Amended
NOTICE OF LOCATION OF A QUARTZ CLAIM.

NOTICE IS HEREBY GIVEN to all whom it may concern, that

The Eastern Oregon Mining Company, a corporation, by its authorized agent, Emil Menger,

dwelling in the United States, over the age of 21 years, having discovered a vein or hole of quartz, or rock in place, bearing gold within the limits of the claim hereby located, and have this day, under and in accordance with the Revised Statutes of the United States, Chapter Six, Title Thirty-two, located 15.70 linear feet of this vein or hole, with surface ground 600 feet in width, situated in the Oregon Mining District, County of Baker, State of Oregon, and known as the

Majestic Quartz Mining Claim, and extending 150 feet horizontally to a stake and 150 feet northwesterly to a stake from this notice at the discovery or prospect shaft, which is 1200 feet from the beginning, and on the line of...
The exterior boundaries of this claim being distinctly marked by reference to some natural object or permanent monument, and more particularly described as follows, to-wit:

Commencing at the NE corner, a point, and running thence southerly 500 feet, thence northerly 600 feet to a point, thence northeasterly 500 feet to a point, thence southeasterly 600 feet to the place of beginning. This claim is located in Sec. 8, T. 8 N., R. 37 E., about 900 feet westerly from U.S. Mineral monument No. 4. This is an amended location of the Majestic quartz claim, located on July 8th, 1895, and recorded on page 46 of Book I of Bounty Holders' Records of said Baker County and is made for the purpose of more fully describing the ground claimed, and its rights acquired by the original location are waived by this amended location.

And it is intended to hold and work said claim as provided by local customs and rules of miners and the Mining Statutes of the United States.

Witnessed by:

Eastern Oregon Mining Co.

By: Emil Menger, Agent.

Dated on the ground this 17th day of January, 1901.

NOTICE IS HEREBY GIVEN to all whom it may concern, that

I, Geo. A. Whitney, of Whitney & Company, of Portland, Oregon,

a citizen of the United States, over the age of 21 years, having discovered a vein or lode of quartz, or rock in place bearing gold, silver, and copper, within the limits of the claim hereby located, and have this day, under and in accordance with the Revised Statutes of the United States, Chapter Six, Title Thirty-two, located the said mining claim, extending 570 linear feet of this vein or lode, with surface ground, 100 feet in width, situated in the State of Oregon, in the mining district of Baker County, Oregon, and known as the

[Redacted Information]

This claim embraces a portion of the section line of Section 5 of Township 10 North, Range 36 West, and also crosses the Little Creek just at the uppermost part of the old Little Creek Mining district where work ceased to be profitable, and said claim is bounded on the west by the Evening Star Consolidated and on the east by the Mission claim, and is staked as follows: Stake No. 1, westerly outset and No. 2, N.W. corner No. 3, N.E. corner, No. 4, easterly outset, and No. 5, N.E. corner No. 6, S.W. corner. The N. E. corner stake lies at the N.E. corner bearing line of Sec. 3, T. 10 N., R. 36 W., Oregon. The S. E. corner stake lies at the S.E. corner bearing line of Sec. 3, T. 10 N., R. 36 W., Oregon.

And I, Geo. A. Whitney, intend to hold and work said claim as provided by local customs and rules of miners and the Mining Statutes of the United States.

Dated on the ground this 1st day of January, 1902.

NOTICE IS HEREBY GIVEN to all whom it may concern, that—Dr. B.A. Ferris, a citizen of the United States over the age of twenty-one years do this day make and file this amended location of the claim described herein in compliance with the act of Congress approved May 10, 1872, and all subsequent acts and with the local customs and regulations, and hereby declares the same claim as follows:

The claim is located in Section 24, Township 23 North, Range 2 West of the 3rd Principal Meridian, in the State of Montana, and extends 1/2 mile north and 1/2 mile south and east and west of the line of the 98th Meridian, and is bounded on the north by the line of the 98th Meridian, on the south by a line running due east from the point where the line of the 98th Meridian intersects the north line of the 23rd Range, on the west by a line running due north from the point where the line of the 98th Meridian intersects the west line of the 24th Section, and on the east by a line running due west from the point where the line of the 98th Meridian intersects the south line of the 23rd Range.

Commencing at this notice which is placed at the
north-west corner of the 98th Meridian and latitude 48 degrees 15 minutes, thence running east by north 200 feet to the south-east corner of the 98th Meridian and latitude 48 degrees 15 minutes, thence running north by east 200 feet to the north-east corner of the 98th Meridian and latitude 48 degrees 15 minutes, thence running west by north 200 feet to the north-west corner of the 98th Meridian and latitude 48 degrees 15 minutes, thence running south by west 200 feet to the south-west corner of the 98th Meridian and latitude 48 degrees 15 minutes, thence running west by south 200 feet to the point of beginning.

This claim adjoins the "Blaine" of the Smith.

This amended location is made to correct errors and
inaccuracies in the original location notice reported on said claim and is made without waiver of any
previously acquired rights hereunto.

And I, B.A. Ferris, do hereby declare and record this claim as provided by local customs and rules of miners and the Mining

Statutes of the United States and of the State of Montana.
