location

This is to certify that the undersigned has discovered a vein of mineral bearing rock in place and has located 1500 ft. along this lode by 200 feet in width, the name of which is "Gilroy," and is situated in Buckeye mining district, Baker County, Oregon, one half mile S. East of the Buckeye mine and joins the west side line of the Eureka and the north side line of the Maggie May" claims. The boundaries are described as follows:

Commencing at this discovery and running 1500 ft. northerly to N. Westerly and center stake; thence 300 ft. easterly to N. East corner stake; thence 1500 ft. S. Easterly to S. East corner stake; thence 300 ft. easterly to S. Easterly and center stake; thence 300 ft. easterly to E. West corner stake; thence 1500 ft. N. Westerly to N. West corner stake; thence 300 ft. easterly to N. Westerly and center stake, thence to starting point.

This claim lies 1500 feet N. Westerly and 1350 ft. S. Easterly from this discovery.

County of Union.

J. Harrie E. Simpson, do solemnly swear that I am a citizen of the United States of America, and that I am acquainted with the quarry claim described in the within notice of location called the "Gilroy" Quarry claim, and that the locator of said claim has prior to the date of this affidavit and since the date of posting the location no-
This is to certify that the undersigned have discovered a vein of mineral-bearing rock in place and has located 1,500 feet along this lode by 600 feet in width, the name of which is the "Nob Hill," and is situated in the Buckeye Mining District, Baker County, Oregon, and joins the east side line of the "California" and the south end line of the "San Jose," and lies 1/4 of a mile south-southwesterly from Farley Hill. The boundaries are as follows: Commencing at this discovery and running 1200 northwesterly to North Westerly end center stake; thence 300 feet northerly to N. East corner stake; thence 1,500 ft. S. Easterly to S. East corner stake; thence 300 feet westerly to S. Easterly end center stake and rock mound; thence 300 ft. westerly to South West corner stake and rock mound; thence 1,500 ft. N. Northwesterly to North West corner stake; thence 300 ft. easterly to N. Easterly end center stake; thence, to starting point. This claim lies 2,000 ft. N. Easterly and 300 ft. S. Easterly from this discovery notice at the discovery shaft or cut.

W. M. Walling, County of Union.

S. Carrie E. Simpson, do solemnly swear that I am one of the locators of the "Nob Hill" claim, and that another cut of at least 6 ft. deep, 4 ft. wide and feet deep along the lode at the discovery has been excavated on the within described location of quartz claim since the date of filing the notice of location.

S. Carrie E. Simpson.

Sworn and subscribed to before me this 12th day of Sept., 1901.

O. D. Thomlinson.

Notary Public.

for said

the mine of Weekly and Weekly and that I claim 1200 feet Eastly and 100 feet Westly of the discovery monument on which this notice is posted and that I claim 1200 feet on each side of the center of the mine. That said claim is

located in an unenclosed mining district, Baker County, Oregon, the discovery monument being placed 500 feet Eastly from West end line and unbounded and described as follows:

Commencing at the discovery monument, thence Easterly 1200 feet to line centerline No. 1, North 300 feet to line centerline No. 2, Westly 500 feet to line centerline No. 3, South 300 feet to West end line centerline No. 4, South 300 feet to East end line centerline No. 5, Eastly 300 feet to East end line centerline No. 6, North 300 feet to East end line centerline No. 1, place of beginning located on Middle fork of Crescent Creek, about 500 feet above the Kirkman log cabin which is at the mouth of the West fork of said Crescent Creek. Dated August 2d, 1901.

C. H. Mallory, locator.

M. N. Mallory, witness.

State of Oregon, County of Baker:

I, M. N. Mallory, having first duly sworn on oath do dey, that I am an authorized witness C. H. Mallory, locater of the claim described in the within notice of location of the Brunswick mining claim, of said notice as a full, true and exact copy of the original notice of location filed on said claim. That I did, between the 2d day of August, 1901, and the 10th day of Sept., 1901, perform the discovery work required by the statutes of the State of Oregon on said claim, and running an open and 18-foot long ditch, deep and 4 feet wide, and said work was done on said claim within sixty days from the date of location thereon, and that no other disclosed a body or vein of mineral deposit in place.

M. N. Mallory,

Subscribed and sworn to before me this 13th day of Sept., 1901.

W. W. Fulk,
Notary Public for Oregon.
Notice is hereby given that M. N. Mallory and James Park, citizens of the United States, have the 24th day of July, 1901, discovered and located a vein of mineral bearing rock in place, carrying gold, which vein we have named the "Isadore." That the course of the vein is southerly and westerly, and that we claim 1000 feet west and 1300 feet easterly of the discovery monument on which this notice is posted, and that we claim 300 feet on each side of the center of the vein. That said claim is located in an unorganized mining district, Baker County, Oregon. The discovery monument being placed 1500 feet westerly from the west end line, and is bounded and described as follows:

Commencing at the discovery monument, thence W. 1250 feet to east center line of post No. 1, North 300 feet to N. E. corner post No. 2, southerly 1500 feet to N. W. corner post No. 3, south 300 feet to west center post No. 4; South 300 feet to south west corner post No. 5, easterly 1500 feet to S. E. corner post No. 6, thence north 300 feet to east and center post No. 7, place of beginning. Located on east fork of Conness Creek, about 14 miles above John Unruh's log cabin, which is at mouth of east fork of Conness Creek.

Dated, July 24, 1901.

M. N. Mallory, Locator.
J. E. Kooper, Witness. (X)
James Park, Locator.

State of Oregon
County of Baker

I, M. N. Mallory, being first duly sworn, do depose and say that I and James Park are the locators of the claim described in the within notice of location of the "Isadore" mining claim, and that said notice is full, true, and correct copy of the original notice of location posted on said claim.

That I did, between the 30th day of July, 1901, and the 10th day of Sept., 1901, perform the discovery work required by the statutes of the State of Oregon, on said claim, by running an open cut 13 feet long, 4 feet wide, and 7 feet deep; and said work was done on said claim within sixty days from the date of location thereof, and there was thereby disclosed a lode or vein of mineral deposit in place.

M. N. Mallory.

Subscribed and sworn to before me this 13 day of Sept., 1901.

W. W. Felk

Notarial Seal. Notary Public for Oregon.
Notice is hereby given that A. B. Thayer, citizen of the
United States, has on the 1st day of July, 1901, discovered
and located a vein of mineral-bearing rock on the
mine known as the Nanette. The source of this vein is
Earthly R. West and a point Earthly of this discovery
monument on which this notice is posted and that it contains
thousand feet on each side of the center of the vein.
That said claim is located on a certain mining district
Baker County, Oregon. The discovery monument being
placed 1000 feet Earthly from West end and is bounded and
described as follows, to wit:
Commencing at the discovery monument, thence Earthly 10 ft. to
East end line center stake No. 1, thence 300 ft. 300 ft. 300 ft.
West of said stake No. 3. thence 300 ft. to West end
d and line center stake No. 8. thence 300 ft. to 300 ft. 300 ft.
Earthly 1500 ft. to 1500 ft. 1500 ft. 1500 ft. 1500 ft. 1500 ft.
Game 300 ft. to East end line center, thence 300 ft. to East and
line center stake No. 1, thence Game. Located on the Middle
Bank of Cement Creek, about 2 miles above John Thacker's log
cabin, which is at mouth of East fork of said creek. This is
West extremity of the Thacker party claim. Dated July 31, 1901.
M. N. Maloney, Witness.
A. C. Greenlee, [illegible]
J. P. Stapp, [illegible]

State of Oregon, County of Baker.

M. N. Maloney, being first duly sworn on oath, declare
and say, that I am acquainted with A. B. Thayer, discoverer of
claim described in the present notice of location of the
Nanette claim and that said notice is true and
convincing copy of the original notice of location found on
said claim. That I first, between the 1st day of Aug. 1901, and
the 10th day of Sept. 1901, performed the discovery work
required by the District of the State of Oregon, on said
claim, running an open cut 10 feet long to a point deep 9 feet
wide, and said work was done on said claim within
sixty days from the date of location thereon, and there was
thereby disclosed a body or vein of mineral deposit in
place.

M. N. Maloney.

Subscribed to and sworn to this 13th day of Sept. 1901.
W. W. Thayer.

Known as "Monday Morning" Quary Mining Claim, by H. W. H. Reeves on the 29th day of July 1901, at 9:15 a.m., recording A. W. James, Recorder.

Extent:

W.N.E.1/4 of Sec. 1, T. 34 N., R. 34 E.

Located in east Creek, (no organized district) Baker County, Oregon, July 29, 1901.

Witnessed by:

W. W. Reeves, Locator.

H. W. H. Reeves, after being first duly sworn, deposed and said, that I am the identical person whom the location of Quary Mining Claim known as "Monday Morning" Quary Mining Claim, on July 29, 1901, that I marked on the ground the east center line by stakes at each end and all four corners. All stakes are 5 feet in height set in ground and marked with rocks. I also posted a notice at point of location of which the above is a true and correct copy. That I have made a cut, tunnel or shaft 35 feet in and over 12 feet face, that this cut, tunnel or shaft is 5 feet wide and this discovery was made at that point.

W. W. Reeves.

Subscribed and sworn to before me this 24 day of August, 1901.

Walter M. Pierce.

Notary Public for Oregon.
State of Oregon, County of Baker, this 3d of Flora Will and B. H. Will of Sumpter, County and State aforesaid, each being first duly sworn, say (each for himself) that I am one of the co-owners of the four quarter claims known and recorded as the "Flora" Hardman, "Flora Storm" and "B. H. Will", owned by Flora Hardman, B. H. Will, B. G. Krumm and E. H. Will, said claims being situated on what is known as Camp Creek, about two miles easterly from the Bonanza mine at Biscuit, and in Baker County State of Oregon.

That said co-owners are each and all equally interested in each and all of said four quarter claims, that said claims compose an entire group. That there has been expended over eight hundred dollars worth of labor and improvements upon said claims. The Hardman, "Flora Storm" and B. H. Will, in County and State aforesaid, which said labor was performed and said improvements made upon said claims during and for the year 1900, by said co-owners and their agents, at the expense of said Flora Will, Mamie Hardman, B. L. Krumm and E. H. Will, owners in common of all of said above described quarter claims for the purpose of holding, said claims and working the same in common by mutual agreement. That over four hundred dollars was expended upon said "Hardman and Flora Storm" claims by said co-owners during the year 1900, under and pursuant to said mutual agreement by and between the co-owners. That all four of said claims were owned and held as common property of all of said co-owners equally, and should be so grouped and worked upon improved for the mutual benefit of all of said owners and said claims and said "Hardman" and "Flora Storm" quarter claims were selected and agreed upon by all of said several co-owners in common as the most suitable and advantageous for said expenditures and development as aforesaid, each co-owner owning an undivided one-fourth interest in each and all of said four quarter claims.

Subscribed and sworn to by Flora Will and B. H. Will, before the undersigned Notary Public, this 14th day of September, A.D. 1901.

W. S. Newberry,
Notary Public for Oregon, residing at Sumpter.
Notice is hereby given that the undersigned has located five
acres of non-mineral-bearing ground for milling and building
purposes, to be used for the benefit of the "Man of War" Com-
pany, situated on the headwaters situated on the head-
waters of Snow creek on the south-east slope of the Greenhorn Moun-
tains, County of Baker, and State of Oregon, and more fully de-
scribed as follows:

Commencing at a post marked number one, which is about
100 feet south of the "Man of War" house, thence running in a
northeasterly direction 320 feet to post marked No. two near the
south-west corner of the Annette Quinty Claim; thence, in a north-
westly direction 640 feet to post marked Number three; thence in
a south-westerly direction 320 feet to post marked Number four;
then in a southeasterly direction 640 feet to place of begin-
ning.

This millsite shall be known as the "Man of War."

Notated, Sept. 14, 1901,

Rockefeller Mining Company, Locators,
by G. J. Kelly, Agent.

Notice of Location of Mining Claim.

Notice is hereby given that the undersigned having com-
piled with the requirements of Chapter Six of Title Thirty-two of the
Revised Statutes of the United States, and the local customs, laws
and regulations, has located—situated in No mining dis-
trict, Baker County, Oregon, and described as follows:

Commencing at the east end center stake of the "Baladonia" mine
thence eastly 300 feet to the S.W. corner stake; thence nor-
estly 1,500 feet to the N.E. corner; thence 300 to center stake,
in a W. direction; thence, 1,500 feet S. W. to the S.
Westerly corner to the N.W. corner to the Caledonia mine;
thence, 200 feet E. to the place of beginning; and more
particular described as follows: On the east side of Little
Eagle and about a half mile from the Redwell mine. This
mine shall be known as the Toledo Mine.

July 26, 1901.

Located: C. J. Rader.
State of Oregon

county of Baker

I, A. R. Knott, being first duly sworn, on oath depose and say that I am the locator of the claim described in the within notice of location of the Toldeo County mining claims, and that said notice is a full, true and correct copy of the original notice of location posted on said claim.

That I did, between the 1st day of August, 1901, and the 15th day of August, 1901, perform the discovery work required by the statutes of the State of Oregon on said claim, by running an adit to the shaft of the claim and therein, and said work was done on said claim within sixty days from the date of location thereof, and there was thereby disclosed a body or vein of mineral deposit in place.

A. R. Knott

Subscribed and sworn to before me this 15th day of Sept., 1901

Lor. A. Herbert, J. P.

Commission, District.

Notice is hereby given that J. E. Hugh and S. H. Nicols, citizens of the United States, have discovered a body of rock in place bearing precious metals, and have located the same on the 15th day of August, 1901, in a N.W. direction from the Rattlesnake Hill, and towards the mining claims ofインド and South, and about one mile from said hill, where in the bottom of the gulch is the discovery, and extending in a S.W. direction 50 feet and 100 feet in a N.W. direction, and 300 feet on each side of the lode. The ends of said claim are marked by three posts each end.

Dated on the ground this the 22nd day of July, A.D. 1901.

J. E. Hugh

S. H. Nicols
Notice to jury men that T. J. Stewart and J. F. Perkins, citizens of the United States, have on the 10th day of August, 1901, discovered and located a vein of mineral dressing rock in placer, consisting of precious metal, which vein they have named "West Cabine".

Owen J. Wilson.

That the surface of the vein is North_eastly and South_eastly, and they claim 100 ft. North_eastly and 100 ft. South_eastly of the discovery monument on which the notice is posted and that they claim 200 ft. on each side of the center of the vein. That said claim is located in Cabine Corn mining district, Baker County, Oregon, the discovery monument being placed about 100 feet North_eastly from the old California mill and western side of the divide between Brown Creek and Cool Creek, and is bounded and described as follows, to wit:

Commencing at the discovery monument and stake, thence 130 ft. North_eastly and 130 ft. South_eastly from said monument with lines on east side of said land,

Witnesses

T. J. Perkins

T. J. Stewart

State of Oregon

County of Baker

T. J. Perkins, being duly sworn on oath, says that I am one of the locators of the claim described in the warrant for the location of the West Cabine Corn Vein 10-vein claim, and that said notice is a full, true and correct copy of the original notice of location posted on said claim. That I did between the 1st day of August, 1901, and the 10th day of Sept., 1901, perform the dressing work required by the regulations of the State of Oregon, on said claim, by making an open cut at least six feet deep, four feet wide, and ten feet in length along the line from the point of dressing, which must contain a body or mass of mineral deposit in place and said work was then on said claim within sixty days from the date of locating, and there was diligently screened or broken a truce on vein of mineral deposit.

T. J. Perkins

Notary Public for Oregon.
Notice of Location of Lode Mining Claim

August 5, 1901

Notice is hereby given, that the undersigned, having complied with the requirements of Chapter 6 of Title thirty-two of the Revised Statutes of the United States, on this day located 1,800 linear feet of the lode or vein of granite containing minerals, with surface ground 600 feet in width situated in Riverdale, an organized mining district, Baker and Union counties, State of Oregon, and known as the "Two Forces" County Mining Claim, and more fully described as follows: Commencing at this location notice on lode and tunnel, and running 720 feet northerly to N. B. E. stake; thence 300 feet southeasterly to N. W. S. stake; thence southerly 1,800 feet to E. W. S. stake; thence northerly 300 feet to E. E. S. stake; thence southeasterly 300 feet to S. E. S. stake; thence southerly 1,800 feet to N. E. E. stake; thence southeasterly 300 feet to N. B. E. stake.

This notice on lode, at cut and tunnel, is about one-half mile of Powder river, on the Baker county side, above the Riverdale Mining 50 dam and eating house. There is a two forked pine tree growing here on the side of the lode at this location notice, on cut and tunnel on lode. One north line of stakes is a portion of the northwesterly part of this location claim it crosses Powder river on Union county. The claim 720 feet northerly, and 300 feet southerly along this lode, from this location notice at the pine tree and surface ground 600 feet in width each side of center of lode.

Witness:

Charles F. Hinckley, Sealer.
Wallace B. Hinckley, August 5, 1901.

State of Oregon, County of Baker, M. I., Charles F. Hinckley, being first duly sworn, say that I have fully performed the representation made on the within described granite mining claim, as required by section three of an act of the legislative Assembly of the State of Oregon, approved February 25th, 1901. That said representation was fully performed by running a cut and tunnel tapping the said lode at a depth of one hundred feet below the surface.

Charles F. Hinckley.

Subscribed and sworn to before me this 20th day of September, 1901.

J. R. Davenport, Notary Public for Oregon.
Notice is hereby given, that Frank Bishop, citizen of the United States, have on the 29th day of August, 1901, discovered and located a vein of mineral bearing rock in place carrying gold, silver and copper, which vein I have named the 'Oregon'. That the course of the vein is southeasterly and northwesterly, and that I claim 300 ft. E.E. and 1200 ft. N.W. of the discovery monument, on which this notice is posted, and that I claim 200 feet on each side of this point, on each side of the center of the vein, that the said claim is located in Muddy Creek Mining District, Baker County, Oregon, the discovery monument being placed 100 feet from Muddy Creek and one-half mile from Ford's cabin, and is bounded as follows, to wit:

Commencing at the discovery monument, thence 300 ft. S.E. to center post No. 1; thence 300 feet S.W. to corner post No. 2, thence 1200 feet N.W. to corner post No. 3, thence 300 feet N.N.W. to center post No. 4, thence 300 feet N. to center post No. 5, thence 300 ft. to N.E. corner post No. 6, thence 1200 ft. S.E. to corner post No. 7, thence 300 ft. to center post No. 8, the place of beginning.

Sworn Aug. 29, 1901. Frank Bishop, J. Rector.

State of Oregon. I'd.
County of Baker.

I, Frank Bishop, being first duly sworn, do swear and say, that the discovery monument, which consists of a cross-cut tunnel cutting the lode six feet deep, four feet wide and 12 ft. in length, said lode being located on the within named 'Oregon' Muddy Creek Mining Claim, as required by law.

Frank Bishop.

Subscribed and sworn to before me this the 22nd day of Sept., 1901.

[Seal]

Notary Public for Oregon.
Notice is hereby given that the undersigned, in compliance with the requirements of the Revised Statutes of the United States, have this day located and claim 1500 (hundred) linear feet along the course of this lead, bothpreview, of mineral-bearing quartz, and 500 feet in width on each side of the middle of said lead, bothpreview, with all mineral deposits contained therein, and all timber growing within the limits of said claim and all water and water privileges thereon or affecting the same, situate in the "Rock Creek" Mining District, County of Baker, Oregon, and more particularly described as follows, to wit:

Commencing at discovery of bearing and running 750 feet west one south-westerly direction from notice; this notice is posted at mid-insertion; being about one-half the distance from the lake at the head of Rock Creek, to the summit between said lake and Rock Creek, the south to said summit is over what is known as the "Rocky trail," this claim joins on to the "Fairview" at the south-west end of this claim, and shall be known as the "Fairview No. 1" Mine.

Located: August 27th, 1901.

C. W. Hall.

State of Oregon} SS.

County of Baker.

J. J. O. Bailey, being first duly sworn, deposes and says that an open cut four feet wide and six feet deep and ten feet long has hitherto been run on the within named "Fairview No. 1," quartz lode, as required by law.

Dated this 24th day of September, 1901.

J. J. Bailey.

Subscribed and sworn to before me this 24th day of Sept., 1901.

James Schult.

Notary Public for Oregon.
Notice of Location of Quarts Claim.

Notice is hereby given, that the undersigned citizen of the United States, now the age of 21 years, has this day located 1500 lines of this run or lode, with surface ground 300 feet wide on each side of said run.

This claim shall be known as La Flora Quartz Claim and extends from this notice at the discovery shaft or tunnel, 1400 feet westerly to the east end center stake and fifty feet westerly to the west end center stake, and is bounded on the north by Hob Goblin Claim, on the west by Randy Claim, and on the south by Minnehaha Claim, all unpatented. It is staked at each of the four corners and at the center of each end and is located on the east side of the east fence of Horse Creek in Baker County, Oregon, no organized mining district.

Located and staked on the ground this 30th day of July, 1901.

Witness: Chas. M. Pierce. Walter McPierce, Locator.

State of Oregon, this 30th day of July, 1901, in the Umatilla District.

I, Walter M. Pierce, after being first duly sworn, do deposes, that I posted a notice of location at the discovery point on said claim; that a copy of said notice is made a part of this affidavit. That I excavated a tunnel or cross-cut on the lode at a depth of more than ten feet in length, along the lode from the point where the same was discovered, that all of the corners were marked on the ground by stakes set in the ground end around of rocks over four feet in length and all correctly marked, that the two center end stakes were correctly set and marked on the ground on said claim.

