Location Notice: "C. H. Fraction Mine"

NOTICE IS HEREBY GIVEN: That I, the undersigned, being qualified
and having complied with all the laws relating to the location of Mining Claims, have this
day located the following described piece of ground for mining purposes, and it will be
known as the C. H. Fraction, beginning at this location monument and running north
300 feet to N.E. corner of Gold Coast Mine and the N.W. corner of this claim thence 600
feet in a southerly direction to S.E. corner thence 700 feet in a westerly direction to
the S.E. Corner, at the intersection of the Copper King Mine, and the last distance thence
westerly 700 feet along the N. line of Copper King, to N.W. corner of this claim
containing about five acres.

This claim is in Union County, Oregon about half way between Ballad's
existing and mouth of Pine creek at the foot of the hill near the S.W. corner of Thorn
Flats and about 300 yds. west of Snake River.

Located this 29th day of June, 1899.

Notice of Location of a Quartz Claim:

NOTICE IS HEREBY GIVEN TO ALL WHOM IT MAY CONCERN that we,

F. L. Bowen, and T.W. Bishop, citizens of the United States, over the age of twenty

one years, having discovered a vein or lode of quartz or rock in place bearing gold

and copper within the limits of the claim hereby located and have this day under and in

accordance with the Revised Statutes of the United States, Chapter 63, Title Thirty

two located 1500 linear feet of this vein or lode with surface ground 600 feet in

width, situated in the unorganized mining district, County of Union, State of Oregon

and known as the Doubtful Quartz Mining Claim, extending 150 feet easterly to east

end and 1350 feet westerly to west end from this notice at the discovery or prospect

shaft which is 150 feet from east end line.

The exterior boundaries of this claim being distinctly marked by reference

to some natural object or permanent monument and more particularly described as follows:

to wit: Commencing at discovery running 150 feet.

Easterly to east end center thence 300'.

Soutwesterly to south east corner 1500'.

Westerly 300'.

Northerly " north end center 300'.

Westerly " west corner 1500'.

Easterly " east 300'.

Soutwesterly to east end center, the adjoining claims are the Empire on the

west and the Twenty-first Century on the south and we intend to work and hold said claim as

provided by local customs and rules of miners and mining statutes of the United States.

Dated on the ground this day of ___.

William T. Shaw.

"Iron King" No. 3.

Notice of Quartz Mining Location made on the lode or vein named the Iron King, No. 3, by William T. Shaw, a citizen of the United States, who having complied with the provisions of Chapter Six of Title Tenth of the revised Statutes of the United States and the local laws, custom and regulations did discover and locate on the 29th day of August, 1899, 1500 linear feet along said lode or vein in a westerly direction from the discovery stake, with 300 feet on each side of the lode, the general course or strike of the vein being easterly and westerly. This location is described as being in the organized Mining District, Union County, Oregon, claiming all dips, angles and spur, together with all lodes or veins having a top or apex within these lines. This location is described as being on the ridge, running down to Powder River and about ½ mile north of and from Powder River and on the Ridge west of and over looking Murray Gulch, said vein crossing Murray Gulch about ½ mile from its junction with Powder River.

The exterior boundaries of this claim are described as commencing at the west center end stake and running southerly 300 feet to the south west corner thence 1500 feet easterly to the south west corner thence 300 feet northerly to the east center end stake, thence 300 feet northerly to the north east corner thence 1500 feet westerly to the north west corner thence 300 feet southerly to the west end center stake and place of beginning being about 4 miles south from Sparta.

Dated on the 29th day of August, 1899. William T. Shaw, Locato.

Transcribed from vol "H" Quartz Location Records page 406 Union Co. Records.

William R. Libby.

"Iron King" No. 4.

Notice of Quartz Mining Location made on the lode or vein named the Iron King, No. 4, by William R. Libby, a citizen of the United States who having complied with the provisions of Chapter 6 of Title 32 of the Revised Statutes of the United States and the local laws, custom and regulations did discover and locate on the 28th day of August, 1899, 1500 linear feet along said lode or vein, in a westerly
direction from the discovery stake with 300 feet on each side of the vein. The general course or strike of the vein being westerly and easterly together with all angles, spurs and dips, and all lodes or veins, having a top or apex within these veins. This location is described as being in the organized mining dist., Union Co., Oregon, and partially situated on the high ridge running to Powder River, and the one on which a wagon road runs down to an old arroyo, west of and overlooking Mary's Gulch about 1/2 mile from Powder River and 1/2 mile south westerly from E. Thompson's mining cabin, and just below a lava point.

The exterior boundaries are described as commencing at the east center end or discovery stake and running southerly 300 feet to the south end corner, thence 1500 feet westerly to the south west corner, thence 300 feet northerly to the west center end, thence 300 feet northerly to the north west corner, thence 1500 feet easterly to the north east corner, thence 300 feet southerly to the east end center stake and place of beginning. Dated the 28th day of August, 1899, William B. Libby.

Transcribed from vol. 6, quartz location records page 497 Union Co. Records.

William T. Shaw, "Baldy" No. 1.

Notice of quartz mining location made on the lode or vein named the Baldy No. 1 by William T. Shaw, a citizen of the United States and having complied with the provisions of Section Six, of Title Thirty-two, of the revised statutes of the United States, and the local laws, customs and regulations, who did discover and locate on the 1st day of September, 1899, 1500 linear feet along said lode or vein, in an easterly direction from the discovery stake, with 300 feet on each side of the vein the general course or strike of the vein being easterly and westerly and may be determined together with all dips, angles and spurs, and all lodes or veins, having a top or apex within said lines. This lode, vein and location is situated in what is generally known as the Sparta Mining District, Union County, Oregon, and is situated on the highest ridge west of Tackle Gulch, and south westerly from Baldy Mountain, the nearest known location being the Union and May Eagle Mines, on the east and about 1/4 of 1 mile distant. The exterior boundaries of this location are described as commencing at the west center end stake, and running southerly 300 feet to the south west corner thence 1500 feet easterly in line parallel with vein to the south east corner thence 300 feet northerly to the east center end stake, thence 300 feet northerly to the north east corner thence 1500 feet westerly in a line parallel with the vein to the north west corner thence southerly 300 feet to the west end center stake, and place of beginning.

Dated the 1st day of September, 1899. William T. Shaw, Locator.

Transcribed from vol. 6, quartz location records page 497 Union Co. Records.
George A. Chapman,

"Baldy No. 2"

Notice of Quartz Mining Location made on the lode or vein named the Baldy No. 2, by George A. Chapman, a citizen of the United States, and who having complied with the provisions of Chapter 6, Title Thirty-two, of the Revised Statutes of the United States and the requirements of the local laws, and customs did discover and locate on the 1st day of September, 1899, 1500 linear feet along said lode or vein in a westerly direction from the discovery stake, with 300 feet on each side of the vein. The general course or strike of the vein being westerly and easterly or near as may be determined, together with all dips, spurs and angles, with all lodes or veins having a top or apex within these lines. This location is situated in what is generally known as the Sparta Mining Dist, Union County, Oregon, and is described as being on the highest ridge west of and sloping to Tackle Gulch and about 1500 feet westerly therefrom, and south westerly from Baldy Mountains, the nearest known locations being Baldy No. 1, Union, and Gray Eagle Mines, all on the east. This location joins Baldy No. 1 on the west center line of the same.

The exterior boundaries of this claim are described as commencing at the east center and discovery stake, and running 300 feet northerly to the south east corner thence 1500 feet westerly in line parallel with vein, to the south west corner thence 300 feet northerly to the west center and stake, thence 300 feet northerly to the north west corner thence 1500 feet easterly to the north east corner thence 300 feet southerly to the east center and discovery stake, and place of beginning.

Dated the 1st day of September, 1899. George A. Chapman, Locator:

George W. Slate, et al.  "Mineral"

Notice of Location of a Quartz Claim:

NOTICE IS HEREBY GIVEN TO ALL WHOM IT MAY CONCERN: that I,

George W. Slate, a citizen of the United States, over the age of twenty-one years,
having discovered a vein or lode of quartz or rock in place bearing precious metals
within the limits of the claim hereby located and saved this day under and in accordance
with the revised Statutes of the United States Chapter Six, Title Thirty-two, located
1500 linear feet of this vein or lode with surface ground three hundred feet in width
on each side of vein situated in an organized Mining District County of Union State of
Oregon and known as the Mineral Quartz Mining Claim, extending 300 feet westwardly
to west center and stake, and 1200 feet easterly to east center and stake, from this
notice at the discovery or prospect shaft which is 300 feet from east end line.

The exterior boundaries of this claim being distinctly marked by reference
to some natural object or permanent monument and more particularly described as follows,
to wit: As being situated near and on east side of Horse Pine Gulch about 1-1/4 miles
north from Powder River and south of and near to a lava capped butte.

The exterior boundaries are described as commencing at the west center
end stake and running south 300 feet to the south west corner thence 1500 feet easterly
to the south east corner thence 300 feet northerly to the east center end stake, thence
300 feet northerly to the north east corner thence 1500 feet westerly to the north west
corner thence 300 feet southerly to the west center and stake, and place of beginning,
together with all lodes, or veins having a top or apex within these lines and intend
to hold and work said claim as provided by local customs and rules of Miners and Mining
Statutes of the United States.

Dated on the ground this 29th day of August, 1899.

W. J. Conroy, "Great Western"

Notice of Location of a Quartz Claim:

Notice heretofore given to all whom it may concern; that I, the undersigned, P. J. Conroy, citizen of the United States, over the age of twenty one years, having discovered a vein or lease of quartz or rock in place bearing copper and gold within the limits of the claim hereby located and have this day under and in accordance with the revised statutes of the United States Chapter Six, Title Thirty-two, located 1500 linear feet of this vein or lease with surface ground 600 feet in width, situated in an unorganized mining district, County of Union, State of Oregon, and known as the Great Western Quartz Mining Claim, extending 30 feet westerly to east end stake, and 1450 feet westerly to west center end stake, this notice is at the discovery or prospect shaft which is 50 feet from east and line.

The exterior boundaries of this claim being distinctly marked by reference to some natural object or permanent monument and more particularly described as follows, that this is situated about 1/2 mile south of the Lilly White Mine and commences at this stake and notice and runs westerly 1450 ft. to west center end stake, thence north 300 ft. to stake, thence westerly 1500 ft. to stake, thence south 600 ft. to stake, thence westerly 1500 ft. to stake, thence north 300 ft. to west center end stake and I intend to work and hold said claim as provided by local customs, and rules of miners and mining Statutes of the United States.

Dated on the ground this 19th day of October, 1899.

F. H. Kelley,

"Gold Hill" Relocation.

Notice of Location of a Quartz Claim:

NOTICE IS HEREBY GIVEN TO ALL WHOM IT MAY CONCERN: That I,

P. H. Kelley, a citizen of the United States, over the age of twenty one years having
discovered a vein or loss of quartz or rock in place bearing precious metals, within
the limits of the claim hereby located make this day under and in accordance with the
Revised Statutes of the United States Chapter Six, Title Thirty two, located 1500 linear
feet of this vein or loss with surface ground 600 feet in width, 300 feet on either side of mid vein or loss) situated in the organized Mining District (generally known as
Sparta District) County of Union, State of Oregon and known as the Gold Hill Quartz
Mining Claim. This is a relocation of this claim, vein or loss and this location extends
in a general northerly course about 11/2 W. from this notice at the discovery or prospect
shaft which is 1500 feet from the north end line.

The exterior boundaries of this claim being distinctly marked by reference to
some natural object or permanent monument and more particularly described as follows,
to wit: Beginning at the N.W. Corner of the Uncle Sam Quartz Claim, thence north 15° W.
1500 feet to S.W. Corner post thence east 15° north 300 feet to north center and post
thence east 15° W. 300 feet to E.N. Corner post thence south 15° East 1500 feet to S.E.
corner post thence west 15° south 300 feet to south center and post thence west 15°
south, to S.W. corner the place of beginning as originally surveyed by deputy U.S.
Mineral Surveyor, W. B. Hillsley in Sep. 1897, and being situated in Section 16 T.E.
R. 44, S.W. about 1/2 mile southerly from the town of Sparta and I intend to work
and hold said claim as provided by local customs and rules of miners and Mining Statutes
of the United States.

