Use this form for applications to deepen, rework, abandon, or any other proposed procedure on an existing well.

This form must be submitted unless verbal approval has been given. This application becomes a permit when signed and dated by DOGAMI in the box below.

The present condition of the well, including complete casing record, is as follows:

See attached casing record.

RECEIVED - PTLD

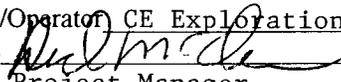

OCT 17 1996

DEPT. OF GEOLOGY  
MINERAL INDUSTRIES

Following is a detailed account of proposed work:

Suspend all operations, drain sump, fence well pad, sump, and well head with 8 foot fiberglass deer fence per U.S. Forest Service specifications. Lock well head with chain and combination lock. Lock # 3636. Install security gate on access road.
