Mancie, Henry, etc.-Bentinck lode 592.
Mancie, J., etc.-Chat.
Notice of Water Rights

Nevada City, May 29th, 188_

[Handwritten text not legible]
Oregon lode - A.C. Gibbs
Our ledge - W.H. Rockford et al.
Owens, J. et al. - Rendezvous lode
Oregon R. lode - M. Ehrenreich et al.
Old, D. N.Y. et al. - Banner lode

Sarah Cooper
Shirley

Our ledge - W.W. Rose et al.

Ore Flume lode - J. W. Hoyland et al.
Oregon lode - J. A. Petelle
Ontario - J.B. Waterhouse
Osborn, J. W. et al. - Wide West lode

Portland

Caroline

Red Horse

Old Tony lode - W.H. Thompson
O'Connor, J. et al. - B. R. Bolte
O'Connor, Geo. et al. - Shadow lode
Olmstead, S. H. - G.A. R
Old Bullion lode - E.J. Stotz et al.

Otho, Charles et al. - Bonanza Chief lode
O'Connor, Geo. - Henry lode
Ore lode - Ben Marshall et al.
Oracle - J.H. Wood et al.
O'Connell, John et al. - Haystack lode
Osborne, J. H. - M. Chief

Greenhorn

O.R. N. lode - Jas Maloney
O'Connor, P.G. et al. - Amherst
Osborn lode - J. H. Osborne et al.

J. M. et al. - Osborne lode

Gran Eagle

S. B. X

Olmstead, F. et al. - G. A. R. (amended)
Oregon lode - J. L. Baart
O'Connor, Geo. et al. - Fever Horn lode
Oregon Chief lode - J. A. Penfield
Ore Belle lode - O. J. Stine et al.

Opie

D. R.

Old Reliable - Pat Wheeler

Oregon Chief Mining Co. -lite lode

Bruce

Archie

Orai, Chief - Fairview

Old Bourbon lode - John Sullivan et al.

Sol. Center  

Proof of Labor

Territory of Washington  1855
County of Walla Walla

Before me, D. J. Crowley, a Notary Public,
in and for Washington territory, personally appeared Sol Center, who being duly sworn,
deposes and says that at the organization of the Calumet Copper Mining Co. a corporation
existing under the laws of Washington territory, he was duly elected superintendent of
said Company and personally conducted during the months of August, September and October
A.D. 1893, the work done by said Company at their locations, consisting of the Peacock
Jackson, Calumet, Calumet Extension, Copper Queen and Yeager Claims; situated in
Eagle Mountain District, of Union County, State of Oregon.

Said work consisting of the driving of one tunnel sixty-two feet another
twenty seven feet from point of commencement, the facing down of two ledges amounting to
about 200 tons the building of two cabins ( one 16 ft by 24 ft, the other 14 feet X 16 ft )
the erecting of a forge and powder house, building two coal pits cutting about two miles
trail and sundry other work at an expenditure of about twenty five hundred ($250.00)
dollars.

Sol Center.

Subscribed and sworn to before me September 24th, 1894.

Notary Seal  
D. J. Crowley, Notary Public.

Recorded Oct. 11th, 1894, E. F. Wilson, Co. Clerk by C. J. Wilson, Deputy.

John Younger, et al.

Magpie Mine.

Notice of location of Quartz Claim.

We, the undersigned, claim on quartz mine, known as the "Magpie" Mine, situated in Eagle Mining District, Union County, Oregon, being about 1½ miles south of Sparta, commencing at the location stake posted on the ridge between Magpie and Thorn Gulch and running 750 feet south east and 750 feet north-west from said stake being 1500 feet in length and 600 feet in width.

Dated on the ground this 3rd day of December, 1881.

Locators: John Younger.

Judson Cook.

Transcribed from vol. "B" Quartz Mining Deeds page 643 Union County Records.
Notice of Location. Cuming, Jan. 19th, 1879, Union Co. Or.

I, the undersigned citizen of the United States, do this the first day of January, eighteen hundred and eighty-nine, lose and locate fifteen hundred feet of this ledge ore, or mineral bearing quartz, commencing at this stake and notice and running 750 feet northerly and 750 feet southerly with 300 feet on each side for mining purpose, this claim is situated about 500 feet easterly from the Spring on the Whitman wagon road, and embraces a portion of what was known as the Combination Claim, and shall be known as the Mountain Robin Mine.

