Notice of location "Star"

By virtue of an Act of Congress, passed May 10th, 1872, and amendments thereto, I, the undersigned, have located fifteen hundred linear feet of this ledge, lode or vein, bearing mineral, with six hundred feet in width, being 300 feet on each side of the center of said vein and bounded and described as follows, to wit:

Commencing at the prospect stake, upon which this notice is posted running thence easterly 300 feet to a stake, thence northerly 1500 feet to a stake, thence westerly 600 feet to a stake, thence southerly 1500 feet to a stake, thence easterly 300 feet to place of beginning.

This claim is situated in Granite Mining District, Union County, Oregon about eight miles north of the town of Cormecopia, on the right bank of east fork of the Imnaha River, and three miles north of the source of said stream and shall be known as the Star. Located Sept. 5th, 1895.

Recorded Sept. 7th, 1895. Location: Alvin Stamm.

State of Oregon

County of Union

I HEREBY CERTIFY: that the within notice was duly recorded by
me in Book "A" page 236 of Records of Mining Claim for Granite Mining District, Union County, Oregon, this 29th day of June, 1896.

S. M. Gilmor, Dist Recorder.

A. J. Anderson, Jr. Et al.

Notice of Location Mountain View.

By virtue of an Act of Congress, passed May 10th, 1872, and amendments thereto, I, the undersigned, have this May 24, 1896, claimed and located fifteen hundred linear feet of this mineral bearing ledge, lode or vein together with 300 feet on each side of the center of said vein and bounded and described as follows, to wit:

Commencing at the stake on which this notice is written, being the stake at my discovery shaft running thence along the vein in a nearly due southerly direction two hundred (200) feet to a tree blazed on four sides and marked south-center end of Mountain View Claim and running from the said notice at discovery shaft thirteen hundred (1300) feet along the vein in a nearly due northerly direction a little west of north to a tree blazed on four sides and marked north and center of the Mountain View Claim. The four corners are all properly indicated by four trees blazed and properly marked.

This claim is situated in Granite Mining District, in Union County, State of Oregon about (2-1/2) two and a half miles north of the town of Cormecopia, on the east side of Pine Creek and on Simms Mountain and north of the Mayflower Mining Claim and shall be known as the Mountain View Mining Claim. Cormecopia. Or. May 27th, 1896.

James Coleman, et al.

NOTICE IS HEREBY GIVEN: that we, the undersigned, having complied
with the requirements of Chapter Six of Title Thirty-two of the Revised Statutes of the
United States, and all the local customs, laws and regulations has located fifteen hundred
feet on a certain ledge, or lode of mineral bearing quartz by six hundred feet in width.

Said claim so located is described as follows: is on south slope south-east side Little Eagle Creek, about three hundred feet from claim located and claimed by
one John Green and known as the Paymaster.

Location notice posted, claiming 550 feet south-east along said lode, and
950 feet north west by 300 feet on each side of the middle of said lead or lode and the
said lode is hereby named the Homuncul.

Located June 14, 1896, Locators: James Coleman

NOTICE IS HEREBY GIVEN: that the undersigned having complied with
the requirements of Chapter Six of Title Thirty-two of the Revised Statutes of the United
States and the local customs, laws and regulations has located fifteen hundred linear feet
on the Homuncul Lode, situated in Granite Mining District, Union County, State of Oregon
and more particularly described as follows:

Commencing at the north center stake of the Star and running north 1500 feet
to north center stake, thence east 300 feet to N.E. corner stake, thence south 1500 ft.
to S.E. corner stake, thence west 600 feet to S.W. corner stake, thence north 1500 feet
to N.W. corner stake, thence east 300 ft. to N. center stake, claiming 300 feet on each
side of ledge or body of water and adjoining the Star Mine on the north.

Is situated about 8 miles from Comstock on the right bank of the east fork
of the Yuma River and 3 miles north of the source of said stream.

Located September 12th, 1895, Locators: Eben P. Torrey.

State of Oregon

County of Union

I HEREBY CERTIFY: that the within notice was duly recorded by
me in Book "A" page 237 of Records of Mining Claims, for Granite Mining District Union
County, Oregon, this 28th day of June, 1895.

S. W. Gilmore, Dist. Recorder.

Transcribed from vol "B" quartz location records page 226 Union Co. Records.

N. T. Barrie, et al. "Star of the West"

Notice of Location May 20, 1895.

NOTICE IS HEREBY GIVEN that we, the undersigned, citizens of the
United States, claim one claim of fifteen hundred (1500) of this ledge or body of water
with all dikes and spurs and lateral veins that may exist within the distance of one
hundred feet each side of this notice or ledge. We claim from this notice 400 feet north-
erly and 1100 feet southerly and that we intend to work and develop the same.

Situated on west fork of Pine Creek and about two miles from Cerroceria
in Granite Mining District, Union Co. Oregon.

It shall be known as the Star of the West.

May 26th, 1895,

Notice of Quartz Location: "Great Eastern"

NOTICE IS HEREBY GIVEN that we, the undersigned, citizens of the United States, give notice that we have discovered a quartz ledge, vein or lode, within the limits of this claim which we have located under and by virtue of Chapter Six, Title Thirty-two of the Revised Statutes of the United States, and mining laws of the State of Oregon a Mining Claim, to be designated and known as the Great Eastern Quartz Lode Mining Claim; situated one mile south on Deep Creek from Davis Sawmill and about (1/2) half mile west being an extension north of the Great Western Mining Claim and bounded as follows:

Beginning at the north east corner stake, of the Great Western and running westerly 600 ft to north-west corner stake, of the Great Western, thence northerly 1500 ft. to the north-west corner stake, thence easterly 600 ft. to the north-east corner stake thence southerly 1500 ft. to the south east corner stake or place of beginning. We claim all the dips, spurs, and parallel veins.

Location notice is on a tree at shaft 500 feet from south end and 1000 ft. from north end. We claim 300 ft. on each side of center of ledge.

Situated in Granite Mining District, Union County, Oregon.

Located and discovered April 19, 1886, by Geo. L. Decker.

State of Oregon

County of Union

The within notice was duly recorded by me in book "A" page 217 of Book "A" page 217, of Book of Records for Granite Mining District, Union County, Oregon this 18th day of May, 1886.

S. M. Gilmer, Dist Recorder.

Filed and recorded Sept. 15, 1886, A. T. Neil, County Clerk.

Transcribed from vol "D" quartz location records page 230 Union Co. records.

James Mackey, et al

Notice of Location on Discovery Stake.

We, the undersigned claim fifteen hundred linear feet in length by six hundred linear feet in width, bearing north-west by south-east. Discovery stake is three hundred feet from south center and end line; situated in Granite Mining District, and east side of Simmons Mountain.

Located 26th of May, 1886, by James Mackey, and Andrew O'Malley.

State of Oregon

County of Union

I HEREBY CERTIFY that the within notice was duly received and recorded by me, in book "A" page 219, of Book of Mining records for Granite Mining District, Union County, Oregon, this 26th day of May, 1886.

Charles E. Oral.

"Pau stamina."

NOTICE IS HEREBY GIVEN: that the undersigned, a citizen of the United States, over the age of twenty one years, on the 15th day of June, 1896, discovered a vein or lode, of quartz or sand rock in place bearing gold and silver and lead within the limits of the claim hereby located and have this 15th day of June, 1896, under and in accordance with the revised Statutes of the United States, located fifteen hundred linear feet of this vein or lode in length with surface ground three hundred feet in width, on each side of the center of said lode.

Situated in the Granite Mining District, County of Union, and State of Oregon, and known as the "Pau stamina Mining Claim" and extending fifteen hundred feet to and from this notice at the discovery or prospect shaft.

The exterior boundaries of this claim being distinctly marked by reference to natural objects or permanent monuments and more particularly described as follows:

Commencing at the south east corner stake of the Golden Rule Mine which is my north east comer stake, and running 1500 feet in a south easterly direction to my
south east corner stake, thence thence 600 feet in a southerly direction to my south west cor stake, thence 1500 feet in a north westerly direction to my north west corner stake, (monument) which is also the south west corner of the Golden Rule Mine, thence 600 feet in a northerly direction to N. E. corner stake, and that I intend to hold and work said above described claim as provided by the local laws and the customs and rules of miners and Mining Statutes and laws of the United States.

Discovered on the ground this 15th day of June, 1895.

Located this 15th day of June, A. D. 1895.

Date Recorded: 

Locator: Charles B. Cain.

Witness: W. S. Wilson, Fred Roschon.

Notice of Location of Quartz Claim.

NOTICE IS HEREBY GIVEN to all whom it may concern: that we, the
undersigned, citizens of the United States, over the age of twenty one years, have this day
located this fraction on this vein or lode, bearing mineral in place 1500 linear ft. or
the fraction thereof and surface ground 600 ft. in width, or the fraction thereof.

Situated in Granite Mining District, County of Union, State of Oregon and
known as the Una Pearl Quartz Mining Claim, and extending 500 ft. to north and center
stake and 1000 ft. on the fraction thereof to south and stake, from this notice at the
discovery or prospect shaft, which is 500 ft. from the north end line.

The exterior boundaries of this fraction being distinctly marked by reference
to some natural objects or permanent monument and more particularly described as follows:

Commencing at the monument at the N.west corner of the Golden Rule Mining
Claim and running 300 ft. westerly to N. and center stake thence 300 ft. to N. corner
stake, thence 1200 ft. southerly along the east line of the Allie Walker Mining Claim to
a stake, thence 600 feet easterly to S.w. corner of the Golden Rule Mining Claim, thence
1500 ft. N. westerly to place of beginning, and we intend to hold and work said claim
as provided by the local custom and rules of miners.

