Date: 10/15/96 Position: Project Manager

Use this form for applications to deepen, rework, abandon, or any other proposed procedure on an existing well.

This form must be submitted unless verbal approval has been given. This application becomes a permit when signed and dated by DOGAMI in the box below.

The present condition of the well, including complete casing record, is as follows:

30 foot conductor set to 100 feet. Plate welded over top, 1 foot below wellpad surface. Plate covered with dirt and location marked with permanent monument.

Following is a detailed account of proposed work:

Suspand all operations, drain sump, fence well pad sump with 8 foot fiberglass deer fence per U.S. Forest Service specifications. Secure access with locked gate. Lock # 3636.

DOGAMI approved 19