Transcribed from vol. "B" Quartz Mining Bonds page 650 Union County records.

At a miners meeting held in Eagle Valley, Union County, Oregon, on this the 19th day of July, 1879, for the purpose of organizing a new mining district and to define the boundaries of the same. The following proceedings were had on motion.

Joseph Beck was nominated and elected chairman and F. M. Offner, Secretary.

On motion it was resolved that the District be named the Powder River District that its location and boundaries shall be as follows:

All the river and bar and hill claims between the mouth of Eagle Creek, and the mouth of Powder River, commencing at a point two miles north of the east side of Eagle Creek, from its mouth thence easterly to the water of Snake River, thence southerly three miles to a point one mile from the waters of Powder River, thence westerly to a point one mile from the waters of Powder River, and from thence to the place of beginning, and carried.

A motion was then made that the following by-laws be enacted.

Sec. 1st. That each river claim shall be three hundred feet in length and three hundred feet in breadth or until the bed rock raises ten feet.

Sec. 2nd. That all bar claims shall be three hundred feet each way.

3rd. That all hill claims shall be three hundred feet front and extending to summit of of hill.

Sec. 4th. Each miner shall be entitled by location to one river, one bar, and one hill claim.

Sec. 5th. All claims to be valid must be by notice and placed upon record in fifteen days from date of notice. All claims not taken must be valid be recorded in fifteen days from this date.

6th. There shall be a Recorder elected who shall keep a book of record and place upon record all bills of sales and notices of location who shall be entitled for the same to the sum of one dollar for each claim and bill of sale recorded.
Sec. 7th, on motion resolutions was passed, that all claims be laid over until the first day of October, 1879.

Sec. 8th, on motion W. H. Ainsworth, was nominated and elected as Recorder of Powder River District.

Joseph Beck, Chairman.
F. M. Officer, Secretary.

Boundary of Summit District.

S. M. Black, Co. Recorder of Union County, Oregon.

We, the undersigned, would respectively represent to you that at a
mines meeting held at Augusta Excelsior Diggings, Summit District on the 23rd day of March,
A. D. 1871, W. H. Craven, being chosen chairman and James Simonton, Secretary the following
proceedings were had on motion. The boundaries of said District, of Augst. 8th, 1864, were
established to be in full effect & force, to wit:

Commencing at the mouth of Excelsior Gulch, running down Eagle Creek three
miles thence south four miles thence west seven miles thence north to Eagle creek thence
easterly down Eagle four mile to the place of beginning, containing twenty eight square
miles more or less.

We would further represent that the miners of this District have heretofore
elected our own recorder annually since 1864 and that our record amount to several hundred
during the past year and that Summit District forms no part of Kooster or Gem Town on Eagle
District, and that we recommend H. J. Eveland to be appoint Dept. recorder of this District.

Tunnel Notice.

KNOW ALL MEN BY THESE PRESENTS: that we, the undersigned, have located a tunnel right, for the purpose of running a tunnel through this mountain known as Summit Mountain, Summit District, Eagle Creek, Union County Oregon, hereafter to be known and called the Summit Mountain Tunnel Company.

Commencing at a tree upon which notice is posted about 100 feet up south...
gulch from the rocky ledge and claim 1000 feet each way from said tree claiming all the rights and privileges granted by the laws of Oregon.

We claim all the blind and undeveloped ledges bearing gold and silver and other valuable metals, that said tunnel may strike for a distance of 1000 feet on each side tunnel and the right of way for the length of the tunnel excepting those now claimed and occupied in accordance with law.

We further claim 1000 feet square at each end of said tunnel for dumping and building purposes, that may be required for said enterprise.

Notice of Location and Declaratory Statement of Discovery of and
claimed to Quartz Lode Mining Claim:

Calumet Lode Mining Claim, Union County, State of Oregon.

