

This Department will act as a clearing house for those who wish to buy or sell or lease or operate mineral properties within this state. We will publish a list from time to time of properties offered and properties desired. This list will be available by writing this office and enclosing 6¢ in stamps to cover cost of printing and postage. We will condense the information given regarding the property into a short paragraph for listing, and each paragraph will bear a number. Parties desiring to contact the owner of a certain property described in a paragraph may obtain the desired name and address by writing this office and mentioning the paragraph number; or, parties having a property similar to one listed as "Desired" may obtain buyer's name and address in similar manner.

This Department assumes no responsibility for the accuracy of any statement, and makes no recommendation as to the merits of any property. Each paragraph represents only the owner's representation.
