Re: Grassy Mountain – Baseline Data – Wild, Scenic, or Recreational Rivers

(Sent via e-mail to nancy@paramountnevada.com and US Mail - return receipt requested)

Dear Ms. Wolverson:

The State of Oregon received the Calico – Grassy Mountain Wild, Scenic, or Recreational Rivers Baseline Report on May 30, 2018.

DOGAMI has reviewed the baseline report for Wild, Scenic, or Recreational Rivers and confirm that the baseline information is consistent with the approved baseline data methodologies contained in the approved Environmental Baseline Study Work Plans dated September 22, 2017 (approved by the State of Oregon on December 7, 2017).

Thank you for this information. Please let me know if you have any questions or need additional information.

Sincerely,

Randy Jones
Chemical Process Mining Coordinator
Oregon Department of Geology and Mineral Industries
