Clat-04 Astoria — Map Plate Extent and Map Name

Map plate extent labels show the publication reference number in italics with the plate name below in boldface. The reference number is DOGAMI's publication release numbering system for this series: county abbreviation and map number within county. The plate name refers to a major cultural or geographic feature in the map area. Maps in this series are expected to be released in the 2012-2013 time frame. Revised 03/26/13
