OWNER: John M. Gilkison Sr. Keating, Oregon

AREA & LOCATION: Six unpatented claims located on upper Clover Creek in sec. 24 T 7 S R 42 E W. M.

GEOLOGY: See Oregon Metal Mines Handbook 14 A

REMARKS: Mr. Gilkison, the owner is an elderly gentleman and lives on the claims. The only work he is doing is assesment work. He seems to have no other plan than to hold the claims.

There is a small amount of copper ore lying about the dump. A grab sample ran 6% copper.