The undersigned, who is a citizen of the United States, hereby
declares, and gives notice to all persons concerned that I have discovered a vein or
lode within the limits of this claim hereby located and in said lode a vein or ore of
quartz or ore, with at least one well defined wall and that I have this 18th day of April
1883, located and to hereby locate and claim under and by virtue of Chapter Six, of
Title Thirty two of the Revised Statutes of the United States and the laws amendatory there
to and the laws of the State of Oregon, a mining claim upon said lode or vein to be designated
and named the Calumet Quartz Lode Mining Claim, extending along said vein or lode 500
hundred feet in a south westerly direction and 1000 one thousand feet in a north easterly
direction from the center of discovery shaft (at which shaft this notice and statement
is posted) and 300 hundred feet on each side from the middle or center of said lode or
vein at the surface comprising in all (1500) hundred feet in length along said vein or
lode and 600 hundred feet in width with all the rights and privileges as to surface ground
and lodes, veins or ledges, within the boundaries of said claim and otherwise and the
metals and minerals and valuable deposits of every kind, contained in said veins, lodes or
ledges or within said boundaries which are given or allowed by the laws of the United
States and of the State of Oregon.

The Mining Claim hereby located is situated in no mining district, Union
County, State of Oregon, and is situated on the southern slope of Copper Creek about
(1b 1/2) one & one half miles from its junctions with Middle Eagle, the adjoining claims
are the Calumet Extension Claim, on the north east claim on the_____

This location is distinctly marked on the ground so that its boundaries
can be readily traced, said Copper Creek is situated about (14) fourteen miles north west
from Hagen and about (33) thirty five miles north east from the Town of Union and empties
into Middle Eagle about four miles below Crystal Lake, the head waters of said Eagle.

The above described claim here situated, was formerly known as the mountain
Haid. The undersigned intends to hold this claim under and according to the laws of the
United States and of the laws of Oregon.

Dated this 18th day of April, 1883 and signed.

Notice of Location

NOTICE IS HEREBY GIVEN TO ALL WHOM IT MAY CONCERN that George Garner, a citizen of the United States, over the age of twenty-one years having discovered a vein of ore in place bearing mineral within the limits of the claim hereunder located, have this day under and in accordance with the revised statutes of the United States, Chapter Six, Title Thirty-two, located all the ground that lies between the Peacock Mining Claim and the Jackson Mine, with surface ground six hundred feet in width, situated in no mining district, county of Union and State of Oregon, and known as the Fraction Mine and extending in a north easterly direction to the south west end of the Jackson Mine and extending in a south westerly direction to the north east end of the Peacock Mine.

The Exterior boundaries of this claim being distinctly marked by stakes so they can be readily traced and more particularly described as follows; Situated on the Southern slope of Copper Creek, lying and being about two miles above the junction of said Copper Creek and middle Eagle creek, the said junction being about 2 miles below Crystal Lake or head waters of said Eagle. I intend to hold and work said claim as provided by the local customs and usages of miners and the mining statutes of the United States.

Discovered and located May 19, 1889.

Filed for record May 31st, 1889.

Recorded June 19 1889. W. T. Wright County Clerk by Jacob Bloch Deputy.'
M. S. Booth, et al.

Notice of Location of Quartz Claim.

NOTICE IS HEREBY GIVEN: that the undersigned citizens of the
United States, over the age of twenty one years, on the 25 day of July, 1883, discovered
a vein or lode, of quartz or sand rock in place bearing gold, silver and lead within the
limits of the claim hereby located and have this 26, day of July, 1883, under and in
accordance with the Revised Statutes of the United States, located fifteen hundred linear
feet of this vein or lode, in length with surface ground three hundred feet in width on
each side of the center of said lode situated in the County of Union, and State of Oregon
and known as the Mountain Queen Mining Claim and extending fifteen hundred feet to and
from this notice at the discovery or prospect shaft.

The exterior boundaries of this claim being distinctly marked by reference to
natural objects or permanent monuments and more particularly described as follows, to wit:

This claim is situated on a mountain sloping to the south and between Middle
Eagle and Trout Creek on the west end of the Salam Mining Co's ground and runs (1500)
hundred feet from this notice in a westerly direction, this claim is situated about 35
miles north of the city of Union and that we intend to hold and work said above
described claim as provided by the local laws and the customs and rules of miners and
mining Statutes and laws of the United States.

F. A. Foster, et al.,  Jack Piddle

Notice of Location of a Quartz Claim.

