La Grande

PLAT OF THE CLAIM OF
J.H. Parker
KNOWN AS THE
Cobalt Consolidated Quartz Claim

The Original Field Notes of the Survey of the Mining Claim of J.H. Parker
known as the
Cobalt Consolidated Quartz Claim

from which this plat has been made under my direction, have been examined and approved, and sworn to in this office, and I hereby certify that they furnish such an accurate description of said Mining Claim as will, if incorporated into points, serve fully to identify the premises, and that, such reference is made therein to natural objects or permanent monuments as well improve, and is hereby warranted.

I further certify that the Hundred Dollar worth of labor has been expended or improvements made upon, and the Mining Claim is claimed in the name of Cobalt Consolidated Quartz Company, and that either or improvements consist of 2500 feet of tunnels, 210 feet of drifts, 250 feet of shafts, open cuts, boarding, headgears and building houses.

that the location and improvements is correctly shown upon this plot, and that no portion of said labor or improvements has been included in the estimate of expenditures upon any other claim

and I further certify that this is a correct plat of said Mining Claim made in conformity with said original field notes of the survey thereof, and the same is hereby approved.