That all of the work has been done, marking and staking of the claim, prior to this date.

Walter M. Pierce.

Subscribed and sworn to before me this 3rd day of December, 1901.

Notary Seal attached.

A. D. Stellman.

Notary Public for Oregon.
Notice is hereby given that the undersigned, a citizen of the United States over the age of twenty-one years, has this day located 1800 linear feet of this vein, ledge or lode, with surface ground 300 feet wide on each side of said vein.

This claim shall be known as the Tuesday Noon Quartz Claim; and extends from the discovery cut, tunnel, 1800 feet westerly to the west end center stake; the discovery point being at the east end center stake of this claim.

It is staked at each of the four corners and at the center of each end and is located on the west side of the east fork of Row Creek in Baker County, no organized mining district, Oregon.

Located and staked on the ground this 9th day of August 1901.

To itnes:

James A. Howard,
Localer.

State of Oregon.

Umatilla County.

I, Walter M. Pierce, after being first duly sworn, do deprecate and say, that I am the locator of "Tuesday Noon Quartz Claim" as I posted a notice of location at the discovery point on said claim, that a copy of said notice is made part of this affidavit.

That I executed a tunnel, or mine cut, on the lode at a depth of more than ten feet and more than four feet wide, and more than ten feet in length, along the lode from the point where the same were discovered; that all of the corners were marked on the ground by stakes set in ground and covered with rocks over four feet in length and all correctly marked; that the two center and stakes were correctly set and marked on the ground on said claim.

That all of the work has been done, marking and staking of the claim prior to this date.

Walter M. Pierce.

Subscribed and sworn to before me this 23rd day of September, 1901.

A. D. Hiltz
Notary Public for Oregon.
Notice is hereby given that the undersigned, citizens of the United States, over the age of 21 years, has this day located 1600 linear feet of this vein, ledge or lode, with surface ground 300 feet wide on either side of said vein.

This claim shall be known as the Minnehaha Quartz Mining Claim, and extends from this notice at the discovery shaft or tunnel which is also at the west and center stake of this claim 1800 feet in an easterly direction to the east end center.

This claim is staked as each of the four corners and at each center of each end and is located on the east side of the road feet of Rose Creek in Baker County, Oregon, no organized mining district.

Located and staked on the ground this ninth day of August, 1901.

State of Oregon.

In the County of) I s.

James A. Howard, after being first duly sworn, do depose and say that I am the locator of Minnehaha Quartz Claim; that I posted a notice of location at the discovery point on said claim; that a copy of said notice is under part of this affidavit.

That I excavated a tunnel or cross-cut on the lode at a depth of more than ten feet and more than four feet wide and more than ten feet in length, along the lode from the point where the same was discovered; that all of the corners were marked on the ground by stakes set in the ground, and mound of rocks, over four feet in length and all correctly marked; that the two center end stakes were correctly set and marked on the ground on said claim.

That all of the work has been done, marking the location of the claim, prior to this date.

James A. Howard.

Subscribed and sworn to before me this 23rd day of Sept., 1901.

Walter M. Pierce.

Notary Public for Oregon.
"Dandy".

Notice is hereby given that the undersigned, a citizen of the United States, over the age of twenty-one years, has this day located 1500 linear feet of the vein, lode or ledge, with surface ground 600 feet wide, being 300 feet on each side of said vein.

This claim shall be known as the "Dandy" Quartz Claim, and extends from this notice at the discovery shaft 1450 feet easterly to the east end center stave and 600 feet westerly to the west end center stave and is staked on the ground at each of the four corners and each center of each stave, the same being 600 feet wide and 1500 feet long. The north side of the claim is identical with the south side line of the Tuesday Morning Quartz Claim and is situated on the west side of the east fork of Clear creek in Baker County, Oregon, no organized mining district.

Located and staked on the ground this 13th day of August, 1901.

Walter M. Pierce.

Benton County

On this 7th day of August, 1901, after being first duly sworn, to deposes and says, that I am the locator of Wood Nymph County Mining Claim that I posted a Notice of location at the discovery point on said claim, that a copy of said notice is made a part of this affidavit.

That I excavated a tunnel or crosscut on the body at a depth of more than ten feet and more than four feet wide and more than ten feet in length along the body from the point where the same was discovered; that all of the corners were marked on the ground by stakes set in ground and mound of rocks over four feet in length and all correctly marked; that the two center end stakes were correctly set and marked on the ground on said claim.

That all of the work has been done, marking and staking of claim, prior to this date.

Walter M. Pierce.

I subscribe and swear before me this 7th day of September, 1901.

A. D. Stillman.

Notary Public for Oregon.
Notice is hereby given to all whom it may concern, that the
undertaken, a citizen of the U.S. over the age of 21 years,
having complied with the requirements of chapter 62 of Title
Thirty-two, Revised Statutes of the U.S. hereby locates and
does claim fifteen hundred linear feet on the vein or lode,
or rock in place, bearing gold, with surface ground one hun-
dred feet in width, lying three hundred feet on each side of
said vein or lode, situated in no organized mining district,
Baker county, Oregon, on the ridge between Snow Creek
and California Butte, and on the S.E. end of and adjoining
the Brown Bear quartz mining claim.
This claim shall be known as the Black Bear Quartz Mining
Claim, and is more particularly described and bounded as
follows:
Commencing at discovery shaft, where the notice is posted
and running thence 300 feet N.E. to N.E. cor. stake; thence 1500
S.E. to S.E. cor. stake; thence 300 feet S.W. to the S.W. cor. stake;
Thence, continuing 300 ft. to S.W. cor. stake; thence 1500 ft.
N.W. to the N.W. cor. stake; thence 300 ft. N.E. to the place of
beginning.
I intend to hold and work this claim according to the
mining laws of the U.S. and the State of Oregon.
Located this twenty-third day of Sept., 1901.
Notice is hereby given to all whom it may concern that the undersigned, a citizen of the U.S., over the age of 21 years, having complied with the requirements of Chapter 118 of Title Thirty-two Revised Statutes of the U.S., hereby locates and does claim fifteen hundred linear feet on the vein or lode, or rock in place, bearing gold, with surface ground six hundred feet in width, lying three hundred feet on each side of said vein or lode, situated in the organized mining district, Baker County, Oregon, on the ridge between Brune Creek and California Gulch, adjoining on the N.W. the Zelda Queen Mining Claim.

This claim shall be known as the Brown Bear Queen Mining Claim and is more particularly described and bounded as follows:

Beginning at discovery shaft, where this notice is located and running thence 300 feet N.E. to the S.E. corner stake; thence 1500 feet N.W. to the N.E. corner stake; thence 300 feet S.W. to the N.W. corner and stake; thence, continuing 300 feet to the N.W. corner stake; thence 1500 feet S.E. to the S.W. corner stake; thence 300 feet W.N.E. to the place of beginning.

I intend to hold and work said claim according to the mining laws of the U.S. and the State of Oregon.

Located this 23rd day of Sept., 1901.

Notice is hereby given that F.W. Bishops, Chas. W. Bishops, and
J.W. Bishops, citizens of the United States, have on this 25th day
of June, 1901, discovered and located a vein of mineral bearing
rock in place carrying gold, silver, &c., which vein we have
named "Ontario." That the course of the vein is east and west
and that we claim five hundred ft. east and one thousand ft. west
of the discovery monument on which this notice is posted and that
we claim three hundred feet on either side of the center of the vein.
That the said claim is located in the "Winton" Mining District, Bar-
ner County, Oregon, the discovery monument being placed 500 feet
west from the east end center stone, and is bounded and described
as follows, to-wit:

Commencing at the discovery monument, thence 500 ft. E. to the
east end center stone; thence 300 ft. S. to the south east corner
stone; thence 1500 ft. W. to south west corner stone; thence 300 ft. N. to
north west corner stone; thence 300 ft. N. 15° North west corner stone; thence 1500 ft. E. 15°
north-east corner stone; thence 300 ft. S. to east end center stone; thence
500 ft. W. 15° place of beginning.

Dated 25th June, 1901.

J. James,

Reconer.

Notice is hereby given that Eugene H. Bartholf, a citizen of the United States, has on this 28 day of Aug. 1901, discovered and located a vein of mineral bearing rock in place, carrying gold which vein I have named the Sunset quartz claim. That the course of this vein is N. Easterly and S. Easterly and that I claim 1500 feet N. Easterly of the discovery monument on which this notice is posted, and that I claim three hundred feet on each side of the center of the vein.

That said claim is located in no organized mining district, in Grant County, Oregon, the discovery monument being placed N. E. center and line, from and is bounded and described as follows, to wit:

Commencing at the discovery monument, thence 300 feet N. Easterly to S. Easterly, thence 1500 feet S. Easterly to S. Easterly, thence 300 feet N. Easterly to N. Easterly, thence 1500 feet S. Easterly to N. Easterly, thence 300 feet N. Easterly to N. Easterly, thence 300 feet S. Easterly, thence 300 feet N. Easterly to N. Easterly, and is the extension of the "Pile Edge" quartz claim.

State of Oregon.

County of Baker.

J. S.

E. H. Bartholf, being first duly sworn, on oath deposes and says, that I am one of the locators of the claim described in the within notice of the "Sunset" Quartz Mining Claim, and that said notice is a full, true, and correct copy of the original notice of location posted on said claim. That I did, between the 28th day of August, 1901, and the 30th day of September, 1901, perform the discovery work required by the statutes of the State of Oregon, on said claim, by making an open cut at least six feet deep, four feet wide, and ten feet in length, along the ledge from the point of discovery, which shows a body or vein of mineral deposit in place and said work was done on said claim within sixty days from the date of location thereof, and that I was thereby disclosed a body or vein of mineral deposit in place.

E. H. Bartholf.

Subscribed and sworn to before me this 23rd day of Sept. 1901.

Notary Public for Oregon.

C. H. McColloch.
Motel is hereby given. That A. L. Williams, a citizen of the United States, has on the fifth day of August, 1901, discovered and located a vein of mineral bearing rock in place, carrying gold which vein I have named The Hill Edge Quarry Claim.

That the course of the vein is N. Easterly and S. Westerly, and that I claim 1,800 feet north and south of the discovery monument on which this notice is posted, and that I claim three hundred feet on each side of the center of the vein. That said vein is located in an organized mining district, Grant County, Oregon, the discovery monument being placed at S.W. corner and line from and is bounded and described as follows:

Commencing at the discovery monument, thence three hundred feet N. Westerly to N.W. corner, thence 1,800 feet N. Easterly to N.E. corner, thence 300 feet S. Easterly to N.E. corner and line, thence 300 feet S. Easterly to S.E. corner, thence 1,800 feet S. Westerly to S.W. corner, thence 300 feet N. Westerly to S.W. corner and line, in place of beginning.

Said claim is located on Snake Creek Bridge of the divide between Cable Creek and Lake Creek and adjoins the Brown River property.

Resd. -- 1901

E. H. Bartholf,

State of Oregon

County of Pierce

F. C. E. Bartholf, being first duly sworn on oath, do say, that I am one of the locators of the claims described in the notice of location of the "Hill Edge" Quickey mining claim, and that said notice is a full, true and correct copy of the original notice of location posted on said claim. That I did, between the 5th day of Aug. 1901, and the 23rd day of Sept. 1901, perform the discovery work required by the statutes of the State of Oregon, on said claim, by running a discovery shaft upon the claim located to a depth of at least one thousand feet from the lowest point of the rim of such shaft at the surface, which shows a body or vein of mineral deposit in place; and said work was done on said claim within sixty days from the date of location thereof, and there were thereby disclosed a body or vein of mineral deposit in place.

E. H. Bartholf,

Notice is hereby given, that H. L. Williams, a citizen of the United States, has on the 15th day of August, 1901, discovered and located a vein of mineral bearing rock in placer, carrying gold, which vein I have named the "Portland" Quartz Claim. That the course of this vein is N. Easterly and S. Westerly, and that I claim 500 feet N. Easterly and 1,000 feet S. Westerly of the discovery monument on which this notice is posted, and that I claim three hundred feet on each side of the center of the vein. That said claim is located in the unorganized mining district, Grant County, Oregon. The discovery monument being placed 500 feet S. Westerly from N. East center and line, and is bounded and described as follows, to wit:

Commencing at the discovery monument, there 500 ft. N. Easterly to N. E. center and line; thence 200 ft. S. Easterly to E. center, thence 1,800 ft. S. Westerly to S. W. center and line; thence 200 ft. N. Easterly to E. center and line; thence 300 ft. S. Easterly to E. center, thence 1,800 ft. N. Easterly to N. W. corner; thence 200 ft. S. Easterly to N. W. center and line; thence 500 ft. S. Westerly to location monument. This claim is located on the divide between Horse Lake and Big Lumber Creek, and is about 1,000 feet south from the Elephant Mires.

Dated, Aug. 5th, 1901.

H. L. Williams, Location.

State of Oregon

E. H. Bartholf, Notary Public.

I, E. H. Bartholf, being first duly sworn, on oath depose and say, that I am one of the locators of the claim described in the aforesaid notice of location of the "Portland" Quartz Mining Claim, and that said notice is a full, true and correct copy of the original notice of location posted on said claim. That I did between the 15th day of August, 1901, and the 23rd day of September, 1901, form the discovery and required by the statutes of the State of Oregon, on said claim, by measuring an open cut of least sixteen feet deep, six feet wide, and 10 feet in length along the body from the front of discovery, which comply with provisions of mineral location, and have caused to be placed a copy of this record in said cut, where it can be seen by all who have any interest in said discovery.

E. H. Bartholf

Subscribed and sworn to before me, the 23rd day of Sept., 1901.

Notary Public

Notary Public for Oregon.
Notice is hereby given that J. W. Dunsworth, native born citizen of the United States, have on this first day of August, 1901, discovered he located a vein of mineral bearing rock in place, carrying gold, silver or other metals which vein I have named the Black Pine Fraction. That the source of this vein is easterly and westerly, and that the claim extends nine hundred (900) feet westerly and six hundred (600) feet easterly of the discovery monument on which this notice is posted, and that this claim extends 100 feet on each side of the vein. That said claim is located in no organized mining district, Baker County, Oregon, the discovery monument being placed about 175 feet easterly from the east center and post of the Pacific Claim, and is bounded and described as follows:

Commencing at the discovery monument, thence westerly 900 feet to the west center end post, thence southerly 100 ft., more or less, to the S.W. corner post on the south line of the Black Hawk Claim; thence easterly tracing the north line of the Black Hawk and Lucky Boy Claim 1500 ft. to the S.E. corner post, thence northerly 100 ft., more or less, to the N.E. corner post on the north line of the "Black Fox" Claim; thence westerly tracing the south line of the "Colfax" and "Lucky Boy" claims to the N.W. corner post, thence southerly 100 ft., more or less, to the west center end post.

Baked, August 1, 1901.

J. W. Dunsworth, Esq.

State of Oregon.
County of Baker.

I., J. W. Bolland, do solemnly swear that I am a citizen of the United States of America; that I am acquainted with the party claims described in the within notice of location called the Black Pine Fraction quartz claim; that the location of said claim has prior to the date of this affidavit and since the date of posting of the location notice; thence, since a shaft ten feet in depth from the lowest part of the cellar thereof, or excavated to a bed or covered by timber which cut the lode at a depth of ten feet, or has excavated an opening six feet deep, four feet wide and ten feet in length along the lode.

J. W. Bolland.

Subscribed to and sworn to before me the 21st day of Sept., 1901.

L. J. Foster.
Notary Public for Oregon.
Notice is hereby given, that the undersigned locator, a citizen of the United States over the age of twenty-one years, on the 21st day of August, 1901, discovered a vein of mineral bearing rock in place carrying gold, copper, silver and other valuable minerals, deposits within the limits of the claim hereby located, and has this 21st day of September, 1901, under and in accordance with the revenue laws of the United States located 1500 feet of this vein or lode in length, with surface ground 300 feet, hundred linear feet in width on each side of the middle of said lode or vein, situated in — mining district, 1/2 mile N.E. of the town of Huntington on the Oregon; leased by Huntington wagon road, in the county of Baker and State of Oregon, known as the "Blue Bird Mining Claim," and extending 1500 feet of hundred feet N.E. and (1,000) one thousand feet S.W. to and from the discovery monument on which this notice is posted; that the general course of strike of said vein or lode is from N.E. to S.W. and is parallel with and about 500 feet N.W. of the railroad grade, and extends from N.E. to S.W. at about 45 degrees angle with intake river and parallel with the face of the mountain.

The exterior boundaries of this claim are distinctly marked on the surface by permanent monuments and natural objects as follows to-wit:

Commencing at the south end of the N.E. one tunnel on the Northwestern Railroad grade, about 1/2 miles N.E. of the town of Huntington, in said county and State and running thence about 1,000 feet in a westerly direction to the discovery monument of this claim on which this notice is posted and commencing at the old shaft and running thence about 750 feet in a southerly direction to the said discovery monument of this claim.

Commencing at the said discovery monument on which this notice is posted and running thence 500 feet N.E. to the center of the N.E. end line to a mound of rock, the same being the mound of rock representing the center of the N.E. end line of this claim; thence running 500 feet S.W. to the N. corner to a mound of rock, the same being the mound of rock representing the N. corner of this claim; thence running 1,500 feet S.W. to S.W. corner to a mound of rock, the same being the mound of rock representing the S.W. corner of this claim; thence running 2,000 feet S.E. to the S.E. corner to a mound of rock, the same being the mound of rock representing the S.E. corner of this claim.
Of the S.W. end line to a mound of rocks, the same being the mound of rocks representing the center of the S.W. end line of this claim, then running 300 feet S.W. to the E. corner to a mound of rocks, the same being the mound of rocks representing the E. corner of this claim, then running 1500 feet N.E. to E. corner to a mound of rocks, the same being the mound of rocks representing the E. corner of this claim, then running 300 feet N.W. to the center of the N.E. end line again to a mound of rocks, the same being the mound of rocks representing the center of the N.E. end line of this claim and to bounding and including this claim by surface lines, the opposite being paralleled to each other.

This I attained to hence and was said above described claim, as provided by the mining statutes and laws of the United States and the State of Oregon, and the regulations and existence of miners mining conflict therewith.

Discovered on the ground August 8, 1901.
Located September 26, 1901.
Recorded October 5, 1901.
Rated September 26, 1901.
Appended: Joseph L. Hungerford, locator.

Affidavit

State of Oregon, ss.: I, Joseph L. Hungerford, being first duly sworn, do say that I am the locator and discoverer of the claim named "Blue Blue Ridge Mining Claim," and described in the deposit of the location notice hereto attached, that I am a citizen of the United States over the age of twenty-one years; that on the 26th day of September, 1901, and before recording said location notice hereto attached, I duly posted a notice of discovery and location, a true copy of which is hereto attached, upon the claim described in said notice of discovery and location; that I have sunk a discovery shaft upon said claim located to a depth of at least five feet from the bottom part of the rim of such shaft at the surface, and that such work above a bore or vein of valuable mineral deposit in place.

Joseph L. Hungerford, locator.

Subscribed and sworn to before me this 28th day of September, 1901.

[Notary Public]

Notary Public for Oregon.
Notice is hereby given that the undersigned, having complied with the requirements of Sec. 2324 of the Revised Statutes of the United States, and the local laws, customs and regulations of the district, has located 1500 feet in length by 200 feet in width on this the "Tip Top" lode, vein or deposit, bearing gold, silver and other precious metals, situated in an organized mining district, Baker County, State of Oregon, the location being marked and described on the ground as follows:

Commencing at the discovery point at this notice; thence northerly 750 ft. to center and stake No. 1; thence 300 feet westerly to stake No. 2; thence 1500 ft. southerly to stake No. 3; thence 300 feet easterly to south center and stake No. 4; thence 300 ft. easterly to stake No. 5; thence 1500 foot southerly to stake No. 6; thence 300 feet westerly to stake No. 1. This claim is situated on the south side of Mill Creek, crossing the Labour ditch west from the Mill Creek washout, which is about 2 miles from Baker's town of Mill City, in and about 13 miles north from Baker City, Oregon.

The mining claim described above being known as the "Tip Top." Located on the 4th day of August, 1901.

Witness: Leopold Eich, William E. Leisch

State of Oregon, County of Baker, S.D.

I, William E. Leisch, being first duly sworn, do hereby say that a tunnel four feet wide, six feet high and ten feet length has herefore been run on the within named "Tip Top" quartz lode or vein between the 4th day of August and the 15th day of October, 1901, as required by law.

William E. Leisch

Subscribed and sworn to before me this 1st day of Oct., 1901.

Notary Public for Oregon
To Whom it may concern: Notice is hereby given, that Mr. Sarah Hall, citizens of the United States of America, claiming to the mining laws thereof, and of the State of Oregon, and the local rules, regulations and customs of miners, has located and by this notice does locate a claim known as the 'Morning Star' lode or mining claim, said claim being discovered the 14th day of September, 1901, and does claim 1500 hundred linear feet on the lead, lode, or vein bearing mineral in place, by 500 hundred feet in width, the same being 300 hundred feet on each side of the center thereof, together with all dikes, spaces and angles, and all other veins or lodes, the top surface of which lie within said boundaries.

Situate in North Powder Mining District, County of Baker, State of Oregon, said location being described and marked on the ground as follows: to-wit: From this notice stake 500 feet easterly and 700 feet westerly with surface ground 600 ft. in width. Assessment work done 150 ft. from north sideline, and I intend to hold and work said claim in accordance with the local customs and rules of miners and mining laws of the United States and of the State of Oregon.

Dated on the ground the 11th day of September, 1901.

[Signature]

Witnes: Albert Low. Name of Locator: Mrs. Sarah Hall.

