In all matters of any concern, notice is hereby given that we, J. P. Reeds and O. D. Bucknam, citizens of the United States, are twenty-one years of age, and on the 5th day of September, 1873, discovered a vein of gold in the town of Oregon, in the county of Grant, state of Oregon. The vein of the same lies within the limits of the claim herein described, which we have this day and in accordance with the laws of the United States, under the act of 1872, named the Oregon Mineral Claim, and do hereby claim the same, and do hereby disavow any interest in the same, and do hereby declare that we, as the parties herein, are the true and lawful owners of the same, and do hereby declare that we have no other claim to or interest in the property herein described, and do hereby declare that we have no other claim to or interest in the property herein described, and do hereby declare that we have no other claim to or interest in the property herein described.

I have this day, under the laws of the United States, named the Oregon Mineral Claim, and do hereby declare that I have no other claim to or interest in the property herein described, and do hereby declare that I have no other claim to or interest in the property herein described, and do hereby declare that I have no other claim to or interest in the property herein described.

J. P. Reeds
O. D. Bucknam

State of Oregon
County of Grant

J. P. Reeds, being personally sworn, says that I was one of the original proprietors of the Oregon Mining Claim, located in the town of Oregon, in the county of Grant, state of Oregon. The vein of the same lies within the limits of the claim herein described, which we have this day and in accordance with the laws of the United States, under the act of 1872, named the Oregon Mineral Claim, and do hereby declare that I have no other claim to or interest in the property herein described, and do hereby declare that I have no other claim to or interest in the property herein described, and do hereby declare that I have no other claim to or interest in the property herein described.

J. P. Reeds

Subscribed and sworn to before me, this 5th day of October, 1873.

J. E. Smoote
Notary Public for Oregon
Snoe Ball Fraction

The undersigned, Fred B. Smith, of Tumwater, Oregon, a citizen of the United States over the age of twenty-one years, residing constable with the town of Tumwater, and the State of Washington, has entered on the ground and does hereby claim 1500 feet in length by 600 feet in width along the Snoe Ball Fraction line

and hereby claims all the rails and dikes south said claim, as hereinafter described. Further will all the trees, brush, and stumpage.

That this parcel of land is north of said rail and south of the Snoe Ball Fraction of the 8th Line, 2nd Township, 6th Range, and south by east from the South center line stake being a post marked 8. E. 6. Fraction, the location of which is fixed in the description I said claim hereinafter set forth, and due north and 1500 feet north of the town and dairy town, and 300 feet north of the town and dairy town, being the point where the railway, from the South center line stake, being a post marked 'S. E. 6. Fraction' the location of which is fixed in the description of said claim hereinafter set forth, and due north from the town and dairy town, and 300 feet north of the town and dairy town, being the point where the railway from the South center line stake, being a post marked 'S. E. 6. Fraction' the location of which is fixed in the description of said claim hereinafter set forth.

That said claim is situated in the organized mining district, in the County of Pierce, State of Washington, and is marked on the ground and described as follows:

2. Beginning at the south center line stake, thereon marked "S. E. 6. Fraction" from whence the quarter-section corner corners are as follows:Section 16 and 21 T. 10 S. 6. 35, E. 5.5. There is approximately 1500 feet west thereon, running thence north said South Center and east north west one third of 300 feet, thence west, thence north, thence west and thence north about 600 feet, thence south and thence north about six feet and south about 600 feet, thence north and thence south about six feet and south about 600 feet, and the center, and the southwest corner of the judge's road claim, thereon marked "P. E. 6. 6. Fraction", thereon marked "N. E. 6. 6. Fraction", thence 1500 feet west and thence north to a point marked "S. E. 6. 6. Fraction", opposite the north end of the judgment claim, thence north about 1500 feet to a point marked "N. E. 6. 6. Fraction", thence east about 1500 feet to a point marked "S. E. 6. 6. Fraction", opposite the North East corner of the judgment claim and thence south to the South center line stake and the place of beginning.

The claims hereon the judge's road claim of Tumwater, and Franklin, the East side being the West line and the West side the North line and the Snoe Ball claim of G. Halsey, the South side being the East line and the Snoe Ball claim and the woods around the same, and the woods around the North end being marked by posts out less thereon four trees, square and thereon feet, and said posts hereby give notice that he intends to hold and work said claim in accordance with the previous acts of the United States and of the State of Washington.

Resident July 12th, 1913 and this notice posted on the premises Aug. 12th, 1913.

Witnesses:

Fred P. Smith - Locust

F. B. Tanner - James Marsh.
State of Oregon
County of Baker

I, James Pack, being first duly sworn
on oath depose and say:

That the return is a true copy of the notice of
location of the Snow-Cat Location quarry mine claim
as posted on the ground. That the location of said
mine is at the location of said claim, and that I am familiar
with the fact described therein.

That said discovery consisted in making a shaft
10 feet deep at the south part of the rim of the surface
of said claim, which shaft was ten feet deep and
four feet wide and there was discovered therein a ledge,
in which is a deposit of mineral bearing rock in place.

JAE. PACK.

Field for record Oct 20th 1883.

A. W. Henry Recorder.
To whom it may concern, notice is hereby given, that J. M. Smith, and C. J. Hendry, claimants of the United States of America, according to the present law, through and by the State of Oregon and the local rules and regulations, and practice of miners, have treated and by this notice to treat claim known as the Yale. Site of claim, said claim being described the 25th day of August, 1878, and the claim 1500 hundred square feet, 500 feet in width, the same being 600 feet, from each side of the center thereof, together with all veins, claims and angles, and all other veins or pipes of which the within said boundaries. Situate on the Peter's Duck Mining District, County of Baker, State of Oregon, and treat claims being described and marked on the ground as follows, to wit:

Regarding the discovery point, which is located where the south bank of the stream of Devil's River, about 100 feet above the said Peter's Duck Creek, which is approximately 1000 feet northwesterly to northeast; said point is 300 feet northwesterly to 1500 feet nearer, southerly to 300 feet and southwesterly to 300 feet, thence 300 feet and northwesterly to 300 feet, thence 300 feet northwesterly to 300 feet, thence 300 feet northwesterly to 300 feet, thence 300 feet northwesterly to 300 feet, thence 300 feet northwesterly to 300 feet, thence 300 feet northwesterly to 300 feet.

The claim is bounded on the northwesterly line by the Peter's Duck Creek, claim, and on the southwesterly line by the Rucky hill Mine, and on the southeast by the Port Lake Quartz claim.

And we,特意 to hold and work said claim in accordance with the local custom and rules of miners and promising laws, at the United States, and of the State of Oregon, as bound on the ground the 25th day of August, 1878.

Located, August 28, 1878.

J. M. Smith, Lector.
C. J. Hendry, Lector.

J. M. Smith, the settler, swears that I am a citizen of the United States of America, and have no intention to become such, that I have appointed with the necessary person to transact the entire, that I have only called the Yale for the same, and that the same was described 500 feet of the Peter's Duck Creek, claim, according to the laws of the United States, and that I, as the settler of the claim, have been disposed of, by reason of the failure of such person, to transact the required business, with the requirements of said laws, and that I have the same claim that I have named new ground to the extent of 1500 feet of total, just as required by the laws of Oregon.

Subscribed and sworn to before me the 25th day of October, 1878.

J. T. Earn, Notary Public for Oregon.

October.
To all whom it may concern, notice is hereby given, that I, Albert Lay, citizen of the United States, have filed a mining claim, known as 'The Big Mouth Mining Claim,' on the 25th day of August, 1913, according to the provisions of the Mining Law of 1872, as amended, and the general rules and regulations prescribed by the Secretary of the Interior, and the same is situated in the territory of the United States, lying in the mountains of the Sierra Nevada, in the county of Mono, and is bounded by the following described points of the boundaries of the same:

Commencing at the point of discovery at which this claim was located, thence N 30° E 400 feet to the center of the stake, thence S 30° E 400 feet to the center of the stake, thence S 30° W 400 feet to the center of the stake, thence N 30° W 400 feet to the center of the stake, thence N 30° E 400 feet to the center of the stake, thence S 30° E 400 feet to the center of the stake, thence S 30° W 400 feet to the center of the stake, thence N 30° W 400 feet to the center of the stake.

And I, Albert Lay, do hereby make and set forth the following statement of the value, extent, and description of the same:

Value: 1,000 ounces of gold.

Extent: Four acres.

Description: A vein of gold ore is located within the boundaries of the claim, which contains over 70% gold.

I hereby deposit this claim in accordance with the provisions of the Mining Law of 1872, and I do hereby declare that I shall keep this claim in good order and possession, and that the same shall be maintained in a state of good order and possession.

Albert Lay, Claimant.

I, the undersigned, do hereby certify that the above statement is true and correct.

J. W. Henry - Recorder
To all whom it may concern, notice is hereby given that J. W. Smith, a citizen of the United States, over the age of Twenty-one years, late on the 1st day of Oct. 1873, discovered a vein of ore of valuable minerals within the limits of the claim hereunto attached, which in due time and in accordance with the Revised Statutes of the United States, Chapter 5, Title 32, named the B. H. E.opper—Quarry Mining Claim. That the general strike or course of this vein is to North 1/2 and — and that I claim 400 ft. tenor foot N. 1/2 and 100 linear foot S. of the point of discovery at which the vein is located, together with 310 feet for each side of the center of each claim. That said claim is located in the S.E. quarter of the S.E. quarter of the S.E. quarter of the N.W. quarter of T. 3 S., R. 19 W. Sec. 23, State of Oregon, the discovery monument being placed 300 feet from the point of discovery, and said claim is to be particular described to the best of my knowledge, and it is more particularly described by boundaries as follows:—

Commencing at the point of discovery, thence due North 400 feet, thence due East 400 feet, thence due South 400 feet, thence due West 400 feet, thence due North 400 feet, thence due East 400 feet, thence due South 400 feet, thence due West 400 feet, all as in the exact line of this record. Said claim is to be further located and verified by the Secretary of the State of Oregon for record in my name and conveying the same to the United States and the State of Oregon.

Dated on the around the the 8th day of October, 1873.

(手写内容)
A true and just grant, that I, W.H. French, a citizen of the United States, have on the 17th day of Oct. 1913, discovered and located a vein of mineral bearing rock in place, carrying lead which vein I have named the Groves. That the course of this vein is East and west and that I claim 1500 linear feet along this line. 150 East and 1500 ft. West of the discovery monument on which this notice is posted, and that I claim 500 linear feet on each side of the center of the vein.

That said claim is located in my unpatented Mining District, Baker County, Oregon, the discovery monument being placed 750 feet west from such center and stake and is bounded and described as follows:—wth:

Commencing at the discovery monument, thence 700 ft. East to 2nd center and stake, thence North 300 ft. E. & S. 50 ft., thence West 1500 ft. to W. 1/4 corner stake, thence South 500 ft. to 1st center and stake, thence South 300 ft. to W. 1/4 corner stake, thence East 1500 ft. to S. & E. corner stake, thence North 500 ft. to 2nd center and stake, place of beginning and the north side line in the south side line of the Donation, north 1/4 of Section 37, claim being and 20 ft. wide 2/100 from town line of said quarter.

Dated Oct. 27, 1913.

W.H. French, locator.

Witness,

R.O. Rice.

State of Oregon

County of Baker

I, W.H. French, being first duly sworn on oath, depose and say, that I was acquainted with the location of the claims described on the original notice of location of the Groves mining claim, and that said notice is a full, true, and correct copy of the original notice of location filed on said claim.

That I did, between the 17th day of October, 1913 and the 2nd day of November, 1913, the discovery work required by the statutes of the State of Oregon to locate claim was performed by running an open cut through the vein and staking, said work by the work on said claims had prior knowledge of the above facts and said work was done on said claim within sixty days from the date of location thereof, and that the work was declared to be a vein of mineral deposit in place.

C. E. Shealy, Clerk.
Notice is hereby given, that I, C. D. Hutchinson, a citizen of the United States, filed on the 15th day of October 1893, described and staked a vein of mineral bearing rock in place, carrying gold which vein I have named The Serene.

Let the course of this vein be North and South, and that I claim 1500 linear feet on this edge and 500 feet North and 500 feet South of the discovery monument on which this notice is staked, and that I claim 300 ft. on each side of the center of vein.

That said claim is staked on the organized Mining District, Baker County, Oregon, the discovery monument being placed 750 feet north from Smith's creek and said to be described as follows, E-W:

Commencing at the discovery monument, thence North 750 ft. to north center end stake, thence West 350 ft. to S. E. corner stake, thence 1500 ft. E. S. W. of S. E. corner stake, thence West 300 ft. to South center and, thence west 300 ft. to S. W. Dr. stake, thence North 1500 ft. E. S. W. of S. W. Dr. stake, thence East 300 ft. to North center and stake, place of beginning.

This claim from the west side line of the Thirteenth Quarter claim and is about 2 miles S. E. of Civilian Fort.

Dated Oct. 15th, 1893.

C. D. Hutchinson, Claimant.

Witness:

Albert Trice.

P.W. Keen.

Clerk.
Today is hereby given, that L. P. Torrey, a citizen of the United States, has on the 15th day of Oct. 1913, discovered and staked a vein of mineral running north in place, carrying Gold, which vein I have named the Standard.

That the course of this vein is East and West and that I claim 500 ft. running just above the edge. East end is 5000 ft. East of the discovery monument on which this notice is posted, and that I claim 500 ft. on each side of the center of vein.

That said claim is located in the organized Mining District, Baker County, Oregon, the discovery monument being placed 400 ft. from each center and is bounded and described as follows, to wit:

Commencing at the discovery monument, thence East 400 ft. to East end center stake, thence 300 ft. North to N. E. corner stake, thence East 1000 ft. to S. W. corner stake, thence 200 ft. South to East end center stake, thence North 1000 ft. to S. E. corner stake, thence East 1500 ft. to S. E. corner stake, thence North 500 ft. to East end center stake; place of beginning this notice is posted about 300 ft. from B. S. Dick's near old east mill site.

Dated Oct. 15th, 1913.

L. P. Torrey, State.

[Signature]

[State of Oregon]

[County of Baker]

I, L. P. Torrey, being first duly sworn, on oath, above and below, that I am acquainted with the location of this claim described in the aforesaid notice of location of the Standard mining claim and that each notice is a full, true, and correct copy of the original notice of location posted on said claim. That I did discover the 15th day of October, 1913, the discovery work required by the statutes of the State of Oregon, on each claim was performed by removing an iron core 300 ft. from the point 14 ft. wide and 10 ft. in length along the vein. That I performed work thereon and have knowledge of the above facts and said work was done on said claims within sixty days from the date of location thereof, and there was thereby disclosed a true vein of mineral deposit in place.

Border.
To the supervisor of the 1st District of the State of Oregon, this 15th day of October, 1913, you are hereby sworn to take an oath on the Bible and give and swear to the truth, justice, and equity of the following affidavit:

That I, W. F. C. Crowley, a citizen of the United States, on the 15th day of October, 1913, discovered and staked a vein of mineral bearing rock on placer, carrying gold, which vein I have named the Boston.

That the course of this vein is North and South and that I claim 1500 linear feet, 1500 ft. from the discovery monument on which this vein is located, and that I claim 300 ft. on each side of the center of vein.

That said claim is located on the organized mining district, Baker County, Oregon, the discovery monument being placed 1500 ft. from North end and is bounded and described as follows:

Beginning at the discovery monument thence 1500 ft. South to South 1st center stake, thence 300 ft. East to 3rd. S. E. corner stake, thence 1500 ft. North to N. E. corner stake, thence 300 ft. West to North 1st center stake, thence 300 ft. West to W. N. W. corner stake, thence 1500 ft. South to S. S. W. corner stake, thence 300 ft. East to South 1st center stake.

This claim forms the North end of the claim of D. A. Hutchins.

Dated 15—1913.

W. F. C. Crowley.

Affidavit

I, W. F. C. Crowley, being first duly sworn, do solemnly swear that I am the owner of the claim described in the within notice of location of the Boston Mining Claim, and that said notice is a full, true and correct copy of the original notice of location recorded on said claim.

I further declare, that during the 15th day of October, 1913 and the 9th day of November, 1913, I filed the discovery record required by the statutes of the State of Oregon on said claim by running a true and correct line of said claim to said discovery record and by running and marking the vein and lead with rocks above said claim within forty days from the date of location thereof, and have thereby declared the said or vein of mineral deposits on place.

Recorder.
To all whom it may concern, notice is hereby given, that W. S. Randell and J. S. Mc Cord, citizens of the United States, over the age of twenty-one years, have on the 30th day of July, 1883, located a mine or table of mineral bearing rock, in the District of Oregon, in the Cobalt, Butte and Silver Mining District, in the State of Oregon, and named the ‘Pavilion’ Mining Claim. That the general strike or course of said mine or bed of the above-mentioned mineral is good that we claim, 1000 feet northwesterly and 2000 feet southerly of the point of discovery of which this notice is written, together with 300 feet on each side of the center of said vein. That said claim is located in the Butte and Silver Mining District, in the Baker County, in the State of Oregon.

The discovery was made by placing a stake on the center of the vein and said claim is more particularly described and located by means of the natural objects and permanent monuments. Attestation mentioned, and are more particularly described by the following:

Commencing at the point of discovery as which this notice is written, thence northwesterly 2000 feet to northerly center and stake, thence northwesterly 3000 feet to northeasterly corner, thence 1500 feet northerly to northeasterly corner, thence 500 feet northerly to northerly center and stake, thence northerly 3000 feet northerly to northwesterly corner, thence 1500 feet southwesterly to northwesterly center and stake. This claim lies between the Baker and Mayflower quarter-mine mining claims.

State of Oregon
County of Baker

Before me, the subscriber, personally appearing, S. Richardson, who being duly sworn, deposes that on or about the 25th day of June, 1903, he took under bond, on or about the 25th day of June, 1903, a claim for improvements made on the Treadwell and Tuna Mining Claim, situated in the Black Creek Mining District, about 12 miles southwest of the Yelkeotpeh Mining Claim, Baker County, Oregon, during the year ending Dec. 31, 1903. Said improvements were made by or at the instance of Geo. W. Baker, owner of said claim, for the purpose of holding said claim.

S. Richardson, Deponent

Subscribed and sworn to before me the 25th day of November, 1903.

O. P. Neigh, Notary Public for Oregon

Sold for record Nov. 25, 1903.
Amended

Know all men by these presents that

McDougall, the undersigned citizen of the United States, who having complied with the requirements of the Mining Law of the United States and the State of Oregon, relative to Mining Claims and with the local laws, ordinances, and regulations, hereby make and file this amended location of the Big Tree Mineral Claim, claiming in right of discovery and possession 1500 acres of land in the Mining District of the Big Tree Claim on the course of said stream with all tributaries, branches, and angles the same being 1300 feet on a previously described line to the south center and line from discovery of the same. The exterior boundary is described as commencing at the south center and stake and running 300 feet to the S.W. corner, thence 1300 feet on a northerly direction to the N.W. corner, thence 300 feet back to the south center and stake, thence 300 feet east to the N.E. corner, thence 1300 feet south to the S.E. corner, thence 300 feet west to the south center and stake, and place of beginning.

Said location lying in the organized mining district of Baker County, State of Oregon, and comprised described as being along Snake River about 2/3 mile below Baker's Landing and about 1/2 mile west of Snake River and said claim is bounded on the north by the Snake and on the east side by the Dunshee-Mueller claim.

This amended location is made in conformity with the original location made June 10, 1902, recorded on the 5th day of August, 1903, in the office of the Recorder of Baker County, State of Oregon, and is made for the purpose of satisfying the same, and for no other purpose. This claim is not subject to the same restrictions and conditions set forth in said original location, and the same is hereby restored under the provisions of said location.

Date of original location June 10, 1902.
Date of amended location November 4, 1903.

State of Oregon
County of Baker

I, T.B. McDougall, do hereby certify that I am a citizen of the United States, and that I am acquainted with the ground described in this claim, having surveyed said claim and claim therein described to my best knowledge, true and just, according to the laws of the United States and the State of Oregon, and do hereby certify that the same has been surveyed and described in the manner and in the manner required by the laws of the United States and the State of Oregon, and that said survey is true and correct.

To all whom it may concern: Notice is hereby given, that on the 6th day of October, 1903, discovered a new and/or one of mineral location on the [illegible] and alias known by the name with the United States, under the act of 32, named the [illegible] Mining Claim. That the aforesaid discovery point of this mining claim is located by eastings and northings and that the points [illegible] and 1,200 feet west of the town of [illegible] at which the notice is posted, together with 300 feet on each side of the center of said claim. That said claim is located in the [illegible] District, in Butte County, State of Oregon, the discoverer deposed being placed, and said claim is more particularly described and located by reference to the [illegible] and boundaries mentioned, and is more particularly described by boundaries as follows: To-wit:

Commencing at the south of discovery at which the notice is posted, thence 100 ft. east, thence 1,200 ft. south, thence 300 ft. west, thence 3,000 ft. north, thence 1,000 ft. east, thence 1,000 ft. north, thence 600 ft. west to the south line of the claim, thence 1,500 ft. east to the north line of the claim, thence 1,000 ft. south to the west line of the claim, thence 1,000 ft. east to the south line of the claim.

And the said claim is more particularly described by reference to the real and personal estates of [illegible] and mining town of the United States and of the State of Oregon.

Dated the [illegible] day of [illegible], 1903.

Said claim deposed, Oct. 15, 1903.

Olive Peterson, Notary Public for Oregon.