Dated on the ground this third day of January, 1900,

Attest: John Cobb, P. H. Kelley, Locators:

James Arthur,

KNOW ALL MEN BY THESE PRESENTS: That the undersigned citizen of the
United States, have this 26 day of December, 1899, claimed by right of location a tunnel
claim for the purpose of discovering and working veins, leads or deposits, on the line
thereof cutting the Arthur Lode and working the same from the commencement of this
claim and claiming all unclaimed roads, containing mineral for fifteen hundred linear
feet on the side of the center line, of said tunnel.

Said Tunnel Claim is situated in the Granite Mining District, Union County,
and State of Oregon, and the bounds of said tunnel are marked on trees and stakes, the
entire distance.

Commencing at this notice about one mile in a northerly direction from the
town of Cresco, and running in a northerly direction along the eastern slope of the
Simmons Mountain for the distance of five miles.

Dated Cresco, Union County, Oregon, Dec. 26, 1899.

All shall be known as the Arthur Development Tunnel.

Witness: Geo. Herbert. James ARTHUR.

State of Oregon

County of Union

Before me, the subscriber, personally came J. Cox, owner of the Blue Bell & Apex Mines, who being first duly sworn, according to law, declared, and said that at least one hundred dollars worth of labor or improvements were made on each of said claims during the year ending Dec. 31st, 1899, such labor or expenditure was made by J. Cox, for the purpose of holding said claims in accordance with the law the said claims being the north extension of the Iron Dyke and adjoining titherto on Snake River Union Co Oregon.

J. Cox.

Subscribed and sworn to before me this 23d day of Dec. 1900.

(Notarial Seal) Chas. R. Omi, Notary Public for Co.

Notice of location of "New Gem No. 2."

To whom it may concern: Notice is hereby given: That I, R. J. Perkins, a citizen of the United States of America, over the age of twenty one years having compiled with the requirements of Chapter Six of Title Thirty two, of the revised Statutes of the United States and of all other Mining Laws thereof, and of the State of Oregon and the local customs, rules and regulations of miners, did on the fifth (5) day of April A.D. 1900, locate and by this notice do hereby locate a quartz claim known as the New Gem No. 2. Lode or Mining Claim said claim having been discovered the Fourth (4) day of April, 1900 and the claim fifteen hundred linear feet on this the lode or vein bearing mineral in place by six hundred feet in width, the same being three hundred feet on each side of the center thereof, together with all dikes, spurs and angles, and all other
...reins or lodes, the top or apex of which lies within said boundaries; situated in T.63-N.44-E. County of Union, State of Oregon, said location being described and distinctly marked by reference to natural objects or permanent monument and more particularly described as follows, to wit:

Commencing at stake where notice is posted, and running easterly 300 feet to a post and mound of earth, thence northerly 1500 feet to a post and mound of earth, thence westerly 300 feet to N.W. corner stake, thence 300 feet to W.E. corner stake and mound of earth, thence 1500 feet southerly to S.E. corner stake and mound of earth, thence easterly 300 feet to place of commencement: Thus marking external boundaries of said claim all stakes being marked so as to show their relative positions.

The above claim joins the patented ground known as the Gem Mine on the east and parallel same, and I intend to hold and work said claim in accordance with the local customs and rules of miners and the Mining laws of the United States and of the State of Oregon. Dated the fifth (5) day of April, 1900, F. J. Perkins, Locatet.

In the presence of, L. A. Savage.

Recorded April 10th, 1900, at S. A. M. John H. Gilkison Recorder.

Transcribed from vol. 1 "Quartz Location records page 194 Union Co records.

F. J. Perkins, "New Gem No. 2. Extension South."

Notice of Location of a Quartz Claim:

NOTICE IS HEREBY GIVEN: That the undersigned having complied with the requirements of Chapter Six, of title thirty two, of the Revised Statutes of the United States, and the local customs, law and regulations has located 1500 linear feet on the New Gem No. 2. Extension south lode, situated in Sparta Mining District Union County, State of Oregon and described as follows:

Beginning at a post and mound of earth on the east side line of the patented Gem Claim and situated about 250 ft. northerly from the S.E. corner of said Gem Claim and running thence northerly 1500 feet to a post and mound of earth and rocks thence easterly 600 feet to a mound of earth and rocks thence northerly 1500 feet to post and mound of earth and rocks, thence westerly 600 feet to place of beginning, all posts are distinctly marked showing their relative positions name of claim, date of location and locator.

Located this 2nd day of April, 1900, F. J. Perkins, Locatet.

Discovered 2nd, day of April, 1900, Witness: J.W. Saylor.

Recorded April 10th, 1900 at 8 A.M. John H. Gilkison Recorder.

Notice of Location of a Quartz Claim:

NOTICE IS HEREBY GIVEN TO ALL WHOM IT MAY CONCERN: That W.L. Barnham
E.A. Hutchens, W.P. Allen, citizens of the United States, over the age of twenty one
years having discovered a vein or lode of quartz or rock in place bearing mineral
within the limits of the claim hereby located and have this day under and in accordance
with the Revised Statutes of the United States Chapter Six title thirty two, located 1500
linear feet of this vein or lode with surface ground 690 feet in width situated in an
organized Mining District County of Union, State of Oregon, known as the Ajax Quartz
Mining Claim, extending 350 feet easterly to E. end center and 1150 feet westerly to
W. end center from this notice at the discovery or prospect shaft which is 350 feet
from east end line.

The exterior boundaries of this claim being distinctly marked by reference to
some natural object or permanent monument and more particularly described as follows,

1st: Beginning at E. end center spot which is a tree marked E.C.A. and running 300 ft.

S. W. corner " S.E. corner:
300  " northe"rly "
S. E. corner:  S.W. corner
300  " northe"rly "

West end center: E.E.C.A.
H. W. corner:  H.W.A.
1500  " easterly "
N. E. "  N.E.A.
300  " southerly "

E. end center and place of starting.

This claim is located about 1/2 mile east of Billy White Mill, the adjoining
claims are unknown and we intend to work and hold said claim as provided by local customs
and rules of miners and Mining Statutes of the United States.

Dated on the ground this 14th day of March, 1900. W.P. Allen
Locators. Recorded April 11th 1900, at 8 A.M. John H. Gillison Recorder.

George A. Chapman, "Notice: "Saturday"

Notice of Quartz Mining Location made on this lode or vein

named the "Saturday" by George A. Chapman, a citizen of the United States who having complied with the requirements of the Revised statutes of the United States and local laws, custom and regulations did discover and locate on the twelfth day of March 1900, 1500 linear feet along said lode or vein of rock in place with gold and silver by 300 feet in width, on each side of the center of said lode or vein together with all dips, angles and spurs, and all lodes or veins, having a top or apex within these lines. The location boundaries are described as commencing at the discovery stake and running 1500 feet in a north westerly direction along the vein to the west center and line, the general trend or course of said vein being north west and south east.
The exterior boundaries are described as commencing at the east center end stake and run 300 feet north to north east corner thence 1500 feet north westerly in line parallel with center of vein to north west corner thence 300 feet south to west center end stake, thence 300 feet south to south west corner thence 1500 feet south easterly in line parallel with center of vein to south east corner thence 300 feet north to east center end stake and place of beginning.

Said location being in organized Mining District, Union County State of Oregon and particularly described as being on the hill lying north and east from Sawmill Gulch below its confluence with Rattlesnake Gulch, said hill being between said gulches, the discovery stake stands 500 feet westerly from Rattlesnake Gulch on the slope of hill, toward Rattlesnake and opposite Clough's panstak and about 500 feet below the road crossing of Rattlesnake Gulch.

March 12th, 1900, George A. Chapman, Locato.

A. J. Cole, et al. "Liberty." Quartz Mining Location Notice:

NOTICE IS HEREBY GIVEN that we, the undersigned, citizens of the United States of America, conforming to the Mining Law, thereof, and of the State of Oregon and the local rules, regulations and customs of miners, have in common the 27th day of April, 1900, located and do claim, fifteen hundred linear feet on the lead lode or vein bearing mineral in place by six hundred feet in width, the same being three hundred feet on each side of the center thereof, together with all dips, spurs and angles, and all other veins of the same which lie within said boundaries.

This location is named the Liberty lode or mine and is situated in Union County State of Oregon and is bounded and described as follows:

Commencing at this stake and notice and running thence 300 feet in a northerly direction and commencing again at this notice and running thence 1200 feet in a southerly direction to south center and stake, thence west 300 feet to S.W. corner stake, thence northerly 1500 feet to N.E. corner stake, thence east 300 feet to N. and center stake, thence east 300 feet to N.E. corner stake, thence southerly 1500 feet to S.W. corner stake, thence west 300 feet to south center and the place of beginning, this survey.

This claim is situated about one mile west of Ballard's Ferry, and on the south side of Ballard Creek and the location Notice is about 600 feet south of said creek on the north slope of the mountain and opposite the First Big Bluff of rock on the right side of Ballard Creek as you go up from Ballard's Ferry, on Snake River, and is the same ground once claimed to have been located as the Copper Spur.

Located on the 27th day of April, A.D. 1900. A. J. Cole, Locators; A. H. Steiner, and W. M. Polk, Claimants.

As J. Cole, et al.  "First Chance"

Amended Location Notice Quartz Claim:

Notice is hereby given that we, the undersigned being qualified

-- and having complied with the Mining Laws have this the 4th day of April, 1900

located and claimed for mining purposes 1500 linear feet in length on this lead or

mineral bearing rock in place by 600 feet in width being 300 feet on each side of

the center with all dips, spurs and angles, and all other leads, the top or apex of

which lies within said boundaries. This location is known as the First Chance Mine and is

situated in Union County, Oregon and described as follows:

Commencing at this notice and running thence 1400 feet north easterly and

commencing again at this notice and running 100 feet south westerly to Hanaker Creek

This claim is about 1/2 mile N.W. from the mouth of Pine creek and the

location notice is 600 feet west of where the wagon road crosses Hanaker creek and

about 100 feet north of said creek. In making this amended or relocation, we do not

waive any rights acquired in the original location but to correct any errors that may

have occurred in the original location and to change the location notice from the

center of the claim to within 100 feet of the south end where the assessment work is

now being done. The original location notice was recorded in Union Oregon in Book "G"

page 385 Quartz Claim locations.

Relocation this 4th day of April, 1900.  A. J. Cole.

above record is a true and correct copy of the record and that the whole of the same is of record in my office and is in my custody.

WASHINGTON T. H. 1874...

James MCEWEN, et al.

"Crown Point"

Notice of Location of a Quartz Claim:

NOTICE IS HEREBY GIVEN TO ALL WHOM IT MAY CONCERN: that we

E.S. Thompson, and James MCEWEN, citizens of the United States, over the age of twenty
one years having discovered a vein or lode of quartz or rock in place bearing gold
within the limits of the claim hereby located and have this day under and in accordance
with the Revised Statutes of the United States, Chapter Six, Title Thirty Two, located
1500 linear feet of this vein or lode with surface ground 600 feet in width, situated
in Sparta Mining District County of Union, State of Oregon, and known as the Crown
Point quartz Mining Claim, extending 1500 feet northerly to a post and ___ feet ___ to ___
from this notice at the discovery or prospect shaft which is on the south end line.

The exterior boundaries of this claim being distinctly marked by reference
to some natural object or permanent monument and more particularly described as follows:
Commencing at this notice and running easterly 300 ft. to the south east corner
state, thence northerly 1500 ft. to the north east corner state, thence westerly 300 ft
to the north west corner stake, thence southerly 1500 ft to the south west corner stake, thence 300 ft. easterly to this notice. This claim is situated about one mile south of Sparta and we intend to work and hold said claim as provided by local customs and rules of miners and Mining Statutes of the United States.

Date at the ground this 1st day of May, 1900,

Attest: James Allison, E. S. Thompson, Locator.

Wm. J. Gano, et al. "Bonanza"

Quartz Mining Location notice:

NOTICE IS HEREBY GIVEN THAT we, the undersigned citizens of
the United States of America, conforming to the Mining Law thereof, and of the State
of Oregon and the local rules, regulations and customs of miners have this forth day
of June, 1900, located and do claim, fifteen hundred linear feet on this lead ore
vein, bearing mineral in place by six hundred feet in width, the same being three
hundred feet on each side of the center thereof, together with all dips, spurs and
angles, and all other veins or lodes, the top or apex of which lie within said boundaries.