NOTICE IS HEREBY GIVEN TO ALL TO WHOM IT MAY CONCERN that Alonso G. Simmons, Jackson Piddle, F. A. Foster, and D. W. Lichtenenthaler, being citizens of the United States, over the age of twenty one years, having discovered a vein of lead or quartz or rock in place, bearing copper and silver, within the limits of the claim hereby located, have this day under and in accordance with the Revised Statutes of the United States, Chapter Six, title thirty-two, located 1500 linear feet of this vein or lead with surface ground 600 feet in width, situated in no mining district, County of Union, State of Oregon, and known as the Jack Piddle Quartz Mining Claim and extending 1500 feet in a W. (37° 30') W. course to a mound of rocks from the discovery or prospect shaft. The exterior boundaries of this claim being distinctly marked by reference to some natural objects or permanent monuments and more particularly described as follows:

Commencing at a mound of rocks and post from which the Section corner commences to Sec's No. 27, 28, 33, & 34, in T. 7 S.R. 42 N. bears S. 0° 25' east 500 chains measured on the ground, thence N. (37° 30') W. 1500 feet to a post and mound of rocks, thence N. (52° 30') east, 600 feet to a post and mound of rocks, thence S. (37° 30') E. 1500 feet to a post and mound of rocks, thence S. (52° 30') W. 600 feet to the place of beginning. This is a re-location of what is known as the Jack Piddle Quartz Claim and we intend to hold and work said claims as provided by the local customs and rules of miners and the mining statutes of the United States.

                       Jackson Piddle.
                       F. A. Foster.
                       D. W. Lichtenenthaler.

Dated on the ground this 1st day of January, 1884.

Notice of location of a quartz claim.

Amended Location Notice of Sunrise Mine.

We whose names are subscribed hereto, citizens of the United States, hereby claim (in accordance with the provisions of the Acts of Congress and the State and District laws governing the location of mining claims) fifteen hundred (1500) feet along this quartz ledge, or claims named by us the "Sunrise" and three hundred (300) feet on each side of the center of said lode, making a claim fifteen hundred (1500) feet in length by six hundred (600) feet in width commencing at the stake or tree on which this notice is posted which tree or stake is the initial and south center end monument of the said Sunrise claim, and is the north center end monument of the claim known as the
"Red Jacket" which said "Red Jacket" was located May 30th, 1895 by A.H. Huntington
W. T. Burdett, W. Secord, C. Darcy and the notice of the location thereof recorded June 10
1895, on page 156 records of location of quartz claims in the office of the County Clerk
of Union County, Oregon, running thence along the north and line of the said "Red Jacket"
Claim 300 feet in a westerly direction to a monument of stones, thence fifteen hundred
(1500) feet in a northerly direction to a monument of stones, thence 500 feet in an easterly
direction to a monument of stones, thence 1500 feet in a southerly direction to a monument
of stones thence 300 feet in a westerly direction along the north and line of the said
"Red Jacket" Claim, 300 feet to the place of beginning.

The said Sunrise Mining Claim is located in Granite Mining District Union
County, Oregon, about one mile and a half west of Pine Creek on the Pine Creek Slope facing
the east and is the first north extension of the "Red Jacket" mine aforesaid.

This is intended as an amended location notice and more particular
description of the Sunrise Mine, located about the first day of June 1895 by T.E. Irwin,
James Mills, J. E. Mills, R. Reed, T. Reed, G. W. Denney and the notice of location of
which was within ten days afterwards cut down and removed by John Carey and W. B. Howard
and this location is not intended as an abandonment waiver or surrender of the original
location of the "Sunrise" but only a more fully described the ground; there located by those
whose names are subscribed thereto.

Notice of Location:

NOTICE IS HEREBY GIVEN: that the undersigned, having complied with the requirements of Section 2544 of the Revised Statutes of the United States and the local laws, customs and regulations of this district, have located (1500) fifteen hundred feet in length by (600) six hundred feet in width on this the Ida Mine Lode, vein or deposit, bearing gold, silver and other precious metals.

Located in Granite Mining District, County of Union, State of Oregon, the location being described and marked on the ground as follows: vizit:

Commencing at this notice and running northwesterly (750) seven hundred and fifty feet to north-west corner stake (300) three hundred feet easterly to north-east corner stake, thence south easterly 1500 fifteen hundred feet to south-west corner stake or monument, thence southwesterly 300 three hundred feet to south-east corner stake thence (200) three hundred feet southwesterly to south-west corner stakes, thence (1500) fifteen hundred feet northwesterly to north-west corner stake thence (300) three hundred feet north easterly to place of beginning.

This mining claim is situated on the east side of Pine Creek about two miles and a half from Cornelius and opposite the Bonanza Basin, the mining claim above described shall be known as the Ida Mining Claim.

