

## OREGON DEPARTMENT OF GEOLOGY AND MINERAL INDUSTRIES

May 10, 2022

### **State agencies to meet May 25 on proposed gold mine in Malheur County**

Portland, OR– State agencies will meet by teleconference May 25 on a proposed chemical process gold mine in Malheur County.

The Technical Review Team (TRT) Water Resources Subcommittee will meet by teleconference on Wednesday May 25, 2022 from 2:00 p.m. to 4 p.m. PST.

The public notices and related documents are available at:

[https://www.oregongeology.org/mlrr/chemicalprocess\\_Calico-GrassyMtn.htm](https://www.oregongeology.org/mlrr/chemicalprocess_Calico-GrassyMtn.htm)

The public and media may listen to the meetings by joining the Zoom Meeting online, or by phone. Due to COVID-19 safety restrictions, there will not be an in-person location to attend this meeting. For online meeting details and call-in instructions, see the meeting agendas. For further information, contact the DOGAMI Albany office at (541) 967-2083 or email: [mlrr.info@oregon.gov](mailto:mlrr.info@oregon.gov).

The TRT Water Resources Subcommittee is an inter-disciplinary team of state agencies that reviews water resource information and concerns related to a proposed mine during all phases of the application process, and ultimately develops water resource-related consolidated permit conditions that conform to Oregon regulations.