State of Oregon, County of Baker: 1, s.

I, A. Low for Mrs. Sarah Hall, do solemnly swear that I am a citizen of the United States of America, and that I am acquainted with the mining ground described in this Notice of Location, and have called the Morning Star ledge, lode or claim, that the ground and claim herein described as any part thereof has not, to the best of my knowledge and belief, been located according to the laws of the United States and of this State, or if so located, that the same has been abandoned or forfeited by reason of the failure of such former locator to comply in respect thereof with the requirements of said laws, and (in the case of priority claims) that I have opened new ground to settle in depth of ten feet as required by the laws of Oregon.

Subscribed and sworn to before me this 11th day of September, 1901.

Notarial seal attached. Notary Public for Oregon.
Notice is hereby given that the undersigned, a citizen of the United States over the age of twenty-one years, has this day, under and in accordance with the laws of the United States and of the State of Oregon, located and does claim 1500 ft. of this lead, lode and vein, the course and strike of which is north westerly and south easterly, of mineral bearing rock in place, with surface ground 300 feet north of side of said lead, lode and vein, extending 100 feet southerly to the center and stake and 1400 feet northerly to center and stake from this notice at the discovery or prospect shaft, which is about 100 feet from the west line of the Situquay Mining Claim, and about 500 feet northerly from Simler Creek at its nearest point, the boundaries thereof being distinctly marked on the ground with reference to natural objects and permanent monuments and more particularly described as follows, to-wit:

Beginning at southeast corner post, about 100 feet northerly from the south west corner of the Situquay patented quartz mining claim, running 1500 feet northerly to the north west center post; thence westerly 200 feet to the south center post; thence 300 feet westerly to the north west center post; thence southerly 1500 feet to the south west corner post; thence easterly 300 feet to the south center post; thence easterly 300 feet to the place of beginning, situated on the head waters of Simler Creek in Baker County, Oregon.

The name of this claim shall be the "Situquay" Quartz Mining Claim, and is a relocation and amended location of the "Monarch" Quartz Claim. And I intend to hold and work the same according to law.

Dated on the ground this 25th day of August, 1901.

State of Oregon

W. J. Meyers & J. A. Lynch, Notary Public.

W. J. Meyers, being first duly sworn, say: That I am one of the locators of the within mentioned "Situquay" Quartz Claim, that I subsequently present the Notice of Location thereof, and prior to the 25th, 1901, and caused to be done on the lead, lode and vein of mineral bearing rock in place within said claim a tunnel which cut the lode and vein to a depth of at least eighteen feet, and did show, by such work, a lead to the auriferous mineral bearing rock in place, as required by the laws of the State of Oregon.

Dated this 1st day of Aug, 1901.

W. J. Meyers.

Subscribed and sworn to before me this 1st day of Aug, 1901.

Notary Public for Oregon.
Notice is hereby given that the undersigned, having complied with the requirements of Chapter Six of Title Thirty-two of the Revised Statutes of the United States, and the local customs, laws and regulations, have located 1500 linear feet on the Silver Queen lot, situated in the mining district, Beaver County, State of Oregon, and described as follows:

Commencing at this notice and running 750 feet in a westerly direction to west center and stake, and 750 feet in an easterly direction to east center and stake, with 100 feet of surface ground, 200 on each side of center line, situated on west Alder Creek, one mile from summit and joins the Milwaukee mine on the east.

Witness: H. Wadman.

John Howard, Locator.

Located this 22 day of Aug., 1901.

State of Oregon.

County of Beaver.

I, John Howard, being first duly sworn depon and say that an open cut four feet wide, six feet deep and ten feet in length, has heretofore been run on the within named Silver Queen Quartz lot on or near as required by law.

Dated this 2nd day of October, 1901.

John Howard.

Subscribed and sworn to before me this 2nd day of October, 1901.

James Chitt, J.P.

Notary Public for Oregon.
Notice of Priority Mining location, made on the lode or vein named 'Gloria Mundi No. 5', by George A. Chapman, a citizen of the United States, who, having complied with the requirements of the revised statutes of the United States and local customs and regulations, did discover and locate on the 5th day of September, 1901, 1800 linear feet along said lode or vein of mineral-bearing rock in place of gold and silver, by 300 feet in width on each side of the center of said lode or vein, together with all dips, angles, and spurs and all local or veins having a top or apex within three miles.

The location boundaries are described as commencing at the discovery point and running 1500 feet in an easterly direction along the vein to the east center and line and staking. The general trend of course of said vein is being easterly and westerly. The exterior boundaries are described as commencing at the west center and staking and run 300 feet northerly to N.E. corner stake, thence 1500 feet easterly in line parallel with center of vein to N.W. corner stake, thence 300 feet southerly to east center and stake, thence 300 feet easterly to S.W. corner stake, thence 1500 feet westerly in line parallel with center of vein to W.N.W. corner stake, thence 300 feet northerly to west center and stake and place of beginning. Said location being in the Sparta mining district, Baker County, State of Oregon, and particularly described as being on the ridge lying south of Rattlesnake gulch and running parallel with it and southerly from the sheep camp and joining the Gloria Mundi No. 5 on the west end line of the same, said sheep camp being situated at the road crossing said gulch, leading to Eagle creek and Forshey's ranch.

Located Sept. 5th, 1901.

Geo. A. Chapman.
Notice of quartz mining location, made on this 30th day of September, 1901, 1,000 linear feet along said line of strike of mineral bearing rock in place of gold and silver, by 500 feet in width on each side of the center of said line of strike, together with all dips, angles and spurs to all bodies or veins having a top or spit within those lines. The location boundaries are described as commencing at the east corner and discovery staked and running 1,000 feet in a westerly direction along the vein to the west corner and line and staked, the general trend or course of said vein being easterly and westerly. The exterior boundaries are described as commencing at the west corner and stake and running 200 feet northerly to N.W. corner stake; thence 1,000 ft. easterly in line parallel with center of vein to N.E. corner stake; thence 200 feet southerly to east center end stake; thence 200 feet southerly to S.E. corner stake; thence 1,000 ft. westerly in line parallel with center of vein to S.W. corner stake; thence 200 feet northerly to west center end stake 2nd place of beginning. Said location being in Sparta Mining District, Baker County, State of Oregon, and particularly described as lying on the south slope of the hill lying south of Rattlesnake Gulch and running parallel with the same, and south of and joining the south side lines of the Glora Mundi No. 1, and south from the Sheep camp on Rattle Snake Gulch, which is situated at the road crossing of the said gulch leading to Eagle Creek and Forshey's ranch and also east from lower end of Saw Mill Gulch.

Located Sept. 25th, 1901.

William H. Libby
Notice of Quarry Mining location, made on this date on Oct. 3, 1901, at 8 A.M.
by George B. Hafeman, citizen of the United States, who, having complied with the requirements of the Revised Statutes of the United States and local law, customs and regulations, did discover and locate on the 5th day of September, 1901, 1,800 linear feet along said lode or vein of mineral bearing rock in place of gold and silver, by 200 feet in width on each side of the center of said lode or vein, together with all slips, angles, and spurs and all lodes or veins having a top or apex within those lines.

The location boundaries are described as commencing at the discovery stake and running 1,800 feet in an easterly direction along the vein to the east center and stake, the general trend or course of said vein being easterly and westerly. The exterior boundaries are described as commencing at the west center and stake and run 200 feet northerly to NW corner stake, thence 1,800 feet easterly in line parallel with the center of vein to NE corner stake, thence 200 feet southerly to east center and stake, thence 200 feet southerly to SE corner stake, thence 1,800 feet westerly in line parallel with center of vein to SW corner stake, thence 200 feet northerly to west center and stake and place of beginning. Said location being in Apache Mining District, Apache County, State of Arizona, and particularly described as being on the south slope of hill lying south of and running parallel with Rattlesnake Gulch, and the north side lines joining the south side lines of the Gloria Mundi No. 5, and the west center and line joining the east center line of the Gloria Mundi No. 7, and between the two roads leading to Eagle creek, Lillian White, and the runner and Forshey’s ranch, also east from lower end of saw mill Gulch.

Located September 5th, 1901. George B. Hafeman
To Whom it may concern: Notice is hereby given that Late Loy, Chris Chriostheerson, citizens of the United States of America, have formed to the mining laws thereof, and of the State of Oregon, by the local rules, regulations and customs of miners, have located and by this notice to locate claim known as the Mt. Lion lode or mining claim called claim being discovered the 24th of August, 1901, and do claim 1500 linear feet on the lead, lode or vein having mineral in place by booms in width, the same being 300 feet on each side of the center thereof joined with all dips, slopes and angles, and all other veins or lodes the top or apex of which lies within said boundaries. Situate in North Powder Mining District, County of Baker, State of Oregon, said location being described and marked on the ground as follows, to-wit:

Joining the Gold Brown on the east, and thence westerly 1500 feet by 300 feet on each side vein, at the head of North Powder about 4 miles from Brown.

And we intend to hold and work said claim in accordance with the local customs and rules of miners and the mining laws of the United States and of the State of Oregon.

Held on the ground the 24th day of Aug. 1901.

Name of Locators: Late Loy.

Located, Aug. 24, 1901.

State of Oregon.

County of Baker.

I, Chris Chriostheerson, do solemnly swear that I am a citizen of the United States of America, and that I am acquainted with the mining ground described in this Notice of Location and here with called the lode or claim, that the ground and claim therein described, or any part thereof has not, to the best of my knowledge and belief, been located according to the laws of the United States and of this State, or is so located that the same has been abandoned or forfeited by reason of failure of such former locator to comply in respect thereto with the requirements of said laws, and (in case of quarter claims) that I have opened new ground to the extent of ten feet as required by the laws of Oregon.

Subscribed and sworn to before me this 2nd day of September, 1901.

I. Mear.
Notary Public for Oregon.
Notice is hereby given, that the undersigned, a citizen of the United States of the age of twenty-one years, has this day located five acres of ground for the use and purposes of a quartz mill site, to be known as the "Phoenix Mill Site," and described as follows:

Commencing at a stake or post which stands to feet 8.62° east from the S.E. corner and post of the ancient Quaker claim; Thence 8.62° West 446.00 feet to post; Thence 4.62° South 446.00 feet to post; Thence 8.39° East 446.00 feet to post; Thence N. 8.39° West 446.00 feet to place of beginning, situated on N.E. 8th of section 10 in township 10, S.R. 35. Each W.M., in Baker County, Oregon.

Dated 23rd day of Dec., 1901.

Witness: Albert Heise.

D. L. Schoett, Recorder.

Proof of Labor

State of Oregon

Filed for County of Baker.

Recorded before me the subscriber personally appeared John W. James, of the owners of each of the "Santafé," etc., and certify that said quartz mining claims who bring duly sworn evidence that at least one hundred dollars' worth of labor was spent upon each of the following mining claims: The "Santa Maria" as the same appears of record in the office of the County Clerk of Baker County, State of Oregon in Vol. M at page 337, of quartz mining locations. The "San José" as the same appears of record in the office of the County Clerk of Baker County, State of Oregon in Vol. M, page 388, which said claims are situated in Auburn mining district, Baker County, State of Oregon, during the year ending December 31, 1901.

Such expenditures were made by or at the expense of William Bowden, John C. Bowden and James H. Bowden, owners of said claim, for the purpose of developing said claims.

Dated and sworn to before me this 17th day of Oct., 1901.

I, George W. Burton, being first duly sworn, say that at all times hereafter mentioned I was a citizen of the United States over 21 years of age, and am now a citizen of the United States over 21 years of age. I have the age of twenty-one years, and am a minor by reason of my occupation, and know the value of mining labor and material. I am of personal knowledge and belief and under my supervision and between the first day of September, 1901, and the 5th day of October, 1901, there was labor performed on what is known hereinafter referred to as the Bagasse and Gangotte No. 2.

I have mining claims of at least the value of one hundred dollars for each claim. That such work was so performed on each claim separately, and was performed for the use and benefit of each claim, and that such work was assessment work under the meaning of the Revised Statutes of the United States. Each being situated on Farmhom gulch, in Baker County, Oregon.

I, George W. Bosman, being duly sworn,
swear that at all times hereinafter alleged I was and am now
a citizen of the United States and of the State of Oregon.

I am over the age of twenty-one years; that I am a miner
by occupation; that to my personal knowledge on and
between the first day of October, 1900, and the 30th
day of December, 1900, there was work and labor
performed upon and for the use and benefit of
what is known, located and recorded as the snow
storm quartz mining claim, the Chilcoot quartz
mining claim, the Alpes quartz mining claim, and the value of at least Three Hundred Dollars. That
such work was performed upon the Chilcoot claim
and was so performed for the use and benefit of
all three of said claims. That between and during the
above date to my personal knowledge there was work and labor
performed upon what is known as the snow quartz
mining claim of the value of at least one hundred
dollars. All of said claims lying and being situa
ted adjoining the Chlorides property on Black
Creek, County of Baker, and State of Oregon.

Homewood, District
Notice is hereby given that we, Mr. Jenny Lee, J.B. Hilleary, of Baker County, Oregon, on the 1st day of Sep. 1911, discovered and located a vein of mineral ore, known as the "Jenny" ore, bearing rock in place containing gold, silver or other metals, which according to law we have named the "Jen" deposit claim.

That the source of this vein is Easltory and Wastory, and that we claim six thousand linear feet along the line of the edge of the discovery monument on which this matrial is seen, and that we claim 300 feet on each side of the center of the vein. This said claim is located in the unorganized mining district, Baker County, Oregon, the discovery monument being placed on the center of claim, and is bounded and described as follows:

Commencing at the discovery monument, thence 500 feet Eastly to the S.E. corner, thence 100 feet North to Easltory line, thence 300 feet North to N.E. corner, thence 500 feet Westly to N.W. corner, thence 500 feet Southly to W.S.W. corner, thence 500 feet Southly to S.W. corner, thence 1000 feet Eastly to discovery monument.

Witnes:

Notary Public, State of Oregon

(Notarial Seal)
Notice is hereby given that on the 12th day of August, 1911, Thomas F. Allen and
W. W. James, filed a mining claim bearing such on placer mining company
as W. W. James, gold which we have named the "Golden West." The location
of the same is Northwesterly and Southerly, and that same claim,
the point Northwestern and 700 feet Southerly from the locational
monument on which this notice is posted and that same claim
is bounded on the west and east by 200 feet on each side of the center of
the same. That said claim as located is in one unorganized mining
district of Baker County, Oregon. The locational monument being placed
100 feet from each side line and is bounded and described as follows:

From the locational monument, thence N. 40 degrees 15 minutes E. 700 feet to
the point stated. Thence S. 30 degrees 15 minutes W. 500 feet to
the same. Thence N. 40 degrees 15 minutes E. 300 feet to
the same. Thence S. 30 degrees 15 minutes W. 300 feet to
the same. Thence N. 40 degrees 15 minutes E. 300 feet to
the same. Thence S. 30 degrees 15 minutes W. 300 feet to
the same. Thence 10 degrees 15 minutes E. 700 feet and return. Distances taken
are mile east of the Columbia, between Angles Butte and Wapato
Spur, said Baker County, Oregon.

Thomas F. Allen,
W. W. James,
Thomas Hoffman, Recorder

County of Baker.

Personally appeared before me, a Notary Public in and for said County and State, N. W. R. Mead, who, being first duly sworn, says:—That he is the locator of the quartz mining claim known as "The Oregon" mining claims, and that he has done the amount of location work on the said claim as prescribed by law, by running a true east and west line 1200 feet long, 1500 feet wide, 100 feet long, and also a shaft 5 feet deep, 6 feet wide, and he has mineral bearing quartz in place in the shaft and on said claim.

In testimony whereof, I have hereunto set my hand and seal this 10th day of October, 1901.

N. W. R. Mead.

Subscribed and sworn to before me this 10th day of Oct., 1901.

Notarized seal. Notary Public for Oregon.
Notice is hereby given that I, Isaac King and D.R. Wells, citizens of the United States, have on this 4th day of October, 1901, discovered and located a vein of mineral-bearing rock in place, carrying gold and silver, which vein we have named "Crescent," that the course of the vein is northeasterly 40° southwesterly, and that we claim 1,500 linear feet together with 500 feet in width of the same, being 200 feet on each side of the center of the vein. That said claim is located in no organized mining district, Baker County, Oregon, and is bounded and described as follows, to wit:

Commencing at the notice and running 100 feet southeasterly thence southeasterly 300 feet, thence northeasterly 1,500 feet, thence northeasterly 600 feet, thence southeasterly 1,500 feet, thence southeasterly 900 feet to the point of beginning. The above claim is located on Rock Creek, being the first northeasterly extension of the "Genoa," Baker County, Oregon.

Dated Oct. 15, 1901

Isaac King. Locator.
D.R. Wells. Locator.

State of Oregon.
County of Baker.

Personally appeared before me, a Notary Public in and for said county and State, Isaac King, who being by me first duly sworn saith: That he is one of the locators of the quartz mining claim known as the "Crescent" mining claim, and that he has done the amount of location work on said claim as prescribed by law, and he has mineral-bearing quartz in place in the shaft since said claim.

In testimony whereof, I have hereunto set my hand and seal this 4th day of Oct., 1901.

Isaac King.

Subscribed and sworn to before me, this 4th day of Oct., 1901.

Notarial seal. Notary Public for Oregon.
Amended Quaity Location Notice.

This is to certify that the undersigned has discovered a vein of mineral bearing rock in place and has located 1500 ft. along the lode or vein by 300 feet on each side of the center line, the name of which is the "Hidden Treasure," and is situated in the Buckeye Mining District, Baker County, State of Oregon, about 3/4 of a mile southwesterly from the Buckeye mine, 1/2 mile southeasterly from "Parley Hill," and joins the southerly east line of the "Big Flats" No. 1 claim, respectively, all in the Buckeye Mining District, Baker County, State of Oregon.

The boundaries are described as follows:

Commencing at this discovery and running 200 feet northwesterly to northwesterly and center stake; thence 500 feet westerly to northwesterly and center stake; thence 500 feet southeasterly to southwesterly and corner stake; thence 500 feet westerly to southwesterly and center stake; thence 500 feet southeasterly to southwesterly and center stake; thence 500 feet westerly to southwesterly and center stake; thence 500 feet westerly to northwesterly and center stake.

The above amendment has been made for the purpose of taking in a fraction left by the relocation of an abandoned claim, and adds 200 feet in length by 300 feet on each side of a center line of the former "Hidden Treasure," which was located Dec. 31st, 1900, by myself, and it succeeds in Baker County, Oregon.

This Amended Location Notice does not in any way interfere with the rights of the former location.

I am a citizen of the United States and over the age of 21 years.

All the said points are also represented by rock marks.

Amended this 15th day of September, 1901.

M. N. Willoughby, Location

State of Oregon, County of Baker, ss.

Before me, the subscriber personally appeared Dan Bochum, who, having duly sworn, says that he has conducted the work on the claim in question, which is situated in the Buckeye Mining District, Baker County, State of Oregon, during the year ending Dec. 31, 1901, and that the said claim was made by him at the expense of Dan Bochum, and that he is the owner of said claim for the purpose of holding said claim in the name of Dan Bochum.

Subscribed and sworn to before me the 10th day of October, 1901.

E. W. James, Notary Public, State of Oregon.

Notice is hereby given that E. T. Warner of Summit, Oregon, assignee of the United States, have on this 20th day of July, 1901, discovered and located a vein of mineral-bearing rock in place, carrying gold and silver, which vein I have named "The California Fracture." That the course of this vein is northeast and southwest so that I claim 1,400 feet northeasterly and 500 feet southwesterly from this location, notice of the discovery monument on which this notice is posted, and that I claim 500 feet on each side of the center of the vein. That said claim is located in unorganized Mining district, Baker County, Oregon, the discovery monument being placed 200 feet from the Blacksmith Tunnel of the California Mine. It is bounded and described as follows,

Commencing at the discovery monument, thence 1,400 feet in a northeasterly direction to north center end stake, and two corner posts situated 300 feet from each side of this stake, which are the two north corner corner posts, and running 3,000 feet in a south westerly direction from the location notice to south center end stake, and two corner posts situated 300 feet on each side of this end stake, which are the corner posts.

Henry Cable, Witness.

State of Oregon.

County of Baker.

I, D. L. Killen, being first duly sworn, on oath, before and say that I am the duly authorized agent of E. T. Warner, the locator of the claim described in the within notice of location of the California Fracture Mining Claim, and that said notice is a full, true and correct copy of the original notice of location filed on said claim. That I did, between the 20th day of July, 1901, perform part of the discovery work required by the statute of the State of Oregon, on said claim, and have knowledge of the facts in regard to such work. That said work consisted in running an open cut along the body from the point of discovery which cut was at least 6 feet deep, four feet wide, and five feet long, and said work was done on said, within sixty days from the date of location thereof, and there was thereby disclosed a body or vein of mineral deposits in place.

D. L. Killen,

Subscribed and sworn to before me this 20th day of Oct., 1901.

N. C. Richards,

Notary Public for Oregon.
Notice is hereby given that I, the undersigned, being qualified and
having complied with all the laws pertaining to mining
claims, have this day posted this Amended Location Notice on the
Akey Fraction and claim by right of discovery, location and pos-
session. 1800 linear feet in length by 200 feet in width, being
800 feet on each side of the center along the edge of mineral
bearing rock in place, with all depths, süre and angles and all mineral
inside any boundaries, as follows:

Commencing at the mouth of the tunnel, which is 900 feet S.W.
of the original location stance, I claim 100 feet S.W. and 500
feet N.E. with 200 feet on each side. All the corners and each end
center of the claim are marked with stakes.

