CABEL COVE

DISTRICT: Is 40 miles northwest from shipping point, Sumpter, on the Sumpter Valley Railway. Located 40 years ago, and consists of a group of 5 unpatented lode claims, recorded in Canyon City. Located in a high mountain area; country rock is granite; vein strata bearing northeast and southwest; width 2 feet, length 1500 feet. Minerals are gold and silver, assayed at \$30. Water is ample; power is available from the Eastern Oregon Light & Power Company, nearby. The mine is idle, but is equipped with a small mill, shop, cars, hand steel, and other tools. Developed with 900 feet of tunnels. Owner is Charles Newell, Baker, Oregon (Prescott---6/1/37).

MINNIE McDOWELL MINE (Gold, Silver)

Sumpter District

The mine is 4 miles northwest from Sumpter. It was located 40 years ago, and consists of a group of 5 unpatented lode claims. It is located in a high mountain area; country rock is granite; vein strata bearing northeast and southwest; width 2 feet, length 1,500 feet. Water is ample; power is available from the Eastern Oregon Light & Power Company, nearby. The mine is idle, but is equipped with a small mill, shop, cars, hand steel, and other tools. Developed with 900 feet of tunnels.
