WORKING GOLD HILL

The old tunnel of the Gold Hill mine, southeast of Durkee, has been cleaned out, according to Lee W. Hope, who is now owner of the property. He contemplates further work in early spring and will re-equip it with mill suitable to ore, and is offering the 50-ton crusher and a new compressor and other material for sale. *Re Couriers*

Mining & Contract. Review April 12 1938

Baker Co

Union County

John Machey, developing the Little Bonanza mine in the Chicken Creek district, leased from W. W. Gibbs of Sumpter, reports the shaft down 45 feet with prospects of early pay ore.

TRUCKING ORE

Jim Hall of Durkee has been trucking ore from the Galliger mine on Lookout mountain to Durkee. The ore is to be shipped to the smelter at Tacoma.

**COUNTY'S MINE PRODUCING
GOLD ORE ON LEASE**

Durkee— (Special) —County Judge Charles E. Baird and family of Baker motored to the Gallagher mine at Lookout Sunday. The mine, which is county property, is leased by Jim Barry and has been milling a low grade of ore for several weeks. Mitchell Smith is employed as mill foreman.