This Amended location is made in conformity with the original
location which was made on the 19th day of June, 1901, and re-
corded the 11th day of July, 1899, in Book 6 on page 428,
Mining Records, Union, Oregon, and is made to appropriate vac-
cant ground on the E.C. corner, which will make this a full
claim and to more particularly describe the location of the claim,
being situated in Baker County, Oregon, and the N.E. end is 1800 feet E.
from the mouth of No. 4 Tunnel in the Iron Dike mine, and is on the
East slope of Iron Dike Mountaint in the first saddle below the Breast
tail is about 1/2 mile west of Beeve River at J. E. James' house. The original
location notice is 500 feet S.W. from the N.E. outer end, stance, and
this amended location is 1400 feet from said N.E. outer end
stance, and the claim joins the Brown Point on the east out the
Looking on the north side.

This Amended Location is made to appropriate all ground within
the boundaries hereinafter described, and to correct any errors and
to supply any defects which may have existed in the original loca-
tion in the record thereof, hereby waiving all rights acquired under
and by virtue of said original location discovery and possession
of said claim. Posted this the 27th day of Sept., 1901.

W.R. Fallis, Location.

State of Oregon: I, W.R. Fallis, do solemnly swear that
I am a citizen of the United States of America, and that I am ac-
quainted with the mining ground described in the Amended Location
Notice and herein called the "Akey Fraction" claim, and that the
ground and claim therein described, or any part thereof, has not to
the best of my knowledge and belief been located according to
The laws of the U.S. and of this State, as mentioned in the within notice, or if so located, the same has been forfeited by reason of the failure of such former locator to comply in respect thereof with the requirements of said laws. That I am the original locator of said claim and that I have opened up new ground to the extent of depth of 100 feet or more, as required by the law of Oregon, the above claim is hereby transferred to and located on the northeast quarter of the north half of section three, T6N., R1W., Falls, Oregon.

Filed for record. Notice is hereby given that J. A. Graves, a miner, has staked out a site of 440 acres on the 13th day of Sept., 1910, in the vicinity of North Star mining claim, on which were found 3,000 tons of gold ore. The claim is located 500 feet north and 100 feet west of the claim of the North Star mining claim.

The notice is posted 500 feet on each side of the center of the mine. The claim is in the county of Baker, in the state of Oregon, and is bounded on the north by a part of the North Star mining claim, on the south by a part of the same, on the east by a part of the north boundary of the town, and on the west by a part of the north boundary of the town.

A. A. Graves.

[State of Oregon]

Served by Baker

J. A. Graves, being a duly sworn, on oath, hereby declare that I am the location of the claim described in the written notice of location of the North Star mining claim, that said notice is a full, true, and correct copy of the original notice of location found on said claim. That I met between the 1st day of Oct., 1910, and the 45th day of Nov., 1911, for the discovery work required by the laws of the state of Oregon, at said claim by seeking a deposit of gold clay, and said work was done on said claim within sixty days from the date of location thereof, and there was thereby received a lake or vein of mineral deposit in place.

J. A. Graves.

Subscribed and sworn to before me, the 4th day of Nov., 1911.

C. W. James.

Notary Public for Oregon.

[Received]
Note:- Under date of this 2d A. A. Jones, a citizen of the United States, has on the 1st day of October, 1901, discovered and located a new mineral-bearing rock in place, carrying gold, which new I have named Blue Bunches. The said claim is described as follows:

The said claim is located in section thirty-four, township twenty-five, range five west of the sixth principal meridian, in Klamath County, Oregon. The discovery monument has been placed 100 feet North from the south and center stake, and is bounded and described as follows:

Commencing at the discovery monument, thence 500 feet North, run east and strike, thence 300 feet east to corner stake, thence 1500 feet South to corner stake No. 2, thence 500 feet West to center stake, thence 500 feet West to corner stake No. 2, thence 1500 feet North to corner stake No. 4, thence 300 feet East to center and stake. About 1500 feet West from the discovery monument, on the east line of said section.

David Oct. 7, 1901.
A. A. Jones, Examiner.

State of Oregon.
County of Klamath.

A. A. Jones, being first duly sworn, on oath deposes and says that I am the discoverer of the claim described in the within notice of location of the Blue Bunches mining claim, and that said notice is a true and correct copy of the original notice of location posted on said claim. That said claim is described as follows:

On the 1st day of October, 1901, and the 7th day of November, 1901, performed the discovery work required by the statutes of the State of Oregon, on said claims, by running an closure on said claims ten feet long, four feet wide and six feet deep, and said work was done on said claim.

I hereby declare a lode on main of mineral deposit in place.

A. A. Jones.

Subscribed and sworn to before me this 9th day of November 1901.

C. W. Jones.
Notary Public for Oregon.
Notie is hereby given that I, A. A. Groves, a native born citizen of the United States, have on the 12th day of Sep. 1901, discovered through a vein of mineral deposit rock in place, carrying gold and silver, which I have named the Monarch. That the course of this vein is from the North to the East, and that I claim 500 acres in length, and 500 feet in breadth. The discovery monument on which this notice is posted, and that I claim 100 feet on each side of the center of the vein. That said claim is located in the mining district, Baker County, Oregon. The discovery monument being placed 100 feet East from the Northwest corner stake, and is bounded and described as follows:

Commencing at the discovery monument, thence running East 500 feet to make N. 1, thence 500 feet South to Southeast corner make N. 2, thence 500 feet West to Southwester corner make N. 3, thence 500 feet North to Northwester corner stake and 100 feet back to notice and monument and that said claim is on the main bed of the vein, and joins the Dawn on the North and the North Star on the West.

Dated Sep. 12, 1901.

A. A. Groves, Sec'y

State of Oregon. I swear the facts above written to be true and correct, and that I am the locator of the claim described in the notice, that I am in possession of the Monarch mining claim, and that I have now possession of the property described in said claim. I certify that I have made the necessary work required by the statutes of the State of Oregon, by sinking a shaft ten feet deep on said claims, and said work was done on said claim within sixty days from the date of location, and that said shaft is twenty feet deep a hole of mineral deposit in place.

A. A. Groves

Sworn to and subscribed to before me this 9th day of Nov. 1901.

Reconder

Under the several acts of Congress relating to the development of the mineral resources of the United States, the undersigned does hereby locate and claim fifteen hundred (1500) linear feet in length, on this vein, both on deposit of mineral bearing rock in place, together with 200 ft on each side of the center of said vein for mining purposes. This claim shall be known as the Twin Corn district mining claim situated in the regular organized mining district in Baker County, State of Oregon, and is more particularly described as follows: Commencing at about 200 ft from this notice at the south end center stake, and running 200 ft in an easterly direction to a stake marked, south east corner stake; thence 100 ft in a northerly direction to a stake marked, north west corner stake; thence 600 ft in a westerly direction to a stake marked, northwest corner stake; thence 1500 ft in a southerly direction to a stake marked, southeast corner stake; thence 500 ft in an easterly direction to place of beginning.

Located this 15th day of October, 1901.

Seygler James Emery

Witness: Ethan Emery

County of Baker

I, James Emery, being first duly sworn, depose and say that an open cut has been made of vein on the herein named Twin Corn quartz body 25 feet long, 5 feet deep and 4 ft wide since the date of location thereof.

Dated this 11th day of November, 1901.

James Emery

Subscribed and sworn to before me this 11th day of November, 1901.

C.W. James

Notary Public for Oregon
Notice is hereby given, that John A. Clark, a citizen of the United States, has on the 30th day of Sept. 1901, discovered and located a vein of mineral bearing rock in place, carrying gold and silver which vein he has named "Ontario".

That the course of the vein is northeast and southwark and that I claim running northeast 50 feet and running southward 1250 feet of the discovery monument on which the marker is posted, and that I claim that hundred feet on each side of the center of the vein.

That said claim is located in Eagle Creek Mining District, Baker County, Oregon, the discovery monument being placed 50 feet southward from northeast and 600 feet southward and 1250 feet southward and 1500 feet southward and 200 feet southward of the place of beginning. This claim is the southwest extension of the 200 feet mine.

Dated, September 30, 1901.

John A. Clark, Esqrlr.

County of Baker, I, John A. Clark, having first duly sworn, do say that I am the locator of the claim described in the within notice of location of the Ontario mining claim, and that said notice is a full, true and correct copy of the original notice of location filed on said claim.

That I did, between the 30th day of September, 1901, and the 5th day of November, 1901, perform the discovery work required by the statutes of the State of Oregon on said claim by running a line cut the 300 feet in length, from the first cut the 150 feet in width and 20 feet deep at places of beginning and the 300 feet at the face, and said work was done on said claim within sixty days from the date of location thereof, and there was thereby declared a body or mass of mineral defined in place.

Subscribed and sworn to before me this 9th day of November 1901.

Chaser

Notice is hereby given that we, the undersigned citizens of the United States, have on this 17th day of October, 1901, discovered and located a vein of mineral-bearing rock in place bearing gold and silver, which vein we have named The Grey Eagle mining claim. That the course of this vein is easterly and westerly and that said vein is fifteen hundred feet in length, 750 ft. east and 750 ft. south of the discovery monument in which this notice is posted, and that said claim extends five hundred ft. on each side of the center of the vein. That said claim is located in Sparta mining district, Lake County, Oregon, the discovery monument being placed ten feet from the discovery shaft and is bounded and described as follows:

Commencing at the discovery monument thence running westerly 750 ft. to a stake, thence northwesterly 750 ft. to a stake being the northwest corner stake, thence northwesterly 750 ft. to a stake, being the north center stake of the claim, thence easterly 750 ft. to a stake, being southeast corner stake of said claim, thence southerly 750 ft. to the southeast corner stake of said claim, thence southerly 750 ft. to the southeast corner stake of said claim, thence southeasterly 750 ft. to the southwest corner stake of said claim, thence southwesterly 750 ft. to the southwest corner stake of said claim, thence southerly 750 ft. to the south center stake, thence 750 ft. to the southwest corner stake of said claim, thence 300 ft. to the west center stake of said claim. Dated Oct. 14th, 1901, on the ground.

The claim serves Murray quick about one mile north of Pond's River and adjoins the J. B.uming claim.

State of Oregon,

County of Lake,

I, being first duly sworn, do oath depose and say that I am one of the locators of the claim described in the within notice of location of the Grey Eagle mining claim, and that said notice is a full, true and correct copy of the original notice of location posted on said claim. That filed, between the 17th day of November, 1901, and the 12th day of December, 1901, perform the discovery work required by the State of Oregon on said claim by running an open cut 25 ft. long, 4 ft. wide and 13 ft. deep of face of cut, thence showing the vein of ore 12 in. in place for 20 ft., and said work was done on said claim within sixty days from the date of location thereof, and there was thereby delineated a body or vein of mineral deposit as follows:

Filed for Notice in Survey given, that C. C. Centland, being
legally declared this intention to become a citizen of the United
States, here on this 15th day of November, 1906, discovered
9 a.m. located a vein of mineral bearing rock in place, carrying gold
9 a.m. James along with other metals, which was then served the Colorado
Range Extension, quartz claims. That the source of this vein is northerly
and westerly, and that claim 1470 ft westerly and 60 ft
northerly from the position of the discovery monument
on which this notice is posted, and that claim 280 ft
on each side of the center of the vein. That said claim is
located in unorganized mining district, Park County, Orage
the discovery monument being placed a few feet southerly
from place of discovery, and is bounded and described as follows:
Commencing at the discovery monument, thence 30 ft
northerly to northerly center and stake; thence
300 ft westerly to S.E. corner stake; thence 1500 ft westerly
to N.E. corner stake; thence 300 ft westerly to northerly
center and stake; thence 300 ft westerly to N.W. corner stake;
thence 1500 northerly to N.W. corner stake; thence 300 ft westerly
to contact with boundary lines at northerly center and stake;
thirty 300 ft northerly, northerly from point of commen-
mant at discovery monument. The northerly end line is
run as to include within the limits of the claim the
shaft now being sunk upon the property. The Colorado
Range Extension claims is directly adjoining and a southerly
extension of the Colorado quartz claims. The latter being
adjoining and south of the "Madison Draw" group of claims.

Filed Nov 15, 1906
Notice is hereby given, that C. & C. Portland, having legally declared my intention to become a citizen of the United States, have, on this 18th day of November, 1901, discovered and located a vein of mineral-bearing rock in place, containing gold, silver or other metals, which vein I have named the "New York" quartz mineral claim. That the course of this vein is northwesterly and southeasterly and that I claim 1,000 linear feet of this body, and that I claim 300 feet on each side of the center of the vein, on which this notice is posted.

That said claim is located in unorganized mining district, Butte County, Oregon, the discovery monument being placed a few feet northeasterly from the center of the vein, and is bounded and described as follows, to wit:

Commencing at the southerly center, and stake, thence 300 feet westerly to N.E. corner stake, thence 1,000 northerly to N.W. corner stake, thence 300 feet westerly to northerly center and stake, thence 300 feet westerly to S.W. corner stake, thence 1,000 feet southerly to S.E. corner stake, thence 300 feet westerly to point of commencement at southerly center and stake. This claim is further described as running parallel to and adjoining the easterly side of the "Colorado" quartz claim.

Filed Nov. 18, 1901

C. & C. Portland Locators

Notice is hereby given, That J. E. Pentland, having legally declared my intention to become a citizen of the United States, has on this 18th day of November, 1901, discovered and located a vein of mineral bearing rock in place, carrying gold, silver or other metals, which vein I have named the "Amrita".

Relative to my mineral claims. That the course of this vein is southwesterly and northeasterly and that I claim 600 feet on each side of the course of the vein, on which this notice is posted. That said claims is located in an unorganized mining district, Clark County, Ore., the discovery monument being placed a few feet northwesterly from the northerly center and stake, and so bounded and described as follows, to wit:

Commencing at the northerly center and stake, thence 300 feet southeasterly to N.E. corner stake, thence 1500 feet southerly to S.E. corner stake, thence 300 feet southeasterly to southerly center and stake, thence 300 feet southerly to S.W. corner stake, thence 1500 feet northerly to N.W. corner stake, thence 300 feet easterly to point of commencement at northerly center and stake.

This claim is further described as running parallel to and adjoining the easterly side of the "Colonel Paterson" guano claim.

Signed Nov. 18, 1901

John E. Pentland, Locator

Wm. E. Beaglethorpe
Notice is hereby given that the undersigned having complied with the requirements of Chapter 66 of Title 31 of the Revised Statutes of the United States, and the local laws, rules and regulations, have on this day located a mining claim on this new lot or deposit with all lodes, veins and anomalies thereof containing gold, silver or other precious metals, together with surface ground two feet in width, situated in an organized mining district, County of Baker, State of Oregon. This claim is to be known as the Black Catseye. Described as follows: Commencing at the notice as discovery, cut and running south 150 feet to rock mound and stake marked south center and stake of Black Catseye; thence east 300 feet to rock mound and stake marked southeast corner of Black Catseye; thence north 1500 feet to rock mound and stake marked northeast corner of Black Catseye; thence west 200 feet to rock mound and stake marked northwest corner of Black Catseye; thence south 1500 feet to rock mound and stake south west corner of Black Catseye; thence east 200 feet to rock mound and stake marked south center and stake of Black Catseye and place of beginning. This claim is on the east side of Crude River about 2 1/2 miles above the mouth of Cloutz Creek. The Black Catseye joins this claim at the south, the end stakes of the two claims are together. The Black Catseye is an adjoining claim on the north.

R. W. Walk

State of Oregon, County of Union, as. W. Wallace E. Hinshley and A. W. Swift, having first duly sworn say that we have fully performed the required work on the mining described herein, mining claim assigned by Section Three 37 of Act of the Legislature Assembly of the State of Oregon, approved Feb 28th 1901. Wallace E. Hinshley A. W. Swift

Sworn and subscribed to before me this 12 th day of November 1901.

O. D. Sommers

Notary Public
Filed for    Affiant of assessment work on the quarter claims: May Round Up and Comet, situated in Lute’s mining district, Col., Nov. 28, 1901, County, Oregon. I, J.W. Beers, being first duly sworn, declare that two hundred dollars worth of work has been done on the quarter claim May Round Up and Comet. Said work was performed as assessment work according to the laws of the United States and the State of Oregon, as in such cases made and provided for this year ending Dec. 31st, 1901.

J.W. Beers, 

Elder County, P.O. 
State of Oregon.

Subscribed and sworn to before me, this 10th day of Sept., 1901. 

E. A. Harpset, 
Justice of the Peace, Commnn. Sect.

Proof of Labor

Filed for    State of Oregon. I, Samuel May, being first duly sworn, on oath, Nov. 21, 1901, declare and say, that I have been employed by the owner of the Eul. Gordon group of quarter mining claims, situated in Elder County, Oregon to do the annual assessment work for the year, 1901. That during the calendar year 1901, I have performed upon the said group the annual assessment work required by law; that the said work consists of running a tunnel on the vein for a distance of seventy feet. That the cost of running the said tunnel was about $100.00 for labor; and that there has been expended altogether on the said work the sum of $500.00 and costs and is reasonable worth the said sum of $750.00.

Samuel May

Subscribed and sworn to before me, this 26th day of November, 1901.

This is to certify that the undersigned citizens of the United
States have discovered a vein of mineral-bearing rock in place and have
located 1500 ft along this lode by 200 ft on each side of lode. The
name of this claim is the "Penwood" and is situated on three lodes
in the Ruskings Mining District, Baker County, Oregon, one and a half
miles southerly from the Van Cleave mining claim and two
thousand and five hundred feet southerly of the Fairbanks mining claim. The boundary
lines of the Fairbanks mining claim are described as follows:
Commencing at the discovery and running 775 ft southerly to center stake; thence 500 ft
northwest from center stake; thence 775 ft northwest to northwest corner stake; thence 500 ft southerly to
center stake; thence 775 ft southerly to center stake; thence 1500 ft westward to west
corner stake; thence 775 ft westward to west corner stake; thence 500 ft northward to
west corner stake, and from thence to starting point. This claim, 775 ft southerly and 725 ft
southerly from discovery.

Located September 19, 1901. /s/ George D. Simpson

Located 1/2 acre /s/ Carrie D. Simpson

This is to certify that I, George D. Simpson, one of the locators of the
claim, do swear that I have dug a cut to a depth of ten
10 ft on the lode at the discovery of the vein described above across the strike of location and within the sixty
days required by law. /s/ George D. Simpson

Notice is hereby given that we, W. B. Miles and A. H. Brown, citizens of the United States, have on the 27th day of September 1901, discovered and located a vein of mineral-bearing rock in place, carrying gold and silver, which vein we have named the Ethel. That the course of this vein is southeasterly and northwesterly and that we claim 400 feet north and south and 1100 feet east and west of the discovery monument on which this notice is posted, and that we claim three hundred and 200 feet on each side of the center of the vein. That said claim is located in an unorganized mining district, Baker County, Oregon, the discovery stake being placed 400 feet south from center and stake, and is bounded and described as follows: Commencing at the discovery stake thence 1100 feet southeasterly to center and stake thence northwesterly 200 feet to corner end stake; thence 1500 feet northwesterly to center and stake thence 200 southwesterly to center and stake; thence 200 southwesterly to corner end stake; thence 1500 southeasterly to corner end stake; thence 200 feet northerly to center end stake, This claim is the State of Oregon. Dated Sept 27, 1901.

W. B. Miles, Locata
A. H. Brown, Locato

State of Oregon
County of Baker

I, W. J. James, being first duly sworn, on oath depose and say, that I am locator of the claim described in the within notice of location of the Ethel quartz mining claim, and that said notice is a full, true and correct copy of the original notice of location posted on said claim. That I did, between the 1st day of November 1901, and the 26th day of Nov. 1901, perform the discovery work required by the statute of the State of Oregon on said claim, by running an open cut 50 feet long, four feet wide, and an average of four feet in depth, and said work was done on said claim within sixty days from date of location thereof; and there was thereby disclosed a body or vein of mineral deposit in place. A. H. Brown, subscriber and sworn to before me this 26th day of Nov. 1901.

W. J. James
Notary Public for Oregon
Proof of Labor

I, J. H. M. Callen, being first duly sworn, say: That

RECORD
between the 1st day of January, 1900, and the 8th day of November, 1900,

On the 27th day of November, 1900, did the annual assessment work required to be done for the year 1900,

by the laws of the United States and of the State of Oregon, upon the fol-

dowing quarter mining claims hereinbefore described, and that I did not have

herein, than one hundred dollars worth of work on each of said claims in

twelve stated dates. That the work so done and performed by me

was as follows: On the 5th day of January, 1900, quarter mining claim, I con-

tinued the ground tunnel thereon, and extended said tunnel from

therein, and, that the value of said work was ten dollars per foot on

one hundred dollars, quarter forty dollars. On the Moonlight quarter mining

claim, I dug an open cut which is not less than 10 feet in length,

6 feet wide and has an average depth of six feet; that the value of said work was not less than one hundred dollars. On the Pena

quarter mining claims I dug an open cut 8 feet in length and

continued the same by tunnel to the further length of nine feet.

that said tunnel and open cut each have an average width of six

feet, that said open cut has a average depth of five feet; that the value of said work is not less than one hundred dollars. On the

Pena quarter mining claim, I dug an open cut not less than ten

feet in length, with an average depth of five feet and an average

width of five feet, and also ran a tunnel on said claims beyond

said open cut twelve feet; that the value of said work is not less

than one hundred dollars. On the Pena quarter mining claim

I dug an open cut twenty feet in length, seven feet deep and six

feet in width. That the value of said work is not less than one

hundred dollars.

