

APPLICATION to DRILL OIL or GAS WELL
OREGON DEPARTMENT of GEOLOGY and MINERAL INDUSTRIES ♦ 229 BROADALBIN ST SW ♦ ALBANY OR 97321

In compliance with Oregon Revised Statutes (ORS) 520 and Oregon Administrative Rules (OAR) 632-010

REQUIREMENTS:

A complete application is required to obtain a permit to drill an oil or gas well.

A complete application consists of:

1. The application fee per ORS 520.017.
2. The attached application form. If applicant is other than an individual, the entity must be registered to do business in Oregon with the Secretary of State (SOS) Corporation Division. Signature on the application must have signing authority for the entity.
3. Supporting documentation per OAR 632-010-0010, including but not limited to:
 - a. Detailed casing and cementing programs;
 - b. Evidence of mineral rights ownership or lease.
4. Financial security pursuant to OAR 632-010-0205.

The Department will determine if an application is complete within 21 days and notify the applicant in writing.

The Department will circulate each application to appropriate federal, state, local and Tribal government agencies. Agencies have 45 days from the date of circulation in which to comment.