[illegible]

Filed for record Nov. 14, 1903 at the office of C.W. Henley — Recorder.
In all forms of mining operations, there is always a possibility for errors in transcription. However, upon reviewing the document, it appears to be a legal description of a mining claim. The description involves a specific section of land, with bearings and distances marked, indicating the boundaries of the claim. The description includes a date of recovery, the names of the parties involved, and a reference to the Oregon State Mining Laws. The document is signed by the respective parties and notary, and it is dated and recorded by the Recorder of the county. This is a typical format for a mining claim description, which is essential for legal and practical purposes in the mining industry.
To whom it may concern: Notice is hereby given, that we, ___________ and ___________, citizens of the United States, engaged in the mining business, and if the State of Oregon and the local rules, regulations, and customs of miners, have adopted and by these minutes to locate a claim known as the "Kelly No. 2", located in the State of Oregon, said claim being discovered the 2nd day of July, 1903, and to claim 160 hundred acres but 100 acres, to upon being located at a place by 00° 00' 00" north, 00° 00' 00" west, the same being 300 hundred feet on each side of the center thereof, described with all lines, parts, and angles and all other parts of the part of which the location said hereunto.

Located on the premises mining district, County of Baker, State of Oregon, this date. The described and marked on the ground as follows. Date:

Beginning at the discovery point of this notice there 300 feet eastward a point north of the same, then 300 feet southward, then 300 feet westward, then 300 feet northward, then 300 feet westward, then 300 feet northward, and 300 feet westward, and the center of said place of returning. This corner forms the west end of the Kelly claim, subject to the interference thereof with other claims.

And we intend to hold and work said claims in accordance with the local rules and regulations of the State of Oregon, and the Secretary of the United States, and of the State of Oregon.

Located the 2nd day of Nov., 1903.

I, J. W. McFee, being first duly
sworn, do oath declare and say:
That I am the Superintendent and General Man-
ger of the Golden Nugget Mining & Milling Co., the owner
of the Golden Nugget quartz mining claims, lying on the
Hedrick, Golden Nugget, Barlow's, Ada, Harsh, Coral
Hill, Sunny Spot, and other quartz mining claims.
That at the instance and request of said company, as such manager I caused it to perform the annual
reexamination work required by the laws of the United States
for the year 1913.
That said work consisted of sinking a shaft
three feet deep at a cost of $10 00, and said work
was completed during the months of February and
March, 1913.
That I further caused to be performed, about 300
lost of keystones for the house thereon, which said work
was done to the benefit of said mine, and claimed to the
operators amounts of labor required to be performed
thereon, and was in full compliance with all rules,
regulations and regulations of miners and the laws of
the State of Oregon and United States for said district.
That said work was done about a mile south
from the town of Bakersfield, Baker County, Oregon, in
an organized mining district.

Recorder.
To all whom these presents may come, know ye that I, J. W. Miller, a citizen of the United States of America, County of Baker, State of Oregon, do hereby declare and publish as a legal notice to all the world that I have a valid right to the property, possession and enjoyment of the Fort Polk Tunnel and Tunnel site. Dated October 24th, 1883.

For the discovery of minerals and the development of coal and saltpetre in Mount Baker Mining District, Township 43 S., Range 37 E., Baker County, State of Oregon, described as follows:

Month of Tunnel on north side of Mt. Palisade, from mouth of Tunnel the tip of N. C. Quarter Land North 20° East. Edge of Tunnel 7th line west of 6 1/2 section high up the clear, caused Tunnel from mouth South 20° East 3000 ft. To South said point, or south end of said Tunnel, at which point to set a substantial stake. From said point and between Tunnel mouth and said stake, the centre line of Tunnel is marked at inch 100 ft. from the mouth by marked and substantial stakes, from the said point a alinement 75°. From said point 40 150 ft. North and said stake at a stake west 20° South 1500 ft. from said stake set a stake East 20° North 1500 ft. From mouth of Tunnel set a stake west 20° South 1500 ft. and set a stake East 20° North 1500 ft., which said points mentioned stakes are the exterior corners of said Tunnel site, and shown on line of Tunnel 1500 ft. on each side of the center of the face or course of Tunnel, and all other to be discovered in the due prosecution of said Tunnel within 1500 ft. on each side of the center of said line, I also claim a square tract of land 300 ft. on each side of the mouth of Tunnel and extending 600 ft. immediately free of the mouth of Tunnel as set forth upon the ground for dumping purposes.

Together with all and every of the heretofore and hereafter appearing thereunto belonging or appurtenant, and all rights granted to the Trustee or Trustees, as Trustees, under the laws of the State of Oregon.

Witness my hand and seal this 17th day of November 1883.

Recorder.

Leslie Harold Group.

State of Oregon, ss.
County of Baker.

J. F. Lenneisen, being first duly sworn on such deposit
and says:

That I am the Superintendent of the Leslie Harold Gold Mining
Company.

That as such Superintendent I caused to be performed the
annual examination work required by the laws of the United States
upon the Leslie Harold group owned by said company, said group consisting of the claims for Les Gold and Malottas quality
claims situated about one mile east of the town of Bakers on the
lower end of the town of Bakers in Baker County, Oregon.

That said work was performed between the 1st day of October
and the 30th day of October, 1893 and consists of about 30 feet of tunnel
at the cost of over $300 and the claims were purchased for the benefit of said Les Gold and Malottas quality
claims and said work was paid for by said company and was done as they requested and under my superintendence.

J. F. Lenneisen

Lucky Boy

Notice to hereby give to all whom it may concern that T. A. Scott, citizen of the United States, over the age of twenty-one years, having discovered a vein or body of quartz or rock in Chili, bearing gold, silver, copper, within the limits of the claim hereby treated, and have this day recorded in accordance with the Revised Statutes of the United States, Chapter 54, Title Thirty-two, Section 190, known as the Lucky Boy, Gentry Mining Claim, extending 1100 feet Easterly to Westerly line and 920 feet Northerly to Southerly line, is hereby recorded by Thomas C.W. Scott, the discoverer of said deposit of said mine, this 27th day of October, 1915.

T. A. Scott.

Subscribed and sworn to before me this 23rd day of Nov., 1915.

J. D. Wright

Notary Public for Oregon.
To all whom it may concern, notice is hereby given, that of the undersigned, Henry Beeley, citizen of the United States, over the age of twenty-one years, having on the 25th day of September, 1873, discovered a vein of mineral occurring both in place bearing gold, silver and other precious and valuable metals and minerals within the limits of the claim hereby set forth, which I have this day, and in accordance with the Revised Statutes of the United States, Eighth Section, Third Degree, registered this Golden Record No. 66, Quantity Mining Claim.

I set the general strike or course of this vein to be north and northeast, and that I claim 1200 linear feet northeast and 500 linear feet southwest of the point of discovery, at which time notice was posted, together with 300 feet on each side of the center of said vein.

The said claim is located in the 720 + 730 east meridian district in Baker County, State of Oregon, in Section 37, T6N, R7E, being placed 90 feet east from the discovery made on foot, and having boundaries more particularly described by means of the rectangular survey and permanent monuments hereinafter mentioned, and is more particularly described by四肢三月三, 2, 3rd.

Commencing at the mouth of the discovery at which this notice was posted, thence 300 feet north and west, thence 500 feet north to the eastern corner, thence 100 feet west and south to the southeastern corner, thence 300 feet north and west to the northwestern corner, thence 500 feet north and east to the northeastern corner, thence 100 feet south and west to the southwestern corner, thence 300 feet south and east to the southeastern corner.

And I do hereby set forth and work said claim in accordance with the said survey and the terms, conditions and provisions of the Revised Statutes of the United States of the State of Oregon.

Dated this 25th day of September, 1873.

Henry Beeley, locator.

County of Oregon.

I, Henry Beeley, being first duly sworn, say that I know the original notice of the Mining Claim described in the previous notice of the Golden Record No. Quantity Mining Claim, and that the original notice was a full, true and correct copy of the original notice of the discovery set forth in said claim. That I read the discovery or location or statement required by the Revised Statutes of the State of Oregon on said claim, and then cut 11 feet long, 41 feet wide, and that said work was done on said claim, within eight days from the date of discovery thereof, and on said work there was delivered a check or vault of mineral deposit in place.

Subscribed and sworn to before me the 14th day of February, 1873.

Henry Beeley, Recorder.

Subscribed and sworn to by the 23rd day of April, 1873.

J. P. Frazier, Deputy Inspector of Public Lands for Oregon.
To the hereby given, that J. M. Doyle, a citizen of the United States, located the 10th day of Nov. 1903, discovered and staked a vein of mineral lying north of place, carrying gold and silver which vein I have named the Black Mariah.

That the course of this vein is nothing and extends, and that I claim 600 feet in a S. N. E. W. direction and 900 feet on a N. S. direction of the discovery monument on which this notice is posted, and that I claim 300 feet on each side of the center of vein.

That said claim is located in Baker’s Creek Mining District, Baker County, Oregon, the discovery monument being placed 200 feet from this notice, and is bounded and described as follows, viz.: Commencing at the discovery monument, thence 900 feet S. W. 1/2 to S. W. line center, thence 900 feet S. to S. E. line center, thence 1500 feet N. E. to N. E. line center, thence 1500 feet S. to S. W. line center, thence 900 feet N. W. 1/2 to N. W. line center, 17 places of beginning.

Recorded on the 20th day of Dec. 1903, in the 20th volume No. 7, and is located about 5 miles from Riplinger on the Bonnie Creek road and east of the clubhouse of the Districts of Baker and Owyhee as the Head-End and I intend hereby work according to law.

Dated Nov. 10th, 1903.

J. M. Doyle - Notary.

To all whom it may concern, notice is hereby given that I, W.S. Phelps, citizen of the United States, over the age of twenty-one years, have on the 27th of October, 1873 obtained a vein of mineral bearing rock in place, containing gold, silver and other precious and valuable metals and minerals within the limits of the claim hereby noticed, which I have this day and the same conveyed to the United States of the United States, Chapter 6, Title 32, named the "Ohio Quartz Mining Claim." That the general strike be forty or tide to be run in two parallel and mutually exclusive, and that claim set either per annum on an arbitrary direction and 1000 lines per west of the point of discovery at which this notice is posted, together with 300 feet on each side of the center of said claim. That said claim to be located in the 11th Range, 12th Township, State of Oregon, the discovery being 150 feet west from Easting and North base, said claim to be particularly described and located by means of the natural points and prominent monuments hereinbefore mentioned, and be more particularly described by boundaries as follows, 300 feet

Commencing at the point of discovery, entitled to which this notice is posted, thence running W.S. Phelps 500 feet to the center line east and west from center and stake 1000 feet, located on west side of Mc Billy creek in section 14, T. 21 N., R. 26 W.,

and thence to hold and work said claim in accordance with the usual rules and customs of miners and mining laws of the United States and of the State of Oregon.

Dated on the second day of October, 1873.

W.S. Phelps - Locate.

[State of Oregon] [County of Baker]

[Handwritten text]

I, W.S. Phelps, being first duly sworn, say that I hold the title thereto as the owner of the mining claim described in the notice above, for the purpose of the same, and that I have heretofore been the owner of the adjoining mining claim described thereto and that the foregoing notice is full true and correct copy of the original notice of location. W.S. Phelps.

I, J.D. Reddick, Recorder of the county of Oregon, do hereby certify that the discovery or location work required by the statute of the State of Oregon on said claim by running the line cut at 30°, and said line west, East and South, and that said work was done on said claim within sixty days from the date of discovery, and by said work there was discovered a true vein of mineral deposit in place.

W.J. Reddick.

NOTICE OF INFICIENCY OF THE SAGE LINE.

O. C. ANDREW—being first duly sworn,

say that I am a subscriber of the Blue Mountain Agricultural 
newspaper published weekly, at Cumple, Baker County, 
Oregon, and of general circulation.

That the notice of subscription hereinafter attached was published 
in said newspaper for a period of 14 full weeks, for 
14 consecutive publications, the first publication thereof 
being in the issue of said newspaper of January 15, 1913, 
and the last publication in the issue of April 15, 1913.

That said notices of subscription were published in the 
regular course of said newspaper, and not in any 
supplement thereto.

Scribed and sworn to before me this 1st day of July, 1913.

Fred H. Stetler

Notary Public for Oregon.

NOTICE OF INFICIENCY.

To Nelson W. Baker, and Lucy King, their heirs and legal 
representatives, you are hereby notified that I, as co-owner, 
have expended $700 for the Sage new quartz mining claim, 
treated in the Greenhorn mining district, Baker County, 
Oregon, and adjoining the Nelson quartz mining claim, as 
well appear to result, in Baker County, Oregon, under 
the provisions of the General Statutes of Oregon, 1872, page 
221, of the records of the county clerk of Baker County, 
and have, in the usual course of such expenditure, as co-owners in the said quartz mining claim, and 
pay the cost of this publication. You believe the said claim 
will become the property of the subscriber, tendered and by 
virtue of the provisions of Section 2324 Revised Statutes 
of the United States.

January 1, 1918.

George W. McCallum.

[State of Oregon]

I, George W. McCallum, being first duly 
subscribed to, say that I am the George W. McCallum, who 
caused the above notice of subscription to be published in the 
Blue Mountain Agricultural and that the Nelson & Baker 
and McCallum & Baker of said claim to any interest representing 
the interest of their, have been completely paid and they are 
subject to the annual assessment of the Sage new quartz 
claim mentioned in said notice of subscription for the years 
1912 & 1913 up to and including the year 1913, and that 
more than twenty days had elapsed since the last publication 
of said notice and that I, therefore, claim the sole 
ownership of said Sage new quartz mining claim.

Scribed and sworn to before me this 24th day of October, 1913.

Fred H. Stetler

Notary Public for Oregon.

In all cases of any concern, notice is hereby given, that we, citizens of the United States over the age of twenty-one years, have on the 2 day of October, 1873, discovered a vein or body of mineral bearing rock, in place bearing gold, silver, and other valuable and valuable metals and minerals, within the limits of the claim hereby specified, which we have this day and in accordance with the Abridged Statutes of the United States, Chapter 2, Title 32, known as the Gold Standard Mining Claim. The general strike of same is in the vein or body at Baker and West, and that we claim 200 linear feet, north and south, and 1,000 feet to the south of the point of discovery at which this notice is posted, together with 200 feet on each side of the center of such vein.

That each claim is entered in the recorder's office of Baker County, State of Oregon, in the manner provided by law, in accordance with the natural objects and permanent improvements thereon maintained, and is more particularly described by boundaries as follows: 500 feet, south;

Commencing at the point of discovery at which this notice is posted, thence 200 feet west and due north.

Thence 300 feet to the southeast corner, thence 100 feet southwardly toward the same point, and thence 500 feet due west.

Thence 300 feet northwardly to southeastern corner, thence 300 feet to the center and place of beginning.

And we intend to hold and work said claim in accordance with the laws and customs of miners and miners' rights of the United States and the State of Oregon, at the ground on the 2 day of October, 1873.

John Sec. 30, T° 38°. R. 37° S. 30° W.

County of Baker

J. H. Bradbury, do hereby certify and swear that I, J. H. Bradbury, in the name of A. G. Ted and J. H. Bradbury, an amount of labor and improvements was done and made on the said claims and consisted of 30 feet of ditches, 2000 feet of road, and 1000 feet of rail. The said work and labor was done for the benefit of all of said claims and was for the years 1902, 1903, and 1904. The said work and labor was done and made by the owner of the said claims.

Subscribed and sworn to before me this 6th day of July, 1904.

J. H. Bradbury
Notary Public for Oregon

Filing for record June 7, 1904, at 10 a.m.

The county Recorder.
To All Whom It May Concern:— Notice is hereby given that I, Roscoe L. Frary of Beaverton, Michigan, a citizen of the United States over the age of 21 years has on this 12th day of Dec. 1903 discovered a vein or lode of mineral bearing rock in place bearing gold, silver and other precious and valuable metals and minerals within the limits of the claim hereby located which I have this day and in accordance with the Revised Statutes of the United States, Chapter 5, Title 32 named the Frary Praying Quartz Mining Claim.

That the general strike or course of this vein or lode is easterly & westerly and west and that I claim 750 linear feet easterly and 750 feet westerly of the point of discovery at which this notice is posted together with 300 feet on each side of the center of said vein.

That said claim is situated in the no organized Mining District in Baker County, State of Oregon the discovery monument being placed ten feet northerly from the tree on which this notice is posted and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinafter mentioned and is more particularly described by boundaries as follows to wit:—

Commencing at the point of discovery at which this notice is posted thence 750 ft.
Easterly, Thence 300 ft. northerly, Thence 1500 ft. westerly, Thence 300 ft. southerly, Thence 300 ft. southerly, Thence 1500 ft. easterly Thence 300 ft. northerly Thence 750 ft. westerly, to place of beginning. The Claim lies between the Golden Wizard and the Wisconsin Group of Mines about four miles northerly from Beaverton.

And I intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the State of Oregon.

Dated on the ground the 12 day of December 1903

Discovered Dec. 12 1903  Roscoe L. Frary  Locator
Located Dec. 12 1903  Roscoe L. Frary  Locator

Filings for record, January 9, 1904 at 16 Towns.

[Notary Seal]
In all where it may concern Notice is hereby given that I.
I. Berenson, citizen of the United States over the age of sixty, one
years born in this State of Oregon, on this 1st day of Dec., 1903, discovered a vein or body of
mineral bearing and ore places, bearing gold, silver and other precious
and valuable metals and minerals within the limits of the lan-
culture located which I have this day, and in accordance with the
United States of the United States, chapter 6, title 25, sec. 21, 22, the
Himwood quartz mining claim, quartz mining claim.
That the greatest strike or course of the vein or body is northwes-
tly and southeasterly, and that I claim 1500 linear feet in length and
200 linear feet width of the point of discovery at which this notice
is posted, together with 300 feet on each side of the center of said
vein.
That said claim is located in the Bear Butte Mining District, in
Bodie County, State of Oregon. The discovery monuments being placed
250 feet north east from the southeast and center stake and said
claim is more particularly described and located by means of the
natural objects and permanent monuments heretofore mentioned
and described particularly as follows: Commencing at the point of discovery, at which this notice
is posted, thence 250 east south east to S.W. center line, thence
300 feet west to North west, thence 1500 north east to North east,
thence 300 East to N.E. said center, thence 300 East to East 300, thence
300 N.W. to E. center, thence 300 North to E. center line of
beginning.

And I claim to God and to the said claim as an occupancy, with
the local rules and customs of miners and mining laws of the
United States and of the State of Oregon.
Estimated 1st Dec., 1903.
Notated 1st Dec., 1903.

J. Berenson. Locating.

State of Oregon
1st
County of Bodie

J. Fry E. Peterson, being first duly sworn,
say that I am the Representative of the locater of the mining claim
described in the original notice of the Himwood Quartz mining
claim, and that the foregoing notice is a true and correct copy of
the original notice of location posted on said claim.

That this claim bears on 1st Dec., 1903, the discovery or location as required by
the statutes of the State of Oregon on said claim, by running a cut
fifteen feet long, five feet wide and three feet deep, and that said work
was done on said claim within thirty days from the date of
discovery thereof, and by said work there was disclosed a body or
mass of mineral deposit in place.

J. Fry E. Peterson

Subscribed and sworn to before me, the 1st day of December 1903.

Notary Public for Oregon.

Notary Seal

Filed for Record Dec. 1st, 1903 at 9 a.m.

Recorder.
To see when it may occur, notice is hereby given that on the 25th day of October 1903, Fred P. Anderson, a miner residing in the United States, one and a half miles southwest of the town of Portland, in the State of Oregon, discovered a vein or body of mineral bearing rock in place, having gold, silver, and other precious and valuable metals and minerals within the limits of the claims hereby located, which we have this day and now accordingly, in accordance with the known statutes of the United States, Chapter 20, Sec. 32, named the May Bette, Great Mining Claim.

That the generality of such or either of the claims or bodies in which such minerals of valuable and permanent nature or minerals are found, is to be set at the time of discovery of which the notice is posted, together with 330 feet on each side of the center of each claim,

That said claims is located on the southeast or Broken Hill Mining District in the Baker county, state of Oregon, the discovery monument being placed 330 feet east and south from the southeast corner and State line, and said claim is more particularly described and located by means of the monuments object and permanent monument. As the claims herein mentioned and herein more particularly described by boundaries as follows, beginning at the point of discovery where this notice in posted, thence 330 ft. due south to the southeast corner and thence 330 ft. due west to the northeast corner, thence 330 ft. due north to the northwest corner, thence 330 ft. due east to the southeast corner and place of beginning, said claim adjoining the Grant mining claim to the east.

That we intend to hold our work said claims in accordance with the local rules and customs of miners and mining laws of the United States and of the State of Oregon

Filed for Record Dec. 3rd, 1903, A.D. at 9 A.M.

R.W. Henley, Recorder.
State of Oregon,
County of Baker,

I, G.M. Faber, being first duly sworn, say that I am one of the owners of the Sonion Group of quartz mining claims, consisting of the Sonion, True Blue and America quartz mining claims situated in Baker County, Oregon on Wind Creek, about three and one-half miles northerly from the Half Way House, on the road between Sumpter and Bourns.

That during the year 1903 I, together with T.W. Estes, performed the annual assessment work on said group of claims required by Federal and State law. That said work consisted of a one-hundred and thirty-foot tunnel run on the said Sonion quartz mining claim, and a cabin erected upon the said America quartz mining claim.

That the value of said work is not less than five hundred dollars and said work was done for the benefit of all of the claims constituting said group and said work was of actual benefit to all of said claims, and was done for the owners of said claims, to wit: myself, W.N. Estes and T.W. Estes.

That I am also one of the owners of the E.A.P. Group of Quartz Mining claims, situated on Wind Creek in Baker County, Oregon, about three and one-half miles from the half way house on the road between Sumpter and Bourns, Baker County, Oregon, said group consisting of the E.A.P. and the Gold Leaf quartz mining claims.

That during the year 1903, I, together with T.W. Estes, performed the annual assessment work required by State and Federal law on said claims. That said work consisted of a twenty-three-foot tunnel on the said E.A.P. quartz mining claim and was done for the benefit of the said E.A.P. Claim and the said Gold Leaf Claim, and was an actual benefit to both of said claims. That the value of said work done on said E.A.P. Group is not less than two hundred and thirty dollars, and said work was done for the benefit of the owners of said claims, to wit: myself, T.W. Estes and W.N. Estes.

G.M. Fabea,

Subscribed and sworn to before me this 2nd day of December, 1903.