Dated on the ground July 1st, 1896.  E. C. Foutenas.

'Silver Queen'.

Location Notice of Quartz Claim, October, the 9th, 1886.

Notice is hereby given: That I, a citizen of the United States, and over the age of 21 years have on this 8 day of October, 1886, located 1500 linear feet of this mineral bearing quartz ledge or lode, in length with surface ground 300 feet on each side of center of the ledge, including all dips, spurts and angles and I, the undersigned, claim 600 feet running in a north westerly direction from this notice or discovery shaft and 900 feet running in a south westerly direction from this notice or discovery shaft and I, the undersigned, intend to hold and work said above described claim according to the rules of miners and the laws of the United States.

This mine will be known as the Silver Queen.

J. N. Lawler.

This claim is situated in Granite Mining District, Union County, Oregon, and is known as the Silver Queen Mining Claim. The north west end of this claim joins the Columbia Claim and is about two miles north of west from Fish Lake, at the head of north Pine Creek.

Recorded Oct 16, 1886, A. T. Heal, Clerk.

Transcribed from vol "B" Quartz Location records page 296 Union Co. Records.

Amended Location Notice: 'Big Horns'.

NOTICE IS HEREBY GIVEN: that under and by virtue of an Act of Congress, approved May 10th, 1872, and amendments thereto, the undersigned has this day located and claim 1500 linear feet, together with 600 feet in width, being 300 feet on the north side of the center of the vein on this mineral bearing ledge, lode or vein bounded and described as follows:

Commencing at a point 180 feet east of the monument upon which this notice is posted, thence north 300 feet to a monument, thence west 1500 feet to a monument thence south 300 feet to a monument. The same being the west and center monument of this claim thence south 300 feet to a monument thence east 1500 feet to a monument thence north 300 feet to a monument, at the place of beginning.

This claim is situated on the west fork of Main Pine Creek at the first large falls above the Ten Pitch Silver Ledge, and about 1/2 mile south west from said Ten Pitch Silver Ledge, situated in Granite Mining District, Union County, Oregon.

This claim is bounded on the west by the Hackman Mining Claim and on the south by the Silver Lake Mining Claim.

This claim shall be known as the Big Horse Mining Claim and this notice is a re-location notice of the Big Horse Mining Claim, located August 27th, 1895, by Corwin C. Coffinberry and recorded on page 179 vol "B" of Quartz Mining Records of Union

NOTICE IS HEREBY GIVEN: that the undersigned, having complied with
the requirements of Chapter Six, of Title Thirty-two of the Revised Statutes of the United
States, and the local customs laws and regulations, have this located this ledge, known
as the Tip Top and described as follows:

Commencing at this notice and running one thousand feet in an easterly
direction to a stake marked T.T. and five hundred feet in a westerly direction to a
stake marked T.T. thence three hundred feet northerly to a stake marked "T.T. thence
fifteen hundred feet westerly to a stake marked T.T. thence six hundred feet southerly
to a stake marked T.T. thence fifteen hundred feet easterly to a stake marked T.T.
thence three hundred feet northerly to a stake marked T.T.

Robert Kelley.

Location Notice of the Panama Mine.

NOTICE IS HEREBY GIVEN TO ALL WHOM IT MAY CONCERN: that Robert Kelley, a citizen of the United States, over the age of 21 years have this first day of January, A. D. 1887, located and do hereby locate and claim fifteen hundred feet of this quartz lode, vein or ledge, for mining purposes, together with three hundred feet on each side of the vein, with all metals and minerals, contained therein.

Commencing at this my initial notice and stake, and running on the vein four hundred and fifty (450) feet, (course south about seventy degrees east) to the westerly or north westerly boundary of the Contact vein mine (Silver Mine) and from said notice and stake on the vein one thousand and fifty (1050) feet course north about seventy degrees west and shall be known as the Panama Mine and is the first westerly extension of the contact vein mine and a relocation of the Oregonian Mine, the initial notice is nailed on a board and to a post which is seven feet long and posted on the vein which at that point is three feet wide and at a cut on the vein which is six feet long and three feet deep at its deepest part.

I have also directed attention to the initial notice by a notice which I nailed to the blazed west trees of two pines growing from the same root and are each about eighteen inches thick and sixty feet distant and up the hill and north twenty degrees west of the initial notice.
The corners, the center, and center lines, stakes and notices are posted, the mine is located on Bad Mountain and about three miles north westerly of Cornecopia in Granite Mining Dist. Union County, Oregon.

Allentown Jany 1st, 1887, Locator: Robert Kelley.

S. A. Spears, et al.

Notice of Quartz Location: "Green Horn".

NOTICE IS HEREBY GIVEN TO ALL WHOM IT MAY CONCERN: that we, the
undersigned, citizens of the United States, and over the age of twenty one years, having
discovered a vein or lode, of quartz or rock in place bearing gold, silver and lead within
the limits of the claim hereby located have this day under and in accordance with the
revised Statutes of the United States, Chapter Six, Title Thirty-two, located fifteen
hundred (1500) linear feet on this vein or lode, with surface ground six hundred (600)
feet in width; situated in the Big Creek District, County of Union State of Oregon, and
known as the Green Horn Quartz Mining Claim and extending seven hundred and fifty feet
north-westerly and seven hundred and fifty feet south-easterly from this notice at the
discovery opex shaft.

The exterior boundaries of this claim being distinctly marked by stakes and
more particularly described as follows, to wit:

Commencing at this monument of stone and prospect shaft where this notice is
posted running thence seven hundred and fifty feet in a north-westerly direction to stake
thence three hundred feet in a south westerly direction to corner stake, thence fifteen
hundred feet in a south easterly direction to corner stake, thence three hundred feet in a
north easterly direction to center stake, thence fifteen hundred feet north easterly to
corner stake, thence fifteen hundred feet in a north westerly direction to corner stake
thence three hundred feet in a south westerly direction to center stake, and we intend
to hold and work said claim as provided by the local customs and rules of miners and the
mining statutes of the United states. This claim is situated in section 9, Township 9
south of Range 51, East W. M. Rated on the ground this 9th day of April, 1897.

Notice: "Anaconda No.2."

NOTICE IS HEREBY GIVEN: that the undersigned, being citizens of the United States, and over the age of 21 years, claim 1500 linear feet in length together with 600 feet in width on the line, lead, ledge, or mineral deposit, and all timber on surface ground. We claim the ground or ledge under the laws of the United States of America, and customs of miners. We claim all dips, spurs and angles.

This line, lead, or ledge, or mineral deposit, is situated on south side of Copper creek, about one fourth of a mile, Copper Creek is a small stream and tributary of Middle Eagle Creek, and flows east and enters into Middle Eagle Creek about 5 miles from the source of Middle Eagle Creek, the source being a large lake.

This mine is easterly of the Monitor Mine, located the first 1 of April, 1897.

This mine is bounded with 6 stakes, 4 corner stakes and 2 side center stakes also stake and notice near center of claim. We start at stake and notice to south side center stake, 300 feet thence to the south-west corner stake, 750 feet thence 600 feet to the north west corner stake, thence 750 feet to the north side center stake, thence 750 feet to north east corner stake, thence 600 feet to the south east corner stake, thence 750 feet to the south side center stake, thence 300 feet to stake and notice, the place of beginning; This mine is in Union County, State of Oregon.

Located this 5 day of April, A.D. 1897.

This mine is about 35 miles easterly of the City of Union.

This mine shall be known as the Anaconda No.2.

Notice: "Monitor" Mine.

Notice is hereby given: That we, the undersigned, as citizens of the United States of America, and over the age of 21 years, do claim under the laws of the United States, and customs of miners, 1500 linear feet in length by 600 feet in width.

We claim 750 linear feet running westerly from this stake and notice to the easterly boundary of the Marimak Mine, located by F. D. Boyer, J. M. Boyd, I. E. Paul, H. M. Chase, J. A. Pennelle, and located on the 28th of March, 1897, and running thence 750 linear feet easterly also 600 linear feet in width, 300 feet on each side of center of ledge. We claim all dips, spurs and angles, also all timber on surface for mining purposes. We commence at the stake and notice and run 300 feet south to south side center stake marked "A" thence 750 feet westerly to south west corner stake, marked "B" thence 600 feet to north west corner stake, marked "C" thence 750 feet to the north side center stake.
center stake, marked "D" thence 750 feet to north end and corner stake marked "B" thence 600 feet to south-east corner and N. end stake marked "A" thence 750 feet to south side center stake marked "A" thence 300 feet to stake and notice.

This mine is situated on the south bank or mountain side about one fourth of a mile from Copper Creek, a small stream that flows east into middle Eagle Creek, Copper creek empties into Middle Eagle creek about 5 miles from its source. Its source being a large lake.

This mine is in Union Co. State of Oregon, and is about 35 miles easterly of the City of Union.

Located this 1st day of April, A. D. 1887.

The name of this mine shall be known as the Monitor Mine.

Robert Kelly, et al.

NOTICE OF LOCATION of the Mouna Loa Mine

NOTICE IS HEREBY GIVEN TO ALL WHOM IT MAY CONCERN: that we, the undersigned Robert Kelly and Louis Blumauer, citizens of the United States, have this 15th day of September 1897, located and do hereby locate and claim nine hundred feet of this quartz ledge, vein or lode for mining purposes, together with 300 feet on each side of the vein with all lodes and minerals, contained therein.