Located this 29th, day of August, 1895.

Locators: Charles Bywater, Jr.

Benjamin Marshall.

Charles Bywater, Sr.

(over)
Remarks: The south end center monument of this lease is four hundred feet from this notice and the line runs (350) three hundred and fifty feet, further southwest, we could not run this line further on account of the roughness of the mountain.

Recorded the 11th day of September, 1885, E. E. Mux, District Recorder.

Transcribed from vol "C" Quarts Location records page 135 Union Co. records.

K. A. Leap, et al.

Notice is hereby given; that the undersigned having complied with the requirements of Chapter Six of Title Thirty-two of the revised Statutes of the United States and the local custom laws and regulations have located fifteen hundred (1500) feet linear measure.

Commencing at this stake and notice and running thence seven hundred and fifty (750) feet in a southerly direction to a stake marked south center stake of the "Granitum" Mine, and thence seven hundred and fifty (750) feet in a northerly direction from this stake and notice, to a stake marked north center stake, "Granitum" Mine; we also claim three hundred feet (300) on each side of said lode, as surface ground, more particularly described as follows:

About one thousand feet west of the "Bully Boy of the Hills" Lode on the Eagle slope of Granite Mountain; one mile and one quarter south of "Granitum Prairie"

Discovered September 5th, 1885. Location: K. A. Leap.

Located September 10th, 1885.

Notice of Location of Quartz Claim.

NOTICE IS HEREBY GIVEN: that the undersigned, a citizen of the United States, over the age of twenty one years, on the 26th day of August, 1885, located 1500 ft. of this mineral bearing quartz ledge, in length, with surface ground 300 ft. in width, on each side of center of said ledge, and that I intend to hold and work said mine according to the laws of the United States and the laws and rules of miners.

This mine is situated in the Granite Mining District, Union County, Oregon and known as the Christal Mining Claim and extends 600 feet in a southerly direction and 900 ft. in a northerly direction from this notice at the discovery or prospect shaft.

I claim all spurs and angles, of said mine. This claim is about 1 mile and a half from the south side of the Granite Mountain in a southerly direction; the north end is about 500 ft. south of a tributary of Pine Creek; this Creek runs in an easterly direction toward Pine Creek. The south end of this claim is on a hill side facing the east.

Witnesses: W. P. Gregg, B. J. Harshill.
Locators: J. C. Lowler.

By B. J. Harshill.

August 31st, 1885, Gray Eagle.

NOTICE IS HEREBY GIVEN: that I, the undersigned, a citizen of the United States, and over the age of 21 years, have on this 31st day of August, 1885, located, 1500 linear feet, of this mineral bearing quartz ledge, in length with surface ground 300 feet on each side of center of the ledge, with all spurs, angles and angles.

I the undersigned claim 500 feet running in a westerly direction, from this notice of prospect hole and 500 feet running in an easterly direction from this notice of prospect hole and that I intend to hold and work said above described claim according to the miners law and the laws of the United States.

Situated in Granite Mining District and known as the Gray Eagle Mining Claim the east end of this claim is on a creek known to us as Little Eagle Creek, then running westerly across a ridge towards a tributary of East Eagle Creek. The west end of this claim being about 800 feet from this creek. The claim is about 250 yards south of an old water ditch, running to an old placer mine known as Paddy's Paradise.

This claim is in Union County, Oregon.

Witnesses: J. K. Lowler, W. B. Gregg.

B. J. Harshill.

3. X. Simon. Empire Mining Claim.

NOTICE OF LOCATION OF A QUARTZ CLAIM.

NOTICE IS HEREBY GIVEN: That I, the undersigned, citizen of the United States, over the age of 21 years on the 24th day of February, 1886, discovered a vein or lode, of quartz in place bearing mineral, gold, silver or lead, within the limits of this claim hereby located and have this 24 day of February, 1886, under and in accordance with the revised Statutes of the United States, located 1500 linear feet on this vein or lode in length with surface ground 300 feet in width on each side of the center of said lode.
This claim is situated, in Granite Mining Dist., County of Union, State of Oregon, and known as the "Empire" mining claim and extending 14-5 feet southerly direction from this discovery or prospect shaft and 25 more or less feet in a northerly direction from this stake; said claim is bounded on the west by the Keystone Claim crossing Lost Horse Creek, to south west and stake, the corners and end lines are all indicated by stakes and blazed trees and that I intend to hold and work said claim as provided by the local laws and the customs and rules of miners and mining; statutes and laws of the United States.

