### Oregon Schools Seismic Feedback Form

#### PART 1 - GENERAL INFORMATION

1. **Date of submittal**
   - August 21, 2013

2. **County**
   - Douglas

3. **School district or special education district**
   - Douglas County School District #15

4. **Name and title of person submitting report**
   - Kim Dunn
     - Business Manager

5. **Year for reporting - Please submit a separate form for each school report**
   - 2013-2014

---

**Instructions:** Fill out a separate seismic feedback form for each school in your district that has replaced or modified buildings. Submit completed forms to:

seismic.feedback@dogami.state.or.us

**Click here to mail the completed form to DOGAMI**

*Thank you for your cooperation!*
**PART 2 - REPLACED STRUCTURES**

### 6. Did the district REPLACE any school structures with new buildings during the reporting year?

**Yes** ☐  If yes, be sure to complete a separate seismic feedback form for EACH structure that was replaced.

**No** ☐  If no, go to page 3.

### i. Name and address of the school where structure was replaced

### ii. Exact structure or structures that were replaced (for example, gymnasium, main building, etc.)

### iii. Type of replacement building (for example, tilt-up, masonry, wood frame, etc.)

### iv. Maximum occupancy of new structure

### v. Date the new structure became occupied
PART 3 - MODIFIED STRUCTURES

7. Did the district MODIFY an existing school building in a manner that may affect the seismic risk category of a school?

| Yes ☐ | If yes, be sure to complete a separate seismic feedback form for EACH structure that was modified. |
| No ☐ | If no, you are finished. Please go to page 1 for submittal instructions. |

i. Name and address of the school where structure was modified
