SHORT CHROME

Douglas County
Tiller-Drew Area

Owner: Vic Short, Drew, Oregon

Location: SE\(^2\) sec. 21, T. 31 S., R. 2 W., on the ridge between Drew and Callahan Creeks.

Area: Deeded land.

History: During World War I, some chrome was mined out, but before the chrome was delivered, the war ended, and the contract was terminated. Reports indicate that the chrome came from a hole about six feet in diameter, and a few feet deep. A few tons of ore are piled on the dump. There is a fair-weather road to the deposit.

Informant: Louis Thomason and Vic Short (not visited).

8 October 1943.