That all of the above described mining claims are in the

Dry Creek (unorganized) mining district, and all of said work

was done and performed on said claims for the benefit of the same

of said claims, trust. The original locators of said claims and

their successors in interest, as shown by copies of location

notices and deeds in the office of the Recorder of Conveyances

for Baker County, Oregon. That said claims are all in Baker

County, Oregon. That the location notices of said New Pena claims

is recorded at pages 197 of Volume A of the public records of

Baker County, Oregon. That the location notices of said Pena claims is recorded at pages 199

of said volume of said records. That the location notices of said

Moonlight claims is recorded at pages 624 of Volume C of said
Proof of Labor.

I, Albert Bay, do swear, that at least $150.00 worth of labor or improvements was performed or made upon each of the following described placer mining claims situated in the organized mining district in Baker County, State of Oregon, town, the Contention and Olympia. Said labor and improvements were done or made upon the said mining claims during the year ending December, 31st 1901, as the annual assessment work thereon and connected with it only. Such expenditures were made by or at the expense of The Selvanda Mining Company, the owner of said mining claims.

Subscribed and sworn to before me this 11th day of November, 1901.

I, for myself and for the said County and State of Oregon and of W. W. W. James, Loy, being duly sworn, say that they are the owners of the following named quartz mining claims, Bunker Eagle, Key Eagle, and Eagle, situated in the Nevada mining district, County of Baker, State of Oregon, and that they have done the assessment work for the year 1901 as required by law. Three hundred dollars worth of work has been done on the Key Eagle quartz mining claim for the period in question hereof we have furnish the said handmade and due.

R. J. Evans, SEAL
John W. W. James, SEAL

Subscribed and sworn to before me this 17th day of November 1901

Notary Public for
Proof of Labor on The Man of War quartz mining claim, The Rockefeller quartz mining claim, and The New Era quartz mining claim.

State of Oregon, County of Baker, to J. L. C. Heasay, being just duly sworn, I am a citizen of the United States and am well acquainted with The Man of War quartz mining claim, The Rockefeller quartz mining claim, and The New Era quartz mining claim, all situated on the southeast slope of the Limestone Mountains, in Baker County, State of Oregon, and all lying in Section 16, T.10 N., R.10 E., W.M. 35. East Millicent Meridian. That during the year 1901 at the request of the Rockefeller Mining Company, a Corporation, organized under the laws of the State of Oregon, the upper tunnel upon The Man of War claim was extended a distance of 20 feet, and two drifts of 20 and 26 feet each, have been run on said Man of War claim, and the lower tunnel has been extended 40 feet during this year, and the work is still continued under contract for 200 feet more; said work is of the value of $75 per foot, and the total value of said work amounts to more than $2,500.00 for 1901. That said work was performed at the request of and for the owners of said mines, The Rockefeller Mining Company.

That said New Era claim is owned by the said Rockefeller Mining Company and that during the year 1901, 20 feet of tunneling has been done between 3 feet and 12 feet per foot.

That during the year 1901, 12 feet of shaft of the dimensions of 4 feet by 6 feet was sunk on the said Rockefeller quartz claim, and the cost thereof was worth $10 per foot. That said Rockefeller and New Era claims are contiguous and are grouped, that the work done on one of such is for the development by tunnel of the other, that more than $100 worth of work has been performed on each of the said named claims by The Rockefeller Mining Company, a Corporation, the owners of the same, during the year 1901. J. L. C. Heasay, subscriber and sworn to before me this 27th day of December, 1901.

N. C. Courland
Notary Public for Oregon.
I hereby give notice that we the undersignedsti.

Petitioners for the United States have on this the 27th day of Oct. 1901, discovered and located a vein of mineral bearing rock in place at a point carrying gold, which we have named the El Dorado.

We claim a mining claim, that the same is located southerly and that we claim 1200 ft. northwesterly and 200 ft. southerly of the discovery monument upon which this notice is posted and that we claim 900 ft. on north and west 200 ft. on south side of this claim.

That said claim is located in an organized mining district, the Union mining district, County of Baker, State of Oregon. The discovery monument being placed 20 feet from the center and state of the N.E. corner, and is bounded and described as follows, to wit: Commencing at the discovery monument, thence northerly 1200 ft. to the N.E. corner, thence westerly 200 ft. to the N.W. corner, thence 1500 ft. southerly to the S.E. corner, thence 200 ft. to the S.W. corner, thence 1500 ft. to the place of beginning or the discovery monument.

Dated the 5th Nov. 1901.

J. H. Marsh. Loctors.

State of Oregon.

County of Baker. I, Thos. Klein, a citizen of the United States, first being sworn, depon and say, that I am personally acquainted with the within described quarter claim that I own on open cut quartz foot wide, sixteen ft. long, with 9 feet face on the said El Dorado quartz claim.

Notary Public, Oregon.

Amended notice: "Carrick."

Notary is hereby given to all persons, that on the 15th day of January, 1902, I, John Beatty, M. B. Wake and J. M. Dean, citizens of the United States, over the

age of twenty-one years, have entered, located and claimed by right of discovery and adjacent location, 20 acres of land, containing 800 feet on the east line, 1000 feet on the north line, 1000 feet on the west line, and 800 feet on the south

line, in the immediate vicinity of the mines and mining districts, and known as the "Carrick" mining claim, extending 800 feet on the north line, 1000 feet on the south line, and 1000 feet on the east line, and 1000 feet on the west line, and as shown on the plat of the said claim, and extending 800 feet on the north line, 1000 feet on the south line, and 1000 feet on the east line, and 1000 feet on the west line, and as shown on the plat of the said claim, and extending 800 feet on the north line, 1000 feet on the south line, and 1000 feet on the east line, and 1000 feet on the west line, and as shown on the plat of the said claim.

John Beatty, Purchaser.

M. B. Wake, Purchaser.

J. M. Dean, Purchaser.
Amended note: "Buckeye."

This is hereby given to whom it may concern. That on the 15th day of December 1911, John Coffey and M.B. White, citizens of the United States, and on the 11th day of May, 1872, as near as the same can be ascertained, occupied certain land and timber on the north bank of the Buckeye, a tributary to the Deschutes River, lying between 90° 30' west of the prime meridian and 45° 20' north latitude, and bounded on the north by state line, on the west by the said Deschutes River, on the south by the land of James Bennett, and on the east by the land of George W. Wise.

The aforesaid land is described as follows: commencing at the north corner of the Deschutes River and the land of James Bennett, thence northwesterly 300 feet to the northwest corner of the land of John Coffey and M.B. White, thence southeasterly 300 feet to the northeast corner of the land of James Bennett, thence southeasterly 300 feet to the land of M.B. White, thence northwesterly 300 feet to the place of beginning. Said land is one mile south of the wagon road running from up Buck Creek and adjoining the Crescent Claim on the east. Said land is subject to local crops and rules of mines and mining districts of the United States and the State of Oregon. The locator is hereby made to possess certain areas and matters made on the original location notice of the said claim.

Dated on the 15th day of December 1911.

John Coffey, locator.

M.B. White, locator.
Filed for record
December 19, 1911.

John Griffith, M. B. White, and J. N. Darr, citizens of the United States
over the age of twenty-one years, have made, located, and claimed
by right of discovery, and recorded location of placer location
made by us, in compliance with the act of the U.S. Congress approved
May 25, 1872, and all subsequent acts and sub-division acts and
regulations. 1500 feet of this meridian, which surface ground 600 feet
wide, situated in an unappropriated mining district, in Boler Range, District
of Oregon, and known as the Crown prospect, mining claim, extending
300 feet southeasterly and 750 feet northerly from ridge easton on
grasstop ridge, which is 750 feet from this meridian to each western
and eastern. The exterior boundaries of this claim being distinctly marked
by reference to some natural object or permanent monument and more
particularly described as follows, viz:

Commencing at the Northeast corner and Stake, thence running
Southeastly 500 feet to a mound of rock, thence Southeastly 500
feet to a mound of rock, thence Northeastly 500 feet to a stake, thence
Southeastly 100 feet to the Northeast corner of the place of beginning
situated on the divide between Little Island Creek and Rock Creek
And we intend to work and hold said claim as provided by local
customs and rules of mines and the mining statutes of the United
States and the State of Oregon. This notice is made to convey
such marks made on the original location notices of the said
claim.

Deed on the ground the 16th day of December, 1911.

Notice is hereby given that The Amadale Gold Mining Company, citizens of the United States, has on the 25th day of November, 1901, discovered and located a vein of mineral bearing rock in the country, which vein we have named 'Pimble.' That the course of the vein is east and west and that we claim 300 ft. east and 1200 ft. west of the discovery shaft at which this notice is posted, and that we claim 300 ft. surface ground on each side of the center of the vein. That said claims are located in no organized mining district. Baker County, Oregon, the discovery monument being placed 300 ft. west from each end line and is bounded and described as follows: Commencing at the discovery monument, thence 300 ft. west to west end center; thence north 300 ft. to northeast corner stake; thence west 1500 ft. to northwest corner stake; thence south 300 ft. to south and center stake; thence south 300 ft. to southwest corner stake; thence east 1500 ft. to south east corner stake; thence north 300 ft. to east center, and place of beginning which is west and center of the surveyed Boulder claim.

Dated November 25, 1901.

A. J. Shrable, Recorder for
The Amadale Gold Mining Co. Locators

State of Oregon
County of Baker

I, A. J. Shrable, being first duly sworn, on oath, do say, that I am secretary of Amadale Gold Mining Co., the locators of the claims described in the within notice of location of the Pimble mining claims, and that said notice is a full, true, and correct copy of the original notice of location posted on said claims.

That I did between the 20th day of November, 1901, and the 18th day of December, 1901, perform the discovery work required by the statutes of the State of Oregon, on said claims, by shaft ten feet deep at least, part of an area four feet wide by six feet long and the work was done on said claims within sixty days from the date of location thereof, and there was thereby disclosed a body or vein of mineral deposit in place

The following is a record of a proof of labor as required by law for the completion of certain mining claims in the Eagle Summit District of Klamath County, Oregon.

I, W. W. Smith, being first duly sworn, say that on the 26th of December, 1901, I was the manager of the Eagle Summit Gold Mining Company, a corporation, which is the owner of the following described mining claims, to wit:

W. J. James, The Summit, The Summit No. 1, The Summit No. 2, The Columbia, The Summit No. 1, The Summit No. 2, and The Summit No. 3. These mining claims, all described as being in a group and constituting the Eagle Summit group of mining claims, are described as being situated in the Eagle Summit mining district in the County of Klamath and State of Oregon.

That during the year 1901, between the first day of July and the 25th day of November, I caused to be done on said claims, the amount of work required for the year 1901, as required by the laws of the United States and of the State of Oregon, that said work was as follows, to wit: On the Eagle Summit No. 1, a 15-foot tunnel, of the value of One Hundred Dollars; on the Summit No. 1, a 20-foot tunnel, of the value of One Hundred Dollars; on the Summit No. 2, a 25-foot tunnel, of the value of One Hundred Dollars; and on the Summit No. 3, a tunnel the length of fifteen feet, of the value of One Hundred Dollars.

That the work done on said claims above mentioned was done for the benefit of all of the claimants constituting said group of claims and did benefit all of said claims.

I, W. W. Smith, do hereby certify and swear that I am the true and lawful owner of the mining claims described in this proof of labor, and that the labor performed by me was done for the benefit of the mining claims and for the benefit of the claimants constituting the Eagle Summit group of mining claims.

**Note from the Accountant:**

- The account has been reviewed and adjusted for the month ended on the 26th of April 1911.

**Summary:**

- The total income for the month is calculated to be $12,500.
- The expenses for the month total $7,800, resulting in a profit of $4,700.

**Action:**

- The accounts are closed for the month.
- The financial statements are prepared and reviewed.

**Next Steps:**

- The accounts for May should be reviewed and adjusted accordingly.
- Further adjustments may be required for any discrepancies.

**Final Review:**

- The accounting team will conduct a final review to ensure accuracy.
- The financial report will be presented to the board for approval.

---

**Additional Notes:**

- The market for fresh fish and meat is expected to remain strong in the coming months.
- Suppliers are reported to be increasing their prices in anticipation of higher demand.
- The demand for fresh fish is expected to continue to rise due to the recent increase in population.

Notary for Oregon.
Filed for Record

This is to certify that the undersigned has discovered a vein of mineral bearing rock in place and has located thereafter by lines and angles, the name of which is the Golden Depths. It is situated in the Rattlesnake Mining District of Converse County, Wyoming, and joins the north and line of the Golden Jack and the west side of the Rattlesnake claims. The boundaries of this claim are as follows: Commencing at this discovery, running westerly 475 ft., thence 200 ft. northwesterly to N.W. corner stake; thence 1500 ft. easterly to Northeast corner stake; thence 200 ft. southerly to Easterly end point; thence 200 ft. southerly to Southeast corner stake; thence 1500 ft. westerly to starting point. This claim was amended for the purpose of taking in a fraction of ground joining its westerly end and extends 325 ft. westerly and lies nearer easterly and westerly than the original claim located by me March 15th, 1900. The divisions of this claim as it stands amended are placed on the Volunteer claim for the purpose of making the both end lines of the Golden Depths parallel. I do not claim any right to any ground belonging to the Volunteer claim. This amended claim does not supersede the rights of the original location of March 15th, 1900.

Amended this 15th day of September in the year 1901

In the name of
M. K. Morgan
Chancery
State of Oregon
County of Baker
I, W. W. Thode, being first duly sworn, say that I am the Secretary and Manager of the Golden Wizard Mining and Milling Company, a corporation which is the owner of the Golden Wizard, Golden Monarch, Knobstone, June King, Gold Rush, Peaceful, Invincible, Invincible, Gold Crown and Fenton quarry mining claims situated in the Dry Creek unorganized mining district in the County of Baker and State of Oregon.
That during the year 1901, I caused to be done on said mining claims the assessment work for the year 1901, required to be done by the laws of the United States and of the State of Oregon, and that said work consisted of the following improvements, work and labor:
That in said Golden Wizard quarry mining claim, I caused to be erected a cook house, a bunk house, a barn, a tunnel house, a cattlemen's cabin and two outhouses. The value of said buildings being Five Hundred Dollars. I also caused to be made on said Golden Wizard claim a large open cut, and from the end of said cut ran a tunnel the length of forty feet. That the value of said open cut and tunnel is Five Hundred and Seventy-five Dollars. That I also caused to be made at another point on said Golden Wizard claim a tunnel the length of sixty feet and said tunnel came to be fully tunnelled, that the value of said tunnel was and is One Hundred and Sixty-two Dollars. That the value of all assessed work as done on said claims for said year 1901 and during said year 1901 was and is Seventy Thousand and Fifty-five Dollars. That all of the above claims lie together and together constitute a group of mining claims, and that all of the work done on said Golden Wizard claims and was done for the benefit of and did benefit all of said claims.

Notice of second amended Declaration of the 'June Bug' quartz claim.

January 2, 1902, 8 A.M.
To W. Jones,

Notice is hereby given that the undersigned having investigated the records of the U.S. General Land Office and the State of Oregon, and having examined the records of the June Bug quartz claim, and having determined the same, the following is the second amendment of the June Bug quartz claim:

 commencement date: 3rd day of October, 1901, in the hillside next to the 'Brown's Hill' quartz claim.

Description: The June Bug quartz claim extends along the hillside next to the 'Brown's Hill' quartz claim, and includes 100 square feet.

This is the second amended and reformation of the June Bug quartz claim.

Certified by:

A. W. Compton
Justice of the Peace

Date: December 10, 1901.
In the presence of the State of Oregon County of Baker

January 2, 1902

T. D. Biggs, being duly sworn, deposes and says that on the 26th day of December, 1901, he was in the service of the Del Norte Mining Company, a corporation doing business in Baker County, Oregon. That said work and improvements were done by myself, T. D. Biggs, as the president and agent of the said corporation, being the owner of said property, and that said work and improvements were done for the purpose of being the actual assessment work for the year 1901. That said improvements consisted of an open track, 14 feet wide and 4 feet high in the space of the width, consisting of a surface 14 feet wide and a track 4 feet in length, 4 feet wide, and banked 4 feet high, all of which measured and improvements being done on said Del Norte property claim.

Notes is hereby given that E.W. Park and J.R. Chisman, citizens of the United States, have on the first day of January, 1902, discovered and located a vein of mineral bearing rock in place, carrying fuscoous metals, which vein we have named Iron Jasket. That the course of this vein is north and south and that the claim is 500 feet northly of the discovery monument on which this notice is posted, and that the claim is 500 feet on each side of the center of the vein. That said claim is located in Clinton mining district, Baker County, Oregon, the discovery monument being placed 500 feet from east and west and 500 feet north and south, 500 feet north of Clinton mining district, Baker County, Oregon, the claim being described as follows: Commencing at the discovery monument, thence 500 feet northly to east center and post No. 1; thence 500 feet southerly to the corner post No. 2; thence 500 feet westly to S.W. corner post No. 3; thence 500 feet N.W. to west center and post No. 4; thence 500 feet N.N.W. to N.W. corner post No. 5; thence 500 feet westly to N.E. corner post No. 6; thence 500 feet northerly to east center and post, place of beginning. Said claim is on Black Creek, 3 miles north of Whitmore, E.W. Park. locating.

E.W. Park
Locators 1st day of January, 1902
State of Oregon
County of Baker

I, E.W. Park, being first duly sworn, on oath do declare that I am one of the locators of said claim described in the within notice of location of the Iron Jasket mining claim, and that said notice is a full, true and correct copy of the original notice of location posted on said claim. That I did, between the 31st day of December, 1901, and the 10th day of January, 1902, perform the discovery work required by the statutes of the State of Oregon, on said claim, by sinking a cut 4 feet in width, 10 feet in length, and 5 feet in depth, and said work was done on said claim within sixty days from the date of location thence, and there was thereby disclosed a vein or rift of mineral deposit in place.

Recorded

Notice is hereby given, that the undersigned having complied with the
requirements of Chapter 41 of Title Thirty of the Revised Statutes
of the United States has this day located 1500 square feet of said
lode, containing "Mineral" with surface ground 200 feet in width
situated in Centralia unorganized mining district, Baker county,
Oregon, and known as the "Dairy" quartz lode, and now fully de-
scribed as follows: Commencing at the location notice on, out on
lode, and running 200 feet southerly to E. & E. stake, thence
200 feet westerly to E. & E. stake, thence 1000 feet northerly to N.N.O.
E. stake, thence southerly 200 feet to N. & E. stake, thence on easterly
200 feet to N. & E. stake, thence southerly 1000 feet to S. & W.
stake; thence westerly 200 feet to S. & W. stake, thence
northerly 1000 feet northerly along this lode from this
location notice on, out, or lode, and surface ground 200 feet
in width, each side of center of lode. This location notice
on out or lode is about 1000 feet southerly from my house in Spring Gulch on Centralia mountain. The
northerly side line of this Dairy claim joins onto the
northerly side line of the Coppie Hill claim. Oct 27, 1901.

Ordered by

Charles F. Hinckley, Esq.

To: May Brown, being duly sworn, declare and say that a shaft 50 feet wide by 50 feet long by the full depth has been sunk on the main mining claim thereby said, since the location of the same as required by law.

Dated this 11th day of January, 1902.

Signed and sworn to before me the 11th day of January, 1902.

Frank Harper, County Clerk.

(Seal of County Court)

May Brown, Deputy.
Notice is hereby given, that the undersigned citizens of the United States, over the age of twenty-one years, do hereby claim and locate the following described placer and quartz mining claims, to wit:

The Pittsburg quartz claim situated one-half mile below the Lucky Roxy quartz claim in no organized mining district, Skanner County, Oregon, and about one mile south of the Donega quartz mill on the ridge between Summerville and the old Gottlieb placer mine in Summerville.

The Parkin quartz claim adjoining the Pittsburg on the east and running 1000 feet eastly towards Winterville, each claim being 200 feet wide by 1000 feet in length.

The Kathuria placer mining claim, adjoining the Parkin quartz claim on the north side line, extending 1000 feet in length and 200 feet in width.

The Annis placer mining claim, adjoining the Pittsburg quartz claim on the north side line, extending 1000 feet in length and 200 feet in width.

The Donebi placer mining claim, adjoining the Pittsburg quartz claim on the south and extending 1000 feet in length by 200 feet in width.

The May placer claim adjoining the Donebi placer claim on the south and extending 1000 feet in length by 200 feet in width.

The New Castle placer claim adjoining the May placer claim on the east and running 1000 feet easterly in length and being 200 feet in width. The New Castle placer claim adjoining the New Castle on the north and the Parker quartz claim on the south, being 1000 feet long and 200 feet wide, the entire group containing one hundred and sixty acres of placer and quartz mining ground. Each claim having a location notice filed and posted in the ground by J. F. Courney and J. W. Ballard, separately, and intended to coincide and encroach on a group of mining claims, and we extend to hold and work said mining claims according to the local customs and regulations of miners and of the laws of the State of Oregon, and of the United States.

Dated this the 23rd day of December, 1901.

J. F. Courney
J. W. Ballard
Notice is hereby given that L. Morris, being a citizen of the United States, has on the 15 day of June, 1891, discovered and located a vein of mineral bearing rock on Five, carrying gold, silver, or other metals, which vein I have named the Crown. That the course of this vein is northwust and southwest and that the claims 500 feet south of discovery left 1200 feet north of discovery monument on which this notice is posted, and that the claims 500 feet on each side of the center of the vein. That said claim is located in an unorganized mining district, Baker County, Oregon, the discovery monument being placed ... feet from ... and is bounded and described as follows, to wit:

Commencing at the discovery monument thence 500 feet south to center and center east, thence 500 feet west to NW corner, thence 1500 feet north to northeast corner, thence 500 feet east to NE corner, thence 1500 feet south to SW corner, thence 500 feet west to north corner. Dated June 15, 1891.