This location is named the Bonanza Lode or mine and is situated in the
Vaughan Mining District, Union County, State of Oregon and is bounded and described as
follows: Commencing at this stake and notice and running thence 750 feet in a N.W.
direction to the north corner and stake, thence 300 feet in a westerly direction to the
N.W. corner stake, No.1, thence 1500 ft. in a westerly direction to the S.W. corner
stake No.2 thence 300 ft. in an easterly direction to the south center and stake, thence
300 feet in an easterly direction to the S.E. corner stake, No.3 thence 1500 feet in a
northerly direction to the N.W. corner stake No.4, thence 300 ft. in a westerly
direction to the north center and stake, being the place of exterior boundaries of said
claim. The distance claimed along this lode or vein each way from the discovery stake.
and notice is 750 ft. north and 750 ft. south from said stake and notice: This claim is about 1 1/2 miles west of Snake River on and crossing Ashby creek, there being a large lone pine tree, with a cross cut in on the side toward the claim about 200 ft from Ashby Creek, south the S.W. corner stake No. 2, being about 30 ft west from the tree and the discovery stake and notice being about 500 ft. from the tree.

Discovered on the 4 day of June, A.D. 1900. Locators and claimants.

Recorded June 12th, 1900, at 8 A.M. John M. Gilkinson Recorder.

W. E. McDougall,  

"Copper King Extension"

Notice of Quartz Mining Location: made on this lode or vein named the Copper King Extension Quartz Mining Claim, located by W. E. McDougall, July the first (1) 1900, being a citizen of the United States, who having complied with the requirements of the Revised Statutes of the United States and local laws, customs and regulations did discover and locate on the first day of July, 1900, 1500 linear feet along said lode or vein, by 300 feet in width on each side of the center of said lode or vein, together with all dips, angles, and spurs, and all lodes or veins having a top or apex within these lines.

The location boundaries are described as commencing at the discovery stake and running 1500 feet in a easterly direction along the vein to the east center and line the general trend or course of said vein being easterly and westerly.
The exterior boundaries are described as commencing at the west center
end stake and run 300 feet northerly to the north west corner thence 1500 feet
easterly in line parallel with center of vein to the north east corner thence 300 feet
southerly to the east center and post thence 300 feet southerly to the south east
corner thence 1500 feet westerly in line parallel with center of vein to the south
west corner thence 300 feet northerly to the center and stake, and place of beginning.
Said location being in Granite Mining District Union County and State of
Oregon and particularly described as being down Snake River about two miles from
Ballard's Landing and about one quarter of a mile west of Snake River and said claim
is bounded on the east end by Backman's Ranch better known as Joe the Creek's place
and is bounded on the south side by the Bureka Mineral Claim, and is bounded on the
west end by the Copper King Mineral Claim.

"Copper Bute"

Location notice Quartz Claim:

NOTICE IS HEREBY GIVEN that I, the undersigned, being qualified, have this day located for mining purposes, 1500 linear feet in length on this land, or deposit of mineral bearing rock in place by 600 feet in width, being 300 feet on each side of center. I claim all minerals inside my lines and all lands, the top or
apex of which lies inside my boundaries as follows: Commencing at this location notice and running westerly 750 feet to W. center and stake, and east center and end of the Copper Mountain Claim, and commencing again at this notice and running easterly 740 feet to E. center and thence 300 feet S. to S.E. corner and N.E. corner Copper King Claim, thence westerly 1500 feet along N. line, Copper King Claim, to S.W. Corner, thence W. 300 feet to W. center and thence N. 300 feet to N.W. corner, thence easterly 1500 feet to N.E. corner, thence S. 300 feet to E. center end, the place of beginning, this survey.

This claim will be called the Copper King Mine, and is situated in Union County, Oregon and is about 1 mile S. of the Iron Dyke Mine and 3 miles W. of the mouth of Pine Creek, and 600 feet west of Snake River at Thorn Flat and extends W. from Thorn Flat, this claim is bounded on the S. by the Copper King Mining Claim and on the W. by the Copper Mountain Claim, and is the same ground that was staked off in 1899, as the Copper Giant.

Located this the 25th day of June, 1900. A. J. Cole, Locator.

Recorded July 17, 1900, at 10 A.M. John M. Allenson Recorder.

Transcribed from Vol "h" Quartz Location Records page 324 Union Co. Records.

"Friday" (Relocation)

Notice of relocation: Friday Mine:

NOTICE IS HEREBY GIVEN: That I, the undersigned, having complied with the law in location, recording and doing the location work on the Friday Mining Claim do hereby relocate, 1500 linear feet in length by 600 feet in width, on this lead or deposit, of mineral bearing rock, with all dips, spur and angles, and all other lots the top or apex of which lies within my boundaries as follows.

Commencing at this location stake, and notice and running 500 feet northerly and continuing again at this stake and notice and running 1000 feet southerly to S. center and thence W. 300 feet to S.W. corner, thence 1500 feet northerly to N.W. corner, thence S. 300 feet to N. center and thence E. 300 feet E. to N.E. corner, thence 1500 feet southerly to S. east corner, thence 300 feet S. to E. center end and the place of beginning, this boundary survey.

This claim will still be called the Friday and is situated in Union Co. Oregon, about 1 mile W. of Snake River, at the mouth of Holbrook Creek, and extends 1500 feet S. from Holbrook Creek, and is bounded on the W. by the Bagger and Bagger Extension Mines, and on the N. by the Gray Eagle No.2. and on the E. by the Momay Morning and the Copper Mountain. In making this relocation, I do not waive any right or title acquired by the original location, dated June 6th, 1899; but this relocation is made to correct any errors, that may have occurred in the original location and to swing the north end of the claim, 600 feet west and to make this end 250 feet shorter and to swing the south end to the east and make it 250 feet longer and take in 250 feet of ground on the south end that
has become vacant, since the original location notice was posted.

Relocated this the 25th day of June, 1900, A. J. Cole, relocator.

Recorded July 11, 1900, at 10 A.M. John H. Gilliam Recorder.

Notice of Relocation: Gold Chest Mine.

NOTICE IS HEREBY GIVEN: that we, the undersigned, being qualified have this day relocated for Mining Purposes, 1500 linear feet on the Gold Chest Lead, or lots in length, by 600 feet in width, being 300 feet on each side of center with all dips, spars and angles, and all other leads, the top or apex of which lies inside our lines as follows: Commencing at this location notice and stake and running N. easterly 1100 feet to N.E. center end and commencing again at this notice and running 400 feet S. westerly to S. west center end, thence N.W. 300 feet to N.W. corner, thence N. easterly 1500 feet to N.W. corner, thence S. easterly 300 feet to N.E. center end, thence 300 feet S. easterly to the S.E. corner, thence 1500 feet S. westerly to S.W. corner, thence 300 feet N.W. to S.W. center end, the place of beginning, this boundary survey:

This claim will still be known as the Gold Chest and is situated in Union Co Oregon, and is about 1 1/4 miles S. from the Iron Dyke Mine, and 3 miles N. of the mouth of Pine Creek, and 1/2 mile W. of Snake River, at Thurn Flat and extends S. westerly 1500 feet from the S. line of the Copper King Mining Claim.

This relocation was made to correct any errors, that may have occurred in the original location and to more definitely describe the boundaries of the claim and to acquire any ground that may have become vacant since the original location was made that lies inside our boundaries.

The original location of this claim was made on the 20th day of March, 1899, and we hereby waive all rights or titles acquired under our former location; relocated this 21st day of June, 1900, Thomas R. Irwin.

Witness W. E. Poilis.

Notice is hereby given, that the undersigned, having complied with the requirements of Chapter Six, of Title Thirty-two, of the Revised Statutes of the United States, and the local customs, laws and regulations, has located 1500 linear feet on the Golden Harvest Quartz Vein, by 600 feet in width, situated in the organized Mining District Union Co, Oregon, and described as follows:

Comencing at a post, marked "Discovery and running north east,1200", twelve hundred feet to a post marked north east center and post, thence from discovery post running south west three hundred feet, 300 feet to a post marked south west center and post, thence 300 ft. to the south west center post, thence 300 ft. to south east corner, thence to north east center, 300 ft. to a post marked north east corner, thence 300 ft. to a post marked north west corner, this quartz claim shall be known as the Golden Harvest and situated 400 feet north east of the Sem Mine, about 2½ miles south west of Sparta, discovered June 14th, 1900, Locators: Thomas Stacey.

Located June 22nd, 1900, L. A. Savage.

Recorded July 19th, 1900, at J. F. M. John M. Siltzke Recorder.

Transcribed from vol "A" Quartz Location Records page 229 Union Co Records.
P. F. McMain, et al. Notice: "The Gray"

Notice of Quartz Mining Location: Made on this lode or vein named the Gray by P. F. McMain, William T. Shaw, and George A. Chapman, citizens of the United States, who having complied with the requirements of the Revised Statutes of the United States, and local law, custom and regulations, did discover and locate on the 20th day of June, 1900, 1500 linear feet of mineral bearing rock in place of gold, silver and copper, along said lode or vein, by 300 feet in width on each side of the center of said lode or vein, together with all dikes, angles and spurs, and all lodes or veins having a top or apex within these lines.

The location boundaries are described as commencing at the discovery stake, and running 800 feet in a south westerly direction along the vein to the S.W. center end line and 650 feet in a north easterly direction along the vein to the N.E. center end line, the general trend or course of said vein, being N.E. and S.W.

The exterior boundaries are described as commencing at the N.E. center end stake, and run 300 feet S. by E. to N.E. corner, thence 1500 feet south westerly in line parallel with center of vein to S.E. corner, thence 300 feet S. by E. to south west center end stake, thence 300 feet N. by E. to S.W. corner, thence 1500 feet north easterly in line parallel with center of vein to N.W. corner, thence 300 feet S. by E. to N.E. center end stake and place of beginning; said location being in no organized Mining District, Union County, State of Oregon, and particularly described as being on the high bluff overlooking McGraw Creek and Lime Stone Contact the nearest known location being the Superior, as which this location, lies parallel and on east side of same and about 1 mile from Snake River and about 1/4 of a mile from trail leading from Ballard's Landing, from Snake River, to McGraw's Basin.

Dated June 20th, 1900,

P. F. McMain.
Locators: William T. Shaw.
George A. Chapman.

Recorded July 19, 1900, 1st. John M. Gillison Recorder.

Notice: "The Wild Goose"

Notice of Quartz Mining Location: Made on this lode or vein named the Wild Goose, by William T. Shaw, a citizen of the United States, who having complied with the requirements of the Revised Statutes of the United States, and local law, custom and regulations, did discover and locate on the 20th day of June, 1900, 1500 linear feet of mineral bearing rock in place of gold, silver and copper along side lode or vein by 300 feet in width on each side of the center of said lode or vein together with all dikes, angles and spurs and all lodes or veins, having a top or apex within these lines. The location boundaries are described as commencing at the discovery stake.
and running 250 feet in a south westerly direction along the vein to the north east center end line, and 1250 feet in a north easterly direction along the vein to the north east center end line, the general trend or course of said vein being south west and north east.

The exterior boundaries are described as commencing at the north east center end stake, and run 300 feet south by east to N.E. corner, thence 1250 feet south westly in line parallel with center of vein, to south east corner, thence 300 feet N. by W. to south west center end stake, thence 300 feet N. by E. to south west corner, thence 1500 feet north easterly in line parallel with center of vein, to N.W. corner, thence 300 feet S. by W. to N.W. center end stake, and place of beginning, said location being in an organized Mining District, Union County, State of Oregon and particularly described as being about 1 mile from McGraw Creek, and about 400 yards above trail leading from Ballard's Landing on Snake River, to McGraw Basin, the nearest known location being the Black Cloud Claim, the S.E. and S.W. Corners, being identical with Black Cloud Claim.

Dated June 20th, 1900, 

William T. Shaw, 
Locators:

George A. Chapman, 

Notice: "The Climax Extension"

Notice of Quartz Mining Location made on this lode or vein, named the Climax Extension by George A. Chapman, a citizen of the United States, who having complied with the requirements of the Revised Statutes of the United States, and local law, customs and regulations, did discover and locate on the 20th day of June, 1900, 1500 linear feet of mineral bearing rock in place of gold and silver and copper along said lode or vein, by 500 feet in width, on each side of the center of said lode or vein together with all dikes, sills and spurs, and all adits or veins, having a top or apex within these lines.

The location boundaries are described as commencing at the discovery stake and running 400 feet in a north easterly direction along the vein to the north east center end line, the S.W. end of Homestake Mine and 1100 feet in a south west direction along the vein to the south west center end line, the general trend or course of said vein being north east and south west and joining the Climax Mine.

