Dear Sir:-

Recd. your letter and the return of my money order. I meant just what I wrote you, to record the inclosed mining claims in the name of G. H. Swart & W. E. Shumate and if you note on the face of the proof of labor where Mr. Ellis signed said claims over to me. I merely sent in that paper to give you a correct description of the property and further more Mr. Ellis have no more claim on the property, as he have done no labor on it since the summer of 1915, so he have nothing to deed away because it do not belong to him, and he told me so, also that he didnt want them, and told me so and said all I would have to do was to send $5.00 and get them recorded.

Kindly let me know if that will be sufficient.