AMENDED LOCATION: "RED FOX" LODE

KNOW ALL MEN BY THESE PRESENTS: that I, A.J. Cole, the undersigned citizen of the United States, over the age of twenty-one years, having complied with all the requirements of the laws of the United States and the State of Oregon, relating to Mining claims, and with the local laws, customs, rules and regulations of Iron Dyke Mining District, hereby make and file this amended location of the "Red Fox" Lode claiming by right of discovery, location, and claim for or on behalf of myself, the said A.J. Cole, and the said property, being the property described as follows:

Situate in Iron Dyke Mining District, County of Baker, State of Oregon, and more particularly described as follows:

Commencing at the location notice and stake and running 1050 feet in a westerly direction to E. center and stake. Thence 500 feet southerly to S. center stake No. 1. thence 1500 feet westerly to S.W. corner stake No. 2. thence 500 feet northerly to W. center end and continuing on northerly 300 feet to N.W. corner stake No. 3. thence 1500 feet easterly to N.E. corner stake No. 4. thence 500 feet southerly to E. center end stake the place of beginning, this boundary survey. This claim is in the eastern part of Baker Co., Oregon, about 1 1/2 miles S. of the Iron Dyke mine and on the S. slope of the Mountain between Bob Creek and Halbrook Creek and the E. end of the Claim is about 2500 feet W. of Snake River at Thore Plai and the location notice and stake are about 3700 feet W. of W.R. Poliis's Rock House and is in section 27 and is 166 feet N.W. from the corner of Sections 27-28 and 33-34 T.6. South of Range 48 E.W.K.

THIS AMENDED LOCATION is made in conformity with the original location made April 7th, 1899, recorded May 3rd, 1899 in Book "A", page 309, of parts Locations in the office of the recorder of Union County, and it is made for the purpose of appropriating all ground within the boundaries therefore described, and of more definitely describing the situation and boundaries of said lode, correcting any irregularities, informalities or errors and supplying any defects which may exist in the original location, or the record thereof, hereby waiving no rights acquired under and by virtue of said original location and to extend the claim 150 feet farther east than was claimed in original location and to cover all the ground staked on the E. end by original locators.

Date of Original discovery April 7th, 1899.

Date of amended location Nov. 28th, 1903.

A.J. Cole, owner.

by His attorney in fact.

State of Oregon.

County of Baker.

I, W.R. Poliis, do solemnly swear that I am a citizen of the United States of America, and that I am acquainted with the Mining ground described in this notice.
of location, and herewith called the "Red Fox" ledge, lode or claim; that the ground and
claim therein described or any part thereof has not to the best of my knowledge and belief
been located according to the laws of the United States and of this State, save as mentioned
in the within notice, or if so located that the same has been abandoned or forfeited by
reasons of the failure of such former locators to comply in respect thereto with requirements
of said laws, and (in case of quartz claims) that I have opened up new ground to the extent or
depth of ten feet as required by the laws of the State of Idaho.

County of Baker

I, John W. Foot, being first duly sworn, say that I am one of the owners of the Powder River and Eastern Starr quartz mining claims, situated in Baker County, Oregon, about one mile up Powder River northerly from Sumpter, Oregon, on the road between Sumpter and Oregon, that during the year 1903, I performed the annual assessment work on said Powder River and Eastern Starr Claims (Said Eastern Starr being an extension of Powder River Claim) required by Federal and State Law. That said work consisted of a sixty six foot tunnel run on the said Powder River Claim and for the benefit of both of the aforesaid claims. That the value of said work is not less than three hundred and thirty dollars and that said work was of actual benefit to both claims and was done for the owners of said claims.

R.W. Henry, Recorder.
NOTICE IS HEREBY GIVEN: that the Cracke’ Eagle Gold Mining Co., a corporation organized and existing under the laws of the Territory of Arizona, whose officers and stockholders are all citizens of the United States, hereby makes an amended location of the Still quartz mining claim, certifying as follows:

That a vein or lode of quartz in place was discovered within the limits of said claim by one J.W. Stonehocker on the 17th day of June 1902 and said claim was located and marked on the ground on said day.

That was claimed in said original location and is claimed by this amended location 1500 feet along said vein or lode, the same extending 1440 feet easterly along said vein from the discovery point where this notice is posted and 60 feet in a westerly direction from said discovery with surface ground 300 feet in width on each side of said vein or lode.

That the general course or strike of said vein is easterly from Silver Creek.

That said claim is situated in what is known as the Cable Cove Mining District un-organized, and is bounded and described as follows:

Commencing at the South westerly corner post which is situated about 2400 feet northerly from the North Pole placer claim and about 200 feet easterly from Silver Creek, running thence easterly 1500 feet to the south easterly corner post, thence northerly 300 feet to the Esterly center and post; thence northerly 300 feet to the north east corner post thence westerly 1500 feet to the north west corner post thence southerly 300 feet to the westerly center and post, thence southerly 300 feet to the south westerly corner post the place of beginning. All of said corners and center ends being marked by posts not less than four inches square and not less than three feet high.

This amended location is made for the purpose of more definitely describing said lode and fixing the boundaries of said claim and is made without waiver of any rights heretofore acquired under the original location thereof. And said company is now in the possession of said claim by conveyance from said Stonehocker, the original locator thereof.

Dated and posted on the ground this 1st day of December, 1903.

Cranner Eagle Gold Mining Co.,

Agent.

Filed for Record, Dec. 5th, 1903, A.M. at 2 P.M.

R.W. Henry, Recorder.
NOTICE IS HEREBY GIVEN: that James F. Lane, a citizen of the United States, did on the 1st day of September, 1903, discover a lode of mineral bearing rock in place within the limits of the claim hereinafter described, and on the said day located said claim on the ground.

That the name of said claim is the Pearl Quartz Mining Claim.

That the general course or strike of the vein on said claim is southwesterly from Silver Creek.

That there is claimed along said vein fifteen hundred feet, the same being fourteen hundred feet southwesterly from the discovery point where this notice is posted and ten feet northeasterly from said discovery point, with surface ground two hundred feet, more or less, on each side of said vein or lode.

That said claim is situated in Baker County, Oregon, in what is known as the Cable Cove District and is bounded and described as follows:

Commencing at the southwesterly corner stake, which is on the northerly side line of the North Pole Place Claim about seventy-five feet westerly from Silver Creek running thence westerly fifteen hundred feet to the southwest corner stake, thence northerly two hundred feet to the westerly center and stake, thence northerly two hundred feet to the north-west corner stake, thence easterly fifteen hundred feet to the north-east corner stake, thence S. two hundred feet to the easterly center and stake, thence southerly two hundred feet to the south-east corner stake, the place or beginning.

Said claim being marked on the ground by stakes at the corners and center ends thereof, not less than four inches square and three feet high.

Dated on the ground this first day of September, 1903.

James F. Lane,

State of Oregon,
County of Baker

I, O.L. Simons, being first duly sworn, on oath deposes and says that I am the agent of James F. Lane, the locator of the above mentioned claim.

That the above is a true and exact copy of the notice posted on the ground.

That I performed the discovery work thereon which consisted of running an open cut twenty feet long, five feet wide ten feet face on the ledge.

That said work was performed between the first day of September 1903, and the 10th day of September, 1903, and there was thereby disclosed a vein or lode of mineral bearing rock in place.

NOTICE IS HEREBY GIVEN: that the Listen Lake Gold Mining Company, a corporation organized under the laws of the State of Oregon, the officers and stockholders of which are all citizens of the United States, does hereby make an amended location of the Copper Dyke Quartz Mining Claim, certifying as follows:

That a vein or lode of quartz in place was discovered within the limits of said claim on the 29th day of October, 1900, by P.O. Buckman, who thereupon located 1500 linear feet along said vein with surface ground 600 feet in width and duly posted a notice of location thereon, a copy of which was recorded in Vol. "Q" Records of Quartz Mining Locations at page 360 in the office of the Recorder of Conveyances of Baker County, Oregon.

That there was claimed by said original location 1500 feet along said vein and there is claimed by this amended location 1500 feet along said vein or lode, the same extending 100 feet north westerly from the discovery point where this notice is posted and 1400 feet south easterly from said discovery shaft with surface ground 300 feet on each side of said vein or lode.

That the general course or strike of said vein is south easterly from the south east center and post of the Iron Dyke quartz Mining Claim.

That said claim is situated in Baker County, Oregon on McNamee Rich, about one half mile west of the County wagon road running from Austin to Robinsville, and adjoins the Iron Dyke Quartz Claim on the south easterly end thereof.

That said claim is marked on the ground and is bounded and described as follows:

Commencing at the north westerly center and post which is identical with the south easterly center and post of the Iron Dyke quartz Claim, running thence North Easterly 300 feet to the north easterly corner post, identical with the south easterly corner post of the Iron Dyke Claim; thence south easterly 1500 feet to the South east corner post thence south westerly 300 feet to the south easterly corner post; thence south westerly 300 feet to the south westerly corner post; thence North Easterly 1500 feet to the North west corner post, thence north westerly 300 feet to the place of beginning, all of said corners and centers being marked by posts not less than four inches in diameter, and extending three feet above the ground.

That said Listen Lake Gold Mining Co. is the owner of said claim by conveyance from P.O. Buckman, the original locator thereof, and makes this amended location for the purpose of more particularly describing said lode and designating the exterior boundaries thereof, and this amended location is made without waiver of any rights acquired under the original location thereof, otherwise.

Dated and posted on the ground this 8th day of December, 1903.

R. S. Henry, Recorder.
TO ALL WHOM IT MAY CONCERN: NOTICE IS HEREBY GIVEN that I, Brian B. Bush, a citizen of the United States, over the age of twenty-one years, have on this 23rd day of October 1903, discovered a vein or lode of mineral bearing rock in placer bearing gold, silver and other precious and valuable metals and minerals within the limits of the claim hereby located which I have this day and in accordance with the Revised Statutes of the United States, Chapter 6, Title 32, named the Louis Quartz Mining Claim.

That the general strike or course of this vein or lode is easterly and westerly and that I claim 200 linear feet easterly and 1300 linear feet westerly of the point of discovery at which this notice is posted, together with 300 feet on each side of the center of said vein.

That said claim is located in the unorganized Mt. Rastus Mining District in Baker County, State of Oregon, the discovery monument being placed 200 feet westerly from east center and stake and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinafter mentioned and is more particularly described by boundaries as follows, to wit:--

Commencing at the point of discovery at which this notice is posted, thence 200 ft. easterly to east center and stake, thence 300 ft. southerly to S.W. corner stake, thence 1500 ft. westerly to S.W. corner stake, thence 300 ft. northerly to W. center and stake, thence 300 ft. in same northerly direction to N.W. corner stake, thence 1500 ft. easterly to N.E. corner stake, thence 300 ft. southerly to W. center and stake, place of beginning.

This claim is further described and located as follows, to wit: It being situated on the W. Bank of the east fork of the west fork of west Camp Creek and 4 or 5 mi. east of Bull Run rock and 2 or 3 mi. west of Rastus City near west base of Mt. Rastus and I intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the State of Oregon.

Dated on the ground the 23rd day of October, 1903.

Discovered Oct 23rd, 1903.

Located Oct 23rd, 1903.

Witnesses,

William Crane,
J. G. Shelton,
State of Oregon)

County of Malheur

I, Brian B. Bush, being first duly sworn, say that I am the locator of the mining claim described in the within notice of the Louis quartz Mining Claim, and that the foregoing notice is a full true and correct copy of the original notice or location posted on said claim.

That I did between the 23rd day of October, 1903, and the 23rd day of November 1903, perform the discovery or location work required by the statutes of the State of Oregon on said claim by running a cut on same 4 ft. wide and ten ft. long, said cut being 10 ft. deep on face and that said work was done on said claim within sixty days from date of discovery thereof, and by said work there was disclosed a lode or vein of mineral deposit in place.

Brian B. Bush,

R. E. Hurley, Recorder
TO ALL WHOM IT MAY CONCERN: NOTICE IS HEREBY GIVEN: that I, Chas. J.Bush, a citizen of the United States, over the age of twenty one years, have, on this 23rd day of October 1903, discovered a vein or lode of mineral bearing rock in place bearing gold, silver and other precious and valuable metals and minerals within the limits of the claim hereby located, which I have this day in accordance with the Revised Statutes of the United States, Chapter 6, Title 32, named the Maud S. Quartz Mining Claim.

That the general strike or course of this vein or lode is easterly and westerly and that I claim 200 linear feet easterly and 1300 linear feet westerly of the point of discovery at which this notice is posted, together with 300 feet on each side of the center of said vein.

That said claim is located in the unorganized Mt. Rastus Mining District, in Baker County, State of Oregon, the discovery monument being placed 200 feet westerly from east center and stake and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinafter mentioned and is more particularly described by boundaries as follows, to wit:

Commencing at the point of discovery at which this notice is posted, then 200 ft. easterly to E. center and stake, thence 500 ft. southerly to S.E. corner stake, thence 1500 ft. westerly to S.W. Corner stake; thence 500 ft. northerly to W. center and stake, thence 300 ft. same northerly direction to N.W. Corner stake, thence 1500 ft. easterly to N.E. corner stake, thence 500 ft. southerly to E. center and stake place of beginning.

This claim is further described and located as follows, to wit: It being situated on the west bank of the east fork of the west fork of West Camp Creek and 4 or 5 mi. east of Bull Run Rock and 2 or 3 mi. west of Rastus City near west base of Mt. Rastus.

The south side line of the Maud S. Claims joins the north side line of the Zenith Claim full length;

And I intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the State of Oregon.

Dated on the ground the 23rd day of October, 1903.

Discovered Oct 23rd, 1903.

Located Oct 23rd, 1903

Witnesses: W. L. Cross, J. C. Shilton.

State of Oregon

as County of Malheur.

I, Chas. J. Bush, being first duly sworn say that I am the locator of the Mining Claim described in the within notice of the Maud S. Quartz Mining Claim and that the foregoing notice is a full true and correct copy of the original notice of location posted on said claim.

That I did between the 23rd day of October, 1903, and the 23rd day of November 1903, perform the discovery or location work required by the statutes of the State of Oregon on said claim by running on same a cut four ft wide and ten feet long, said cut being ten ft. deep on face, and that said work was done on said claim within sixty days from the date of discovery hereof, and by said work there was disclosed a lode or vein of mineral deposit in place.

Chas. J. Bush, Subscribed and sworn to before me this ninth day of December, 1903.

J. C. Shilton, Notary Public for Oregon.

Notarial Seal

R.W. Henry, Recorder.
TO ALL WHOM IT MAY CONCERN NOTICE IS HEREBY GIVEN: that I, T.J. Marcum, a citizen of the United States, over the age of twenty-one years, have this 30th day of October 1903, discovered a vein or lode of mineral bearing rock in place bearing gold, silver and other precious and valuable metals and minerals within the limits of the claim hereby located which I have this day and in accordance with the Revised statutes of the United States, Chapter 6 Title 32, named the Mahogany, lying parallel with the "Tiger" Quartz Mining Claim.

That the general strike or course of this vein or lode is northwesterly and south easterly and that I claim 1500 linear feet in length and 600 linear feet in width of the point of discovery at which this notice is posted, together with 300 feet on each side of the center of said vein.

That said claim is located in the Mount Amastra Mining District, in Baker County, State of Oregon, the discovery monument being placed 400 feet easterly from this notice and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinbefore mentioned, and is more particularly described by boundaries as follows, to wit:

Commencing at the point of discovery at which this notice is posted, thence 400 ft. to south east center and stake, thence 300 ft. to north east corner stake, thence 1500 ft. to north west center and stake, thence 300 ft. to north west corner stake, thence 300 ft. to south west corner stake. This claim is situated on the west side of Mount Amastra Mountain on west camp Creek and is parallel with the "Tiger" Quartz Claim.

And I intend to hold said work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the State of Oregon.

Dated on the ground the 30th day of October, 1903

Witness
M.W. Beckwith,
State of Oregon, County of Baker
T.J. Marcum, Locator

I, T.J. Marcum, being first duly sworn, say that I am the locator of the Mining Claim described in the within notice of the Mahogany Quartz Mining Claim, and that the foregoing notice is a full, true and correct copy of the original notice of location posted on said claim.

That I did between the 30th day of October, 1903, and the 1st day of December 1903, perform the discovery or location work required by the Statutes of the State of Oregon on said claim by running a cut 10 ft. in length 4 ft. wide and 6 feet deep.

And that said work was done on said claim within sixty days from the date of discovery thereof and by said work there was disclosed a lode or vein of mineral deposit in place.

T.J. Marcum

R. W. Henry, Recorder
TO ALL WHOM IT MAY CONCERN NOTICE IS HEREBY GIVEN that I, T.J. Marcum of Bourne, Oregon, citizen of the United States over the age of twenty one years have on this 26th day of October, 1903, discovered a vein or lode of mineral bearing rock in space bearing gold, silver, and other precious and valuable metals and minerals within the limits of the claim hereby located which I have this day and in accordance with the Revised Statutes of the United States, Chapter 6, Title 32, named the "First Chance" lying parallel with the "Tempest" quartz Mining Claim.

That the general strike or course of this vein or lode is north-west and south east and that I claim 1500 linear feet in length and 500 linear feet in width of the point of discovery at which this notice is posted, together with 500 feet on each side of the center of said vein.

That said claim is located in the Mount Ararat Mining District in Baker County, State of Oregon, the discovery monument being placed 750 feet northwest from the south east center and stake and 750 feet from the north west center and stake and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinafter mentioned and is more particularly described by boundaries as follows, to wit:

Commencing at the point of discovery at which this notice is posted the same 750 ft. to south east center and stake, thence 300 ft. to south east corner stake, thence 300 ft. to north east corner stake, thence 500 ft. to north west center and stake, thence 300 ft. to north west corner stake; thence 500 ft. to south west corner stake this quartz claim adjoins the Laura Placer on the Northwest and is situated on east of Parr Creek and has six substantial posts. And I intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the State of Oregon.

Dated on the ground 26th day of October, 1903.

M.W. Beckwith, T.J. Marcum, Locator

State of Oregon

County of Baker

I, T.J. Marcum, being first duly sworn say that I am the locator of the mining claim described in the notice of the First Chance quartz Mining Claim and that the foregoing notice is a full, true and correct copy of the original notice of location posted on said claim.

That I did between the 26th day of October, 1903, and the 30th day of November 1903 perform the discovery or location work required by the statutes of the State of Oregon on said claim by running a cut 10 feet long 4 feet wide and 5 feet deep, and that said work was done on said claim within sixty days from the date of discovery thereof and by said work there was disclosed a lode or vein of mineral deposit in place.

T.J. Marcum,

Subscribed and sworn to before me this 17th day of December, 1903

Filed for record Dec. 21st, A.D. 1903, at 9 A.M

Wm. Henry, Recorder.
TO ALL WHOM IT MAY CONCERN NOTICE IS HEREBY GIVEN: that I, T.J. Marcum of Bountiful, Oregon citizen of the United States over the age of twenty-one years, have on this 26th day of October, 1903, discovered a vein or lode of mineral bearing rock in place, bearing gold in silver and other precious and valuable metals and minerals with the limits of the claim hereby located which I have this day and in accordance with the Revised Statutes of the United States. Chapter 6, Title 32, named the Tempest quartz Mining Claim.

That the general strike or course of this vein or lode is northwesterly and south easterly and that I claim 1500 linear feet in length and 600 linear feet in width of the point at discovery at which this notice is posted, together with 300 feet on each side of the center of said vein, that said claim is located in the Mount Ararat mining District in Baker County, State of Oregon, the discovery monument being placed 750 feet south east from north west center end stake, and 750 feet from south center end stake and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinafter mentioned and is more particularly described by boundaries as follows:

Commencing at the point of discovery at which this notice is posted thence running south east to center end stake, 750 feet thence 300 feet to south east corner stake thence 300 feet to north east corner stake, thence 1500 feet to north west to center and stake, thence 200 feet to north west corner stake, thence 300 feet to south west corner stake.

This quartz claim is bounded on the southeast by the Laura placer Claim and is on the East slope of Mount Ararat on east Camp Creek, about 1/4 mile from the new town Ararat City and about 15 miles from Unity, Oregon.

And I intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the State of Oregon.

Dated on the ground the 26th day of October, 1903.

Witness: W.W. Beckwith
T.J. Marcum, locator.

State of Oregon
County of Baker

If T.J. Marcum, being first duly sworn say that I am locator of the Mining Claim described in the within notice of the Tempest quartz Mining Claim and that the foregoing notice is a full, true and correct copy of the original notice of location posted on said claim.

That I did between the 26th day of October, 1903, and the 26th day of November 1903, perform the discovery or location work required by the statutes of the State of Oregon on said claim by running a cut 10 feet long 4 feet wide, six (6) feet deep and that said work was done on said claim within sixty days from the date of discovery thereof and by said work there was disclosed a lode or vein of mineral deposit in place.

T.J. Marcum,
Subscribed and sworn to before me this 17th day of December, 1903.

C.W. Kerr, Notary Public for Oregon

Filed for Record Dec. 21st, A.D. 1903, at 9 A.M.

R.W. Henry, Recorder.
TO ALL WHOM IT MAY CONCERN NOTICE IS HEREBY GIVEN: that I, T.J. Marcus, address
Bourke, Oregon citizen of the United States over the age of twenty one years have on this
26th day of October 1903, discovered a vein or lode of mineral bearing rock in place, bearing
gold, silver and other precious and valuable metals and minerals within the limits of the claim
hereby located which I have this day and in accordance with the Revised Statutes of the
United States, Chapter 6, Title 32, named the "Rex" on extension of the Tempest on the north
west Quartz Mining Claim.

That the general strike or course of this vein or lode is south easterly and
north westerly and that I claim 1500 linear feet in length and 600 linear feet in width
of the point at discovery at which this notice is posted together with 300 feet on each side
of the center of said vein.