Commencing at this our initial notice and monument and which is a board notice nailed to the same post that the notice of the Uramus Mine is nailed to, thence in a nearly S.E. course 300 ft. to a blazed tree, to which our Board Notice is nailed our N.W. corner and is the S.W. corner of the Uramus Mine, thence in a nearly S.E. course 900 feet to a blazed tree and to which our Board Notice is nailed our S.W. corner, thence in an nearly N.E. course 300 feet to a blazed tree, to which our notice is nailed our S.E. center and line, thence in the same direction 300 feet to our S.E. corner, but at 220 feet from the center and line, notice is a precipice and the S.E. corner notice is not posted thence in nearly a N.W. course 900 feet to our N.E. corner which notice is not posted on account of the precipice, thence in nearly S.W. course, 300 ft. to our initial notice.
Notice of Location: "Bunker Hill"

NOTICE IS HEREBY GIVEN: that under and by virtue of an Act of Congress, approved May 10th, 1872, and amendments thereto, the undersigned have this day located and claimed 1500 feet linear, together with 600 feet in width being 300 feet on the westerly side and 300 feet on the easterly side of the center of the vein in this mineral bearing ledge, ledge or vein bounded and described as follows:

Commencing at the monument upon which this notice is posted running thence 750 feet north westerly and 750 feet running thence south easterly.

This claim is situated about one mile from Eagle Creek, in a westerly direction and is west of the Sullivan Claim, about 1000 feet, and is about one mile easterly from Perkins Ditch and crosses the first creek below the Union Road Bridge, about one mile up the Creek and is in the Eagle Mining District, Union County, State of Oregon and shall be known as the Bunker Hill Claim.

Located this 26th day of August, 1887. John Sullivan.

Locators: C. W. Wells.

Recorded Sept. 9, 1887, W. J. Duffy, Dist Recorder.

Recorded Oct. 8, 1887, A. T. Neill County Clerk.

Transcribed from vol "D" Quartz Location Records page 454 Union Co. Records.

Notice of Location: "Uranus Mine"

NOTICE IS HEREBY GIVEN: TO ALL WHOM IT MAY CONCERN: that we, Robert Kelly and Louis Blumner, citizens of the United States, have this 12th day of September 1887, located and do hereby locate and claim fifteen hundred feet of this quartz ledge, vein or lode, for mining purposes together with three hundred feet on each side of the ledge, with all veins and minerals contained there in.

Commencing at this our initial notice and monument and running in nearly a north east course 300 feet to our S.E. corner but on account of a steep precipice is not posted, thence at right angles and in nearly N.W. course 1500 feet to a blazed fir tree.
six inches thick to which our board notice is nailed, our N. E. corner, thence 300 feet in nearly a S.W. course, to a blazed s.r. tree, to which our board notice is nailed our N. W. corner and line thence in the same course 300 feet to a blazed tree to which our board notice is nailed our N. W. corner, (from the said N. W. corner the notice of location and map of the Mountain Chief Mine in Bonanza Basin bears south sixty degrees west and distant 300 ft) thence in a nearly S.E. course 1500 feet to a blazed tree, to which our board notice is nailed, our S.W. corner, thence in a Nearly N.W. course 300 feet to our initial notice and place of beginning.

The point of a ridge where the precipice is 150 feet deep bears N. ten degrees east from the initial notice and distant 100 ft. and from said point of ridge the tope of the syke in which is a tunnel like hole and which is mentioned in the notice of location of the Bonanza Water Right, bears north east and distant about 300 feet (these courses are magnetic) the center side line stakes and notice are posted.

The initial notice is written on a board and nailed to a post and posted on the top of the Granite ledge, which is twelve feet above the ledge and shall be known as the Uranus Mine in Granite Mining Dist. Union County, Oregon.

Cormacrea, September 22d, 1887,

Louis Blummer

THE VESUVIUS MINE

NOTICE IS HEREBY GIVEN TO ALL WHOM IT MAY CONCERN: that I, Louis Blummer, a citizen of the United States, do hereby locate and claim fifteen hundred feet on this quartz ledge, vein or lode, for mining purposes, together with three hundred feet on each side of the vein with all metals and minerals, contained therein.

Commencing at this, which is my initial notice and marking on the vein in a nearly due south course, twelve hundred feet and from said notice on the vein in a nearly due north course, three hundred feet and shall be known as the Vesuvius Mine and is a relocation of the Tom Patterson Mine, which was located Feb 20th, 1876, by Robert Keely, A Nixon, and John Hickey, my initial notice is written on a board and nailed to a blazed tree, which is three feet thick and is on the south bank and twenty feet from the bottom of Lost Horse Gulch, and is about eight hundred feet westerly or up the Gulch from the "Dominion" or Jack in the Hole Mine, in Granite Mining District, Union County, Oregon, my corners center side lines and center end line stakes and notices are all posted. The courses are magnetic and my initial notice is nailed to the same tree that the notice of the Tom Patterson Mine was nailed to.

Notice of Quartz Location: "Invincible"

We, the undersigned, citizens of the U. S. over the age of 21 years
have this day located 1500 linear ft. in length of this ledge, lode or vein, of quartz
or Periphery, carrying mineral in place with 300 ft. of surface ground on each side the
center thereof, the boundaries being more particularly described as follows:

Commencing at a stake, 750 ft. north west of this our initial or discovery
stake and running 300 ft. in a north easterly direction to a stake, which is our N. E.
corner stake, thence 1500 ft. in a south easterly direction to a stake, which is our S. E.
corner stake, thence 300 ft. in a south westerly direction to a stake, which is our south
west corner and stake, thence 300 ft. in a south westerly direction to a stake, which is
our south west corner stake, thence 1500 ft. in a north westerly direction to a stake
which is our north west corner stake, thence 300 ft. in a north easterly direction to a
stake, which is our north west center and stake, the place of beginning.

This claim is situated in Union County, Oregon about 12 miles north of the
Pine valley Post Office and between East Pine and Fish Creek, and will be known as the
Invincible Mining Claim.

State of Oregon

"Poor Man"

County of Union

I, J. Chaneey, being first duly sworn, say that I

am the printer's foreman, of the Oregon Scout, a weekly newspaper, published at Union,

Union County, Oregon, and of General circulation in said County and State, that the

appended copy of publication was published by consecutive weeks in said newspaper commen-

cing with the issue of February 10, 1889, and ending with the issue of May 4th, 1889,

E. Chaneey.

Subscribed and sworn to before me, this 25 day of May, A. D. 1889.

John R. Crites.

(notarial Seal)

Notary Public for Oregon.

Notice of Forfeiture:

County of Union, State of Oregon, February 5th, 1895.

To E. P. Howard, W. J. Cuming, and Hugh Webb. You are hereby notified that

I have expended one hundred and seventy five dollars ($175.00) in labor upon the "Poor

Man Mine", as will appear by certificate filed February 5th, 1895, in the Office of the

County Clerk of said County, in order to hold said premises under the provisions of

Section 2342, Revised Statutes, being the amount required, to hold the same for the year

ending December 31, 1894 and the year ending December 31, 1897, and if within ninety days

after notice by publication you fail or refuse to contribute your proportion of such

expenditure as co-owner, your interest in said claim will become the property of the

subscriber under Said Section 2342, 2-10 to 13.

John Carey.

Notice of location of a quartz claim.

NOTICE IS HEREBY GIVEN TO ALL WHO MAY CONCERN: that I, Emil A. Sanger, citizen of the United States, over the age of twenty one years having discovered a vein or lode of quartz or rock in place bearing gold and silver, within the limits of the claim hereby located, have this day under and in accordance with the Revised Statutes of the United States, Chapter Six, Title Thirty-two, located fifteen hundred (1500) linear feet of this vein or lode with surface ground six hundred (600) feet in width situated in no mining district, County of Union and known as the Amelia Quartz Mining Claim and extending fifteen hundred (1500) feet southerly to southerly stake, and three hundred (300) feet easterly and three hundred feet (300) westerly to side lines from this
notice at the discovery or prospect shaft which is no feet from the northerly end line

The exterior boundaries of this claim being distinctly marked by reference to
some natural objects or permanent monuments and more particularly described as follows:

Commencing at this stake, at the south side line of the Image Mining Location;
then three hundred (300) feet westerly along said line to the north east corner of this
location; thence right angles westerly fifteen hundred (1500) feet to the south east
corner, thence at right angles westerly six hundred (600) feet to the south west corner
thence at right angles, northerly fifteen hundred (1500) feet to the north west comer
which is on the Image Mine Location, southerly line, thence at right angles, easterly
along said Image line, three hundred (300) feet to this stake, or place of beginning.

This is a relocation of said Amelia Mine which was originally filed April 26,
1886, and is intended to more fully comply with the U.S. Statutes, and I intend to hold and
work said claim as provided by the local customs and rules of miners and the Mining Statutes
of the United States.

Emil A. Sanger
by I. P. Allen.

Dated on the ground this fourth day of June 1888.
Discovered April 26, 1886,
Located originally April 26, 1886
Attest: A. V. Oliver. Locator: Emil A. Sanger.

"Amelia"

Notice: That I, the undersigned, have this day located in accordance
with the United States, Land Law, enacted May 10th, 1872, A. D. the following ground on
this vein of quartz bearing gold and silver, 1500 feet by 600 feet wide situated in
Union County, Oregon in Union District, and more particularly described as follows:

Commencing at this stake on the south side line of the Image Mining Location; three hundred (300)
feet westerly to the north east corner then 1500 feet to S.E. corner, thence 600 feet
to the S.W. corner, thence northerly 1500 feet to the north west corner thence easterly
300 feet to the north end corner stake, or place of beginning. This shall be known as
the Amelia. Dated on the ground this 26th day of April, 1888.