Witte (illegible)

State of Oregon.

County of Baker.

Personally appeared before me, Morris Turner, who being by me first duly sworn says: That he is the locator of the quarter mining claim known as the Crown, and that he has done the location work prescribed by law by running an open 20 ft. long, 8 ft. deep, and 5 ft. wide, and that he has mineral bearing quartz in place.

Subscribed and sworn to before me this the 20 day of Dec 191.

Wm. Felix

Notary Public for State of Oregon.
Filed for

This is to certify that I, Bug Collumyns, have complied with the requirements of the law representing the Mountain View group of claims consisting of the Mountain View mentioned in Vol. 21, page 208, further described as situated on the north end, stakes being in the summit of Wind Creek and Bock Creek, the south end, center stakes being at the large

Reeder's ledge mappings.

The St. Lawrence, being a south extension of the Mountain View and containing about 500 feet below the White Ledge on the climb of tunnel "A" and recorded Book M. page 281. Baker Co.

The "Briar" being a south extension of the St. Lawrence, Recorded Vol. 21, page 207.

The "Baltimo" being a south extension of the "Briar", the western and center being 158 feet from the White Ledge as shown on the map of the Baltimo opponents and the joints of Wind Creek. Recorded Vol. 21, page 258. Baker Co., Records.

The representation work for 1911 being done by running a 40 foot channel at a point about 158 feet south, contrary to the ledge and about 200 feet easterly at right angles with the line of the ledge, from the tunnel "A" where the locators tunnel is hereafter known as Tunnel No. 1. Signed this the thirteenth day of Jan. 1912.

C. D. James

Notary Public for Oregon
This affidavit that Dr. R. B. Ballantyne have complied with the requirements of the law representing the Jack Swift group of claims for the year 1902, which consists of the Jack Swift recorded on page 537, Vol. 2, Baker Co., Quarterly Records. The site of said adjoins the north end, and being an extension of the Jack Swift, as recorded on pages 22, Vol. 72, quarter 4, also the North End joining the Oregon and Wonder claims north of Rowent, 7., as recorded page 260, Vol. 2, Baker Co., Quarterly Records.

The required work consists of having run a crosscut tunnel measuring thirty feet from the outside of the first set of timbers, the tunnel being located at a point about one hundred feet on a line with the direction of the ledge and about two hundred feet at right angles with the direction of the ledge, being on the east side of the ledge, from the point of discovery of the Jack Swift, claim further described as being at a point about three hundred feet down the gulch east from the point where the North Pole tramway crosses the town 20-kilometer track.

It is the intention of the owner of the above-named group to continue this tunnel which will be known as Tunnel No. 1 to top the ledge with drifts on same, thereby improving all three claims.

Signed this the twelfth day of January, 1902.

G. M. Watts

A. G. Jones

State of Oregon

County of Baker

Personally appeared before me a Notary Public in and for said County and State, Frank W. McFarland, who being duly sworn says that he is acquainted with the locators of the foregoing named guilty mining claim, The Plume de Lis, and that they, the mining has done the amount of discovery work as required by law and that they have mineral bearing rock in place.

In testimony whereof he has set his hand and seal this 11th day of January, 1903.

W. L. Throckmorton

Notary Public for Oregon.
Notice is hereby given that R. F. Burgman and R. F. Dessau, citizens of the United States, have on the 12th day of January, 1902, discovered and located a new and unrecorded mining claim, bearing gold, silver, or other metals, which we have named the "Mayflower" claim.

The course of this claim is easterly and westerly, and the east line is 200 feet easterly and 100 feet westerly of the discovery monument on which this notice is posted. Therefore, we claim 300 feet on each side of the center of the claim.

This claim is located in the unorganized mining district, Baker County, Oregon. The discovery monument being placed 100 feet from easterly center and is bounded and described in the following manner: Commencing at the discovery monument, thence due north, the next 100 feet due east, the next 100 feet due south, the next 100 feet due west, and the next 100 feet due north, the area of the claim thus described is about one mile from Minneville. The corners are marked as required by law.

Dated January 12, 1902.

R. F. Burgman, Buxton

R. F. Dessau, Buxton

State of Oregon, County of Baker)

Personally appeared before me, a Notary Public in and for said County and State, Frank W. Prior, who being duly sworn, said that he is acquainted with the location of the following named mining claim, the "Mayflower" claim, and that he has done the amount of discovery work as required by law and that the claim is a mixed mining claim.

In testimony whereof, he has heretofore set his hand and seal this 12th day of January, 1902.

Frank W. Prior, Seal

Subscribed and sworn to before me this 12th day of January, 1902.

W. E. Parson, Notary Public for Oregon.
Filed for Notice to bursky gives that I, L. P. Cullum, of the County of Blee, Oregon, and situated in the United States, have on the first day of January, 1892, discovered and located a vein of mineral bearing rock in placer

1. an uncarrying gold and silver which vein I have named the Rock.

L. P. Cullum, So. Lair. That the course of this vein is northeast and south.

Proven past that I claim 100 feet length of the discovery monument, in which this notice is posted, and that I claim 200 feet in width, 300 feet on each side of the center of the veins. That the said claim is located in the organized mining district, Baker County, Oregon, the discovery monument being placed 100 feet northward from west end into post and is bounded and described as follows, to wit: Commencing at the discovery monument, thence 200 feet northwesterly to point No. 1, thence 1000 feet northwestly to point No. 2, thence 200 feet northeasterly to point No. 3, thence 200 feet southerly to point No. 4, thence 1000 feet southerly to point No. 5, thence 200 feet northwesterly to point No. 6, and is situated in a said Wesley grant claim, on west end on east side of Deschutes Creek, about 5 miles from Cumpter.

Dated January 1, 1902. L. P. Cullum, Locator.

Subscribed and sworn to before me this 19th day of Jan, 1902.

W. W. Peakes.

Notary Public for Oregon.
To all whom these presents may concern, know ye that I, James H. Graham, a citizen of the United States of Lake City, County of Lake, State of Oregon, do hereby declare and publish as a legal notice to all the world, that I have a valid right to the occupancy, possession, use, and enjoyment, of the King Solomon's Tunnel and Tunnel site, located January 10th, A.D. 1902, for the discovery of mineral and the development of bodies and elevates in Rainy Creek Mining District, Baker County, State of Oregon, described as follows, Tunnel: North of Tunnel on east slope of "Phillips Mountain", or "King Solomon's Rock", from mouth of Tunnel, Baker City, near east 100 North. Site of Tunnel 8 feet wide by 5 feet high in the clear. Course of Tunnel from mouth, west 50 deg. 15 min. north 2000 feet to west end of said tunnel, at which point is set a substantial stake, bring the end stake, and return tunnel mouth, and end stake, the center line of tunnel is marked at 20 ft., 600 feet, 1500 feet, and by a substantial stake at 2000 ft. from the mouth by marked stakes, or blazing and marked trees from the end stake, a stump 9 inches in diameter, marked, O.P. Bear, length 40 deg. 15 min. west 100 feet, from said end stake set a stake north 10 deg. east 1000 feet, from said end stake set a stake north 10 deg. east 1500 feet, from mouth of tunnel set a stake north 10 deg. east 1000 feet, from mouth of Tunnel set a stake south 10 deg. west 1500 feet, which last four mentioned stakes are at the beginning, as the center line of the claim of said tunnel site. And I claim for lines of Tunnel 1500 ft. on each side of the center line of the bore, means of tunnel, and the right to all bodies which may be discovered in the due preservation of said tunnel within 1500 feet on each side of the center line of said bore. I also claim a square tract of land 125 feet on each side of the mouth of tunnel and extending 250 feet immediately below the mouth of the tunnel, as staked upon the ground for dumping purposes, together with all and singular the improvements and appurtenances thereto belonging or in any wise appurtenant, and all rights, granted to the locator as tunnel rights under the terms of Section 2320 of the Revised Statutes of the United States.

Witnessee my hand and seal this 10th day of January A.D. 1902

Notice of Location of Mill Site

Filed for
Record
Jan 17 1902
9 A.M.
J.W. Jones
(Recorder)

Notice is hereby given to all whom it may concern that I, E. C. Dobler, a citizen of the United States, have this day undertook and in accordance with the United States law located five acres of a mill site to be known as the "Old Hope" mill site, situated at the forks of Body and Lyle north of and ad- joining the Helms and Brink mineral claims in Section 15 Township of South, Range 44, East 6th line, Baker County, Oregon. And intended to work and hold said "Old Hope" mineral claim as provided by local custom and rules of miners and mining statutes of the United States. Located on the ground this first day of January 1902, located January 1st 1902.

Attat.: E. C. Dobler, Recorder
Notice is hereby given that on the first day of Jan., 1902, the undersigned citizens of the United States, have discovered and located a vein of mineral bearing rock in place containing gold and silver, which vein we have named the Potosi No. 2.

That the course of this vein is northwesterly and southeasterly, and that we claim fifteen hundred feet in such direction of the discovery monument on which this notice is posted, and that we claim three hundred feet of surface ground on each side of the center of the vein. That said claim is located in the organized mining district in Lake County, Oregon, the discovery monument being placed at the west center and stake set is bounded and described as follows:

Commencing at the discovery monument, thence 200 feet north to south west corner, thence 1500 feet east to south east corner, thence 200 feet north to north west corner, thence 1500 feet west to north west corner, thence 200 feet south to east center and stake, place of beginning. The above described quarter claim is bounded on the east by the southeast quarter claim, and on the west by the south quarter claim.

Dated January 1st, 1902.

State of Oregon

County of Baker

I, Fred Smith, being first duly sworn, on oath, depose and say, that I am one of the original locators of the claim described in the written notice of location of the Potosi No. 2 mining claim, and that said notice is a full, true and correct copy of the original notice of location posted on said claim. That I did between the first day of January, 1902, and the 16th day of January, 1902, from the discovery work required by the statutes of the State of Oregon on said claim, by running a tunnel 200 feet extending the ledge, and said work was done on said claim within sixty days from the date of location thereof, and there was thereby discovered a body or vein of mineral deposit in place.

Fred Smith

Subscribed and sworn to before me this 16th day of January, 1902,

J.R. E. Green

Notary Public for Oregon
Notice is hereby given that the undersigned citizens of the United States of America, conforming to the mining laws thereof and of the State of Oregon and the local rules, regulations and customs of miners have made this ... day of January A.D. 1902, the said and its claim 1579 hundred square feet on the lead body or vein bearing mineral in place, by two hundred feet in width, the same being 300 hundred feet on each side of the center thereof, together with all羚羊, square and angles, and all other mines or bodies, the top or surface of which lie within said boundaries. This location is named the Colorado Lode or Mine, and is situated on the South Slope of Beorin Mountain and joins the Morning Star mining claim on its east side, and also joins the San Piers claim on its south end, and crosses Ashley Creek, and is about 3/4 of a mile west of Ashley Creek, and the discovery monument upon which this notice is posted is situated about one mile southwest of McCougall's Camp. This claim was located in 1902, by Morgan and others and was called the Conanga, and they forfeited it by failing to perform the assessment work for 1901. This lead, lode or vein extends 700 feet in a northerly direction and 750 feet in a southerly direction from the discovery monument and the claim is bounded and described as follows: Commencing at the north corner of the monument which is situated 500 feet in a northerly direction from the discovery monument, running thence in a southerly direction 300 feet to the northeast corner monument, thence in a southerly direction 1500 feet to the southeast corner monument, thence in a southerly direction 750 feet to the southwestern corner monument, thence in a northerly direction 1500 feet to the northwest corner monument, thence in a southerly direction 300 feet to the said north corner and ending the place of beginning. The adjoining claims are the Morning Star and San Piers.

All the monuments aforesaid are marked upon the side passing toward the discovery with the name of the claim and the corner or end points which each of said monuments represents, and all of said monuments are at least four inches in diameter and at least four feet high above the ground. Discovered on the 1st day of January A.D. 1902.

Located on the 1st day of January A.D. 1902.

John Smith, Plaintiff and Claimant.

Witnss by: L. S. Stevens.
State of Oregon
County of Baker, vs. J. Dunn filed the following curator that I am a citizen of the United States of America, and that I am acquainted with the mining ground described in the notice of location and located within the Colorado, ledge, lode or claim; that the ground and claims therein described or any part thereof was not to the best of my knowledge and belief been located according to the laws of the United States and of this state, or if so located that the same has been abandoned or forfeited by reason of the failure of such person to comply with the requirements of said law and that I have opened up new ground to the extent or depth of ten feet as required by the laws of Oregon and that all stakes and monuments marking bounds of said claim are in proper place and positions.

Jas. Dunn

Subscribed and sworn to before me this 13 day of Jan. 18. 1902

Filed for:

State of Oregon
County of Baker

J. Dunnley, being first duly sworn, say that at
June 17, 1902, all the times hereinafter stated I was and am now a citizen of the United
States, over the age of twenty-one years, that I am not a holder of
or in possession of any mining claims, mineral, held, located and recorded as the Snow Storm, quality mining claim, the Blackcut, quality mining claim and the Alps, quality mining claim, situated on the head of Black Creek, in Baker County, Oregon, that to my personal knowledge on and between the first day of October, 1901, and the first day of
January, 1902, there was performed work and labor upon and for the use and benefit of each of said claims of the value of at
least one hundred dollars, that such work and labor was performed
for the use and development of each of said claims, and such work was performed consisting in the driving of a tunnel on the Snow Storm quality claim, and was so performed for the use and benefit of each of said claim. That in addition thereto and between said dates, more than one hundred dollars in wages was performed upon what is known, held, located and recorded as the Viper, quality mining claim, such work and labor consisting of making
open cuts and driving a tunnel through, That the same
things are true as to the ten quarter mining claims, that
such work as performed was performed at the instance and
request of the Chloride Consolidated Gold Mining Company
concerning. That said company paid for such work and
labor, and that it was so performed for the purpose of doing
the annual assessment work on each of said claims and the
improvements thereon, and I make this affidavit for
that purpose. All of said claims being situated on the
Creek, Baker County, Oregon. James Murphy,
subscribed and sworn to before me this 17 day of January
1902.

Notary Public for Oregon
Notice is hereby given, that on the undesignated Isaac King and Homer Graham Curry of the United States, have on the first day of January, 1902 discovered and located a vein of mineral bearing rock in place, carrying gold, silver, or other metals, which vein is here named Gold Dollar. That the course of this vein is northwesterly and southwesterly and that we claim 300 feet northerly and 1200 feet southerly of the discovery monument on which this notice is posted, and that we claim 300 feet on each side of the center of the vein. That said claim is located in Section 1, Township 24, Range 22 West of the 6th Principal Meridian, in the Northern Canada Range, County of Baker, State of Oregon, the discovery monument being placed 300 feet southeasterly from both east sides of the Lost Chute and is bounded and described as follows: Commencing at the discovery monument, thence 300 feet northeast to southwest center, thence 500 feet northerly to northeast corner stake No. 2; thence 1200 feet southeasterly to southwest corner stake No. 3; thence 500 feet southwesterly to southwesterly corner stake No. 4; thence 1200 feet northerly to northeast corner stake No. 5; thence 300 feet northeasterly to northeast center stake No. 1, and to intersect with said lines of the Lost Chute, and the northwesterly lines of the Independence and the quartz mining claims, and that we claim all skips south and angles of said leads. Isaac King

Homer Graham Curry

State of Oregon

County of Baker.

Personally appeared before me, a Notary Public in and for said County and State, H. W. Graham, who being first duly sworn, says that he is one of the locators of the Gold Dollar quartz mining claims and that he has done the location work as prescribed by law by running an open cut 10 feet long, 10 feet deep and 3 feet wide and work being done between the dates Jan 1st, 1902 and Jan. 15th, 1902.

Subscribed and sworn to before me this 20th day of Jan., 1902.

Notarial Seal.

Notary Public for Oregon.
Notice is hereby given that we, Isaac Thring and W. E. Graham, citizens of the United States, have on the 11th day of June, 1902, discovered and located a vein of mineral bearing rock in place, carrying gold, silver or other metals, which vein we have named the Little Jinn. That the course of this vein is northerly and southerly and that we claim 1500 feet northeasterly from the location notice of the discovery monument on which this notice is posted, and that we claim 500 feet on each side of the center of the vein. That said claim is located in the unorganized mining district, Baker County, Oregon, the discovery monument being placed at point and corners, and is bounded and described as follows, to wit: Commencing at the discovery monument, thence 200 feet S.E. to S.W. corner point, thence 1000 feet North 2 degrees, 30 minutes East, to N.E. corner point, thence 1000 feet South 2 degrees, 30 minutes East, to S.W. corner point, thence 1000 feet South 2 degrees, 30 minutes West, to S.E. corner point, thence 200 feet S.E. to the center and center.

Personally appeared before me, a Notary Public in and for said County and State, W. E. Graham, who being first duly sworn, said he is one of the locators of the Little Jinn mining claims and that he has done the location work as prescribed by law by running an open cut, 11 feet long, 10 feet deep and 4 feet wide, said work being done between the 11th day of June 1902 and the 20th day of June, 1902. W. E. Graham.

Notario Publico for Oregon.

W. E. Graham, Notary Public for Oregon.
Notice is hereby given that the undersigned, having complied with the requirements of Chapters 930 and 1339, Laws of Oregon, the Revised Statutes of the United States, and the local customs, laws, and regulations, has located 1500 linear feet, with surface ground of 600 feet, of the ledge or ledge bearing mineral, in the non-organized mining district, County of Baker, State of Oregon, and described as follows: Commencing at this notice and going in a westerly direction for 300 feet to the southwest corner, thence 1500 feet in a northwesterly direction to the northwest corner; thence 600 feet in an easterly direction to the northeast corner; thence 1500 feet in a northerly direction to the southwest corner; thence 300 feet in a westerly direction to the place of beginning.

This claim is located, recorded, and known as the Jinks claim. This claim is situated on the divide between Knaps and Tulah and the East Fork of Rock Creek, about three quarters of a mile from the Bailey monument.

Dated on the ground this 1st day of January, 1902.

Mammoth
Early Mining Location Notice.

Filed for Record
Jan. 11, 1902

Notice is hereby given, that we, the undersigned citizens of the United States of America, conforming to the mining laws thereof, and of the State of Oregon, and the local rules, regulations, and such thereof, have this 30th day of November, A.D. 1902, located a mining claim in Baker County, State of Oregon, and have therein performed and staked 40 feet of tunnel, 500 feet of trench, and 200 feet of ground bearing mineral in place, by two hundred feet in width, the same being 500 feet on each side of the center thereof, together all depths, shafts, and angles, and all other parts or bodies, the tops or spurs of which lie within said boundaries. This location is named "Mammoth," and is situated in Baker County, State of Oregon. This claim is estimated on Section 15, Township 12, Range 46, Sixty-six and 2/3 East of Willamette Meridian, in Baker County, State of Oregon, and the discovery monument upon which this notice is posted is estimated about 2,000 feet in a northerly direction from the south east corner of Section 15, Township 10, Range 46, Sixty-six and 2/3 East of Willamette Meridian. This had, leads or vein extends 400 feet in a northerly direction, and 1,000
but in a westerly direction from the discovery monument, and the
claim is bounded and described as follows: Commencing at the East
center and monument which is situated 400 feet in a westerly direc-
tion from the discovery monument, running thence in a northwesterly
direction 300 feet to the northeast corner monument; thence in a westerly
direction 300 feet to the northwest corner monument; thence in a northwesterly
direction 300 feet to the west center end monument; thence continuing in a westerly
direction 300 feet to the southwest corner monument; thence in a south-
westly direction 300 feet to the southwest corner monument, thence in a south-
westernly direction 300 feet to the east end center and stake the place
of beginning. The adjoining claims are bounded on the east and south
by the Moonshine placer mining claim. All the monuments opined
are marked upon the side facing toward the discovery with the name
of the claim and the corner or end center which each of said mon-
uments represents, and all of said monuments are at least four inches
in diameter and at least four feet high above ground.

The Good Luck No. 2.

Notice is hereby given that J.W. English, a citizen of the United States, has on this first day of January, 1903, discovered and located a vein of mineral-bearing rock in place, carrying gold and other minerals, which vein I have named The Good Luck No. 2.

That the course of this vein is northerly and southerly and that I claim fifteen hundred feet, five hundred feet northerly and one thousand feet southerly from the discovery monument on which this notice is posted, and that I claim two feet in width, three hundred feet on each side of the center of the vein.

That said claim is located in Table Rock (unorganized) mining district, Basque County, Oregon, the discovery monument being placed at the east end of discovery shaft, and is bounded and described as follows, to-wit:

Commencing at the discovery monument, thence north 500 feet to N. end center stake, east 300 ft. to N.E. corner stake, south 1500 ft. to south-east corner stake, west 300 ft. to S. center end stake, west 300 feet to S.W. corner stake, north 1500 ft. to N.W. corner stake, east 300 ft. to N. center end stake.

This claim is situated between "Little Baldy" and "Brow Point" mountains and lies along the saddle or divide between Lake Creek and McColough Fork, and is on both
sides of the county line between Baker and Grant.
Adjoints the "Igno" quartz claim on the north and the "Good
Luck No. 1" on the south.
Dated January 6, 1902.

State of Oregon, 83:
County of Baker.

I, J. M. English, being first duly sworn, on
oath depose and say, that I am a citizen of the United State
and locator of the claim described in the within notice of
location of the "Good Luck No. 2" mining claim, and that
said notice is a full, true and correct copy of the original
notice of location posted on said claim.