That said claim is located in the Mount Ararat Mining District, in Baker
County, State of Oregon, the discovery monument being placed 100 feet north west from the
south east corner of said claim and said claim is more particularly described and located by
means of the natural objects and permanent monuments hereinafter mentioned and do more
particularly described by boundaries as follows:

Commencing at the point of discovery at which this notice is posted, thence
100 feet to south east corner and stake, thence 300 ft. to south west corner stake thence
300 ft. to north east corner stake, thence 1500 ft. to north west corner stake thence 300
ft. to north west corner stake, thence 300 ft. to south west corner stake this quartz claim is
an extension of the Tempest Quartz Mining Claim and has six substantial posts and lays
on the eastern side of Mount Ararat and I intend to hold and work said claim in accordance
with the local rules and customs of miners and mining laws of the United States and of
the State of Oregon. Dated on the ground the 26th day of October, 1903.

Witnesses: M. W. Beckwith (State of Oregon)
T.J. Marcus (County of Baker)

I, T.J. Marcus, being first duly sworn say that I am the locator
of the mining claim described in the within notice of the Rex quartz Mining Claim and that
the foregoing notice is a full, true and correct copy of the original notice of location
posted on said claim.

That I did between the 26th day of October 1903 and the 3rd day of November
1903, perform the discovery or location work required by the Statute of the State of Oregon,
on said claim by running a cut 10 feet long 4 feet wide and 6 feet deep and that said work
was done on said claim within sixty days from the date of discovery thereof and by said
work there was disclosed a lode or vein of mineral deposit in place.

Michigan Quarts Mining Claim. That said work consisted of an open cut, drift and cross
out on the Snow Storm which work tended to develop the said Three Rivers and Michigan
quartz claims, being on the same lead.

That said open cut was 15 feet long about 14 feet deep and about four feet
wide. That said drift was forty-one feet long and about four feet by six feet in the clear.
That the cross cut was about seven feet. That the total value of said work etc. was about
$300. That said work was done and performed at the instance and request of J.W. McPhie, the
owner of a fourth interest therein for himself and co-owners Dr. Memmber, Dr. Miller and
Miss Parkhurst. Said claims adjoin the Golden Wizard claim on the North East in Baker County,
Oregon.

Subscribed and sworn to before me this 22nd day of December, 1903.

R.W. Henry, Recorder.

TO ALL WHOM IT MAY CONCERN NOTICE IS HEREBY GIVEN that I, Herbert Pygall
a citizen of the United States over the age of twenty one years have on this 23rd day of
October 1903, discovered a vein or lode of mineral bearing rock in place bearing gold,
silver and other precious and valuable metals and minerals within the limits of the claim
hereby located which I have this day and in accordance with the Revised Statutes of the
United States, Chapter 6, Title 32, named the Etta Quarts Mining Claim.

That the general strike or course of this vein or lode is easterly and
westerly and that I claim 200 linear feet easterly and 1300 linear feet westerly of the
point of discovery at which this notice is posted together with 300 feet on each side of
the center of said vein.

That said claim is located in the unorganized Mt. Rastus Mining District
in Baker County, State of Oregon, the discovery monument being placed 200 feet westerly
from east center and stake and said claim is more particularly described and located by means
of the natural objects and permanent monuments gherinhereafter mentioned and is more particularly
described by boundaries as follows, to wit:

Commencing at the point of discovery at which this notice is posted,
thence 200 ft. easterly to E. center and stake, thence 300 ft. southerly to S.E. corner
stake thence 1500 ft. westerly to S.W. corner stake thence 300 ft. northerly to W. center
and stake thence 300 ft. same northerly direction to N.W. corner stake thence 1500 ft.
easterly to N.E. corner stake, thence 300 ft. southerly to east center and stake place of
beginning. The location of this claim is further fixed by natural and permanent objects, to wit.
It being situated 4 or 5 mi. east of Bull Run Rock on the east fork of the west fork of west Camp Creek on the west bank and 2 or 3 mi east of Rastus City near west base of Mt. Rastus. The north side line of this claim joins the south side line of the line of full length.

And I intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the State of Oregon.

Dated on the ground the 23rd day of October, 1903.

Discovered Oct. 23, 1903

Located Oct. 23, 1903

Witness: Chas. J. Bush

J. N. Skelton

State of Oregon

County of Malheur

I, Herbert Pygall, being first duly sworn, say that I am the locator of the mining claim described in the within notice of the Etta Quartz Mining Claim and that the foregoing notice is a true and correct copy of the original notice of location posted on said claim.

That I did between the 23rd day of October 1903, and the 23rd day of November, 1903 perform the discovery or location work required by the statutes of the State of Oregon on said claim by running a cut 10 ft. long, the same being 10 ft. deep on face, and that said work was done on said claim within sixty days from the date of discovery thereof and by said work there was disclosed a lode or vein of mineral deposit in place.

Herbert Pygall

Subscribed and sworn to before me this 21st day of December, 1903.

KNOW ALL MEN BY THESE PRESENTS: that the Cracker Creek Gold Mines Company, by H.T. Hendrix, Manager, the undersigned, have this 19th day of December, 1903, amended located and claimed and by these presents do amend, locate and claim by right of discovery and amended location, in compliance with the mining acts of Congress approved May 10, 1872, and all subsequent acts, and with the laws of the State of Oregon, and with local customs laws and regulations, 1902, linear feet and horizontal measurement on the Victor Lode, vein, ledge or deposit along the vein thereof, with all its dips, angles and variations as allowed by law, together with 300 feet or less on each side of the middle of said vein at the surface, as far as can be determined from present developments and all veins, ledges or deposits and surface ground within the lines of said claim 53 feet running S. 36° 36' W. from center of discovery shaft and 1339.7 feet running N. 36° 36' E. from center of discovery shaft. Said discovery shaft being situate upon said vein, lode, or deposit and within the lines of said claim in no organized Mining District, County of Baker, and State of Oregon, described by metes and bounds as follows, to wit:

Beginning at the corner N. 1st, thence the U.S. Mineral Monument N. 1st, on the dividing ridge between Cracker and Fruit Creeks, thence N. 36° 36' E. 400 ft. to Cor. No. 2, thence N. 36° 36' W. 10.5 ft. to cor. No. 3, thence N. 34° 30' E. 999.2 ft. to Cor. No. 4, thence S. 36° 30' E. 0.92 ft. to cor. No. 5, thence S. 46° 30' E. 530.77 ft. to Cor. No. 6, thence S. 43° 47' W. 1385.26 ft. to Cor. No. 7, thence N. 46° 30' W. 311.5 ft. to cor. No. 1, the place of beginning.

The general course or strike of said Victor Lode is north easterly and southerly and it is situated about 1/2 mile westerly from the town of Bourne, Baker County, Oregon. Said mining claim is bounded on the northeast by the Eureka Mill Site, W.S. No. 126, patented on the southeast by the Webster placer W.S. No. 190, patented and the Victor Fraction Lode unsurveyed. On the southwest by the Tin Horn Lode, M.S. No. 387, patented and on the Northwest by the Festus Lode, unsurveyed, and the Eureka Lode, M.S. No. 126, patented.

This mining claim is the same mining claim originally located on the 31st day of August, 1902, as Victor Lode by A.P. Smith and recorded on the 20th day of October, 1902, at page 373 of volume 7 of the public records of quartz mining claim location notice of Baker County, Oregon.

This further and amended certificate of location is made without waiver of any previously acquired rights but for the purpose of correcting any errors in the original location description or record.

The Cracker Creek Gold Mines Co. Locators

The undersigned H.T. Hendrix, Manager

Said lode was discovered the 31st day of August, 1902 A.D.

Filed for record Dec. 26th, A.D. 1903, at 10 A.M.

R.W. Henry, Recorder.
State of Oregon

KNOW ALL MEN BY THESE PRESENTS: that the Cracker Creek Gold Mines Company, by H.T. Hendrix, manager, the undersigned have this 19th day of Dec. 1903, amended, located and claimed and by these presents do amend, locate and claim by right of discovery and amended location in compliance with the mining acts of Congress approved May 10, 1872, and all subsequent acts and with the laws of the State of Oregon, and with local customs, laws and regulations, 770.0 linear feet horizontal measurement on the Cracker Chief lode, vein, lode or deposit along the vein thereof with all its dips, angles and variations as allowed by law together with 30 feet more or less on the westerly side and 362.36 feet more or less on the easterly side of the middle of said vein at the surface so far as can be determined from present developments and all veins, lodes, ledges or deposits and surface ground within the lines of said claim 50 feet running N. 31° 30' E. from center of discovery shaft and 750 feet more or less running S. 31° 30' W. from center of discovery shaft, said discovery shaft being situated upon said lode, vein, ledge or deposit and within the lines of said claim in no organized mining district, County of Baker, and State of Oregon, described by metes and bounds as follows, namely:

Beginning at Cor. No.1. thence the U.S. Mineral Monument No.1. on the dividing ridge between Cracker and fruit creeks bears N. 9° 45' W. 1436 feet thence S. 49° 30' E. 302.36 ft. to cor No.2. thence S. 45° 30' W. 761.42 ft. to cor. No.3. thence N. 49° 30' W. 392.36 ft. to Cor. No.4. thence N. 33° 30' E. 761.42 ft. to Cor. No.1. the place of beginning.

The general course of strike of said Cracker Chief Lode Mining claims is north easterly and south westerly and said Cracker Chief lode is situated about 1/2 mile south westerly from the town of Bourne, in Baker County, Oregon. Said mining claim is bounded on the northeast by the Afterthought Lode M.S. No. 296 patented. On the southeast by the North Star lode un surveyed on the southwest by the North Star lode un surveyed, the June Bug lode un surveyed, and the Middleman Lode, M.S. No. 367 A. patented. On the northwest by the Middleman Lode M.S. No. 367 A. pat. this mining claim is the same mining claim as the Cracker Chief quartz mining claim originally located on the 10th day of Jan. 1903 by A.P. Smith. The original location notice thereof being recorded on the 5th day of Feb. 1903, at page 151-2 of volume "V" of the public records of quartz mining claims location notices of Baker County Oregon. This further and amended certificate of location of the Cracker Chief lode is made without waiver of or previously acquired rights but for the purpose of correcting any errors in the original location description or record, and for the purpose of abandoning the northerly end of said original location in favor of the amended location of such ground now known as the Rambler Lode.

Said lode was discovered the 10th day of Jan. 1903, A.D.
Date of amended location Dec. 1903, A.D.

Filed for Record Dec. 26th, A.D. 1903, at 10 A.M.

H. W. Hendry, Recorder.
State of Oregon,

County of Baker:

KNOW ALL MEN BY THESE PRESENTS: that the Cracker Creek Gold Mines Company, by H.T. Hendryx, Manager, the undersigned, have this 19th day of December, 1905, amended, located and claimed and by these presents do amend, locate and claim by right of discovery and amended location in compliance with the mining acts of Congress, approved May 10, 1872, and all subsequent acts and with the laws of the State of Oregon and with local customs, laws and regulations 1365 linear feet and horizontal measurement on the CRACKER OREGON EXTENSION LODE, vein, ledge or deposit along the vein thereof, with all its dips, angles and variations as allowed by law, together with 300 feet or less and horizontal measurement on each side of the middle of said vein at the surface so far as can be determined from present developments, and all veins, lodes, ledges or deposits and surface ground within the lines of said claim, 335 feet running W. 54° 30' E. from discovery point in tunnel and thence from said discovery point in tunnel S. 21° 24' W. 821.5 feet to southerly end of claim. Said discovery point in tunnel being situated upon said lode, vein, ledge or deposit, and within the lines of said claim in no organized mining district County of Baker, and State of Oregon, described by metes and bounds as follows, to wit:

Beginning at Cor. No. 1, thence the U.S. Mineral Monument No. 1, on the summit of the dividing ridge between Cracker and fruit Creeks, bears N. 71° 55' W. 1365 feet, thence N. 54° 30' E. 544.21 ft. to Cor. No. 2, thence S. 49° 30' E. 581.40 ft. to Cor. No. 3, thence S. 41° 45' W. 24.95 ft. to Cor. No. 4, thence N. 31° 42' W. 131.95 ft. to Cor. No. 5, thence N. 60° 30' W. 49.5 ft. to Cor. No. 6, thence S. 53° 30' W. 1260.15 ft. to Cor. No. 7, thence N. 49° 30' W. 391.4 ft. to Cor. No. 8, thence S. 12° 52' W. 876.83 ft. to Cor. No. 1, the place of beginning.

The general course or strike of said Cracker Oregon Extension lode is north easterly and south westerly and it is situated about 1/4 or a mile westerly from the town of Burns, in Baker County, Oregon. Said Mining Claim is bounded on the northeast by the Webfoot Placer M.S. 190 patented, on the southeast by the Eureka Consolidated placer M.S. No. 194 patented; on the southwest by the Oregon Star lode, unsurveyed. On the northeast by the Afterthought Lode M.S. No. 296 patented and the Victor Extension Lode unsurveyed.

This mining claim is the same mining claim as the Cracker Oregon Extension Quartz Mining Claim, originally located on the 21st day of Sept. 1902 by A.P. Smith and recorded on the 22nd day Oct. 1902 at page 374 of volume T. of the public records of quartz mining claim location notices of Baker County Oregon. This further and amended certificate of location of the Cracker Oregon Extension lode, is made without waiver of any previously acquired rights but for the purpose of correcting any errors in the original location, location or record.

Said lode was discovered the 21st day of Sept. 1902 by H.T. Hendryx, Manager

Hendryx, Manager, the undersigned, have this 19th day of Dec., 1903, amended, located and claimed and by these presents do amend, locate and claim by right of discovery an amended location, in compliance with the mining laws of Congress approved May 10, 1872, and all subsequent acts, and with the laws of the State of Oregon, and with local customs laws and regulations. 1264.8 linear feet and horizontal measurement on the VICTOR FRACTION LODE, vein, ledge or deposit along the vein thereof with all its dips and angles and variations as allowed by law, together with 300 ft. or less on each side of the middle of said vein at the surface so far as can be determined from present developments and all lodes, veins, ledges or deposits and surface ground within the lines of said claim 70 feet running N. 52° 53' E. from center of discovery shaft and 1194.8 feet running S. 52° 53' W. from center of discovery shaft. Said discovery shaft being situated upon said lode, vein, ledge or deposit and within the lines of said claim in no organized mining District, County of Baker, and State of Oregon, described by metes and bounds as follows, to wit:

Beginning at Cor. No. 1, whence the U.S. Monument No. 1, on the dividing ridge between Cracker and Fruit Creeks, bears N. 30° 57' W. 893 ft. thence N. 43° 47' W. 1247.95 ft. to Cor. No. 2, thence S. 46° 30' E. 498.29 ft. to Cor. No. 3, thence S. 30° 30' W. 1273.06 ft. to Cor. No. 4, thence N. 46° 30' W. 214.3 ft. to Cor. No. 1, the place of beginning.

The general course or strike of this VICTOR FRACTION LODE is north easterly and south westerly and said VICTOR FRACTION LODE is situated about one half mile westerly from the town of Bourne, Baker County, Oregon and said mining claim is bounded on the north west by the Weidt Place M.S. No. 180 patented. On the southeast by the Cracker Creek Extension Lode unsurveyed and the Afterthought Lode M.S. No. 175, patented. On the southwest by the Rambler Lode unsurveyed and on the northwest by the Victor Lode unsurveyed.

This mining claim is the same mining claim as the Victor Fraction Quartz Mining Claim originally located on the 15th day of January, 1903, by A.P. Smith. The original location notice thereof being recorded on the 5th day of March at page 305 of volume "W" of the public records of quartz mining claims location notices of Baker County, Oregon. This further amended certificate of location of the VICTOR FRACTION LODE is made without waiver of any previously acquired rights, but for the purpose of correcting any errors in the original location description or record.

Said lode was discovered the 10th day of Dec., A.D., 1903.

AMENDED

JUNE BUG

State of Oregon

County of Baker

KNOW ALL MEN BY THESE PRESENTS: that the Cracker Creek Gold Mines Company, by H.T. Hendrix, manager, the undersigned have this 19th day of December, 1902, amended, located and claimed and by these presents do样的 locate said claim by right of discovery and amended location in compliance with the mining acts of Congress approved May 10, 1872 and all subsequent acts and with the laws of the State of Oregon, and with local custom, laws and regulations. 1500 linear feet and horizontal measurement on the JUNE BUG lode, vein, ledge or deposit along the vein thereof, with all its dips, angles and variations as allowed by law, together with 300 feet or less on each side of the middle of said vein at the surface so far as can be determined from present developments and all veins, ledges or deposits and surface ground within the lines of said claim 890 feet running N. 27° 30' W. from center of discovery shaft and 610 feet running S. 27° 30' W. from center of discovery shaft. Said discovery shaft being situated upon said vein, lode, ledge or deposit, and within the lines of said claim in no organized mining district. County of Baker and State of Oregon described by metes and bounds as follows, to wit:

Beginning at Cor. No. 1. whence the U.S. Mineral Monument No. 1. on the dividing ridge between Cracker and Fruit Creeks, bears N. 11° 38' E. 1952.8 feet, thence S. 49° 20' E. 377.07 ft. to cor. No. 2. thence S. 27° 30' W. 1500 ft. to cor. No. 3, thence N. 49° 30' W. 377.07 ft. to Cor. No. 4. thence N. 27° 30' E. 1500 ft. to Cor. No. 1. the place of beginning.

The general course or strike of said June Bug Lode is northeasterly and it is situated about one half mile southwesterly from the town of Bourne, Baker County, Oregon. Said mining claim is bounded on the north east by the Middiman Lode M.S. No. 367 A. patented and the Cracker Chief Lode unsurveyed. On the southeast by the Jackpine Lode, unsurveyed. On the southwest by the Elliott Placer M.S. No. 370 patented and on the northwest by the Cyclone Mill Site M.S. No. 367 B. patented and the Middiman M.S. No. 367, A. patented.

This mining claim is the same mining claim as the June Bug Lode originally located on the 2nd day of June, 1902, by A.P. Smith and recorded on the 2nd day of July, 1903 at page 96 of volume T. of the Public records of quarter-section mining claims location notices of Baker County, Oregon.

This further and amended location certificate of the June Bug Lode is made without waiver of any previously acquired rights but for the purpose of correcting any errors in the original location description or record.

Said lode was discovered the 2nd day of June, A.D. 1902.

The Cracker Creek Gold Mines Co., Locators

by H.T. Hendrix, Manager

Filed for record Dec. 25th, A.D. 1903, at 10 A.M.

R.W. Henry, Recorder.
State of Oregon, County of Baker.

KNOW ALL MEN BY THESE PRESENTS: that the Cracker Creek Gold Mines Company by H.T. Handryx Manager, the undersigned, have this 19th day of Dec. 1903, amended located and claimed and by these presents do amend, locate and claim by right of discovery and ownership, location in compliance with the mining acts of Congress approved May 10th 1872, and all subsequent acts, and with the laws of the State of Oregon, and with local custom laws and regulations. 719.72 feet and horizontal measurement on the Rambler Lode, vein, ledge or deposit along the vein thereof with all its dips, angles and variations as allowed by law, together with 50 feet on the north westerly side and 287.41 feet more or less on the south easterly side of the middle of said vein at the surface so far as can be determined from present developments, and all veins, lodes, ledges or deposits and the surface ground within the lines of said claim 50 feet running W. 43° 30' E. from center of discovery shaft and 663.72 feet running S. 83° 30' W. from center of discovery shaft said discovery shaft being situated upon said lode, vein, ledge or deposit and within the lines of said claim in the organized mining district County of Baker, and State of Oregon, described by notes and bounds as follows, to wit:

Beginning at Cor. No.1. thence the U.S. Mineral Monument No.1. on the Summit of the dividing ridge between Cracker and Fruit Creeks bears N. 30°57' W. 293 feet. Thence S. 46° 30' E. 317.41 ft. to Cor. No.2. thence S. 43° 30' W. 712.72 ft. to cor. No.3. thence W. 46° 30' W. 307.41 ft. to Cor. No. 4. thence N.43°30' E. 713.72 ft. to Cor. No.11. the place of beginning. The general course or strike of said Rambler Lode is north easterly and south westerly and is situated about 1/2 miles south westerly from the town of Boren in Baker County, State of Oregon. Said Mining Claims is bounded on the north east by the Victor Fraction Lode, unsurveyed and the Afterthought Lode W.S. No.1. On the south east by the Afterthought Lode M.S. No.296 and the Cracker Chief Lode unsurveyed on the southwest by the Middleman M.S. No. 367 A. patented and on the northwest by the Tim Horn Lode M.S. No. 367 A. patented.

This mining claim is the same mining claim as a portion of the Cracker Chief Mining Claim originally located on the 18th day of Jan. 1903 by A.P. Smith, and recorded at page 295 of volume V. of the public records of quartz mining claim location notices of Baker County, Oregon. This original and further amended certificate of location of the Rambler Lode is made without waiver of any previously acquired rights but for the purpose of correcting any errors in the original location; description or record of the Cracker Chief Lode, and of taking in and acquiring that portion of said Cracker Chief lode herein described. Said lode was discovered the 18th day of Jan. 1903.

Attest: Date of amended location

Dec. 19-1903

Filed for record Dec. 26th, A.D. 1903, at 10 a.m.

E.S. Henry, Recorder.
The High Grade Gold Mining Company, of Portland, Oregon, hereby gives notice to all whom it may concern that said Company has done and completed its improvement work for the year 1903 upon its claims in the Sumpter Mining District, Baker County, State of Oregon, as required by law and the following affidavit contains a statement of said improvement or assessment work, to wit:

State of Oregon

Multnomah County

I, T.W. Younger, being first duly sworn, on oath depose and say:—I am the president of the High Grade Gold Mining Company, a corporation and said corporation is the owner of the High Grade Mining Claim and the Barnes Mining Claim both of which are situated in Sumpter District, Baker County, State of Oregon said claims being and lying contiguous to each other.