The exterior boundaries are described as commencing at the N.E. center end stake and center end stake, and run 300 feet southerly by east to N.E. corner, thence 1500 feet southerly in line, parallel with center of vein, to S. east corner, thence 300 feet N. by W. to S.W. center end stake, thence 300 feet N. by E. to S.W. corner, thence 1500 feet N. easterly in line, parallel with center of vein, to N.W. corner, thence 300 feet north by east to N.W. center end stake, and place of beginning; said location being in an organized Mining District, Union County, State of Oregon and particularly described as being on the mountain just below the Lava Flow and bordering the same, the whole distance and about 1-1/4 miles from McGraw's Creek, and about 600 yards above trail.
leading from Ballard's Landing on Snake River to McGraw Basin, the N.W. corner, being in Lava Flow, said cor. being at S.W. cor. of Homestead Claim about 1-1/2 miles westerly to Snake River, at Nelson Creek, where it empties into Snake River, the nearest known location being the Climax and Homestead.

Dated the 20th day of June, 1900

As A. E. Leonard,

"Harvest Queen" (Amended Location)

Amended Location Certificate:

KNOW ALL MEN BY THESE PRESENTS: that A. E. Leonard, the undersigned citizen of the United States, over the age of twenty-one years having complied with all the requirements of the laws of the United States and the State of Oregon relating to Mining Claims, and with the local laws, customs, rules and regulations of the Granite Mining District, hereby make and file this amended location of the Harvest Queen Lode, claiming by right of discovery location, prior appropriation and possession, 1500 feet linear and horizontal measurement, on this vein or lode of quartz or other rock in place bearing copper, gold and silver and other valuable minerals along the course of said vein with all dips, variations and angles, the same being 950 feet in a northerly direction from the discovery stake, and 550 feet in a southerly direction thenceforth together with 300 feet in width on each side of the middle of said vein at the surface and all veins and ledges, mineral deposits, mineral and surface ground within the lines of said claim, situated in Granite District, County of Union State of Oregon and more particularly as follows, to wit:

Being about two miles down Snake River from Ballard's Landing and about one mile west of said river, and said claim is bounded on the south end by the Union Mineral claim and on the west side by the Captain Miller and Free Gold Mineral Claim and on the north end by the Lockout and Leonard Mineral Claims, and on the east side by the Golden Wedge Mineral Claim and said claim is staked and marked on the ground by said stakes according to the laws of the State of Oregon.

This amended location is made in conformity with the original location made Jan the 1st, 1899, Recorded Jan the 16, 1900, "in Book "C" page 249 of quartz locations in the office of the recorder of said County and is made for the purpose of appropriating all ground within the boundaries of said lode, correcting any irregularities, informalities or errors, and supplying any defects which may have existed in the original location or the record thereof, hereby waiving no rights, under and by virtue of said original location.

Bared of Original Discovery, January 1st 1899.

Date of amended location July the 10, 1900.

State of Oregon, Union County.

I, A. E. Leonard, do solemnly swear that I am a citizen of the United States of America, or have declared my intention to become such, and that I am acquainted with the Mining ground described in this notice of location and herewith call the Harvest Queen Mineral claim that the ground and claim herein described or any part thereof has not to the best of my knowledge, and belief, been located according to the laws of the United States and the State of Oregon, and if so located that the same has been abandoned or forfeited by reason of the failure of such former locators to comply in respect thereto, with the requirements of said laws, and (in case of quartz claims)
that I have opened new ground to the extent or depth of ten feet as required by the laws
of the State of Oregon.

Subscribed and sworn to before me this 10 day of July, A.D. 1900.

Recorded July 25th 1900, at 9:45 A.M. John H. Gilkison Recorder.

A. E. Leonard, "Copper King" [Amended Location]

Amended Location Certificate

KNOW ALL MEN BY THESE PRESENTS: That A. E. Leonard, the undersigned
citizen of the United States, over the age of twenty-one years having complied with all
the requirements of the laws of the United States and the State of Oregon relating to
Mining Claims, and with the local laws, customs, rules and regulations of Granite Mining
District, hereby make and file this amended location of the Copper King quartz lode,
claiming by right of discovery location parcel, appropriation and possession 1500 feet
linear and horizontal measurements on this vein or lode bearing copper and silver
and other valuable minerals along the course of said vein with all dips, variations
and angles, the same being 1250 feet in a westerly direction from the discovery stop, and
250 feet in a westerly direction therefore, together with 300 feet in width, on each
side of the center of said vein at the surface and all veins, leads or ledges mineral
deposits, mineral and surface ground within the lines of said claim situated in Granite
Mining District, Union County State of Oregon and more particularly as follows, viz:

Being down Snake River about two miles from Salient's Lining and about one
half mile west of said river and said claim is bounded on the west end by the Golden West
Mineral Claim, and on the east end by the Copper King extension mineral claim and on the
south side by the Barlow Miner's Exchange, and Anacostia Mineral Claims, and the boundaries
of said claim is marked on the ground by stakes and monuments as required by law.

This amended location is made in conformity with the original location
made Jan. the first, 1899, recorded Jan. the 16th 1899, in Book "B" Page 341 of Quartz Locations
in the office of the Recorder of said county and is made for the purpose of appropriating
all the ground in the boundaries herein before described and of more definitely describing
the situation and boundaries of said claim, correcting any irregularities informalities
or errors and supplying any defects which may have existed in the original location
or the record thereof, hereby waiving no rights acquired under the former location.

Date of original discovery January the first 1899.

date of amended location July the 10th, 1900.

Attest: W.B. McGaugill

R. S. Schaffner.
State of Oregon

Union County

I, A. K. Leonard, do solemnly swear that I am a citizen of the United States of America, and that I am acquainted with the ground described in this notice of location herewith called the Copper King Mineral Claim, lode or claim and that the ground and claim therein described or any part thereof has not to the best of my knowledge and belief been located according to the laws of the United States or the State of Oregon or if so located that the same has been abandoned or forfeited by reason of the failure of such former location to comply in respect thereto with the requirements of said laws and (in case of quartz claim) that I have opened new ground to the extent or depth of ten feet as required by the laws of Oregon.

(Signature) A. K. Leonard

Subscribed and sworn to before me this 10 day of July, A.D. 1900.

(Notarial Seal) Signature: C. B. Lapp, Notary Public.

Recorded July 30th, 1900, at 9 A.M. John M. Gillson Recorder.

“Good Boy”

Notice of Location of Quartz Claim:

NOTICE IS HEREBY GIVEN: That I, Frank V. Drake, a citizen of the United States, over twenty one years of age have discovered a vein or lode of quartz and other rock in place bearing gold, and hereby locate and claim the same under the name or title of “Good Boy” quartz Claim; said Claim is situated in what is commonly known as Sparks Mining District, Union County Oregon, and lies in Moultrie Township about 1/4 mile south east from the Town of Sparks and from within view from said town.

The strike or course of the vein is north west by south east and this claim is made upon fifteen hundred feet of said vein along its course or strike with three hundred feet width, on each side of the center line thereof making the claim 600 feet wide and 1500 _ long.

This claim lies adjacent to and parallel with the “Mayfourth” quartz Claim located by F. C. Little on the 4th day of May 1900. The south center and line staked of said claim being near the survey lines, between Sections 15, and 22 Township 5, south Range 44 east W.M.

This notice is posted at the point of discovery and situated southerly about 600 feet from the north center and post of this claim, six substantial pegs passed 4 inches square and extending fully three feet above the surface of the ground mark and denote the boundaries of this claim once being set at the center of each end of the claim and one at each corner of the claim each post bearing the name of the claim and designation of its position thereof, I intend to hold and work this claim pursuant to law.

"Red Boy"

Notice of Location of Quartz Claim:

NOTICE IS HEREBY GIVEN: That I, Frank V. Drake, a citizen of the United States, over twenty-one years of age, have discovered a vein or body of quartz and other rock in place bearing gold, and hereby locate and claim the same under the name or title of "Red Boy" Quartz Claim. Said claim is situated at the head of Monite Gulch, in what is commonly known as Sparta, Mining District, Union County, Oregon, and lies about 3/4 mile south east from the town of Sparta; about on the south east end line of the Good Boy Quartz Claim, and lies immediately adjacent to and parallel to the Little Met Quartz Claim, located by Frank V. Drake May 4, 1900.

The strike or course of the vein is north west by south east and this claim is laid upon fifteen hundred feet thereof along the course of said vein with 300 feet on each side, the centerline of said claim making the same 1500 feet in length by 600 feet in width, the north center and stake, is situated near the Government Survey Line between Sections 15 and 22 Township 8, South Range 44 E.W.M.

This notice is posted near the point of discovery and situated about 500 feet southerly from the north center and post of this claim, six substantial posts of pine second 4 inches square and extending fully three feet above the surface of the ground define the boundaries of this claim, one post being set at the center of each end of the claim and one at each corner, each post bearing the name of the claim and designation of its position thereof. I intend to hold and work this claim pursuant to law. Located August 12, 1900.

Amended Location notice: Mollie Gibson Claim.

NOTICE IS HEREBY GIVEN: That I, the undersigned, have this day posted an amended location notice on said claim, changing the boundaries so as to extend 1500 feet westerly and easterly instead of running N. east and south west. I claim

300 feet on each side of center, with all dips, spurs and angles, and all leads, the top
or apex of which lies inside my lines, as follows,

Beginning at this notice and stakes and running 1500 feet westerly and

beginning again at this notice and running 300 feet easterly to east center and, thence

300 feet N. to S.W. corner and north W. corner Copper Butte Claim, thence westerly 1500
feet along the N. line of Copper Butte, to the S.W. corner, and N.W. corner, Copper
Nate and the N. E. Corner Copper Mountain Claim, thence N. 300 feet to W. center and thence N. 300 feet to N.W. corner; and S.W. corner, Admiral Dewey's Claim, thence easterly 1500 feet to W.S.W. corner, thence S. 300 feet to E. center and I do not waive any rights acquired under the original location made on the 21st day of June, 1890, which was duly recorded and the work was done according to law.

This claim will still be called the Mollise Duper and is about one mile S. of Irvin Dyer, Town 600 feet west of Snake River and lies just south of Holbrook Creek and is bounded on the S. by the Copper Butte Mining Claim, in Union County, State of Oregon. Noted this the 22nd day of Sept. 1900, by W. F. Polk, and

A. J. Cole, owners

"W. J. Bryan," [Amended Loc]

Amended Location Notice: Quarts Claim: W. J. Bryan Mine:

NOTICE IS HEREBY GIVEN: That we the undersigned, being qualified 
have this day, posted an amended location notice on the W. J. Bryan Mine, claiming 
1500 feet in length by 600 feet in width, being 300 feet on each side of the center of 
lead for mining purposes, we claim all mineral, inside our boundaries and all lands, 
the top or apex of which lies within our lines as follows:

Beginning at this notice and stake and running 600 feet N.E. and beginning 
again at this location notice and stake and running 900 feet S.W. to S.W. corner and 
stake, thence 300 feet N.W. to N.W. corner stake, thence 1500 feet N.E. to N.E. corner 
stake, thence 300 feet S.E. to S.E. corner and stake, thence 300 feet S.W. to S.W. 
corner, thence 1500 feet S.W. to S.W. corner stake, thence 300 feet N.W. to N.W. center 
and, the place of beginning, this boundary survey.

This claim will still be known as the "W.J. Bryan" and is situated in Union Co. State of Oregon, and in making this amended location we do not waive or forfeit 
any rights acquired under or by virtue of the original location which was made on the 
22nd day of march 1899, but this amended location is made to correct any errors that 
may have occurred in the original location and to cover and appropriate for our use and
benefit, any ground that lies inside our lines, that may have become vacant since the date of our original location and to more correctly mark the boundaries of the claim on the ground and more definitely describe the location of the claim, it being situated about one mile N. of the mouth of Pine Creek, and the location notice and stake are about 1000 feet N. of Carter creek, where the wagon road crosses said creek and 500 feet N. of Battlesnake Spring, and on the S. side of the first gulch N. of said Spring about 1000 feet W. of Snake River.

This amended location notice posted this the 20th day of December, 1900.