That I did, between the first day of January, 1902, and
the fifth day of January, 1902, perform the discovery
work required by the statutes of the State of Oregon, on said
claim by sinking an open cut four feet wide, six feet deep and
ten feet long, and said work was done on said claim
within sixty days from the date of location thereof, and
there was thereby disclosed a body or vein of mineral de-
posit in place.

J. M. English.

Subscribed and sworn to before me this 26 day of
January, 1902.

Wm. F. Flip.
Notary Public for Oregon.

"Daisy of the West"

Notice is hereby given, to all whom it may concern, that
Andro Virgil and James Wilson, Miners, citizens of the United States,
over the age of twenty-one years, ha - this day located, under
and in accordance with the revised statutes, chapter six,
title thirty-two, the following described mining ground viz: -
Commencing at this location (Quarry) notice and
running 30 feet south-saurterly to S. E. center end stake;
then 300 feet south-westerly to South West corner stake;
then 1500 north-west to N.W. corner stake; thence 600
N.E. to N.E. corner stake; then 1500 feet south-east to South
East corner stake; thence, 300 feet South-west to place of beginning.
This claim is about two miles north of the Buckeye mine and two miles east of McAllisters Ranch, situated in Buckeye Mining District, County of Baker, State of Oregon, and known as the "Arizonas of the West" quarter mining claim. And we intend to hold and work said claim as provided by local customs and rules of miners and mining statutes of the U.S.

Noted on the ground this 10th day of November 1901.

State of Oregon.

County of Union.

I, J. H. Graves, do solemnly swear that I am a citizen of the United States of America, that I am acquainted with the quarter claim described within notice of location called the "Arizonas of the West" quarter mining claims, that the location of this claim was prior to this date of this affidavit, and since the date of posting of this location notice, thereon sunk a shaft ten feet in depth from the lowest part of the collar thereof, separate or cross-cut, or tunnel, which cut the ledge at the depth of ten feet or has excavated an open shaft six feet deep, four feet wide and ten feet in length along the ledge.

J. H. Graves

Sworn and subscribed to before me this 21st day of January, 1902.

O. M. Thomlinson

I, William Bevis, being first duly sworn, do
before and say that I have been employed by J. L. Stewart and
J. L. Perkins, the owners of the "Oreland" group of quartz mining
claims situated in Baker County, partly in Grant County and partly
in Baker County, Oregon, to do the annual assessment work
thereon. That during the month of October, 1901, I performed
the said work, which consisted of driving a tunnel for a dis-
tance of twenty-four feet on the Baker County claims, the
same being a part of the said Oreland Group. That the
cost of running the said tunnel was about 88 1/2 cents per foot; that
there has been expended altogether on the said work about
$207.00, and the work done on the said claim during the
season of 1901, cost and is reasonably worth the sum
of $207.00.

W. L. Bevis.

Subscribed and sworn to before me this 26th day of

R. C. Anderson

Justice of the Peace.

Kames Precinct.
Notice is hereby given, that J. Lange & Munroe, a citizen of the United States, have on this 1st day of January, 1902, discovered and located a vein of mineral-bearing rock in place containing gold, silver or other metals, which vein I have named The Flora. That the course of this vein is southerly from Silver Creek, and that I claim fifteen hundred feet southerly of the discovery monument on which this notice is posted, and that I claim 300 feet on the southeasterly sides and twelve
and seventy feet northwesterly sides of the center of the vein. That said claim is located in Baker County, Oregon, the discovery monument being placed about 100 feet west from the tunnel mouth on the Gold Bug claims and is bounded and described as follows, to wit: Commencing at the discovery monument, thence 200 feet southwesterly to N. E. corner of claim marked by a post, thence 100 feet southerly to N. E. corner of claim marked by a post, thence 200 feet southerly to northwesterly center and post, thence 12 feet northwesterly to north corner of claim marked by a post, thence 1000 feet southerly to southwest corner of claim marked by a post, thence 12 feet southerly to S. W. center and post. Place of beginning.
This claim adjoins the Sopha and Gold Bug quartz claims on the southeasterly sides thereof.

Lange & Munroe, Locators

State of Oregon
County of Baker

I, Ike White, being first duly sworn on oath, say that the within is a true and correct copy of the original notice of location of the Flora quartz mining claim. That said claim is located in Baker County, Oregon, the location of which was determined byexclusive survey and discovery, and that said claim is bounded and described as follows, to wit: Commencing at the discovery monument, thence 200 feet southerly to N. E. corner of claim marked by a post, thence 12 feet southerly to S. W. center and post. Place of beginning.

Ike White

Ike White, being first duly sworn, declares that he was present at the time of the location of said claim and that he saw the same being marked by the claimants.

Ike White

Notary Public for Oregon

Feb. 17, 1902
Notice is hereby given, that I, N. C. Richards, a citizen of the United States, have on the 17th day of January, 1902, discovered and located a vein of mineral bearing rock in place, carrying gold, silver, or other metals, which vein I have named the "Lucky Dick." That the course of this vein is southerly, and that I claim fifteen hundred feet south of the discovery monument on which this notice is posted, and that I claim 500 feet on the southeasterly side and 12 feet on the northwesterly side of the center of the vein. That said claim is located in Eagle Creek mining district, Baker County, Oregon. The discovery monument being placed about 400 feet south from the tunnel mouth on the Gold Bug claim and is bounded and described as follows:

Commencing at the discovery monument, thence 200 southerly to N.W. corner of claim marked by a post, thence 1000 feet southerly to N.E. corner of claim marked by a post, thence 200 feet northwesterly to E.W. center and post, thence 12 northwesterly to N.W. corner of claim marked by a post, thence 1000 feet northwesterly to N.N.W. corner of claim marked by a post, thence 12 feet northwesterly to N.E. center and post, thence 2000 feet southerly to the beginning. This claim joins the Gold Bug and State quartz claims on the southeasterly side thereof. N. C. Richards

Date: Jan. 17, 1902

I. C. White

County of Baker

I, I. C. White, being first duly sworn on oath, say that the above is a full, true, and correct copy of the original notice of location of the "Lucky Dick" quartz claim, that between the first day of Feb., 1902, and the 17th day of Feb., 1902, I performed the discovery work on said claim at the request of N. C. Richards, the locator thereof. That said discovery work consisted in sinking a shaft 4x6 and 10 feet deep from the bottom part of the vein in the surface and disclosed a vein of mineral deposit in place.

I, I. C. White, do hereby and do swear that the above is true.

Date: Jan. 17, 1902

Notarized Seal

J. B. White

Notary Public for Oregon
Notice is hereby given, that Geo. Davis, a citizen of the United States, has on the 9th day of January, 1902, discovered and located a vein of mineral bearing rock in place, carrying gold and silver, which vein I have named "Wade." That the course of this vein is easterly and westerly, and that I claim 1800 feet east of the discovery monument on which this notice is posted, and that I claim 300 feet on each side of the center of the vein.

That said claim is located in an unorganized mining district, Baker county, Oregon, the discovery monument being placed 16 mile north from Reel Lodge miles, and is bounded and described as follows, to-wit:

Commencing at the discovery monument, thence 300 feet north to north-west corner stake; thence 1800 feet east to the north-east corner stake; thence 300 feet south to east center stake; thence 300 feet south to south-east corner stake; thence 1800 feet west to south-west corner stake; thence 300 feet north to west center stake, or place of beginning.

Dated Jan. 9th, 1902.

George Davis, Locator.

County of Baker.

I, Thomas A. Kittler, being first duly sworn, do say that I am representing the locator of the claim described in the within notice of location of the Wade's mining claim, and that said notice is a full, true and correct copy of the original notice of location posted on said claim.

That I did, between the 7th day of January, 1902, and the 17th day of February, 1902, perform the discovery work required by the statutes of the State of Oregon, on said claim, by running a tunnel six feet high, four feet wide, and fifteen feet long, and said work was done on said claim within sixty days from the date of location thereof, and that was thereby disclosed a body or vein of mineral deposit in place.

Thomas A. Kittler.

Subscribed and sworn to before me this 14th day of Feb., 1902.

G. F. Knox.

Notary Public for Oregon.
Notice is hereby given, that I, Thomas A. Kistler, an over 21 years of age, citizen of the United States, have on the 24th day of January, 1902, discovered and located a vein of mineral bearing rock in place, carrying gold and silver, which vein I have named the Johnson Mine.

That the course of this vein is easterly and westerly and that I claim 1500 feet westerly from the discovery monument, on which this notice is posted, and that I claim 300 feet on each side of the center of the vein.

That said claim is located in an unorganized mining district, Baker County, Oregon, the discovery monument being placed on the east center of stake 23 mile north from the "Reel Lodge" Mine, and is bounded and described as follows, to wit:

Commencing at the discovery monument, thence 300 feet north to the north-east corner stake; from thence, 1500 feet west to the north-west corner stake; from thence, 300 feet south to the west center and stake; from thence, 200 feet south to the south-west corner stake; from thence, 1500 feet east to the southeast corner stake; and from thence, 300 feet north to east center and stake, or place of beginning.

Dated 9th of January, 1902.

Thomas A. Kistler, Locators.

State of Oregon:

I, Thomas A. Kistler, being first duly sworn, on oath deposit
say, that am the locator of the claim described in the with
in notice of location of the Johnson mining claim, and
that said notice is a full, true and correct copy of the orig-
inal notice of location posted on said claim.

That I did between the 24th day of February, 1902, perform
the discovery work required by the statutes of the State of Oregon
on said claim, by running a tunnel six feet high, 1/2 feet wide
and 15 feet long, and said work was done on said claim within
sixty days from the date of location thereof, and there was thereby
disclosed a body or vein of mineral deposit in place.

Thomas A. Kistler.

Subscribed and sworn to before me the 14th day of July, 1902.

C. S. Keen.

Notary Public for Oregon.
Notice is hereby given that we, the undersigned citizens of the United States, have on this 27th day of February, 1902, discovered and located a vein of mineral bearing rock in place, carrying gold, silver, or other metals, which vein we have named the Tempest. That the course of this vein is southeast and north-west, and that we claim 1,500 linear feet of said vein, the northeast corner and stake being 1,000 ft. from the discovery monument on which this notice is posted, and that we claim a surface ground 300 feet on each side of the center of the vein.

That said claim is located in an organized mining district, Baker County, Oregon, the discovery monument being placed 200 feet northwest of said shaft, and is bounded and described as follows: 'Beginning at the discovery monument, thence, and is situated about 10 miles from Sumpter, and about 2 miles from the Mammoth Summit, in northerly direction, and joins the Pott's Claim on the east, the boundaries thereof being distinctly marked by an insubstantial post, or at each corner of said claim and at each cut in said line.' And we intend to hold and work said claim in accordance with the laws of the State of Oregon.

Said February 27th, 1902

[Seal Attached]

Notary Public for Oregon.
Notice is hereby given, that Wm. A. A. Groves, Charles E. Bugger, Ed. E. Howser and J. G. Harrison, citizens of the United States, have on the 3rd day of January, 1902, discovered and located a vein of mineral bearing rock in place, carrying gold, which vein we have named the "Harrison." That the course of this vein is north-westerly and south-easterly, and that we claim 1500 feet on and along the ledge or vein and six hundred feet in width, being 300 feet on each side of the center of the vein and of the discovery monument on which this notice is posted, and that we claim 200 feet in width on each side of the center of the vein.

That said claim is located in no. mining district, Baker County, Oregon, the discovery monument being placed about 200 feet north-westerly from the south-easterly center and stake is bounded and described as follows, to wit:

Beginning at the discovery monument, thence, south-easterly about 200 ft. to the center end stake, thence, southerly 300 ft. to the S. corner stake No. 1, thence, northerly 1500 ft. to the S. W. corner stake No. 2, thence, 300 feet northerly to the north-westerly corner stake No. 3; thence, south-easterly 1500 ft. to the N. Easterly corner stake No. 4; thence, southerly 300 ft. to the said center end stake at south-easterly end of said claim and adjoining the Little Johnnie Quartz Claim.

Dated, January 3rd, 1902.

A. A. Groves, Location Agent.
Chas. E. Bugger.
Ed. E. Howser.
J. G. Harrison.

State of Oregon
County of Baker

I, Charles E. Bugger, being first duly sworn, on oath depose and say, that I am one of the locators of the claim described in the within notice of location of the "Harrison" mining claim, and that said notice is a full, true and correct copy of the original notice of location posted on said claim.

That I did, between the 3rd day of January, 1902, and the 23rd day of January, 1902, perform the discovery work required by the statutes of the State of Oregon on said claim by sinking an opening on the lead 10 ft. long, 10 ft. deep, 15 ft. wide, said workings being on said claim within twelve months from the date of location thereof, and that there was thereby disclosed a body or vein of mineral deposit in place.

Subscribed to and sworn to before this 3rd day of January, 1902.

Notary Public for Oregon.
Notice is hereby given, that we, A. A. Grover, Charles E. Pugger, Ed. E. Mower and J. H. Harrison, citizens of the United States, have on the 24th day of January, 1903, discovered and located a vein of mineral bearing rock in place, carrying Gold, which vein we have named "The Little Johnnie." That the course of this vein is north-westerly by south-southerly, and that we claim 1500 feet along and on said ledge and six hundred feet in width, being 300 feet on each side of the discovery monument on which this notice is posted, and that we claim 300 feet in width on each side of the center of the vein.

That said claim is located in No. mining district, Barlow County, Oregon, the discovery monument being placed about 200 feet south-southerly from the north-west center and stake and is bounded and described as follows, to wit:

Commencing at the discovery monument, thence north-westerly 200 feet to the center and stake; thence, north-westerly 300 feet to corner stake No. 1; thence, south-southerly 300 feet to corner stake No. 2; thence, south-westerly 300 feet to corner stake No. 3; thence, north-westerly 300 feet to S. H., corner stake No. 4; thence, south-westerly 300 feet to the westerly center and stake, adjoining the "Harrison" Priory Claim.

Noted January 23, 1903.

State of Oregon.

County of Barlow.

I, Chas. E. Pugger, being first duly sworn, on oath do de-
pose and say, that I am one of the locators of the claim de-
scribed in the within notice of location of the "Little Johnnie" mining claim, and that said notice is a full, true, and cor-
rect copy of the original notice of location posted on said
claim.

That I did between the 24th day of January, 1903, and the 23rd day of January, 1903, perform the discovery work required by the statutes of the State of Oregon, on said claim, by staking an open cut on the ledge 10 feet long, six feet deep and 4 feet wide, and said
work was done on said claim within 60 days from the date of
location thereof, and there was thereby disclosed a body or
vein of mineral deposit in place.

Chas. E. Pugger.

Subscribed and sworn to before me this 23 day of Jan., 1903.

W. J. Newbury.

Notary Public for Oregon
Notice is hereby given that I, Henry Will, a citizen of the United States, being on the 1st day of January, 1902, discovered and located a vein of mineral bearing rock in placer carrying gold and silver, which vein I have named the Standard.

That the course of this vein is north and southward, and that I claim 1,000 feet of this vein of the discovery movement on which this notice is posted, and that I claim 500 feet on each side of the center of the vein. That said claim is located in the organized mining district, Baker County, Oregon, the discovery movement being placed about 250 feet southerly from northwesterly corners and stakes, and is bounded and described as follows, to wit: Commencing at the discovery monument, thence 250 feet northerly to W. c. n. c. corner and stake, thence 200 ft. W. to northerly corner stake No. 1, thence 1500 ft. N. W. W. as westerly corner stake No. 2, thence 300 ft. N. W. W. northerly corner and stake No. 3, thence 300 ft. N. E. E. to southerly corner stake No. 4, thence 100 ft. N. E. to easterly corner stake No. 5, thence 300 ft. N. W. to northeast corner and stake No. 6, thence 250 ft. southerly to discovery of placer of beginning. Said claim joins the Washington quartz claim on the south.

Henry Will, locator

Notarized Jan 1st, 1902

Notary: Albert J. S. Bruce

Henry Will, being first duly sworn, on oath, deposes and says, that I am the locator of the claim described in the notation notice of location of the Standard mining claim, and that said notice is a gold, true and correct copy of the original notice of location posted on said claim. That I filed between the 1st day of January, 1892, and the 25th day of January, 1902, a claim in accordance with the statutes of the state of Oregon, on said claim, by running a crosscut tunnel 15 feet long, and 3 feet square, and in said tunnel 500 feet in the placer and 30 feet deep, and said work was done on said claim within sixty days from the date of location thereof, and there was thereby discovered a body or vein of mineral deposit in placer.

Henry Will

Notarized and sworn to before me this 28th day of January, 1902.

Notary Public for Oregon, residing at Carnifex.

I, Albert J. Bruce, of Carnifex, Oregon, hereby certify and testify that I have read the foregoing affidavit of Henry Will. That I am acquainted with Mr. Will, and the property known as the Standard quartz claim. That said affidavit and the whole thereof is true as I verily believe, Albert J. Bruce, Notary Public and sworn to by Albert J. Bruce, the undersigned notary public.
Notice is hereby given that I, Albert G. E. Drew, a citizen of the United States born on the 15th day of June, 1862, discovered and located a vein of mineral bearing rock in place, carrying gold and silver which vein I have named 'The Daisy'. That the course of this vein is southerly and southeasterly and that I claim 1500 feet of this vein of the discovery monument on which this notice is posted, and that I claim 500 feet on each side of the center of the vein. That said claim is located in an organized mining district, Baker County, Oregon, the discovery monument being placed 500 feet north from S.W. corner and 500 feet east from N.E. corner, and is bounded and described as follows: Commencing at the discovery monument, thence 200 feet north to S.W. corner and thence 200 feet east to S.E. corner and thence 500 feet south to W.E. corner; thence 1000 feet west to N.W. corner; thence 200 feet south to S.E. corner; thence 1000 feet west to W.E. corner; thence 200 feet south to S.E. corner; thence 1000 feet west to N.W. corner; thence 500 feet north to discovery or place of beginning. Said claim joins the known claims or other claims on the north. Albert G. E. Drew
Said to Jan 1st 1902
Alfred Henry Will

County of Baker

I, Albert G. E. Drew, being first duly sworn, do make oath and say that I am the locator of the claim described in the within notice of location of the 'Daisy' quartz mining claim, and that said notice is full, true and correct copy of the original notice of location posted on said claim. That I did between the 1st day of January, 1902, perform the discovery work required by the statutes of the State of Oregon, on said claim by digging a crosscut tunnel to reach the ledge which said tunnel in 18 feet in length by 6.5 feet deep and 4 feet wide and said work was done on said claim within sixty days from the date of location thereof, and there was thereby discovered a ledge or vein of mineral deposit in place. Albert G. E. Drew
Signed and sworn to before me this 18th day of January, 1902.
W. E. McKee, Notary Public for Oregon

I, Henry Will hereby certify that I am acquainted with the quartz claim now on the 'Daisy' and the locator Albert G. E. Drew, and the work done on said claim. That I have read the above and foregoing attached affidavit of said Drew and that the same is true as I verify belove:
Henry Will

O. H. McColough
Notary Public for Oregon
Filed for Record Feb 26, 1902. Notice is hereby given that Mr. E. H. Miner and C. A. Tietel, citizens of the United States, have on the 1st day of July 1902 discovered and located a vein of mineral bearing rock in place, occurring gold in quantities which vein we have named The Midnight. That the course of this vein is north and southwesterly, and that we claim said vein on both sides of the center of the vein. That said claim is located in the unorganized mining district, Baker County, Oregon, the discovery monument being placed about 4.5 miles from the North Pole mill and is bounded and described as follows: commencing at the discovery monument, thence 100 feet northerly to start center and stake; thence 200 feet southerly to northwesterly corner stake; thence 1000 feet easterly to northeasterly corner stake; thence 200 feet southerly to south center and stake; thence 500 feet southerly to south center and stake; thence 1000 feet southerly to southwestern corner stake; thence 500 feet northerly to west center and stake.

Dated 1st day of January 1902, E. A. Tietel
C. A. Tietel

State of Oregon, County of Baker, I, E. A. Tietel, being first duly sworn, on oath deposes and says, that I am representing the location of the claims described in the within notice of location of the Midnight quartz mining claims, and that said location is a full, true, and correct copy of the original notice of location posted on said claim.

That I did, between the 10th day of January, 1902, and the 20th day of February, 1902, perform the discovery work required by the statute of the State of Oregon, on said claims, by running a tunnel six feet high, four feet wide and eleven feet long, and said work was done on said claims within sixty days from the date of location thereof, and there was thereon declared a body of vein of mineral deposit in place.

E. A. Tietel

Subscribed and sworn to before me this 20th day of February 1902, the 21st day of January 1902, C. A. Tietel

Notary Public for Oregon
Notice is hereby given that as the undersigned citizens of the United States and State of Oregon, do hereby claim 500 feet in a line north by east, a distance of 2000 feet, as bearing west, south, east and north, together with all licks, angles and corners, for mining purposes according to the laws of the United States and the State of Oregon.

Commencement at center point of discovery and running is as follows:

1. North 200 feet.
2. North 200 feet.
5. North 200 feet.

This claim is located in Proszwitz's Belt, Klamath County, Oregon, on the east side of Little Butte Creek and lies west and joining Admiral Jackson mining claims. This claim shall be known as the Admiral Jackson mining claim.

Dated this 8th day of January, 1902

S. M. Bedell

Witness:

J. N. Huntington

Asst. Assessor

State of Oregon

County of Klamath

I, S. M. Bedell, being first duly sworn, do say that an open cut ten feet deep, four feet wide and fifteen feet long has been sunk on the minerals named Admiral Jackson, quantity gold by the location, and that it is a location claim.