That on and between the 10th day of August 1903, and the 10th day of October, 1903, said corporation did and performed its annual improvement or work on said claims for the year 1903, as required by law and the following is a correct and true statement of the improvement work so done by said corporation, to wit:

The shaft on the High Grade Mining Claim was sunk an additional thirty seven and one half feet, thus carrying the shaft down a total of eighty nine and one half feet. Said shaft is three and one half feet wide and seven feet long and all of said thirty seven and one half feet sinking of said shaft was done by said corporation in the year 1903 and on and between said August 10th and October 10th 1903. All of said improvement work was done for said corporation and it paid the entire cost thereof. All of said work was completed on said October 10th and the same is good and substantial improvement and tends to improve and develop said claims as mining claims. That said corporation consolidated said claims for the purpose of development and improvement work, and the work so done was intended to apply to both of said claims and to be for both of them, and thus to do and perform the annual work improvement and development of both of said claims required by law.

That said work was done by three men, employed by said corporation for and during fifty four days actual work by each of said employees. That said corporation paid said employees the sum of three dollars and fifty cents each per day that being the least wage that competent men could be employed for at said time in said district and the sum thus paid by said corporation to said employees, amounted in all to five hundred and sixty seven dollars. That said corporation also paid in addition to said sum for the repair of its cabin on said claims the sum of $10.50 and for the board of said employees the sum of $145.70. That said improvement and development work was done under and in accordance with a resolution of the directors of said corporation directing the same to be done, and authorizing and requiring this affiant to take charge of the same and see that it should be done.

T.W. Younger,

R.W. Henry, Recorder
State of Oregon
County of Baker

I, M.N. Whiting, being first duly sworn on oath depose and say that the "Jorden" quartz mining claim was located by A.H. Willett, on the 2nd of August 1902, and that said notice was thereupon recorded on the 20th of September, 1902, in the office of the recorder of Conveyances for Baker County in Volume "T" at page 244 of quarts locations thereof.

That between the 2nd day of August and the recording of the notice on said 20th day of September 1902 the affiant herein performed work and labor on the said Jorden quartz mining claim as is described in said notice of location by driving a cut or tunnel, which cut the lode at a depth of ten feet, or an open cut at least six feet deep four feet wide and ten feet in length along the lode from where the same was discovered. That thereafter and during the year 1903, and between the 1st day of January, and the 5th day of September, 1903, the affiant herein did perform work, labor and services for and on behalf of the Weatherby Bonanza Consolidated Gold Mines Company, a corporation, as its manager upon the "Jorden Quartz Claim" by repairing buildings thereon, construction of roadways thereeto, and by the payment of keepers fees all of which were necessary and beneficial thereto largely exceeding $100.00 and that the affiant did expend for and on behalf of said corporation acting as its manager on the Bonanza, Butte, Perritt, A.J. Ross, and Riddel quartz claims between said 1st day of January, and said 5th day of September 1903, by placing machinery thereon, building new tents, tunneling and general work which was necessary and beneficial to all said claims, largely exceeding the sum of $300.00 and largely exceeding in amount the sum of $100.00 to each and every claim owned by said corporation.

State of Oregon]

County of Baker.

I, W.L. Vinson, and J.H. Washburne, being first duly sworn for myself say, that I am a citizen of the United States over the age of twenty-one years that I am a miner by occupation and know the value of mining labor and materials; that I am personally acquainted with the property of the Monte Consolidated Gold Mining Company consisting of four patented quartz claims and the Chance, Sally Ann, Jumbo, Emma Extiction, John, No Good and Matt, unpatented quartz mining claims and know how much claims are situated with reference to one another. That during the year 1903 there was performed upon such unpatented quartz claims and for the development use and benefit thereof, at least two thousand dollars. That such work consists of buildings and improvements made upon such quartz claims and open cuts and a tunnel started with the Sally Ann Quartz Claim which tunnel was started and is now being constructed for the purpose of undermining and developing and to connect the underground work of all of said quartz claims except the Chance. That the said work to the amount and extent thereof would develop and does develop each and every claim. That as to the Chance Quartz mining claim, more than one hundred dollars worth of work has been done and performed upon said claim for the year 1903 and that such work consists of an open cut and a tunnel of at least fifty feet underground. That all of said work has been done and improvements made during the year 1903, and was done and made in good faith and for the purpose of holding and protecting the said claims and each of them and for the development thereof.

That I have personal knowledge of the facts above stated.

Said claims are situated in County of Baker State of Oregon.

R. W. Henry, Recorder.
NOTICE IS HEREBY GIVEN: TO ALL WHOM IT MAY CONCERN: that we J.B. Curl, J.L. Miller and Roy Seary, citizens of the United States, over the age of twenty one years having discovered a vein or lode of quartz or rock in place bearing gold within the limits of the claim hereby located and have this day under and in accordance with the revised Statutes of the United States Chapter six, Title Thirty-two, located 1500 linear feet of this vein or lode with surface ground 500 feet in width situated in Rastus Mining District County of Baker, State of Oregon, and known as the Treadwell quartz mining claim extending 750 feet north to north stake and 750 feet south to south stake from this notice at the discovery or prospect shaft which is 750 feet from end line. The exterior boundaries of this claim being distinctly marked by reference to some natural object or permanent monument and more particularly described as follows:

The Treadwell is bounded on the north by the Winter Claim and southwest of Rastus City and we intend to hold and work said claim as provided by local customs and rules of miners and mining statutes of the United States and State of Oregon.

Dated on the ground this 16th day of Oct. 1903

Locators and Claimants

J.B. Curl
J.L. Miller
Roy Seary

State of Oregon,

County of Baker

I, Chas. W. Lewis, do solemnly swear that I am a citizen of the United States of America (or have declared my intentions to become such) and that I am acquainted with the mining ground described in this notice of location and herewith called the Treadwell ledge, lode or claim, that the ground or claim therein described or any part thereof has not, to the best of my knowledge and belief been located according to the laws of the United States and of this State, or if so located, that the same has been abandoned or forfeited by reason of the failure of such former locators to comply in respect thereto with the requirements of said laws and (in the case of quartz claims) that I have opened new ground to the extent or depth of 10 feet as required by the laws of the State of Oregon.

Signature: C.W. Lewis

I, J.W. Blaine, being first duly sworn say that at all times herein stated I was and am now a citizen of the United States over the age of twenty one years and a miner by occupation, and that I know the value of mining labor and material. That to my personal knowledge on and between the first day of September, 1903, and the first day of December, 1903, there was performed in and upon what is known, held, located and recorded as the Bull Elk quartz mining claim, at least one hundred dollars worth of development work consisting of labor and supplies. That such work was done and supplies furnished for the sole use and benefit of said Bull Elk Claim and the develop the same, and for the purpose of representing the said claim in the doing of the annual assessment work thereon for the said year, and that the amount was so expended for such development and is reasonably worth the said sum of one hundred dollars and was so expended at the instance and request of the Beaver Mining Company, a corporation the owner thereof. That to my personal knowledge there was expended in labor material and supplies on what is known, held, located and recorded as the Missouri, Miner's Hope and Captain Jack quartz mining claims, between the first day of September, 1903 and the first day of December, 1903, at least three hundred dollars worth
of labor and improvements for the development of said claims. That at least two hundred dollars in development was expended on the Miner's Hope and for the equal use and benefit of the said Missouri and Miner's Hope quartz claims and that said labor and supplies and material tended to develop and did develop and improve to two said claims to the amount of two hundred dollars. That at least one hundred dollar's worth of labor and material was expended on the Captain Jack quartz Claim, and that said labor and material tended to develop and did develop and improve the said Captain Jack claim to the amount of one hundred dollars. That all of said money was so expended at the instance and request of said Beaver Mining Company, a corporation, owners thereof and was so expended in the doing of the annual assessment work on each and every claim and was so expended in good faith and for that purpose. That I have personal knowledge of all the facts above stated.

I, J.L. Baisley, and J. George Schmidler, being each first duly sworn for myself, and not one for the other, say that I am a citizen of the United States over the age of 21 years, that I am a miner by occupation. That on and between the 26th day of November, 1905 and the 12th day of December, 1903, I performed work and labor on the Carroll B. quartz mining claim, situate about 11 miles easterly from Baker City, Oregon, at the request of C.A. Johns, the record owner of said claim; that said work and labor performed upon said claim between said dates consisted of sinking a mine about 10 feet deep in the 100 foot level about 10 feet on the hanging wall and 7 feet on the foot wall; 4 feet by 6 feet and cleaning out the shaft of snow, ice, debris and earth to a depth of about 15 feet and retimbering and sinking the same deeper also by erecting and covering a shed 9 by 16 feet over the shaft and entry. Also certain repair work on the 50 foot shaft and sinking about 4 feet at the bottom of the shaft.

That said work and labor so performed between said dates as above described was and is worth over the sum of one hundred dollars that such work and the whole thereof tends to develop the said claim and was performed as the annual assessment work for the year 1903.

PROOF

State of Oregon

County of Baker

I, T.A. Taggert, being first duly sworn, say that at all times herein stated I was and am now a citizen of the United States over the age of twenty one years and a miner by occupation; that I know the value of mining labor and material. That the Beaver Group of mines consists of what is known, held, located and recorded as the Sugden, Jewett, Priscilla, Cinnamon, Brown Bear, Varney, Augusta, Levi, Bill City, McDonald, Pennsylvania, Warren, Philadelphia, Washington, Baltimore, Michigan, Iowa, Illinois, Ohio, Van Der, Varney No. 2, Rea Deer, Moose Caribou, Antelope, Stella No. 2, Stella No. 3, Lampion, Starlight, Moonlight, Twilight, Daylight, Midnight, Oregon and Nevada quartz mining claims all lying and being situated on what is known as Elk horn mountain in the County of Baker and state of Oregon, that each and all of said claims are connected and are contiguous to each other and are in one group of claims. That for the sole object and purpose of operating and developing the said claims, 1 have a pipe line has been laid and a water power plant has been located, established and installed at or near the center of the south half of section twenty one (21) Township 8 S.R. 30 E. W. M. and a boarding house has been located erected and constructed together with a blacksmith shop and other buildings and improvements have been constructed and made thereon during the year 1903, and after the location of said claims, which have cost are reasonably worth at least the sum of fifteen thousand ($15,000) dollars. That in addition there is a tunnel known as the Beaver Tunnel has been started in the mountain and has been driven and is now being driven for the purpose of getting underneath and tapping and connecting the ore bodies of each and every claim above described and removing said ore therefrom by means of and through said tunnel. That at present it has been constructed for a distance of at least one hundred and fifty feet, and the probable cost thereof is not less than three thousand dollars. That the said claims constituting said group are so situated that any and all improvements so made and any and all expense incurred in the driving of said tunnel tend to develop and to develop each and every claim of the said group to the amount thereof and to the extent of all the money so expended, and that it was so expended for that purpose and for no other or different purpose and that by so expending said amount of money the annual assessment work to the amount of at least one hundred dollars for each and every claim has been performed on each and every claim for the year 1903. That such money was so expended at the special instance and request of the Beaver Mining Company, a corporation, the owner of each and every claim in said group and that at least said amount was paid by said company thereof, and that each and every claim is so situated with reference to such power plant improvements and said tunnel that the same can be worked, operated and developed through said tunnel now in course of construction and that said tunnel is being constructed for the sole object and purpose of developing each and every claim in the said group.

Filed for record Jan. 21st, A.D. 1904,

R.W. Henry, Recorder.

IOWA NO. 2.

TO ALL WHOM IT MAY CONCERN NOTICE IS HEREBY GIVEN that C.L. Reinschmidt, N.P. Kayler, and W.J. Evans, citizens of the United States over the age of twenty-one years, have on this 1st day of Jan. 1904, discovered a vein or lode of mineral bearing rock in place bearing gold, silver and other precious and valuable metals and minerals within the limits of the claim hereby located, which we have this day in accordance with the Revised Statutes of the United States, Chapter 6, Title 32, named the Iowa No. 2 quartz mining claim.

That the general strike or course of this vein or lode is northerly and southerly and that we claim 400 linear feet s.w. and 1100 linear feet w.e. at the point of discovery at which this notice is posted, together with 300 feet on each side of the center of said vein.

That said claim is located in the Cracker Creek Mining District, in Baker County State of Oregon, the discovery monument being placed 400 feet w.e. from the W.N.W. corner and stake of the Iowa No. 1 quartz claim and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinafter described, and is more particularly described by boundaries as follows:

Beginning at the point of discovery at which this notice is posted thence 400 ft. s.w. to the S.W. center and post No. 1, thence 300 ft. e.w. to the S. corner post No. 2, thence 1500 ft. e.w. to the E. corner post No. 3, thence 600 ft. n.w. to the W. corner post No. 4, thence 1500 ft. s.w. to the W. corner post No. 5, thence 300 ft. e.e. to the S.W. center and post No. 1.

And we intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the State of Oregon.
Dated on the ground 1st day of Jan. 1904.

Located Jan. 1st, 1904.

R.W. Henry, Recorder.

IOWA NO. 1.

TO ALL WHOM IT MAY CONCERN: NOTICE IS HEREBY GIVEN that C.F. Reischstein, N.P. Kayler, and T.W. Lloyd, citizens of the United States, over the age of twenty-one years have this first day of Jan. 1904, discovered a vein or lode of mineral—bearing rock in place, bearing gold, silver and other precious and valuable metals and minerals within the limits of the claim hereby located, which we have this day and in accordance with the revised Statutes of the United States, Chapter 85, Title 32, named the Iowa No.1, quartz mining claim.

That the general strike or course of this vein or lode is northerly and southerly and that we claim 300 linear feet southwesterly and 1200 linear feet northeasterly of the point at discovery at which this notice is posted, together with 300 feet on each side of the center of said vein.

That said claim is located in the Cracker Creek mining district in Baker County, State of Oregon, the discovery monument being placed about 450 feet N.Easterly from junction of Cracker and silver creeks, near Honaker and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinafter mentioned, and is more particularly described by boundaries as follows, to wit:

Commencing at the point of discovery at which this notice is posted, thence 300 ft. southerly to the S.W. corner and Post No.1, thence 300 ft. easterly to the S. corner post No.2, thence 1500 ft. N. Easterly to the E. corner post No.3, thence 600 ft. N.
Westerly to the N. corner post No.4. thence 1900 ft. S. ... westerly to the W. corner post No.5. thence 300 ft. S. Easterly to the S.W. center end post No.1.

And we intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the State of Oregon.

TO ALL WHOM IT MAY CONCERN: NOTICE IS HEREBY GIVEN that J.B. Start, B.J. Watson, and G.P. Reichstein, citizens of the United States, over the age of twenty-one years, have on this 3rd day of Jan., 1904, discovered a vein or lode of mineral bearing rock in place bearing gold, silver, and other precious and valuable metals and minerals within the limits of the claim hereby located which we have this day and in accordance with the Revised Statutes of the United States, Chapter 6 Title 32, named the Lower King Pin quartz mining claim.

That the general strike or course of this vein or lode is north-easterly and south-westerly and that we claim 900 linear feet S. W. E. and 600 linear feet N. E. W. of the point of discovery at which this notice is posted together with 300 feet on each side of the center of said vein. That said claim is located in the Cracker Creek Mining District in Baker County, State of Oregon, the discovery monument being placed about 1500 feet S. W. E. of the mouth of Sarazen Creek and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinafter mentioned and is more particularly described by boundaries as follows:

Commencing at the point of discovery at which this notice is posted thence 900 ft. S. W. E. to NE corner post thence 1500 ft. N. E. W. to NE corner post thence 600 ft. S. W. E. to east corner post thence 1500 ft. S. W. E. to NE corner post thence 300 ft. N. E. W. to SW. corner post thence 900 ft. N. E. W. to place of beginning and discovery monument, and we intend to hold and work said claim in accordance with the local laws and customs of miners and mining laws of the United States and of the state of Oregon.

Dated on the ground the 3rd day of Jan., 1904. Discovered Jan. 3, 1904.

Located Jan. 3, 1904.

R. W. Henry Recorder.

ECLIPSE & EUREKA

State of Oregon
County of Baker

Thomas Allen, F.W. Sharp, witness, of lawful age being duly sworn depose and say:

1. That they are acquainted with the Eclipse and Eureka quartz mining claims situate lying and being in unorganized mining district in the county of Baker a State of Oregon.

2. That we did 90 days work and labor upon said mining claim and placed the following improvements therein, to wit: Run an open cut and run a tunnel 60 feet in length and the value of said improvements is four hundred dollars.

3. That said work and labor was done and performed and said improvements were commenced on the 17th day of December, A.D. 1903 and finished on the 7th day of March, A.D. 1904.

4. That said work was done and said improvements were made at the instance and request of John Sharp the owner of said mining claims.

5. That the actual amount paid for said labor and improvements is $400 four hundred dollars lawful money of the United States and that said sum was paid by John Sharp, owner of said mining claims for the years of 1903 and 1904.

MORNING STAR

NOTICE IS HEREBY GIVEN that I, J. W. Doyle, a citizen of the United States has on this first day of Nov., 1904, discovered and located a vein of mineral bearing rock in place carrying gold which vein I have named the morning star quartz claim. That the course of this vein is north and south and that I claim 1000 feet in a westerly direction and 500 feet in a southerly direction of the discovery monument on which this notice is posted and that I claim 300 feet on each side of the center of this notice. That said claim is located in the Oregan Creek Mining District, Baker County, Oregon, the discovery monument being placed about 50 feet from this notice. Said claim is bounded and described as follows, to wit:

Commencing at the discovery monument thence running 500 feet easterly to east and center thence 300 feet north to north east cor. No. 1, thence 1500 feet westerly to N.W. cor. No. 2, thence 600 ft. southerly to S.W. cor. No. 3, thence 1500 feet easterly to S.E. cor. No. 4 thence northerly 30 feet to east end center or place of beginning. Said claim is bounded on the south by the Gold Coin quartz claim No. 3 and on the east by the north star quartz claim and is located about 5-1/2 miles from the town of Summer on the Oregon boundary.

Dated 1st. Nov. 1904

W. W. Henry, Recorder

John W. Doyle, Locator

Mrs. Emma Doyle
State of Oregon

I, J. W. Doyle, being first duly sworn on oath depose and say that I am the original locator of the claim described in the within notice of location of the quartz mining claim, and that said notice is a full, true and correct copy of the original notice of location posted on said claim.

That I did between the 1st day of March, 1904, and the 1st day of April, 1904, perform the discovery work required by the statutes of the state of Oregon, on said claim open cut on vein 1000 feet face and said work was done on said claim within sixty days from the date of location thereof, and there was thereby disclosed a ledge or vein of mineral deposit in place.

Doyle, a citizen of the United States over the age of twenty one years has on this 20th day of Nov., 1904, discovered a vein or lode of mineral bearing rock in place bearing gold, silver and other precious and valuable metals and minerals within the limits of the claim hereby located which I have this day and in accordance with the revised Statutes of the United States Chapter 6, Title 32, named the Gold Coin No. 8. Quartz Mining Claim. That the general strike or course of this vein or lode is east & west and that I claim 500 linear feet westerly and 1000 linear feet easterly of the point at discovery at which this notice is posted, together with 300 feet on each side of the center of said vein. That said claim is located in the Cracker Creek Mining District, in Baker County, State of Oregon, the discovery monument being placed about 100 feet from the notice and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinafter mentioned and is more particularly described by boundaries as follows, to wit:

Commencing at the point of discovery at which this notice is posted thence beginning at this notice & running 500 feet westerly to west end center thence 300 feet southerly to S.W. Cor. thence 1500 feet easterly to north east cor. thence 600 feet northerly to north east cor. thence 1500 feet westerly to north west cor. thence 300 feet to west end center or place of beginning, bounded on the south by Gold Coin No. 7, & on the west by Little Emma & on the north by Gold Coin No. 4 & 5. And _____ intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the state of Oregon. Located about 5 miles from Sumpter on the north of Powder River about 1/2 mile from road leading to furnace.

Dated on the ground the 20th day of Nov. 1904.
Discovered Nov. 20th, 1904.
Located Nov. 20th, 1904.

R.W. Henry, Recorder
TO ALL WHOM IT MAY CONCERN: NOTICE IS HEREBY GIVEN that Titus Davis, a citizen of the United States over the age of twenty-one years, has on this 25th day of May, 1904, discovered a vein or lode of mineral-bearing rock in placer bearing gold, silver, and other precious and valuable metals and minerals within the limits of the claim hereby located which he has this day and in accordance with the revised Statutes of the United States, Chapter 6, Title 32, named the "Vindicator quartz mining claim."

That the general strike or course of this vein or lode is northeast and southwest and that he claims 50 linear feet east and 1450 linear feet west of the point of discovery at which this notice is posted, together with 300 feet on each side of the center or said vein. That said claim is located in the rock Creek Mining District, in Baker County, state of Oregon, the discovery monument being placed 2100 feet southwest from the office building of the Highland Gold Mines Co. and 50 feet west of the west center and stake of the Bannock Burr Claim and said claim is more particularly described and located by means of the natural object and permanent monuments hereinbefore mentioned and is more particularly described by boundaries as follows:

Commencing at the point of discovery at which this notice is posted thence 50 feet east to the east center and stake thence 300 feet north to the north center stake thence 1500 feet west to the northwest corner stake thence 300 feet south to the west center and stake thence 300 feet south to the southwest corner stake thence 1500 feet east to the southeast corner stake thence 300 feet north to the east center and stake, the place of beginning. And I intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the state of Oregon.

Dated on the ground the 25th, 1904. Discovered May 25th, 1904

Located May 25th, A.D.1904
State of Oregon
County of Baker

I, Titus Davis, being first duly sworn, say that I am the locator of the mining claim described in the within notice of the "Vindicator" quartz mining claim and that the foregoing notice is a full true and correct copy of the original notice of location posted on said claim.

That I did between the 25th day of May, 1904 and the 31st day of May, 1904 perform the discovery or location work required by the statutes of the state of Oregon on said claim by sinking a shaft at least ten feet deep from the lowest part of the rise of such shaft at the surface and that said work was done on said claim within sixty days from the date of discovery thereof and by said work there was disclosed a lode or vein of mineral deposit in place.

