## Truck Tips Over, Haul Dredge Parts

North Powder — (Special)—A truck belonging to the Willamette Truck company, which was carrying two pontoons for the Orogrande Mining company, turned over one day last week on the Chicken Hill forest road.

S. G. Randall, Portland, driver of the truck was slightly injured, but little damage was done to the truck.

The Willamette Truck company has the contract for moving the dredge and other equipment of the Orogrande Mining company from the Granite district to the Grande Ronde river district.
