(Sent via e-mail to [nancy@paramountnevada.com](mailto:nancy@paramountnevada.com) and US Mail - return receipt requested)

Dear Ms. Wolverson:

The State of Oregon received the Calico – Grassy Mountain Environmental Justice Baseline Report on February 23, 2018.

Staff from DOGAMI, the Oregon Department of Environmental Quality, and the Oregon Environmental Justice Task Force have reviewed the baseline report for *Environmental Justice* (as noted in the attached review form), and confirm that the baseline information is consistent with the approved baseline data methodologies contained in the approved Environmental Baseline Study Work Plans dated September 22, 2017 (approved by the State of Oregon on December 7, 2017).

Thank you for this information. Please let me know if you have any questions or need additional information.

Sincerely,

Randy Jones  
Chemical Process Mining Coordinator  
Oregon Department of Geology and Mineral Industries