Subscribed and sworn to before me this 31st day of May, 1904

Pled for record June 1st, A.D.1904 at 10 A.M.

R W Henry, Recorder
TO ALL WHOM IT MAY CONCERN NOTICE IS HEREBY GIVEN that Mr. Wiegand citizen of the United States over the age of twenty one years has on this 26th day of May, 1904 discovered a vein or lode of mineral bearing rock in placer bearing gold silver and other precious and valuable metals and minerals within the limits of the claim hereby located which I have this day and in accordance with the revised statutes of the United States Chapter Six Title 32 named the Shoe Maker Claim, which intersects the Fidelity & Elden Claims quartz mining claim.

That the general strike or course of this vein or lode is north easterly and south westerly and that this claim lies 300 linear feet south easterly and 300 linear feet north westerly of the point of discovery at which this notice is posted together with ___ feet on each side of the center of said vein.

That said claim is located in No organized mining district in Baker County a State of Oregon, the discovery monument being placed 300 feet south easterly from the south west corner Post No.6 & 300 ft. north westerly from the south east corner post No.2 and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinafter mentioned and is more particularly described by boundaries as follows:

Commencing at the point of discovery at which this notice is posted thence 300 ft. south easterly to corner post No.2 & 1500 ft. north easterly to corner post No.3 & 200 ft. north westerly to end center post No. 4 & 300 ft. north westerly to corner post No.5 & 1500 feet south westerly to corner post No.6 & 300 feet south easterly to end corner post No.1. This claim intersects the Fidelity Claim on the north east & intersects the Elden claim on the south east & lies on Wind Creek about 1 & 1/2 miles from Bourne. And ___ intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the state of Oregon.

Dated on the ground the twenty sixth day of May, 1904

Discovered May 26th, 1904 Located May 26th, 1904

Witnessed by Isaac King Mr. Wiegand Locator

State of Oregon) 185

County of Baker)

I, Isaac King, being first duly sworn say that I did the location work for locator of the mining claim described in the within notice of the Shoe Maker quartz mining claim and that the foregoing notice is a full, true and correct copy of the original notice of location posted on said claim. That I did between the 26th day of May 1904 and the 6th day of June 1904, perform the discovery or location work required by the statutes of the state of Oregon, on said claim by running ten feet of tunnel; 3 rods of timbers and that said work was done on said claim within sixty days from the date of discovery thereof; and by said work there as disclosed a lode or vein of mineral deposit in place.

R. W. Henry, recorder
TO ALL WHO IT MAY CONCERN NOTICE IS HEREBY GIVEN that the undersigned
citizen of the United States over the age of twenty-one years and born on the 13th day of
April, 1904, discovered a vein or lode of mineral bearing rock in place bearing gold, silver,
and other precious and valuable metals and minerals within the limits of the claim hereby
located which we have this day and in accordance with the Revised Statutes of the United
States, Chapter 6, Title 32, named the Tiger Lode quartz mining claim

That the general strike or course of this vein or lode is easterly and westerly and
that we claim 1500 linear feet in length and 500 linear feet in width at the point of
discovery at which this notice is posted, together with 300 feet on each side of the center
of said vein. That said claim is located in the unknown Mining District, in Baker County, state
of Oregon, the discovery monument being placed at the east center end and said claim is more
particularly described and located by means of the natural objects and permanent monuments
hereinafter mentioned and is more particularly described by boundaries as follows, to wit:

Commencing at the point of discovery at which this notice is posted thence
commencing at the east and center stake which is at the discovery monument thence 300 ft.
north to N.E., thence 1500 ft. west to S.W., thence 500 ft. south to N. and center
thence 300 ft. S to S.W., thence 1500 ft. east to S.E., thence 300 ft. north to east and
center line of beginning; said claim is located in sec. 26 T. 9 S. R. 37 E.W.M. and adjoins
the Elephant Lode to the N. and we intend to hold and work said claim in accordance with the
local rules and customs of miners and mining laws of the United States and of the State of
Oregon. Dated on the ground the 13th day of Apr. 1904

TO ALL WHOM IT MAY CONCERN NOTICE IS HEREBY GIVEN that I, J. M. Doyle, a citizen of the United States over the age of twenty one years has on this 10th day of June, 1904, discovered a vein or lode of mineral bearing rock in place, bearing gold, silver and other precious and valuable metals and minerals within the limits of the claim hereby located which I have this day and in accordance with the revised statutes of the United States, Chapter 6, Title 32, named the Doctor quartz mining claim. That the general strike or course of this vein or lode is north east and southwest and that I claim 400 linear feet N.E. and 1100 linear feet S.W. of the point of discovery at which this notice is posted together with 300 feet on each side of the center of said vein. That said claim is located in the Cracker Creek Mining District, in Baker County, state of Oregon, the discovery monument being placed here, and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinafter mentioned and is more particularly described by boundaries as follows:

Commencing at the point of discovery at which this notice is posted thence bounded on the west by the Berth A on the east by the Gold Coin No. 6 beginning at the dis. thence 400 feet N.W. to N.W. and center thence 300 feet to N.W. Cor. No. 1, thence 1500 feet S.W. to S.W. cor. No. 2, thence 600 feet to S.W. cor. No. 3 thence 1500 feet to N.E. cor. No. 4, thence 300 feet to N. and center said claim is located a butt 5 1/2 miles from Sumpter north side of Powder River. And I intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the state of Oregon.

Dated on the ground the 10th day of June 1904
Discovered June 10th, 1904

NOTICE IS HEREBY GIVEN that I, A. Tyler, a citizen of the United States of America have discovered a vein or lode of mineral bearing rock in place, upon which at the point of discovery, I have posted this notice. In accordance with the laws of the United States and the state of Oregon, I hereby claim fifteen hundred linear feet of said vein or lode measured thereon as hereinafter set forth. The general course or strike of this vein or lode is north & south. I claim in length thereon 1500 feet 750 north and 750 feet south from the point of discovery at which this notice is posted and 300 feet on each side of the center or said lode or vein. Said lode or vein is situated in section 28 T 6 S R 45 E W M, Oregon in the Granite (unorganized) mining district in the county of Baker State of Oregon and said point of discovery at which this notice is posted is about 600 feet west from the 1/4 Section corner between Secs. 27 & 28 of said township & range and I have defined the boundaries of said claim so that they can be readily traced. It shall be known as the Van Winkle Extension lode, and this claim shall be known as the Van Winkle Extension Lode Claim, Said Discovery was made June 3rd 1904. Said claim is bounded and described as follows:

beginning at the NW corner of the Van Winkle quartz claim a tree blazed and marked for cor. thence westerly 500 feet to a fir 3 ft in diam. & blazed and marked for NW cor. thence southerly parallel with Van Winkle Claim lines 1500 feet to a fir 24 ins. broken off at top, blazed on 3 sides and marked for SW cor. thence easterly 600 feet to a fir 16 ins. in diam. on south side of the red jacket road; thence westerly to beginning.

Located this 3rd day of June 1904.

NOTICE IS HEREBY GIVEN THAT I, A. Tyler, a citizen of the United States having complied with the requirements of the laws of the United States and of the state of Oregon and the local customs, laws and regulations have located and claim by virtue of the original discovery and location and this amended certificate of location fifteen hundred linear feet on this the Kinehow lode of mineral bearing quartz and three hundred feet in width on each side of the center of said lode, together with all mineral deposits contained therein and all timber growing within the limits of said claim and all water and water privileges thereon or appurtenant thereto, This claim is situated in the granite Mining district, in the county of Baker, State of Oregon and is shall be known as the Kinehow Mining Claim.

The general course of said lode is north and south and I claim in length on said lode 1434 feet northerly and 66 feet southerly from the point of discovery at which point I have posted an original duplicate of this notice. I have marked the surface boundaries of this claim by placing substantial posts not less than four feet high and four inches in diameter at each corner and the center and lines of said claim bearing the name of the claim and the corner it represents and have cut the brush and marked and blazed the trees along the lines of said claim to indicate the location of said claims.

The surface boundary of this claim is particularly described as follows:

Beginning at the north end stake of the Van Winkle Quartz Mining Claim and running thence southeasterly 300 feet to northeast corner of Van Winkle Mining Claim (Mineral survey No. 591) thence northerly 1500 feet to stone monument 2 feet high and stake marked "W.W. corner Kinehow Quartz claim; thence northeasterly 600 feet to northeast corner a fir tree one foot in diameter blazed on three sides and marked "W.E. Corner Kinehow Quartz Mining Claim; thence southeasterly 1500 feet to northeast corner Van Winkle Claim (Mineral Survey No. 571) thence southerly 300 feet to the place of beginning situated in Secs. 21 & 28 T.6 S. of R. 45 E. W. M. And I intend to hold and work said above described claim as provided by the laws of the United States and of the state of Oregon.

This is an amended location of the Kinehow Claim discovered by me on the 1st day of June, 1904 and located on the 3rd day of June, 1904 and recorded on page 367 of Book "K" of Mining records of Baker County, Oregon I now being the owner of said claim and the original locator thereof. This amended certificate of location is made without waiver of any rights previously acquired by me by virtue of said original location, purchase and conveyance and for the purpose of correcting any errors in the original location, description or record of said claim and taking in of any additional ground which is subject to location and any part of any overlapping claim which has been abandoned.

This amended certificate dated this 24th day of June, 1904

R. W. Henry, Recorder
TO WHOM IT MAY CONCERN NOTICE IS HEREBY GIVEN That we, J.A. Nyquist and
A. Nyquist, citizens of the United States, over the age of twenty one years has on this __
day of 1904, discovered a vein or lode of mineral bearing rock in place bearing gold silver
and other precious and valuable metals and minerals within the limits of the claim hereby
located which has this day and in accordance with the revised Statutes of the United States
Chapter 6, Title 32, named the Golden Queen, quartz mining claim.

That the general strike or course of this vein or lode is north easterly and south westerly and that we claim 1500 linear feet north easterly and ___ linear feet of
the point of discovery at which this notice is posted together with 300 feet on each side of
the center of said vein. That said claim is located in the no organized mining district in
Baker County, State of Oregon, the discovery monument being placed 500 feet south from the
Big Elephant Mine, and said claim is more particularly described and located by means of the
Natural objects and permanent monuments heretofore mentioned and is more particularly
described by boundaries as follows, to wit:

Commencing at the point of discovery at which this notice is posted the northeasterly
running 300 feet south westerly; thence 1500 feet north easterly thence 500 easterly thence
1500 feet south westerly thence 300 westerly to the place of beginning; where this notice is posted
This claim is about 2 to 1/2 miles south east of Sumpter, and we intend to hold and work said
claim in accordance with the local rules and customs of miners and mining laws of the United
States of America.

H. W. Henry, Recorder
KNOW ALL MEN BY THESE PRESENTS that I, W.B. McDougall, citizen of the United States, having complied with all the requirements of the laws of the United States and the State of Oregon, relating to mining claims hereby make and file this amended location of the Copper Queen quartz mining claim, my right, of discovery location, prior appropriation and possession. Said amended location does not conflict with any mineral locations held by other parties, 1500 linear feet on this vein or lode bearing copper, gold and silver and other valuable minerals by 500 feet in width on each side of the center of said lode or vein, together with all dips, spurs and angles and all lodes or veins having a top or apex within these lines.

The location boundaries are described as commencing at the discovery stake and running 1100 feet in a northerly direction to the north center and line and 400 feet in a southerly direction thence.

The exterior boundaries are described as commencing at the north center and stake, and running 300 ft. in a westerly direction to the N.E. Cor. thence 1500 ft. in a southerly direction to the S.E. Cor. thence 300 W. to the S. center and stake; thence 500 ft. W. to the S.W. Cor. thence 1500 ft. W. to the N.W. Cor. thence 300 ft. E. to the N. center and stake and place of beginning. Said location being in no organized mining district but in Co. State of Oregon and more particularly described as being down Snake River about 2-1/2 miles below Ballard's Landing and said claim laps about 400 ft. west of said River and is bounded on the west side by the Bureks and on the north and by the Copper King Mineral Claims. The boundaries of said claim is marked and staked on the ground by stakes and monuments as required by law. This amended location is made for the purpose of more definitely describing the situation and correcting the errors and defects which have existed in the original location, date of original discovery August 11th, 1900, recorded the 22nd day of August 1900 in Book "H" page 309 records of quartz claims Union Co. Oregon date of amended location June 25, 1904.

TO ALL WHOM IT MAY CONCERN NOTICE IS HEREBY GIVEN that we, the undersigned citizens of the United States over the age of twenty one years hereon mentioned, on this 3rd day of May 1904 discovered a vein or lode of mineral bearing rock in place bearing gold, silver and other precious and valuable metals and minerals within the limits of the claim hereby located which we have this day and in accordance with the revised Statutes of the United States, Chapter 6 Title 32, named the Manfred quartz mining claim.

That the general strike or course of this vein or lode is easterly and westerly and that we claim 1500 linear feet easterly and westerly linear feet of the point at discovery at which this notice is posted together with 300 feet on each side of the center of said vein. That said claim is located in the mining district in County, State of Oregon, the discovery monument being placed 150 feet northerly from discovery cut and said claim is more particularly described and located by means of the natural objects and permanent monuments herewith mentioned and is more particularly described by boundaries as follows to wit:

Commencing at the point of discovery at which this notice is posted thence 300 ft northerly to N.W. corner then 1500 ft easterly to N.E. corner then 300 ft southerly to E. end center thence 300 ft southerly to S.E. corner thence 1500 ft westerly to S.W. corner then 300 ft northerly to W. end center place of beginning. Situated in S.E. 1/4 Sec. 26 T. 9 S. Range 37 E.

And I, W. H. Tully, intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and the State of Oregon.

Dated on the ground 3rd day of May, 1904.

R. W. Henry, Recorder
NOTICE IS HEREBY GIVEN that I, a citizen of the United States, have on this 27th day of May, 1904, discovered and located a vein of mineral-bearing rock in place carrying gold, silver, and other precious metals, which vein I have named the Porcupine Extension No. 1 Mining Claim.

The course of this vein is northeast and southwest and that I claim 1,500 feet of the discovery monument on which this notice is posted, and that I claim 300 feet on each side of the center of such vein.

That said claim is located in the organized Mining District of Baker County, Oregon, the discovery monument being placed _fest._ and is bounded and described as follows, to wit:

Commencing at the discovery monument then southwesterly about 200 feet to south center and stake, thence 300 feet east to south center and stake, thence 1,500 feet north to center and stake, thence 300 feet west to north center and stake, thence 1,500 feet east to center and stake, the place of beginning, the same is located on the east slope of Wind Creek and adjoining the Porcupine on the north.

R W Henry, recorder
NOTICE IS HEREBY GIVEN that I, Eugene Bartholf of Sumpter, Baker County, a citizen of the United States, on this 28th day of May, 1904, discovered and located a vein of mineral bearing rock in place carrying gold, silver, or other metals which vein I have named Side Issue. That the course of this vein is northeasterly and south westerly and that I claim 300 feet northeasterly and 1200 feet south westerly of the discovery monument on which this notice is posted and that I claim three hundred feet on each side of the center of the vein. That said claim is located in Cracker Creek Mining District, in Baker County, Oregon, the discovery monument being placed five hundred feet south westerly from the north east corner and is bounded and described as follows:

Commencing at the discovery monument thence five hundred feet north easterly to north east corner and stake, thence 300 feet south westerly to east corner stake, thence 1500 feet south westerly to south corner stake, thence 600 feet north westerly to west corner stake thence 1500 feet north easterly to north corner stake thence 300 feet south easterly to northeast corner and stake thence 500 feet south easterly to discovery monument and place of beginning, where this notice is posted on a tree. This claim joins the Ruby claim on the south east side and is a parallel vein.

Dated May 28, 1904

State of Oregon

Baker County

I, Eugene Bartholf, being first duly sworn, depose and say that I am the locator of the within named quartz mining claim which is located under the name of the "Side Issue" that I did between the 28th day of May, 1904, and the 5th day of July, 1904, the discovery work thereon as required by law of the state of Oregon by making an open cut at least ten feet long, four feet wide and six feet deep which work so done shows mineral bearing rock in place.

Eugene Bartholf

NOTICE IS HEREBY GIVEN that I, Walter Tschow, a citizen of the United States, have on this fourteenth day of July, 1904, discovered and located a vein of mineral bearing rock in place carrying gold and silver which vein I have named the Oberlin.

That the course of this vein is north east and southwest and that I claim fifteen hundred feet or less north east of the discovery monument on which this notice is posted and that I claim three hundred feet on each side of the center of the vein.

That said claim is located in no organized mining district Baker County, Oregon, the discovery monument being placed about twenty feet east from the east end line of the Mountain View extension claim and is bounded and described as follows:

Commencing at the discovery monument thence 20 feet west to the west center stake, thence 300 feet south to the southwest corner stake; thence 1500 feet east to the south east corner stake; thence 300 feet north to the north east corner stake; thence 1500 feet west to the north west corner stake; thence 300 feet south to first named corner stake; the said Oberlin is bounded on the south by the Sunset on the West by the Mountain View extension claim.

Dated July 14th 1904

Wm Phillips, Witness  Walter Tschow, Locator
H W Oakey  

State of Oregon  

County of Baker

I, Walter Tschow, being first duly sworn on oath depose and say that I am the locator of the claim described in the within notice of location of the Oberlin mining claim and that said notice is a full true and correct copy of the original notice of location posted on said claim.

That I did between the 14th day of July, 1904 and the 25th day of July, 1904 perform the discovery work required by the statutes of the state of Oregon on said claim by running a cut 4 feet wide 10 feet in length, 10 feet high where it exposes the ledge and said work was done on said claim within sixty days from the date of location thereof and there was thereby disclosed a lode or vein of mineral deposit in place.

Walter Tschow

TO ALL WHOM IT MAY CONCERN NOTICE IS HEREBY GIVEN THAT I, ROBERT F. EVANS, OF SUMPTER CITIZEN OF THE UNITED STATES OVER THE AGE OF TWENTY ONE YEARS HAVE ON THIS 21ST DAY OF JUNE 1904, DISCOVERED A VEIN OR LODE OF MINERAL BEARING ROCK IN PLACE BEARING GOLD, SILVER AND OTHER PRECIOUS AND VALUABLE METALS AND MINERALS WITHIN THE LIMITS OF THE CLAIM HEREBY LOCATED WHICH I HAVE THIS DAY AND IN ACCORDANCE WITH THE REVISED STATUTES OF THE UNITED STATES, CHAPTER 6, TITLE 32, NAMED THE LOST CABIN NO. 1 QUARTZ MINING CLAIM.

That the general strike or course of this vein or lode is south east and north west, and that I claim 1200 linear feet north west and 300 linear feet south east of the point at discovery at which this notice is posted together with 300 feet on each side of the center of said vein.

That said claim is located in the Minersville Mining District in Baker County, state of Oregon, the discovery monument being placed 300 feet northwest from the South Easterly center and post and said claim is more particularly described and located by means of the natural objects and permanent monuments heretofore mentioned and is more particularly described by boundaries as follows:

Commencing at the point of discovery at which this notice is posted thence

This claim is staked according to law and is located at the head of the easterly fork of miners Creek about 6 miles north east from McEwen on the south slope of the Blue Mountains and joins the Lost Cabin No. 2 on the northwest.

And I intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the state of Oregon.

Dated on the ground the 21st day of June, 1904.

WITNESSES:

T. J. McFerrin  
Robert F. Evans  
State of Oregon  
County of Baker

I, ROBERT F. EVANS, being first duly sworn say that I am the within named locator of the mining claim described in the within notice of the Lost Cabin No. 1 Quartz Mining Claim, and that the foregoing notice is a full true and correct copy of the original notice of location posted on said claim.

That I did between the 21st day of June, 1904 and the 8th day of August 1904 perform the discovery or location work required by the Statutes of the State of Oregon on said claim by an cut 10 ft. 6 ft deep at lowest point by 4 feet wide on the ledge and that said work was done on said claim within sixty days from the date of discovery thereof and by said work there was disclosed a lode or vein of mineral deposit in place after the purpose of holding said claim as required by law.

WHITE ROSE

NOTICE IS HEREBY GIVEN TO ALL WHOM IT MAY CONCERN that I, C G Green, a
citizen of the United States over the age of twenty one years having discovered a vein or
lode of quartz or rock in place bearing gold, silver and other valuable minerals within
the limits of the claim hereby located and have this day under and in accordance with the
Revised Statutes of the United States, Chapter Six, Title Thirty two, located 1500 linear
feet of this vein or lode with surface ground include 600 feet in width situated in no
Mining District County of Baker, State of Oregon, and known as the White Rose Quartz mining
claim, extending 1400 feet south westward to the S W end line and 100 feet north eastward
to the east end line from this notice at the discovery or prospect shaft which is 100 feet
east from east line center stake. The exterior boundaries of this claim being distinctly
marked by reference to some natural object or permanent monument and more particularly
described as follows to wit:

The boundary line commences at the east end line center stakes and runs 300
feet northward to the north east corner stake thence 1500 feet south west to the north
west corner stake; thence 600 feet to the south west corner stake thence 1500 feet north
eastward to the south east corner stake; thence 300 feet back to the place of commencement
and termination thereof and the general strike and course of the ledge is running in
a south west direction as near as can be determined and the above described claim is located
in Lost Basin and the east end over lode on a placer claim known as Clondike No 1 owned
by C G Green. And I intend to work and hold said claim as provided by local customs and
rules of miners and mining statutes of the United States.

NOTICE OF HEREBY GIVEN that P P Bunn, citizens of the United States hereby
make and amended location of the great Western quartz mining claim, certifying as follows

That on the 12th day of January, 1900 vein or lode of rock bearing gold and
silver and other deposits of value was discovered within the limits of said claim by Mary
Pinn and W W Eames who thereupon located said claim, and marked the same upon the ground
and posted thereon a location notice, a copy of which was filed for record and recorded in the
office of the County Clerk of Baker County, Oregon in Vol "H" of Mining Records on page
513. That the same given to said claim in said original location and the same given in it
by this amended location is the Great Western quartz mining claim. That there is claimed
by the amended location, 1491.2 feet along said vein or lode the same being 14 31.2 feet
in a south westerly direction from said discovery point where this notice is posted and 50
feet in a north easterly direction from said discovery point with 300 feet on each side
of said vein or lode. That the general strike or course of said vein or lode is N 72° 21'
E. from the center and post on said claim, the location of which is fixed in the description
of said claim as herein set forth.

