State agencies to meet June 30, 2022 at Technical Review Team Geochemistry Subcommittee meeting on proposed gold mine in Malheur County

Portland, OR— State agencies will meet by teleconference June 30 on a proposed chemical process gold mine in Malheur County.

The Technical Review Team (TRT) Geochemistry Subcommittee will meet by teleconference on Thursday June 30, 2022 from 10:00 a.m. to 12:00 p.m. PST.

The public notice and related documents are available at:

https://www.oregongeology.org/mlrr/chemicalprocess_Calico-GrassyMtn.htm

The public and media can listen to the meeting by joining the Zoom Meeting online, or by phone. For online meeting details and call-in instructions, see the meeting agenda in the public notice. For further information, contact the DOGAMI Albany office at (541) 967-2083 or email: information.grassymtn@dogami.oregon.gov.

The TRT Geochemistry Subcommittee is an inter-disciplinary team of state agencies that reviews geochemistry information and concerns related to a proposed mine during all phases of the application process, and ultimately develops geochemistry-related consolidated permit conditions that conform to Oregon regulations.