"Chief"

Notice of Quartz Claim Location.

NOTICE IS HEREBY GIVEN TO ALL WHOM IT MAY CONCERN: that the undersigned, having complied with the Revised Statutes of the United States, have this the 17th day of June, 1888, located 1500 linear feet on this mineral bearing vein, ledge or deposit, together with 300 feet on each side of center of vein, with all dips, spurs and angles and better described as follows:

Beginning at my discovery shaft near which a copy of this notice is posted and running in a northerly direction 600 feet to a stake, marked north center and stake of the Chief, thence 300 feet easterly to a stake marked north east corner of the Chief, thence 1500 feet, southerly to stake marked south east corner of the Chief, thence 300 feet westerly to stake marked south west corner of the Chief, thence 1500 feet northerly to stake marked north west corner of the Chief, thence 500 feet easterly to stake marked north and center of the Chief, the place of beginning.

This claim is situated about one mile west of East Pine Creek and about 8 miles north west of Pine Valley Post Office and about 7 miles south easterly from Somucopia, in Granite Mining District. This claim shall be known as the Chief.

Located June 17th, 1888.  
Locator:  A. F. Chambers.

Recorded June 25th, 1888 by T. Neill Clerk by Turner Oliver Deputy Recorder.

Transcribed from vol. "D" Quartz Location records page 567 Union Co. records.

Notice is also given that we, the undersigned, having complied with the Revised Statutes of the United States, have this the 17th day of June, 1888, located 1500 linear feet on this mineral bearing vein, ledge or lode, together 600 feet in width, being 300 feet on each side of the center of said vein, with all dips, spurs and angles, running 750 feet north easterly and 750 feet south westerly on the vein from the discovery shaft near which this notice is posted and more particularly described as follows:

Beginning at the stake on which this notice is posted which being near discovery shaft which is about 1/2 mile north of East Pine Creek, and 2/3 of a mile west of Hale Creek about 11 miles from Pine Valley Post Office in a northerly direction (boundaries) begin at discovery shaft thence 750 feet in a north easterly direction to the north and center stake, thence 300 feet easterly to the north east corner stake marked N.E.C. Stake, thence 1500 feet south westerly to the south east corner stake, marked S.E.C. Stake, thence 300 feet westerly to south end corner stake, marked S.E.C. Stake, thence 300 feet westerly to south west corner stake, marked S.W.C. Stake, thence 1500 feet north easterly to the north west corner stake, marked N.W.C. Stake, thence 300 feet easterly to N.E.C. Stake, or place of beginning.
This claim shall be known as the Dahlie Varden Claim.

Notice of Location: "Home Stake"

NOTICE IS HEREBY GIVEN: that I, the undersigned, a citizen of the U. S., over 21 years of age having complied with the Revised Statutes of the United States, have this 9th day of June, 1885, located 1500 linear feet on this mineral bearing ledge, vein or ledge, together with 600 feet in width being 300 feet on the east side and 300 feet on the west side of the center of said vein, with all dips, spurs, and angles, running 1500 feet northerly from this my discovery stake, and more particularly described as follows:

Commencing at the stake on which this notice is posted which is the discovery stake which is on the west side of East Pine Creek, some 450 feet from said creek 2 miles south of the mouth of Hale creek and about 9 miles in a northerly direction from Pine Valley Post Office.
Beginning at the discovery stake, and running easterly 300 feet to my south east corner stake marked No. 1, thence northerly 1500 feet to north east corner stake No. 2, thence westerly 300 feet to north center stake, thence westerly 300 feet to stake No. 3, north west corner stake, thence 1500 feet southerly to stake No. 4, south west corner, thence easterly 300 feet to discovery the place of beginning.

This claim shall be known as the Idaho Mine.

Notices of Location: "Idaho" Mine.

NOTICE IS HEREBY GIVEN TO ALL WHOM IT MAY CONCERN: that I, having complied with the Revised Statutes of the United States, have this the 25th day of June, 1868, located 1500 linear feet on this mineral bearing vein or deposit, together with 600 feet on which, being 300 feet on each side of center of said vein. I claim 1500 feet on this vein running in a westerly direction from my discovery shaft near which a copy of this notice is posted, together with all digs and angles, and more particularly described as follows:

Commencing at the discovery shaft and running 300 feet in a southerly direction to post marked south east corner stake, of Idaho Mine, thence westerly 1500 feet to post marked south west corner of Idaho Mine thence northerly 300 feet to west and center post, thence northerly 300 ft. to north west corner stake 1500 feet easterly to north east corner stake marked south east corner of Idaho Mine, thence 300 feet to east and center stake and place of beginning.

Said location is about 1 1/2 mile from East Pine Creek on the west side about 3 miles from Pine Valley about 7 miles from Pine Valley Post Office. In a northerly direction. Said Claim is near a group of claims located from the 12th to the 14th day of June. This claim shall be known as the Idaho Mine.

Located June 14th, 1868, Locator: A. F. Chambers

"Lucky Boy" or "Elizabeth"

NOTICE IS HEREBY GIVEN: that the undersigned, a citizen of the United States, over the age of twenty one years, on the 13th day of June, 1888, discovered a vein or lode of quartz or sand rock in place bearing gold, silver and lead within the limits of the claim hereby located and have this 13th day of June, 1889, under and in accordance with the revised Statutes of the United States, located fifteen hundred linear feet of this vein or lode, in length with surface ground three hundred feet in width, on each side of the center of said lode.

Situated about 12-1/2 miles north of Pine Valley P. O. between east Pine and Fish Creeks mining Districts, County of Union and State of Oregon and known as the Lucky Boy, or Elizabeth Mining Claim and extending fifteen hundred feet to end from this notice at the discovery or prospect shaft.

The exterior boundaries of this claim being distinctly marked by reference to natural objects or permanent monument and more particularly described as follows, to wit:

Commencing at the S.E. corner of the Salmon Mine and running 1500 feet in a southerly direction to our S.E. cor Stake, thence 600 feet in a westerly direction to our S.W. cor Stake, thence 1500 feet in a northerly direction to N.W. cor Stake also the S. W. Corner of the Salmon Mine, thence 600 feet in an easterly direction to N. E. Cor. Stake to place of beginning.

The Lucky Boy or Elizabeth is the south extension of this Salmon Mine.

The north and south center and stakes found on the ground and that we intend to hold and work said above described claim as provided by the local laws and the customs and rules of miners and Mining Statutes and laws of the United States.

Discovered on the ground June 6th, 1888

Located June 13th, 1888, Charles B. Omai.

dated June 13th, 1889.

Recorded July 13th, 1888, A. T. Neill Clerk by Turner Oliver Deputy.

Henry Bentley, et al.

Notice of Location: Bentley Mine.

NOTICE IS HEREBY GIVEN: that we, the undersigned, locate and do hereby claim fifteen hundred feet on the quartz ledge, lode or vein with three hundred feet on each side of the center of the vein for mining purposes.

Commencing at this notice and running on the vein 750 feet in an almost due south-west direction and from said notice and monument on the vein in a nearly due north east direction 750 feet and shall be known as the Bentley Mine and is situated between Crandall Creek and Big Eagle Creek and is about eight miles on an an line nearly due west of Cornucopia in Union County, Oregon.
There is an incline shaft on the vein which is about seventy feet deep and the vein is about five feet thick. This is a relocation of said vein (name unknown) with incline and all improvements made thereon. There is also a portion of a broken down quartz mill near the mouth of said incline.

We also claim a spring of water with ditch pipe acts, which conveys said water from Spring to the Mill. Said Spring is about one thousand feet up the hill and about north westerly from the mine and this initial notice. This our initial notice is mailed to a post about five feet from the mouth of the incline, the comemend center and center side line stakes and notices are all posted.

Dated Eagle Mining District, June 25th, 1885, Union County, Oregon.

Granite King

State of Oregon

County of Union

I, T. R. Irwin, being first duly sworn say that I am one of the owners of the Granite King Quartz Mine, situated in Granite Mining District, in Union County, Oregon, the location notice of which appears in record at page 169 of vol "B" of the records of quartz location of Union County, Oregon in the office of the County Clerk of said Union County, that I was one of the original locations of said Granite King Quartz Mine, that said mine was located by James Mills, Ed Mills, Raybone Reed, George Demny, and this affiant T. R. Irwin, on May 23rd, 1885, that the notice of location was filed for record on June 27th, 1885, that before said notice was recorded and between the dates of location said claim and the date of recording said notice W. Updyke and James Morrison, were taken into the company and signed their names as co-locators of the same, that through some clerical error the recorded notice on said page 169 of vol "B" of quartz records afore said shows date March 23rd 1885, that said date is erroneous on the record and should be May 23rd 1885. The true and correct date of location of said quartz mining claim and I make this affidavit to correct said clerical error.

Thomas R. Irwin.

Subscribed and sworn to before me, this Sept 24th, 1886, as witness seal of County Court affixed.

Tunnel Claim: "Last Chance"

KNOW ALL MEN BY THESE PRESENTS: that the undersigned, citizens of the United States have this (26th, twenty-six day of February, 1899), claim by right of location a tunnel claim for the purpose of discovering and working veins, lodes or deposits on the line thereof; said tunnel claim is situated in the Sparta Mining District, County of Union, State of Oregon, and the location and bounds of said tunnel are staked on the surface at the place of commencement and termination there as well along the line thereof, said claim is more particularly described as follows:

Beginning at claimed point by Irwin and Ainsworth, being situated on east end of said tunnel, and bounded on the south by the Boss Pittsburg; we therefore claim one thousand feet in width in a north and southerly direction and three thousand in an east and westerly direction.

