</table>
### PART 3 - MODIFIED STRUCTURES

7. Did the district MODIFY an existing school building in a manner that may affect the seismic risk category of a school?

Yes ☐ If yes, be sure to complete a separate seismic feedback form for EACH structure that was modified.

No ☐ If no, you are finished. Please go to page 1 for submittal instructions.

i. Name and address of the school where structure was modified

Salish Ponds Elementary School  
1210 NE 201st Ave  
Fairview, OR 97024

ii. Exact structure or structures that were modified (for example, gymnasium, main building, etc.)

iii. Type of modification to the building (for example, awnings anchored, structural reinforcement, etc.)

iv. Date the structure was re-occupied after modification

---

c. Optional: Submit a copy of the seismic rehabilitation or structural engineering report

Please attach to email when you submit this form.

d. Optional: Cost and method of seismic rehabilitation funding (grant through Seismic Rehabilitation Grant Program, local school bond, etc.)

---

Thank you! Please return to page 1 for instructions on submitting this form.
