The Camp Bird

The undersigned, James E. Bird, a citizen of the United States and resident of the County of Baker, State of Oregon, do hereby make and present this petition to the proper authorities that I, the undersigned, do claim a mining claim located in the public lands of the United States, lying and being in the Township 18 North, Range 30 West, Sec. 14, of the Baker Mining District, Baker County, State of Oregon.

This claim was discovered by me on the 15th day of January, 1879, and was improved by the erection of a camp and other necessary improvements. The boundaries of the claim were then clearly defined by stakes and other visible objects and were as follows:

1. From the beginning, a line running due north.
2. Thence due east.
3. Thence due south.
4. Thence due west.

The boundaries were then surveyed and the claim was recorded as provided by law.

In the name of the United States of America, I hereby declare that I have discovered and staked a mining claim in the County of Baker, State of Oregon, on the 5th day of August, 1897.

The mining claim is located on the east side of Spring Creek, in the town of Elk, Township No. 1, Range No. 3, East of the 1st Principal Meridian, in the State of Oregon.

The mining claim is designated as the "Elk Springs" claim.

The mining claim is described as follows:

A point on the Elvah Kinsley claim, 2,800 feet from the mouth of Spring Creek, running along the east bank of Spring Creek, then 2,800 feet along the north bank of Spring Creek, then 800 feet along the west bank of Spring Creek, then 800 feet along the south bank of Spring Creek, and then 800 feet along the east bank of Spring Creek, forming a square of 40 acres.

The mining claim is 40 acres in size.

The mining claim is located on the east side of Spring Creek.

The mining claim is staked on the 5th day of August, 1897.

The mining claim is described further by the following coordinates:

North latitude: 44° 40' 30"

West longitude: 117° 45' 15"

The mining claim is located in the town of Elk, Township No. 1, Range No. 3, East of the 1st Principal Meridian, in the State of Oregon.

The mining claim is staked by John W. Whalé, a mining engineer, on the 5th day of August, 1897.
Brevard August 12th 1899.

Received, do hereby, that I have received of David Arthur, by the hand of J. H. Deveraux, and paid the sum of $50.00, full and final for twenty days work on the Emily placer claim, said claim being located on the Right Hand in the Rogue River Mining District, in the Block No. 2, A. & P. C. No. 9, in the third section of the 6th range, T. 33 N., R. 18 E., in the State of Oregon.

This claim joins the Britishton on the West. The Afterthought claims on the South and 67.5 Mill rise on the North of C & E. and Beaver Mill rise on the East.

The page includes dates and names, and the handwriting is faded in some areas, making it hard to decipher in places. The top of the page reads "Hydeville."
Preliminary Depositions were taken by W. E. Sheehan & Charles E. A. Blackwell. The depositors were each paid $10.00 in gold. The depositors were advised to proceed with the mining operations.

The mining operations were performed at various points in the following years:

1. At Gold Reef, where the depositors were advised to proceed with the mining operations.
2. At the Yellow Tom Mine, where the depositors were advised to proceed with the mining operations.
3. At the Black Diamond Mine, where the depositors were advised to proceed with the mining operations.
4. At the Blue Range Mine, where the depositors were advised to proceed with the mining operations.

The mining operations continued and proved that during the year 1899, the quantities of gold mined were more than $10,000 of gold, and the aggregate amount in excess of $50,000 was placed in bank and held for the benefit of the depositors.

The depositors were advised to proceed with the mining operations.

Deposited and received the sum of $50,000.00 on the 15th day of December 1899.

State of Oregon, Court of Chancery.Filed for Plaintiff, E. H. Smith, a citizen of the State of Oregon and County of Douglas, who brings suit in chancery and seeks relief against the McCraney family, who are hereby referred to as the “Defendants.” The Plaintiff seeks to quiet title to certain real property located in the State of Oregon and County of Douglas, consisting of a tract of land described as Lot 3, Block 1, City of Roseburg, Union County, Oregon.

The Plaintiff alleges that the Defendants, John and Jane McCraney, have wrongfully asserted claims to the aforementioned land, which the Plaintiff hastitle to. The Plaintiff seeks a declaratory judgment that the Defendants’ claims are without merit and that the Plaintiff is the rightful owner of the property.

Plaintiff’s Claim:
The Plaintiff claims that he purchased the property from the original owners in 1902 and that he has held continuous possession of the property since that time. The Plaintiff further states that he has paid all taxes and has maintained the property in good condition.

Defendant’s Claim:
The Defendants allege that they are the rightful owners of the property based on a deed transfer from the original owners to a previous owner, who subsequently transferred the property to the McCraney family.

Evidence:
Documents supporting the Plaintiff’s claim include a chain of title dating back to 1902 and a deed from the original owners to the Plaintiff. Documents supporting the Defendants’ claim include a deed from the previous owner to the McCraney family.

Resolution:
The matter is currently pending in the Court of Chancery. The trial is scheduled for next month.