J. R. Gilkinson, et al.  "Nellie" (Re-loc. of DryDust)

Notice of Relocation of Quartz Claim:

NOTICE IS HEREBY GIVEN TO ALL WHOM IT MAY CONCERN: That we, the
undersigned, John M. Gilkinson and J. R. Gilkinson, citizens of the United States over
the age of twenty one years have this day relocated a vein or lode of quartz, or rock
in place bearing copper, gold and silver, within the lines of the claim hereby re-
located and have this day, under and in accordance with the revised Statutes of the
United States, Chapter Six, Title Thirty two, and local laws and customs, located
500 linear feet of this vein or lode with surface ground 112 feet in width, together with
all dips, spurs and angles, also all veins or lodes, within said boundaries.

Situated in Union Co., State of Oregon, and known hereafter as the Nellie
Mining Claim and more particularly described as follows, to wit:

Commencing at the north east corner of the Copper Queen Mining Claim, running
to the north westerly 600 feet to the north west corner of said Copper Queen Claim
thence north westerly 112 feet to the south line of the north west quarter, (N.W. 1/4)
of the north west quarter (N.W. 1/4) of Section 24, Township 7, South Range 42, E.W.
thence east along said line, 667 feet, thence north westerly 287 feet to the north east
corner, of Copper Queen Claim, place of beginning; being all that part or fraction
of Mining Ground, lying in between and joining on the north end of the Copper Queen Claim

This is a relocation of the whole Mining Claim, known as the DryDust and
abandoned property, retaining the old boundary stakes and monuments as marked on the
ground. Located this 1st day of January, 1901.

Transcribed from vol "N" Quartz Location Records page 49, Union Co. Records.

J. R. Gilkinson, et al.  "Grace" (Re-loc. of Sport)

Notice of relocation of a quartz claim:

NOTICE IS HEREBY GIVEN TO ALL WHOM IT MAY CONCERN: That we, the
undersigned, J. R. Gilkinson, and John M. Gilkinson, citizens of the United States over
the age of twenty one years have this day relocated a vein or lode of quartz, or rock
in place bearing valuable metals, within the lines of the claim hereby located and have this day under and in accordance with the revised Statutes of the
United States, Chapter Six, Title Thirty two, and local laws and customs, located 700
linear feet of this vein or lode with surface ground 500 feet in width, together with
all the dips, spurs and angles, also all the other veins, or lodes the top or apex
of which lies within the said boundaries, situated in Union Co., State of Oregon and
known as the Grace, Mining Claim, and more particularly described as follows, to wit:
Commencing at corner No. 1, south east corner identical with the north east corner of the necessary Mining Claim, thence running N. 73° 54' E. 300 feet to south center stake, 600 feet to corner No.2, south west corner identical with the north west corner of the Necessary Mining Claim, thence N. 16° 6' E. 700 feet to corner No.3 north west corner thence S. 73° 54' E. 300 feet to north center stake, 600 feet to corner No. 4, north east corner, thence S. 16° 6' W. 700 feet to corner No.1, place of beginning; bounded on the south and by the necessary Mining Claim; on the west by the Copper Queen and Nellie Mining Claim, and on the north by the Woods Ranch, on the east by the Gilkinson Ranch situated in Section 24, Tp. 7 S., R. 42, E.R. this is a relocation of the whole mining claim, known as the Sport, and abandoned property, retaining the old boundary stakes as marked on the ground.

"Wild Horse" Quartz Mining Location Notice:

NOTICE IS HEREBY GIVEN that we the undersigned, citizens of the United States of America, conforming to the mining laws, thereof, and of the State of Oregon and the local rules, regulations and customs of miners, have this first day of January, A.D. 1901, located and do claim 1500 hundred linear feet on this lead, lode or vein, bearing mineral in place by 600 hundred feet in width, the same being 300 hundred feet on each side of the center thereof, together with all dips, apes and angles, and all other veins or lodes, the top or apex of which lie within said boundaries: This location is named the Wild Horse Lode, or mine and is situated in no Mining District, Union County, State of Oregon.

This claim is situated on banks Snake River on its west side and is situated about two miles below Ballard's landing and is part of what is known as Ashby Flat, this claim is running parallel with the Copper Cliffs Claim, and the discovery monument upon which this notice is posted is situated about 300 feet in a westerly direction from Snake River; this lead lode or vein extends 1000 feet in a northerly direction and 500 feet in a southerly direction from the discovery monument and the claim is bounded and described as follows:

Commencing at the north center and monument which is situated 1900 feet in a northerly direction from the discovery monument running thence in an easterly direction 300 feet to north east corner monument, thence 1500 feet in a southerly direction 300 feet to the south east corner monument, thence 300 feet in an westerly direction 300 feet to the souther-
west corner monument, thence in an easterly direction 1500 feet to the north west corner monument thence in an easterly direction 300 feet to the said north corner and stake, the place of beginning.

The adjoining claim are the Copper Glance all the monuments aforesaid, are marked upon the side facing toward the discovery with the name of the claim and the corner or end center which each of said monuments represents and all or said monuments are at least four inches in diameter and at least four feet high above the ground.

Discovered on the first day of January, A.D. 1901.

Recorded Jan 23rd, 1901, at 3 A.M. John M. Gilkinson Recorder.

Transcribed from vol "A" Quartz Location Records page 516 Union Co records.

Notice of a Quartz or Mineral Location:

We, the undersigned, have this 3d day of January, A.D. 1901, located and do claim, 1500 feet in length by 600 feet in width on this vein of mineral bearing rock.

Commencing at this monument and notice are running 250 feet in an easterly direction also running 1250 feet in a westerly direction situated about 1/2 a mile northerly from Ballard's Landing and about 1/4 of a mile northerly from Snake River, in Union County, Oregon, and shall be known as the Red Rock Mine.

Witness: G. W. Murray, Locators; L. F. Jennings.

M. Reeves.

Transcribed from vol "B" Quartz Location Records page 516 Union Co records.

Amended Location Notice quartz Claim:

NOTICE IS HEREBY GIVEN: That we, the undersigned, being qualified have this day posted an amended location on the Monday Morning claiming by right of discovery appropriation and possession, 1500 feet in length by 600 feet in width being 4300 feet on each side of center for mining purposes as follows:

Beginning at this location stake, and notice and running "E" 900 feet and beginning again at this stake and notice and running "E" 600 feet to "W" 900 center and stake thence 300 feet "N" to N.W. corner stake, thence 1500 feet E. to N.E. corner stake and the S.W. corner, Admiral Dewey and H.W. Come, Millie Gipsy, thence 300 feet...
S. to E. corner and stake, thence 300 feet S. to E. corner and stake and S. W. corner
Mollie Gibson and The E. W. Corner Copper Mountain thence W. along N. line Copper
Mountain 1500 feet to S. W. corner, stake and N. W. Corner, copper Mountain thence 300
feet E. to W. center end, the place of beginning, this boundary survey.

In making this amended location, we do not waive or forfeit any rights
acquired under or by virtue of our former location which was made on the 6th day of
June 1899, and recorded in Book "G" on page 401 Records of Mines of Union Co. Oregon
but this amended location is made to change the boundaries of the claim so as to
extend 1500 feet E. and W. instead of 1500 feet N. E. and S. W. and to cover vacant
ground lying between the original location and the copper Mountain Claim and to
correct any errors that may have occurred in the original location or the recording
thereof, we claim all mineral inside our lines and all deeds, the top or apex of which
lies within our boundaries.

This claim is situated in Union County, Oregon, about one mile S. of the
Iron Dyke Mine, and the location stake, is on the S. side of Holbrook Creek 3000
feet W. of Snake River and is 2000 ft. N. W. from the tunnel on the Copper King Mine.

Amended Location posted, this the 1st day of Jan. 1901.

A. J. Cole, and
W. N. Bollis, owners.

Notice of Location of a Quartz Claim.

NOTICE IS HEREBY GIVEN TO ALL WHOM IT MAY CONCERN: that J. M. Forshey, R. W. Foster, and H. C. Thomas, citizens of the United States over the age of twenty one years having discovered a vein or lode of quartz or rock in place bearing gold and other metals, within the limits of the claim hereby located and have this day under and in accordance with the Revised Statutes of the United States, Chapter Six, Title Thirty two, located 1500 linear feet of this vein or lode with surface ground 600 feet in width, situated in unorganized Mining District, County of Union, State of Oregon, and known as the Sovereign Quartz Mining Claim, extending 172 feet westerly the center line and 1328 feet easterly to center end line from this notice at the discovery or prospect shaft which is 172 feet from westerly end line.

The exterior boundaries of this claim being distinctly marked by reference to some natural object or permanent monument and more particularly described as follows, to wit:

Being marked by (4) hewed corner posts (2) hewed center end posts and (2) hewed side posts, each post being lettered as to its respective position, together with trees blazed and notched near said post, said claim was formerly known as the Pacific and claimed by Elsber, J. M. Forshey, owns a 1/2 interest and R. W. Foster and H. C. Thomas, 1/4 each in said Sovereign Mining Claim.

Said Claim is about one mile from the Dolly Varden Mine in a westerly direction and we intend to work and hold said claim as provided by local customs and rules of miners and Mining Statutes of the United States.
Notice of Quartz Mining Location made on this mineral bearing
lobe, a vein named the Iron Crown by George A. Chapman, a citizen of the U.S. who
having complied with the requirements of the Revised Statutes of the U.S. local law
and customs, did discover and locate on the 2nd day of January, 1901, 1500 linear
feet along said lode or vein of mineral bearing rock in place of gold and silver copper, iron
by 300 feet in width on each side of the center of the vein, together with all dips,
angles, spur, and all lodes or veins, having a top or apex within these lines.

The location boundaries commencing at the discovery stake, and run, 750 feet
eastly and 750 feet westerly along the course of said vein, to the east and west center
end stakes, the general course or strike of said vein being eastly and westerly.

The exterior boundaries commencing at the west center end stake, and run
north 300 feet to the N.W. cor. thence 1500 feet easterly to N.E. cor. stake, then 300
feet south to east center and stake then 300 feet south to S.W. cor. stake then 1500
feet westerly to S.W. cor stake then 300 feet north to west center and stake, and
place of beginning, in Powder River Dist., Union Co., Oregon, and on a west side of
Murry Gulch and crossing said Gulch and about 3/8 of 1 mile above its mouth, the Wagon Road
to England's Astra, running past discovery shaft, this location was recorded formerly
as the Iron King Nos. 1 & 2.

Union Co. Jan'y. 1st, 1901.

George A. Chapman.

Notice of Quartz Mining Location made on this mineral bearing
lobe or vein named the Mill Quartz Mining Location by George A. Chapman, a citizen of the U.S.
who having complied with the requirements of the Revised Statutes of the U.S. local law
and customs, did discover and locate on the 3rd day of January, 1901, 1500 linear
feet along said lode by 300 feet in width on each side of the center of the vein together with
all dips, angles spur, and all lodes or veins having a top or apex within these lines.

The location boundaries commence at the W. center end stake and run 1500 feet...
along the vein to the S. center and stake. The exterior boundaries commence at the N. center and stake, and run 300 feet westerly to the N.W. cor. stake, then 1500 feet southerly to E.V. cor. stake, then 300 feet westerly to south center and stake, then 300 feet westerly to S.W. cor. stake, then 1500 feet northerly to N.E. cor. stake, then 300 feet westerly to north center and stake, and place of beginning, in Sparta Mining Dist. Union Co. Oregon, this location is near the Pittsburg Mill and crossing Pittsburg Gulch near the Mill. The nearest known location being the Pittsburg and Nena Such, which lie N. and W. January 3rd, 1901, Union Co. Oregon.

Ms. J. Guthrie, et al.  "May Flower"

Notice of Location of a Quartz Claim:

NOTICE IS HEREBY GIVEN TO ALL WHOM IT MAY CONCERN, THAT M. J. Guthrie and J. W. Guthrie citizens of the United States, over the age of twenty-one years, having discovered a vein or lode of quartz or rock in place bearing gold and copper within the limits of the claim hereby located and have this day under and in accordance with the revised statutes of the United States, Chapter Six, Title Thirty-two, located 1500 linear feet of this vein or lode with surface ground 600 feet in width, situated in the Mining District, County of Union, State of Oregon, and known as the Mayflower Quartz Mining Claim, extending 1500 feet in a S.E. direction from this notice at the discovery or prospect shaft which is feet from feet and line.

