DOGAMI Governing Board to meet July 24 in Bend

PORTLAND, Ore. – The Governing Board of the Oregon Department of Geology and Mineral Industries (DOGAMI) will meet from 8:30 a.m. to 12:30 p.m. on Friday, July 24 in Bend.

Among the items slated for discussion is recruitment for the position of State Geologist. The State Geologist serves as the Agency's Executive Director. Public comment will be taken on the recruitment process, timeline and hiring standards and criteria, which will be posted at www.OregonGeology.org one week before the meeting.

A full meeting agenda is available here: <http://bit.ly/1Milpd2>

The meeting will take place at Mount Bachelor Village, 19717 Mount Bachelor Drive, Bend, in the Summer Twilight conference room.

The DOGAMI Governing Board sets policy and oversees general operations, and adopts a strategic plan every six years to guide DOGAMI's mission and objectives. The Board meets at least quarterly at sites around the state. As active members of their communities, Board members provide an important connection between Oregonians and DOGAMI's mission of providing earth science information and regulation to make Oregon safe and prosperous.
