

Mule Creek District
Curry County

Name: Keystone (gold quartz)

Owner: C. M. Carr,
Illahe, Oregon.

Location: South side of Rogue River. 2 miles south-
west of Marial Post Office by trail. S. $\frac{1}{2}$
Sec. 17, T. 33 S., R. 10 W.

General Information: This property was owned by Mr. George W.
Billings for a number of years. Either in
the fall of 1930 or the spring of 1931, Mrs.
M. M. Reber secured the property on bond
and lease, and a short time later that year
she turned the property to George Hay Du
Barry. No work or exemption was filed, and
as a result, Mr. Carr and J. V. Horner located
the property July 1, 1933. Since then Mr.
Carr purchased Mr. Horner's interest in the
property.

In regard to development work, Mr. Carr
started a new tunnel about 100 feet above the
river on the vein. This tunnel is in about
20 feet. The workings shown in figure 28 on
page 89 of the Preliminary Survey of the
Geology and Mineral Resources of Curry County
has been extended about 20 feet.

No equipment on the property. Mountainous
topography. Plenty of timber and water for
mining purposes. Elevation 400 feet aneroid.

Informant: J. E. Morrison. July 21, 1939.

One claim held by location.