S. M. Bedell

G. W. James

Notary Public for Oregon
Notice is hereby given that the undersigned citizens of the United States and state of Oregon, do hereby claim <1579> fifteen hundred feet in length by six hundred feet in width of this mineral leading lead, cobalt, silver, gold, copper, together with all deposits, angles and spurs, water, timber, etc., for mining purposes according to the Revised Statutes of the United States in Part Thirty-two. Commencing at place of discovery and running in a southerly direction 730 feet to the southwesterly corner and stake marked No. 1. Thence southerly 200 feet to the southeastern corner and stake No. 2. Thence southerly 1500 feet to the northeasterly corner and stake No. 3. Thence southerly 200 feet to the northwesterly corner and stake No. 4. Thence southerly 200 feet to the northeast corner and stake No. 5. Thence southerly 200 feet to the northwest corner and stake No. 6. Thence southerly 200 feet to the southwestern corner and stake No. 7. Thence southerly 200 feet to the southwesterly corner and stake No. 8. This claim is located in Taconite and Del Rio, Co., Oregon on the divide between Kildare and Del Rio claim blocks and about 1000 feet below the Autumn Ditch. This claim shall be known as the "Admiral Ashley" mining claim. Dated this 1st day of January 1902.

Henry Weden, Recorder

W. C. Huntington

J. B. Thooley

State of Oregon

County of Baker

I, Henry Weden, being first duly sworn, do deposes and say that I have seen and sworn to the within Admiral Ashley mining claim, 15 feet above the location shown at Lake City, Oregon, February 26th, 1902.

Henry Weden

Witnessed and sworn to before me, the 26th day of February 1902.

W. J. James

Notary Public for Oregon
Notice is hereby given that O. A. Hoffman, a citizen of the United States, born on the 1st day of January, 1832, discovered and located a vein of mineral bearing rock in place, carrying gold which vein I have named the Conklet. That the course of this vein is southerly and that I claim 1500 ft west of the discovery monument on which this notice is posted, and that I claim 500 ft on each side of the center of the vein. That said claim is located in a mining district, Baker County, Oregon, the discovery monument being placed but...from and is bounded and described as follows: Three...commencing at the discovery monument, thence 500 ft south to SE Sec. Thence 1500 ft west to NW Sec. Thence 500 ft north to NE Sec. Thence 1500 ft east to SE Sec. Thence 500 ft south to discovery monument. Said claim lies about 300 ft south of Big road, 1/2 miles NW of the town of Conklet, and is joined on the west by the Bland. The secondly, the claim and on the east by the Oregon County claim.

Dated Feb. 1st, 1902.

O. A. Hoffman, Locator.

State of Oregon.

County of Baker.

I, O. A. Hoffman, being first duly sworn, do say, that I am the locator of the claims described in the within notice of the Conklet County mining claim, and that said notice is a full, true and correct copy of the original notice of location posted on said claim. That I did, between the first day of January, 1902, and the twenty-fourth day of January, 1902, perform the discovery work required by the statutes of the State of Oregon, on said claim by an open cut 10 ft long, 6 ft deep, and 4 ft wide, and said work was done on said claim within sixty days from the date of location thereof, and that was thereby declared a legal or vein mining deposit in place. O. A. Hoffman, sworn and sworn to before me this 24th day of Feb. 1902.

I, Robert Whiting, Recorder and Justice of the Peace of Baker County, do hereby record and publish the foregoing.
Notice is hereby given that John P. English, the above-mentioned
 citizen of the United States, has on this 12th day of January, 1902,
discovered and located a vein of mineral deposit in place, carrying gold and silver, which vein is here named the Bend. That the course of this vein is northeast and southwest and that we claim 100 feet north and 1400 feet southwest of the discovery monument on which this notice is posted, and that we claim 200 feet on each side of the center of the vein. That said claim is located in the unorganized mining district, Baker County, Oregon, the discovery monument being placed about 2 miles northeast from Summit, and is bounded and described as follows, to wit:

Commencing at the discovery monument, thence 100 feet to east center and stake thence 200 feet north to northeast corner stake thence 1000 feet south west to southwest corner, thence 200 feet south to west center and stake thence 200 feet west to southwest corner stake thence 1000 feet west to the southwest corner stake, thence 200 feet west to east center and stake.

John P. English, Locator
Edna House, Locator

State of Oregon
County of Baker

I, N. W. Loy, being duly sworn, on oath, depose and say, that I am representing John P. English and Edna House, the locators of the claim described in the within notice of location of the said Bend mining claim and that said notice is a full, true and correct copy of the original notice of location posted on said claim. That I depose, between the 12th day of January, 1902, and the 22nd day of January, 1902, perform the discovery work required by the statutes of the State of Oregon, on said claim, by staking an open cut 6 feet wide and 6 feet in length, 6 feet deep at place of beginning, or 10 feet from the face and 10 feet at face, and said work was done on said claim within sixty days from the date of location thereof, and that we thereby disclosed a body or vein of mineral deposit in place.

Subscribed and sworn to before me this 22nd day of January, 1902.

N. W. Loy

Notary Public for Oregon
Filing for Record

Notice is hereby given that W.W. Kitchen, citizen of the United States, has on the 12th day of January, 1902, discovered and located a vein of mineral bearing rock in place, carrying gold, silver, and other metals, which vein I have named the "C.O.D.-

That the course of this vein is southeast and northwest, and that I claim 250 feet east and 1000 feet west of the discovery monument on which this notice is posted, and that I claim 300 feet on each side of the center of the vein. That said claim is located in no organized mining district, Baker County, Oregon, the discovery monument being placed 250 feet west from east end center, thence north 200 ft. to northeast corner marked No. 1. thence east 1000 ft. to northwest corner marked No. 2. thence south 200 ft. to southwest corner marked No. 3. thence east 1000 ft. to southeast corner marked No. 4. thence north 200 ft. to east end center. This claim is situated between the east fork and west fork of Round Creek and about three and one-half miles from the town of Baker.

Dated January 1st, 1902.

W.W. Kitchen, Location

County of Baker, Personally appeared before me, a Notary Public, for said County and State, C.H. Barnard, who being first duly sworn, says that he is acquainted with W.W. Kitchen, the locater of this C.O.D. quantity mining claim, and that he has done the location work of said claim by sinking a shaft 12 feet deep 8½ foot broad and 4½ feet across, said work was done during the months of January and February, 1902, for and at the expense of W.W. Kitchen.

Subscribed and sworn to before me this the 21st day of February, 1902.

C.H. Barnard
Notary Public for Oregon
Filed for Record

Notices is hereby given that the undersigned, having complied
with the United States Statutes and the local statutes and regu-
larly Feb 27, 1902, I miners has this day located 1,000 acres of land in this district,
and said location being known as the Nana and described as follows. Commencing at this notice point on a stake about

300 feet from Swedish Creek in Baker County, Oregon and

about one thousand feet southerly from the Golden Eagle mine run off along said line northerly 300 feet to south line of Golden Eagle mine, thence

along said line westerly 1,000 feet to a stake, thence northerly 300 feet to a stake, thence southerly 1,000 feet to a stake, thence westerly 300 feet to a stake, thence northerly 1,000 feet to a stake.

Located this first day of January 1902.

Witness: O. D. Kane

State of Oregon

PROOF OF LABOR

State of Oregon

County of Turner

Personally appeared before me, a Notary Public, March 4, 1902, at 8 a.m., N. J. Stafford, who being duly sworn states that he has filed the contract attached hereto and the same contains the contract existing between J. W. Ferguson of Siskiyou, Wash., party of the first part, and N. J. Stafford of Turner, Oregon, party of the second part, or the party of the second part, by running a shaft and by boring a tunnel, 10 feet long 3 3/4 feet by 6 feet high. Said work on tunnel was heavily timbered where necessary, said work being done during the months of Dec. 1901, Jan. 1902, and Jan. 1902, and said work contract bearing date of Dec. 15, 1901.

Dated this March 1, 1902, N. J. Stafford,

Subscribed and sworn to before me this the 1st day of March, 1902.

W. W. Sells

Notary Public for Oregon

PROOF OF LABOR

State of Oregon

County of Turner

Personally appeared before me, a Notary Public, Dec. 3, 1902, at 4 p.m., D. A. Riodden, who being duly sworn states that a last three thousand dollars worth of labor or improvements were performed on mine shaft and tunnel for the Phillips, White, and Bledsoe joint claim, situated in the vicinity of the Flygott mine, situated in Turner mining district, Klamath County, State of Oregon, during the year ending Dec. 31, 1901. Such expenditure was made by me at the expense of D. A. Riodden on the owner of said claim. For the purpose of holding said claim. D. A. Riodden,

subscribed and sworn to before me the first day of March, 1902.

W. W. Sells

Notary Public for State of Oregon.
Notice is hereby given that the undersigned citizens of the United States, conforming to the mining laws of the State of Oregon, and to the local rules, regulations and customs of mining, have this 7th day of November, 1901, located and do claim a 1,000 hundred dollars' worth in the same block, body or vein, bearing minerals in place by 1,000 hundred dollars' worth, the same being 200 feet each side of the center thereof. Together with all slips, drifts and angles, and all other veins or bodies, the top or apex of which lie within said boundaries. This location is named the Mabel. It is situated in the Granite Mining District, County of Baker, State of Oregon, and described as follows: Commencing at discovery stake and running 200 feet in N. 50th direction to N. 50th corner and stake, thence 200 feet in a northeasterly direction to N. 50th corner and stake, thence 200 feet in a southeasterly direction to S. 50th corner and stake, thence in a southerly direction 200 feet to S. 50th corner and stake, thence 200 feet in a westerly direction to northeast corner and stake. Discovered the 7th day of December, 1901, and located on the 7th day of December, 1901. The discovery monument or stake is about a fourth mile above the Big Horn mine, the same truck and about 3 miles west of Smoke River.

Locators: 
J. P. Huff
G. B. Reif

County of Baker
On this 17th day of February, 1902, personally came before me a Notary Public in and for said County and State, J. P. Huff, one of the owners in the Mabel property mining claim, and who being first duly sworn, deposes and says that at least one thousand dollars' worth of labor or improvements were performed or made upon said claim as location work, that said improvements were made or labor performed at the expense of J. P. Huff and G. B. Reif, owners of said claim as is required by law as location work.

J. P. Huff
Owner

Subscribed and sworn to before me the 17th day of February, 1902.

G. B. Reif
Notary Public for Oregon
Notice is hereby given that I, A. P. Smith, a citizen of the United States, born in this state on July 21, 1822, discovered and located on the 8th day of January, 1902, a vein of mineral deposit, hereinafter called the "Gold Hill," and that the source of the vein is northerly and southerly, respectively, from the discovery monument and that I claim fourteen hundred feet northerly and one hundred feet southerly of the discovery monument on which this notice is posted, said monument being on the east bank of Powder River, about 1 3/4 miles northerly from the city of Laramie, and that I claim three hundred feet on each side of the center line of the vein. Said claim is located in the organized mining district in Laramie County, Wyoming. The discovery monument being placed about 200 feet from the Powder road on the seat of a range of Powder River, about 1 3/4 miles northerly from the city of Laramie, and is bounded and described as follows: Beginning at the discovery monument, thence one hundred feet southerly to the southwest corner and said corner marked by a post marked "Gold Hill No. 5." Thence one hundred feet southwesterly to southwest corner marked by post marked "Gold Hill No. 4." Thence 200 feet southerly to southwest corner and marked by post marked "Gold Hill No. 3." Thence 1800 feet southerly to southwest corner marked by post marked "Gold Hill No. 2." Thence 2000 feet southwesterly to southwest corner marked by post marked "Gold Hill No. 1." Thence 2000 feet northerly to southwest corner and marked by post marked "Gold Hill No. 3." Thence 1800 feet northerly to northwest corner marked by post marked "Gold Hill No. 4." Thence 200 feet northerly to place of beginning at southwest corner and post.

Cherriman, being first duly sworn, do certify, that I am the locator of the claim described in the petition of location of the Thunder Mountain mining claim and that the said petition is a full, true and correct copy of the original notice of location posted on said claim, that I did between the 1st day of January, 1902, and the 1st day of March.
1902. perform the discovery work required by the statutes of the
State of Oregon on said claim, by, finding on said claim a run
out with a 10 foot face exposing the ledge in place to a depth of
ten feet, and said work was done on said claim within sixty
days from the date of location thereof, and there was thereby
declared a lode or vein of mineral deposit in place.

Proof of Lode - Portland Group

Filed for record
State of Oregon

March 7, 1901
County of Baker

A. Anthony Mehn, being duly sworn, on oath, do say:

I, A. Anthony Mehn, being duly sworn, do say:
I came to the scene between the 1st day of January, 1901, and the 15th
of November, 1901, and there when I found a valuable deposit of
minerals on the Portland group mining claim, in the Coon Creek
area, in the County of Baker and State of Oregon. That said Portland
group mining claim is one of four claims:
The Portland, The Hepa, The Queen and the Baha mining claims.
All of said claims constituting one group of claims known as the
Portland Group. That said work consisted of running a channel
on said Portland claim to the length of nearly five feet and that
the value of said work is in the order of fifty dollars, and that said
work was done after the discovery of
all of said claims and did hereby satisfy said claim's ownership
and Portland Group. That said work was done as the annual
assessment work for the year 1901, required by law to be done
in each group of claims, for the owners thereof. W. B. Mehn
and Mrs. H. A. Woodward.

A. Anthony Mehn
Subscribed and sworn to before me this 15th day of November,
1901.
Notary Public for Oregon.
Notice is hereby given that the undersigned, a citizen of the United States, having complied with the requirements of Section Six of Title Thirty-two of the Revised Statutes, and the local customs, laws, and regulations, has located 1,500 acres of land on the north side of the road or vein, bearing gold, silver, copper and other precious minerals, with the surface ground extending 200 feet on each side of the road, and to be known as the "Hob's" mineral claim, situated in mining district, Baker County, Oregon, and described as follows:

1. Begin at a monument along the road, 750 feet north of the N.W. corner, thence S.W. 1,000 feet, thence N.E. 1,000 feet, thence S.E. 1,000 feet, thence N.W. 1,000 feet, to point of beginning, containing 1,500 acres.

2. The location is bounded on the north by the road, on the east and west by unlocated claims, and on the south by other claims.

Located on 11th day of January, 1902.

State of Oregon

County of Baker

I, Joshua Wilder, being first duly sworn, say, that I am the locater of the above named mineral claim, that on the 11th day of January, 1902, I filed a notice of discovery and location of which the foregoing is a copy, on said claim, that the foregoing is a true, correct, exact, and complete transcript of said original notice, and of the whole thing, and that I have compared the same with said original notice, that before the expiration of sixty days from the date of the filing of said notice of discovery upon said claim I performed the location work required by the laws of the state of Oregon, upon said claim, that is to say I have run an accurate 150,000 feet in length, 50 feet wide, and 10 feet deep at face of hill upon said claim, and show by such work a body or vein of mineral deposit in place on said body or vein.

Dibble's.

Filed for

Notice is hereby given, that the undersigned, in compliance
with the requirements of the United States, has this day located
and claimed fifteen hundred (1500) acres, just along the course of this lead
lode or vein of mineral-bearing quality and three hundred (300) feet in width
on each side of the middle of said lead, lode or vein, with all
mineral deposits contained therein, and all timber growing within
the limits of said claims and all water and water privileges therein
or appurtenant thereto, situate in the Vitalia Mining District, County
of Baker, State of Oregon, and more particularly described as follows,

Commencing at this notice and running in a northeasterly direction fifteen hundred (1500) feet and is about one and a half miles
southerly from the Vitalia mine and about the same distance north
from the ORE No. 8. On said and on the eastern slope of Table
Lake and northwesterly from the Todd's some two miles and six
miles southeasterly from Baker City, and shall be known as the Vitalia
mine, located March 5, 1902.

2. In the name of the

State of Oregon,

County of Baker,

I, W. J. Mashburn, do solemnly swear, that I have

located the following described claim, in the

name of the Party, as described below, and that

I have performed the work and labor required

therefor, as prescribed by the laws of the

State of Oregon.

The location is described as follows:

1. The point of commencement shall be a point

at the southeast corner of the

quarter-section

of 24th Range, 13th

T., and 8th

S., in Baker

County, Oregon.

2. The first line shall run due south from the

point of commencement, for a distance of 1,000

feet.

3. The second line shall run due east from the

point of commencement, for a distance of 1,000

feet.

4. The third line shall run due north from the

point of commencement, for a distance of 1,000

feet.

5. The fourth line shall run due west from the

point of commencement, for a distance of 1,000

feet.

In witness whereof, I have signed my name

dated this 15th day of February, 1902.

Amended notice of location:

Notice is hereby given that the undersigned hereby makes and files this amended notice of location upon the mineral claim hereby known as the Gold Bell mining claim situated in the mining district known as the Baby Head mining district, County of Baker and State of Oregon, lying 1000 feet west of a N.E. line running along the course of said creek, 100 feet east of a S.E. line running along the course of said creek, 100 feet west of a N.W. line running along the course of said creek, and 100 feet east of a S.W. line running along the course of said creek, and all lands and lodes within the limits of said claim with their appurtenant minerals and 80 feet from the surface of said claim. Said Gold Bell mining claim is bounded and described as follows:

Beginning at the survey 1902 and compass bearing, 300 feet east of the southwest corner of the Township 15 North, Range 38 East, 2.5 miles west of the town of Enterprise. thence 300 feet west of the north line of said township, thence 1000 feet north of said town and thence 1000 feet south of said town, thence 300 feet east of said town and thence 1000 feet north of said town, thence 1000 feet west of said town, thence 300 feet west of said town and thence 1000 feet north of said town, thence 1000 feet east of said town and thence 300 feet east of said town and thence 1000 feet north of said town, all as described in the record of the land office at Enterprise.

This is the same claim of which the original location notice made by E. P. Brown, Jr., and O. W. Anderson as filed for record in the office of the County Recorder of Baker County, State of Oregon, on the 9th day of March 1922, at 9:00 o'clock a.m., and recorded on page 132, Volume 4, books of quittances and entries of the claims of the State of Oregon, which is filed official records.

This amended location notice is filed with the Secretary of the Treasury of the State of Oregon, together with the required plan and descriptive statements, for the purpose of extending said claim to include the boundary of said claim as originally described and for the purpose of correcting any defects that may exist in the record of said original certificate of location, and is made by the Tammany's Gold Mining Company, lately described and original certificate of location as a part of the area described in the amended certificate of location.

DATED the 16th day of March, 1923.

Tammany's Gold Mining Co.

By: O. W. Anderson

Attorney
March 17, 1902

Notice is hereby given that the undersigned hereby make and give the
arrested notice of location for the mineral location, known as the
Colorado survey claim, situated in unorganized mining district, Baker County
Recorder, State of Oregon, claiming 1200 acres, first as a Northwest stereographic
direction along the course of said state line as run of mineral boundary
quarter and 300 feet on each side of the center of said state line as run
at the surface, and are more, less, and the like unless the lines of said land
and their direction, measured and angle. Said Colorado survey claim
is bounded and described as follows:

Beginning at survey corner running 500 feet to a boundary distance
to the Dutchman creek north, thence Northeastly 1500 feet to the North
creek corner south, thence Westwardly 300 feet to the North and main state
thence Westwardly 500 feet to the Northeast corner state, thence Northeastly
1500 feet to the Southwest corner state, thence Southwardly 500 feet to
the place of beginning. This survey claim is located on the North side of
Big Creek, Baker and about three-fourths 13.07 of a mile Westwardly
from the "Ten Bridges and North Pole." This is the same land as
which the original location notice made by James Rumschlag and
E. Buckley, Esq., is filed for record in the Recorder's office of Baker County
State of Oregon, on the 1st day of December, 1877, as District No. 5, and
recorded in Book 20, Column 32, Book of Twenty claim and afterwards
enrolled to the Tanana Gold Mining Company, a corporation existing
under and by virtue of the laws of the State of Washington, and
Principal office at Seattle. This enrolled notice is filed without notice
of any previous right, for the purpose of locating same and becoming
more especially the boundary of said land as originally located
upon the ground and new existing and for the purpose of securing
and deviding that in the same, and on said enrolled certificate
of location.

And the said Tanana Gold Mining Company hereby
adjoins said enrolled certificate of location as a part of the enrolled
notice of location

Delivered this 13th day of March, 1902.

undersigned John E. Nelson, W. N. Young, and A. M. Kingery, citizens of the
United States, over the age of twenty-one years, having
covered a vein or body of quartz or rock, placer bearing min-
eral, to W. James and within the limits of the claim hereby located here this
day, under and in accordance with the Revised Statutes of the
United States, and the State of Oregon, Chapter six, Title
Thirty-two, located and claims No. 15, fifteen hundred linear
feet of the body or vein of mineral bearing rock, with sur-
face ground six hundred feet in width, together with all
cuts, spurs and angles, contained within the limits of
the said claim and known as the Red Bell mining claim,
located in Baker County, State of Oregon and described as follows:
Beginning at the S.W. corner stake near the N.W. corner stake
of the Lovay mining claim. Running in an easterly direction
1500 feet, six hundred feet, thence in a southerly direction 200
six hundred feet, thence in a westerly direction 1000
fifteen hundred feet, thence in a northerly direction 200
six hundred feet to place of beginning, the said claim is situated in the
Cronite mining district, and located about 500 feet west of the
claim, and about 3/4 mile below Bull-do Landing. We intend to
hold and work said claim according to the statutes of the United
States and of the State of Oregon.