This tunnel to commence about 1000 ft. from point of beginning and about 150 ft. from the line of the Boss Pittsburg. Said tunnel to be known as the Last Chance.

Sparta, Oregon

NOTICE IS HEREBY GIVEN: that we, the undersigned, Robert Kelley and Louis Blummer, citizens of the United States have this 7th day of January, 1899, located and do hereby locate and claim 1500 feet of this quartz ledge, vein or lode for mining purposes with 300 feet on each side of the vein with all ledges, and minerals contained therein. Commencing at this point in our initial notice, which is written on a board and nailed to a blazed fir tree. Its upper portion being dead and is sixteen inches thick, then in a south west course 300 feet to a blazed fir tree which is six inches thick to which our board notice is nailed, our S.W. corner side line, thence in a nearly S.W. course, 750 feet to a blazed double tree, each of which is three feet thick to which our board notice is nailed and from the initial post of location of the Howe Chance Mine bears nearly south west distant about 300 feet our south west corner, thence N.E. 300 feet to a stake to which our notice is nailed our south east corner and stake, then in same direction 300 feet to a blazed tree, to which our notice is nailed our south east corner thence in nearly north west course 350 feet to a blazed tree and notice our N.E. corner side line, thence in the same course 750 feet to a post and notice our N.E. corner, thence in a nearly S.W. course, 300 feet to a post and notice then in the same direction 300 feet to a post and notice our N. corner, thence in a S.E. course, 750 feet to the place of beginning, and our S.W. center side line. The initial notice is post about twenty-five feet north west of where the vein is exposed which is two feet thick of solid quartz and is horizontal without dip in any direction and is on the north side of the ridge which joins the south vein of Banana Basin and is about 500 feet south westerly from the location notice of the Mimi Hoop Mine in Granite Mining Dist. Union County, Oregon.

There has been some work done on the mine years ago but there are not indications that it has ever been located and shall be known as the "Samoa" Mine, Granite Mining Dist., Union County, Oregon.

James R. Eaton, "Limber Jim"

NOTICE IS HEREBY GIVEN: that under and by virtue of an Act of
Congress, approved May 10th, 1872, and amendments thereto, the undersigned has this day
relocated and claimed fifteen hundred linear feet together with six hundred feet in width
being three hundred feet on each side of the center of the vein in this mineral bearing
ledge, lode or vein, bounded and described as follows:

Commencing at the monument upon which this notice is posted running thence
north or a little west of north five hundred feet to a monument, the same being
the north end center monument, thence west three hundred feet to a monument, the same being
the north west corner monument, thence south five hundred ______ to a monument; the
same being on the west line thence south one thousand ______ to a monument the same being
the south west corner monument thence east three hundred feet to a monument, the same
being a little east of south of the place of beginning, thence east three hundred feet to a
monument, the same being the south east corner monument, thence north one thousand feet
to a monument, the same being the east side monument thence north five hundred feet to
a monument the same being north east corner, thence west three hundred feet to the north
center monument,

This claim is situated in Granite District, on the easterly slope of the
mountain, west of the Horrey Pass about one mile north of Fred Stein Arrastra about a
quarter of a mile west of the Arrastra Creek. Laps over the divide between the head of Pine
Creek and the head waters of the Imnaha and shall be known as the Limber Jim Mine.

Located this 10th day of July, A.D. 1899.

C. T. Bradley Mining Company, et al. "Augusta No.1 & No.2" Holy Roy,
Assessment work, affidavit.

THIS IS TO CERTIFY: that I, W. J. Tomlin, of the County of Union State of Oregon, am the authorized agent of C. T. Bradley, Emil A. Sanger, and the C. T. Bradley Mining Company, and that as such agent I have caused to be performed since January 1st, 1889, over two hundred dollars worth of work in running a tunnel from the C. T. Bradley Mining Company's Start toward the Imogene and Amelia Quartz Mining Claims, said tunnel being designed, to reach the vein in said claims.

And further: I have caused to be performed since January 1st, 1889, over four hundred dollars worth of work in a tunnel known as the Old Backwood Tunnel, opening a way to work the Apex, the Rob Roy, the Augusta No.1, and the Augusta No.2 Quartz Mining Claims.

And further: I have caused to be performed since January 1st, 1889, over one hundred dollars worth of work in extending what is known as the Swing Drift No.3, level of the Sanger Mine into the Last Chance Quartz Mining Claim.

Therefore I do hereby certify that over one hundred dollars has been expended for assessment work for the year 1889 for each and every one of the above mentioned quartz mining claims as required by law said claims being situated in what is commonly known as the Hagen mining District, Union County, Oregon.
Witness my hand and seal, this thirteenth day of December, A.D. 1889.

W. J. Townley.

THIS IS TO CERTIFY that we, Geo. T. Cullen and James Maloney, of the County of Union, State of Oregon, have read the foregoing statement made this day by W. J. Townley. Therefore we do now certify that the work described therein has been performed at the time and places and in the manner and to the full amount mentioned in said statement and further that we are in no wise interested in said Quartz Mining Claim, either directly or indirectly.

Witness our hands and seals, this thirteenth day of December, A.D. 1889.

George T. Cullen,  

James Maloney,  

State of Oregon  

Union County

Personally came before me, this thirteenth day of December A.D. 1889, W. J. Townley, and Geo. T. Cullen and James Maloney, well known to me to be the persons who signed the foregoing statements and each for himself acknowledged each and every one of the statements to which he attached his signature to be true to the best of his knowledge and belief.

Pearce Rogers.  -- Mdalco Mine

Notice of relocation: Certificate of Record.

NOTICE IS HEREBY GIVEN: that the undersigned citizen of the U.S.
having complied with the U.S. Mining Laws and Local Regulations, has this 1st day of
January, 1893, located as a relocation by John S. Irvin, Aug. 2nd, 1893, and named
the Del Monte No. 1. The same is hereby re-located and named Mdalco Mine.

Commencing at or near the Old Josh Tunnel, thence 1500 feet northerly and
300 feet on each side of said lot, making a claim 500 feet long by 600 feet wide and
I claim all slips, dips, angles, and parallel lodes within said boundaries.

This relocation is made on the grounds that the annual assessment of one
hundred dollars worth of work has not been done on said Old Josh Mine, therefore said
location reverted to the general government and the same is hereby located according
to law. Situated in Sec. 15, T.8 S., Range 40 E. W. M. Union Co. Oregon, the
corners are all established by stakes and the same corners are accepted as made by the
Jay Guy Lewis Survey in August 1893, etc.

Witnesses: Nelson Luskard, Jay Guy Lewis.

J. O. Lewis, et al.  
Copper King and 
Copper Queen Mining Co.

State of Oregon)  
County of Union)

Re:  
Eagle, Oregon, Jan 10, 1890.

Before me, the undersigned, a Justice of the Peace in and for said County, personally appeared J. A. Gillison and M. J. Jones, to me personally known, who being duly sworn, said they had spent at least two hundred dollars ($200.00) worth of labor or improvements upon the Copper King and Copper Queen Mining Claims, situated in the Eagle Mining District, in Sec. 24, Tp. 7 N., R. 43 W. N. M. County of Union and State of Oregon, during the year ending Jan. 1, 1890, said improvements were made at the expense of John Johnson and J. O. Lewis, owners of said Mining Claims for the purpose of holding and developing the same; said Jones and Gillison further testify that the assessment work for the year ending Jan. 1, 1890 would have been duly finished according to provisions made in the Little Ruby Mining Claim located in same district, but for orders received to the contrary from Jay Guy Lewis an owner of said claim.

Witness my hand and seal, this 16th day of January, A. D. 1890.

John Erwin.

Justice of the Peace for Red Rock Precinct.

Oregon Gold Mining Co. "Denver"

Affidavit of Value of Labor and Improvements.

State of Oregon |

County of Union |

Before me, the subscriber, personally appeared Geo. Neill, agent of the Oregon Gold Mining Company, who being duly sworn, saith, that at least one hundred dollars worth of labor, or improvements were performed or made upon the Denver Quartz Mining Claim; situated in Granite Mining District, County of Union, State of Oregon, during the year ending December 31, 1899, (nine) such expenditure was made by or at the expense of the Oregon Gold Mining Company, of Louisville, Ky., owners of said claim for the purpose of holding said claim.

The Oregon Gold Mining Company,
of Louisville, Kentucky,

Subscribed and sworn to before me, this twenty-ninth day of April, 1899.

James R. Eaton.

Justice of the Peace Cornelius, Precinct Oregon.

State of Oregon |

County of Union |

Clerk's Office.

I, A. T. Neill, Clerk of said county of Union and of the courts of Record, therein, do hereby certify that James R. Eaton, Esq., who is named as subscriber to the above-mentioned affidavit and thereon written was at the time of the taking of such oath a Justice of the Peace in said County aforesaid and duly authorized to take the same, that I am acquainted with the handwriting of such Justice of the Peace and verify the signature to the said certificate is genuine.

IN TESTIMONY WHEREOF I have hereunto set my hand and affixed the seal of the County Court of said County, this 21st day of May, A.D. 1899.

Relocation Forest Queen Claim.