That said claim is situated in the County of Baker and state of Oregon and
is marked on the ground and described as follows hereafter:

Beginning at cor Sec No.1. whence the N E cor Sec 20 Tp 9 S R 37 E bears
S. 23° 45' E. 1675.1 ft thence S 72° 21' W. 1491.2 ft to cor No.2. thence N. 29° 49' W.
2320 ft to west center post; thence N 29° 49' W. 300 ft to cor No.3. thence S 72° 21' E.
1491.2 ft to cor No.4. thence S. 29° 49' E. 300 ft to east center post; thence S. 29° 49'
E. 2320 ft to cor No.1. the place or beginning. Each of said corners and the center ends
of said claim being marked on the ground by posts not less than four (4) inches square
and extending three (3) feet above the surface of the ground.

That the said P P Bunn, are the owners of said claim by means of convenience
from said locators thereof and make this amended location for the purpose of more definitely
and more particularly describing said lode, and designating the exterior boundaries of said
claim, on this amended location is made without waiver of any rights acquired under said
original location as herebefore existing in favor of said locator or said parties above
mentioned. Dated and posted on the ground this 13th day of August A.D. 1904

Notice of Lode or Quartz Location

TO ALL WHOM IT MAY CONCERN: NOTICE IS HEREBY GIVEN that I, C A Burkhart citizen of the United States over the age of twenty-one years, have on this 30 day of June 1904 discovered a vein or lode of mineral bearing rock in placer bearing gold, silver and other precious and valuable metals and minerals within the limits of the claim hereby located, which I have this day and in accordance with the Revised Statutes of the United States, Chapter 6, Title 32, named The Ashland Group Fraction Quartz Mining Claim.

That the general strike or course of this vein or lode is N Ew and Southwesterly course and that I claim only a fraction of a claim of the point at discovery at which this notice is posted on this vein.

That said claim is located in the Cracker Mining District, in Baker County, State of Oregon, the discovery monument being placed 20 feet from discovery and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinafter mentioned, and is more particularly described by boundaries as follows, to-wit:

Commencing at the point of discovery at which this notice is posted, thence joins the Robbin Claim on the West and the first chance claim on the North and the Ashland on the South bounded to the Ancoor claim about 1.4 mile East of Cracker Creek and about 4 1-2 miles Northerly from Ancoor.

And I intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the State of Oregon.

Dated on the ground the 30 day of June 1904.

Discovered 30 day of June 1904

Witnesses:

R W Henry, Recorder
TO ALL WHOM IT MAY CONCERN: NOTICE IS HEREBY GIVEN that I, Minnie E Evans of
Shipton, citizen of the United States, over the age of twenty-one years, has this 11th day
of July 1904 discovered a vein or lode of mineral bearing rock in place bearing gold, silver
and other precious and valuable metals and minerals within the limits of the claim hereby
located, which I have this day and in accordance with the Revised Statutes of the United
States, Chapter 6, Title 30, named The Minnie No 2 Quartz Mining Claim.

That the general strike or course of this vein or lode is Southeast and Northwest and
that I claim 1425 linear feet Northwest and 75 linear feet S East of the point of discovery
of which this notice is posted, together with 300 feet on each side of the center of said
vein.

That said claim is located in the Minersville Mining District, in Baker County,
State of Oregon, the discovery monument being placed 75 feet N West from the Southeast center
end post and said claim is more particularly described and located by means of the natural
objects and permanent monuments hereinafter mentioned, and is more particularly described by
boundaries as follows, to-wit:

Commencing at the point of discovery at which this notice is posted, thence this
claim is bounded on the Northwest by the Snow Storm Quartz Claim and on the Southeast by the
Minnie No 1, on the Westerly Fork of Minne Creek and about 1 mile from the Town of
Minersville;

And I intend to hold and work said claim in accordance with the local rules and
customs of miners and mining laws of the United States and of the State of Oregon.

Dated on the ground the 11 day of July 1904

Witnesses:
Robert P Evans
J McWatty

State of Oregon)

County of Baker)

I, Minnie E Evans being first duly sworn, say that I am the original locator
of the Mining Claim described in the within notice of the Minnie Number Two Quartz Claim
Quartz Mining Claim, and that the foregoing notice is a full, true and correct copy of the
original notice of location posted on said claim.

That I did between the 11th day of July 1904 and the 11th day of August 1904 per-
form the discovery or location work required by the statutes of the State of Oregon on said
claim by one open cut ten feet long, four feet wide and six feet deep and that said work
was done on said claim within sixty days from the date of discovery thereof, and by
said work there was disclosed a lode or vein of mineral deposit in place.

R. W. Henry, Recorder
In the matter of the Yellow Boy Lode Mining Claim, Location Notice of which is recorded in Volume "M" at page 390, of Records of Quartz Locations in the office of the County Recorder of Deeds of Baker County, Oregon.

State of Oregon

County of Baker

I, M A Mitchell, being first duly sworn, do depose and say: I am the owner of an undivided one-third interest in and to the Yellow Boy Lode Mining Claim situate in no organized mining district in Baker County, Oregon, the Location Notice of which lode mining claim may be found in Volume "M" page 390, of the records of Quartz Locations in the office of the recorder of deeds in and for Baker County, Oregon: That during the month of December, 1903, and a portion of January, 1904, I caused one hundred dollars worth of work to be done as the annual assessment work for 1904 upon the said Yellow Boy Lode Mining Claim, and that the same work was done by Harry Griffith and Guy Lincoln, under my pay and direction. That one Rose Bakeman during the year of 1903 owned an undivided one-sixth interest in and to said Yellow Boy Lode Mining Claim, and one A H Johnson, for the year 1903 owned an undivided one-half interest in and to said Yellow Boy Lode Mining Claim: That I paid for the said Rose Bakeman for the annual assessment work done for the year 1903 to the said Harry Griffith and Guy Lincoln the sum of $16.66, and paid to the said Harry Griffith and Guy Lincoln for and on behalf of the said A H Johnson for his proportion of the said annual assessment work for an undivided one-half interest in and to the said Yellow Boy Lode Mining Claim the sum of Fifty Dollars: That said Rose Bakeman and said A H Johnson have not repaid me any portion of the aforesaid sums and have failed to contribute any part thereof. I further depose and say that I caused a publication of a notice of forfeiture for failure to pay or contribute for the annual assessment work on the Yellow Boy Lode Mining Claim for the year 1903, directed to the said Rose Bakeman and said A H Johnson, to be published in the "Maines Record" a newspaper of general circulation in Baker County, Oregon, which said paper was located and published nearest the said Yellow Boy Lode Mining Claim and which said notice, together with the affidavit of the publisher of the said "Maines Record" is hereby attached to and made a part of this affidavit.

M A Mitchell

Subscribed and sworn to before me this 9th day of September, 1904

Notice of Forfeiture.

To Rose Bakeman and A H Johnson:

You are hereby notified that I have expended during the year 1903 one hundred dollars in labor and improvements upon the "Yellow Boy" quartz mining claim, in no organized mining district, county of Baker, State of Oregon, the location notice of which is recorded in volume "M" at page 390 in the office of the recorder of Baker County Oregon in order to hold said Yellow Boy lode claim under the provisions of section 2329 of the revised statutes of the United States and the amendment thereto approved January 22, 1890, and an act of the legislative assembly of the State of Oregon approved February 26, 1903, concerning annual labor upon mining claims, said one hundred dollars being the amount required to hold said lode claim for the period ending on the 31st day of December 1903, and if within ninety
days from personal service of this notice, or within ninth days after the date of last
publication thereof you fail or refuse to contribute your proportion of such expenditure
as a co-owner your interest in said loss claim will be forfeited to and become the property
of the subscriber. That this proportional amount due for said expenditure from Rose Bahan
is $16.66 and from said A H Johnson $50. That said one hundred dollars expenditure was made
between the 25th day of December 1903 and the 20th day of January 1904, and that the amount
of work done was one hundred dollars. That the labor so performed was done by Ray Lincoln
and Harry Griffith

W A Mitchell

Dated at Baker City Oregon this 18th day of February 1904

I, W D Nelson being first duly sworn, say that I am Publisher of the Haines
Record, a weekly newspaper published at Haines Baker County Oregon and of general circulation.
That the notice of forfeiture hereto attached was published in each and every
issue of said paper for 14 full weeks, making 15 publications commencing with the issue of
Feb 20 1904 and ending with the issue of May 28 1904: That the said notice of forfeiture
was published in the regular issues and not in supplement thereto.

H W Henry, Recorder
Notice is hereby given that I, H T Hendryx, a citizen of the United States, over
the age of twenty-one years, having on the 1st day of September 1904, discovered a vein or
lode of mineral bearing rock in place within the limits of the claim hereinafter described,
do hereby locate a quartz mining claim under the laws of the United States, the name of
which is the "Independence" quartz mining claim.

That there is claimed by this location along said vein or lode 1484.8 feet, ex-
tending 1474.8 feet southeasterly from the discovery on this claim where this notice is
posted, and ten feet north easterly from said discovery with surface ground 292.3 feet in
width on each side of said vein or lode.

That the general course or strike of said vein or lode is southeasterly from the
northerly center end post on said claim, the location of which is hereinafter set forth.

That said claim is situated in the Rock Creek district, Baker County, Oregon, and is
marked on the ground and described as follows:

Commencing at Corner No 1 of said claim, from whence United States Mineral Mon-
ument No 2, bears South 59° 40' West 5147.7 feet; running thence North 72° 26' East 1484.8 fee
to corner No 2; thence North 5° 49' W 292.3 feet to the northerly center post which is North
72° 26' East ten feet from the discovery point on said claim where this notice is posted;
thence North 5° 49' West 292.3 feet to corner No 3; thence South 72° 26' West 1484.8 to
Corner 4; thence south 5° 49' East 292.3 feet to the southerly center end post; thence South
5° 49' East 292.3 feet to the place of beginning, all of said corners and center ends being
marked by posts not less than four inches in diameter and extending three feet above the
ground.

R W Henry, Recorder
Amended Location of the Victor Quartz Mining Claim

Notice is hereby given: That the undersigned citizen of the United States, hereby makes an amended location of the Victor quartz mining claim, certifying as follows:

That on the 16th day of June 1904, a vein or lode of rock in place bearing gold, silver and other deposits of value was discovered within the limits of said claim by J. O. Mather, who thenceupon located said claim and marked the same upon the ground and posted therein a notice of location, a copy of which notice was filed for record in the office of the County Recorder of Baker County, Oregon, in Vol. "D" at page 476 records of quartz locations.

That the name given to said claim by said original location and this amended location is the Victor quartz mining claim.

That there is claimed by this amended location 1481.8 feet along said vein or lode, the same being 1471.8 feet northerly from said discovery point where this notice is posted and ten feet north southerly from said discovery point with 300 feet on each side of said vein or lode.

That the general course or strike of said vein or lode is northerly from the southerly center and post on said claim, the description of which is fixed in the description of said claim as hereinafter set forth.

That said claim is situated in the Rock Creek district, unorganized in Baker County, Oregon, and is marked on the ground and described as follows, to wit:

Beginning at Cor No 1 from Whence U. S. Mineral Monument No 7 situate on North Pole mountain, county and state aforesaid, bears South 60° 17' West 5272.8 feet distant; thence South 86° 48' E 1481.8 feet to cor No 2; thence North 86° 48' E 300 feet to South Easterly center and post, from which the point of discovery is North 86° 48' East ten feet where this notice is posted; thence N 19° 17' W 300 feet to cor No 3; thence North 86° 48' West 1481.8 feet to corner No 4; thence South 19° 17' East 300 feet to northwesterly center and post; thence S 19° 17' East 300 feet to cor No 1 the place of beginning.

Each of said corners and the center ends of said claim being marked on the ground by posts not less than four inches square and extending three feet or more above the surface of the ground.

That the undersigned owner of said claim makes this amended location for the purpose of more particularly and definitely describing said lode, and designating the exterior boundaries of said claim and is made without waiver of any rights acquired under said original location or heretofore existing.

Dated and posted on the ground this 16 day of September 1904

We, G. R. Symes and W. S. Bailey being each first duly sworn, say:— That between the 22nd day of August 1904 and the 18th day of September 1904, we performed not less than One Hundred Dollars worth of work and labor on each of the following described quartz mining claims situate in the Cable Cove Mining District, in Baker County, Oregon, to wit:— The Midnight and the Black Dwarf quartz mining claims.

That said work consisted of continuing shafts on each of said claims. That said work consisted of continuing the shaft on said Midnight claim to a depth of six feet, and on the said Black Dwarf to a depth of four feet beyond the points reached by said shafts before said work was commenced. That the sinking of said shaft on said Midnight claim was reasonably worth twenty five dollars per foot, and on said Black Dwarf claim was reasonably worth Thirty Dollars per foot, and all of said work was reasonably worth Two Hundred and Seventy Dollars.

That all of said work so done on each of said claims was done at the request of and for the benefit of Robert O Deming, one of the owners of said mining claims, and all of said work was done at the expense of said Robert O Deming, and was done as for the annual assessment work for the year 1904.

R W Henry, Recorder
TO ALL WHOM IT MAY CONCERN NOTICE IS HEREBY GIVEN that I, Robert F. Evans of Sumpter, citizen of the United States, over the age of twenty-one years, have on this 28th day of July 1904 discovered a vein or lode of mineral bearing rock in place, bearing gold, silver and other precious and valuable metals and minerals within the limits of the claim hereby located, which I have this day and in accordance with the Revised Statutes of the United States, Chapter 6, Title 32, named The Lost Cabin No. 3 Quartz Mining Claim.

That the general strike or course of this vein or lode is north-east and south-west and that I claim 1200 linear feet N E and 300 linear feet S W of the point at discovery at which this notice is posted, together with 300 feet on each side of the center of said vein.

That said claim is located in the Minersville Mining District, in Baker County, State of Oregon, the discovery monument being placed 300 feet N E from the southeast center and stake, and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinafter mentioned, and is more particularly described by boundaries as follows, to-wit:

Commencing at the point of discovery at which this notice is posted, thence this claim joins the Lost Cabin No. 2 on the N E and the War Eagle Quartz Mining Claim on the S W and is staked according to law and is located on the easterly fork of Miners Creek about 6 miles from McEwen.

And I intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the State of Oregon.

Dated on the ground the 28th day of July 1904

Robert F. Evans, Locator

State of Oregon

as

County of Baker

I, Robert F. Evans being first duly sworn, say that I am the locator of the mining claim described in the within notice of the Lost Cabin No. 3 Quartz Mining Claim, and that the foregoing notice is a full, true and correct copy of the original notice of location posted on said claim.

That I did between the 28th day of July 1904 and the 24th day of September 1904 perform the discovery or location work required by the statutes of the State of Oregon on said claim by an open cut 10 feet long on the ledge 4 feet wide & 6 feet deep as required by law, and that said work was done on said claim within sixty days from the date of discovery thereof, and by said work there was disclosed a lode of vein of mineral deposit in place.

R. W. Henry, Recorder
TO ALL whom it may concern: NOTICE is hereby given that I, Robert F. Evans, of Sumpter, citizen of the United States, over the age of twenty-one years, have on this 26th day of July, 1904, discovered a vein or lode of mineral bearing rock in place, bearing gold, silver and other precious and valuable metals, and minerals within the limits of the claim hereby located, which I have this day and in accordance with the Revised Statutes of the United States Chapter 6 Title 32, named the "Lost Cabin No. 2", quartz mining claim.

That the general strike or course of this vein or lode is northwest and southeast, and that it begins 1400 linear feet N West and 100 linear feet south east of the point at discovery at which this notice is posted, together with 500 feet on each side of the center of said vein.

That said claim is located in the Minersville Mining District, in Baker County, State of Oregon, the discovery monument being placed 100 feet northeast from the southeast corner of said claim, and is more particularly described and located by means of the natural objects and permanent monuments hereinbefore mentioned, and is more particularly described by boundaries as follows, to wit:

Commencing at the point of discovery at which this notice is posted; thence this claim joins the Lost Cabin No. 1 on the northwest, and is staked according to law and is located on the head waters of the Easterly fork of Miners Creek and is about 6 miles from McEwen and on the south slope of the Blue Mountains.

And I intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the State of Oregon.

Dated on the ground the 26th day of July, 1904.

Robert F. Evans

State of Oregon
County of Baker

I, Robert F. Evans, being first duly sworn, say that I am the locator of the mining claim described in the within notice of the "Lost Cabin No. 2" quartz mining claim, and that the foregoing notice is a full, true and correct copy of the original notice of location posted on said claim.

That I did, between the 26th day of July, 1904 and the 24th day of Sept., 1904 perform the discovery or location work required by the statutes of the State of Oregon on said claim by an open cut ten feet long on the ledge & 4 ft wide & 6 ft deep as required by law and that said work was done on said claim within sixty days from the date of discovery thereof and by said work there was disclosed a lode or vein of mineral deposit in place.

R. W. Henry, Recorder
NOTICE IS HEREBY GIVEN that the undersigned citizens of the United States, having complied with the requirements of Chapter VI, Title 32, of the Revised Statutes of the United States and the laws of the State of Oregon, have, this 13th day of Aug A D 1904, located a Quartz Mining Claim upon this vein or lode or other mineral-bearing rock in place, bearing gold, silver, copper and other valuable metals and deposits.

Said claim is hereby named the Key quartz Mining Claim, and is situated in Granite Mining District, Baker County, State of Oregon.

Said location is marked and described on the ground as follows, to-wit:

Beginning at the Notice, point of Discovery, thence 800 feet in a westerly direction to West Center End Stake 4 inches in diameter and four feet above ground marked West Center End; thence 300 feet northerly to the N W corner Stake, and 4 inches in diameter and four feet above ground and marked northwest corner; thence 1500 feet in an easterly direction to the northeast corner Stake, 4 inches in diameter and four feet above ground and marked northeast corner; thence in a southerly direction, 300 feet to the East Center End Stake 4 inches in diameter and four feet above ground, marked the East Center End; thence on same course 300 feet to the southeast corner Stake, 4 inches in diameter and four feet above ground, marked southeast corner; thence 1500 feet in a westerly direction to the southwest corner stake, 4 inches in diameter and four feet above ground, and marked southwest corner; thence 300 feet to the Center End aforesaid. On all Corner and Center End Stakes mentioned above and used in making the boundaries of this claim is also written or posted the name of the claim, the name of the locator and the date of location.

Discovery of this claim was made by the undersigned on the 13th day of Aug A D 1904.

From this point of discovery and along this ledge, the undersigned claims Eight Hundred feet in a westerly direction and 700 feet in an easterly direction, and on the north side of the middle of said ledge 300 feet and on the south side thereof 300 feet.

The course or strike and direction of the vein ledge or lead is easterly and westerly.

For further identification and description by reference to a natural object and permanent monument this claim is described as being on Comundrum Creek about half a mile southeast of what is known as Comundrum Mountain and about two miles south of the Granite, adjoining the Monitor quartz claim on its east side line.

Miles Edwards
B F Jones
Locators:

State of
County of Baker,

I, Miles Edwards, being first duly sworn, depose and say, that I am the agent and one of the locators named in the notice of location, of which the foregoing is a true copy, and that before the expiration of sixty days from the date of posting said notice, to-wit, between the 13th day of August 1904 and the 24th day of Sept 1904, I performed the following location work, upon the claim therein described, to-wit:

That I uncovered an open cut 10 feet in length 6 feet deep and four feet wide along the vein, that said work was performed in a miner like manner for the purpose of holding said claim under the provisions of the laws of the state of Oregon and the statutes of the United States.

Miles Edwards

Notice is hereby given that we Thomas Thomas and G W Allen, citizens of the United States, over the age of twenty-one years, having discovered a vein or lode of mineral bearing rock in place within the limits of the claim hereinafter described, do hereby locate a quartz mining claim under the laws of the United States, certifying as follows:

The name of said claim and by which it shall be known is the "Sunster" quartz mining claim.

That there is claimed by this location along said vein or lode 1500 feet, the same extending 300 feet northerly from the discovery point where this notice is posted, and 1200 feet southerly from said discovery point, with 300 feet surface ground on each side of said vein or lode.

That the general course or strike of said vein is southerly from the northerly center end post on said claim, the location of which is fixed in the description of said claim as hereinafter set forth, said claim being situated on Slide Gulch in what is known as the Simler Creek mining district, (un-organized) in Baker County, Oregon, adjoining the Jay Gould quartz claim on the northerly end thereof, and is described as follows:

Beginning at Cor No 1, being the southeast corner of the claim, and which is identical with the northeast corner of the Jay Gould Claim; thence northerly 1500 feet to Cor No 2, the northeast corner of the claim; thence westerly 300 feet to the northerly center end post; thence westerly 300 feet to Cor No 3, the northwest corner of the claim; thence southerly 1500 feet to Cor No 4; thence easterly 300 feet to the southerly center end post identical with northerly center end post of Jay Gould claim; thence easterly 300 feet to Cor No 1, the place of beginning, all of said corners and center ends being marked by posts not less than four inches square and extending three feet above the ground.

Dated on the ground this 19th day of September 1904.

Thomas Thomas
G W Allen

State of Oregon
County of Baker

I, Thomas Thomas, being first duly sworn, on oath depose and say: That I am a citizen of the United States over the age of 21 years; That I am one of the locators of the Sunster quartz mining claim described in the within notice of location; that the above notice is a true copy of the notice of location of said claim posted on the ground.

That since the location of said claim and prior to this date I performed the discovery work required by the laws of the United States which consisted in running an open cut along the ledge on said claim ten feet in length and sinking at the bottom of said cut at its face about five feet, making a cut about 14 feet long, four feet wide and 15 feet deep at the face and that there was disclosed thereby a ledge of mineral bearing rock in place.