The exterior boundaries of this claim being distinctly marked by reference to some natural object or permanent monument and are particularly described as follows, to wit:

Beginning at discovery shaft and extending 300 feet S.W.C. to N.W.C. and
monument, thence 1500 feet in a S.W. to S.W. Mount, and S.W.
monument, thence 300 feet to N.W. Mount, and S.W.
thence 1500 feet in a N.W. D. to S.W. Mount, and S.W.
thence 300 feet in a S.W. to place of beginning.

This claim adjoins the Black Bear on the south and east and crosses what is
known as Pine Tree Gulch and is 1-1/2 miles in a southerly direction from Jasper Mitell
place on Powder River, and we intend to work and hold said claim as provided by local
customs and rules of miners and Mining Statutes of the United States.

Dated on the ground this 7th day of October, 1901.

Attorney:  H. H. Wilson,  M. J. Guthrie,  Locator:
State of Oregon)  J. W. Guthrie  Locator;
County of Union)  I. C. Wagner, do solemnly swear that I am a citizen of the
United States, of America, (or have declared my intention to become such) that I am
acquainted with the Quartz Claim, described in the within notice of location called the
Mayflower Quartz Claim;
that the locator of said claim has prior to the date of this
affidavit and since the date of posting or the location notice thereof, sunk a shaft
ten feet in depth from the lowest part of the collar thereof, or excavated a cut or
cross cut or tunnel, which cuts the lode at a depth of ten feet or as excavated and
open cut six feet deep, four feet wide and ten feet in length along the lode.

I, Wagner,

Subscribed and sworn to before me this 5th day of Dec. 1901.

W. T. Wright

"Robert Emmett" (Affidavit)

[State of Oregon]

County of Union

Affidavit of W. T. Wright.

I, W. T. Wright, being first duly sworn, say that I, as the W. T. Wright, named in the contract of date August 6th, 1899, and recorded February 20th, 1900, in Book "b" Mining Records of Union County, Oregon, page 568, between W. T. Wright, J.C. Moreland, and J.T. Wright, parties of the first part and John H. Davey and Frank J. Davey, the parties of the second part for the sale of the Robert Emmett Mine and lode, described in said contract, that I was well acquainted with said John H. Davey, and Frank J. Davey, the parties of the second part to said contract, that in all matters connected with said contract, I acted as agent and represented it of my said Co. Owners and am familiar with the various transactions concerning said contract.

That for myself and as agent for my co-owners I deposited the deed referred to in said contract in escrow with the First National Bank of Union, Oregon and thereafter deposited in said bank for collection the four notes referred to in said contract; that on the 6th day of May, 1900, the said John H. Davey and Frank J. Davey, failed or neglected to keep or perform the conditions of their said contract by them to be kept and performed and then and there and thereafter wholly failed and neglected to make in whole or in part the payment due on said date upon said contract at the First National Bank of Union, Oregon, and did then and there on said 6th day of May, A.D. 1900, forfeit their said contract, that on the 9th day of May, A.D. 1900, for myself, and as agent of my said co-owners I withdrew from said bank the said deed so placed there in escrow, and the said notes by and with the consent of the said John H. Davey, representing himself and the said Frank J. Davey and then and there acting for myself and as agent for my co-owners and with the consent and approval of the said John H. Davey, acting for himself and agent of the said Frank J. Davey, declared said contract forfeited; that acting for myself and as agent for my co-owners I, then and there bound over, surrendered and delivered to said John H. Davey, and said John H. Davey, then and there, acting for himself and as agent for the said Frank J. Davey, accepted the said four promissory notes, for the sum of $5,000.00 each mentioned in said contract in consideration of which and in consideration of the forfeiture of said contract the said John H. Davey, then and there acting for himself and as agent of the said Frank J. Davey, voluntarily and peaceably surrendered the possession of the said Robert Emmett Mine and lode and property to me as personal owner and as agent of my said co-owners and there after on the 20th day of May, A.D. 1900, the said Frank J. Davey, acting for himself and as agent of the said John H. Davey, peaceably and voluntarily in consideration of the premises aforesaid surrendered up and delivered the actual possession of all of said Mining property to one Laurence Parker who was then and there authorized to and did accept and receive possession of all of said property from the said Frank J. Davey as agent for myself and my said co-owners.
That since so receiving the surrender and delivery of the possession of the said Mining property, neither the said John R. Davey nor the said Frank J. Davey, have exercised or claimed any right, title or interest in law, or equity of in or to said property or any portion thereof, under said contract or otherwise or in any other manner as ever.

W. T. Wright,

Subscribed and sworn to before me this Nov. 26th, A.D. 1901.

(Notary Seal) C. E. Cohnen, Notary Public for Oregon.

W. E. McDougall,

Notice of Quartz Location made on this lode or vein, named the tunnel site fraction, on the 17th day of December, 1901, by W. E. McDougall, a citizen of the United States, who having complied with the requirements of the Revised Statutes of the United States, and local laws, customs and regulations, did locate on the 17th day of December, 1901, 1500 feet along said lode or vein with 300 feet in width on each side of the center of said vein together with all dips, spurs and angles, and all lodes or veins, having a top or apex within these lines.

The location boundaries are described as commencing at the discovery stake and running 300 feet in a westerly direction and 1200 feet in a easterly direction to the east center and line, the general trend or course of said vein being easterly and westerly. The exterior boundaries are described as being bounded on the west end by the Golden West Mineral Claim, and on the north side by the Copper King Mineral Claim and on the south side by the Anacorda, Miners exchange and Bakers Mineral claims and location being in Granite Mining District Union County, Oregon and particularly described as being down Snake River, about 2½ miles from Ballard's Landing and about 1½ miles west of Snake River, located December 17th, 1901.

State of Oregon.

County of Baker.

I, W. E. McDougall being first duly sworn, say that the required amount of work as location work has been fully performed or made upon the foregoing described Mining Claim, as and according to the laws of the State of Oregon.

Subscribed and sworn to before me this ___ day of Dec. 31, 1901.

NOTICE IS HEREBY GIVEN TO ALL WHOEVER IT MAY CONCERN: That we, Louis Blumauer, Thomas Pitch, Wm. Markrader and Robert Kelley, citizens of the United States, over the age of 21 years, have this day located and do hereby locate under and in accordance with the Act of Congress, for a mill site, and for the erection of reduction works a tract of land, as follows:

Commencing at a notice which is marked on a board and nailed to post which is 60 feet south of the south E. corner of Thomas Pitch's dwelling house, situated in Allen Town, thence in a southerly direction 450 feet to a similar notice our S.E. corner thence at right angles, in a westerly direction 450 feet to a similar notice our S.W. corner thence at right angles in a northerly direction 450 feet to a similar notice our N.W. corner, thence at right angles, in an easterly direction 450 feet to our initial notice and place of beginning.

This the Markrader Mill Site is located in connection with the Markrader mine, which was located by the undersigned on April 15, 1896, and for the purpose of erecting reduction works to reduce and work the ores of the Markrader Mine.

The Markrader Mine is located about one and one half miles nearly due north of the Markrader Mill Site.

Allentown Union Co. Oregon.

Louis Blumauer,
Thomas Pitch.
Wm. Markrader,
Robert Kelley.
Locators:

Filed for record July 17, 1896.

State of Oregon,
County Union.

I HEREBY CERTIFY: That the within notice was duly recorded by me in Book "A" page 257 of Records of Mining Claims, for Granite Mining Dist. Union Co Oregon, this 13th day of July, 1896, S. M. Gilmer, Dist. Recorder.

Transcribed from vol "1" of Mill Sites, page 63 Union Co Records.

Notice of Location of the Atlas Mill Site:

NOTICE IS HEREBY GIVEN TO ALL WHOEVER IT MAY CONCERN: That I, Louis Blumauer, a citizen of the United States, over the age of 21 years, have this day located and do hereby locate under and in accordance with the Act of Congress, for a mill site, and for the erection of reduction works, a tract of land as follows:

Commencing at this notice which is nailed to a tree, with its top blown off about 40 feet above the ground, said tree is on a line with C. street and about 500 feet nearly due north of the log house occupied by Ira Galloway on the corner of C. & 7th...
streets in Allentown, Union County, Oregon, thence in a nearly due east direction 435 feet to a notice which is nailed on a blazed tree at my north east corner thence in a nearly due south course 500 feet to a blazed tamarack tree at my S.E. corner thence in a nearly due west course 435 feet to a fir stump and notice at my S.W. corner thence in a nearly due north course 500 feet to my initial notice and place of beginning.

This the Atlas Mill Site is located in connection with the Atlas Mine which mine was located June 22, 1896, for the purpose of erecting reduction works to reduce the ores of the Atlas Mine.

The Atlas Mine is located about one and one half miles nearly due north of the Atlas Mill Site, which is located between Corvallis and Alhambra, Union County, Oregon, June 25th, 1895.

Loc: H. Blomme, Owner.

Filed for Record 17th, 1896,
State of Oregon
County of Union

I, HEREBY CERTIFY that the within notice was duly recorded by me in Book "A" page 259 of Records of Mining Claims for Granite Mining District, Union County, Oregon, this 12th day of July, 1896.

S. M. Gilmer, District Recorder.

"Combination Mill Site:"

NOTICE IS HEREBY GIVEN: That we, the undersigned, have this day 12th of November 1895, located this tract of land, for a mill site to be known as the Combination Mill Site, described as follows:

Situated in the Granite Mining District, Union County, Oregon, commencing at this notice placed on the north east corner of the Garrison Mill Site, thence westerly 465 feet to south west corner thence northerly 465 feet to north west corner thence easterly 465 feet to north east corner thence southerly 465 feet to place of commencement, this notice is placed on a red fir tree about 4 feet in diameter about 600 feet easterly of Main Pine Creek.

Location: J. S. Green.

State of Oregon
County of Union

This certifies that the within was duly recorded by me in book "A" page 37, in Record of Mining Claims for Granite Mining District, Union County, Oregon, on the 12th day of November, 1896.

M. J. Duffey, Dist. Recorder.

Andrew Nixon

"Mamua Loa"

Notice of Location of the Mamua Loa Mill Site

NOTICE IS HEREBY GIVEN TO ALL WHOM IT MAY CONCERN: That I, Andrew Nixon, a citizen of the United States, over the age of 21 years, have this day located under and in accordance with an Act of Congress, for a Mill Site and for the erection of reduction works a tract of land as follows:

Commencing at this my initial notice which is nailed to a board and to a post and posted on the north west corner of the Pacific Mill Site and about 90 feet nearly due north from the intersection of C. and 7th streets in Allentown Union Co. Oregon, and is my south west corner, thence north twenty degrees west 300 feet to a notice and post my north west corner thence north seventy degrees east 450 feet to a blazed tree eight inches thick to which this notice is nailed and is my north east corner thence south twenty degrees east three hundred feet to a blazed tree which is three feet thick and to which this notice is nailed my south east corner, thence south seventy degrees west 450 feet to my initial notice and place of beginning:

This the Mamua Loa Mill Site is located in connection with the Tom Patterson Mine which mine was located February 20th, 1896, and for the purpose of erecting reduction works to reduce the ore of the Tom Patterson Mine.

The Mamua Loa Mill Site is about one and one quarter miles from and is a south westerly course to the Tom Patterson Mine in Granite Mining District, Union County Oregon. Allentown, May 25th, 1897.

"Dion"
Judge of Labor

"Monte Crispo Grp."

Before me the subscriber personally appeared, S. D. Killinger, who being duly sworn, stated that he and his brother, James C. Killinger, in the amount of $1,000, have been paid for labor performed on the 'Monte Crispo' during the year 1903.

The labor performed consisted of claim No. 10, claim No. 11, and the half of claim No. 12, as the same is held on the Monte Crispo mining district, Baker County, State of Oregon, during the year ending Dec. 31, 1903. Such labor performed was made by them at the expense of the owners of the Monte Crispo mining district, said expense being paid for the purpose of holding the claims.

I certify that I have examined the above statement and find it true.

Filed for record Sept. 18, 1903. R. To Henry Border.
Located this 21st day of August 1843, County Baker, Oregon State, Treasurers for Territory

Notice is hereby given that the undersigned, a citizen of the United States over the age of twenty-one years, having complied with the requirements of Chapter 50 of the third section of the Revised Statutes of the United States, and the laws of the State of Oregon and the local customs and regulations of said Territory, have treated and here formally treat a certain claim of 1000 acres by square lot on the E. 1/2 of Section 30, Township 11 North, Range 5 West of the third principal meridian in the State of Oregon.