NOTICE IS HEREBY GIVEN that the undersigned citizens of the United States, over the age of twenty one years on the 9th day of June, 1891, discovered a vein or lode of quartz or sand rock in place bearing gold silver and lead within the limits of the claim hereby located and have this 9th day of June, 1891, under and in accordance with the Revised Statutes of the United States, located fifteen hundred linear feet of this vein or lode, in length with surface ground three hundred feet in width on each side of the center of said lode situated in the Granite Mining District, County of Union and State of Oregon and known as the Forest Queen Claim, Mining Claim and extending fifteen hundred feet to and from this notice at the discovery or prospect shaft.

The exterior boundaries of this claim being distinctly marked by reference to natural objects or permanent monuments and more particularly described as follows, to wit:
Commencing at this notice and discovery shaft, thence running N. 15° 40' W. 620 ft. to north center post from N. C. post, N. 74° 20' E. to N. E. corner, 300 ft. also N. 105° 40' W. 250 ft. more or less, to N. W. corner, also from discovery shaft S. 15° 40' E. 620 ft. to south center post, from S. center post N. 74° 20' E. 300 ft. to S. E. corner also N. 105° 40' W. 250 ft. more or less to S. W. corner containing 16 acres more or less.

This is a relocation of the original Forest Queen claim made to describe more accurately the boundary lines according to U.S. Law and regulations thereunder and does not affect any invested rights, titles, etc. relocators having acquired title either by purchase or original location, and that we intend to hold and work said above described claims as provided by the local laws and the customs and rules of miners and mining statutes and laws of the United States.

L. E. Irwin, et al.  "Little Archie"  "The Windsor"  "The Napoleon"  "The Bonaparte"  "The Empress"  "Little Archie"  "The Windsor"  "The Napoleon"  "The Bonaparte"  "The Empress", all of which claims are situated in the Eagle Mining
District, about one and one half miles from Sparta on the west slope of what is known as Salty Mountain and are in Union County. The said claims are contiguous claims and are shown by the following diagram:

--- Diagram Sketch ---

Depositor further says: That the said claims were duly noticed and the said notices have been duly recorded with the clerk of the court at Union in said County to which notice reference is made for specific description.

That a large sum of money has been annually spent upon said claims since their location each in excess of the sum of one hundred dollars, each.

That the said claims have been continually in the possession and occupation of himself, his associates and their grantees.

That the sum as expended is over two thousand ($2000.00) dollars and that he has personal knowledge of this expenditure and occupation for most of the two years last past and has information of the preceding one year; that this affidavit is made upon his part to comply with the statute regarding such matters.

R. Carpenter.

"The Nyassa" Mine.

NOTICE IS HEREBY GIVEN: that I, the undersigned, have this 30th day of July, 1899, located and claim 1500 feet on this ledge or vein, of quartz for mining purposes, with 300 feet on each side of vein; commencing at this my initial notice which is written on a board and nailed to a blazed stump about thirty feet south of an incline shaft, which is sunk over one hundred feet on the vein, thence south about 75° east 750 feet to the north west end line of the Nevada Mine, and from said initial notice on the vein north about 75° west 750 feet to the south east end line of the Panama Mine, and shall be known as the Nyassa Mine, in Granite Mining Dist. Union Co. Oregon.

This is a re-location on the Contact Mine which was located by Anderson Ranges and Johnston, in 1895.

The Mine is located on Red Mountain about four thousand feet north westerly from the forks of the north and west branches of Pine Creek. The notice are all posted.

Alfred J. Waldron, and John Younger, citizens of said County and State, being first duly sworn, depose and say, we have this day examined the work done upon the Gray Eagle and Union quartz mines, located in Eagle Mining District, sports, Union County, Oregon, and find that during the year 1890, E. R. Cough, D. Reed, and J. A. Wright, the owners of said mine, have had a new shed built and a tunnel run on the vein, to the extent of more than one hundred dollars in cost, for each of said mines as assessment work for the year 1890.

Witness our hands this 3rd day of September, A. D. 1890.

Alfred J. Waldron. [Seal]

W. L. More, et al.  "Oxide"

Notice of Location of Quartz Claim.

NOTICE IS HEREBY GIVEN: that the undersigned, citizens of the United States, over the age of 31 years, on the 13th day of September, 1890, discovered a vein or lode, or sand rock in place, bearing gold, silver and lead, within the limits of the claim hereby located and have this 13th day of September, 1890, in accordance with the Revised Statutes of the United States, located 1500 linear feet of this vein or lode in length with surface ground 200 feet width on each side of the center of said lode.

Situated in the Mining District, County of Union, State of Oregon and known as the Oxide Quartz Mining Claim and extending 1500 feet to and from this notice at the discovery or prospect shaft.

The exterior boundaries of this claim being distinctly marked by reference to natural objects or permanent monuments and more particularly described as follows, to wit:

Commencing at a mound of rock and post from which the Section Corner, commencing Sections No. 27 28, 33 34, in Township 7, South range 42, east bears north 142° 59' 585 chains on ground, thence north 37° 30' W. 1500 feet to a post and mound of rocks, thence north 52° 30' east 600 feet to a post and mound of rocks, thence south 37° 30' W. 1500 feet to a post, and mound of rock, thence south 52° 30' west 600 feet to a post and mound of rocks and to place of beginning.

This is a relocation of the mining claim and formerly known as the Jack Pickle Claim, and that we intend to hold and work said claim as provided by the local
Laws and the customs and rules of miners and the mining statutes and the laws of the United States. Discovered on the ground Sept. 13th, 1890.

Located September, 13th, 1890. W. L. Myers.

Notice of Location of quartz claim.

NOTICE IS HEREBY GIVEN that the undersigned, citizens of the United States, over the age of twenty one years, on the 13th day of September, 1890, discovered a vein or lode, of quartz and sand rock in place bearing gold, silver and lead within the limits of the claim hereby located and have this 13th day of September, 1890, under and in accordance with the Revised Statutes of the United States, located 1500 linear feet of this vein or lode, in length, with surface ground 300 feet in width on each side of the center of said lode.

Situated in no Mining District, County of Union, State of Oregon and known as the Native Quartz Mining Claim and extending 1500 feet to the front from this notice at the discovery or prospect shaft.

The exterior boundaries of this claim being distinctly marked by reference to natural objects or permanent monuments and more particularly described as follows, viz: Commencing at a post and mound of rocks which post is the north west corner of the claim herein known as the Jack Pickle Claim in Section 28, T. 7 S. R. 45 East and thence 37° 30' west 1500 feet to a post, thence north 52° 30' east 600 feet to a post, thence south 37° 30' east, 1500 feet to a post, thence 52° 30' west 600 feet to the place of beginning.

This is a relocation of what is known as the A. C. Simmons, quartz claim in Section 28, T. 7 S. R. 45 East and that we intend to hold and work the same as provided by the local laws and custom and rules of miners and Mining Statutes and laws of the United States. Discovered on the ground and located September 13th, 1890.

Notice of Location of Quartz Claim.

NOTICE IS HEREBY GIVEN TO ALL WHOM IT MAY CONCERN; that

Lovey S. Irwin, and George W. Robinson, citizens of the United States, over the age
of twenty-one years, having discovered a vein or ledge of quartz or rock in place bearing
gold and silver, within the limits of the claim here by located and have this day under
duced the revised Statutes of the United States, Chapter Six, Title
Thirty-two, located fifteen hundred linear feet of this vein or ledge, with surface ground
600 feet in width.

Situated in no organized Mining District, County of Union, State of Oregon
and known as the Little Archie Quartz Mining Claim and extending 12° 30' E. 750 feet
to post and N. 12° 30' W. 750 feet to post from this notice at the discovery or prospect
shaft which is 750 feet from either end line of claim.

The exterior boundaries of this claim being distinctly marked by reference
to some natural object or permanent monument, and more particularly described as follows:

Commencing at the center post on south end line of claim from which
1/4 Sec., corner on the south side of sec. 9, in Tp. 45 S. R. 44 E. W. M. (bears E. 30° 30' E. 32.37 chains distant thence N. 77° 30' E. 300 ft. to post, thence N. 12° 30' E. 1500 ft. to post, thence S. 77° 30' W. 600 ft. to thence S. 12° 30' E. 3000 ft. to place of beginning.

This is a relocation made to more definitely fix the boundaries of the claim, and we intend to hold and work said claim as provided by local customs and rules of miners and the Mining Statutes of the United States and of the State of Oregon.

C. T. Bradley Mining Company et al.

THIS IS TO CERTIFY that W. J. Townley, of the County of Union, State of Oregon, and the authorized Agent of C. M. Sanger, C. T. Bradley, W. H. McCall, and Daniel Wells, Jr. of Milwaukee, Wisconsin, also of Emil A. Sanger, Alfred T. Sanger and C. T. Bradley Mining Company of Baggett, California, also W. K. Aldersley, and Lyell H. Aldersley, of Hope, California; and that as such Agent I have caused to be expended since January 1st, 1890, (1st) over two hundred and twenty dollars in running a tunnel from Susan Gulch upon the Imogene, and the Amelia quartz mining claims; such tunnel being designed to work said claims through:

2nd: Over three hundred dollars in running a tunnel towards the Apex, the Augusta No. 1, and the Augusta No. 2, quartz mining claims, said tunnel being upon the No. 2 level, from the C. T. Bradley Mining Company shaft and designed to reach the veins in these claims;

3rd: Over one hundred dollars in mining and handling ore upon the Rob Roy quartz mining claims.

4th. Over one hundred dollars in extending what is known as the Swing Drift No. 3 tunnel level of the Sanger mines and upon the Last Chance quartz mining claim.