Thomas Thomas

Subscribed and sworn to before me this 20th day of September 1904.

R W Henry, Recorder
Notice is hereby given, that the undersigned having complied with the requirements of Chapter Six of Title thirty-two of the Revised Statutes of the United States, has this day located 1500 linear feet of this lode, vein or ore body containing Mineral, with surface ground 600 feet in width situated in Riverside mining district (unorganized), Baker County, Oregon, and to be known as the "Brant Point Quartz Claim" and more fully described as follows: Commencing at this location notice and stake on shaft on lode, and running 200 feet northerly to N C E stake; thence 300 feet westerly to N W C stake; thence 1500 feet southerly to S W C stake; thence 300 feet easterly to S C E stake; thence on easterly 300 feet to S E C stake; thence northerly 1500 feet to N E C stake; thence westerly 300 feet to N C E stake. Some of the surface ground on the east overlaps onto some of the west surface ground of the Spotted Horse location.

I don't get full width of surface ground on the east, therefore the Brant Point surface ground is a fraction. I located and recorded some of this surface ground about twelve years ago, but I don't remember the name of the location and my old records are not at hand for reference. The old location was about 350 feet northwest of the Brant Point ore body.

NOTICE IS HEREBY GIVEN that the undersigned citizens of the United States, having complied with the requirements of Chapter 6 Title 32 of the Revised Statutes of the United States and the local laws and customs of this District, have this day of July A.D. 1904, located a Quartz Mining Claim upon this vein or lode or other mineral-bearing rock in place, bearing gold, silver, copper and other valuable metals and deposits.

Said claim is hereby named the Unknown Quartz Mining Claim, and is situated in Granite Mining District, Baker County, State of Oregon. Said location is marked and described on the ground as follows, to-wit:

Beginning at this notice, point of Discovery, thence 400 feet in a northerly direction to North Centre end, Monument built of stone 12 inches in diameter and four feet above ground marked North Centre End; thence 300 feet to the N.E. corner Monument built of stone and 12 inches in diameter and four feet above ground and marked N.E. corner; thence 1500 feet in a southerly direction to the S.E. corner, Monument built of stone 12 inches in diameter and four feet above ground and marked S.E. corner; thence 300 feet in a westerly direction to the South Centre End Monument built of stone 12 inches in diameter and four feet above ground, marked the south centre and; thence on same course 300 feet to the S.W. corner, Monument built of stone 12 inches in diameter and four feet above ground, marked S.W. corner; thence 1500 feet in a northerly direction to the N.W. corner, Monument built of stone 12 inches in diameter and four feet above ground, and marked N.W.; thence 300 feet to the north centre and aforesaid.

Discovery of this claim was made by the undersigned on the 10th day of July A.D. 1904

From this point of discovery and along this ledge, the unmarked claims 400 feet in a northerly direction, and 1100 feet in a southerly direction, and on the east side of the middle of said ledge 300 feet, and on the west side thereof 300 feet.

The course or strike and direction of the vein, ledge, brode or lead in a little east of north, and west of south.

For further identification and description by reference to a natural object and permanent monument this claim is described as being one quarter of a mile west from the spring on the head of Little Eagle Creek and joins the Summit quartz claim on the north.

R W Henry, Recorder
NOTICE TO REPLY GIVEN That the undersigned citizen of the United States, having complied with the requirements of Chapter 6 Title 32 of the Revised Statutes of the United States and the local laws and customs of this District, have this 10th day of July A D 1904 located a Quartz Mining Claim upon this vein or lode or other mineral bearing rock in place, bearing gold, silver, copper and other valuable metals and deposits.

Said claim is hereby named the "Summit" Quartz Mining Claim, and is situated in Granite Mining District, Baker County, State of Oregon.

Said location is marked and described on the ground as follows, to wit:

Beginning at this notice, point of discovery; thence 750 feet in a northerly direction to north centre end Monument built of stone 12 inches in diameter and four feet above ground marked north centre end; thence 300 feet to the N E corner Monument built of stone 12 inches in diameter and four feet above ground and marked N E corner; thence 1500 feet in a southerly direction to the S E Monument built of stone 12 inches in diameter and four feet above ground and marked S E corner; thence in a westerly direction 300 feet to the South Centre End Monument built of stone 12 inches in diameter and four feet above ground, marked the South Centre End; thence on same course 300 feet to the S W corner, Monument built of stone 12 inches in diameter and four feet above ground, marked S W corner; thence 1500 feet in a northerly direction to the N W corner Monument built of stone 12 inches in diameter and four feet above ground, and marked N W corner; thence 300 feet to the North Centre End aforesaid.

Discovery of this claim was made by the undersigned on the 10th day of July A D 1904. From this point of discovery and along this ledge, the undersigned claims 750 feet in a northerly direction and 750 feet in a southerly direction, and on the east side of the middle or said ledge 300 feet, and on the west side thereof 300 feet.

The course or strike and direction of the vein, ledge, lode or lead is a little east of north and west of south.

For further identification and description by reference to a natural object and permanent monument this claim is described as being on the summit of the Granite Mountain and joins the Unknown Quartz Claim on the south.

R W Henry, Recorder
TO ALL WHOM IT MAY CONCERN, Notice is hereby given that Charles C Hall, citizen or the United States, over the age of twenty-one years, has on this 23 day of August 1904 discovered a vein or lode of mineral bearing rock in place bearing gold, silver and other precious and valuable metals and minerals within the limits of the claim hereby located, which has this day and in accordance with the Revised Statutes of the United States, Chapter 6 Title 32, named The Tuesday Quartz Mining Claim.

That the general strike or course of this vein or lode is northeast and southwest and that I claim 500 linear feet southwest and 1000 linear feet northeast of the point of discovery of which this notice is posted, together with 300 feet on each side of the center of said vein.

That said claim is located in the Cracker Creek Mining District, in Baker County, State of Oregon, the discovery monument being placed 20 feet southwest from discovery post, and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinafter mentioned, and is more particularly described by boundaries as follows, to-wit:

Commencing at the point of discovery at which this notice is posted; thence this claim is situated on the east side of Silver Creek about 1-1/2 miles N W of Hanover and 1/4 mile N W of Mountain Bell Claim. This is a relocation of the claim formerly known as the Free Courage Quartz Claim.

And I intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the State of Oregon.

Dated on the ground the 23 day of August 1904

Located August 23 1904

Charles C Hall, Locator

State of Oregon

County of

I, Charles C Hall being first duly sworn, say that I am locator of the Mining Claim described in the within notice of the Tuesday Quartz Mining Claim, and that the foregoing notice is a full, true and correct copy of the original notice of location posted on said claim.

That I did between the 23 day of August 1904 and the 20 day of Sept 1904 perform the discovery, or location work required by the statutes of the State of Oregon on said claim by driving a drift or cross cut from main tunnel to ledge or vein. Said work being done between the 4th and 5th Set of timbers. This tunnel is first above boarding house and that said work was done on said claim within sixty days from the date of discovery thereof, and by said work there was disclosed a lode or vein of mineral deposit in place

Notice is hereby given that E P Bergman, a citizen of the United States, hereby makes an amended location of the "Mastodon" Quartz Claim certifying as follows:

That a vein or lode of rock in place bearing gold and silver and other minerals of value was discovered within the limits of said claim, by K. Karlson & S. P. Jones, on the 12th day of Sept 1899 and said claim was located by said Karlson & Jones on the 16th day of Sept 1899 and a copy of the notice of location was recorded on the 11th day of October 1899 4 P.M. in the office of County Recorder in Baker County, Oregon, in Vol N of Mining Records on Page 12.

That the name given to said claim by said original location was the Mastodon Quartz Mining Claim, and such is the name given to it by said amended location.

That there was claimed by said original location 1500 linear feet of said lode or vein or surface ground 600 ft. in width.

That there is claimed by this amended location 750 ft. along said lode, or vein the same extending S 43° W 1300 ft. from the discovery point where is posted a copy of this notice, and N 43° E 200 ft. from said discovery with surface ground 300 ft. in width on each side of said lode or vein.

That said claim is a part of the Ole Bull Consolidated Mining Claim and is marked on the ground and described as follows:

Beginning at corner No 1 and running thence S 43° W 1500 ft to Cor 2, thence N 47° W 600 ft to Cor 3 and Cor 2 of Ole Bull quartz claim; thence N 43° E 1500 ft to Cor 4 and corner 1 of Ole Bull; thence S 47° E 600 ft to Cor 1 place of beginning.

That this amended location is made for the purpose of more particularly describing said lode and designating the exterior boundaries of said claim, and is made without waiver or any of the rights acquired under the original location.

Dated and posted on the ground this 6th day of Oct 1904.

Filed for record Oct 8 1904 at 2 P.M.

R W Henry, Recorder
Notice is hereby given that E P Bergman, a citizen of the United States, hereby makes an amended location of the Margarett Quartz Claim certifying as follows:

That a vein or lode of rock in place bearing gold, silver and other minerals of value was discovered within the limits of said claim by E E Hale on the 22d day of Sept, 1899, and said claim was located by said E E Hale on the 32d day of Sept, 1899, and said claim was located by said E E Hale on the 14th day of April, 1900, and a copy of said location notice was recorded on the 14th day of May, 1900 in the office of County Recorder in Baker County, Oregon, in Vol 3 of Mining Records, on page 99.

That the name given to said claim by said original location was the "Verde" Quartz Claim, and that the name given by this amended location is the "Margarett" Quartz Claim.

That there was claimed by said original location 5000 linear feet of said lode or vein with surface ground 600 feet in width.

That there is claimed by this amended location 1370.48 ft along said lode or vein, the same extending S 43° W 667.2 ft from the discovery point and N 43° E 683.2 ft to N E Center End post, where is posted a copy of this notice with 300 ft on each side of said lode or vein.

That said claim is a part of the Ole Bull Consolidated Mining Claim, and is marked on the ground and described as follows:

Beginning at Cor No 1, identical with Cor 3 of the Dollie Quartz Claim and Cor 4 of the Tor, and running thence S 43° W 1370.48 ft to Cor 2, thence N 47° W 600 ft to Cor 3, thence N 43° E 1370.48 ft to Cor 4 and Cor 3 of the Dollie Quartz Claim, thence S 47° E 600 ft to Cor 1, the place of beginning.

That this amended location is made for the purpose of more particularly describing the lode, and designating the exterior boundaries of said claim, and is made without waiver or of any rights acquired under the said original location.

Dated and posted on the ground this 6th day of Oct, 1904

R W Henry, Recorder
Notice is hereby given that E P Bergman a citizen of the United States, hereby
makes an amended location of the Verma Quartz Claim, certifying as follows:

That a vein or lode of rock in place bearing gold and silver and other minerals of
value, was discovered within the limits of said claim by K Karlson on the 21st day of May
1900, and said claim was located by said K Karlson on the 21st day of May 1900, and a copy of
said notice of location was recorded on the 4 day of May 1900, the office of County Recorder of
Baker County Oregon, in Vol. 6 of Mining records, on page 357.

That the name given to said claim by the original location was the Margarett Quartz
Claim, and the name given said claim by this amended location is the Verma Quartz Claim.
That there was claimed by the original location 1500 linear feet of said lode or vein, with
surface ground 600 ft, in width.

That there is claimed by this amended location 1370.48 ft along said lode or vein,
the same extending S 43° W 1130.48 ft from the discovery cut where is posted a copy of this
notice, and N 43° E 240 ft to the NE Center Post with 300 ft on each side of said lode or vein.

That said claim is a part of the Old Bull Consolidated Mining Claim, and is marked
on the ground and described as follows:

Beginning at Cor No 1 identical with corner No 4 of the Margarett and Cor 3 of the
Mastodon, and Cor 2 of the Old Bull, and running thence S 43° W 1370.48 ft to Cor No 2; thence
N 47° W 600 ft to Cor 3; thence N 43° E 1370.48 ft to Cor 4 and Cor 3 of Old Bull; thence
S 47° E 600 ft to Cor No 1 place of beginning.

That this amended location is made for the purpose of more particularly describing
said lode, and designating the exterior boundaries of said claim, and is made without waiver
of any rights acquired under the said original location.

Dated and posted on the ground this 6th day of October 1904

J. L. Baisley, and I, George Schindler, being first duly sworn say for
myself that I am a miner by occupation and am familiar with the value of mining labor and
improvements: That on and between the first day of January, 1904 and the 8th day of
October, 1904, to my personal knowledge over one hundred dollars worth of work and labor was
done and performed upon the Brazos quartz claim, which consisted of an open cut 12 feet long
by 4 feet wide and 5 feet high and a tunnel 4 x 7 by 12 feet in length; and on and between
said dates to my personal knowledge over one hundred dollars worth of work and labor was done
and performed on the Pleasant Valley quartz claim, adjoining the said Brazos claim on the
west, which said labor consisted of driving a tunnel 16 feet long by 4 feet wide and 6 feet
high. That all of said work was so performed between said dates by George Schindler,
F. O. Hamilton, and myself, and was so done and performed at the instance and request and
request of Albert Geiser one of the owners of each of said claims, and as and for the annual
assessment work thereon for the year 1904 and that such work and the whole thereof tends
to develop said claims and each thereof to the amount of one hundred dollars each. That
each of said claims are situated about 2 miles north of Pleasant Valley and in Baker County,
State of Oregon.

J. L. Baisley

R.W. Henry, Recorder
NOTICE IS HEREBY GIVEN TO ALL WHO IT MAY CONCERN, that I, George W. Eddy, by Will Smith, Attorney in Fact, Citizens of the United States, over the age of twenty-one years, have discovered a vein or lode of quartz or rock in place, bearing gold within the limits of the claim hereby located, and have this day under and in accordance with the Revised Statutes of the United States, Chapter Six, Title Thirty-Two, located 1464.52 linear feet of this vein or lode, with surface ground 600 feet in width situated in no organized Mining District, County of Baker, State of Oregon, and known as the Del Monte No. 6 Quartz Mining Claim extending 166 feet S 8° 10' E to the S end post and 1290.52 feet N 8° 10' W to the N center and post, from this notice at the discovery or prospect shaft, which is 166 feet from the south end line of said claim, the exterior boundaries of this claim being distinctly marked by reference to some natural object or permanent monument, and more particularly described as follows, to-wit:

Beg at Cor No. 1 post from which the S W cor of Sec. 15 T 8 S R. 44 E Will Mer, bears N 79° 05' W 1432 ft Dist; thence N 10° 40' E 1500 ft to Cor No. 2 post; thence N 72° 05' E 223 ft to the N cen. post from which discovery bears S 8° 10' W 1290.52 ft Dist; thence N 72° 05' E 300 ft to Cor. No. 3 post; thence S 8° 10' W 1464.52 ft to Cor. No. 4 post; thence S 72° 05' W 300 ft to S cen. and post, from which discovery bears N 8° 10' E 166 ft Dist; thence S 72° 05' W 300 ft to Cor. post No. 1 the place of beginning.

This is a notice of an amended location of the Del Monte No. 6 Quartz Claim, made for the purpose of more definitely describing the boundaries thereof. All rights under the previous locations are hereby reserved.

And I intend to work and hold said claim as provided by local customs and rules of Miners and Mining Statutes of the United States & of the State of Oregon.

Before me the subscriber personally appeared Patrick Walsh who being duly sworn says that at least one hundred dollars worth of labor or improvements were performed or made upon each of the following quartz claims to wit: The "Oro", "Phonolite", "Clinkstone" and the "Cleopatra" Quartz Claims, all continuous and adjoining the patented claims of the Consolidated Bonanza Gold Mines Co on the Northeast and situated in no organized mining district, Baker County, State of Oregon, during the year ending December 31st, 1904. Such expenditure was made by or at the expense of Consolidated Bonanza Gold Mines Co, owner of said claims for the purpose of holding said claims.

NOTICE IS HEREBY GIVEN TO WHOM IT MAY CONCERN, that Jerome Hull, by P.B. Smith, his Attorney in fact, a citizen of the United States, over the age of twenty-one years, having discovered a vein or lode of quartz or rock in place, bearing gold, silver and copper within the limits of the claim hereby located, have this day under and in accordance with the Revised Statutes of the United States, Chapter Six, Title Thirty-two, located 1500 linear feet of this vein or lode, with surface ground 600 feet in width, situated in Baker County, State of Oregon, and known as the Daisy Queen Quartz Mining Claim and more particularly described as follows, to-wit:

Beginning at discovery stake (No 1) thence 800 feet in a northerly direction to north center and stake (No 2) thence 300 feet in a westerly direction to stake No 3; thence 1500 feet in a southerly direction to corner stake No 4; thence 600 feet in a westerly direction to corner stake No 5; thence 1500 in a northerly direction to corner stake No 6; thence 300 feet in a westerly direction to north center and stake No 2; thence 300 feet west on each side of said quartz ledge and 1500 feet long and claiming all dips, spurs, timber and water on said claim. It is further known that this claim overlaps on the Northwest corner 200 feet on the Hidden Treasure Quartz Claim, owned by David Still. This claim joins the Native Wonder mining claim on the north and is located on south side of Antoine Creek about 7 1/2 miles from mouth of main creek.

And I intend to hold and work said claim according to the Mining Statutes of the United States and of the State of Oregon.

Henry Mountains
Big Horn Group

State of Oregon

County of Baker

We, Henry Mountains and George Turner, being first duly sworn, on oath deposes and says:

That we performed the annual assessment work on the Big Horn Group of Quartz Claims, Situated in Baker County, Oregon, as required by the United States Statute, for the year 1904;

That the said work consisted of driving a tunnel on the Little Big Horn quartz mining claim a distance of forty feet, and the furnishing of all the hardware, etc., necessary therefor;

That the said work inured to the benefit of the Big Horn, the Summit and the Clift mining claims, composing the Big Horn Group;

That the work was done between the first day of July and the twenty-fifth day of October 1904, and is well and reasonably worth the sum of Four Hundred Dollars ($400)

R. W. Henry, Recorder
TO ALL WHOM IT MAY CONCERN Notice is hereby given that the undersigned R. McGinnis, citizen of the United States, over the age of twenty-one years, has on this 1st day of Sept, 1904 discovered a vein or lode of mineral bearing rock in place, bearing gold, silver and other precious and valuable metals and minerals within the limits of the claim hereby located, which he has this day and in accordance with the Revised Statutes of the United States Chapter 6 Title 32 named The Oku Quartz Mining Claim.

That the general course or course of this vein or lode is easterly and westerly and that I claim 450 linear feet easterly and 1050 linear feet westerly of the point of discovery at which this notice is posted, together with 500 feet on each side of the center of said vein.

That said claim is located in the unorganized Mining District, in Baker County, State of Oregon, the discovery monument being placed 100 feet easterly from discovery cut and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinafter mentioned and is more particularly described by boundaries as follows, to wit:

Commencing at the point of discovery at which this notice is posted, thence 450 Easterly to East end center stake, thence 500 feet northerly to northeasterly corner stake, thence 1500 feet westerly to west end center stake, thence 300 feet southerly to southwest corner stake, thence 1500 feet easterly to southeast corner stake, thence 500 feet northerly to east end center stake situated in West 1/2 of Sec 25 & East 1/2 Sec 26 T 9 S R 37 E.

And I intend to hold and work said claim in accordance with the rules and customs of miners and mining laws of the United States and of the State of Oregon.

Dated on the ground the 1st day of Sept 1904

Discovered Sep 1st 1904

Located Sep 1st 1904

Root McGinnis

Witnesses:

F. A. E. Starr

W. A. Lotspeich

State of Oregon

County of Baker

I, Root McGinnis being first duly sworn, say that I am the original locator of the Mining Claim described in the above notice of the Oku Quartz Mining Claim, and that the foregoing notice is a full, true and correct copy of the original notice of location posted on said claim.

That I did between the 1st day of Sept 1904 and the 31st day of Oct 1904 perform the discovery or location work required by the statutes of the State of Oregon on said claim by mining an open cut 14 Z 15 X 8 and that said work was done on said claim within sixty days from the date of discovery thereof, and by said work there was disclosed a lode or vein of mineral deposit in place.

9 W. Henry, Recorder
TO ALL WHOM IT MAY CONCERN, Notice is hereby given that I, J R Nunn, being a citizen of the United States, over the age of twenty-one years, have this first day of October 1904 discovered a vein or lode of mineral bearing rock in place, bearing gold, silver and other precious and valuable metals and minerals within the limits of the claim hereby located, which I have this day and in accordance with the Revised Statutes of the United States, Chapter 6 Title 32, named The Lexington quartz Mining Claim. That the general strike or course of this vein or lode is northeast and northwest and that I claim 1400 linear feet northeast and 100 linear feet northwest of the point of discovery at which this notice is posted, together with 500 feet on each side of the center of said vein.

That said claim is located in the Cable Gue Mining District, in Baker County, State of Oregon, the discovery monument being placed 3000 feet southwest from Cableville Postoffice on the head of Silver Creek and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinafter mentioned, and is more particularly described by boundaries as follows, to-wit:

Commencing at the point of discovery at which this notice is posted, thence north 1400 feet to the northeast center stake which joins the Siskirge mining claim, thence 100 feet southwest from point of discovery to southwest center stake which joins the Lady Ruth mining claim, this claim is also marked by four corner stakes.

And I intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the State of Oregon.

Dated on the ground the first day of October 1904

Discovered October 1904

Located 1st October 1904

J R Nunn  Locating

State of Oregon
as
County of Baker

I, J R Nunn being first duly sworn, say that I am the original locator of the Mining Claim described int he within notice of the Lexington Quartz Mining Claim, and that the foregoing notice is a full, true and correct copy of the original notice of location posted on said claim.

That I did between the 1st day of Oct 1904 and the 1st day of Nov 1904 perform the discovery or location work required by the statutes of the State of Oregon on said claim by mining a tunnel and open cut in the same for the distance of Twenty feet and that said work was done on said claim within sixty days from the date of discovery thereof, and by said work there was disclosed a lode or vein of mineral deposit in place