Wm. Field
William Ferris
Treasurer

Certified by:

J. E. Jones
G. Norris

State of Oregon
County of Baker

I, Wm. Ferris, do solemnly swear that I am a citizen of the United States of America, and do hereby request the recognition and acceptance of the claim herein described, and that the same be acted upon as I am free from any right, title or interest, and that the same be treated according to the laws of the United States and of this State, or of any State where the same has been abandoned and perfected by
reason of the failure of such former location to complete the said shafts within the requirements of said
law and (in the case of quit-claim) that I have sunk
a discovery shaft upon said claims to a depth of 100
feet from the lowest part of the mine of said shaft at the
surface where it rest on or against the tunnel which cut
the tunnel a depth of 100 feet made an open cut 50 feet
deep along the 250th west and 1200 feet back along the
road from the point of discovery, observed a take to
view of mineral stick at said place.

To the surveyor, this I, John Robin, a citizen of the United States, having the 15th day of May, 1893, discovered and staked a mine of mineral matter on place, carrying the whole value I have marked below: That the course of this mine is Easterly and Easterly and that said claim lies one thousand and five hundred and fifty feet west of the nearest monument on which this notice is posted, and that said claim lies three thousand feet on each side of the center thereof.

That said claim is situated on Holland Gold Mining District, two miles east of Aurora, Baker County, Oregon, the nearest monument being placed twenty feet left west from the discovery point as bounded and described as follows: 

1. Commencing at the discovery monument, thence east one thousand and fifty, (150) feet, to the west center of stake #1, thence South eight hundred and sixty, (860) feet, to the southwest corner stake #2. Thence Easterly one thousand and fifty, (150) feet, to the south center and stake #3. Thence continuing Easterly one thousand and fifty, (150) feet, to the southeast corner stake #4. Thence South one thousand, (1000) feet, to the east center and stake #5. Thence continuing Easterly one thousand and fifty, (150) feet, to the north center and stake #6, thence continuing Easterly one thousand and fifty, (150) feet, to the northwest corner stake #7. Thence westward one thousand and fifty, (150) feet, to the place of discovery.

E. W. Henry - Recorder.
Notice is hereby given to all whom it may concern that on, certain of the United States have discovered a vein of gold in the district on the northwestern side, and have taken the necessary steps in accordance with the Revised Statutes of the United States, Chapter 64, Title 32, to locate a fractional part of the same by fractional part. Property as the Elder Creek quarter section number 28, located one mile south of the Dredge Creek mining district, county of Baker, State of Oregon, and further described, to wit:

Beginning at the south center and west corner 300 ft. in a N. 80° E. direction to a south corner of the same northeast quarter section to the north west corner of said triangle, thence in a northwesterly direction to the south corner thereof, thence in a southwesternly direction 300 ft. to south center and post, or place of beginning.

The fractional part of the claim, being described as follows: Beginning in the north, the boundary on the west, and the corner on the south, fractional part of said claim, so described, with the Dredge and депут, dated on the ground, this 15 day of Aug. 1913.

R. W. Loney, Recorder
State of Oregon
County of Baker

I, Otto Sennos, being first duly sworn, do
swear that I performed the annual assaying
work on the Boulder Quartz Mining Claim,
and am required by the United States Statute,
for the year 1913.

That said work consisted of running an
open cut five feet wide, eight feet deep, good rock
and then ran along the Boulder Quartz Mining Claim,
and the
performing of all labor, hardship, the necessary
harper.

I say the said work was done between the first
day of July and the last day of September, 1913,
and reaches to the value of $100.00.

I say the said Boulder Quartz Mining Claim is
located on the Table Core District, and is situated
for the week by the President's Quartz Mining Claim
and not the east by the North Platte Mining Claim.

[Text too small to transcribe accurately.]
To all whom it may concern, notice is hereby given, that we are citizens of the United States, over the age of twenty-one years, that on the 28th day of July, 1863, discovered a vein or lode of mineral bearing rock in placer-bearing gold, silver, and other precious and valuable metals and minerals within the limits of the claim hereby described, which is this day and forevermore with the consent of the United States, Chapter 8, Title 32, named The Blue Bird Claim, Morning District, in the general strike or course of the said vein to the west of the N.E. 1/4 and that of the east and 600 linear feet 1500 of the north side of the discovery at which the notice is posted, together with 500 linear feet each side of the center of said vein.

That said claim is located in the South Pole of Walker Tract Mining District, in Baker County, State of Oregon, the discovery monument being placed on the said claim.

The said claim is more particularly described and is surrounded by the natural objects and permanent monuments, as hereinafter described, and is 500 feet east to N. Center and No. 2, 500 feet to W. Center, No. 3, 1500 feet to N. East Side, 500 feet to W. Center and No. 2, 500 feet to W. Center and No. 3, 300 feet to S. Ahead.

The premises are located on 500 miles south of Crook Creek near the lake on west side of Neko Lake, Morning District.

And we do hereby hold and maintain said claim in accordance with the legal rules and the laws of the United States and the State of Oregon

Noted on the ground the 28th day of July, 1863.

To all whom it may concern. Notice is hereby given that we are citizens of the United States, and the age of twenty-one years, and on the 1st of August, 1883, discovered a vein of mineral bearing rock in place, bearing with the other minerals and other precious metals and valuable metals and minerals within the limits of the claim hereby set forth, which we call the 'Sarah,' and in every manner with the other minerals of the United States by Section 3, Title 32, of the 'Sarah' Grant Mining Claim. That the general strike of ore is from the vein of the 10 to 12 feet and 100 to 300 linear feet of front of discovery, or which this claim is located, being 1,000 feet west of the center of said vein.

The said claim is located on the 10th Meridian North to Middle Fork, Timming District, on Baker's Creek, on the 'Sarah' Grant Mining Claim, the discovery monument being placed on the edge of the property in the west corner of the Bunde Grant Mining Claim, and said claim is more particularly described and located by means of the section lines and permanent monuments touching the property, and is more particularly described in the boundaries as follows: to W. T. Honeyman, at the north boundary of the United States, at which the notice is located, thence to the South line of the Bunde Grant, thence 300 feet to the center line of the Billings Grant, thence 500 feet to the center line of the Baker's Creek Grant, thence 300 feet to the center line of the Bunde Grant, thence due north to the center line of the Billings Grant, thence 300 feet to the center line of the Baker's Creek Grant.

Said we, in order to claim the same, in accordance with the laws and customs of measure and measuring of the United States of Oregon.

Dated this 14th day of August, 1883.

State of Oregon

Baker's County

I, O. T. McCollock, being the duly sworn

clerk, do hereby record that I am the owner of the property described in the above-mentioned claim, which is located, situated, and named in the 'Sarah' Grant Mining Claim, and that the said claim is true, and proper to be of the original notice, and that the same was duly recorded on the 1st day of August, 1883, the recorder for the county of Baker, as required by the statutes of Oregon, as follows: 'Filing a shaft, thereon and claim to the location of the shaft, from the top of the rim of said shaft, the four corners thereof being recorded in the proper manner, and that said work was done above said claim on the 10th day of August, 1883.

Record.
To all whom it may concern. Notice is hereby given, that we are engaged in the Central Valley, over the U. F. Twenty mine, No. 8. On the 14th day of August, 1913, discovered a vein or body of mineral bearing rock near the place, mining of which, and the recovery and valuable metal and materials within the limits of the claim hereby stated, which we have this day and in accordance with the mining laws of the United States, Chapter 6, Title 32, $5,000 in the amount of said 900 claims, per ton, and 300 square feet of the point of discovery, at which they were located, together with 300 feet on the back side of the line of said claims. This land claim is located on the 90th meridian of Oregon, in Baker County, State of Oregon. The discovery report of the same is as follows:

Commencing at the point of discovery at which the notice was located, thence N. 1° E. 100 ft., thence S. 1° E. 100 ft., thence W. 1° S. 100 ft., thence N. 1° E. 100 ft., thence S. 1° E. 100 ft., thence W. 1° S. 100 ft., thence N. 1° E. 100 ft., and so on, and the said claim is more particularly described and located in the State of Oregon, by the(g)round the 14th day of August, 1913.

State of Oregon

R. H. McElroy
Attorney General
Forth of July

To all whom it may concern, notice is hereby given that we are citizens of the United States over the age of twenty-one years. On the 4th day of July, 1883, I(he, she) aforesaid, filed in the office of the District Clerk of the United States Circuit Court of Oregon, a mining claim known as "Forth of July," located in Section 32, Township 3 North, Range 6 West, in the U.S. Public Land Survey System. I hereby claim the land described below, together with 300 feet on each side of the center of said claim. I claim the same to consist of the following lands:

Commencing at the south line of township 3 North, range 6 West, Oregon, at the point where the same intersects the line of section 32, thence north 200 feet, then east 100 feet, then south 200 feet, then west 100 feet to the point of beginning. The premises described consist of a square, 200 by 200 feet, located on the south side of the road leading from the town of Portland to the town of Milwaukie. The land is improved with a dwelling house, barn, and other buildings.

I, the undersigned, do hereby claim and receive the above described land as my property and title thereto, subject to the conditions and requirements of the Mining Law of the United States.

Witness my hand this 5th day of July, 1883.

P. M. St. John
Recorder.
In all whom it may concern: Notice is hereby given, that we are citizens of the United States over the age of twenty-one years born on the 30th day of July, 1872, described a vein or line of mineral bearing rock in place showing gold, silver, and other precious and valuable metals and substances within the limits of the Claim hereby treated, which we have since that day up in accordance with the Revised Statutes of the United States. Chapter 6, Title 30, named the Claim 

Territorial Mining Claim. Took the general strike-up survey of the vein of gold in Nos. 8 & 10. And — and that claim — tenor foot — and 800 tenor foot, 1500

the notice is served together with 300 feet on each side to center of said vein. That each claim is treated in the 3rd. Turner Mining District, in Baker County, State of Oregon — foot and said claim is more particularly described are treated by means of the natural surface and permanent measurements being to described and to more particularly described by attachment to the following:

Compendiums at the point of discovery at which the notice is served, these dimensions, to the north one thousand feet, 300 feet by the width, and No. 2, Horse, 300 feet to 5th, Horse, 300 feet to 5th, Horse, 300 feet to 5th, Horse, 300 feet to 5th, Horse, 300 feet to 5th. The pockets are treated for such gold and silver. Thereon, it is desired that the Baraboo on the north side of the lake, the south side of the lake, and that we intend to hold and work said claim in accordance with the laws and customs of mining and mining laws of the United States and of the State of Oregon.

Dated at this present the 30th day of July, 1873.

T. F. Payntell, Notary.

(Signed) T. F. Payntell, Notary.

T. F. Payntell, Notary.

And that I have recorded the above, and am that I gave one of the boundary of the district described Mining Claim which is described and named Territorial Mining Claim, and that the above notice is a true and correct copy of the original notice which is bound up, and said claim has been recorded in the recorder's office in Baker County, between the 30th day of July, 1873 and the 29th day of Sept., 1873, the discovery work as required by the statutes of Oregon as follows: by continuing a shaft to the depth of 45 feet from the lowest edge of the rim of said placer at the surface, which work showed a true surface of mineral deposit of placer, and that said work was done upon said claim within sixty days from the date of discovery.

Subscribed and sworn to before me, this the 29th day of Sept., 1873.

(Signed) S. T. McEnd. Notary Public.

Recorded on this 29th day of Sept., 1873.

T. K. Turner, Recorder.
To all whom it may concern. Notice is hereby given, that
the undersigned, citizens of the United States over the age of twenty-one
years, on the 30th day of July, 1912, discovered a
mine or body of mineral bearings, rock, ore, gravel, sand, gravel, and other
ores, and valuable metals and minerals,
within the outline of the claims hereunto attached, which — the
day and on abatement with the proper authorities of the United
States. Chapter 6, Code 1903, opened the claim. May Flower Grant
Mining Claim. That the general outline of said body of the
mine is of 100 E. S. F. O. and — and said claim
is true north of 100 foot 1000 feet by each side of the center of said mine.
The said claims were located on the 6th Township, Range
8, Baker County, State of Oregon, and said claim was
particularly described and located in manner of the natural
ores and permanent minerals, hereby to mention, said
ore was particularly described by boundaries as follows:

- Commencing at the south end of discovery, which
  is described to extend north from the south property by the
  north property of the Bootleg Mining Claim,
- Proceeding to extend to north and west and claimed in accordance
  with the said rules and regulations of miner and mining law
  of the United States and the State of Oregon,
- Platted on the ground the 30th day of July 1912

J. C. McElhiney, Lessor
C. S. McElhiney, Lessor

(Stamp)

(State of Oregon)
Baker County

J. C. McElhiney, Lessor, being first duly sworn,
affirmed and says that I took note of the location
of the said described Mining Claim, which is located,
platted, and named May Flower Grant Mining Claim, and
that the northern boundary is a true north and east line of the original
property which is located, and known by the
State of Oregon as follows: By making a shaft
to the depth of six feet from the true north of the
mine, and each shaft of the surface, which were above a bed
of vein of natural deposit in clay, and that said works
was shown upon said claim within sixty days, from
the date of discovery.