Locator: S. E. Scott.

Recorded Dec. 23, 1896, S. F. Wilson, County Clerk.

Transcribed from vol "D" Quartz Location records page 63 Union Co. records.

By virtue of an Act of Congress, passed May 10, 1872, and amendments thereto, I have this 30th day of August, 1895, located (1500) fifteen hundred linear feet of this ledge, lode or vein together with three hundred feet on each side of the center of said vein and bounded and described as follows:

Commencing at the stake upon which this notice is posted, running thence 200 feet southerly to the south end center stake, thence easterly 300 feet to a stake thence northerly 1500 feet to a stake thence westerly 600 feet to a stake, thence southerly 1500 feet to a stake, thence easterly 300 feet to the said south end center stake.

This claim is situated about one mile south west of Allentown on the north side of the first creek emptying into Pine Creek below Lost Horse Creek and is about a mile and a half from the mouth of said creek, and shall be known as the "Fly Bee".

Mary Jones.

Recorded Dec. 23, 1896, S. F. Wilson, County Clerk.

. Notice of Location. "Last Chance No.2."

TO WHOM IT MAY CONCERN: I, the undersigned, do hereby locate and claim 1,500 feet on this ledge, lode or vein for mining purposes, and having complied with all the requirements of the revised Statutes of the United States, and the local laws, customs and regulations of this district, have located 1,500 feet in length by 600 feet in width on this the Last Chance Lode vein or deposit, containing gold, silver and other precious metals, situated in Granite Mining District, Union County, Oregon, the location being described and marked on the ground as follows, to wit:

From Location stake 750 feet north west and 750 feet south east and 300 feet each side of the location stake, said ground is staked off according to custom of this district. This mine is located on the 2nd westerly branch of Pine Creek below Allentown. The mining claim above described shall be known as the "Last Chance No.2."

Granite Mining District, April 19, 1896.

State of Oregon)

County of Union

The within notice was duly filed and recorded by me this 7th day of May, 1896, in Book "A" of Mining Records page 299, for Granite Mining District, Union County, Oregon.

Transcribed from vol "D" Quartz Location records page 219 Union Co. Records.
R. E. Campbell, et al.  

Notice: KNOW ALL MEN BY THESE PRESENTS: that we, the undersigned do this 21st day of April, 1896, locate 1500 feet on this ledge or lode, 300 feet running in a north westerly direction from discovery and 1200 ______ in a south easterly from discovery together with 300 feet on each side of center of lode with all dips, spurs and angles.

The mine will be known as the Great Western, being an extension of the "Deerfoot" Mine, on the north east between Deep Creek and Lost Horse one and a half miles from Allen Town Granite Mining District, Union Co. Oregon.

R. E. Campbell.

State of Oregon

County of Union

I hereby certify: that the within notice was duly recorded by me in Book "A" page 236 of Book of Records of Granite Mining District, Union County Oregon, this 20th day of May, 1896.

S. M. Gilmore, District Recorder.

Transcribed from vol. "A" quartz location records page 222 Union County Records.

By virtue of an Act of Congress, passed May 10th, 1872, and amendments thereto, we, the undersigned, have located fifteen hundred feet of the lode, ledge or vein bearing mineral, together with six hundred feet in width being three hundred feet on each side of the center of said vein and bounded as follows:

Commencing at the prospect stake, on which this notice is posted running thence easterly 300 feet to a stake, thence southerly 1500 feet to a stake, thence westerly 600 feet to a stake, thence northerly 1500 feet to a stake, thence easterly 300 feet to a stake, the point of beginning.

This claim is situated in Granite Mining District, Union County Oregon about (8) eight miles north of the Town of Cemecopa, and on the right bank of the east fork of the Yamha about three miles north of the source of said stream and south of the Star Claim, and shall be known as the "Rockeye".

Located Sept. 5th, 1896, Locator: C. W. Lewis.

Recorded Sept. 7th, 1896.

State of Oregon

County of Union

I HEREBY CERTIFY: that the within notice was duly recorded by me, in Book "A" page 233, of Records of Mining Claims, for Granite Mining District, Union County, Oregon, this 28th day of June, 1896.

S. M. Gilmore, District Recorder.

Transcribed from vol. "A" quartz location records page 220 Union County Records.
