Dear John:

Here is a memo for your file.

The owner of the Squaw Creek Mine in the Greenhorn District, Mr. Fenstermacher of Portland, would like to have you look at his property at your convenience. The mine is located $1\frac{1}{2}$ mile east of Greenhorn. Fenstermacher has maps, etc. There two tunnels on the property. Fenstermacher is a mining man of considerable background.

Portland

Let us know when you would be able to give this some attention, *we will have Fenstermacher meet you.*

Very truly yours,

E. K. Nixon