Therefore I hereby certify: That over one hundred dollars have been expended for assessment work for the year 1890 for each and every one of the above-mentioned quartz mining claims, as required by law said claim being situated in what is commonly known as Hogen Mining District, Union County, Oregon.

Witness my hand and seal this twenty-third day of December, A. D. 1890.

W. J. Townley.

THIS IS TO CERTIFY that we James Fairweather and J. D. Coleman of the County of Union, State of Oregon have read the foregoing statement made this day by W. J. Townley.

Therefore we do hereby certify: that the assessment work mentioned therein has been performed at the time and places and in the manner and to the full amount mentioned in said statement and further that we are in no wise interested in said quartz mining claims, either directly or indirectly.

Witness our hands and seals this 23rd day of December, 1890.

Notice of Location of a quartz claim.

NOTICE IS HEREBY GIVEN TO ALL WHOM IT MAY CONCERN: that Alfred Howard, E. Ellis, and W. A. Gates, citizens of the United States, over the age of twenty one years, having discovered a vein or ledge, of quartz or rock in place bearing mineral within the limits of the claim hereby located, here this day under and in accordance with the Revised Statutes of the United States, Chapter Six, Title Thirty-two, located fifteen hundred (15000) linear feet of this vein or ledge, with surface ground six hundred (600) feet in width, situated in the Mining District, County of Union, State of Oregon, and known as the Surprise Quartz Mining Claim and extending six hundred feet south east to stake and fifteen hundred feet north west to stake, on a straignt line from this notice at the discovery or prospect shaft.

The exterior boundaries of this claim being distinctly marked by reference to some natural objects or permanent monuments and more particularly described as follows; to wit:

Beginning at a stake west of this discovery shaft about 900 feet on a perpendicular of rock below the mouth of Antelope Creek, thence bearing east of north 600 feet to large rock in bed of a dry gash then south of east 1500 ft. to stake, at point of rocks about 500 ft. from Powder River, thence west of south 600 feet thence north of west 1500 ft. to point of beginning; said claim embracing only so much within said boundaries as may be situate in Union County, Oregon and we intend to hold and work said claim as provided by the local customs and miles of miners and the Mining Statutes of the United States.

Dated on the ground this 14th day of March, 1891.

Notary Public for Oregon.

Recorded Nov. 23rd, 1891, at 8 o'clock A.M.

Turner Oliver County Clerk by J. N. Oliver Deputy.

Transcribed from vol. "E" Quarters Location Records page 561 Union Co. Records.

State of Oregon

County of Union

Before the subscriber, severally appeared, who being duly sworn, says that during the year ending December 1891, at least three thousand dollars has been expended for labor and improvements upon the "Little Archie", "Winston", "Napoleon", "Sunday Sight" & "Annie J." quartz mining claims, all situated in Sparta Mining District, Union County, Oregon, Oregon, these quartz mining claims adjoining and are owned jointly for the better development of them all.

This expenditure was made upon the "Little Archie" Claim in accordance with Sec. 350 U.S. Mining Laws, and Sec. 4 Chapter 38, of Laws of Oregon.
Such expenditure was made by or at the expense of the eastern Gold Mining
Company and incorporation organized under the laws of the State of Michigan and per-
tained by F. C. Smith, Superintendent for the purpose of holding said claims.

Frank C. Smith.

Subscribed and sworn to before me this 21st day of November, 1891, at Sparta
Union Co. Oregon.

Geo. Henderson.

Justices of the Peace. Sparta precinct, Union County, Oregon.

Recorded Nov. 25th, 1891, at 1 o'clock P.M. Turner Oliver County Clerk.

William R. Gregg.

Notice of Location: "Giant"

NOTICE IS HEREBY GIVEN: That I, the undersigned, citizens of the
United States, and over the age of 21 years have on this one day of November, 1891,
located 1500 linear feet of this mineral-bearing quartz ledge or ledge, in length with
surface ground 300 ft. on each side of center of the ledge, including all dikes, spurs
and angles and I the undersigned, claim 1500 feet running in a north westerly direction
from this notice of discovery shaft and I the undersigned intend to hold and work said
above described claim according to the rules and customs of miners and the laws of the
United States.

This claim is situated in Granite Mining District, Union County Oregon and
will be known as the Giant Mining Claim and is about two miles west of Fish Lake and
7 miles east of Cornucopia, on top of a hill between Clear Creek and the west point of
east Pigeon Creek.

Recorded Nov. 25th, 1891, at 1 o'clock P.M. Turner Oliver County Clerk.

The Detroit Mining Co. "Powder River," Boston

County of Union.

State of Oregon.

Before me, personally appeared the subscriber, who
being duly sworn deposes and says that at least four hundred dollars has been expended
for labor on improvements upon the following placer mining claim, to wit:

The Powder River Mine, consisting of 160 acres, the Boston Mine, consisting
of 50 acres the New York Mine, consisting of 160 acres and the Chicago Mine consisting
of 30 acres. The whole, formerly known as the Buckland and Williamson placer claims and being
situated in Powder River in the Counties of Union and Baker and recorded in those counties.
The above expenditure was made at the expense of the Detroit Mining
Company, the present owners of said claim for the purpose of holding the said
claims during the year ending Dec. 31st, 1891.

Frank C. Smith

Subscribed and sworn to before me this 31st day of November, 1891.

Sec. Henderson

Justice of the peace, Sparta Precinct, Union Co., Oregon.

Eastern Oregon Mining Co.

State of Michigan
County of Wayne

Frank C. Smith, of Detroit, Michigan, being duly sworn deposent and says, that he has been in the employ of the Eastern Oregon Mining Company, a corporation organized under the laws of the State of Michigan and was during the fall of 1891, engaged for said Company in doing work on the Little Archie Quartz Mining Claim, situated in Sparta, Union County, Oregon, and on the twenty-fifth day of November, 1891, he filed a Proof of Labor, done on said Little Archie Claim with the County Clerk of said County of Union, and to which Proof of Labor recorded in said County Clerk's Office in Book "E" page 369, Quartz Claim, of said County, deposent refers.

That, in said Proof of Labor deposent stated that the work of labor and expenditures were made upon said Little Archie for the better development of the following claims: The Little Archie, "Winson", "Napoleon", "Sunday Light", and "Annie J." all quartz claims situated in said Mining District.

That at the time of making such proof of Labor deposent believed and so stated that all the said quartz mining claims aforesaid were owned wholly and absolutely by said corporation; deposent further says that he made said affidavit of his own motion without consultation with or direction from any of the officers of said Eastern Oregon Mining Company and that since his return to the city of Detroit in the State of Michigan, where the office of said corporation is located, he has learned that the supposition under which he made such Proof of Labor as to the ownership of said claims was not correct but he is informed by the officers of said Company and so believes and states that the said claims The Little Archie and Winson are owned entirely and absolutely by the said Eastern Oregon Mining Company while the said Company is only the owner of an undivided interest in the remainder of said claims and that it was not intended or understood by the officers of said corporation that the work so done and expenditures made by deposent upon the Little Archie was for the benefit of any of the said claims in which said corporation has only an undivided interest but wholly for the benefit of the said Little Archie and Winson claims and that deposent makes this affidavit for the purpose of correcting his said error and says that during the year 1893, at least three thousand dollars has been expended for labor and improvements upon the Little Archie and Winson Quartz Mining Claims all situated in the Sparta Mining District, Union County, Oregon.

These quartz Mining Claims adjoin and are owned jointly by said corporation.

For the better development of both of them this expenditure was made on the Little Archie Claim in conformity with Section 390, United States Mining Laws and section four Chapter 38 of the Laws of Oregon, such expenditure was made by or at the expense of the Eastern Oregon Mining Company, a corporation organized under the laws of Michigan and performed by F. C. Smith, Superintendent, for the purpose of holding such claims.

Frank C. Smith.
Sworn to and subscribed before me, this 20th day of January, 1892.

"Gold Chest"  

Notice of Location of a quartz Claim.

NOTICE IS HEREBY GIVEN: that by virtue of an Act of Congress, approved May 10th, 1892, and amendments thereto, the undersigned has this day located and claimed and does hereby locate and claim 1500 linear feet of this mineral bearing quartz lode, together with 600 feet in width as surface ground being 300 feet on each side of center of vein and more particularly marked and described on the ground as follows, to wit: Beginning at this the discovery running thence N. 60° E. 750 feet to a fir stump thence W. 300 feet to a fir stump thence south 1500 feet to a blazed white fir tree thence N. 300 feet to white fir stump thence E. 300 feet to a white fir stump thence N. 1500 feet to a blazed tamarack tree, thence W. 300 feet to fir stump or place of beginning.

This claim is situated about one mile north of the Sheep Rock Quartz Claim and one mile west of the Gold King Quartz Claim and about one half mile south of the Red Mountain and on the west side of East Eagle Creek, in Eagle Mining District, Union County, State of Oregon, and shall be known as the Gold Chest Quartz Claim, and I intend to hold and work the same according to the U.S. Revised Statutes and the Statutes of the State of Oregon and the local laws, customs and regulations of this district.

Located this 16th day of June, 1892. Locater: John Sullivan.

Recorded July 14th, 1892 at 1 o'clock P. M. Turner Oliver County Clerk.