NOTICE is hereby given to all whom it may concern, that James Conley and
George Strickland, Citizens of the United States, over the age of twenty-one years, have
this day located under the Revised Statutes of the United States, Chapter Six, Title
Thirty two, the following described Placer Mining Ground, viz:

Beginning at the N E corner, a post from which the N E 1/4 of Section 22,
Township 13, S R 42, E, bears N 56 degrees E 2671.0 feet and running thence S 59 degrees
10' E 350.0 feet, thence S 53 degrees W 1529.0 feet, thence N 39 degrees 30' W 350.0 feet
thence N 53 degrees E 1529.0 feet to the place of beginning, containing an area of
12.7 acres. This is an amended location of a Placer Claim, located on May 6th 1896, and
recorded on page 72 of Volume F of Placer records of said Baker County, Oregon, and is
made for the purpose of more fully describing the ground claimed, and no right acquired
by the original location is waived by this amendment thereto. For the reason that this
claim is located on the feet of steep mountain slopes on thence, and is surrounded by
quartz lode locations, and also for the reason that the ground outside of the side
lines of this Placer cannot be tamed placer ground, it is not practicable to locate and
describe this placer in conformity with the Public Surveys of the United States.

This amended location is made within the limits of the original location.
Situated in an unorganized Mining District, Baker County, Oregon, in Sec 22 T 13 S R 42 E.
This claim shall be known henceforth as the Summit Placer Mining Claim, and we intend to
work the same in accordance with the local customs and rules of miners in said mining
district and the mining statutes of the United States.

Amended Notice of Location of "Romana" Placer Mining Claim.

Notice is hereby given to all whom it may concern, that we, the undersigned locators, Alvin Wise, A.M. Clark and Hall Garrett, who are each citizens of the United States of America, and each over twenty one years of age, having discovered valuable placer deposits on the property hereinafter described, did on the 9th day of September, A.D. 1906, locate (under and in pursuance of the laws of the United States of America, particularly chapter 6 Title 32 of the Revised Statutes of the United States, and of the laws of the State of Oregon, and the local customs, rules and regulations relating to placer mining claims), the following described placer mining ground, known as the "Romana" Placer Mining Claim, situated in the organized Mining District, in the counties of Malheur and Baker, in the State of Oregon, viz:

An Island in Snake River, opposite to an Easterly direction to Seager's Homestead entry, being the first Island in said Snake River South of "Rahmbill Bank", said claim being more particularly described as follows, to-wit:

Beginning at witness corner post 1, from which the wunder corner on the N line of Section 4, Township 15 S Range 45 E.W. is measured 47° 54' 0" W 924 feet distant;

Thence N 45° 53' 0" W 108 feet to witness corner mound 2; thence N 47° 03' 0" W 373 feet to witness corner mound 3; thence N 47° 03' 0" W 260 feet to witness corner mound 4;

Thence N 45° 53' 0" W 120 feet to witness corner mound 5; thence N 47° 03' 0" W 316 feet to witness corner mound 6; thence N 45° 53' 0" W 202 feet to witness corner mound 7;

Thence N 45° 53' 0" W 319 feet to witness corner mound 8; thence N 47° 03' 0" W 229 feet to witness corner mound 9; thence N 47° 03' 0" W 229 feet to witness corner mound 10; thence N 47° 03' 0" W 17 feet to witness corner mound 11; thence N 1° 10' 0" W 107 feet to witness corner mound 12; thence S 3° 50' 0" E 334 feet to witness corner mound 13; thence S 33° 18' 0" W 333 feet to witness corner mound 14; thence S 2° 10' 0" W 333 feet to witness corner mound 15; thence S 3° 35' 0" W 133 feet to witness corner post 16, from which discovery shaft bears Northwesterly 275 feet distant; thence S 2° 10' 0" W 470 feet to witness corner mound 17; thence S 2° 10' 0" W 620 feet to witness corner mound 18; thence S 60° 15' 0" W 183 feet to witness corner post 1, being the place of beginning.

The actual corners of said claim are located upon imaginary lines drawn through each of said witness corner posts or mounds from the center of said discovery shaft, and are each 125 feet further distant from the center of said discovery shaft than the corresponding witness corner post or mound; and the land actually claimed and located is circumscribed by lines connecting consecutive actual corners.

Said above described tract of land contains not more than 60 acres.

All of the witness corner posts heretofore mentioned are substantial posts, not less than 4 inches square and in diameter, sunk not less than 1 1/2 feet into the ground, and project not less than 4 feet above the surface of the ground; and said posts are surrounded by mounds of rock and earth and stone not less than 2 1/2 feet.
in height. A like post upon which the original notice of location and the amended notice of location are posted is located in like manner at the head of the discovery shaft. All of said witness corner mounds are of stone and earth, at least two feet in height each.

This is an Amended Notice of Location of "Kumana" Placer Mining Claim, located on the 9th day of September A.D. 1906, and filed for record in the office of the Recorder of Baker County in said State of Oregon, on September 10, 1906, and recorded in Book 9 of Records of Placer Mining Locations in said County, at page 567, and also filed for record in the office of the Recorder of Malheur County, in said State of Oregon, on September 13, 1906, and recorded in Book 9 of Placer Mining Locations in said County at page 567, and is made for the express purpose of now definitely describing the boundaries thereof and of correcting any errors or omissions in the original notice, hereby waiving none, and reserving all of our rights under and by virtue of said original discovery location and possession of said claim.

And we intent to hold and work said claim as provided by local customs and rules of Mines and Mining Statutes of the United States and of Oregon.