J. C. McElhiney

Registrar.
This is a handwritten document on the history of Rose Tree mining claims. The text is a formal record of a mining claim, detailing the boundaries, description, and legal status of the claim. The document is signed by A. H. Baldwin and J. D. B. Hayden, and includes a statement of the claim's history and validation. The text is clear and legible, though the handwriting is traditional for such documents.
To the Terrestrial, it is hereby given that the undersigned has located Twenty (20) acres of Stone Land, under Act of Congress of Aug. 26, 1872. Described, as follows: The 22-1-2 of the 3-2 of the 3-4 of the 3-4 of the 27, Township 7, Range 31, S. T. W.

Witnesse
J. W. Tellman

Dated this 27th day of August, 1872.

Filed for record Sept. 20, 1872, 9 a.m.

P. W. Haggard

Registrar.
Verification of Mining Claim Notice is hereby given, that I, W. R. Baker, of the United States, over the age of twenty-one years, on the 20th day of August, 1883, discovered a vein or lode of mineral bearing rock in the area bearing gold, silver, and other valuable metals and minerals within the limits of the claim hereby described, viz: in the town of Baker, in the State of Oregon, described as follows: commencing at the southwest corner of the first claim herein recorded, 300 feet north of the line between the same and the second claim herein recorded, and running north 300 feet east of the line between the said claims and the third claim herein recorded, and thence south 300 feet west of the line between the said claims and the fourth claim herein recorded, and thence west 300 feet south of the line between the said claims and the fifth claim herein recorded, and thence north 300 feet east of the line between the said claims and the sixth claim herein recorded, and thence east 300 feet north of the line between the said claims and the seventh claim herein recorded, and thence south 300 feet west of the line between the said claims and the eighth claim herein recorded.

This claim is bounded on the north by the Holder's claim and on the west by the United States line, and is about one and one-half miles from the city of Baker on the north side of the road. Said claim is to be sold and worked in accordance with the laws and regulations of the United States and of the State of Oregon.

WITNESSES:

County of Baker

Receipt for record on the 25th day of September, 1883.

B. W. Henry, Recorder.
Notice is hereby given that I, the undersigned, have on the 23rd day of September, 1913, located and claimed 600 feet by 400 feet of ground for the purpose of a mill site — said to be sold granite as assured by local inhabitants, and agrees to purchase and enter into the Statute of the United States of America and paid said mill site. Said mill site is situated on Cash Walker, about 24 miles north of Ballard’s Landing and point in Snake River on the west bank. It also agrees that the base line running from the north end of the above said site to be known as Cash Walker, and is situated in Idaho County State of Idaho. Said site is more particularly described as follows: Beginning of this notice is running along 600 feet at the west end, thence 200 feet, thence to the northwesterly corner, thence 200 feet, thence to the southerly corner, thence 200 feet, thence to the northeasterly corner, thence 200 feet, thence to the westerly corner, and thence 200 feet to the southwesterly corner. Platted on the ground the 23rd day of September, 1913.

Clerk.
To all whom it may concern. Notice is hereby given, that we, the undersigned, J.W. Beal and John Staker, of the City of Saginaw, in the State of Michigan, do hereby make application for a mining claim, or part thereof, on the 18th day of September, 1913, for the purpose of mining certain underground rock, of ore value, containing gold, silver, and other precious and valuable metals, gold, and minerals, within the limits of the claim hereby described, which we have this day marked in accordance with the United States Statutes, Title 32, namely the Magnum No. 8, Quarter Section 32, Township 4 North, Range 1 West.

That the general description of this claim is as follows, to wit:—

That in the section of land comprised in the said claim, there is a certain quartz body of ore containing gold, silver, and other precious metals, located in the center of the said section, and is composed of quartz, pyrite, and other minerals.

That said claim is more particularly described and located by means of the natural objects and permanent improvements hereafter mentioned, and is more particularly described by reference to Section 32, Township 4 North, Range 1 West.

Commencing at the point of discovery of which this notice is made, thence due west, along the line of section, to the northeast corner, thence north, along the line of section, to the southwest corner, thence west, along the line of section, to the northwest corner, thence north, along the line of section, to the southeast corner, thence east, along the line of section, to the southwest corner, thence south, along the line of section, to the northeast corner.

And we claim to hold and work said claim in accordance with the local laws and customs of the miners and mining laws of the United States and of the State of Michigan.

Dated this 25th day of September, 1913.

Issued December 26, 1913.

L. E. Beal
John Staker

J. S. Keesing
W. M. Anderson
I, M. N. Anderson, being first duly sworn, say that I am one of the lessees of the
Mining Claim described in the within notice of The
Magnet No. 3. Quartz Mining Claim, and that
I received notice of a full, true and correct copy of the
federal notice of location posted on said Claim.
That I did between the discovery of said Claim and the
date of the within notice, dig and open a shaft ten
feet in depth, and that said work was done
under said claim within sixty days from the date of
administration, and by such work there was
indicated a body or vein of mineral deposit inseparable.

M. N. Anderson.

Subscribed and sworn to before me the 8th day of Oct 1923.

R. H. Brown
Notary Public for Oregon.

Received foreword Oct 5 1923. P. W. Brown
To all whom it may concern. Notice is hereby given that on the undersigned J. C. Toland, John B. Lacy, Levi Loper, J. J. Peterson, and W. M. Anderson, citizens of the United States, over the age of twenty-one years, have, on the 25th day of September, 1883, discovered a vein or lode of mineral deposit, which in future bearing gold, silver, and other precious and valuable metals and minerals, within the limits of the claim hereinafter described, which we have this day made in accordance with the Revised Statutes of the United States—Chapter 6, Title 32, namely the Magnet No. 7 Quartz Mining Claim.

That the general location or course of said vein or lode is North thirty-three and South thirty-three, and that length and surface of said claim, as described and located, is more particularly described by reference to and in accordance with the actual survey of public land, as follows:

Commencing at the point of discovery, at which the notice of said deposit, having number 3104, extends to northwesterly corner; thence 1,333 ft. southerly to southeasterly corner; thence westerly 300 ft. to south center and back 44 ft.; thence westerly 300 ft. to southwesterly corner; thence 44 ft. to southwesterly corner; thence 300 ft. to northerly corner; thence 44 ft. to northerly corner; thence 300 ft. to northwesterly corner; thence 44 ft. to northwesterly corner; thence 300 ft. to northwesterly corner; thence 44 ft. to northwesterly corner.

Here all men be these presents that I, Nellis Williams, a citizen of the United States, over the age of twenty one years, claim by right of discovery and location fifteen hundred feet, east and west, and three hundred and ninety feet, north and south, as follows: commencing at said north west corner of said claim, and running south two hundred feet, east one hundred feet, and south one hundred feet, north ninety feet west, and north one hundred feet east, and south one hundred feet west, reserving two hundred feet for discovery and fourteen hundred feet running twenty feet from discovered and fourteen hundred feet running thirty feet from said discovery. Said claim is situated in the Town of Adams, Section 3, Township 10, Range 24 West, in the State of Dakota. Said claim is described as follows:

Beginning at the south west corner of said claim, and running north two hundred feet, east one hundred feet, and north one hundred feet west, and south one hundred feet east, and south one hundred feet west, reserving two hundred feet for discovery and one thousand feet for discovery and fourteen hundred feet running thirty feet from said discovery. Said claim is situated in the State of Dakota, in the Township of Adams, Section 3, Township 10, Range 24 West, in the State of Dakota.

Located this 19th day of September, 1903.

J. N. Williams.

Soldier's statements

State of North Dakota

County of Adams

I, Nellis Williams, the undersigned, swear that I am a citizen of the United States of America, and that I have attained the age of twenty-one years, and that the above description of the claim is true and correct. I hereby take the solemn oath of office, and will faithfully execute the duties of the office of Claim Clerk, and will perform the duties of the same to the best of my ability. I do hereby certify that the above description of the claim is true and correct, and that I am a citizen of the United States of America.

Nellis Williams.

Filed for record Oct. 3, 1903.

N.A. Hauge.

Notary Public for State of Dakota.
Know all men by these presents, that the
Connecticut Branch of the Great Western Gold
and Silver Mining Company, hereby claim by right of discovery and location, thirty
hundred feet (3000) of horizontal measurement on line
the twelve mineral claims being the same, with all
the lives, variations and augers, together with three
hundred feet of width on both sides of center line
at surface, and all veins, rocks, ledges, lode-line and
surface ground within the line of each claim. The
respective lines to said the nine mineral claims from shore,
and said hundred feet running southwardly from
said discovery, and said claim is situated in Lorrin Mining
District (undivided Baker County, State of Oregon) and
more particularly described as follows to wit:
Beginning at first point, due East as placed at the
Northwestern corner of claim, thence three hundred feet in
an easterly direction to point No. 1, which is placed at the North
corner of claim, thence three hundred feet in an
easterly direction to point No. 2, which is placed at the Northwest
corner of claim, thence three hundred feet in a
northerly direction to point No. 3, which is placed at the north
corner of claim, thence three hundred feet in a
southerly direction to point No. 4, which is placed at the south
corner of claim, thence three hundred feet in a
westerly direction to point No. 5, which is placed at the west
corner of claim, thence three hundred feet in a
westerly direction to point No. 6, which is placed at the
southwest corner of claim, thence three hundred feet in
a northerly direction to point No. 7, which is placed at the
northeast corner of claim, thence three hundred feet in
a southerly direction to point No. 8, which is placed at the
southwest corner of claim, thence three hundred feet in
a northerly direction to point No. 9, which is placed at the
northwestern corner of claim.

I, the above described, do hereby, for myself
and heirs, does hereby, and for the use of said
Connecticut Branch of the Great Western Gold
and Silver Mining Company, do hereby acknowledge
and receive the above described claims, to the
extent of three thousand feet, as aforesaid, without
assigning any consideration therefor, except in
consideration of the right to locate and work said
claims, and the right to take and use the ores therefrom, and the
right to use the said claims for the purpose of
locating and working other claims in the
same manner and for the same purpose.

In witness whereof, I have hereunto set my
hand and seal this 23rd day of September, 1873.

Notice is hereby given, that the undersigned citizens of the United States having complied with the requirements of Chapter 6, Title 32, of the Revised Statutes of the United States, and the laws of the State of Oregon, have filed 17.1 days of Aug. 5th, 1905, locating a quartz claim upon the vein or bed or other mineral bearing rock in place, bearing gold, silver, copper, and other valuable metals and deposits. Such claim is hereinafter named the Summit Quicksilver Mining Claim and is situated in Klamath Mining District, Baker County, State of Oregon. Said location is marked and recorded on the ground as follows:

"Beginning of the north line of the location, there are 700 feet, in a northerly direction to north center and stake a marker on the ground and a joint above ground marked north center and, thence 500 feet, east to the N.E. corner stake, and a marker on the ground and along the due north line and due west line 100 feet, in an easterly direction to the southeastern corner stake, and a marker on the ground and due north line and due east line 100 feet, in a westerly direction 300 feet to the southwestern corner stake and a marker on the ground and due north line and due west line 100 feet, in a westerly direction, thence due north 300 feet to the southwestern corner stake.

On all corners and center and stakes, is progression of perception above and stake in marking the boundaries of this claim, it also written to watch the names of the claim, the names of the owners and the date of location.

The claim was made by the undersigned on the 27th day of Aug., 1905.

From this north line of the location and along this line, the location is marked 300 feet in a northerly direction and 800 feet in a westerly direction and on the west side of the middle of said edge 300 feet, and on the east side there are 300 feet.

The course or strike and direction of the vein edge side or east, north, south and west.

For further identification and description, be referred to a natural land and permanent monument. The claim is described as being at the 400 foot head of Summit Ranch, Pine Creek, about a mile north of the Summit mine and adjoining the York Mining Claim on the north.