Transcribed from vol. 2 "E" Quartz Location records page 461 Union Co. records.
D. W. Rice, et al.  "Phoenix"

We, the undersigned, have this day located this mineral bearing lode, or vein, with all its dipoles, spurs, angles and variations, to be known as the Phoenix Mine, commencing at this notice stake, near discovery hole running eighty hundred feet in a south westerly direction to the host line and two hundred feet in a north westerly direction to the Union and Companion Mines and three hundred feet on each side of vein, according to U. S. Mining Laws; staked on corners.

Said vein is situated about one mile south west of Carmencita, in Granite Mining District, in Union County, Oregon.

Located this 16 day of July, 1893, I. Amstel.

Locators: D. W. Rice.

To A. D. Tufts, Hugh Webb and Cyrus T. Wheeler,

You are each of you hereby notified that I have ex-
nepended five hundred dollars in labor and improvements upon what is known located and re-
corded as the Companion Quartz Mining Claim; situated in Granite Mining District Union
County State of Oregon.

The said Companion Quartz Mining Claim, being more particularly described
as lying adjacent to Red Jacket and the Union Quartz Mining Claims situated near Carr-
ucopia, Union County, State of Oregon, eighty three dollars and thirty cents of said five
hundred dollars, was so expended for the use and benefit of the said A. D. Tufts and
sixty eight dollars and eighteen cents for the said Hugh Webb, and thirty-three dollars and
thirty three cents for the said Cyrus T. Wheeler; that said money was so expended during
the year 1891, and preceding years, and was so expended in order to hold the said Companion
Quartz Mining Claim, under the provisions of Section 2534 Revised Statutes of the United
States, being the amount required to hold the said Mining Claim for the year ending December
31st, 1891, and if within ninety days after this notice by publication you fail or refuse to
contribute your proportion of such expenditure as a co-owner your interest in said Companion
Quartz Mining Claim will become the property of the subscriber under said Section 2524.

Stephen S. Bailey.

Dated at Union, Union County, Oregon, April 14, 1892.
"In re-advertisement of Stephen S. Bailey vs Hugh Webb
"Cyrus T. Wheeler and A. D. Tufts, 4-21-15-14."
State of Oregon) SS
County of Spokane)

I, Stephen S. Bailey, being first duly sworn upon my oath depose and say that I am a citizen of the United States of lawful age and I am the same Stephen S. Bailey, mentioned in the advertisement herein after described and I am a patentee in the Companion Mine, which is herein after described.

On the 21st day of April, 1892, I caused to be published in the Oregon Republican, a weekly newspaper published at Union, in the County of Union, in the State of Oregon, a certain publication and advertisement wherein and whereby under the laws of the United States, in such cases made and provided and under the laws and regulations of the State and District, in which the property hereinafter described is located I advertise and publish my interest in the mining claims as follows, to wit: Companion Mine, located about one mile north east of Cornucopia, in the County of Union, in the State of Oregon, near the head of Pine Creek and in what is known as the Pine Creek Mining Camp, a copy of which notice will be annexed to this affidavit and marked exhibit A. and made a part of it; that no part of the money mentioned in said notice and due and owing on account of said assessment work as therein described has ever been paid, and I have not received the whole or any part of such payments either before or after making such advertisements, up to the present time, I make this affidavit in compliance with what I understand to be the requirements of the law in such cases made and provided.

Eastern Oregon Mining Co.,

"Little Archie", "Windsor", "South ext. Little Archie"

Before me, a Notary Public, for the State of Oregon, personally came F. C. Smith, who being duly sworn, says that at least one thousand dollars, ($1000) for actual labor have been expended upon the following claims, to wit: The Little Archie, The Windsor and The South Extension of the Little Archie, the latter claim being originally located by Irwin, Second, Dilworth & Stevens, and recorded May 1st, 1851, P. 279, in Book "c" Quartz Records and assigned to the Eastern Oregon Mining Co. all the above situated on Baldy Mountain in the Sparta Mining District, Union Co., Oregon, for the better development of these claims, the money has been expended upon one, to wit:

The Little Archie in accordance with Section 39 U.S. Mining Laws, and Section 3700 Laws of Oregon, such expenditure was made at the expense of the Eastern Oregon Mining Co. at Detroit, Michigan by their A. J. Smith, for the purpose of holding said claims during the year ending December 31st, 1852.

County of Union,

State of Oregon,

On this 21st day of September, A.D. 1852, personally came the above named F. C. Smith, to me well known and acknowledged that he executed the above instrument for the uses and purposes therein mentioned.

Witness my hand and official seal, this day and year above written.

Jes. A. Wright, Notary Public of Or.

Recorded Sept. 23rd, 1852 at 9 o'clock A.M. Warren Oliver Co. Clerk.

Certificate of Recent Notice of relocation:

NOTICE IS HEREBY GIVEN that the undersigned having complied with the U. S. Mining Laws and the local regulations has this second day of January, 1923, located for mining purposes, a relocation the "Tom Paine" Mine.
Commencing at the shaft where notice of location is posted, thence
easterly 750 feet and 750 feet westerly along said Tom Paine Lode, and 300 feet on each
side of said lode. Tom Paine is situated about three miles southerly from the town of
Sparks, Union Co., Oregon, on Deer Flat near the Free Thinker Mine, and the Yankee Girl
Mine.

The corners are the same as established by the Jay Gay Lewis Survey in 1859,
there being insufficient work done during the year 1862, the same is hereby relocated
this 2nd day of January A.D. 1873.

Recorded Jan 9th, 1873, at 1 O'clock P.M. Turner Oliver County Clerk.

Transcribed from vol. "E" Quartz Location records page 579 Union Co. Records.

Maurice O'Brien, "Free Thinker"

Certificate of recipt: Notice of relocation:

NOTICE IS HEREBY GIVEN: that the undersigned having complied
with the U.S. Mining laws and local regulations has this 2nd day of January, A.D. 1873,
located for mining purposes, as a relocation the Free Thinker Mine.

Commencing at the discovery shaft where notice of location is posted thence
northerly 750 feet and 750 feet southerly along said Free Thinker Lode and 300 feet on
each side of said lode. The Free Thinker Mine is situated about three miles in a southerly
direction from the town of Sparks, Union Co., Oregon, on Deer Flat near the Tom Paine Mine
and Yankee Girl.

The corners are the same as established by the Jay Gay Lewis Survey in 1859,
there being insufficient work done during the year 1862, the same is hereby relocated
this 2nd day of January, 1873.

Recorded Jan 9th, 1873, at 1 o'clock P.M. Turner Oliver County Clerk.

James R. Gilman, et al.  "Copper Queen"

Notice: The undersigned citizens of the United States have this
day relocated this Mining Claim known as Copper Queen and formerly owned by Charles R.
Johnson and others who failed to work assessment $100, there by rendering claim vacant.

This vein or lode bearing copper and gold situated on Copper Creek in
Bad Rock Precinct, Tp 7, Range 42 E.W.M. In Union County and more particularly described
as follows: Beginning at this notice and running north 1200 ft. thence east 300 ft. thence
south 1500 ft. thence west 600 ft. thence north 1500 ft. thence east 300 ft. to center
of north line.

All corners of this claim are established and we the undersigned intend to
hold and work said claim according to mining statutes of the United States.
John M. Gillikson, "Little Ruby"

Notice of Location of Quartz Claim:

NOTICE IS HEREBY GIVEN TO ALL PERSONS IT MAY CONCERN: that John M. Gillikson, citizen of the United States, over the age of twenty-one years, have this day relocated this Mining Claim bearing copper and gold and formerly owned by C. E. Johnson, and have this day under and in accordance with the revised Statutes of the United States, Chapter Six, Title Thirty-two, located 1800 linear feet of the vein or lode with surface ground 600 feet in width, situated in the Mining District, County of Union, State of Oregon, and known as the Little Ruby Quartz Mining Claim and extending 750 feet east to a stake and 750 feet west from this notice or prospect shaft.

The exterior boundaries of this claim being distinctly marked by reference to some natural object appurtenant not permanent and more particularly described as follows:

Beginning at this notice and extending 750 feet east thence 300 feet south thence 1500 feet west thence 600 feet north thence 1500 feet east thence 300 feet south to end of center line.

All the corners being established by stakes of monuments of rock and I intend to hold and work said claim as provided by local customs and rules of miners and the Mining Statutes of the United States.

Dated on the ground this 7th day of January, 1893.

Recorded January 16th, 1893, at 1 o'clock P.M.

E. R. Lewis.

"Lewis"  

NOTICE IS HEREBY GIVEN: That the undersigned, a citizen of the United States, over the age of twenty-one years, on the 21st day of July, 1875, discovered a zone of quartz for sand rock in place bearing gold, silver and lead within the limits of the claim hereby located and have this 21st day of July, 1875, under and in accordance with the Revised Statutes of the United States, located fifteen hundred linear feet of
this vein or lode in length with surface ground three hundred feet in width on each side
of the center of said lode, situated in a mining district, County of Union and State of
Oregon, and known as the Lewis Mining Claim and extending fifteen hundred feet to and from
this notice at the discovery.

The exterior boundaries of this claim being distinctly marked by reference
to natural objects or permanent monuments and more particularly described as follows:

Commencing at S. E. corner of the Stanberry Claim and running thence south
early 1500 feet thence Easterly 600 feet thence northerly 1500 feet thence westerly 1500
feet to place of beginning and being parallel with the Ackaw Claim and situated in the Red
Hills about 1 3/4 miles easterly from Eagle River and that I intend to hold and work said
above described claim as provided by the local laws and the custom and rules of miners
and Mining Statutes and laws of the United States.

Discovered on the ground 21st July, 85.
Dated July 21, 85.
Signed: E. W. Lewis.
