J. W. Miller

I, a citizen of the United States, over the age of 21 years, having discovered a vein or body of quartz, or rock in place, within the limits of the claim hereby located, and have this day, under and in accordance with the Revised Statutes of the United States, Chapter Six, Title Thirty-two, located 10.29 linear feet of this vein or body, with surface ground 60 feet in width, situated in the S. W. 1/4, T. 39 N., R. 30 W., Sec. 11, in the Mt. Garfield Mining District, County of Baker, State of Oregon, and known as the Graham-Miller Quartz Mining Claim, extending 2,500 feet north, 574 feet east, and 120 feet south, from this notice at the discovery or prospect shaft, which is 520 feet, 60 feet from the east line of the claim. The exterior boundaries of this claim being distinctly marked by reference to some natural object or permanent monument, and more particularly described as follows, to wit:

Beginning at corner 1, which is the S.E. corner, thence 100 feet, 7 rods, thence 600 feet, 20 rods, to corner 2, thence 150 feet, 20 rods, to corner 3, thence 1,000 feet, 20 rods, to corner 4, thence 600 feet, 20 rods, to corner 5, thence, beginning, thence N. 20° 10' 120°, thence W. 20° 10' 300 feet, to discovery shaft. This claim is located in the SW 1/4, T. 39 N., R. 30 W., Sec. 11, in the Mt. Garfield Mining District, County of Baker, State of Oregon, is bounded on the north by the Liberty, on the east by the Querencia, used by Katy Rail, Telegraph and Rebus Ranch Grant Mining Claims. Federal corner on strike of vein N. 20° 10'.

And I, W. M., intend to hold and work said claim as provided by local customs and rules of miners and the Mining Statutes of the United States.

Dated on the ground this 16th day of October, 1903.

NOTICE OF LOCATION OF A QUARTZ CLAIM.

NOTICE IS HEREBY GIVEN to all whom it may concern that I,

Thomas A. Wilson

a citizen of the United States, over the age of 21 years, having discovered a vein or lode of quartz, or rock in place, bearing gold, within the limits of the claim hereby located, and have this day, under and in accordance with the Revised Statutes of the United States, Chapter Six, Title Thirty-two, located a lode containing 2,000 feet of this vein or lode, with surface ground 2,000 feet in width, situated in the mining district of Independence, Gold, county of Baker, state of Oregon, and known as the

Independence Gold Quartz Claim, and extending 16,200 feet, the boundaries of this claim being distinctly marked by reference to some natural object or permanent monument, and

more particularly described as follows, to wit:

From this point, the south end of the stake, thence east 300 feet to southeast corner stake, thence north 500 feet to north end corner stake, thence west 500 feet to south end corner stake, thence south 500 feet to southwest corner stake, thence east 300 feet to place of beginning.

Located on tributary of East Camp Creek, lying up and down creek and about one mile west and north of East Camp Creek. County of Baker, State of Oregon.

And I, the undersigned, do hereby hold and work said claim as provided by local customs and rules of miners and the Mining Statutes of the United States.

Dated on the ground, this 12th day of November, 1903.

Thomas A. Wilson, Locatlor.
